*UBC Authors  
& Their Books*

UNIVERSITY OF BRITISH COLUMBIA LIBRARY  
AND  
OFFICE OF THE PRESIDENT  
AUTHORS' RECEPTION  
MARCH 1994

## *Fourth Annual Authors' Reception*

*The Library is pleased to co-sponsor with President Strangway the Fourth Annual Reception to honour UBC authors and their books.*

*The Reception is a special occasion where we celebrate the richness of our Library and also, in many instances, our faculties' use of our extensive collections to produce new books for the Library. This year we acknowledge 100 authors who have published over 90 titles.*

*As in previous years, these authors have written on a wide range of subjects and their expertise is impressive. The quality of a University is very much a result of the wide ranging network of scholarly and professional contacts that faculty members develop and maintain throughout their careers, and a world class Library is an essential component of the scholarly endeavor.*
