UNIVERSITY OF BRITISH COLUMBIA LIBRARY  
AND  
OFFICE OF THE PRESIDENT  
AUTHORS' RECEPTION  
APRIL 1993

## *Third Annual Authors' Reception*

*The Library is pleased to co-sponsor with President Strangway the Third Annual Reception to honour UBC authors and their books.*

*The Reception is a special occasion where we celebrate the richness of our Library and also, in many instances, our faculties' use of our extensive collections to produce new books for the Library. This year 114 authors who have published 106 books in 1992 are acknowledged.*

*The immense range and diversity of subject matter about which our faculty members have expertise is indeed impressive. The quality of a University is very much a result of the wide-ranging network of scholarly and professional contacts that faculty members develop and maintain throughout their careers, and a world-class Library is an essential component of the scholarly endeavour.*
