Questionnaire A: Disabled Person’s Expectations from Paralympic Games

[Note: The questionnaire is only used for persons with disabilities.]

Introduction:

Hello: Renmin University and China Disabled Persons Federation (CDPF) are collaborating with Beijing Disabled Persons Federation to conduct a jointed research titled “Disabled Persons’ Expectations From Paralympic Games.” I am the researcher of this project. The purpose of this research is to understand what the disabled expectations are in order to host a better Paralympic Games. There is no right or wrong answer as you are expected to tell us your views based on your current situation. This survey is exclusively used for research purpose. We will secure your identity and responses confidential. Thank you very much for your cooperation.

Please draw a small circle “O” on the blank line in following questions according to the answer.

01. Gender of respondent:
   1) Male __________________
   2) Female

02. Your date of birth_________________________(yy/mm/dd)

03. Please indicate your registered permanent residence:
   1) Rural Residence ______________________
   2) Urban residence
   3) Other

04. Please indicate your ethnicity: _______________________________

05. Please indicate your household living space: ___________m² (Square meters)

06. Can you read?
   1) Yes __________________
   2) No __________________

07. Please indicate your education level:
   1) Never go to school ______________________
   2) Elementary __________________________
   3) Secondary School __________________________
   4) High School __________________________
   5) Secondary Professional School __________________________
A. Expectations from the Preparation of Paralympics

A1. Do you know that Beijing will host the Paralympic Games in 2008?

1) Yes, I know. (If chose this one, please go to A11)
