Questionnaire B: Expectations from Paralympic Games

[Investigators should note that the expected respondents are able-bodied people.]

Introduction:

Hello: Renmin University and China Disabled Persons Federation (CDPF) are collaborating with Beijing Disabled Persons Federations to conduct a jointed research titled “Disabled Persons’ Expectation From Paralympic Games.” I am the researcher of this project. The purpose of this research is to understand what the disabled expectations are in order to host a better Paralympic Games. There is no right or wrong answer as you are expected to tell us your views based on your current situation. This survey is exclusively used for research purpose. We will secure your identity and responses confidential. Thank you very much for your cooperation.
