Indifference

I don't care anymore
 about love or war.
 No wrong I want to right
 I don't want to join the fight.
 What a sad day
 If we all felt this way.
 With no one to care
 Or even to share.
 We must not give up hope
 Or feel at the end of our rope.
 If we are to survive
 And remain alive
 We cannot let ourselves feel this way.
 But take courage and face each new day.
 By showing we care.
 And allowing ourselves to share.

Volunteer Fundraising Car Wash

On Saturday August 25, 1984 a Volunteer Car Wash was held in the basement of First United Church. It was a beautiful day just filled with sunshine. Over 20 volunteers participated for most of the day in the event. We gathered together and went over to the Church about 10:30. Soon we were ready to go. Some of us set to work on cars while others walked back and forth on the street with sandwich board advertising. About 2:00 we had lunch brought over from the Carnegie kitchen. We continued washing cars till about 5:00. I think everyone agreed that it was a really good time. Not to mention that some money was brought into the Volunteer fund. Plans are in the works to make it a regular event. Please join us at the next one.

Nancy Sweedler

P.S. The next Car Wash has been scheduled for Saturday September 22. See me for more information.

The Birth of a League

(Downtown Eastside Juvenile Soccer League)

VOLUNTEER-VOICE

September will officially be registration month for the D.E.J.S.L. If you would like to register contact Dan West at Carnegie Center, 401 Main St., telephone 665-2220. You can also call 681-5913 and leave a message for room #417. Teams will be formed in age groupings from 6 - 17 years. Volunteers are needed to help make this program a success. The D.E.J.S.L. has registered a total of 12 players in various age groupings so far. Youth soccer programs in British Columbia have been rated number one in North America for many years and there is no reason why this trend should not continue. Some uniforms are available to the League courtesy of the Grandview Legion at 6th and Commercial. Our major objective in getting the uniforms is having the bodies to fill them. Once again the registration is a no cost transaction but donations will be welcome for the League. A meeting will be held for director's positions and will be announced at a later date. The positions are as follows:

President
Vice-president
Financial Secretary
Referee in Chief
Tournament Committee
Coaches and Assistants
Team Mothers
Gym and Field Coordinator

I would like to give a special thanks to those people who have helped get things going in various channnels.

Jimmy Stuart
Sam Stewart
Fred Arrance

Thank you,
Dan West

The Lady Who Cares

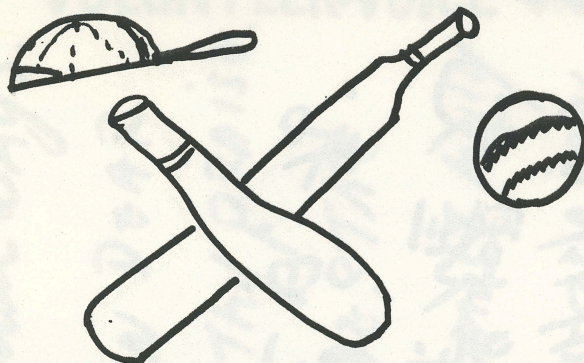

Nancy Sweedler and I were travelling back to the Center. A lady stopped us at a red light and asked us for a lift. We took her 6 blocks from her home.

While driving along we held a conversation. Her name is Elsie Williams, 77 years old, has a very ill husband, but wait! there is no selfishness in her whatsoever. She is a volunteer at the UBC extended care Hospital. She walks and hitchhikes to the Hospital to do her beautiful work. She travels from 41st and Cambie to the U.B.C. She felt no pain or tears and laughed all the way. Elsie brought up a very good point which I shall try to put in motion. All O.A.P must pay for their dentistry. The only sadness that Elsie had was that a cleaning and check up at the dentist, cost \$96.00, which she could not really afford.

Please, each and every volunteer just send her a note, card or letter to boost another volunteer. After all she is older that the average volunteer in our Center and it would give us all a great lift to give our thanks to others.

I Love You All!

PRETEND THESE ARE FOR
REAL!!!!!!

The Pretenders 84 - The Saga Continues

Carnegie's own answer to Rodney Dangerfield completed their first season in the Downtown Eastside Slowpitch League. With their never say die attitudes and an abundance of spirit the Pretenders finished off the 1984 campaign with a resounding 17-6 thrashing of the North Shore Blue Demons. Knowing that the playoff picture had been completely erased the Pretenders showed their grit and determination to finish on a positive note. By expansion standards the Pretenders can feel proud to hold their heads high. In 19 games they recorded 6 wins, 13 losses and just missed qualifying for the playoffs. With a complete season under their belts look for more prosperous times ahead for the Pretenders in 1985. Many thanks to Carnegie for your support in 84.

Free Spirit

After a two month leave of absence the Free Spirit Music Guild put on one of their great monthly concerts. Jim Bell did an excellent job of being master of ceremonies filling in for Tony Seaver. All of the entertainers put on a really great show. The technical staff (lights and sound) was mediocre at best (?).

Positively Negative

I drank for happiness and became unhappy.
 I drank for joy and became miserable.
 I drank for sociability and became argumentative.
 I drank for sophistication and became obnoxious.
 I drank for friendship and made enemies.
 I drank for sleep and awakened without rest.
 I drank for strength and felt weak.
 I drank for relaxation and got the shakes.
 I drank for bravery and became afraid.
 I drank for confidence and became doubtful.
 I drank to make conversation and slurred my speech.
 I drank to feel heavenly and ended up feeling like hell.
 I drank to forget and was forever haunted.
 I drank for freedom and became a slave.
 I drank to erase problems and saw them multiply.
 I drank to cope with life and invited death.

The UBC Library and UBC Learning Exchange would like to thank the following participants for their contributions to digitizing this community-generated document:

Wilson Liang; Debra McNaught

This community-generated work was digitized and deposited to cIRcle, UBC's open access digital repository, as part of the *Digitizing Community Memories* project of the *Making Research Accessible in the Downtown Eastside initiative (MRAi)*. In collaboration with the UBC Learning Exchange and UBC Library, the project provided training and support for community members in the Downtown Eastside to digitize and make openly available community-generated materials. This project aimed to increase access to historic Carnegie Centre publications and preserve these unique materials for years to come.
