

clRcle NON-EXCLUSIVE DISTRIBUTION LICENSE (Version 2.0)

Summary: The University of British Columbia (UBC) maintains an open access digital repository called clRcle for published and unpublished material created by members of the UBC community.

By signing this License, you give UBC the non-exclusive right to copy, distribute, and transmit your Submission over the Internet through clRcle on the terms set out below. Visitors to the clRcle site will be permitted to use your Submission for non-commercial purposes, as set out in greater detail below. You may assign different licencing terms to govern how clRcle visitors may use your Submission.

The rights you grant to UBC under this License will last in perpetuity. References to clRcle include any successor repository designated by UBC.

This License grants UBC significant rights and contains important limitations on your rights to your work. Please read it carefully.

If, at any time hereafter, you learn that any of the foregoing statements are inaccurate, you must contact clRcle immediately.

3. **Grant of License.** In consideration of UBC preserving your Submission in perpetuity in clRcle, you hereby grant to UBC the non-exclusive, world-wide, perpetual, and royalty-free right to use, reproduce, display, convert, sublicense and distribute, in any format and any medium, your Submission, for the following purposes:

- a. uploading and storing your Submission;

- b. publishing the Submission electronically Internet via cIRcle, which means making your Submission available to the public by telecommunication so that they may view and download your Submission, subject to the public access terms described in Section 5;
- c. converting your Submission to any medium or format for the purposes of security, back-up, preservation and use of the Submission in accordance with this License; and
- d. authorizing third-parties to perform any of UBC's rights described in this Section, on UBC's behalf.

If you are submitting a graduate thesis or dissertation, your grant of rights described above is irrevocable.

- 4. **Publication of your Submission.** This License does not affect the ownership of copyright—you maintain whatever rights you have in the Submission. In addition, this License does not contain a waiver of your moral rights to your Submission. However, you have granted important rights to UBC and visitors to cIRcle, and, therefore, you agree that if you grant others copyright ownership or a license, it will be consistent with the rights you have granted under this License. For example, if you wish to publish your Submission in a journal, you will inform the publisher of the rights you have granted under this License and not agree to terms that restrict those rights.
- 5. **Terms of Access by the Public.** UBC will make a digital copy of your Submission available in cIRcle for the public to view and copy for non-commercial purposes only, without prior permission or charge, provided that your Submission is not altered in any way and is properly acknowledged, including citing the author(s), title and full bibliographic details. (Note: this corresponds to the Attribution-NonCommercial-NoDerivs, or CC BY-NC-ND Creative Commons license) UBC may, in its discretion, make your Submission available pursuant to a Creative Commons license (or other licencing platform), on similar terms. If you wish to assign different license terms to your Submission (for example, a different Creative Commons license), you must inform cIRcle as part of the submission process to cIRcle, and the terms of that license shall apply to your Submission. Public access to your Submission may be withheld for an agreed upon period of time: see the cIRcle Digital Repository Policies for applicable policies and processes.
- 6. **Attribution.** UBC will attribute the Submission as you have indicated in Section 1 or as you may notify UBC from time to time, and not alter the Submission except as allowed by this License or with your prior permission.
- 7. **cIRcle Digital Repository Policies.** You acknowledge and agree that you have read and understood the cIRcle Digital Repository Policies, and that your Submission complies with those policies. You acknowledge that the cIRcle Digital Repository Policies may be amended from time to time and that the then current policies will apply to your Submission. In particular, you acknowledge and agree to the policies regarding UBC's right to withdraw public access to your Submission.
- 8. **Release and Indemnification.** You agree that you will not hold UBC responsible for any use or misuse of your Submission by third-parties who access the Submission through cIRcle. You agree to indemnify and hold UBC harmless against any loss, damage, claim, liability, settlement cost or expense (including legal fees) incurred by UBC and arising out of or in connection with UBC's use of your Submission pursuant to this License, and, for greater certainty, any of the statements in Section 2 being inaccurate.

I have read, understand and agree to the terms set out in this License. This License may be delivered and/or stored by electronic means, and such electronic copy delivered to and stored by UBC will be deemed to be the official record of this License.
