

Appendix 37: Monahan and Dewitt confer, May 10, 2009

Patrick,

Just to let you know that I've contacted four scholars each from a different university (one an American in the US; two Israelis; another a South African/Israeli jointly with a major northeastern US university) with the list of possible plenary speakers as well as the website of the conference. I hope to hear back soon and then will give you whatever information and advice I can based on their responses.

Hold tight for what could be a continuing turbulent ride....

By the way, I have not approached S. 21(1); I don't think he would do it or is any longer available. I will be in the UK 13th-23rd June. David
