Customs and Excise  
799 W. Pender Street  
Box 1200, Terminal "A"  
Vancouver 1, B.C.  
Attention: W.H. Trigg

Dear Sir:

This is to certify that the Sanyo Corporation of Moriguchi, Japan, has made a bona fide gift to the University of British Columbia, Vancouver, which consists of the steel girders which were used to support the roof of the Sanyo Pavilion at Expo '70 in Osaka. The University plans to reconstruct the pavilion on its campus.

The girders go from the Port of Kobe as part of the cargo on the "VLADMIR MAYAKAVSKIY" of the UNI ORIENT LINE. It is scheduled to leave Kobe on February 26, and should arrive in Vancouver about March 12.

Yours very sincerely,

SANYO ELECTIC CO., LTD.

  
K. Iue  
President, Sanyo Corporation
