Dear Mr. Dore,

Dr. Tokujiro Karamori,
National Diet Library,
Tokyo,
Japan

Thank you very much for your letter of 25 September. First of all, congratulation on your starting of new life: You must be very happily busy for organizing the new home. You should not be too busy with other things.

Dear Dr. Karamori,

Now in regard to the deposit of our official publications to B. C. University, we have no other idea about the formula at present than we mentioned last. Though very sorry to say, if it would not work, we should have to go back to the start. I have take up this matter with Mr. Choquet, Canadian Embassy, Tokyo, and hope he will study it again.

In the meantime, to our forthcoming Seminar on International Exchange of Publications in Indo-Pacific Area (4-11 November), there is indication that there will come either Dr. Lamb (Dominion Archivist Librarian of Canada) or Miss Letts (President of Canadian Library Assoc.), or both, from your country. If you have a chance to do so, would you see either of them and try get him or her take up the matter here with your Embassy friend?

Although we shall be pressed with the seminar business during the time, we shall be only too glad to try to find out time to study the matter as favorably as possible to you.

M. Smith
