## Dominion Day Sports at Anyox Huge Success

### Held under Auspices Anyox Community League

Brilliant sunshine; a record attendance; full sports programme; plenty of cooling drinks, the whole days' entertainment terminating with a big dance marked this year's celebration of Dominion Day in Anyox.

The day's programme commenced with the marathon races at 10 a.m. and concluded with the closing of the dance at 2 a.m. the following morning a truly busy day for those who participated in all the events.

Arrangements were in the capable hands of the Community League, who carried the programme through without a hitch.

The field sports, baseball and football games drew big crowds.

Everything went off with a bang every event being a ringer, even old King Sol entered into the spirit of the day, and did his utmost to make the bleachers as warm as possible and many of the spectators who occupied them, turned longing eyes at their neighbors who had taken advantage of the shady places, with almost a spirit of envy. But ample provision had been made by the Granby Co. and the Community League in having on hand an abundance of ice cream and cold drinks for any who cared to avail themselves of the opportunity. This was supplied free of charge. The kiddies had a glorious time, as they usually do at events of this kind, being supplied with squakers and flags.

A baseball team from Ketchikan, arrived in time for the celebration. A number of supporters accompanied them, and it is safe to say that they fully enjoyed their visit. Both ball games played between Ketchikan and Anyox were all that could be desired, Anyox winning the morning game, and Ketchikan being the victors of the evening encounter.

It is to be regretted that the Anyox team were not in a position to pay a return visit to Ketchikan for July 4th celebration as in former years. No boat could be hired to take the Anyox team to Ketchikan, enquiries were made by wire to the various boathouses at Prince Rupert, but no launches were available.

Those who helped with the sports and served iced drinks and cream, cakes, peanuts, flags, squakers and horns, were: Harry Armstrong, H. R. Patrick, C. McLachlan, A. Seaton, E. G. Brown and R. Ingram. Secretary of the League F. M. Kelley was the busiest man in town, and the great success of the celebration is due in a large degree to his excellent organizing abilities. Art Nickerson, chairman of the entertainment committee also fulfilled his duties in a very creditable manner.

At the conclusion of the afternoon sports a luncheon was provided the Ketchikan visitors in the Elks' Dugout. They were also guests at the evening dance held in the Gymnasium, which wound up the day's rejoicing.

The dance was well attended, the Syncopated Six orchestra, kept everyone's feet itching with their excellent music, and the Home Waltz witnessed a tired but cheerful bunch of celebrating patriots departing for home, some of which were nearby, while others less fortunate journeyed to Alice Arm or Ketchikan.

In all of this wide and rich Dom-

## Alice Arm Will Have Greater Publicity

A special meeting of the Alice Arm branch of the B. C. Chamber of Mines was held in the Coliseum on Monday evening for the purpose of hearing the report of the publicity committee. Vice-President T. W. Falconer presided.

The minutes of the preceding meeting were read by Secretary A. D. York, and were adopted.

The secretary then stated that the twenty prospectors' samples from the Department of Mines at Ottawa had arrived, and an examination of them had shown that they will be extremely useful for the purpose of comparing samples. These samples had been supplied free.

Some discussion regarding a suitable place for them was indulged in, and it was finally decided to leave them with the secretary until suitable quarters could be found.

H. Fowler, chairman of the publicity committee, gave a brief address regarding the findings of the committee, and stated that enough money had been promised to print 750 booklets and it was hoped to increase this number to 1000.

Mr. R. Armour, secretary of the Publicity Committee then read his report. At the conclusion of the reading of the report it was decided to eliminate all display advertising in the booklet, as it was thought that as much space as possible should be devoted to reading matter relative to the mining industry.

The inclusion of a map of the whole district was the next question and it was decided to insert as large a map as possible if same could be done, at a reasonable expense.

The committee were authorized by the meeting to publish at least 750 booklets, and to increase this number to 1000 if necessary funds can be secured. The book to be 4 1/2 by 8 inches, 32 pages, six of which will be illustrations. Same to be issued as soon as possible.

The following extracts were taken from Mr. Armour's report.

Three committee meetings were held on the 28th, 29th, and 30th, of June.

It was decided to canvass the business people of the town in order to obtain finances.

The district to be covered in the book to consist of a radius of 15 or 20 miles of the town of Alice Arm.

The most reliable information to be secured regarding mining properties, and to base all reports on the report of the District Mining Engineer, together with such other reliable information as could be obtained.

The properties in active operation to receive greatest space.

The bulk of inactive properties to be listed in column form, giving name of property owner, names of minerals, location etc.

As much space as possible to be given to the mining industry.

Approximate cost of 500 books, \$175.00; 750 books \$210.00, and 1000 books \$250.00. This price includes map of district.

That the committee set the sum of \$300.00 for their objective to take care of incidental expenses.

inon, with its towering mountains its sun-kissed valleys, and fertile golden plains, Dominion Day was not celebrated more heartily than in the town of Anyox. July 1st is the birthday of this broad and blessed Dominion in which we are proud to live and call our home, and by celebrating our birthday we show our joy at being so fortunate to dwell in such a land of peace, plenty, and prosperity.

A list of sports prize winners will be found on page three.

## Marriage of Well Known Anyox Couple

The United Church at Anyox was crowded on Monday morning at 8.30, when a very attractive wedding was solemnized between Miss Doris Lawn and Mr. Geo. Leslie. Both are well known and popular in Anyox circles.

The bride is the eldest daughter of Mrs. W. Lawn of Barrow-in-Furness, England, and the groom is the eldest son of Mrs. C. Leslie of Anyox. The young couple have hosts of friends in the locality, so that their marriage created a great amount of interest and brought together many well wishers for their future happiness. The Rev. C. D. Clarke officiated at the service.

The bridal party made a striking and beautiful picture. The bride, who was given away by her brother Gordon, looked lovely attired in an ensemble suit of powder blue, with a grey picture hat, and her bouquet was composed of Ophelia roses, white heather and carnations. She was attended by her sister Miss Annie Lawn, who looked charming in a spun silk dress of Alice blue, with silver grey hat.

Mr. Ronald Moore supported the groom. The groom's mother was attired in a gown of pretty shade of navy blue crepe de chine, with hat to match.

After the ceremony a wedding breakfast was served at the bride's home, where about 25 guests spent a happy time. The usual toasts were honoured, those of the bride and bridegroom being very enthusiastically received.

The happy couple left on the S. S. Cardena for the south, from there they will visit the Eastern States; also to the bridegroom's home in Cleveland Ohio.

About 50 handsome and useful wedding presents were received. The groom's gift to the bride was a gold wristlet watch. The bride's gift to the groom, was a set of handsome gold cuff links. Mr. Gordon Lawn and Mr. Ronald Moore received sets of initial gold cuff links.

## ALICE ARM NOTES

Mr. Tener arrived on Friday from Vancouver in order to consult with Dr. Slocum who is examining the Dolly Varden and Wolf mines. Mr. Tener made an examination of the properties last summer.

A. F. Smith, who has spent the past six months in Vancouver and vicinity in connection with business of the Kitsault River Mining and Development Co. returned home on Saturday.

Constable W. Smith spent a few days in town during the week.

Mrs. H. F. Kergin and daughter Alice left on Monday on a trip to Prince Rupert.

A delightful tea was given at Alice Arm Hotel by Mrs. G. W. Bruggy and Mrs. W. M. Cummings in honor of Mrs. Allen Falconer, before her recent departure for Vancouver. All the ladies of the town (except three) were present, so it was a goodly gathering. Mr. Andrews took photographs in the grounds of the hotel, after which everyone adjourned to the dining room, exclamations of delight were heard; for the table was decorated with lovely crimson roses from end to end, these with the pretty china and good things to eat, made everyone happy, and Mrs Falconer, will carry the memory of that afternoon for a long time to come.

## Benzol Boys Slip Over Win on Mill Men

The Brewery League got under way to a good start on Wednesday evening when the Coke Plant nine took the Concentrator into camp to the tune of 13 to 10. It was a torrid contest from start to finish, dazzling plays were pulled on both sides amid the cheers of the huge crowd present. Manager Harmon's aggregation of sinicillating stars started off with a rush and had piled up a lead of nine runs before the opposition knew what it was all about. In the fifth and sixth, however, Montgomery, who was on the slab for the winners, weakened and eight runs trickled across the rubber. But the tar babies were not to be denied, they added two in the fifth and one in the sixth which put the game on ice. Gawn Moffat started on the mound for the losers but was wild and ineffective and was yanked in favor of Stew McLachlan who got by nicely the few innings he worked. Jack Hill, at first base for the Coke Plant, turned in several nice plays as well as being the big man with the stick when he poled out one for the circuit in the fourth frame. Bradshaw was the star for the Concentrator nine, in the sixth inning he got on and managed to steal everything but the umpire's gold teeth. Willard Bruce was the umpire.

### TEAMS

Coke Plant: McIntosh, Montgomery, Hill, Jones, Asimus, Varley, Heafey, Thompson, Kominsky.

Concentrator: Lazoreck, Moffatt, H. Staines, McKay Staines, McLachlan, Thalheimer, Hunter, Bradshaw, Wharten.

## Mr. and Mrs. C. Gray Leave

Mr. and Mrs. Charles Gray and family left Anyox on Friday, for Vancouver, where they intend to make their future home. Charlie had been in the employ of the Granby Co. since 1908, working at Grand Forks from 1908 to 1914, when he came to Anyox. He worked in the Smelting Department during the time the furnaces were first blown in, and in 1917 was appointed dock foreman, which position he held until 1921. From 1921 until recently he fulfilled the duties as manager of the Elks' Club. Charlie will be greatly missed in fraternal circles and in the community. A large number of his friends were down at the boat to bid Mr. and Mrs. Gray good-bye and the best of success for their future welfare.

## Work Commenced on Eagle

Development work commenced this week on the Eagle property near the LaRose mine. The property was recently examined by W. S. Bacon, mining engineer of Vancouver.

Present work will consist of surface operations, and future plans will be made when this work has been completed.

The Eagle was recently bonded to Mr. McMorris of Vancouver.

Among the arrivals yesterday at the Alice Arm Hotel from Anyox, were: Mr. and Mrs. Patton, Mr. and Mrs. H. Talbot, Mrs. W. A. Mengel, Dick Patton, Dick Talbot, Ellis Patton. They will spend a week or so enjoying the scenic sights of the district.

E. Groves, of the Anyox branch Canadian Bank of Commerce arrived yesterday at the Alice Arm Hotel, where he will spend a week's vacation.

## Ketchikan and Anyox Divide Honors

With old Sol beating down at his best, making it the hottest day this year, but ideal baseball weather, Ketchikan and Anyox split the double bill on Dominion Day. The local boys took the morning contest by a 9 to 7 count before a fair sized crowd. Both teams seemed to have their batting eyes and in consequence the match proved to be quite a slug fest. Orr started on the mound for Anyox but was forced to retire in the sixth, in favor of Smith, when the visitors bunched hits to tie up the score. Johns, who started for the Alaskans was chased in the fourth frame giving way to Cosgroves, who hurled fine ball until the seventh and eighth when the locals got to him for a brace of markers in each canto. Hill, first sacker for the visitors was the leading sticker, with four bingles out of five trips to the plate he also supplied the fielding feature when he speared Smith's liner, which was tagged for the Mine Apartments. Umpires were Oleson and Erbe.

The evening contest went to the visitors by the close score of 3 to 1. The game was not as interesting to watch as the previous one but was productive of some very good baseball. Smith took up the burden on the mound for Anyox, holding the opposition scoreless up to the fourth frame when he weakened and three runs trickled across. The lone tally for Anyox came in the first when Downs walked, stole second and came home when Rudderham's single eluded the centre fielder. Van Marter chucked good ball for the winners, but was forced to retire in the sixth due to a sore arm. Holtz finishing the game with no trouble at all.

### TEAMS

Ketchikan: Edwards, c. Coski, 2b. Greenwell, 3b. Hill, 1b. Gams, s.s. Holtz, 1.f. Cosgroves c.f. and p. Drumm, r.f. Johns, p. Bray, c.f.

Anyox: Downs, c.f. Lane, c. McDougall, 1b. Harris, 3b. Brown, 2b. Anderson, 1.f. Wendell, s.s. Halverson, r.f. Orr, p. Smith, p.

The football contest took place in the afternoon, and after struggling for seventy minutes under the boiling sun, the match was declared a draw, each side scoring one each. Powell scored the Single Men's goal in the first half with a sizzling shot which gave the goalie no chance. Bob Ellison notched the counter for the Benedicts in the second half on a nice pass from Bill Robertson. As there was a prize at stake it was decided to settle the matter by tossing a coin, which was won by the single men. J. Evans refereed.

Mr. E. Morning, who was employed as foreman painter at Anyox for a number of years, and who left on December 26th last year, passed away at his home at Victoria on July 1st. Both Mr. and Mrs. Morning were very popular at Anyox, and the sympathy of their many friends are extended to Mrs. Morning in her sad bereavement.

Mr. and Mrs. Charles H. Clay of Anyox announce the engagement of their only daughter Bernice Alenda, to Mr. Cecil H. Parmiter of Anyox, only son of Mr. and Mrs. John Parmiter, "Lullworth," White Rock.

Mr. and Mrs. Chas. McLachlan left on Monday for holidays at Terrace.

The liberal government, under the leadership of Mackenzie King has fallen, and an election in September has been decided upon. The sore spots of the last election have just about healed up, and these will now be torn open. The old acrimonious election atmosphere will again prevail, until the question of which party shall govern the country has been decided upon. The people will be arrayed against each other in two hostile camps, which is not good for the country at large or for a small community. An election every four years is quite often enough, both from a monetary standpoint, and the general welfare of the country.

The recent debacle at Ottawa plainly shows that a third party in parliament is undesirable. It has proven a dismal failure in every country where a group of egoists have elected members to Parliament and Canada has learned her lesson in the bitter school of experience. A small group of Progressives have governed Canada quite long enough. They do not possess any ulterior motives, and they keep the country in a political turmoil. During the last election their numbers were greatly reduced, and their complete elimination from the Federal field in the coming election is to be hoped for.

**Last Shipment of Ore from Surf Inlet Mine**

The Belmont-Surf Inlet mine at Surf Inlet, on Princess Royal Island, has now ceased operations, the last shipment of ore having been made last week on the Chilcoot. Another group of residents moving out were on board the Catala recently on their way to Vancouver and, in about three weeks, there will be hardly anyone left at the mining camp which has been a hive of steady industry for the past ten years. Some of the equipment will be moved out but it is expected a good deal of it will have to be abandoned.

**Vancouver Interests Acquire American Boy**

Control in the American Boy group of claims near Hazelton has been acquired by Vancouver people. The deal was put through by A. Erskine Smith and Archie Smith of Vancouver. The former was well known in Stewart in the early boom days and the latter is well known in Anyox, where he resided until recently for a number of years.

**Cardena's Purser Appointed Prince Rupert Agent**

Russell M. Smith, who for many years has been purser on the Union S. S. Cardena is taking up the position as agent for the company at Prince Rupert, about July 15th. During his many visits to Alice Arm and Anyox Mr. Smith has made a host of friends. He is numbered among the most popular pursers on the coast, always obliging and courteous he executed his duties in a manner that gained popularity for the Cardena, and his many friends wish him success in his new sphere of activities.

Walking is a lost art. It now consists in jumping out of the way.

### Alice Arm Receives Increased Publicity

Slowly, but surely Alice Arm is coming to its own. Increased interest in the camp is being taken and mining men throughout the northwest are anxious to obtain data regarding our resources. It is gratifying to note that mining journals are commencing to give the camp increased publicity in order to satisfy the wants of their readers.

Recent issues of the Western Canada Mining News, published in Vancouver, have given considerable space to local operations. It is a small weekly, but full of interesting mining news, and its publishers are live wires.

The Alaska Weekly, published in Seattle, has always been a consistent booster for the camp, and in their last issue ran a front page article with a 3-in double column heading in respect to the examination of the Dolly Varden, and also putting in a good word for the camp in general.

Resources, a monthly magazine, published in Prince Rupert, is also interested in the development of the camp, and is anxious for authentic news at all times. They have, since commencing publication, printed several articles relative to the mining industry of the camp, and hope to publish more.

Mining Truth, Spokane, Washington and Mining and Industrial Record of Vancouver also carry items of Alice Arm mining activities, but to a lesser extent than the three first mentioned.

A large portion of the news carried in the above-mentioned journals, is obtained from the columns of the Herald, which shows that the local paper is held in high esteem, and its mining news can be regarded as authentic.

We have received numerous requests from Mining journals for written copy regarding local developments. Some we have been able to comply with, but pressure of business does not allow us time to fully cover this important work.

It is the duty of the people of Alice Arm to support a mining journal favorable to our interests when subscribing to one. We have on hand a considerable number of mining magazines and newspapers, and anyone is welcome to pursue them.

Marriage is a business failure when a man puts his property in his wife's name.

### SYNOPSIS OF LAND ACT AMENDMENTS

#### PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

#### PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

#### HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

#### LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

#### GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

## BRITISH COLUMBIA

### The Mineral Province of Western Canada

Has produced Minerals as follows: Placer Gold, \$77,663,045; Lode Gold, \$122,808,459; Silver, \$74,111,397; Lead, \$89,218,907; Copper, \$197,642,647; Zinc, \$39,925,947; Miscellaneous Minerals, \$1,594,387 Coal and Coke, \$273,048,953; Building Stone, Brick, Cement, etc., \$44,905,886; making its mineral production to the end of 1925, show an

#### Aggregate Value of \$920,919,628

The substantial progress of the Mining industry of this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive \$94,547,241; for five years, 1896-1900, \$57,607,967; for five years, 1901-1905, \$96,507,968; for five years, 1906-1910, \$125,534,474; for five years, 1911-1915, \$142,072,603; for five years, 1916-1920, \$189,922,725; 1921, \$28,066,641; for the year 1922, \$35,158,843; for 1923, \$41,304,320; for 1924, \$48,704,604, and for 1925, \$61,492,242.

#### Production Last Ten Years, \$404,649,375

Lode mining has only been in progress for about 25 years, and only about one-half of the Province has been even prospected; 200,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Practically all British Columbia Mineral Properties upon which development work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B. C. Reports covering each of the six mineral Survey Districts are published separately, and are available on application. Reports of the Geological Survey of Canada, Winch Building, Vancouver, are recommended as valuable sources of information.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing

**NOTICE TO DELINQUENT PARTNER**

To P. A. ARMSTRONG:  
 Take Notice, whereas I have done and caused to be done assessment work on the "Montana" Claim, "Billy Mac" group of Mineral Claims, situated on the Illiance slope of McGrath Mountain, Alice Arm, in the Naas River Mining Division of Cassiar District, for the years 1925 and 1926, and have paid for said work and recording the sum of \$176.00. Unless you pay me the sum of \$176.00 for your share of the said assessment work, together with the cost of this advertisement. I shall, at the end of sixty (60) days from the date hereof apply to the Mining Recorder at Anyox, B. C. to have your interest in the "Montana" Claim, "Billy Mac" group vested in me, in pursuance of the provisions of the Mineral Act.  
 Dated at Alice Arm, this 15th. day of May, 1926.

ROY MCKINLEY, co-owner and agent for T. CALFA, J. CALFA, J. FRASER, G. W. MORLEY

**Invest in "You and Company"**

When you purchase a Leishman suit or overcoat, it is an investment in good appearance and an investment that will bring big returns to yourself.

Successful men all know that good appearance is one of the biggest assets in business today.

Men who know fine clothing have chosen Leishman garments for over 13 years. Only by consistently retaining quality year after year, has the name Leishman on a suit or overcoat become the hall mark of Canada's finest clothing.

Every day satisfied customers tell us of the superiority of the Leishman Suits they bought from us
