W. J. Asselstine Is Elected By a Substantial Majority

Liberal Candidate Receives Big Majority at Stewart. Also Gets Most Votes at Premier Mine

W. J. Asselstine, Liberal candidate, was elected member for the Provincial Legislature on Thursday. Last night he had a majority of 101 over T. J. Shenton, his nearest competitor. There are three small polls yet to be counted, also the absentee vote, but Mr. Asselstine's position is in no way imperilled.

The other three candidates, H. F. Kergin, T. W. Falconer, and H. W. M. Rolston were not dangerous at any time.

Mr. Asselstine obtained a big lead at Stewart, where he polled 104 votes against Shenton's 63. He also obtained a majority of 22 over Shenton at Premier Mine.

Anyox voters favored H. F. Kergin. He obtained 150 votes at the Beach and Mine, against Asselstine's 141. The Alice Arm vote, Aiyansh and Atlin were fairly evenly divided, as were the smaller polling stations.

As was expected, T. J. Shenton polled a fairly heavy vote, which was pretty evenly divided throughout the riding. The big surprise was at Premier Mine where he polled 75 votes.

The votes polled by T. W. Falconer and H. W. M. Rolston were small and showed that the Independent ticket was no more popular in Atlin than throughout the rest of the province.

It was a clean cut fight and all candidates worked to the best of their ability. Asselstine received a jolt when Kergin decided to enter the contest, but he overcame even this handicap and emerged victorious with a good majority.

Following is a list of the results at the various polling stations in Atlin, also the total number of votes polled etc.

There are 13 Polling Stations in the Atlin riding, the results of 10 being listed above. Three more are to be heard from, but they are fairly small.

Total votes polled for each candidate at present are:

Asselstine	386
Falconer	119
Kergin	223
Rolston	133
Shenton	285

Asselstine is leading over Shenton by 101 votes. A big absentee vote remains to be counted, but it will not be big enough to offset Asselstine's lead and he is conceded the seat.

Following are the total votes obtained by the different parties.

Liberal	609
Independent	252
C. C. F.	285

Total 1146

Both Asselstine and Shenton polled more than the combined Independent vote.

Absentee votes for Atlin were coming in yesterday from all over the province, but they are not affecting Mr. Asselstine's standing as leader of the polls.

Will W. J. Asselstine Be New Minister Of Mines?

W. J. Asselstine, the newly elected member of the Legislature for Atlin is a capable mining man. Before coming to B. C. he had considerable mining experience in the Cobalt Country Ontario. He joined the staff at the Premier mine twelve years ago and now occupies the position of mill superintendent there.

He understands thoroughly the problems of the prospector and small mining company, and his knowledge will be of considerable benefit to the whole of the Atlin riding.

It is very possible that Mr. T. D. Pattullo, when forming his cabinet will create Mr. Asselstine Minister of Mines, for we do not believe that there was another candidate elected during the recent election that has had the mining experience of Mr. Asselstine. If he should be so honored it will be the first time for many years that a man thoroughly conversant with mining has filled that important position.

Poppies Will Be Sold On November 8th.

This year the most convenient day for the sale of Poppies, will be Wednesday, November 8th. These will be on sale throughout the district by the ladies of the I. O. D. E. who annually undertake this important work.

No flower is vested with such poignant memories in this generation as is the poppy. Growing rank as a weed in those fields of Flanders, it has by association with the sacrifices and achievements of the Great War been elevated to a sacredness of character not possessed by any other flower. The wreath of poppies has displaced the laurel of triumph because of the deeper elements which it incorporates.

To wear a poppy on Remembrance Day marks the wearer as one who is not unmindful of the sacrifices that were made, on his or her behalf.

Mr. H. F. Kergin Extends Thanks To Supporters

To all those who supported me during the recent political campaign and election on November 2nd. I wish to tender my sincere thanks. It is a pleasure to know that my efforts in the past are appreciated by so many of the electorate of Atlin.

Yours very truly,
H. F. KERGIN.

Liberals Obtain Big Majority In The Provincial Election

Are Already Assured of Thirty Seats, and Expected To Increase This Number

The electorate of British Columbia spoke in no uncertain voice on Thursday, as to what form of government they desired, when they returned the Liberal party to power by a big majority.

The Liberal candidates swept their opponents into the discard throughout the Province. Especially so in the north where Liberal members were elected in a row extending from Atlin to Cariboo, taking 5 seats, namely: Atlin, Prince Rupert, Skeena, Omineca, Prince George.

Many well known cabinet ministers of the Oliver government were elected, including T. D. Pattullo in Prince Rupert. He received a majority of 934 over G. Rudderham C. C. F. candidate. Other former Liberal cabinet ministers elected were; E. D. Barrow, Chilliwack; Dr. W. H. Sutherland, Columbia-Revelstoke; A. M. Manson, Omineca.

It was a disastrous day for former cabinet ministers of the Tolmie government. Premier S. F. Tolmie was defeated in Saanich by N. W. Whittaker. Hon. J. W. Jones met defeat in South Okanagan; C. F. Davie K. C. in Cowichan-Newcastle, and Hon. W. N. Dennies in Vancouver-Burrard.

Hon. R. H. Bruhn was re-elected as an Independent in Salmon Arm, and Hon. R. H. Pooley was re-elected in Esquimalt as a Tolmie Unionist.

Several C. C. F. leaders met defeat. In Vancouver-Point Grey W. A. Pritchard was defeated, and Dr. J. Lyle Telford met defeat in Nanaimo-Alberni.

Following is a list of a number of Liberals elected: W. J. Asselstine, Atlin; T. D. Pattullo, Prince Rupert; E. T. Kenny, Skeena; A. M. Manson, Omineca; H. G. Perry Fort George; Geo. S. Pearson, Nanaimo-Alberni; N. W. Whittaker, Saanich; A. Wells Gray, New Westminster; R. R. Burns, Rossland-Trail; Mrs. Paul Smith and G. G. McGeer, Vancouver-Burrard; E. D. Barrow, Chilliwack; Dr. G. M. Wier, R. Wilkinson and S. S. McKeen, Vancouver-Point Grey; Dr. K. C. McDonald, North Okanagan; G. M. Murray, Lillooet; F. M. McPherson, Cranbrook.

C. C. F. members elected were: H. C. E. Anderson, North Vancouver;

H. E. Winch and J. Price, Vancouver-East; E. E. Winch, Burnaby. Dispatches yesterday stated two more elected.

L. D. Taylor, mayor of Vancouver, secured 58 votes in Omineca.

Hugh Savage, Independent, Cowichan-Newcastle defeated C. T. Davie Independent, former speaker of the Legislature.

Clive Planta, Independent is leading by 83 over A. C. Simonds in Peace River, with several polls to hear from.

Tom Uphill was re-elected as labor member for Fernie.

Following is the standing of all parties as received yesterday evening:

Liberals	30
C. C. F.	6
Independent Labor	1
Independents	2
Tolmie Unionist	1
Doubtful	1
Deferred Seats	6

All Ex-service Folk Invited To Armistice Parade

Not only ex-service men and women and the members of public bodies, but the public generally are cordially invited to take part in the parade to the cemetery on Saturday November 11th., for the purpose of decorating the graves of fallen comrades. The Canadian Legion, who sponsor this important duty, have in the past deplored the apathy of the general public in attending this parade, and this special appeal to their loyalty and sympathy on Remembrance Day is therefore made. Parade leaves the Legion quarters at the Elks' Club at 10.30 a.m.

Armistice Smoker Set For November 11th.

The Armistice Smoker, held annually by the Anyox Branch of the Canadian Legion, will take place in the Elks' Dugout on Saturday November 11th. at 8 p.m. All ex-service men are invited to attend this Smoker. It is an event when old associations can be recalled, old friendships renewed and old songs sung. It is a time of music song and story a happy annual event for all ex-service men. The Canadian Legion are hoping for a large attendance.

A Big Crowd Attends Basketball Games

A big crowd witnessed three excellent games of basketball at the Gymnasium on Friday the 27th., when the Mechanics B team defeated the Rovers, the Spooks won from the Aces and the Trojans accounted for the Mechanics' A team. All three battles were good to watch the ladies especially putting up a good game.

In the first game the Rovers, with a lone basket to their credit at half time, against eighteen by the Mechanics B, came back strong in the second half to make their score 21, their opponents only notching six, making the score 21-24. Some new players donned the jerseys, and the game was a fast and willing exhibition. D. Boud was the star scorer in this game, notching fourteen points. The teams: Mechanics B: J. O'Neill 3, D. Ferguson 2, D. Boud 14, H. Johnston, D. Hamilton, H. Church 3, P. Chenoski 2, Rovers: M. Flye 6, G. Williscroft 5, L. McCarthy 2, L. Kirby 3, J. Cloke 3, Carter 2, H. Henderson.

In the second number, the Aces put up a fine game against the Spooks, making up in speed and keenness what they lacked in experience. Their checking and passing was a surprise to most of the fans, and their are some shots on the team who will have to be reckoned with. P. Loudon and M. Barclay starred all the way, giving an exhibition of speed and cleverness that was good to watch. K. Eve was chief scorer for the Spooks, with nine points to her credit. The teams: Aces; I. Gillies 2, P. Loudon 4, N. Salmon 4, J. Pinckney, M. Barclay 1. Spooks, K. Eve 9, Mrs. Phillips 2, L. Dresser 4, M. Dresser, T. Gordon 2. Score 11-17. Some real thrills were forthcoming in the clash between the Mechanics

Telephone Service Is Established To South

Telephone communication was recently established between Anyox Alice Arm and Stewart with Vancouver and southern coast points. The editor of the Herald was recently given the opportunity to talk to the Campbell River station on Vancouver Island as a test, and it was very satisfactory. This service has been made possible by the North-west Telephone Company, which is affiliated with the B. C. Telephone Company.

The new service is made possible by a radiotelephone circuit between Campbell River, on Vancouver Island, and Anyox. This circuit is the most northerly yet established by the North-west Telephone Company, which previously had circuits to Ocean Falls, Prince Rupert and Prince George.

Conversation between Anyox, Alice Arm and Vancouver is achieved by a combination of telephone lines and the radio link, and takes place in the same way as on an ordinary long distance call.

A and the Trojans, the latter proving the victors by 28-25. This team has adopted a style of play similar to that which made the Celts famous two or three years ago. This consists of knowing each others whereabouts, short passing, and working up to the basket before attempting to score, and in this game it worked well. All the players are young and full of energy, and if they keep together will give a good account of themselves before the season ends.

For the losers L. Gillies was top scorer with nine points. Hawes scored five times from six free throws, his aim from the line being almost uncanny. Bud Gillies starred for the winners with fourteen points.

The teams: Mechanics: Murray 2, L. Gillies 9, J. Buntain 1, F. Sanderson 4, I. Davies 2, J. Hawes 7, W. Watson 2. Trojans: B. Gillies 14, W. Shields 2, A. Dodsworth 3, F. Dodsworth 2, H. Dresser 7, J. Cloke.

Co-operation Eases Situation

How the Canadian Pacific Railway Company as a large property owner allowed its tenants to catch up on their arrears of rent and also earn some much needed cash is told by J. F. Hendry, Toronto, real estate agent there for the Company. "The Canadian Pacific", said Mr. Hendry, "is owner of eighty six dwelling houses on Marlborough Avenue paralleling the tracks near North Toronto station. Many of tenants were in arrears on their rents despite

every possible effort on their part to make ends meet. The majority, too, were tenants of long standing. We had a mutual get-together and decided that the unemployed tenants would paint all the eighty six houses under the supervision of one of their own number as foreman. The Company supplied all the material, insured the men under the Workmen's Compensation Act, and the work was started. The results are most gratifying for all con-

cerned. The unemployed tenants have seen their arrears of rent gradually erased from the ledger, and the property has been made spick and span at a reasonable cost because there was no idling on the job and everyone worked their hardest. In fact the scheme went along so smoothly that it was decided that all the labour would not be credited on the rent ledger but that each man would draw a percentage in cash to help keep his family and himself going

WE LOTUS EATING TOURISTS

HAWAII WOUND ITSELF ABOUT OUR HEARTS

THRILLINGLY INTERESTING CHINA

OUR FLOATING HOME

We passed in luxurious comfort, free from any care or irritating responsibility and absolutely without one disturbing incident from continent to continent," stated Lady Williams-Taylor on her return from a world cruise on board the Canadian Pacific liner, the "Empress of Australia," during which four continents, twenty-one countries and twenty-six ports were visited and seven seas traversed. "With sheltered ease," continued Lady Taylor, "we had unfolded to us the soul-penetrating magnificence and the somewhat repellent fanatical conditions of India and distraught, yet ever thrillingly interesting China. We steamed up and down the dangerous Pearl River, and saw first-hand the devastation of Canton. Mysterious Java, and almost untouched Sumatra, held us spellbound. Singapore and its ever-

growing docks amazed us, and lovely Ceylon enchanted us. But Hawaii wound itself about our hearts and, to its haunting 'Aloha Oe,' we saw it fade away through regretful tears. Not only are the islands more than fascinating, but the Royal Hawaiian Hotel would tempt any traveller to return. "After such a wonder tour of 133 days," concluded Lady Taylor, "we 'Lotus Eating Tourists' have once again to face the realities of ordinary existence without the untiring supervision and perfect organization of the mighty and far-reaching Canadian Pacific Railway and Steamship's protection and care of us. It was, indeed, with hearts full of gratitude and appreciation for our splendid captain, his staff, and for the constant and devoted attention of the cruise directors, that we finally bid farewell to our floating home—the 'Empress of Australia.'"

Anglican Y. P. A. Hold Very Interesting Debate

On Thursday evening, October 26th., the Anglican Young People's Association of Anyox held a debate the interesting subject as to whether Canada should be annexed to the United States, being fully thrashed out. Miss F. Dodsworth and Mr. N. Goater upheld the affirmative, while Miss K. Eve and Mr. L. McCarthy were decidedly negative. The debate was held on parliamentary lines, and Rev. A. Abraham acted as Speaker of the House.

The affirmative held that the union should be brought about because geographically and economically Canada's interests are bound up with those of the U. S. and that her people and her social customs are in common with those of the States.

The negative maintained that any merger with the U. S. would obliterate Canada's position as a nation and an independent world power. Economically Canada stands to gain by remaining in the British Commonwealth of nations. By developing her own resources Canada can make a greater contribution to the world than by annexation to the States, where she would be further exposed to the influence of peanuts, chewing gum, Reno and American bombast. On a division the resolution was defeated.

United Church Concert Has Good Programme

Even better than former events of the kind will be the variety concert to be given under the auspices of the United Church in the Recreation Hall on Monday, November 6th. These concerts have always been popular and this one will be no exception, judging by the splendid programme to be presented.

There will be vocal numbers, instrumental items, and a number of popular dancing turns, as well as some novelty features that are sure to be entertaining. On Monday evening next, November 6th., commencing at 8 o'clock. Secure a ticket and enjoy this popular event.

This will be the third year in which Armistice Day, November 11th., has been a Statutory Holiday throughout the Dominion of Canada. This holiday was brought about solely through the efforts of the Canadian Legion, and in spite of one or two attempts among certain groups to have the act repealed the Day is now firmly established as a public holiday. Its true term is "Remembrance Day."

Annual Memorial Service On Sunday, November 12

Perhaps the most important of events which are held at Armistice time is the Annual Memorial Service. At this service the memory of fallen comrades, and those who have passed on since the War, is honored. The sacrifices of that grim time are recalled, and promises and vows renewed. The Memorial Service this year will be held in the Recreation Hall on Sunday evening, November 12th. Ex-service men, the members of the Canadian Legion, and members of other public bodies will parade from the Legion Headquarters at 7.30 p.m. to the Hall. The general public are cordially invited to attend this service. The address will be given by Rev. Evan Baker, and the Rev. A. Abraham will assist with the service.

Hospital Auxiliary Dance Is Very Enjoyable

Nothing is gained without labor, and there is no doubt that the willing and earnest efforts of the ladies of the Hospital Auxiliary to make their Annual Dance on Monday the 30th. an outstanding event, were successful.

The evening was most enjoyable, and the Gymnasium was beautifully decorated in typical Hallowe'en fashion, and from first to last a spirit of gaiety pervaded the atmosphere. Splendid music was rendered by Harry Ward's Orchestra, who were repeatedly called upon for encores. A most delightful supper was served.

The committee in charge desire to thank everyone who so kindly donated and in any way assisted in making the function a real success.
