Alice Arm Mining News

Esperanza Mine Breaks into Good Shoot of High Grade

That steady producer of high grade silver ore, the Esperanza Mine is looking better now than ever it did. For the past few months work has been concentrated in the tunnel above the Baldy tunnel. Here a small vein of high grade ore was found alongside the dyke which cuts through the property. This vein has now widened out to a width of three feet of high grade ore, and is found on the footwall of a quartz vein six feet in width. This quartz vein also carries ore, but whether it will be profitable to mine it has not yet been fully ascertained.

The richest ore on the footwall is 12 inches wide, and samples taken from the remaining two feet of ore, while not so rich, gave assay returns of 1.58 ozs. gold, and 67.4 ozs. silver per ton. Taking the present market price of silver this ore is worth \$73.38 per ton. The fact that this ore carries over 1½ ozs. of gold per ton has given great satisfaction to the owners.

Work on the ore vein is being steadily proceeded with, and the next few weeks work will be watched with interest.

Four hundred sacks of ore are now at the mine, and this stock is being added to at the rate of over two tons per day.

Compressor Plant for Home- stake Mine

The Homestake Mining Co. received a compressor plant on Monday by the Cardena for their mine at the Kitsault Glacier. The compressor will be capable of operating two drills, and will use gasoline for fuel. During the week the company's speeder has been busy hauling it over the Dolly Varden Railway to Camp 8 from there it will be packed or drawn by go-devils to the mine. The plant will be put into commission as quickly as possible and will be operated throughout the winter. An ore car also arrived by the same boat.

The work of building camp is nearing completion, the cook house and dining room being already occupied. Work underground has been resumed, and the future of the mine is promising.

Good Ore Struck on Rex Property

The Rex property, which joins the David Copperfield on the south was the scene of a strike of good ore during the week, when Archie McPhail uncovered an ore vein four feet wide, and tracable on the surface for a distance of 1,500 feet. The ore carries considerable argentic and brittle silver and also chalcocopyrite copper. Samples have been sent out for assaying, and returns are anxiously awaited. The Rex property runs to the Dolly Varden railroad tracks, which fact ensures cheap transportation of all ore taken from the property. The strike was made 300 feet from the railroad.

Mining Engineer Inspects Properties

Mr. E. Martin Torneley, mining engineer for the Keystone Mining Co. arrived in Alice Arm on Monday, and visited the Sunset property, which the company has under bond. He was well pleased with the general outlook at the mine.

Dance Held at Alice Arm Hotel

The dance held last Saturday evening at the Alice Arm Hotel outshone all previous dances as the sun outshines the moon. For brilliancy of scene, the music of the orchestra and number of dancers present, the dance on Saturday was the best yet. The orchestra was composed of Mrs. T. W. Falconer, and Miss Violet McKay piano; Mr. A. B. Giffen saxophone; Mr. E. R. Oatman, cornet; Mr. C. E. Hutchinson, clarinet; and J. D. Cameron, drums and traps. The players were bent on giving everyone a good time, and they played unceasingly until it was time for the departure of the Anyox visitors.

A special feature of the evening was the dancing of the Misses Kathleen and Irene Bruggy, Kathleen danced the Sword Dance, and both danced the Highland Fling, both dances being perfectly executed, and the little tots received rounds of applause.

There were over thirty persons who came over from Anyox to join in the merriment and the general verdict was that a real good time had been spent. Mr. Geo. Bruggy was the Master of Ceremonies an office which he handled in his usual efficient manner.

A sumptuous supper was served and great praise is due to the ladies for the wonderful confections provided, and also to those who spent considerable time in preparing the refreshments.

Smelter Football Team Wins Championship

A very successful season of football was brought to a close on Monday evening, when the Smelter met and defeated their old opponents, the Mine, and outplayed them all the way, winning with a score of 2-0.

Cy. Greenwell and Elder scored the goals for the Smelter. Both teams played good clean football, but it was clearly evident that the Smelter were the superior team.

The following teams lined up:
Mine: goal, Chapman; backs, Stewart and Lange; half backs, Cane, Pymn, Currie; forwards, Twaddle, Barnes, Stewart, Ingram, Dearlove. Smelter: goal, McDougall; backs, Ross, Main; half-backs, Kirkland, Westwood, McGuire; forwards, Elder, Mathews, Cy. Greenwell, Armstrong Kirkland.

Anyox Birthday Party

On Saturday evening last, at the home of Mrs. Charles Clay was the scene of a delightful dinner party to celebrate the nineteenth birthday of her daughter Miss Bernice A. Clay.

Among the invited guests were Misses Mary O'Neill, Janet Moffett, Ruth Gordon, Lucy Teabo, Evelyn, Rice, Nettie Thompson, Margaret Barr, Mabel Stevens, Mary Harrington and Rita McDonald.

D. Cole is Winner of Anyox Tennis Cup

The final game in the Men's Open Singles Tournament between H. Ballion and D. Cole junr. took place on Sunday afternoon last, and after a close and exciting game, which went to the full length of five sets, Mr. Cole emerged the victor.

In the first three sets Ballion undoubtedly had the edge on his opponent, his shots being better placed and having better length on many occasions he left his opponent standing at the net with passes down the sidelines. Many points were lost by him through mistimed overhead smashes, sending them either out of the court or into the net. Cole made few mistakes in this most effective of all strokes smashing being one of his strong points, but in his other strokes he seems to lack the effective placing of the ball, too much in the centre of the court, and not close enough to the side lines. His out strokes are very deadly and accurate, although there is not the pace to them that one gets in the drive, and in this game it was specially noticeable, Ballion's driving being very fast and only Cole's quickness at the net, saving him on many occasions from being beaten.

They were both serving well, except in the last set when Ballion fell down, not only in his service but also in his play. His game went to pieces completely, and Cole playing the best tennis of the game won the final set 6-0.

The complete reversal of form in Ballion's play in this set is hard to explain, but it is very certain that Cole's play was very good, that Ballion would have had to maintain his previous form or play even better than he had been doing in the other sets, to have won.

It was a splendid game to watch and was much enjoyed by the small enthusiastic crowd present.

The weather was everything that could be desired, giving no advantage to either player in the matter of light.

We must congratulate Mr. Cole on winning the cup and we may also say that his coming to Anyox has helped greatly to stimulate and revive interest in tennis among the old Anyox players, an interest which was, more or less, waning on account of lack of new blood.

Parent-Teacher Association Hold Organization Meeting

On Tuesday, September 11th., in the New School, the Anyox Parent-Teacher Association held the first meeting of the fall term, at which the following officers were elected: Hon. President, R. H. Manzer, President Mrs. Jenkinson, Vice-President, Mrs. Dwyer; Recording Secretary, Mrs. McAllister; Correspondent-Secretary Miss D. Bonves, Treasurer, Mrs. McKay. Convenors of special committees: Membership, Mrs. Eve; Music, Miss B. Leitch; Programme, Mr. H. D. Southam; Sports, Mr. W. Robertson; Refreshment, Mrs. H. Selfe.

It was decided unanimously that the membership fee for the ensuing year be fifty cents, this sum admitting both parents. Meetings at which new members will be heartily welcomed, are to be held on the second Monday of each month.

He also inspected properties at Copper Creek, and before his return south will inspect properties in the upper Kitsault valley

ALICE ARM NOTES

See Al. Falconer for Freight and Pack Horses.

The Welcome Lunch Counter, which adjoins the Welcome Pool Room, will be opened on Monday by Mr. A. Beaudin. Everything will be bright, clean and up-to-date. Meals at all hours. You'll always find a welcome at the Welcome.

Mr. J. B. Lambert, of the Federal Works department arrived on Monday to take soundings and determine the location of the new government float.

Mrs. Crichton and son Jack arrived on Thursday from Vancouver, and will spend a short holiday with Major Crichton.

Capt A. C. H. Gerhardi arrived on Thursday from a business trip to Vancouver.

Mr. James McAleenan, an old timer of the camp arrived on Thursday, from Prince Rupert for a few days visit.

Mr. J. A. McDermaid, who has been an inmate of the Anyox Hospital for nearly two weeks through injuries received from falling from a roof, arrived home on Thursday, but has not yet completely recovered.

Constable A. Dryden, of Anyox, arrived on Thursday, on official business.

Man and wife with no family or one child requiring a well furnished house in Alice Arm can obtain same by supplying board and room to owner—For particulars apply Herald Office.

Messrs. G. C. Allen, E. W. Bassett, and K. C. McCannell, who have spent the past two months here cruising timber for the government, left on Monday. The two former will take a forestry course in the Washington University and the latter in the B. C. University.

Miss B. Crawford arrived home on Monday from a week's visit to the Prince Rupert Exhibition.

Mr. and Mrs. Geo. Matheson and family arrived home on Monday from Stewart where they attended the marriage of Mrs. Matheson's niece, Miss Ilo May Young.

See Al. Falconer for Wood or Coal

Mr. and Mrs. Harry Wilson and daughter Irene, arrived on Thursday from the Peace River, on a visit to Mrs. Wilson's mother, Mrs. Geo. Thompson.

Mrs. J. Laidlaw returned on Monday from a week's visit to Prince Rupert Exhibition during which time she was the guest of officials of the exhibition. During her visit she gave exhibitions of the Sword Dance and Highland Fling at the Exhibition Hall on Wednesday evening, receiving thunderous applause and encores. She was also lucky enough to win a gold wrist watch for a 50-cent ticket, and also a ham for two bits. Prince Rupert is alright.

Mr. M. D. Ross, manager of the Royal Bank, who left for Vancouver two weeks ago will not return having been appointed manager of the Royal Bank at Penticton, a newly opened branch. Mr. Ross has been manager of the local bank since it was opened some years ago.

Mine Win Double- Header Ball Game

On Sunday September 16th. the Mine and the Elks met in a double header baseball game and it was indeed the "Miners Day" for they won both games.

The Mine were first to bat in the first game and they went out in one, two, three order. In their half of the first Cody got a hit but was unable to get further than first base. In the first half of the second, Stewart got on first on a walk, and Anderson reached first on an error. Halverson the next man up hit and scored Stewart with the first run. In their half Fitzpatrick of the Elks got to first on an error and came home on a fielders choice, which Sloan hit to Mealey. It was in the first half of the third that the balloon went up the Mine making five runs on three bunched hits and 2 errors. In the last of the third Down, Campbell and Cody got hits in succession but were unable to score, Downs being forced out at second. In the first of the fourth the Mine made another run, Mealey getting a two base hit, and came home on, Cecil Ferguson's hit. In the last of the fourth Brentzen and Sloan got on but Brentzen was left stranded on third when the third man was retired. In the first of the fifth the Mine added one more run to their total, Anderson after getting to first on a hit came home when Allan connected for a solid smash and was safe at first. In the last half of the fifth the Elks gathered in two runs, Campbell got to first on a hit and came home. Fitzpatrick came home after using his head, being hit on the Ivory by a pitched ball and brought home when Draudson hit.

The Mine again put the game on ice in the last of the sixth scoring three runs on hits by Greenwell, Cecil Ferguson, Jimmy Ferguson and Halverson getting 2 base wall-ops. The Elks were unable to score in the last of the sixth, Campbell getting a hit and was forced out at second. In the first of the seventh Greenwell got on base on a safe hit but stayed on first and died there. The Elks held a belated rally in the last of the seventh scoring three runs on two walks, a hit, and a two base hit by Sloan, but they were too far behind to have any chance of equaling the score. At the end of the seventh the Scoreboard read this: Mine 11, Elks 5.

Continued on page 8.

Anyox Carnival Queen Has Royal Time

Miss Margery McDonald, the Anyox candidate for Queen of the Prince Rupert exhibition, was third on the list for number of votes. Prince Rupert coming first and Prince George second. Miss McDonald was well pleased with her treatment at the hands of the exhibition officials. A delegation of ladies was at the boat to meet her, and her stay in Rupert was a round of dances, dinner parties, and entertainments. Miss McDonald is spending a holiday at Smithers and will visit the Telkwa Fair while in the interior.

He was one of the most public spirited men of the town, taking an active part in all movements pertaining to the welfare of the camp. He was courteous and obliging at all times, both during business hours and in private life, and his departure will leave a gap that will be hard to fill.

**Stand by Your
 Town Newspaper.**

Stand by your local newspaper. If anyone outside of Anyox or Alice Arm hears of anything that is going on there, it is a pretty safe bet that the local paper was responsible for the spreading of the news. Every town gets its money's worth from the little local newspaper. It is the wagon that carries all the goods to market, and it ought to be kept in good repair. It will pay to grease it, paint it, and keep its running gears in good shape and shelter. Stand by your local newspaper. It is the guardian and defender of every interest, the forerunner and pioneer of every advance movement, and the sturdy advocate of law and order. Take it away and it would not be six months before the town would look as though it had been doped. Organizations would relax, and some would perish for lack of publicity. And the outside world would know no more of what had happened or what people were doing in this district, than they would of some little town located in the heart of central Africa.

If your wife laughs at your joke, you can be sure it's either a darn good joke, or you've got a darn good wife.

**The Copper
 Market**

Burdick, Logan & Company, Limited
 737, Granville Street,
 Vancouver, B. C.
 Special to the Herald

Tone of copper market is better than last week. Prices are slightly higher. Friday bids were 13.50 cents for domestic delivery with no business reported at this figure. Market is a quarter higher with big producers holding at 13 7-8 cents. Several domestic inquiries for substantial tonnages ranging from 1,000,000 pounds upward, are in the market. Friday and Saturday export and domestic sales were small.

Several factors enter into making the market firmer. Advance in price of electrolytic and standard in London is reflected here. Since Friday electrolytic is up £1 on spot and 10s. on three months, while standard is up £1 10s. 6d. London advance is viewed in some quarters as reflecting an early adjustment of Ruhr situation, while it is also explained as being due to continental buying of copper as an investment. It is reported from London that even firms outside of the metal trade are investing funds in copper, lead and tin.

Effect of the Japanese disaster on the copper market has not been determined. Up to this time it has not been felt here. Japan has been buying in small lots and no orders have been received to defer shipments. Extent to which copper consumption will be increased by rebuilding programme will not be ascertained for some time. Electrolytic for domestic consumption is 13 3-4 to 13 7-8 cents a pound delivered to end of November. Price aside ship New York is 13 3-4 cents. Lake copper is dull at 13 7-8 to 14 cents delivered. Price c. i. f. European ports is 13.95 cents.

Boston—Few copper stocks can show the price stability of Chile Copper during the wide market swings of the year. The high of 30 1-2 was touched when negotiations for the purchase of control by Anaconda were under way last January. During the break in the market of early summer the stocks sold down to 24 1-8, since recovering to 27, around which level it now clings a range of only little over 8 points. It is singularly, too, that when it was announced that control was to be purchased at \$35 a share for 2,200,000 shares by Anaconda, the stock did not respond in the market. It hung around 29 to 30.

At its current level Chile is off eight points from the price at which control was purchased, representing a shrinkage on paper to Anaconda of \$17,600,000.

**Anyox Moose Lodge
 Will Hold Meeting**

The new Moose Lodge has become a reality in Anyox, and will be instituted on Thursday next, September 27th, at 7 p.m., in the Catholic Hall.

The growth of this organization in Anyox has been somewhat phenomenal, and the Anyox Lodge Loyal Order of Moose will commence its career with a membership roll bordering on the 150 mark.

The Catholic Hall has been secured and will be the headquarters of the Anyox Moose, and meetings will be held there until further notice.

On Institution night, all those eligible for initiation should endeavour to be present.

For further particulars, apply to W. F. H. Thompson, organizer.

**Anyox Community
 :: League ::**

Council meets every Wednesday Evening, at 7.30 p.m. Every second Wednesday of month at Mine Hall; every first, third and fourth Wednesday at Recreation Hall.

If you can suggest anything to better conditions, tell it to us at the meetings.

BRITISH COLUMBIA

The Mineral Province of Western Canada

Has produced minerals valued as follows: Placer Gold, \$76,542,203; Lode Gold, \$109,647,661; Silver, \$59,814,266; Lead, \$51,810,891; Copper, \$170,723,242; Zinc, \$24,625,853; Coal and Coke, \$236,289,565; Building Stone, Brick, Cement, \$36,605,942; Miscellaneous Minerals, \$1,358,839; making its mineral production to the end of 1922 show

An Aggregate Value of \$769,418,462

The substantial progress of the Mining Industry in this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive, \$94,547,241; for five years, 1896-1900, \$57,607,967; for five years, 1901-1905, \$96,507,968; for five years, 1906-1910, \$125,534,474; for five years, 1911-1915, \$142,072,603; for five years, 1916-1920, \$189,922,725; for the year 1921, \$28,066,841, and for the year 1922, \$35,158,843.

Production During last ten years, \$339,280,940

Lode-mining has only been in progress for about 33 years, and not 20 per cent of the Province has been even prospected; 300,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing

SYNOPSIS OF LAND ACT AMENDMENTS

Minimum price of first-class land reduced to \$5 an acre; second-class to \$2.50 an acre.

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Where pre-emptor in occupation not less than 3 years, and has made proportionate improvements, he may, because of ill-health, or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued, provided applicant makes improvements to extent of \$360 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvements of \$10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years are required.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads, title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes areas exceeding 640 acres may be leased by one person or company.

Mill, factory or industrial sites on timber land not exceeding 40 acres may be purchased; conditions include payment of stumpage.

Natural hay meadows inaccessible by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of cost of road, not exceeding half of purchase price, is made.

PRE-EMPTORS' FREE GRANTS ACT.

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under the Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the great war. This privilege is also made retroactive.

No fees relating to pre-emptions are due or payable by soldiers on pre-emptions recorded after June 28, 1918. Taxes are remitted for five years.

Provision for return of moneys accrued, due and been paid since August 4, 1914, on account of payments, fees or taxes on soldiers' pre-emptions.

Interest on agreements to purchase town or city lots held by members of Allied Forces, or dependents, acquired direct or indirect, remitted from enlistment to March 31, 1920.

SUB-PURCHASERS OF CROWN LANDS

Provision made for issuance of Crown grants to sub-purchasers of Crown Lands, acquiring rights from purchasers who failed to complete purchase, involving forfeiture, on fulfillment of conditions of purchase, interest and taxes. Where sub-purchasers do not claim whole of original parcel, purchase price due and taxes may be distributed proportionately over whole area. Applications must be made by May 1, 1920.

GRAZING Act, 1919, for systematic development of livestock industry, provides for grazing districts and range administration under Commissioner. Annual grazing permits issued based on numbers ranged; priority for established owners. Stock-owners may form Associations for range management. Free, or partially free, permits for settlers, campers or travellers, up to ten head.

Anyox Wins Northern Baseball Championship

The large silver cup, emblematic of the baseball championship of Northern B. C., will repose in Anyox for at least one year. The boys of the smelter town who journeyed to Prince Rupert to battle for the trophy, certainly brought home the bacon—or at least Ben Selfe will bring it up later when he hands over the cup at the annual smoker.

Anyox played Smithers on Wednesday, of last week, and any ambitions Smithers may have possessed regarding the Cup were rudely dispelled, when the Anyox boys eliminated them from the contest by the score of 27 to 1. It doesn't take much imagination to picture what kind of a game it was.

The Smithers boys gave Anyox some nice batting practice, and loosened them up for the game on Thursday, when they met and defeated Prince Rupert, with a score of 5-3. Both teams put up a hard fight and played a fine game. Anyox made very few errors, playing almost a faultless

(Continued at foot of next column)

Mine Defeat Elks in Double-Header Ball Game

Continued from page 1.

The second game saw the Elks take the lead, when Down scored in the first half of the first inning, being batted in by Cody. The Mine were unable to do anything in their half, the batters going out in the order in which they came up, one, two, three. In the second inning, Autterson got a hit, but was not advanced any further than 1st. In the last of the second C. Ferguson walked, but was forced out on the next play, when Stewart got to first. Stewart was out trying to steal second and the next man flied out. The first of the third saw the Elks score another, A. Campbell crossing the home plate on two hits in succession by Greenwell and Draudson. In their half, Halverson of the Mine, reached first on an error, and the next three were easy outs. In the first of the fourth, the Elks were set down in one, two, three style and the Mine took the same medicine in their half. The first of the fifth saw Cody reach first on a single, but was unable to advance as the next man was the third out at first. Stewart got a hit in the Mine's half, but was forced out at second and Halverson the third was caught stealing second for the third out. Sloan connected with a single in the first of the sixth, but the next man flied for the final out. Mealy got to first on a hit in the last half of the sixth, but only got as far as second, when Greenwell failed to beat the throw to first. It was in the seventh that the excitement commenced, the first half saw three men step up and go back, two flying out and the third struck out. Then it was the Mine's turn, and Jimmy Ferguson, the first man up got to first on a nice hit and was out trying to steal second. Stewart got to first on a fielder's choice and Jimmy Ferguson crossed the pan, The next two men up, Anderson and Halverson, reached first safely and Stewart crossed the home plate for the tying run. Anderson was out stealing third, and Pynn flied for the final out. In the first of the eighth the Elks tried hard to score when Cy. Greenwell got to first on a clean hit, but his team mates could not connect for the timely wallop. In the last of the eighth Allen flied out, Mealy reaching first on a hit, and was advanced to second when Geo. Greenwell drove a hot one through the short-stop. Greenwell led off first and Cody pegged to first, Mealy rushed for third, and came home when the first baseman threw the ball into the Mine bleacherites, who had been rooting too strongly for the Mine.

game.

Following are the scores and the line-ups of the Anyox team for the two games:

Smithers game: Mealy, ss; Down, lf; Matheson, 2b; McKeown, 3b and p; Cole, rf; C. McKeown, c; Sherman, cf; H. Thorley, 1b; Draudson, p; A. Fortin, rf; (after 6th); Halverson, 3b after 6th).

Prince Rupert Game: Mealy, ss; Down, lf; J. McKeown, 3b; Fortin, p; Matheson, 2b; Cole, rf; C. McKeown, c; Sherman, cf; Thorley, 1b.

ANYOX NOTES

Mrs. Mary Casticano who has been staying with her mother Mrs. Dattilio left on Thursday to rejoin her husband in Vancouver.

W. Rowan was a southbound passenger for Vancouver on Thursday last.

Robert Brown was charged before Stipendary Magistrate Mr. John Conway with being drunk in a public place at Anyox and was fined \$50 and \$2 costs or 30 days hard labour.

Rev. J. B. Gibson left on Thursday for Prince Rupert, where he will conduct the Services at the Pro Cathedral. Mr. W. J. E. Pamplin will officiate at Christ Church until his return.

Mr. Fred Whittaker left on Thursday for Vancouver. Fred was a popular young man around town, taking an active part in sports and entertainments, and a wide circle of friends wish him the best of luck.

Mr. L. F. Champion, manager of the Granby Stores, returned from a trip south on Thursday.

Mr. Harry Sinclair arrived on Thursday from Vancouver, and will succeed Mr. Whittaker in the Drug Dept. of the Granby Stores.

Miss S. Brentzen, of the Anyox Hospital staff, left on Thursday for a vacation which will be spent in Vancouver and Victoria.

Safety First inspector Sweeney returned on Thursday from his vacation.

Mrs. Thorsen, who left Anyox some months ago, returned on Thursday, and will reside here again.

Mr. and Mrs. H. Kirk were homeward bound passengers on Thursday's boat.

The new ribbon road which extends for quite half a mile along the Mine road, is a great boom to traffic. The jitney service should benefit considerably.

Anyox is rapidly becoming noted for the remarkable variety of dogs to be found here. During the past few weeks several new breeds have been imported. Why not hold a dog show? It should be of great interest to local dog lovers.

Mrs. J. Wier returned on Thursday from a trip to the south.

There was quite a large passenger list on Thursday, on the "Prince George," booked for Anyox among whom were: Mr. J. E. Gill, Mrs. Sam Bill, Mr. H. W. Sinclair, Mrs. W. A. McDonald, Mr. and Mrs. A. S. Palmer, Mr. and Mrs. E. A. Middleton, Mr. and Mrs. T. McEwen, Mr. and Mrs. H. R. Plommer, Messrs. J. S. Eastwood, F. C. Myers, J. Lee, W. G. Fowler, and R. Greenwell.

Mr. Dave Young left on Thursday for the south for a short vacation.

We have noticed that Capt. Yuill, skipper of "The Unknown" has been wearing quite a harassed look for some time, now, however, the secret is out, the missing clutch problem has been solved, thanks to the ingenuity of Mr. McDonald the Anyox boot maker. Where others failed he succeeded, and now Capt. Yuill can be seen daily with his usual jovial smile. Congratulations to both!

Mr. and Mrs. H. S. Monroe returned on Monday from a trip south. While in the south Mr. Munroe made an inspection of the progress of work at Copper mountain.

Mr. A. S. McDonald arrived on Monday from a week's vacation spent in Prince Rupert.

The Catholic Ladies will hold a card party and dance, on Monday evening, September 24th, at the Catholic Hall. Refreshments will be provided. Admission 50 cents.

A new addition to musical circles of Anyox is Mr. A. B. Giffen, who recently arrived from Vancouver. Mr. Giffen is an expert player of the saxophone, and during the summer, played in the orchestra of the Vancouver Rowing & Yacht Club.

The Ladies Aid of the Union Church will hold a sale of work on Friday November 9th.

The sale of home cooking held by the Ladies' Aid of the Union Church last week was a huge success, and the committee in charge wish to thank everyone who helped in any way towards its success.

Among those returning on Monday from visiting the Prince Rupert Exhibition, were: Messrs. Rod McLeod, Stewart Steel, Wm. Adams, E. E. Perry, and D. Munro

Mr. A. C. Beatty, one of the contractors engaged in constructing the Government Building, arrived on Monday.

Mrs. G. F. Robinson, who is an old resident of Anyox, arrived on Monday on a visit to Mr. Robinson

Mr. Archie Carmichael, an old resident of Alice Arm and Anyox arrived on Monday.

U-boat warfare cured some pro-German Americans, and buying German marks cured the others.

LEGAL NOTICE

In the Matter of the MINERAL ACT and FORFEITURE of INTEREST of Co-Owners who have failed to Contribute.

To W. J. VanHouten of Hollywood, in the State of California, U. S. A. and W. G. H. Campbell of Port Haney, in the Province of British Columbia.

WHEREAS you the said W. J. VanHouten and W. G. H. Campbell are each a holder of an undivided one-quarter interest in the "Big Strike" Mineral Claim situated in the Portland Canal District, Alice Arm, B. C. located the 8th day of June 1919 and recorded at Anyox, B.C. upon the 19th. day of June 1919.

AND WHEREAS Douglas R. Shewan and Robert T. Colquhoun are each a holder of an undivided one-quarter interest in the said Mineral Claim.

NOW you the said W. J. VanHouten and W. G. H. Campbell are hereby given notice that the said Douglas R. Shewan and Robert T. Colquhoun have made the whole expenditure upon the said Mineral Claim for the year ending the 19th day of June 1923 as required by Sections 48 and 51 of the Mineral Act.

AND that if you the said W. J. VanHouten and W. G. H. Campbell shall fail or refuse to contribute your proportion of the said expenditure required by the said Sections 48 and 51 of the Mineral Act together with all costs of advertising on or before the tenth day of December 1923 your respective interests in the said Mineral Claim shall become vested in your Co-owners to wit; Douglas R. Shewan and Robert T. Colquhoun (who have made the required expenditure, pro rata) on filing with the Mining Recorder of the Division in which the said claim is situated, this Notice in full and on fulfillment of the requirements of Sections 28 of the Mineral Act; and do you the said W. J. VanHouten and W. G. H. Campbell govern yourselves accordingly.

FRANK C. SAUNDERS, Solicitor for Douglas R. Shewan and Robert T. Colquhoun, whose address for service and place of business is 402, Dominion Building, Vancouver, B. C.
