Ladies' Golf Club Prize Winners and Officers Entertained

On Friday the 9th. at the home of Mrs. George Lee, a luncheon was held in honor of the executive committee of the Ladies' Golf Club, and also the winners of the various trophies during the past season.

Miss M. Cloke was presented with the handsome Cup donated by Mrs. Charles Bocking for the championship of the Club. Mrs. W. Simpson was the runner-up in this event, and was presented with the prize donated by the honorary vice-president, Mrs. W. R. Lindsay. Mrs. Chas. Cundill, winner of the First Flight in this series, received the prize donated by the secretary, Mrs. Fricker. As the runner-up in this Flight, Mrs. C. Docherty received a prize given by the Club. Mrs. Wenerstrom was honored as the winner of the play-off for the Sun Life Cup, and the same player won the Eclectic Competition for the season, and was presented with a special prize donated by the president of the Club, Mrs. Lee. The occasion was most enjoyable.

Oratorio "Messiah" On December 21st.

Among the composers of sacred music the name of G. F. Handel stands out the most prominently. With his oratorio "The Messiah", written in 1741, Handel has given to the world a portrayal of the life of Christ, which easily surpasses any other such story. His wonderful grip of the theme is very evident, as the music lends itself to the words in a way which is clearly the result of inspiration. The one is inseparable from the other.

This marvellous work, which includes such well-known choruses as "Hallelujah", "Glory to God", "Worthy is the Lamb", and "For unto us a Child is Born", will be presented in the Elks' Hall on December 21st. at 8 o'clock, by the United Church Augmented Choir, under the direction of Norman R. Redman.

The soloists will be Mrs. J. Peel and Mrs. V. S. McRae, sopranos, and Mrs. J. McMillan, contralto, and Mr. N. R. Redman tenor. Mr. F. Dresser will be the organist. As this is one of the outstanding events of the year the music-loving public should make a special point of being present.

Miss G. McWhinney, who has been a member of the nursing staff at the hospital for a number of years, left on Wednesday for Vancouver and will probably make a trip to California. Miss McWhinney is well known and highly respected in this district, and takes with her the best wishes of a great number of people. The vacancy thus caused will be filled by Miss E. Graves, of Vancouver, who graduated at the Jubilee Hospital, Victoria.

Don't Fail To Attend Alice Arm Xmas Tree

The annual Christmas Tree and entertainment for the children of Alice Arm will be held in T. W. Falconer's hall on Thursday next, December 22nd. commencing at 7.30 prompt.

An entertainment will be given by the children consisting of excerpts from the world famous musical comedies, "The Country Girl" and "The Geisha". These two musical comedies have delighted huge audiences throughout the world for a number of years. The children have been patiently trained by Mr. J. Walter-Hughes for the past few weeks and a first class entertainment is assured.

Following the entertainment Santa Claus will pay the children a visit. Following his departure refreshments will be served to both adults and children. It is probable that the evening's enjoyment will terminate with a dance.

No admission fee charged. Everyone is cordially invited. Don't forget the date—Thursday next.

Season's Trophies Presented At Tennis Dance

At the Annual Tennis Dance held on Monday the 12th. Mr. T. W. Cavers, President of the Anyox Community League, presented to the winners the various trophies won during the past season by members of the Hidden Creek Club and the A. C. L. Club. These were as follows:

Hidden Creek Club: Men's Singles, John Gillies. Ladies' Ladder Games: Mrs. R. T. Carrick. Men's Ladder Games: L. Dodd.

A. C. L. Club (Beach): Ladies' Ladder Singles, Miss K. Eve. Men's Ladder Singles: E. R. Oatman.

Anyox Open Championships: Ladies' Singles, Miss K. Eve. Men's Singles, E. R. Oatman. Ladies' Doubles: Miss M. Leighton and Miss K. Eve. Men's Doubles: O. G. Macintyre and E. R. Oatman. Mixed Doubles: Miss D. Grigg and A. McDougall. Consolation Singles (ladies): Mrs. T. Stretton. Consolation Singles (men's) D. Gillies.

A. C. L. Christmas Dance Is Cancelled

The Christmas Dance scheduled to be held by the A. C. L. on December 24th. has been cancelled. This is solely due to the large number of social events being held around that time and to the fact that it has been found difficult to find an evening that would be suitable to the majority. It is felt that with so many other functions scheduled for this season, this Christmas Dance can readily be dispensed with, for this year at any rate.

The Herald is \$2.00 a year.

Premier Tolmie's :-: Christmas :-: Message

"On behalf of the Government of British Columbia I extend our cordial good wishes at this season, and our warm appreciation of the courage and confidence which has everywhere been manifested in the crisis through which we are passing. The closing phases of 1932 find us in sober and reflective mood, but still with a sublime faith in the Divinity which shapes our ends, and an unshaken confidence in what the future holds for us.

"On the whole, British Columbia has weathered the economic disturbance remarkably well. Diversity of production has been our salvation, and that same diversity will ensure a rapid recovery in the revival which is everywhere predicted. Conditions have not been good, and our basic industries have suffered severely from the chaotic conditions of the world's markets. But we have lived through these periods before—they are unfailing precursors of progress and improvement in the human status—but we have always emerged from them in good shape.

"British Columbia has nothing to fear, but on the contrary has everything to hope for, every reason to look forward with feelings of cheerful optimism. We have dealt with our emergencies firmly and vigorously, and we are sure of our ability to resist the economic pressure. The Government has stood behind the people and fought their battle with a dour persistence and with a measure of success, which will be better appreciated when the smoke has cleared away.

"Be of good courage in this last little hour. The skies grow brighter, the night is spent. The tide of trade is turning our way, and soon will be flowing again in full flood. The lean years past, let us remember their lesson and keep it before us in our new prosperity, so that when they come again, as come they will, we shall be in better condition to endure them.

"Courage, confidence and a little patience will see us over the stile, and in that spirit it gives me much pleasure to wish your readers a Merry Christmas and a Happy and Prosperous New Year."

S. F. TOLMIE,
Prime Minister of
British Columbia.

Victoria, B. C.
9th. December, 1932.

Anyox Lodge No. 47, B. P. O. Elks will hold their annual New Year dance in the Gymnasium on Saturday, December 31st. Plans are maturing to make it one of the outstanding social events of the season. The Brother Bills have an enviable reputation for thoroughness and everyone can rest assured that this year's New Year Dance will be equal to those of past years.

Annual Tennis Dance Greatly Enjoyed

Though not quite so numerous as last year, a fair number of devotees of dancing attended the Annual Tennis Dance on Monday the 12th.

The committee had spared no efforts to make this popular function enjoyable. The hall was cleverly decorated characteristic of the occasion, no less than seventy tennis rackets being used in a novel decorative scheme. The Merry-makers' Orchestra supplied excellent music, and a most appetizing supper was provided.

During the evening the various tennis trophies won during the season were presented by Mr. T. W. Cavers.

The committee deserve praise for their efforts to make the function enjoyable, and although the nearness of Christmas with its many obligations might possibly have affected the attendance somewhat, the affair was nevertheless a very happy one.

Badminton Club Membership Fees Are Changed

At a well attended meeting of the Anyox Badminton Club, held on Friday the 9th. some important changes in the membership fees were decided on. Commencing January 1st. shuttles will be provided by the Club instead of members having to provide their own, as formerly. As at that date members already fully paid up will be charged a fee of \$2.00. New members will pay \$3.00 membership fee as from that date. It is believed that the providing of Shuttles by the Club, as in former years, will meet with general approval by members.

Mr. Harold Spencer was elected vice-president in place of Mr. R. Gale, who has resigned. If it is possible a tournament will be held during the first week of the New Year.

Cold Weather Forms Ice On Inlets

Owing to the continued cold weather considerable ice formed on the inlet at Alice Arm and also at Anyox. Much hard work was necessary on the part of H. F. Kergin and H. Fowler of the launch Awake to keep open water to the government wharf. Breaking of ice was necessary every day. At Anyox the C. N. Steamship broke a passage through heavy ice to the wharf on Wednesday evening. The launch Awake followed her in and out of the bay, thus ensuring delivery of the Alice Arm mails.

If our Anyox subscribers do not receive the Herald on Saturday this week as usual, it will be on account of ice not allowing entry of the launch Awake into Granby Bay. Everything possible is being done to prevent disruption of the mail service, but sometimes the obstacles are insurmountable.

Resumption of Basket- Ball Games Draws Crowd

A nice crowd was on hand at the Gym. on Friday the 9th. to witness the resumption of the basketball games. Two senior Men's games were played, but there was no girls' game, as some of the players were not fully recovered from recent colds.

The first game, between the Concentrator and the High School, proved a thriller, as the latter team won their first victory of the season, beating the League leaders 29-27. It was a ding-dong battle all the way. The Students played with a snap and vigor which seemed at times uncanny, and gave the crowd, with whom they are always popular, a pleasant surprise. It was a clean game throughout, and well handled by Norton Youngs.

The teams: Concentrator, Dodd-6, McDonald-3, McDougall-4, Falconer-10, McLeod-4. High School, Gillies-6, Gordon-9, Dodsworth-6, Dresser-6, Patrick 2.

The second game, between the Mechanics and Vandals, ended in a win for the latter, the final score being 42 to 26. The victory of the Mine boys, who had just managed to keep out of the basement, also proved popular with the fans.

The teams: Mechanics, Buntain-8, Dresser-10, Mikeli-6, Dodsworth-2, Sanderson, Watson. Vandals: Walmsley-10, T. Calderoni-12, H. Jack-18, F. Calderoni-2.

Good Sales For Anti-Tuber- culosis Seals

With their usual whole-hearted support of any good cause, the people of the district are responding well to the appeal of the I. O. D. E. in their campaign for the sale of Anti-Tuberculosis Christmas Seals. Most parcels going through the mails bear these bright colorful seals, depicting a "Star of Hope."

The committee in charge wish to emphasise that the seals are obtainable from any member of the I. O. D. E. and also at the Drug Department of the General Store.

Only one cent each. Swell the funds and help in keeping up the good name which Anyox has won as a contributor towards this most worthy cause.

Boy Scouts Will Assist With Christmas Parcels

As in former years, the Boy Scouts will assist the Post Office staff and carry out their slogan of doing a good "deed", by distributing parcels at Christmas time. Everyone who has noted the mountains of mail that have to be dealt with at the local post office will appreciate what the help of these boys means, to the general public and the postal staff. Parcels are handled carefully and promptly. Anyone preferring to handle their own parcels will kindly notify the postmaster accordingly.

Dr. J. T. Mandy Favors Copper Refinery On Coast

Dr. J. T. Mandy, resident mining engineer in an address to the Prince Rupert Rotary Club last week, stressed the advantages of establishing a copper refinery on the B. C. Coast.

He showed that in 1930, the latest figures available, the production of copper at Anyox amounted to approximately 23,500,000 pounds and at Britannia 22,500,000 pounds. There were all kinds of potential sources of supply on Vancouver Island, at the Queen Charlottes and at other points.

Dr. Mandy showed that it was a hardship for producers on the coast to have to ship to Trail or to other smelters or refineries. He had been told that, if Britannia stopped shipping to Tacoma, the smelter there would have to close. This showed the possibilities in British Columbia, with two such large sources of supply. There were at present only three copper refineries in Canada—at Trail, at Copper Cliff and at Montreal. Noranda, with an output of 65,000 tons, kept up a smelter, a refinery and a processing plant. If such were established on this coast it would mean a tremendous impetus to business generally. People had no definite comprehension of the possibilities. With the new Empire market and with the waterpowers available on this coast, he said he saw a picture of tremendous industrial expansion and a new era for mining in British Columbia.

Coal Superior to Oil Fuel States John Galloway

If the same modern methods of use and equipment were applied to coal as are now being used for the burning of its chief competitor, imported fuel oil, British Columbia coal mines would be working at normal capacity, and would be saving thousands of dollars for British Columbia citizens engaged in private and industrial enterprises large and small, John Galloway, Provincial mineralogist, told an influential gathering of western engineers and mining men last week.

He pointed to the rush a few years ago to switch from coal to oil in industries, without adequate investigation of the greater efficiency of coal when properly equipped and sorted as to the particular grade to use for each purpose. Modern machinery came with the new oil, but if old coal equipment had been scrapped and new coal burning gear installed, a still greater efficiency and saving in cost would have been won, he stressed. It was now beginning to be realized that for many purposes, B. C. coal was more efficient and cheaper than oil fuel.

Present Schedule Of C. N. Steamships Will Remain In Effect

The winter service of the Canadian National Steamships is now in operation and will remain in effect until the spring schedule is commenced on May 15th, according to the latest operating schedule issued by Thomas Loudon, acting general superintendent. On this schedule a weekly service is operated between Vancouver and Stewart and Anyox, with a fortnightly service between Vancouver and Queen Charlotte Islands.

Steamship Prince Rupert will continue to operate the weekly service, leaving Vancouver every Monday evening at eight o'clock, calling at Powell River, Ocean Falls and Prince Rupert en route to Stewart and Anyox. Similar calls are made southbound.

The Queen Charlotte service is between Vancouver, the Islands, Prince Rupert and way ports. Steamship Prince John will leave Vancouver December 9 and 23; January 6 and 20; February 3 and 17; March 3, 17 and 31 and April 14th.

Ore Vein Persistent At Georgia River Mine

A total of approximately 325 feet had been drifted on the new low level strike on the Southwest vein at Georgia River Gold Mine before work was suspended for the winter, reports Wellington Beaton, president. The drift was in ore for all of this distance except for two small breaks. Good values were encountered over the entire length. Another vein was cut during this work but not enough drifting has been done to ascertain definitely whether this is the Main vein, Mr. Beaton reports. Owing to the expense of keeping trails open under heavy snow conditions the management decided to suspend operations. It is hoped to resume work in February. Meanwhile directors are making progress with plans for financing further development and construction of a mill.

Adventurers Prospecting At Coppermine River

Those who have the love of adventure ever lurking in their bones, and find a fascination in seeking valuable metal in the northern outposts of the Dominion, are now turning their attention to the great possibilities wrapped up in that northern hinterland of Canada known as the Coppermine River district, according to information reaching the Canadian National Railways. The Coppermine River is a fast flowing stream about 500 miles in length, emptying into Coronation Gulf on the Arctic Ocean.

MINING IN BRITISH COLUMBIA

Among the Canadian Provinces, British Columbia is the leading producer of Silver, Lead and Zinc

In this Province, about 45 per cent. of Canada's Silver, 97 per cent. of the Lead and 93 per cent. of the Zinc are produced.

British Columbia has produced approximately \$1,300,000,000 worth of minerals.

About 200,000 square miles of unexplored mineral-bearing lands are open for prospecting.

Practically every mineral known to be found on the Continent occurs to some extent in British Columbia

Winter Sports in Canada

Skiing—Bob-Sledding—Hockey—Curling—Tobogganing—Dog Derbies
Outstanding Attractions

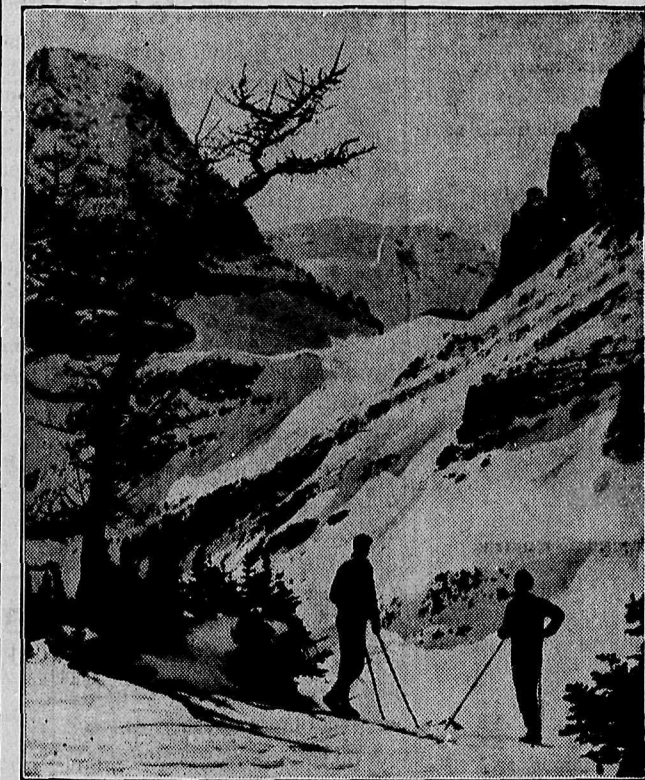

HE invigorating climate of a typical Canadian winter, now regarded as an advantage rather than a hardship, owing to the unusual variety of healthful and appealing sports, is attracting increasing numbers of visitors to the Dominion.

Across Canada there are many beautiful and attractive snow-clad mountains, hills and valleys, which offer exceptional opportunities for enjoying a wide variety of outdoor winter sports. The principal activities throughout the country are skiing, snowshoeing, skating, tobogganing, curling, hockey, bob-sledding and dog derbies, all of which may be thoroughly enjoyed, under ideal conditions. With the exception of an occasional day during mid-winter, the temperature is not too cold for participating in outdoor sports.

While motor travel is not general during the winter season, there are many long stretches of highway which are kept conditioned throughout the winter months. The traveller will always find train service a modern and luxurious means of transportation. Hotels in many of the leading summer resort districts remain open the year round, providing good accommodation for those wishing to participate in local winter events.

Wide Range of Sports in Every Province

Each province possesses winter attractions more or less peculiar to its own particular surroundings. Practically all forms of winter sport are available in the Maritime Provinces, but a preference is shown for hockey and curling. In the province of Quebec the major sport events centre in and around Montreal, Quebec City, Murray Bay and the Laurentian mountains. Lovers of winter sports will find vast territories in Ontario which are ideal in location and in scenic beauty. Ottawa, the federal capital, is adjacent to some of the finest skiing country on the continent, while the

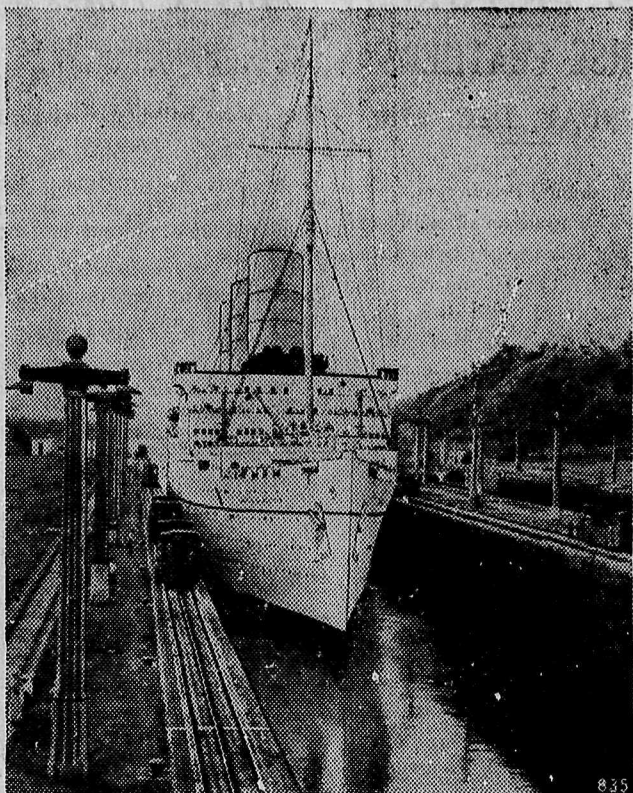

best of ice-yachting may be enjoyed in Toronto bay and along the waterfront of lake Ontario. In the Muskoka and Algonquin Park districts, hotels and cabins are open for the accommodation of winter visitors. In Manitoba the Winnipeg bonspiel also the winter carnival held at The Pas, are annual events of international interest, while Banff, situated in the scenic Canadian Rockies in Alberta, is one of the most important centres for winter sports. Record performances in ski-jumping have been witnessed at Revelstoke. The islands and mainland of the

southwestern part of British Columbia offer golf, tennis and other summer sports, for the winter visitor.

Government Bureau Information Service

Information concerning winter sports in Canada may be obtained from the National Development Bureau, Department of the Interior at Ottawa. Those who desire such information should state, if possible, the particular district or districts in which they are interested, in order that the most complete data may be supplied.

Tight Fit But Paint Untouched

Residents of Panama Canal Zone had their biggest thrill since the "big ditch" was finished when the Canadian Pacific liner "Empress of Britain" passed through the canal in April. As the largest vessel ever to navigate the canal the Empress received unusual attention. In fact as far as canal officials were concerned, she was viewed with furrowed brows. The lock-keepers, if they wanted to, could have jumped aboard her, so tightly did she fit.

Furrowed brows marked Chief Officer, W. G. Busk-Wood, R.N.R., of the Empress of Britain. As the "Mate" he is responsible for her gleaming white painted sides

and bets were freely offered that he would have to put men over the side when she reached Cristobal to re-paint. Scotchmen amongst the 481 passengers covered every bet—they had faith in the Scottish caution of Commodore R. G. Latta, her commander.

It was a tight fit, but never a scratch of paint!

The photograph shows the Empress of Britain entering the Pedro Miguel lock. Her passengers crowded the decks to watch the spectacle and so interesting was this feat of navigation that Chief Steward Frank Moss complained that for the first time in four and a half months they forgot to eat!

Personal Christmas Greeting Cards

It is not too late for you to order your Christmas Cards if you have not already done so, nor is it too late for you to increase your order should you find that you have not enough on hand to convey the Season's Greetings to your many friends.

Don't be sorry when Christmas Day arrives and then wish you had ordered more cards

THE PICTURES "HORSE FEATHERS"

SATURDAY, DEC. 17th.

The Four Marx Brothers.
A Paramount Production.
They're off again on all eight feet and heaven help the girls who have cracked lips. This picture is a jubilant whinny of unbridled joy. Groucho is a college prexy who keeps pretty co-eds after school. Harpo is a thieving dog-catcher. Chico is a bootlegging iceman who sells a kick in every cake, and Zepo is a football steward. It's just one long college yell of joy as they clown with the co-eds, caper over the campus, and turn a football game into a roaring riot. You'll laugh till you're limp. X Marx the spot.

Saturday's program is exceptional: "Paramount Pictorial", "Shine on Harvest Moon"—A Paramount Screen Song; "Hollywood on Parade" and Paramount News.

"STATE'S ATTORNEY"

TUESDAY, DEC. 20th.

John Barrymore, Helen Twelvetrees, Jill Esmond, William Boyd, Mary Duncan.

In this RKO Radio Picture John Barrymore is superb. Dynamic. Romantic. Politics made him and a woman broke him. He is the kind of a lawyer who never handled a straight case in his life. Helen Twelvetrees is seen in her most spectacular performance. All the details of this picture are technically correct and the setting itself was copied from an actual night courtroom. You are sure to like this picture on Tuesday.

V. Vikstrom left on Wednesday for a visit to Vancouver.

Anyox Notes

J. A. D. Stewart left on Wednesday for a visit to Vancouver Island.

Miss Gladys Ballentyne returned on Monday from Vancouver.

W. O. Boyce left on Monday for a visit to Vancouver. Mrs. Boyce and children are at present in that city.

Carl Pelovich returned on Monday from a visit to Vancouver.

Miss G. McWhinney left on Wednesday for a visit to Vancouver and California.

Miss E. Graves arrived on Wednesday from Vancouver. Miss Graves will join the hospital staff as nurse.

Mr. and Mrs. W. Cloke left on Wednesday for Vancouver, where Mrs. Cloke will seek special medical treatment.

Joe Sleigh returned on Wednesday from a visit south.

W. Wharton left on Wednesday for a visit to Seattle and Portland.

Mrs. J. Robertson and her daughters Hester and Mary left on Wednesday for Vancouver, where they will reside.

ALICE ARM NOTES

Miss Alice Kergin, who is attending St. Joseph's Academy at Prince Rupert, arrived on Thursday and will spend Christmas holidays with her parents.

Continued howls of a band of wolves were heard on Monday at noon at Alice Arm. The wolves were on the hill east of Silver City.

Will the parents of children please leave their gifts for the Christmas Tree at T. W. Falconer's hall on Wednesday afternoon.

Holy Communion will be held at St. Michael's Church tomorrow, Sunday, December 18th, at 10 a.m. Evening Service will also be held at 7.30 p.m. Mr. J. Walter-Hughes will conduct the services.

The upper part of the inlet at Alice Arm was covered with over four inches of ice during the week. Skaters have been enjoying themselves to the full during the last few days. It is possible to skate from the Alice Arm side to the Silver City float across the inlet.

A card party was held at the Club House on Saturday evening by the Alice Arm Athletic Association. A larger number than on the previous occasion attended and, as usual, an enjoyable evening was spent. The winners of the evening were: Ladies' first prize, Mrs. O. Evindsen; Men's first prize, Mr. J. Graham. Refreshments terminated the evening's enjoyment.

Ladies' Hospital Auxiliary Christmas Tree

As in former years, the Women's Hospital Auxiliary will have a Christmas Tree at the local Hospital. A concert will also be given at the hospital on Christmas Eve, and anyone wishing to play Santa to the patients or anyone else at that worthy institution may have their gifts taken care of through the Auxiliary. That body of willing workers undertakes to look after the patients only, and are glad to have the co-operation of the general public in their efforts at Christmas time.
