Rangers Win From Mine In First League Football Game

A good crowd attended the opening game of the Anyox Football League played between the Rangers and Mine on Wednesday evening last, and resulting in a win for the former 3-1. It was a good clean game, well handled by referee J. Donaldson, and augers well for the future. The teams were well matched, each having several new players of promise.

The Beach were unfortunate in losing the services of Father Hammond, who strained a muscle right at the start of the game and had to retire. First blood was drawn by the Beach, who drew a penalty early in the game, Freddy Williams taking the kick. The next notch came off T. Buchanan from close in, while Ferguson made it three shortly afterwards.

After the breather, the Mine pressed closely, and Galbraith, in goal for the Rangers, had several close calls, a hot shot by Horne finally finding the net. The hillmen were unlucky in failing to convert a penalty, the ball just passing over the bar. Both goalies played an excellent game, being called upon to clear several shots that seemed to be certainties.

The class of football indicates an interesting season, and an increased attendance as the series advance.

The teams: Colts: Hughes; T. Calderoni, Dixon; Habecost, Simmons, Schafer; Graney, Dyer, Horne, Davies, Wilkinson.

Rangers; Galbraith; Ion, F. Calderoni; Williams, Hamilton, Dodsworth; Buchanan, Hammond, Ferguson, Ellison, Allan.

Showers Spoil Anyox Empire Day Sports

There was every indication of sunshine in Anyox, on Wednesday morning last, when followers of various sports were all set for a day's real enjoyment. Towards noon, however, cloudy weather prevailed, with occasional showers, putting a damper on such games as tennis.

At the A. C. L. Courts an American Doubles' Tournament was started. Several enthusiasts were out bright and early, induced by the sunshine, and a good start was made, but the weather stopped the play just before noon and the day was thus spoiled for the twenty-two tennis players, who were taking part in the tournament.

Rev. Jennings Honored On Eve of Departure

After the regular service on Sunday morning last, the members of the Confirmation Class at the Anglican Church, Anyox, presented Mr. Jennings with a handsome pipe and a parcel of tobacco, as a token of their esteem. In replying Mr. Jennings stated that it was a souvenir which he would always prize.

A pleasing little ceremony took place after the evening service on Sunday last, when the members of the Women's Auxiliary handed to Mr. Jennings, on behalf of his baby daughter, a silver spoon and fork set. The presentation took place during a quiet gathering in the Parish Hall, at which sandwiches and tea were served. Mr. F. Graham was the spokesman, and Mr. Jennings, in his reply, expressed his regret at the severance of his friendship with the parishoners of the church. A few hymns were sung at the close, with Mrs. Kent at the piano.

Alice Arm Celebrated Empire Day With Sports & Dance

With loyalty and enthusiasm Empire Day was fittingly celebrated at Alice Arm on Wednesday. A full programme of sports and a baseball game were held in the afternoon, and a big dance in the evening terminated the day's celebration.

Brilliant sunshine prevailed during the early morning and hopes ran high for a perfect day, but shortly before noon the clouds grew thick and although a few drops of rain occasionally fell it did not in the least interfere with the day's programme.

There was a large field of contestants in all items of the field sports and some close finishes were witnessed. Following is a list of the prize winners:

Girls under 8 years, 1 Margaret Stephen, 2 Flora and Mary Graham dead heat.

Boys under 8 years, 1 Arthur Moss, 2 Billy Stephen.

Girls under 17 years, 1 Hilda Moss, 2 Joan Trinder and Leah Kergin dead heat.

Boys under 17 years, 1 John Studdy, 2 Michael Blomfield.

Ladies' Race. Open. 1 Mrs. J. Graham, 2 Mrs. Blomfield.

Men's Race. Open. 1 Erling Svarvars, 2 Ted Kergin.

Three-legged Race, ladies and girls, 1 Alma Evindsen and Marguerite Moss, 2 Leah Kergin and Ellen Anderson.

Potato Race, boys and girls, 1 Hilda Moss, 2 Joan Trinder.

At the termination of the field sports the big ball game was commenced, when the Wildcats and Tigers battled for supremacy in a game crammed full with excitement from start to finish that gave the fans a thrill. Several young ladies accepted the invitation to participate in the game and their ability to wield the bat and sprint to the bases evoked much applause.

The teams were: Wildcats, Gus Anderson, Ted Kergin, Gunn Fiva, A. D. Yorke, J. Trinder, Leah Kergin, Joan Trinder, Alma Evindsen. Tigers: T. W. Falconer, Erling Svarvars, John Studdy, Inga Fiva, Emil Sodurland, Ellen Anderson, Marguerite Moss, Hilda Moss. The Tigers proved victorious by a small margin.

The big dance, which was held in T. W. Falconer's hall, attracted a large number of people. Dancing commenced shortly after 9 p.m. and was carried on into the small hours of Thursday morning. Everyone was in a happy mood and thoroughly enjoyed themselves. The music was supplied by several

Anglican Church Holds Spring Bazaar

Gratifying success attended the Annual Spring Bazaar of the Anglican Church, which was held in the Parish Hall on Tuesday the 23rd. A large number of people attended and gave their support, and a very happy spirit prevailed throughout the proceedings.

Those in charge were: Home Cooking, Mrs. J. Varnes and Mrs. F. Watson; Candy, Mrs. M. Warden; Afternoon Tea, Mrs. Kirby, Mrs. Plumb, Mrs. Dodsworth, Mrs. Kent. Dry Goods, Mrs. J. Wynne, Mrs. Rook, Mrs. Summers. Mrs. G. H. Stewart and Mrs. R. Fox, the president and secretary respectively, assisted generally throughout the afternoon. A handsome bedspread for disposal was annexed by Mrs. L. Gillies, and Mrs. Ashmore acquired a lampshade, for which there was much competition.

Empire Day Dance Is Well Attended

Up to the high standard of previous years, was the Annual Empire Day Dance, held by the Oddfellows in the Gymnasium on Wednesday last. There was a good attendance, and an evening of keen enjoyment was recorded. The hall was bright with patriotic colors and evergreens, and presented a scene of gaiety.

Tuneful and snappy music was supplied by the Merrymakers' Orchestra, and a delightful supper was served. The Oddfellows are to be congratulated on the success of this historic annual event.

John Studdy Created Junior Fire Warden

An interesting ceremony was conducted at the Alice Arm School this week when John Studdy, junr. was created a Junior Fire Warden by Mr. J. Walter-Hughes who presented him with his badge of office.

The junior fire warden movement is sponsored by the Canadian Forestry Association and its members are located in every town throughout Canada. Their duties are to stop small forest fires, and if too large to report them to the proper authorities, also to instil into other children the necessity of keeping our forests green, by being careful with fire when in the woods.

musicians; the ladies supplied the refreshments, and the use of the hall was donated by T. W. Falconer, so that no admission fee was necessary.

W. J. Asselstine Seeks Liberal Nomination For Atlin

W. J. Asselstine, mill superintendent at the Premier Mine was a recent visitor to Anyox. On his return to Stewart, while stopping at Prince Rupert, he announced that he would allow his name to go before the Liberal convention to be held shortly for the purpose of electing a liberal candidate for the forthcoming election. It is expected the convention will be held early in June, and probably at Anyox. Mr. Asselstine comes out as a straight Liberal and is asking the endorsement of the convention as such. He is well known in the whole southern portion of the Atlin constituency as an ardent supporter of the Liberal cause, and during the last Federal general election he spoke in support of Mr. Olaf Hanson M. P. at both Alice Arm and Anyox.

Mr. Asselstine is in favor of operating mining properties in the district that have not enough tonnage to attract the big operators, and thinks that many could be developed along the lines of modern trends in mineralogy. These properties cannot stand the heavy overhead of a large operation but could be made to pay well if developed along modern lines. To encourage this would be one of his endeavors if he represented the mining district. These operations would not feature in world production but would assist in the progress of the community.

Mrs. D. McIntominey left on Monday for a visit to Vancouver, where she will recuperate from a recent illness.

Don't Delay In Getting On Voters' List

If you are twenty-one years of age or over, and a British subject and have resided in the province six months and in the district one month, then you are entitled to have your name on the Voters' List. The date of the coming general election is drawing closer each day, and it is the duty of every eligible person to see that their name is on the list. Call at the Government Agent's office Anyox, at any time during business hours and he will place your name on the list.

Don't delay too long as an election is liable to be held at any time and you will be sorry on election day if your name is absent.

H. C. Smith arrived on Monday from Vancouver.

In our news columns this week we have published a report of the question asked by Mr. Olaf Hanson, member for Skeena in the House of Commons, in connection with the curtailment of mail service between Alice Arm and Anyox. Since notices were posted at Alice Arm and Anyox late in February calling for tenders to carry one mail a week, commencing April 1st. the Herald has done everything possible to right the wrong that was about to be inflicted on the district. We have written to the Postal authorities at Vancouver and Ottawa, also Mr. Olaf Hanson, member for Skeena, and Capt. George Black, Speaker of the House and member for the Yukon. We explained fully to all the inconvenience one mail a week would cause, and stated that as the nearest Hospital, Doctor, Government Agent, Police Officer, Bank, Dentist, Optometrist, etc. are located in Anyox that one mail a week was almost worthless, as over a week would elapse before a reply could be received from a letter, and often an answer was required much more quickly. We also explained that it would mean the extinction of The Herald, which during the past twelve years had every week sent the majority of its copies to Anyox. Mr. Hanson and Capt. Black have both made efforts to retain the present schedule, especially the former, and the Postal authorities have promised that no curtailment will be made until the matter has been investigated. While we have not been definitely promised that two mails per week will be permanently established, as is at present in force, we believe that our efforts have not been in vain, and that the Postal authorities, now that the situation has been made clear to them and the injustice of a curtailment brought to their notice, that the policy of two mails a week will be carried on indefinitely.

Gold Mining Makes P. G. E. Railway Pay Its Way

Due to the gold mining activities in the Bridge River and in the Cariboo, the Pacific Great Eastern Railway enjoyed a net operating profit for the month of March of \$879,32, which is the first time a monthly operating profit has been gained in any month of the first six months of the year since it commenced to haul freight and passengers.

The Herald is \$2.00 a year.

Conditions Brightening In British Columbia

Encouragement through the gradual opening up of additional work, fresh capital for B. C. gold fields, and recognition by Ottawa of at least two of the major points desired by B. C. in connection with relief administration featured the news of the week. Half of the encouragement springs from slowly improving world conditions.

On Vancouver Island the return of men to logging camps and saw-mills has been very marked, and is reviving all the incidental trade that rests upon lumbering operations. Throughout the province, also, there has been a falling off of the numbers on relief, except in the cities where the relief registers appear to be in a more static condition. Coast ports all report better business for April, notably so in the case of New Westminster.

B. C. Expects a Record Gold Production

Government officials report that placer and lode gold recoveries in British Columbia this year will eclipse even the high total of \$4,500,000 of last year by a considerable margin. More intelligent mining is being projected now than at any other period in the province's history for several decades. With 18,000 holding miners' certificates, and a large army of prospectors in the field, the year is expected to produce important results, and may lead to the opening up of large new producers. It was gold that first drew attention to British Columbia, in 1858, and history may repeat itself in this respect. Meanwhile the search for the precious metal is stimulating employment, and reducing unemployment rolls in a concrete fashion. Some of the mines already producing give signs of rivalling the best in Canada as time goes on, and recognition of this fact is becoming more apparent with the investing public. Since 1858, B. C. has produced \$84,000,000 in placer gold, and \$150,000,000 in lode gold, in officially recorded outputs. Many believe its potentialities in this direction have hardly been scratched.

Silver Production In Foreign Countries

Silver production in Mexico during January rose to 7,159,000 ounces from the preceding month's total of 4,221,000 ounces. The United States output advanced to 1,960,000 ounces as compared with 1,627,000 ounces in December. Australia produced 603,000 ounces in January; Burma, 521,000 ounces and Peru, 424,000 ounces.

BANFF'S BEAUTIES

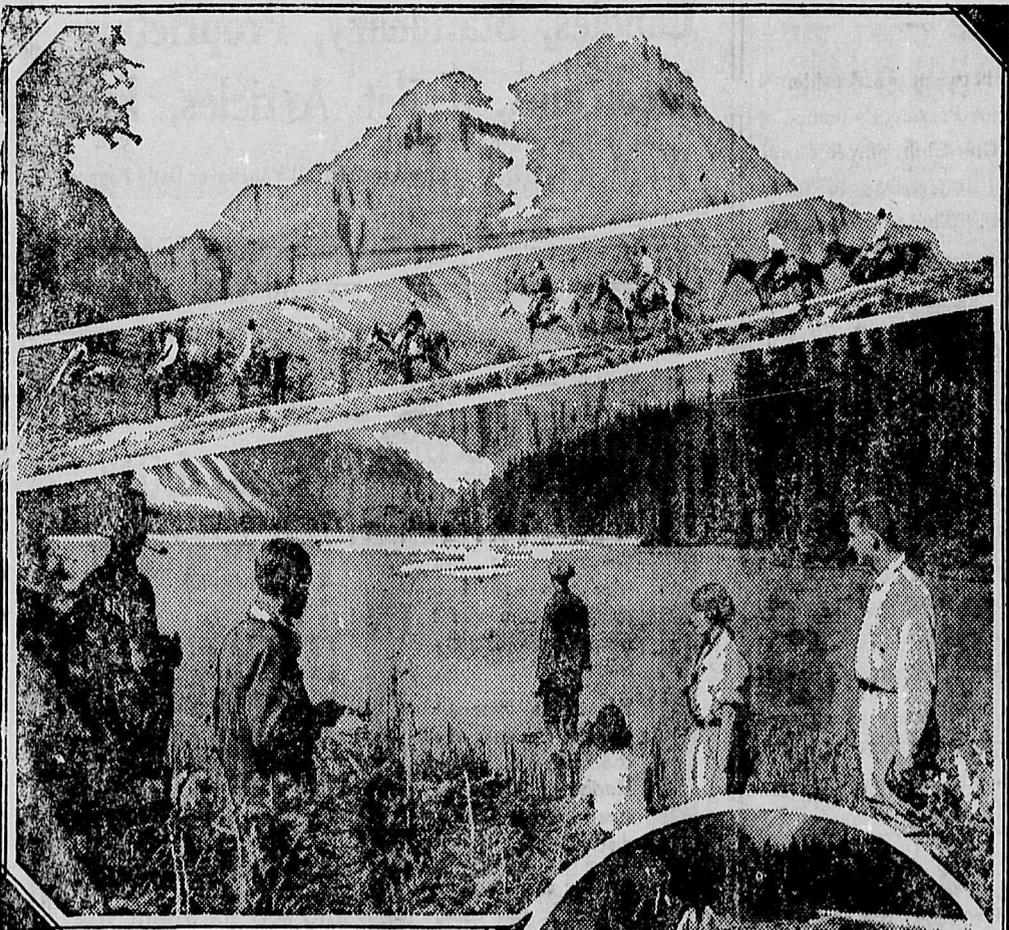

747

Beauty and Banff, the heart of the famous Canadian Rockies are synonymous and as like attracts like it is not surprising to find such a bevy of beauty as is shown in the accompanying pictures, disporting itself in the beautiful swimming pools of the Canadian Pacific Railway's palatial Banff Springs Hotel. There are two baths, one of naturally heated sulphur water and the other of ordinary stream water, both of which are extremely popular with the many visitors to the renowned summer resort. Recreations in infinite variety run the gamut of sports from golf to mountaineering. Real cowboys are on hand to take trail-riders through the innumerable passes of the historic mountains, while Stoney Indians and scarlet-coated "Mounties" add yet another touch to the already colorful scene. Banff is something that has to be seen to be appreciated. Its devotees come yearly from the four corners of the globe. There is always something new; always something to do, and when the long happy day is over, dancing to the smart orchestras in the spacious ball room of the hotel

forms a fitting prelude to a restful night in the health-giving mountain atmosphere. Yes, Banff is beauty and beauty is Banff and the smiles on the faces of its mermaids speak volumes for the happiness of this great playground.

Breaking New Trails in the Rockies

548

Every year the Order of the Trail Riders of the Canadian Rockies gathers together its devotees who set out into the unknown, or the almost unknown, on mountain ponies from the starting point at the Banff Springs Hotel or Chateau Lake Louise. For those new to the game there is a trail ride of a few days, covering, however, little travelled paths, while for the expert there is a ride of three weeks penetrating to the heart of the Rockies, and both end in a Grand Pow-wow or campfire meeting where songs are sung and the feeling of general jollity is perpetuated. These Trail rides are held in August when the weather is at its best and lovers of the outdoors gain an experience which, even if they never repeat it, will furnish them with memories and stories for a life-time. Every year new trails are broken, the one last year being over Gibbon Pass, named after the founder of the Order. The rides attract travellers from every part of the continent

and from Europe, and some 1,500 of them are now enrolled in the Order. Lay-out shows riders passing through Gibbon Pass, taking a rest at Shadow Lake with Mount Ball in the background, and fording an arm of the Lake of Hanging Glaciers.

Local Mail Service Is Reviewed In House Of Commons

Mr. Olaf Hanson, M. P. Asks Question Regarding Proposed Reduction

In the House of Commons on May 12th. Mr. Olaf Hanson, member for Skeena, asked questions regarding Post Office grievances in his constituency, including the proposed reduction of mail service between Alice Arm and Anyox.

The following is quoted from Hansard—the official report of Parliamentary proceedings—of the date of May 12th. which was received at the Herald Office this week, and it shows that Mr. Hanson is fully alive to his responsibilities as our representative at Ottawa.

“Mr. Hanson (Skeena): I have a complaint from Dease Lake and Telegraph Creek post offices in British Columbia. A notice has been posted in these two post offices that from now on the parcel post rate will be 12 cents a pound. They are the only two places in British Columbia where that change has been made. I have enquired as to the reason. I realize it is probably for the sake of economy, but I would like to ask the Postmaster General how much he anticipated would be saved by depriving these two post offices of that service. It is 5 cents a pound in other post offices in British Columbia, but it is raised to a flat rate of 12 cents for these two post offices. I have taken it up with the deputy minister but he could not give me any other answer than that it is done for the sake of economy. I can see no warrant for depriving those people of that convenience for the few dollars that may be saved; for I presume the mail has to go there anyway, whether there are few parcels or many, and I cannot see what saving can be accomplished.

“Mr. Arthur Sauve (Postmaster General): We tried to do our best; if we have not satisfied the people there we will seek to do so. But my hon. friend will understand the situation that faces us on account of the depression of business. We are trying to do our best to serve the public and at the same time to serve the interests of the country. If your people are not satisfied we will seek to satisfy them.

Alice Arm and Anyox Mail Service

“Mr. Hanson (Skeena): May I also ask the Postmaster General this: in the same district the towns of Anyox and Alice Arm up to last spring had three mail services a week. Last spring they were cut to two, which was naturally a hardship on those communities. The latest report that I have received informs me that it is anticipated that the service will be put to once a week. I have several letters containing

THE PICTURES

“If I Had a Million”

SATURDAY, MAY 27th.

Gary Cooper, George Raft, Wynne Gibson, Charles Laughton, Jack Oakie, Francis Dee.

This Paramount Picture is a drama writ in the gold of mad millions. It depicts loves, fears, hopes and hates that are born of miracle money. Nine people each receive a million dollars unexpectedly, and the thing is so fantastic, that the poor starved souls, refuse to believe it. Cafe hostess, convict, clerk, old lady, condemned murderer, and so on. What would you do if you were given a million dollars? See this wonderful picture Saturday and note the varied suggestions for the spending of such a fortune. Gene Raymond and Frances Dee continue their romancing; Charles Ruggles and Mary Boland play splendid parts. Fine short subject series also. A treat for Saturday.

“Guilty Hands”

TUESDAY, MAY 30th.

This is a Metro-Goldwyn-Mayer thriller, in which Lionel Barrymore is even greater than he was in “A Free Soul.” It concerns the District Attorney for New York, and a wealthy libertine who desires to marry the daughter. Richard Grant vows he shall not, and the man of wealth is murdered. The exotic Kay Francis and beautiful Madge Evans play leading parts. The picture is called “The Screen Story of a Perfect Crime,” and lives up to its name. Every member of the cast is an artist who is at his or her best in this picture. The story and dialogue is by Bayard Veiller, the direction by W. S. Van Dyke. Enjoy this show on Tuesday.

these complaints but I do not think it is necessary to put them on record. I just want to register these complaints and I should like the minister to look into the matter very carefully before reducing the services from three to one a week. The population is the same as it was before, so I do not see why they should be deprived of that service.

“Mr. Sauve: We have asked for a better price for a weekly service. I suppose we will receive tenders, and we shall do our best.”

We have commented editorially this week on the proposed reduction of the Alice Arm and Anyox mail service.

Beach and Colts Tie In Opening League Ball Game

Before a good crowd of fans, the opening game of the baseball league was played on Tuesday the 23rd. between the Beach and the Colts, ending in a tie, 6-all. It was a fast game, providing much excitement for the fans, who are satisfied that much good ball is in store for them this season.

The Colts is one of two teams being sponsored by the Mine Branch of the Community League, and contains several new players to Anyox. Excellent pitching and fielding featured the game. Two-base hits were made by McColl, Musser, and Allan for the Beach, and by Wendell for the Colts. Batters struck out by McInnes for the Mine were nine, and by Ferguson and Musser for the Beach were 5 and 2 respectively. Stolen bases were: McColl 4, Oatman 2.

McColl, for the Beach, was in fine form, scoring four hits from five times at bat. He also made a sensational catch of a “Texas Leaguer.”

Golf Notes

The qualifying round for the Ladies' Golf Club Open Championship will be played on Tuesday, May 30th. There will be a prize for the lowest medal score in this round.

In a match between the President's and the Vice-President's teams, of the Anyox Golf Club, played on the afternoon of Empire Day, the former team won. There were twenty men players on each team.
