Anyox Winners of Fine Spectacular Hockey Game

Breaking up and down the ice at breakneck pace before the largest crowd of fans of the season at the Alice Arm skating rink on Sunday Anyox emerged victorious with seven counters against their opponents five.

The battle was as fine an exhibition of hockey as has been seen on the rink for many a day. The players were somewhat inclined to "hog the puck," but brilliant flashes of combination play were also in evidence.

Anyox brought over an almost entirely new team, and for the majority it was their appearance on the local rink. Alice Arm were minus Al. Falconer, T. W. Falconer, and Bert Kergin, their places being filled by T. Crompton, T. Hutton and J. Wilson.

For almost the entire game both teams battled on even terms. Alice Arm were the first to get their shooting eyes, scoring within three minutes of the commencement. They repeated the trick within a few minutes.

Anyox players, who were as speedy a bunch as ever came up the inlet, commenced to get down to business, and they captured three goals in one, two, three order. The close of the period saw Anyox 3, Alice Arm 2.

The second period was brim full of excitement. Both teams uncorked a rain of shots on the goals, and brilliant defensive tactics and quick work of the goal keepers were responsible for keeping down the score.

Anyox bulged the twine twice with hot shots. They had now settled down to real hockey and considering their lack of practice and unfamiliarity with each others play they worked wonders. They played good hockey and deserved every goal they got.

Alice Arm players were tireless, they rallied to the attack, and shared equally in the honors, and before the end of the period they flicked the puck past McLellan.

The third period was the most exciting of the game. Both teams threw every ounce of energy into the game. Brilliant dashes were made, first one team shining and then the other. Alice Arm were the first to put the puck where it belonged.

Anyox bulged the twine directly after, Alice Arm again scoring and Anyox following suit. The end of the game saw Anyox winners by the score of 7 to 5.

The game was full of thrills from start to finish. It was in doubt until the last goal was scored. The teams were almost evenly matched, with Anyox having a slight advantage over their opponents.

Among the Anyox team are some speedy, tricky players, who understand the game. Beaulieu was their star forward. He played a dashing game and packed a wicked shot. McLellan in goal was a tower of strength to his team.

For the home team, Gus Anderson and Crompton were the bright lights. They played a fast game and cut loose on the puck for a goal at every opportunity.

It is hoped that Anyox will visit the camp many times before the season closes. They have a string of players which any town may well be proud, and they are always assured of a hearty welcome when

Killed While Blasting At Anyox Mine

On Sunday January 16th. Giuseppe Podrecca age 43 a chuteman employed at the Mine was fatally injured while blasting a large rock which had been hung up in the loading chute. The accident was witnessed by Mike Boich, a Servian who was helping Podrecca at the time.

Giuseppe Podrecca suffered severe injuries due to the blast, his skull being fractured, in addition to other injuries. The deceased was a native of Italy and is survived by a brother, Valentino Podrecca of S. Pietral, Natisone, Udine Italy.

His partner Mike Boich suffered minor injuries. A coroners inquest was held on Tuesday January 18th at 10 a.m. The jury consisted of H. B. Chapman (foreman) F. R. Strand, J. Munroe, N. McBeth H. J. Brown, G. Keyes. The verdict brought in by the jury was: that the deceased met his death by shock, caused by premature explosion of powder while at work.

The body was interred at Anyox Cemetery, at 2.30 p.m. Father Godfrey officiating and Mr. C. McAdie funeral director.

The deceased was well known in Nanaimo, where at one time he owned and operated the Crescent Hotel.

Many Popular Artists At Benefit Concert

From all advance information the Benefit Concert to be held in the Recreation Hall, Friday January 28th, promises to be one of the most successful entertainment features ever held in Anyox. There are twenty programme items of great variety, consisting of dance numbers instrumental and vocal solos and duets, folk songs, burlesque etc. A splendid eleven-piece orchestra under the leadership of Mr. S. Steele has been rehearsing faithfully during the past weeks, and are offering numbers which will delight all music lovers.

The committee report a most favorable ticket selling campaign and have had to take steps to allow no paid admissions at the door until 8 p.m. The Hall has been completely sold out but a few extra tickets have been allowed into circulation because it was known that many of the boys bought for the good of the cause who could not attend. Be there early on the night of the 28th, as Mr. Archie Morton will be at the curtain and as Archie says "At eight o'clock, up she goes."

visiting the Alice Arm team.

The teams were: Anyox, goal, F. B. McLellan; defence, Groves; centre, R. Moore; right wing, Sid Peters; left wing, C. Beaulieu. Spares, B. Thorsteinson, Don McLeod, N. Roberts, the three latter all took part in the game.

Alice Arm: goal, E. DeGruchy; defence, G. Anderson; centre, J. Wilson; right wing, T. Hutton; left wing, T. Crompton. Spares, L. Foster and R. Erickson.

Referee: W. M. Cummings. Goal referees, H. Fowler and H. Chapman.

Christ Church Card Party & Dance Huge Success

Under the auspices of Christ Church Womans' Aid and Guild a very pleasant and successful evening was spent in the Elks' Hall, Anyox, on Friday January 14th.

The tables set up for cards were all occupied. The prize winners were: Ladies first prize, Mrs. S. Grimason; second prize, Mrs. O'Brien; consolation prize, Mrs. J. Higgins. Mrs. S. Grimason and Mrs. O'Brien made the same score and out cards for the first prize.

Gents first prize, Mr. C. Cane; second, Mr. A. Morton; consolation, Mr. S. Ballard.

After cards were played, supper was served in the "Dugout," while the floor was cleared for dancing, which was continued until 2 a.m.

The Mine Melodians discoursed excellent music and a thoroughly enjoyable evening was spent by all present.

Mrs. Brayfield, President of the Christ Church Womans' Aid and Guild presented prizes during a short recess in the dancing.

ALICE ARM NOTES

WANTED.—Half a dozen hockey players. Experience not necessary. Steady position on team throughout season. No age limit. Beginners will be taught free of charge. Apply at Skating Rink during any hockey game.

Mrs. W. Stevens arrived home on Monday from Prince Rupert, bringing with her a brand new baby boy.

Jas. Anderson arrived on Monday from Stewart and is spending a week's vacation with his brother, Mr. J. A. Anderson.

Mr. Bernishky, who has mineral claims on McGrath mountain, arrived in town on Tuesday.

Ed. Trethewey left on Thursday for Vancouver on a business trip.

J. Vaughn, who has been employed at the logging camp, and was a member of the hockey team, left on Thursday for the south.

W. A. Wilson arrived home on Sunday from a business trip to Prince Rupert. He plans to re-open the Alice Arm Meat Market on February 15th, or March 1st. An up-to-date commodious refrigerator will be installed, of ample size to ensure the keeping of meat supplies during the hot weather.

Constable Smith arrived from Anyox yesterday. During his visit he spent a busy time improving the morality of the town, which is something that is at times rather lax.

A. Serbich arrived home yesterday from an extended visit south. During his trip he visited Mayo Bros. medical institute at Rochester, Minn. He underwent an operation that has greatly improved health.

Rev. J. S. Brayfield arrived in town yesterday from Anyox and held Divine Service at the Anglican Church yesterday evening.

Big Scores Made Anyox Basketball Games

The basketball schedule in Anyox got away to a big start at the Beach Gymnasium on Wednesday, January 12th. The players and fans showed a keen spirit of rivalry and each league provided a game well worth watching.

The Concentrator upset the dope again by winning from the Mine Senior, 34-26, in a hard fought battle. The B-8 boys took a lead in the first half, 17-8, but the Mine came back strong and outscored their opponents in the second half. Halverson of the Mine was high point man with 14.

Mine: Halverson-14, Stubbs-2, Evans, Lane-2, Corkell-2, Brown-6, Kania, Comedina.

Concentrator: Smith-7, McColl-2 Stewart-8, Peters-3, Moffat-4, Beaulieu-5, Thompson-5.

The Mine girls hit their winning stride again, beating the Freshies, 17-6. T. Deeth accounted for 10 points. The play was even, but the Freshies could not locate the basket. Half time score 11-4.

Mine: A. Scott-2, M. Johnston, T. Deeth-10, P. McMillan, J. Calderone-2 H. Calderone-3.

Freshies: T. Gordon-2, P. Dermody, C. Nucich-2, R. Champion, Z. Sutlovitch, V. Eve-2.

In the Intermediate game, the High School "B." and Mine provided a fast and exciting game. The students gained a four point lead on the muckers, 30-26. McMillan of the Mine and W. Asimus of the High School led the scoring for their teams.

Mine: G. Anderson-2, F. Anderson-8, Arland-2, McMillan-12, Merrit-2.

High School "B.": J. Barclay-8, Gillies, O'Neill-2, Steele-6, S. Barclay, W. Asimus-14.

On Friday, January 14th, two games were played, the High School Seniors beating the Elks, 45-21, and the High School "B." winning from the Beach Athletic Club 24-20.

The High School Seniors proved their ability to hold their own in the senior group. Their fast combination and accurate shooting making up for their lack of weight and experience. T. Asimus, as usual led the scoring with 21 points. For the Elks, Buntain played a very effective game, scoring 11 points. Half time score 23-11.

High School: McDonald-12, T. Asimus-21, Lingren-10, Mitchell, Clay-2, J. Barclay.

Elks: Wilson-6, Buntain-11, Gordon-4, Cloke, Groves, Craggs.

The Beach Athletic Club in their first appearance gave the High School "B." plenty of opposition. T. Cloke scored 12 points and J. Barclay 11. O'Neill of the High School played a strong defensive game.

Beach Athletic Club: T. Cloke-12 J. Cloke-4, Roberts, Teabo, Dresser-4.

High School "B.": J. Barclay-11 S. Barclay, O'Neill-1, Steele-2, W. Asimus-8, Gillies-2.

Masquerade Dance To Be Outstanding Event

On Monday February 14th, the Parent-Teacher Association will hold their Annual Masquerade Dance in the Beach Gymnasium. This promises to be one of the outstanding events of the year, eight prizes will be offered for the best costumes. Mrs. W. F. Eve has been appointed convener for this affair, and any suggestions or assistance from anyone will be greatly appreciated.

Canadian Authors and Poets Theme of Address

Mr. Walter McRaye, the well known Canadian orator, who has lectured on Canadianism from the Atlantic to the Pacific, addressed a large audience at the Recreation Hall, on Monday evening.

This is the second time Mr. McRaye has appeared on the Anyox platform. His discourse was entirely different, and was greatly enjoyed by all those present. He is an eloquent speaker, and handled his subject in a masterly manner. He was introduced by the Rev. C. D. Clarke.

Mr. G. Crow rendered several piano selections during the evening which were very much appreciated.

The subject chosen for his address was "An Evening with Canadian Writers," and it was pointed out there are over 300 authors on Canadian subjects.

Mr. McRaye in his opening remarks dwelt on the history of the printing press in lower Canada, which made its first appearance in 1606, and came into commercial use in 1742 in the province of Nova Scotia.

Among the most noted Canadian authors which the speaker brought before the attention of the audience were Dr. Drummond, A. M. Steven Bliss Carmon, Isabell Echestone McKay, Marjorie L. C. Pickthall, Jean Blewelt, Lawren Harris, Virna Sheard, Thomas O'Hagan, Mary Josephine Bensen, Bernard Freeman Trotter, Donald G. French, E. Pauline Johnson (Tekahionwake) and Mabel Burkholder, Robert Service, Wilson McDonald.

Mr. McRaye recited Dr. Drummond's poems "Habitant", "Little Bateese", "Habiteese came Home", much to the amusement of those present. These were delivered and given in full expression in the broken jargon of the French Canadian. Another item which proved of special interest to those who have resided in British Columbia for a number of years was the delivery of the poem of E. Pauline Johnson (Tekahionwake) "Yaada," who was supposed to be the loveliest daughter of the Haida tribe and many of the young braves from all the Islands from the mainland and the Upper Skeena country came hoping to carry her to their far off lodges, but they always returned alone, but according to tradition, there was one Indian brave named Ulka who alone found favour in Yaada's eyes.

Mr. McRaye was very pointed in his remarks in the lack of interest shown by the Canadian people in the majority of cases of their tardiness in purchasing any product manufactured in Canada, if we as practical pioneers of this glorious country of ours are to build up this Canada, it becomes everybody to be first class boosters and purchase those things which was produced in the Dominion. In the course of his remarks he dwelt on the Canadian Clubs which are to be found in the various cities of Canada, which are practically institutions carried on who bear the name of the country, but have not the spirit of enthusiasm of Canada at heart.

The fans who accompanied the Anyox Hockey team to Alice Arm last Sunday spent a very enjoyable time on the rink before and after the game. The ice was in good condition and everyone was skating.

An article, written by P. A. O'Farrell dealing with the developments and future prospects of British Columbia, recently appeared in the Financial Times of Montreal. In dealing with the mining industry the writer stated that the Premier Co. of Stewart pays more income tax than all the farmers of Alberta, Saskatchewan and Manitoba combined. Were it not, he says, for the exorbitant income tax the Premier would be milling 1200 tons of ore per day instead of 400. He further states that in Quebec where no income tax is levied, gold mining development is being pushed with extraordinary rapidity. This article has been copied extensively by British Columbia newspapers and mining journals; also by western U. S. A. mining journals. We believe that it was written to further the mining interests of Quebec and Ontario, to the discredit of British Columbia. Mr. O'Farrell did not also state that although the Premier Co. have not enlarged their milling capacity, the Granby Co. has almost doubled theirs during the past year, and also commenced the operation of a new property at Copper Mountain. He also did not stress the enormous increased output of the Consolidated Co. at Trail and Kimberley, or the increased output of the Britannia; neither did he mention that the Premier Co. were bonding new properties in British Columbia. He did not mention other big properties that were being developed by the big companies, or the big expansion of the industry during the past year. His policy evidently was to place British Columbia at a disadvantage in comparison with Quebec and Ontario and such tactics are to be deplored. Is it any wonder this rich Dominion does not show more rapid development when one section of the country is boosted at the expense of the other. We admit that mining taxes are high, too high, especially for a mine in the early stages, but it is not stifling the industry to the extent that Mr. O'Farrell would have us believe. It must be remembered that the government is under a heavy ex-

Premier Co. Concludes Bonding Agreement

Portland Canal News
 Final negotiations for bonding the Melvin group in the Marmot section, owned by Mr. and Mrs. N. H. Stevens, to the Premier Gold Mining Co. were completed Monday. The bond calls for total payment of \$60,000, spread over three years, and the initial cash payment is reported to be \$2500. The group consists of five claims and joins the Porter Idaho and Prosperity groups. The deal for three claims belonging to Owney McFadden, Eli Watland and Geo. Brown, which was reported last week as pending, is still in abeyance.

Conservative Leader Will Not Take Seat in House

Hon. Dr. S. F. Tolmie, chosen provincial Conservative leader at the Kamloops convention in November, will not seek a seat in the legislature until the next provincial election according to a statement made in the house by Col. Fred Lister, Conservative member for Creston, during the debate in reply to the speech from the throne.

Nelson to Vote on Beer by The Glass

A vote on the sale of beer by the glass will be held at Nelson on February 23rd. It is announced by the government. Nelson to date has no beer parlors as the constituency went on record against them at the last election.

The big telescope of the university observatory had just been trained upon the sky when a star fell. "Hot dog!" said the new night watchman, "that fellow sure is a crack shot."

pense in assisting the mining industry. It is always ready to build new roads, bridges, etc. and these cost a lot more than in Quebec, where the ground is practically level. We can not tax the apple grower or the cattle rancher in order to develop the mining sections.

SPECIAL TRIPS BY ARRANGEMENT

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS
 Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.
 Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.
 Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.
 Pre-emption must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.
 For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE
 Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."
 Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES
 Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES
 For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING
 Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

BRITISH COLUMBIA

The Mineral Province of Western Canada

Has produced Minerals as follows: Lacer Gold, \$77,663,045; Lode Gold, \$122,808,459; Silver, \$74,111,397; Lead, \$89,218,907; Copper, \$197,642,647; Zinc, \$39,925,947; Miscellaneous Minerals, \$1,594,387 Coal and Coke, \$273,048,953; Building Stone, Brick, Cement, etc., \$44,905,886; making its mineral production to the end of 1925, show an

Aggregate Value of \$920,919,628

The substantial progress of the Mining industry of this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive \$94,547,241; for five years, 1896-1900, \$57,607,987; for five years, 1901-1905, \$96,507,968; for five years, 1906-1910, \$125,534,474; for five years, 1911-1915, \$142,072,603; for five years, 1916-1920, \$189,922,725; 1921, \$28,066,641; for the year 1922, \$35,158,843; for 1923, \$41,304,320; for 1924, \$48,704,604, and for 1925, \$61,492,242.

Production Last Ten Years, \$404,649,375

Lode mining has only been in progress for about 25 years, and only about one-half of the Province has been even prospected; 200,000 square miles of unexplored mineral bearing land are open for prospecting. The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire. Mineral locations are granted to discoverers for nominal fees. Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Practically all British Columbia Mineral Properties upon which development work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B. C. Reports covering each of the six mineral Survey Districts are published separately, and are available on application. Reports of the Geological Survey of Canada, Winch Building, Vancouver, are recommended as valuable sources of information. Full information, together with Mining Reports and Maps, may be obtained gratis by addressing

Expansion of Mining Industry in B. C. Remarkable

Province Contains Largest Dividend Payer in Canada

Dividends declared by public companies engaged in mining in British Columbia show an increase of nearly \$3,000,000 for 1926 over 1925, the respective amounts being \$9,051,645 compared with \$6,072,465. Dividends of private companies are not given but would add considerable to the figures. This is one of the encouraging features of British Columbia mining in the past year, says E. A. Haggen, in the Daily Province.

It is expected that the directors of the Granby Consolidated Mining, Smelting & Power Co. will declare a dividend of 3 per cent. for the past year. If so, this will add another \$1,034,409 to the above. The profits now being made by the mineral industry are remarkable. The dividends represent an increase of 50 per cent. over the previous year, and amount to about 15 per cent. on the total value of the mineral production. They prove the mineral industry to be the most profitable field of capital investment in British Columbia.

Consolidated Mining and Smelting Company leads all Canadian mining companies in the amount of dividends declared for the past year. With Premier, two British Columbia companies rank among the five highest dividend payers from mining operations in Canada.

The Consolidated Mining and Smelting Company now ranks as the world's second largest producer of lead, its output being only exceeded by that of the St. Joseph Lead Company of Missouri, United States.

For the first time in twenty years British Columbia has beaten Ontario in the production of silver, while it accounted for nearly 60 per cent. of the copper 93 per cent. of the lead, and a similar proportion of the zinc produced by the entire Dominion during the past year, this is also the only province producing tin, which is being recovered as cassiterite in the milling of the Sullivan ores. British Columbia is the first province to make a commercial production

Company Plans to Market Reindeer Meat

Dominion Reindeer Company and the Consolidated Finance Company have moved their offices and are now located at 506 Dunsmuir street. Much interest is being taken in the project to breed reindeer in Northern Canada. Reindeer meat promises to become a factor in the meat markets of the continent, and that the head office of the company is located in Vancouver will attract attention this way.

of this metal.

Production of refined lead now reaches 400 tons a day at Trail smelter and the zinc refinery is being increased to a capacity of 280 tons per day.

Trail smelter produced for this year 10 per cent. of the world's output of lead and 7 per cent. of the world's output of zinc.

Thanks to the development of the lead industry in British Columbia Canada now ranks fourth in lead-producing countries, being surpassed only by the United States, Mexico and Spain. As a producer of zinc, to which credit is due to British Columbia, Canada also holds fourth place in world rank, being surpassed by Belgium, Germany and Australia.

The Sullivan Mine has been for two years the largest producer of silver in Canada. Prior to that the Premier Mine was the leader.

Last year the increase in the mineral production of British Columbia was 16 per cent., as compared with 7.1 per cent., for the entire Dominion.

Metallurgical developments were exceptionally important during the past year. Granby increased its milling capacity at Anyox from 1200 to 3000 tons, and raised production of copper from that plant to about 35,000,000 lbs. of copper per annum. This company also brought the Allenby mill at Princeton to full production of about 25,000,000 lbs. of copper per annum.

Noted Orator Addresses Anyox P. T. A.

The regular meeting of the Anyox Parent-Teacher Association was held in the Public School on Tuesday. Following the business part of the programme, Mr. Walter McRaye provided an entertainment in his own inimitable style "Canadianism" was his theme and many poignant remarks illuminated his wake-up Canadian ideals. He urged that Dominion Day in 1927 be something very special for the children as this year's celebration was the Diamond Jubilee of Confederation.

Mr. J. Kania contributed to the programme with a violin solo, accompanied by Mrs. Pynn, at the piano. An encore number was greatly appreciated.

Mr. Hartley, principal of the Public Schools was elected to fill the vacancy of convenor of the programme committee. A nursery roll will be purchased for Miss Andrews who will use this in primary department lessons. Mrs. W. F. Eve, Mrs. Barclay, and Mrs. J. Cloke were appointed to make all arrangements for the Valentine Dance.

The President Mrs. R. O. Cutler will conduct the campaign to provide a local contribution to the fund for a chair of Home Economics at the University of British Columbia, Rev C. D. Clarke, Mr. Hartley, and Mrs. Scott were the committee selected to handle all preparations for Dominion Day. Resolutions were also passed to award prizes for essays in the High School and Public School upon the subjects of peace progress and the flag. Refreshments were served at the conclusion.

BIRTH AT ANYOX

Born to Mr. and Mrs. T. Gazzola at the Anyox Hospital on Tuesday, January 18th. a son.

The Alice Arm Skating Rink was a scene of gaiety on Saturday evening, when a programme of races was carried out. There were races for adults and children and a very enjoyable evening was spent. It is planned to hold a number of such evening during the winter.

Hockey League Games Commenced This Week

The Alice Arm Hockey League commenced their schedule on Monday evening, when the Timber Wolves met the Tigers. Two periods were played, and in that time the Wolves notched ten counters, while the Tigers failed to find the net.

The Tigers were forced to put a weak team on the ice, being without the services of T. W. Falconer, and H. Butler. They were overwhelmed from the commencement and played a defensive game throughout. Seven goals were recorded against them in the first period and three in the second.

The teams were: Timber Wolves, goal, J. Hanna; Crompton, Hutton, Erickson, Vaughn.

Tigers: goal, Aubusson; Wilson, Yorke, Strombeck, Moss, De-Gronchy.

On Wednesday evening the Wildcats and Tigers fought for two periods. The score being 5-3 in favor of the Wildcats. One lone Tiger was on the ice at the face-off, but the team was brought up to full strength by players from other teams.

It was an interesting game, with both teams working hard, and each getting a equal share of the game.

The teams were: Wildcats, goal, P. Williamson; Anderson, Wilson, Yorke, Fowler.

Tigers: goal, J. Hanna; Crompton, Hutton, Moss, Foster.

It is hoped to bring the Tiger's team up to full strength during next week, and some interesting games should result, when the teams fill up, and settle down to business. Alice Arm possesses enough men eligible to play hockey and it is hoped that everyone will turn out and keep the league alive.

ANYOX NOTES

A. Peterson was a southbound passenger on Monday to Vancouver.
