ALICE ARM, B. C., SATURDAY, MARCH 15, 1924

5 cents each.

Monthly Meeting of Anyox Parent-Teacher Association

On Monday, March 10th, the regular monthly meeting of the Anyox P. T. A. was held as usual in the new school with the president, Mrs. Jenkinson, in the chair and a good attendance of members.

In the absence of the secretary the minutes of the previous meeting were read by Mr. McAlister. It was decided to send a delegate to the Convention of the Provincial Parent-Teacher Federation, if a suitable arrangement can be made regarding expenses.

It is a matter of regret to the Association that Mrs. Jenkinson is leaving town at the end of the present month.

The convenor of the programme committee announced Dr. Learoyd as the speaker for the April meeting. Then followed an excellent paper by Mr. Haffner, the General Superintendent, on the smelting and concentrating of Hidden Creek ores. It was couched in lucid non-technical language, and gave a thoroughly appreciative audience a clear insight into local process in copper mining.

Enjoyable vocal selections were feelingly rendered by Mrs. S. Herrin and Mr. A. Wilby, after which came refreshments and a pleasant social period, the meeting adjourned after the singing of the National Anthem.

Brilliant "At Home" Given by Dr. Kinsman

Beautifully decorated in crimson and gold, the new mine hall presented a very pretty aspect on Monday evening, when Doctor Kinsman acted as host to his many friends. Most of whom he has made since his coming to Anyox. A number of about thirty were conveyed from the beach to the mine on the company train, leaving at 8.30, making a total of approximately seventy persons present.

Immediately after the arrival of the guests the dancing programme commenced and was continued until the announcement of supper when the party adjourned to the old hall, which was also tastefully decorated and where supper was daintily served.

Having done justice to a luxurious repast the guests returned to the mine hall where dancing was resumed until the "wee sma' hours"

The Punch Bowl with its cool and refreshing contents added much to the enjoyment of all present.

The evening concluded with the guests encircling their host singing, "For He's a Jolly Good Fellow," to which Doctor Kinsman responded.

The parting guests were unable to find adequate words in which to express their appreciation for the generous manner in which they had been entertained. The orchestra present included Mrs. Pynn, piano; G. Liddle, violin, and Jimmy Cameron, traps.

Death of Mr. Geo. Gibb of Anyox

The death occurred on Monday morning of Mr. Gibb, who passed away at the Anyox hospital after a brief illness.

Deceased was well known in Anyox. He came here nearly two years ago and operated a watch and jewelry repair shop on the wharf.

The late Mr. Gibb was born at Edinburgh, Scotland and was 52 years of age. He came to Canada during the winter of 1921, making his home at Prince Rupert. Late in 1922 he moved to Anyox.

Deceased was prominent in Masonic circles. He was made Master of St. Clair Lodge in 1904, to which office he was re-elected in 1905 and 1906.

The burial was held on Wednesday afternoon with full Masonic honors at the Anyox cemetery.

The remains were conveyed to the Lodge room where the ceremony was commenced in the presence of about eighty fraternal brothers who, afterwards in processional order proceeded to the Anglican Church where the Rev. Gibson, also Chaplain of the Order, officiated. During the ceremony Rev. Herdman of the Union Church, gave a brief address.

Following the Church Service the procession led the way the cemetery where the last rites were administered.

Deceased is survived by his wife and one son, Mr. W. Gibb who both reside in Anyox, and to whom the sympathy of the whole community is extended in their sad bereavement.

Successful Smoker Held by Moose Yesterday

Last evening, the members and friends of the Loyal Order of Moose, Anyox Lodge, 1412, spent a very enjoyable few hours at their Lodge Room, held in the form of a smoker.

A special attraction, which added much to the enjoyment of the evening, was the first appearance of the new Moose orchestra, consisting of six pieces.

The rendering of a number of choice selections, brought forth well deserved applause from the audience.

Refreshments were served during the evening, which did credit to the caterers, Mesdames Hartt, Cross and Spragg.

Anyox Elks to Stage Big Vaudeville and Minstrel Show

March 28th is the date set by the local "Brother Bills" to present to the townfolk something new in the way of "Thrills." Those anxious for an evenings merriment will be wise to book seats early in order to gain admission, since the programme as outlined is most promising and will surely result in a capacity house.

Granby Co. Speeding Up Work at Alice Arm

The Granby Co. are going right ahead with their logging programme for this season at Alice Arm. The lumber for the camp to be built alongside of the Dolly Varden railway is already at the wharf. The railway is now clear enough of snow to allow the lumber to be hauled to the depot. From there it will be hauled on sleighs to the camp site, by Al. Falconer, who has obtained a contract for hauling. The foundation posts are already in place for the camp and the locomotives are being overhauled. It is expected that lumber will be moving today.

The Granby Co. have obtained a lease of five miles of the Dolly Varden railway, two locomotives and a number of cars for logging operations.

It is expected that in three or four weeks logs will be coming down over the railway to the booming ground.

Work of preparing a camp site for the camp across the Kitsault river commenced this week.

Alice Arm Will Have Big Payroll This Year

There will be over 250 men employed in the vicinity of Alice Arm this year. This is a conservative estimate of the number of men that will be employed in the different logging, mining and government road camps that are certain to be operating this year. Not so bad for a town that is supposed to be quiet.

It is reasonable to expect that this number will be increased before the end of the summer, as mining properties open up and take on men for development purposes.

Alice Arm was born a mining camp, and its future depends on the mining industry. The present logging operations are only a sideline. Everyone knew the timber wealth was here and would sooner or later be developed. The utilization of this wealth comes at an opportune time, but logging operations will not make a permanent town. Now is the time to get busy and build up the mining industry. We have the mineral wealth here in abundance, and in order to interest capital we have got to get out and rustle. We might just as well receive the benefit of the wealth stored in the hills as leave it to some future generation.

ELKS' VAUDEVILLE AND MINSTREL SHOW

The Elks big annual Entertainment will be held at the Recreation Hall, Anyox, on Friday, March 28th. The launch Awake will make a special trip on Friday evening, the 28th., returning same night. All those wishing to go, please hand in their names to Mr. Geo. Braggy.

New Councillors Elected for Anyox Community League

The election of councillors for the Anyox Community League, which was held on Wednesday, was as follows:

Mrs. O. K. Dwyer, 138.
Mrs. J. Cloke, 137.
Mr. Ed. Yard, 131.
Mr. H. D. Southam, 122.
Mr. A. Seaton, 119.
Mr. F. D. Rice, 119.
Mr. Al. LaFortune, 118.
Dr. Harper, 114.
Mr. G. E. Townsend, 98.
Mr. R. Ingraham, 98.
Mr. J. McCallum was elected on the Hospital Board, with a total of 181 votes.

After reading the above list, it is evident that the members of the Community League have made a wise choice in the selection of their officers for the ensuing year. The present Council are well able to conduct the affairs of the League in a creditable manner, and assure continued prosperity of that very useful and indispensable organization.

Basketball Games at Anyox

Something new in the line of entertainment was offered to the fans on Friday when the newly formed Midget teams got into action. There are two teams in this league, namely the Shamrocks and the Colts. In their first encounter the Shamrocks came out victorious by the score of 38 to 10. The score however does not indicate the nature of play. The Colts seemed unable to locate the basket.

The play was clean throughout and was also very fast.

The Teams were:
Colts; Bob Moffat, E. Clay, J. Barclay, S. McLachlan, T. Asimus and S. Sawrey

Shamrocks: Cyril McDonald, J. Lazorick, E. Barclay, J. O'Neil, G. Johnson, M. Morrison, B. Scott.

The second encounter brought together the Pats and the Bluebirds, which resulted in a win for the latter by the small margin of one point the score being 11 to 10. Hard checking was the feature of

Continued on page 3.

Logging Camp Puts Out 800,000 Feet

Mr. E. J. Tremblay who is logging part of the ground of the Abbotsford Logging Co. had at the end of last week logs measuring 800,000 feet b. m. pulled onto the flats. Mr. Tremblay commenced working last fall and has been using horses for pulling out the logs. The camp is located a short distance from the east bank of the Kitsault river and will continue to operate for some considerable time.

Alice Arm Debate to be Held Next Tuesday

The first of a series of debates to be held each week, will be held at the Anglican Church next Tuesday March 18th, at 8 p.m. There have not been as many debates held this season as last, and as this form of entertainment has always been popular, it has been decided to finish off the winter season with as many as it is possible to hold.

The subject for Tuesday is, "Resolved that the most successful business men are not strictly honest." Speakers for the affirmative, are: Messrs. G. Young, C. Warner, S. Winnerstrom. Negative: D. Roe, J. A. Stephen, G. Anderson.

An entertaining evening is promised to all who attend.

Logs to be Floated down Kitsault River

Mr. C. P. Riel who has a contract from the Abbotsford Logging Co. for logging their timber on the west side of the Kitsault river is beginning to show results. Falling was finished some time ago, and Mr. J. M. Morrison, who has a contract for hauling the logs to the river is making great headway. About 400,000 feet are now in the river, awaiting high water to carry them to the salt chuck. Mr. Riel is now engaged in constructing a boom across the mouth of the Kitsault River. This boom will be three-quarters of a mile in length and is now about half finished.

ALICE ARM NOTES

Hand Laundry Work. Moderate Prices—Miss B. Crawford, Alice Arm.

See Al. Falconer for Wood or Coal

Mr. W. Longfellow, was a visitor to Mr. and Mrs. T. W. Falconer last week end, leaving on Monday. Mr. Longfellow is representative for the F. R. Stewart Co. of Vancouver.

Mr. Angus McLeod arrived yesterday from Anyox. He is making an examination at the Esperanza mine with a view of putting in a tramline.

Mr. Sam Moran returned to town on Tuesday from Anyox. He has been on construction work of the new concentrator, etc. in the smelter town since early last summer.

Mr. Wm. Wells, who has been in Anyox since last summer, arrived in town yesterday.

Dressmaking and Plain sewing—Mrs. Myrtle Wilson, Alice Arm.

Mr. N. Sutlovich, who has spent the past nine months at the Premier mine, arrived yesterday. Mrs. Sutlovich, who is sick in Prince Rupert, will arrive in three weeks. Continued on page 4.

The Local Paper and Community Progress.

By John F. Cunningham, president of Wisconsin Agriculturists. Racine, Wis. in National Printer Journalist.

There is a clear and definite line of work for the local newspaper, whether it be a daily, semi-weekly or weekly. From no other source can the intimate personal and business news of the small town community be obtained.

There was a period during which the small town newspaper seemed to be smothering under the increasing circulation of the city dailies. The city daily does not and cannot devote space to matters of immediate interests to the small town and the surrounding country. We may say therefore, that while in the great wall of news that confronts us from day to day, the large stones and bricks will always be furnished by the city dailies, through the various news services that cover the entire world, the chinks and the cement will ever be furnished by the local country newspapers, news from nearby, the intimate heart-throbs that come from the local business, social, civic and home activities.

Every town owes to itself to encourage a good enterprising wide awake progressive newspaper. Such publications are worth far more to the town than the town usually realizes. By supporting I mean not only subscribing to the paper and reading, it, but also helping it to get the news, by using it as a medium of public discussion and by patronizing its advertising columns.

In too many instances the good local paper is taken as a matter of course--about as we consider the act of eating when meal time comes.

But the town which has no medium of local news or for the expression of local opinion is a barren spot indeed. God pity it! What

Considerable Mining in Omineca District

During the past year, the Omineca Mining district as a whole and the Smithers, Telkwa section in particular, has received considerable attention from very strong and influential mining operators. This attention has been the outcome of a number of years of steady prospecting and development work on the Hudson Bay and Dome Mountains. The district generally has been perhaps eclipsed by the success of the Stewart-Portland Canal area.

The years opened with some shipments of high grade ore from the Henderson Mine, located 14 miles from Smithers, and operated by J. F. Duthie. Carload lots of this ore averaged between 225 and 250 ounces of silver, together with a high percentage of lead. Considerable grey copper and ruby silver are to be found in this ore. Specimens will frequently assay several thousand ounces of silver per ton.

In January 1923, a deal was consummated between the New York interests who were represented by Thos. Jefferson on Dome Mountain and the Guggenheim organization through their subsidiary, Federal Mining & Smelting Co. of Wallace Idaho. As a result of the transaction, the Dome Mountain properties are now being extensively prospected and developed by the Federal Company under the supervision of Mr. Henry Lee with very gratifying results. Dome Mountain has one of the finest surface showings of medium grade gold ore that can be found. During the summer of 1923, 40 feet of continuous width of ore body, averaging around \$300.00 per ton, was exposed, with some streaks of extremely rich ore interspersed in the lead. The Dome Mountain group has not one mine

community progress can be made with no vehicle of local publicity? What Community ideals and heart can be promoted or maintained with no regular and dependable organ to voice them? What community sympathy and fellowship can be developed where there is no clearing house for the heart--where there is no common park-way where the myriad hopes and discouragements, joys and heart aches, successes and disasters may be brought together and blended into that intangible though very real, thing or substance that we call community spirit?

only, but several distributed over an area of some 5 or 6 square miles. A large crew has been steadily working since the beginning of the year, during which time very fine camp buildings have been built and a small steam compressor plant installed.

After the relinquishing control of Henderson-Mamie group, Mr. Duthie bonded the Hyland Basin group, 24 miles north of Smithers on the Babine Range, owned by Martin Cain and Tommy King. Development work is in progress on this property and a small shipment of ore assaying 170 oz. silver and 66oz. gold has been sent down from the property. Selected ore from the Hyland vein, assayed 850 ounces silver and 467 ounces gold.

Everybody has a backbone with a head at one end, and at the other a place to sit down.
 Some guys use one end most and some use the other.

BRITISH COLUMBIA

The Mineral Province of Western Canada

Has produced minerals valued as follows: Placer Gold, \$76,542,203; Lode Gold, \$109,647,661; Silver, \$59,814,266; Lead, \$51,810,891; Copper, \$170,723,242; Zinc, \$24,625,853; Coal and Coke, \$238,289,565; Building Stone, Brick, Cement, \$36,605,942; Miscellaneous Minerals, \$1,358,839; making its mineral production to the end of 1922 show

An Aggregate Value of \$769,418,462

The substantial progress of the Mining Industry in this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive, \$94,547,241; for five years, 1896-1900, \$57,607,967; for five years, 1901-1905, \$96,507,968; for five years, 1906-1910, \$125,534,474; for five years, 1911-1915, \$142,072,603; for five years, 1916-1920, \$189,922,725; for the year 1921, \$28,066,641, and for the year 1922, \$35,153,843.

Production During last ten years, \$339,280,940

Lode-mining has only been in progress for about 33 years, and not 20 per cent of the Province has been even prospected; 300,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

Anyox Basketball

Continued from page 1.

game and in consequence very few attempts were made to score. The majority of the points were made from free shots.

The teams were:

Pats: Miss P. McMillan, Miss Deane, Miss Champion, Miss H. Calderone, Miss R. Moffat, Mrs. H. B. Chapman and Mrs. Wenistrom.

Bluebirds: Mrs. J. Cody, Mrs. J. Smith, Mrs. O. K. Dwyer, Mrs. L. McQuarrie, Mrs. D. Roi and Mrs. A. Crone.

The final game was that between the Coke Plant and the Rovers. The game finished 27 to 16 in favor of the Coke makers. With the absence of Crawford from their lineup the Rovers made a game effort to overcome the big lead and dropped in three baskets in rapid succession in the last few minutes of play, but were unable to keep up the pace. Dick Ballantyne was the star for the losers, while Harris and Gordon showed well for the winners.

The teams were:

Coke Plant: Thomson, McIntyre, Hogben, Ballentyne and Smith.

Rovers: N. Ballion, H. Ballion, Harris, Gordon and Miller.

Cy. Greenwell was the referee.

Monday evening marked the debut of another new team. On this occasion it was an addition to the ladies league, in the person of the Dumbells, and from their showing the name is not at all appropriate. They were defeated by the High school girls, but as the score indicates they were not disgraced. The score was 10 to 9.

The teams were:

Dumbells: Miss R. O'Neil, Miss M. McDonald, Miss May Cane, Miss R. McDonald and Miss Scott.

High School, Miss J. Moffat, Miss P. O'Neil, Miss Mary O'Neil, Miss M. Barr and Miss Bowes.

The Shamrocks and the Colts again met in the Midget league fixture. The former again winning the score on this occasion however was much closer. The former again winning, the score on this occasion however was much closer. The Shamrocks just managed to put over a win after five minutes of overtime play. The score was Shamrocks 18 Colts 17.

In the last game on the programme the Coke Plant and the Tuxis met. The former winning by 31 points to 30. The Tuxis came from behind in the last few minutes of play the whistle being the only thing which saved the Coke Plant from defeat.

The teams were:

Coke Plant: Thomson, McKeown, Hogben, Ballentyne and Smith.

Tuxis: Dean, Moore, Moffat, Swanson and Dupuis.

Cy Greenwell was the referee.

Britannia Is Second Largest Copper Producer

During the year 1923 the Britannia mine, at Howe Sound, produced 22,447,317 pounds of copper 108,964 ounces of silver, and 4,874 ounces of gold. The Britannia mine is the second largest copper producer in British Columbia. The Granby Company at Anyox produced nearly 11,000,000 pounds more copper during 1923 than Britannia, and over four times as much silver.

Anyox Man Dies in Prince Rupert

The death occurred at the Prince Rupert General Hospital on Wednesday March 5th. of Mr. G. I. Simpson. Deceased was lately employed at the Hidden Creek mine. He was 25 years of age, and was a native of Edinburgh, where his father George Simpson resides.

Alice Arm Notes

Continued from page 1.

Latest copies of the Vancouver Province, Sun and World for sale at W. M. Cummings, Post Office.

Messrs. Fred and Al. Miller returned on Monday from a trip through the southern portion of the province, Washington and Oregon. Fred had been reported killed by a hold-up man in Portland, but on Monday proved to be very much alive.

Miss Ivy Warrington returned on Monday from a visit to her home in Australia. Miss Warrington, who was formerly on the staff of the Alice Arm Hotel, has again taken a position there.

Mr. Miles Donald expects to commence logging next week at Campers Point. The camp is now finished, and the construction of a log chute in being pushed.

See Al. Falconer for Freight and Pack Horses.

Mr. A. Davidson assisted by A. D. Hallett, has commenced taking in supplies to the Wildcat property on the upper Kitsault, in preparation for extensive development work.

Don't forget the Debate next Tuesday.

Mr. Jack Hanber, an old-timer of the camp arrived yesterday from Stewart. Jack has been working at the Premier mine throughout the winter, and is now ready for a busy season developing his mining properties here.

Mr. Niel Forbes who spent part of last summer at Stewart and has been holidaying for the past few months in Vancouver, arrived home yesterday.

ANYOX NOTES

Mr. Al. LaFortune, of the General Office staff, was a south-bound passenger on Thursday. If reports are true, Al. is going to fall in line with the rest of the benedicts.

Mrs. H. B. Chapman and Miss Rosie Moffatt, arrived on Thursday evening, after spending a few days in Prince Rupert.

Arrivals on the Prince George, on Thursday, were: Messrs. Knott, Aistrop, Carruthers, Bentham, A. D. Johnson, J. McDonald, H. Ritchie, and D. McKeown.

Messrs. D. Miller and A. Faulds were south-bound passengers on Monday.

Mr. H. S. Munroe and Mrs. Munroe arrived in town from Vancouver and New York on Monday.

Among the southbound passengers, on Thursday, were: Mrs. P. Stivenard, Mrs. Owens, Mr. and Mrs. Sloan, Mr. and Mrs. Brigham, Major Haines, Judge Young, and Messrs. King, W. J. Green, and Earle.

We are always pleased to publish any news items, whether large or small. If you have any news items please give them to Mr. Noel our Anyox representative. Mr. Noel can also accommodate anyone wishing to get results by using our advertising columns.

The "Pats" ladies Basketball team journeyed to Prince Rupert on Monday, to play return games with the Prince Rupert Maple Leafs. The first game was played on Tuesday evening, when the Pats lost by the score of 17 to 4.

The teams lined up as follows:

Prince Rupert—Miss Louis Fisher, Miss A. Stephens, Miss Myra Harvey, Miss L. Lowe, Miss M. Graham, Miss L. Frizzell.

Anyox—Miss R. Champion, Miss R. Moffatt, Miss S. Calderone, Miss S. Deane, Miss H. Calderone, Mrs. Winnerstrum.

The Ladies Chapter, Loyal Order of Moose Dance, will be held at the Gymnasium. A record crowd, numbering 278 attended last week's dance.

Mr. A. S. Nickerson, of the Men's Department, Granby Stores, left on Thursday, for Prince Rupert, where he will spend a few days with his family. We wonder if "Nlek" intends coming back alone.

**ATLIN ELECTORAL
DISTRICT**

NOTICE IS HEREBY GIVEN that I shall, on Monday the 7th. day of April, 1924, at the hour of ten o'clock in the forenoon, at the Government Office, Anyox, hold a special sitting of the Court of Revision for the purpose of revising the list of voters for the said electoral district, and of hearing and determining any and all objections to the retention of any name on the said list, or to the registration as a voter of any applicant for registration; and for the other purposes set forth in the "Provincial Elections Act."

Dated at Anyox, B. C. this 12th. day of February, 1924.

JOHN CONWAY,
Registrar of Voters,
Atlin Electoral District.
