Alice Arm and Anyox Jointly Celebrate Empire Day

Alice Arm Attracts Flocks of Anyox Visitors

Judging from the manner in which Empire Day was celebrated in Alice Arm, the British Empire contains no more loyal subjects than the people of Alice Arm and Anyox. A large number of Anyox visitors arrived on Saturday and Sunday, and these somewhat speeded up the hilarity.

The Awake brought over a number of Anyox folks on Saturday evening, and a dance was held at the Alice Arm Hotel. This was one of the most brilliant dances of the season, and the large number present enjoyed every minute of the evening.

The new Anyox orchestra, The Northern Triad, supplied the music, which was of a standard equal to much larger and older orchestras. The musicians were: Mrs. H. B. Chapman, piano: T. Bagwill, saxophone; J. Cameron, drums.

This is the first time this year that an Anyox orchestra has visited us and we hope it will not be very long before we have the pleasure of again entertaining our friends from Anyox at a dance.

All those who arrived from Anyox on Saturday stopped over, and on Sunday morning six or seven more boat loads of excursionists arrived to swell the number. Among the boats arriving on Sunday were the Awake, Azurite, Cuprite, Ranger, Betty, and a host of others, so that by noon it was estimated that well over 150 persons from Anyox were drinking in the beautiful scenery of Alice Arm.

The weather was perfect, with the sun shining throughout the day, and with a cool breeze blowing inshore, Alice Arm was a pleasant place, with its wealth of greenery and flowers, which was a revalation to those who had not had the pleasure of visiting Alice Arm previously.

A large portion of Sunday's visitors were brought over by the Anyox Lodge B. P. O. Elks, who conducted an excursion, and great credit is due to the Brother Bills for their organizing abilities, and the wonderful success their efforts attained. The Elks' orchestra was in attendance, and during the afternoon they conducted an open air concert, in the grounds of Mr. and Mrs. Al. Falconer's home.

A large number availed themselves of the opportunity of listening to this splendid orchestra, and the following programme was rendered:

March: "Under the Double Eagle.

Overture: "Lustpiel."

Trombone Comedy: "Slip Horn Stuff."

March: "National Emblem."

Waltz: Kaluce Moon."

March: "Bean Ideal."

Overture: "Raymond."

March: "Washington Post."

Overture: "Light Cavalry."

Waltz: "Kiss Me Goodnight."

March: "White Squadron."

At the conclusion of the programme, Kathleen and Irene Bruggy gave a clever exhibition of the "Highland Fling" and "Sword Dance."

The combined Elks' and Alice Arm orchestras then rendered several dance numbers, to the delight of the large audience, and completed perhaps the first open air concert to be given by an orchestra in northern B. C.

Various parties of the visitors explored the Kitsault flats, while others surveyed the beauties of the Kitsault valley along the railway, while yet others explored around the town. All, however, were loud in their praise of the people, the weather, and the scenery of Alice Arm, and intend to visit us again before the summer weather is over.

Chamber of Mines Want Our Ores

Postmaster W. M. Cummings recently received a letter from the B. C. Chamber of Mines, requesting that arrangements be made here for the sending of an ore exhibit to the Chamber of Mines. Arrangements have been made whereby property owners can leave samples at either T. W. Falconer's or Bruggy's store. Plans have been made to defray shipping expenses. Here is a spendid opportunity to place an exhibit where it will be seen by mining men, and it is to be hoped that all property owners will co-operate and bring in their samples with as little delay as possible.

Pleasant Evening Spent Anyox Football Dance

Last Monday evening was the scene of much gaiety and merry making when the Football Association gave a dance in the Gymnasium.

The dance started at 9 o'clock and ended at two with all present satisfied that the affair was all that could be desired. Refreshments consisting of ice cream, coffee and cake were served at about eleven o'clock, The proceeds of the dance are to go towards buying equipment for the Smelter and Beach football teams, and the association wish to thank all who kindly donated their services.

The Elks' orchestra was up to their usual standard and furnished snappy music. Messrs. Austin, piano; Waterman, drums; Steele, Trombone; Armstrong, violin; and Stivenard, cornet, are to be congratulated on their splendid music.

Angus McDonald was an arrival last week-end from Anyox. He will spend a few weeks here developing the Esperanza extension.

ALICE ARM NOTES

See Al. Falconer for Wood, Coal and Lumber.

Ralph Ingraham arrived from Anyox last week-end, where he has spent the past winter. He intends to be busy during the summer developing his several mining properties.

E. J. Conway, mining engineer arrived from Anyox on Thursday.

Jim Calvin was a visitor in town on Thursday. He has lately been repairing the LaRose trail.

See Al. Falconer for Freight and Pack Horses.

Miles Donald spent a few days in Prince Rupert during the week.

Harvey Smith has taken over ten acres of land from J. O. Trethewey, near the Illiance River and has commenced the construction of a log building.

Mr. and Mrs. R. F. McGinnis returned on Monday. Mrs. McGinnis has been visiting her parents in Philadelphia, and Mr. McGinnis has been on a short visit to Vancouver.

Chas Ripley arrived home on Monday from a short trip to Prince Rupert

Barney Turbitt received a new Ford touring car on Monday's boat. He is now able to give his patrons a luxurious ride on the cushions.

Hand Laundry Work. Moderate prices—Miss B. Crawford, Alice Arm.

The members of the Anyox Lodge, Loyal Order of Moose will visit here tomorrow, and a meeting will be held at the Pioneer Hotel in the afternoon. All members of the Lodge are requested to be present. Any new members heartily welcome.

Norman McLeod, who has spent the winter in Anyox, arrived home on Thursday.

Art. Beaudin has entirely remodeled the upper floor of the Welcome Block. Several nice rooms have been made in place of the one big room previously used.

J. Smith, provincial constable of Anyox, spent a couple of days in town during the week.

J. Taylor arrived back on Thursday from a business trip to Prince Rupert.

Mr. and Mrs. H. B. Chapman were guests of Mr. and Mrs. H. F. Kergin over the week-end.

H. W. Heidman, of the Golkeisk mine near Anyox, arrived in town on Thursday. He returned this week from a trip to Vancouver and will spend a few days in camp.

Ed. Ashton arrived from Anyox on Thursday, and will spend the next six weeks developing his claims on McGrath mountain, and looking over the country.

J. Brennen arrived on Monday from Edmonton. and plans to spend the summer here. His last visit here was in 1920, and he was surprised at the large growth of the town since that time.

Rev. Rushbrook will conduct Divine Services at the Anglican Church tomcrow.

Sun Shone on Brilliant Scene on Anyox Tennis Courts

The Anyox Tennis Club held their second Tournament on Sunday, May 24th. under the most ideal weather conditions, and Old Sol will have to travel far to view a finer collection of beautiful ladies, wearing pleasant smiles and equally becoming costumes, than on our own courts at Anyox.

From first to last each point was contested with pep and vigor, but the outstanding players were Mrs. W. Eve and Mr. D. Cole, and Mrs. H. Speight and Mr. G. Lee; both these teams having a perfect score up until the last round, when Greek met Greek, and Mrs. Eve and Mr. Cole won 20-17, thereby maintaining a perfect score throughout, but when the handicaps were added, two other couples took the lead by only a few points.

The prizes for this Tournament were very kindly donated by Mrs. H. Speight and Mrs. L. F. Champion (Gentlemen's first and second) and Messrs. F. C. Townshend and H. J. Baillon, (Ladies' first and second), and were presented, at the end of the day, by Mr. and Mrs. J. B. Haffner, to the successful contestants, Mrs. J. Conway and Mr. E. T. Groves (first) and Mr. and Mrs. A. W. Taggart (second)

Afternoon tea was served on the Courts by lady members who kindly volunteered their services, and was greatly appreciated by all the players. The thanks of the Committee are due to Miss R. Champion and Mesdames McQuarrie, Evans, Bryden and McTaggart, who generously provided cakes, etc., for the occasion.

The Executive were on the job all the time, and play was carried out in quick and orderly fashion, to the satisfaction of all. The outstanding feature of the Tournament was the peppy display turned in by Mr. Geo. Lace throughout the day. As a tennis player George is a great antelope.

The Club is on its toes now looking for more of the same, and no doubt the Ladder Series will be very popular in the meantime. During the morning Mr. J. J. Beckett very kindly photographed the contestants.

Mine Baseball Team Triumph Over Smelter

The Miners were victorious over the Smelter on Monday evening by the score of 8 to 3. Jimmy Ferguson was in fine form on the mound for the winners, letting them down with five scattered hits. Boleau made his debut in senior ball in Anyox, and twirled a nice game for the losers, With a little more experience he should develop into a pitcher of no mean calibre. Les Lane was behind the log for the Mine and Jim Hutchinson for the Smelter.

SUMMARY:	Runs	Hits	Errors
Smelter	3	5	3
Mine	8	9	2

Walter Oleson was the umpire

The Smelter defeated the Beach eleven Friday evening in a closely fought contested football match, the score being 1 to nil. The winning goal was scored four minutes before the final whistle blew, from the boot of Steve McKeown The Beach had a fine chance to count when they were given a penalty shot early in the second half, but Ingram kicked over the goal posts.

Alice Arm Has Three Big Buildings Under Construction

Alice Arm is one of the few mining camps of the province where building operations go on year after year. It is a town which the inhabitants are confident that will some day in the near future amply repay them for their labor in preparing for the future. Those living in town fully know that Alice Arm is destined to become a mining camp second to none in the province, and they are not afraid to back their opinion by preparing. This is the spirit that built up the western provinces, and will eventually develop Alice Arm.

Three new big buildings are now under construction on First street, north of the school. The first building is being constructed by Roy McKinley. It will have a measurement of 26 ft. wide and a length of 80 ft. It will contain three floors, and will, when completed be used as a rooming house with stores on the ground floor. It will be up-to-date in every respect.

S. Dumas, who is constructing a building on the adjoining lots has the foundation posts and stingers in place for a building having a width of 30 ft. and a length of 90 ft., and it will have a 35 ft frontage. The building will consist of three floors, and will be rented for offices etc. One floor will contain a large hall, which can be used for meetings, dances, etc., and later a moving picture show may be installed.

Miss C. Tullefsen has the floor already laid for a building measuring 28 ft. by 45 ft, close to S. Dumas's new building. It will be two stories high, with a six foot porch in front, and will be used for a rooming house, fitted with baths and all modern conveniences.

Local Men have Contract For LaRose Tunnel

Messrs. Neil Forbes, Fred Martinson and Burt Burtleson have taken the contract to drive the development tunnel on the LaRose property. The tunnel will be driven 400 feet, and work will be commenced in the near future. Neil Forbes arrived from Anyox Thursday in order to make preparations for the commencement of the work.

Boat Schedule Changed For Thursday, June 11th.

Owing to the handling of tourist parties, the schedule of the S. S. Prince Rupert has been changed for one trip. This boat will leave Vancouver on Tuesday, June 9th. and arrive at Anyox, Thursday June 11th. at 6 p.m., leaving for the south at 11 p.m. Arriving at Vancouver at 8 a.m. Sunday June 14th. At the conclusion of this trip the advertised schedule will be adhered to.

E. MOSS, Editor and Publisher.

Last week in our news columns we published a rebuttal of E. A. Haggen's statement that the Dolly Varden was practically exhausted. Most of the space allotted was taken up from extracts of various reports, and space did not permit us to say all that we wished. We would like to mention that for some reason or another Mr. Haggen has never been friendly towards Alice Arm. In his writings in the Daily Province and also the Mining and Engineering Record, he very rarely mentions Alice Arm, and when he does it is extremely brief. He has not yet written one word regarding developments at the Toric, but he does not waste any time in broadcasting the lie that the Dolly Varden is exhausted. We would like to ask Mr. Haggen how he would like us to broadcast to the world the news that his beloved Cariboo ---of which he writes about so much---is exhausted.

Mr. Haggen is perhaps afraid that when Alice Arm is fully recognized by mining men that another camp, in the north, in addition to Stewart will take a large share of the money for mining investments, and this money will be lost to the southern part of the province and the Cariboo. If this is the policy of Mr. Haggen,--- and we can see no other reason--- it is time he adopted a broader vision. Is it any wonder that trade is stagnating when one district will belittle the other. We don't care a tinker's cuss whether Mr. Haggen ever speaks a good word for Alice Arm. We can, perhaps, get along better without his help, but we do object to any mis-statements he makes regarding our mines. If he can't give us a little credit, we hope he will lay off from discrediting us at every opportunity in the future.

Anaconda Copper Co. Has Enormous Output

Daily production of the Anaconda Copper Mining Co., Butte advices state, is now running more than a million pounds of copper daily—about 315,000,000 pounds per year.

Besides this, there are 600,000 pounds of zinc and 40,000 ounces of silver in the camp's daily production, for this one company alone.

The Great Falls zinc smelter is turning out each day approximately 600,000 pounds of spelter.

Anyox Baseball Season Opens

Elks Prove Victorious over Mine

The opening game of the Anyox Baseball League was played on Thursday evening last week. The Elks and Mine being the contestants. The result was a win for the antlered herd, 2 to 1. Mr. J. B. Haffner pitched the first ball with D. C. Roy on the receiving end. The batteries wore: J. Ferguson and Lane for the Mine, C. Ferguson and Cody for the Elks. It looked very much like a win for the Miners right up until the last inning, but an infield error, a hit, two walks and a passed ball let in the two runs needed for the victory. Both pitchers were in fine form, Jimmie allowed only three hits and Cecil two. Jimmy 11 strike outs, Cecil 8.

SUMMARY:	Runs	Hits	Errors
Elks	2	3	5
Mine	1	2	1

Walter Oleson was the umpire.

Hazelton Property Bonded by British

The American Boy mine, near Hazelton, has been over by British capital. A. Erskine Smith, who is well known throughout the north made a thorough examination of the property, and was largely instrumental in putting through the deal. A good deal of ore has been shipped from the mine in the past, and values have been proven.

Standing of the Parties at Victoria

The line-up in the House is now 23 Liberals, 1 Independent Liberal, 16 Conservatives, 3 Labor, 3 Provincial, 1 Independent and one seat vacant (Dewdney.)

Sixty-two billion tons of coal, half of this amount uncoverable, lie beneath the surface of Alberta soil, according to Prof. J. A. Allan, provincial geologist and head of the department of geology of the University of Alberta, in a statement made before the Alberta Coal commission. The commission was also told that $12,000,000 had been lost by the abandonment of coal mines during the past twenty years.

Maturing bonds in Canada this year amount to $350,000,000.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

Empire Day Sports At Alice Arm

Children of the Town Participate in Sports

The annual Empire Day sports for the children of Alice Arm was held on Monday afternoon on the Kitsault flats, when the juveniles of the town showed their prowess on the race track. There were sports for all, from the tiniest tots, and the children had a rare old time, competing with each other and at the conclusion, estimating their wealth.

Over $60.00 was donated for prizes, and at the conclusion, the sum of $10.50 was left over, which will be donated to the Sunday School, for use at some future entertainment for the children.

During the sports, Sam Wenerstrom gave an exhibition of broncho busting. Two horses were tried, but neither was wicked enough to cause any great thrills. Sam, however, proved that he is an expert horseman, and it would be interesting to watch him put a real wild buckskin through his paces.

Following is the programme, and a list of prize winners:

Three years and under, 1 Lillian Ness. 2 Bobby Beaudin.

Four years and under, 1 Hilda Moss, 2 Lillian Ness

Six years and under, 1 Marion Ness, 2 Marguerite Moss.

Girls, 7 and under, 1 Irene Bruggy, 2 Helen Anderson.

Boys, 8 and under, 1 Donald Anderson, 2 Chester Falconer.

Girls, 8 and under, 1 Juanita Falconer, 2 Lillian Moss.

Girls, 10 and under, 1 Kathleen Bruggy, 2 Juanita Falconer.

Boys, 10 and under, 1 Gordon Anderson, 2 Billy Ness.

Girls, 12 and under, 1 Kathleen Bruggy, 2 Juanita Falconer.

Boys, 12 and under, 1 Lorne Falconer, 2 Gordon Anderson.

Boys, 14 and under, 1 Teddy Kergin, 2 Lorne Falconer.

Girls, throwing baseball, 1 Alice Hogburg, 2 Grace Stevens.

Boys, throwing baseball, 1 Teddy Kergin, 2 Lorne Falconer.

Relay race, winning team, Grace Stevens, Juanita Falconer, Teddy Kergin, Gordon Anderson.

Boys sack race, 1 Teddy Kergin, 2 Lorne Falconer.

Girls sack race, 1 Helen Anderson 2 Juanita Falconer,

Tug-of-war, Grace Stevens's team winners.

Needle and thread race, 1 Kathleen Bruggy and Gordon Anderson, 2 Grace Stevens and Teddy Kergin,

Girls egg and spoon race, 1 Alice Kergin, 2 Emily Mcguire.

Boys potato race, 1 Teddy Kergin, 2 Lorne Falconer.

Girls potato race, 1 Emily McGuire, Jean Falconer and Alice Kergin tie for second.

E. Crawford and V. F. Lade, of Stewart, have made an examination of the Coronado mine near Smithers. They have an option on the property. Both men are well known locally.

BRITISH COLUMBIA

The Mineral Province of Western Canada

Has produced minerals valued as follows: Placer Gold, $76,962,203; Lode Gold, $113,352,655; Silver, $63,532,655; Lead, $58,132,661; Copper, $179,046,508; Zinc, $27,904'756; Coal and Coke, $250,968,113; Building Stone, Brick, Cement, $39,415,234; Miscellaneous Minerals, $1,408,257; making its mineral production to the end of 1923 show

An Aggregate Value of $810,722,782

The substantial progress of the Mining Industry in this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive, $94,547,241; for five years, 1896-1900, $57,607,967; for five years, 1901-1905, $96,507,968; for five years, 1906 1910, $125,534,474; for five years, 1911-1915, $142,072,603; for five years, 1916-1920, $189,922,725; for the year 1921, $28,066,641, and for the year 1923, $41,304,320.

Production During last ten years, $350,288,892

Lode-mining has only been in progress for about 33 years, and not 20 per cent of the Province has been even prospected; 300,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing

Dolly Varden Railway Being Opened For Traffic

The Department of Public Works now have a crew of men clearing the Dolly Varden Railway track from windfalls and rock slides. The road is open for a distance of eleven miles and in about two weeks it is expected that the road will be open to traffic to Camp 8. There are no washouts to contend with this year, and the rock slides are comparatively small.
