Splendid Concert Given By Anyox Choral Society

The Anyox Choral Society gave a delightful concert on Thursday, December 11 in the Recreation Hall and it was the opinion of many who attended that it was the Society's best effort yet.

Choral singing in these days of jazz does not appeal to everybody, but those who turned out for this event obviously enjoyed the items rendered by the Anyox Choral Society under the direction of Mr. Redman.

After the choir had sung the opening item "Waken Lords and Ladies Gay," Mr. Ray Roberts sang "Roll on Ocean," and his pleasing bass voice was heard to advantage.

During the first half of the programme Miss Nan Dunn danced the Highland Fling in well trained style, and deservedly received applause for an encore.

Mr. and Mrs. J. L. Anderson gave two delightful duets, the first "The Singing Lesson," and the second and encore to the first, was "The Spider and the Fly," both items receiving prolonged applause from the audience.

The solo given by Mrs. Griffiths, "A Perfect Day" received well earned applause and her contralto voice was heard again in encore that followed.

The next item, a pianoforte duet by Mrs. McMillan and Mrs. Cormier was nicely played as also was the encore.

Following two items "Hear the Sledges," and "Rose in the Bud," which were sung in splendid style by the ladies. The Society concluded their programme with "Softly fall the Shades of Evening."

Congratulations must be offered to Mr. Redman for his efforts, and also to Mrs. McMillan, whose excellent accompanying contributed very much toward the success of the concert.

The attendance, while not so large as was anticipated, in no way reflected the sale of tickets, and the Bonanza Relief Fund should benefit considerably from this concert.

The members of the Choral Society afterwards adjourned to supper in the United Church basement, during which a presentation was made to Mrs. R. H. Cripps, one of the keenest members, who left on the Catala this week for Vancouver.

Winners of The Badminton Tournament

The Anyox Badminton Club held a tournament on Wednesday evening at the Gymnasium. The winners were: Mrs. J. Smith and Capt. Johnson; Mrs. J. J. H. Varne and Wm. Gibb.

J. A. Swanson Sends Greetings from Russia

During the week The Herald received a letter from Mr. J. A. Swanson, formerly mine superintendent at Anyox. Mr. Swanson is now in Russia, as superintendent of a new copper mine, and Mrs. Swanson is also with him there. Mr. Swanson states that they are both in good health. They are located on the south side of the Ural mountains, in Asia and bordering on Siberia. They are quite contented, and the promises made in New York by the Russian authorities have been fulfilled. They have met a lot of nice people since their arrival, but have not forgotten their British Columbian friends. Through the Herald they wish to extend the season's greetings to their many Anyox and Alice Arm friends, and wish them a "Merry Christmas and a Happy New Year."

Enjoyable Social Evening Is Held By Oddfellows

The Oddfellows of Anyox and their friends were entertained by their sisters of the Rebekah Lodge at a Social evening in the Oddfellows Hall on Wednesday the 10th. A large number of guests were present. Cards were indulged in during the early part of the evening, and after supper had been served a dance was held, the music being supplied by the newly-formed Victor Orchestra. Much praise was forthcoming from all sides for their excellent renditions. The ladies of the Lodge excelled themselves in their endeavors to provide an enjoyable time for their guests.

Badminton Club Will Use Gym. on Friday

As there will be no gym classes or Basketball during the holiday season the Badminton Club have been given use of the gymnasium on Friday nights. The club's membership certainly warrants the extra night which it is hoped will be a permanent reservation for Badminton.

Basketball Games Are Proving Great Attraction

The Pats trimmed the High School on December 11th. to the tune of 14-10. The former played a good game throughout and their success was largely due to the efforts of Kathleen Eve, who scored 9 points. Lillian Dresser was again top scorer for the High School.

Pats: H. Calderoni-2, K. Eve-9, J. MacDonald-2, Tess Gordon-1.

High School: Lillian Dresser-5, P. Loudon-3, M. Barclay-1, A. McDonald-1

In the Senior A game that followed the Celts easily accounted for the Micos. The scores being:

Celts-25, S. Steele-12, T. Calderoni-11, C. Hill-1, A. McDonald-1.

Micos-10, B. Bass-4, F. Anderson-4, L. Dodd-2.

There were only two games on Monday, December 15th. The Orphans and Smelter fought a very close game in which the former won by one point.

The Smelter team secured their points through S. Ellison-4, J. Donaldson-4, and J. Ion-6, and held a slight lead until the last minute when the Orphans, who were playing a fast passing game, secured the winning basket. The first half of this game was in favor of the Smelter, but in the second period the winners played up strongly and thoroughly deserved to secure the points. A. Horner-8, Field-4, W. Pinckney-2 and W. Cloke-1, scored for the Orphans.

Scores: Orphans-15, Smelter-14.

The second game was between the Anyox High School and Pats. The former having their revenge on the Pats for the High School set back of the previous game. The scores were: Anyox High School 9, M. Cloke-2, L. Dresser-3, G. Peters-2 and M. Dresser-2. Pats 7, H. Calderoni-2, P. O'Neill-2, J. McDonald-2 and Tess Gordon-1.

Alice Arm Christmas Tree on Tuesday

The Alice Arm children's Christmas Tree and entertainment will be held on Tuesday evening in T. W. Falconer's Hall at 7.30 p.m., December 23rd.

During the past two weeks the children have been trained for their parts in the entertainment, and by the time Tuesday evening arrives they will be bursting to display their talent to the public. It has been arranged with Santa Claus that he will arrive at the conclusion of the entertainment and he will no doubt be able to spare sufficient time to donate his presents. Refreshments will follow his departure. Everyone is invited to be present. A pleasant smile is all that is necessary to gain admittance.

ALICE ARM NOTES

Neil Forbes, who has spent the past two weeks at Anyox, returned on Tuesday.

Wm. Burke, who has spent the past few months at Hazelton and Prince Rupert, arrived home on Monday.

Miss Alice Kergin, who has been attending High School at Prince Rupert, arrived home on Monday to spend Christmas holidays with her parents.

Miles Donald spent a day or two in Prince Rupert during the week, leaving on Monday and returning on Thursday.

W. D. Brown, a director of the Dalhousie Mining Co. arrived on Monday from Victoria, to inspect the Tidewater Molybdenum property. He left again on Wednesday.

Standing of Teams In Billiard League

The positions at the end of the first half of the Billiard League are as follows:

	P.	W.	L.	Pts.
Boiler Shop	6	6	0	12
Elks	6	4	2	8
Orphans	6	2	4	4
Mine	6	0	6	0

The second half will be resumed in the new year.

United Church Christmas Entertainment Very Enjoyable

The United Church was a scene of gaiety on Wednesday night when all the children of the Sunday School gathered for their annual treat. At six o'clock everybody sat down to a splendid supper which had been arranged by Mrs. Patrick and her committee. Half-past seven saw all the children with their parents and friends sitting around a gaily decorated and illuminated Christmas Tree in the church auditorium, ready for the curtain to rise on what proved to be one of the best concerts ever produced by the young folk. The programme was as follows:

Opening Chorus, "Christmas Bells."

Welcome Address, by Audrey Ford.

Recitation, by five girls.

Star March.

Tableaus entitled: "Sunshine and Showers," "Dolly's Doctor," "Too Hot," "Ready for the Party," "Evening Prayers, and Playing Doctor," were carried out by the Primary Department.

Recitation, by Violet Higgins.

Holly Drill.

A three scene playlet entitled "The Christmas Plot" was produced by Mrs. James' class of young ladies who played their parts well, three of them taking the parts of young men.

Closing Chorus, "Shepherds have ye seen Him."

The superintendent, Mr. Redman, found Santa in the Church Hall and brought him out to the delight of all the little folk. He had the children sing for him and then he stood by the tree and distributed to every boy and girl present a bag of candies and oranges. The very pleasant evening came to a close with the National Anthem.

The programme was in the hands of Mrs. Redman, Mrs. McMillan, Mrs. Cormier and Mrs. James, who spent many hours in the training of the children.

Owing to the success of the Turkey Shoot recently held at the Elks' Club another one will be held this evening.

B. Burmigi, who has successfully conducted a tailoring business in Anyox left for Prince Rupert with C. Koran.

The Christmas Festival is almost with us again and everyone is now ready to celebrate as this great Christmas Festival should be celebrated. This season of goodwill, goodfellowship and peace has lost none of its popularity, in its passage through the ages, and the people of Anyox and Alice Arm are as enthusiastic as were our ancestors of a thousand years ago, before railways, telephones, radios or automobiles were ever dreamt of.

Christmas is humanity's great new birth festival, typified in the lovely picture of the blessed Babe on the Virgin breast of glorified womanhood.

It makes its appeal to that root of beauty, and holiness which dwells down within each one of us.

It awakens dormant feelings and aspirations which the clamor of worldly life stifles and deadens.

It opens deep springs of brotherhood and love, from whence flow desires to bless with gifts and good wishes.

It leaves us sweetened and heartened for another year's buffeting and anxieties, with hearts touched and softened as by an infant's first caress.

That in every sense of the word, the Christmas of 1930 may bring comfort and blessing to our readers, is our earnest hope, and we wish you all

A MERRY CHRISTMAS

Peace River Block Has Big Wheat Yield

According to a careful survey of the crop yield, the Peace River Block this year will market approximately 900,000 bushels, an increase of 100 per cent, over two years ago. Thirty-five bushels to the acre is the estimated yield of wheat, divided as follows: 70 per cent. Garnet, 10 per cent. Reward, and the balance Marquis.

Howe Sound Co. Still Maintains Dividend

Howe Sound Company operating the Britannia mine, 28 miles from Vancouver, is the last of the copper producing companies to retain its dividend at the old rate. This is some record when the number of large and very strong other companies is considered, all of which have cut their rates, the last to do so being the Phelps Dodge Corporation.

Howe Sound also operates a silver mine in Mexico. In British Columbia it has been extending its operations, and has development of the Toric mine in hand. It also is developing a copper property at Chelan, Wash.

Sherritt Gordon Co. May Halt Operations

Toronto—February 1 is now fixed as the date upon which Sherritt Gordon directors will meet to discuss the situation respecting production. It is calculated the concentrator will be completed and about tuned up at that time, and therefore ready to run if the board deems it advisable. The metal markets ought to be presenting a clearer outlook then, states a director. Sherritt-Gordon is not bound by any contract arrangements with Hudson Bay to go into production; there is an impression abroad that so long as Hudson Bay is willing to accept concentrates Sherritt Gordon must supply them.

Prosperity Mine Is Now Big Producer

Production sheet of the Prosperity mine for the month of October shows that 1487 tons of dry ore were mined during October, having a gross smelter value of \$46,152.81 and a net profit of \$20,248.13 for the month. The net profits of Prosperity for ten months of the present year amounted to \$181,427.46.

That the Prosperity has been a satisfactory operation for Premier which owns a 76 per cent. interest in the property is shown by the returns from the property this year. Incidentally, Prosperity has produced 1,240,060 ounces of silver in the first ten months of this year, or something over one-half as much as Premier yielded during the entire year of 1929.

Trail Not Worried Over Future of Metals

Trail and Tadanac are very much crowded these days and old Rossland is filling up again.

At Trail there is a fixed opinion that the company's ore reserves will keep the smelter running for a hundred years at its present rate of production. And it is claimed that the operation is so economical that there is little danger of any area in the world being able to put the price of lead or zinc down to a level at which Consolidated cannot compete.

Slocan Mine Making Gold Bricks

A Nelson despatch says a gold brick was deposited in the Imperial Bank of Canada at Nelson by Superintendent R. V. Neily of the Reno Gold Mines, Salmo. The brick is the largest one ever brought to Nelson from any local gold producing property.

It weighed 1482 ounces with a value of \$18,700.

Doctor to a little boy who has eaten too much Christmas dinner, "Are you in pain my lad?"

Greedy boy: "No, sir, the pain is in me."

"WHAT WE NEED IS MORE PAYROLLS!"

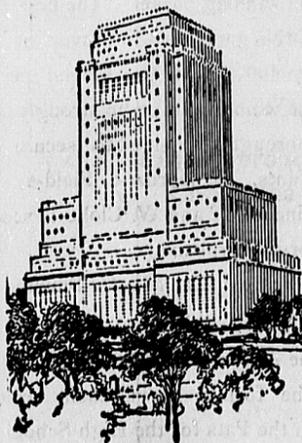

How often do you hear someone make that remark when referring to business conditions in British Columbia? According to the report issued recently by the Department of Labor of the British Columbia Government, the wage earners of British Columbia earned \$192,092,249.51 in 1929. It isn't "More Payrolls" we need in B. C. as much as "More Support" for the payrolls we already have.

Directly or indirectly you get a share of this payroll. Help to increase it. Ask "where from" when buying. Ask for B. C. Products.

of the Vancouver Board of Trade

Making your profits Permanent

THOUSANDS of men have "cashed in" on their holdings after years of unremitting toil and have re-invested only to lose their profits in unwise speculation. Life annuities provide an invincible protection against such calamities.

In May, 1928, a group of North Dakota business men sold their extensive holdings. While the deal was pending they decided to re-invest the proceeds in life annuity contracts. After investigation they paid the Sun Life Assurance Company of Canada over three million dollars in premiums for annuity contracts. They were attracted by the safety and convenience of these annuities and the large return.

Get details from your nearest Sun Life Representative.

Movie Stars To Feature Tonight's Show

Greta Garbo makes her talking picture debut in "Anna Christie," her new Metro-Goldwyn-Mayer starring vehicle, which plays at the Anyox Theatre, Saturday, December 20th.

In this picture Garbo scores the triumph of her career, her voice recording splendidly, adding power to her dramatic instinct and bringing fascination in multiple quantities to her personality.

As the heroine of Eugene O'Neill's play of regeneration, Garbo contributes a performance of great poignancy and effectiveness. Never before has she reached such heights of emotionalism.

Clarence Brown, who directed the picture from Frances Marion's adaption of the play in which Pauline Lord, originally starred, may be credited with having produced the most artistic and compelling talking picture yet to reach the screen.

Urges Raising Present Price of Silver

On the ground that a movement is on foot for an international discussion of the silver situation, and that a national silver conference would be ineffective, Secretary of Commerce Lamont has advised Senator Oddie (Rep. Nev.) that he will not call a domestic conference, as had been suggested by the Senator.

Immediate attention by the nations of the world to remedies for the depressed price of silver was urged by J. F. Darling, a director of the Midland bank of London, before the senate foreign relations silver subcommittee at Washington.

"If something is not done," said Darling, we may face disasters which we have not even contemplated."

Here and There

(661)

Among the events of major importance to distinguish the coming winter sports season in Quebec will be the International Dog-Sled Derby to be held February 19-21 over a 120-mile course. It is expected Emile St. Godard, four times winner of the trophy, will defend his title. The Masquerade Ball at the Chateau Frontenac will be another high light on February 20. Other events will be the International Convention of Snowshoe Clubs from Canada and New England and the annual ice canoe race through the floes of the St. Lawrence about the middle of February.

The sporty seaside lay-out of the Victoria Golf Club where the third annual mid-winter golf tournament will be staged from February 23 to 28 came in for unstinted praise from Gene Sarazen, former United States open champion, and Al Espinosa, of Chicago, interviewed recently. "I thought Victoria would be a land of ice and snow around this time and that Vancouver Island was a suburb of the frozen north," he said. His visit provided him with one of the surprises of his golfing career and both climatologically and from the golfing point of view, Victoria was in both his and Espinosa's opinion ideal.

Making fast time in handling the annual inbound movement of the fruit, now as much a part of the Christmas board in western Canada as the turkey or mistletoe, a Canadian Pacific train of 26 cars carrying about 60,000 boxes of Japanese oranges reached Field recently after making the run through the mountains from Vancouver in fifteen minutes less than scheduled passenger train time. By mid-December it is calculated that 700,000 boxes of these oranges will have been delivered.

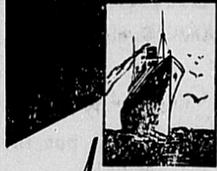

Colorful Yuletide pageantry, including the ceremony of bringing in the bear's head and Yule log will be observed at the Empress Hotel, Victoria, Christmas Day and carol singers, a chef in Elizabethan costume attended by page boys and a court jester in cap and bells will accompany them through rotunda and dining room to the place of honor where the Lieutenant-Governor R. Randolph Bruce who is sponsoring the celebrations, will be seated.

Last week 970 letters came in one day to the radio office of the Canadian Pacific Railway from Melody Mike fans. They came from cities, towns and villages all over Canada and included many from the United States. It is an all-Canadian radio feature declared by radio station people to be, with one exception, the most popular feature on the air today.

The Emperor of Japan is among the recent new customers for British Columbia pure-bred poultry. A consignment of selected birds which sold for \$4590, from some of the best poultry farms in British Columbia, was recently shipped to the Imperial farms. Each of the hens in the consignment has a record of 300 eggs or better per year.

Exports of canned salmon from British Columbia to the United Kingdom for the 10 months of this year amounted to 86,978 cwt., valued at \$1,847,056, as compared with 67,151 cwt., valued at \$1,435,815, for the first 10 months of 1929.
