5 cents each.

Veterans of Great War Celebrate Armistice With Banquet

The tenth anniversary of the signing of the armistice that ended the Great War was celebrated with undiminished enthusiasm at Anyox Beach Mess by veterans of the allied forces.

As in former years the celebration took the form of a banquet, followed by songs, speeches etc. President T. Kirkwood was Chairman of the evening.

Nearly one hundred were present and they did full justice to the splendid spread. The toasts of the evening were as follows: "The King", proposed by T. Kirkwood; "Canada", C. O. Fricker; "The Navy", Dr. D. R. Learoyd; responded to by Geo. Lace; "Fallen Comrades" E. Ashton; "Nursing Sisters" F. Graham and Miss M. J. Stewart responded.

At the conclusion of the banquet, several vocal selections were rendered, and the old time war songs were again sung with enthusiasm by everyone. A reminder of the days of the fields of France and Belgium or the burning sands of Mesopotamia, or the many other battle fronts of the allies, not forgetting the sailors afloat, who made victory possible by the conquest of the seas.

The Moose orchestra was in attendance, and in addition to accompanying the community singing, rendered several well known war time selections.

The banquet was under the auspices of the Anyox branch, Canadian Legion, British Empire Service League. The active members of which deserve great credit for keeping the memory green of the closing of the great conflict.

Smoking Prohibited at Gym.

The A. C. L. Council are determined to stamp out the fire menace in the gym. Signs forbidding smoking will be prominently displayed on the main floor. But to accommodate smokers, the rules allow smoking in the lounge room.

Anyone who can't resist the craving for a puff or two must betake himself to the smoking room or risk banishment from the building. In the moving picture show, of course, the penalty for smoking is jail.

Boy Scouts Make Their First Public Appearance

Scoutmaster Gale reported to the Council on Wednesday that fourteen boys in uniform made their first public appearance at the Armistice Service. He prophesied great success for the coming concert on the 23rd and expressed himself as highly pleased with the support which the scout movement is receiving locally.

Change of C. N. R. Steamship Schedule

The last sailing of the C. N. R. Steamships Fall Schedule will be the Steamship "Prince George" sailing from Anyox at midnight November 17th. Effective the following week the steamers will operate on the Winter Schedule, and the Steamer "Prince Rupert" will arrive at Anyox from Stewart about 5.30 p.m. each Thursday and sail for Prince Rupert and Vancouver the same evening at 11.00 p.m. This service will continue effective until early next Spring.

Effective Monday November 19th., the C. N. R. trains operating in and out of Prince Rupert will be on the tri-weekly schedule instead of daily except Sunday, leaving Prince Rupert each Monday, Wednesday and Saturday at 11.30 a.m. and arriving Prince Rupert from the East each Tuesday, Thursday and Sunday at 3.30 p.m.

Anyox Liberal Meeting Will Be Called

Increased activity on the part of the local Liberal Association was promised by President MacIntyre at their meeting last Friday. To this end a general meeting will be called early in the new year. Meanwhile, the President stated, search should be made for a candidate who fulfils the necessary conditions, i.e., energy, knowledge of the constituency, and wide sympathy with all classes.

The following were chosen as delegates to the party convention in Prince Rupert: J. Martin; D. McIvar; A. Cameron; H. McCartney; C. McLachlan; F. McLellan; R. Strand; T. Sanderson; D. Campbell.

Vaudeville Concert To Be One of Best

The vaudeville concert on Friday evening, November 23rd. promises to be one of the best shows staged in Anyox for a considerable time.

All the leading artistes of the town will participate, including several new residents of the camp, and from reliable sources it is learned that these new arrivals will spring some surprises. The concert is being sponsored by the Anyox Boy Scouts and Girl Guides. It will be an evening's entertainment you can not afford to miss.

Forthcoming Events

The P. T. A. meeting will be held on Monday evening November 19th.

The opening basketball game will be played on Wednesday next, November 21st.

The Girl Guides—Boy Scouts Vaudeville concert will be held on Friday evening, November 23rd.

Over Five Hundred Tons Copper Leave Anyox

The Steamship Griffco, Capt. D. McKinnon, arrived from the south with 1500 tons of coking coal, 350 tons of household lump and 100 tons of general freight for Anyox, 10,000 barrels of oil, and 100 tons of general freight for Stewart.

The Steamship Mogul, Capt. H. Canterbury, arrived from Stewart on Tuesday morning with 3500 tons of Premier ore and concentrates. She left for Tacoma at 4 p.m. after loading 2700 bars of copper, making 537 tons.

Steamship Griffco left for Stewart on Wednesday morning and returned towing scow Griff with 1000 tons of Premier ore. Griffco then returned to Stewart to complete loading.

Armistice Service Held In Recreation Hall

Outstanding among the ceremonies associated with the celebration of the anniversary of Armistice was the interdominational service in Recreation Hall on Sunday evening. The clergy taking part were the Rev. J. S. Brayfield of the Anglican Church and the Rev. Dewar of the United Church.

From the platform a mixed choir led the singing of hymns appropriate to the occasion, and Mr. W. F. Eve, Mr. McPherson and Mr. Stanton contributed vocal solos. Girl Guides and Boy Scouts in uniform lent added colour to the ceremony.

Catholic Ladies Will Hold Bazaar and Card Party

On Monday afternoon, December 10th. in the Catholic Hall, the ladies of the Parish will hold a sale of Home-Cooking and Fancy Sewing at 2 p.m. Followed by cards; Bridge, Whist and Five Hundred, at 2.30. Afternoon tea will be served.

Sale of Poppies Was Very Successful

Receipts from the sale of poppies by the I. O. D. E on Thanksgiving Day were \$223.20. Those who assisted in the sale were: Mesdames Fricker, Cundill, Kidd, Roy, Cody, McLachlan, Baillie, Larson, Brown and Miss Anne McLachlan.

Anyox Veterans March To Cemetery

On Sunday morning ex-service men marched to the cemetery to observe the two minute silence which was marked off for all the camp by the big whistle. Jimmie Thompson was chosen to sound "Last Post", a function which he again performed at the evening ceremony.

Enjoyable Card Party Held Alice Arm

Another very enjoyable card party was held at the Alice Arm school on Friday evening. Much credit is due Mr. Greenaway, who arranges these week-end parties, and also his junior assistants. The attendance was larger than at any previous party.

Ladies' first prize was won by Mrs. E. Moss; consolation, Mrs. G. Anderson. Gentlemen's first prize, Mr. G. Anderson; consolation, Mr. Wm. Stephens.

The prize for the best advertising poster was won by Leah Kergin.

The holder of the lucky number of the evening was A. D. Yorke who won a handsome card table.

It is hoped that these parties will be continued as long as possible throughout the winter.

Anyox Basketball Starts on Wednesday

The Anyox Basketball League will open with three games next Wednesday. The first will be an intermediate fixture between the Rinkydinks and the High School starting at 7 p.m. Thereafter the Beach Ladies will engage the Mine girls and in the wind-up the Mechanics will do battle against the Mine's best. As the Mine will play all their games at the big gym., they have been granted the gate receipts from every fourth game. The League, as organized at present, has three teams in each division, the Beach having transferred from senior to intermediate. Monday's games will be Beach vs. Rinkydinks; Hi—School Girls vs. Beach Ladies; and Concentrator vs. Mechanics. The lines on the floor are not quite right but the hardwood will be given a thorough cleaning and new lines painted on during the Christmas recess. Another addition to the gym. will be a notice board for posting of all rules, members, etc.

Anyox Gymnasium Clear Of Debt

The gym. as it stands is paid for. To date it has entailed an expenditure of \$12,887.01. Toward this sum the opening dance netted \$294 and the "paystreak" \$592.76. Cash from the current account cleared the building of other debts. The council is now studying means of equipping the lounge room as a pleasure resort and the dining room as an exercise room furnished with dumbbells and other light apparatus. Suggestions and donations will be equally acceptable.

FOR HOUSE CULTURE.

Mixed double Hyacinths 3 for 50c.; larger single bulbs 25c. each; Extra choice Exhibition size 35c.; also tulips in sets of 5 for pots 50c. Bower, Alice Arm.

Big Brilliant Gathering Attend Armistice Dance

Almost a record breaking crowd thronged the Anyox Gymnasium on Monday evening in order to celebrate the ending of the Great War, by dancing from 9 p.m. until the early hours of the following morning.

It was estimated that about 300 were present. With this large throng the spacious floor was never seriously taxed.

The hall was very tastefully decorated with patriotic emblems, and the walls were adorned with shields emblazoned with the victories in which Canadian troops played a prominent part.

It was a night of unalloyed happiness, and the veterans of the war demonstrated that as fun-makers as well as fighters they are unbeatable.

Music was supplied by the Moose orchestra, who kept the young men and maidens, old men and stately madames dancing throughout the evening.

A splendid turkey supper, was served downstairs. Two sittings were necessary to handle the huge gathering. The guest's wants were capably taken care of by a corps of Anyox Boy Scouts, under the leadership of Scoutmaster R. Gale. The scouts also sold poppies during the evening. The Pioneer Mess catered the supper, and the excellent arrangements, quantity and quality of the vivands evoked much favorable comment.

The evening's enjoyment was handled by Anyox branch, Canadian Legion. The committee in charge, were: Ed Johnson, chairman; Alex Stewart, (in charge of decorating) H. B. Porteous, Ed Ashton, J. A. D. Stewart, R. Gale, O. R. Roberts also assisted in decorating.

The Moose orchestra was composed of J. Webster, piano; R. Brooks, violin; H. Ward, saxophone; J. J. H. Varnes, trombone, T. Evans traps and drums.

The members of Anyox branch, Canadian Legion wish to take this opportunity of thanking the people of Anyox for the splendid support tendered them in regard to the attendance.

Compressor Plant For Tiger Arrives

The Petters engine, which forms a part of the compressor plant for the Tiger mine, arrived last week and has been taken through to the mine. The compressor arrived on Tuesday and is expected to be also taken through within a few days unless snow difficulties are encountered on the railway. If this proves the case, sleighs may be used to transport it.

**Anyox and North Coast
 To Have Telephone
 Communication With
 South**

Believing that the only feasible way to give long-distance telephone service to many of the outlying parts of British Columbia is by means of radiotelephony, George H. Halse, chairman of the B. C. Telephone Company, announces that plans are under way for the formation of a separate company to enter the radiotelephone field.

"Under its charter the British Columbia Telephone company has no power to go into the radiotelephone business," explained Mr. Halse in a statement. "It has become obvious to the executives of the company, however, that the radiotelephone offers the only practical method of giving service to many outlying points, and consequently we propose to form a separate company to carry out this work. The name of the new company will be the Provincial Telephone Company, and a charter will be sought at the next session of the Provincial Legislature. The necessary advertisements to comply with the legal requirements are now being published.

"During the past summer I visited the West Coast of Vancouver Island for the purpose of studying the question of giving telephone service to the many industries scattered along that rugged shore. Through an arrangement with the Dominion Government it has been possible to give telephone service—of a sort—to some of these places over the government telegraph lines after telegraph hours, and we have further plans for improving this service, but still it will not take care of a great number of points which cannot be reached by wire. The conditions that prevail on the Island exist also on the mainland coast, where we find such points as Ocean Falls, Prince Rupert, Anyox, Stewart, etc., incapable of being reached by telephone

wires from the south owing to the obstacles which would make the cost prohibitive. Other examples are the Queen Charlotte Islands and the Peace River country.

"The executives of the B. C. Telephone Company have been watching carefully the development of radiotelephony, and we believe that in this branch of the communication art lies the solution for our problem of serving such communities as I have mentioned.

"Our plan is to operate radiotelephone service in conjunction with our present wired service, so that a part of the Province may be able to pick up his telephone receiver, ask for a party in another part of Province, and talk to him by a combination wired telephone and radiotelephone circuit, as is now being done across the Atlantic Ocean.

"This would mean that men in isolated logging camps, for instance, would be able to 'ring up' Vancouver business men in their own offices and hold conversations with them just as if the calling parties were right in the city. It is not difficult to imagine what a boon such a service would be. Another development would be the giving of the same service to coasting vessels plying in British Columbia waters.

"These are our plans. There are many problems to be solved before we attain success, but we feel that there are no people in a better position to develop a communication service for the outlying points than the men who are at present supplying most of the telephone service in British Columbia. Our project will be carried forward with the co-operation of both the provincial and federal authorities."

If you want to live in the kind of a town
 That's the kind of a town you like,
 You don't have to slip your clothes in a grip
 And start on a long, long hike.
 You'll only find what you've left behind,
 For there's nothing that's really new.
 It's a knock at yourself if you knock your town;
 For it isn't your town it's you.
 Real towns are not made by men afraid
 Lest somebody else gets ahead;
 If every one works, and nobody shirks,
 You can raise a town from the dead.

Here and There

(196)
 Employment officials at Regina state that out of the 6,000 British harvesters brought to Saskatchewan, at least 75 per cent. will remain in the West to become permanent Canadian citizens.

A 700-pound sea cow was shot the other day on the shore of Sea Cow Pound, Prince Edward Island an inlet which once swarmed with these gregarious, aquatic mammals but which are now a rarity. The animal was bought by a Summerside manufacturing concern which used the hide for leather, the flesh for fox meat and the fat for lubricating oil.

A wool pool in Alberta is now a possibility. Premier Brownlee met a number of representatives of the industry in this province the other day and the subject was opened up in a preliminary way. It will likely come before the executive council for further considerations in the future, the Government being interested in all co-operative efforts by way of advising and encouraging.

The Department of Public Works, at Ottawa, will shortly invite tenders for the first part of the public undertakings, designed to make Prescott, Ont., the transfer terminal for lake traffic. The ultimate outlay at Prescott is estimated at approximately \$5,000,000, covering rail facilities, docks and elevators. It is understood that plans are now being prepared for the railway layout in which both the large railway companies are concerned.

The Lord Nelson Hotel, containing 200 rooms and decorated in the Georgian style, has just been opened in Halifax, Nova Scotia, facing the city's beautiful Botanical Gardens. The opening ceremonies were marked by a dinner given by the Board of Trade to E. W. Beatty, chairman and president of the Canadian Pacific Railway. Up to date in every particular and quietly and tastefully decorated in the period of design recalled by its name, the new hotel will fill a long felt want in the province.

Snow and dog teams are lacking in "His Destiny" a seven reel film produced by British Canadian Pictures Limited of Calgary, stated Guy Weadick, general manager of the company. The mountain scenes shot around Banff and Lake Louise are the finest backgrounds possible for an outdoor picture, he said. The Governor General and Lady Willington appear in the part showing the Calgary Stampede, and 800 horses are used in a round up scene in this all Canadian film.

An interesting and remarkable feat in railroad engineering is now being effected on the main line of the Canadian Pacific Railway near Toronto. Span by span the old steel bridge built in 1888 is being dismantled and replaced by heavier girders resting on new concrete piers without causing any interruption in traffic. During a six hour interval in the train schedule during the daytime tracks and ties are ripped up, an old span removed, and a new section weighing 45 tons is swung into place by a great crane especially constructed for the purpose. The short gap left between the new and the old spans is temporarily filled by special girders, new ties and track are laid by gangs of workmen, and the bridge is open to trains again. Preparations are then made to tackle the next of the thirteen spans.

Price of Copper Still Holds Good

New York.—The price of copper has been advanced ½ cent a pound for domestic delivery up to the end of January, most producers quoting 16 cents a pound delivered Connecticut Valley points. This advance follows a similar ¼-cent rise which was put into general effect a few days ago.

A few large producers were understood to have desired the price to remain at 15½ cents, but they appeared not to have any metal to sell at that price, and so far as could be learned all sales are at either 15¼ or 16 cents.

Foreign sales have been particularly heavy of late and an advance of 16 cents a pound, c.i.f. London, Hamburg or Havre, has been made.

British Capitalists Are Increasing Investments

There are many indications of the growth of interest among British financial houses and investors, in Canadian securities. Visits of financial men from Great Britain to Canada are becoming more frequent. On these visits a searching analysis is made not only of the financial aspects of the corporations but of the physical qualities of their plants and operations and markets. More and more, also, Canadian financial and industrial leaders are building up reputations for themselves amongst the shrewdest of British financial men and investment groups. All of this tends to a wider distribution of Canadian securities overseas, with many attendant advantages to the Canadian corporations and their shareholders in this country.

Help the Organization that Serves You

When your car gets stuck in the mud and the rear wheels merely spin around and your friends advise you to call for help, get a bunch of newspapers, slip them under the rear wheels, turn on the juice and see the car come out of the mire. Newspapers are great uplifters. When your business gets into a rut the newspapers will help you out if you use the advertising columns. Great is the power of the press.

Noranda is at present producing a tonnage of about 975 tons and turning out about 60 tons of blister copper per day.

Plans are being made for the erection of a million dollar paper plant in Winnipeg.

IN THE LEGISLATURE

NOTICE IS HEREBY GIVEN that an application will be made at the next Session of the Legislature of the Province of British Columbia for an Act to incorporate a company under the name of Provincial Telephone Company with an authorized capital of five million dollars with its head office in the City of Vancouver and with the following powers:

To operate telephone, wireless telephone, radio-telephone and similar services, including services for the transmission of sound, pictures, writing or signals; to hold and dispose of lands, tenements and hereditaments of any description; to provide and maintain all such buildings, works, plant, apparatus, materials, offices and exchanges as may be necessary for its business; for the purposes of its business to provide and operate steamships and other vessels; to acquire and use any privilege granted by any Federal, Provincial or municipal authority; to acquire and use patent rights; to advance money to any corporation, company or person for providing building or operating any telephone system; to do anything as contractor for others which it might do for its own purposes; to invest and deal with its surplus funds; to enter upon and break up highways, streets, and public bridges and to construct telephone lines along, across or under the same, or in, under or over water-courses, rivers and lakes, subject to the approval of the city or municipal council where the proposed works are to be situated within a city or municipality, and in other cases subject to the approval of the Minister of Lands; to construct works on its own property; subject to obtaining consent under the Navigable Waters Protection Act of the Dominion of Canada, to construct, lay and operate submarine telephone cable or cables in any lake, river or water to which that Act applies, also between any islands in British Columbia and between such islands and the mainland; to cut a passage for its lines where such lines pass through woods subject to compensating the owners thereof for damage, and to trim trees on or extending over highways in order to prevent interference with good telephone service; to purchase the whole or any part of the undertaking of any other company having objects in whole or in part similar to those of the company, or to amalgamate with such other company, and to transfer to the company or to the amalgamated company, as the case may be, all or any of such franchises or statutory powers as may be possessed by such other company; to enter into and carry out any agreement with any company whose undertaking is purchased as aforesaid in the nature of assuming the payment of or guaranteeing the payment of principal and interest, or either, on bonds, debenture stock or debentures, or assuming or guaranteeing the carrying out of its obligations or any part thereof; to enter into agreements for connecting its system or lines with those of other telephone operators; to expropriate lands under the powers of the Lands Clauses Act; to make regulations for its internal management; to fix from time to time a tariff of charges for its services, and to collect, sue for and recover the same; to borrow money; to issue preference shares, debentures or debenture stock either redeemable or irredeemable; to issue shares with or without nominal or par value; to change its name pursuant to the Companies Act, and other incidental powers.

DATED the 1st day of November 1928.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

Canada Leads in Trade With United States

A report of the Foreign Commerce department of the United States' Chamber of Commerce points out that Canada led the United Kingdom by more than \$100,000,000 in total trade for the first six months of 1928. During that period Canada bought more American exports, and in return sold the United States more of its imports than any other country.

True economy calls for courageous expenditure as well as for courageous saving.

Community League Will Entertain Children

Friday before Christmas will be a big day for the children. The A. C. L. has authorised Councillor Harmon to arrange a "kids' party" in the gym with Peele's orchestra in attendance. The parents will also be invited to look in on the fun.

Stewart Steele has been elected captain of the High School Boys' basketball team. This team will play a practice game with the Mechanics on Saturday night at 7.

On Friday afternoon, November 9th. President Kirkwood of the Canadian Legion addressed the assembled students of the High School emphasizing the obligations of the generation now growing up to keep faith with those who had discharged the duties of citizenship in the Great War.

The Anyox P. T. A. meets on Monday evening in the public school. In addition to the feature debate, there will be a lively discussion of a competitive program for the children. The matter of donations to the school will also receive attention.

Watch for an announcement of the exact date of the Anyox Debating Society's discussion of High School Education. It is intended to throw light on some problems, and in so doing, no doubt, some heat will be generated.

ANYOX NOTES

T. P. Fisher, representing Smith Davidson & Wright, was a visitor in town on Monday.

Mr. and Mrs. Parvich arrived on Monday from Prince Rupert.

Farming First—The Family Herald and Weekly Star, Montreal, Canada's National Farm Journal, and a home magazine included. A year for a dollar or three years for \$2. Wonderful!

Though hard is the official grind
Which sets one's heart athrob,
Somewhere, somehow, we always find
Someone to take the job.

When you begin to feel sorry for yourself, you're slipping!

If there were no difficulties there would be no triumphs.

LEISHMAN, HOUSE OF HOBBERLIN, AND GORDON CAMPBELL SPECIAL MEASURE CLOTHING

Invest in "You and Company"

When you purchase a Leishman suit or overcoat, it is an investment in good appearance and an investment that will bring big returns to yourself.

Successful men all know that good appearance is one of the biggest assets in business today.

Men who know fine clothing have chosen Leishman garments for over 13 years. Only by consistently retaining quality year after year, has the name Leishman on a suit or overcoat become the hall mark of Canada's finest clothing.

Three of the Best Clothing Houses in Canada Today.

We stand by every Suit we sell and absolutely guarantee a fit—true—we ask for a small deposit, just as all other agents do—BUT—we do not ask for the full price of the suit until we are satisfied that the suit fits—and we will refund your deposit money if you are not satisfied.

Why buy your clothes from an agent who is here today and gone tomorrow? Our prices are right our clothes of the finest grade procurable, and we are always here with an
