Anyox Wins First Hockey Game of Season

The first hockey game of the season to be played between Alice Arm and the Anyox Mine Club, was held at the Alice Arm Arena, on Monday last. A series of friendly games have been arranged for the coming months and if the game on Monday is any criterion of the class of hockey to be handed out to the fans this season, the game will receive great support.

A large number of enthusiastic fans witnessed the game, including a contingent from Anyox, who made the trip over to see their team in action and cheer them on to victory.

The teams lined up as follows:

Anyox: Dick Stubbs, goal; A. L. Ployart, defense; Ted Wilson, right wing; E. Anderson, centre; Dooley Deane, left wing.

Alice Arm: M. D. Ross, goal; T. W. Falconer, defense; G. Anderson, right wing; E. R. Oatman, centre: Al. Falconer, left wing.

Referee: Dick Manning.

From the first toot of the referee's whistle, both teams started off with a rush, and each were intent on obtaining the lead as quickly as possible. A ding dong game ensued up and down the ice, and both goalkeepers were kept busy in succession. Anyox scored the first goal, when Anderson drove the disc between the posts, after five minutes of play.

It was now evident that in spite of the fact that the Anyox team, with the exception of Ted Wilson, were composed of new players, were a speedy bunch and needed watching, and Alice Arm rose to the occasion. They threw their whole weight into the contest, and although they gave Stubbs a lot of work to do, they failed to place the puck between the posts and the first period ended with a score of 1-0 in favor of the visitors.

At the opening of the second period it was evident that the terrific pace was beginning to tell on the players. Barney Gray relieved T. W. Falconer for a short spell, and later relieved Oatman for a few minutes. This period was a disastrous one for Alice Arm. Anyox were now settling down to play hockey and they succeeded in bagging two goals. Anderson, who was now playing defence, scoring both with lightning rushes.

Alice Arm were putting up a strenuous fight and gave the visi- no rest. They bombarded Stubbs with numerous hot shots and came within an ace of scoring several times, but their efforts were futile, and the period closed with the score 3-0 in favor of the miners.

The third period was the most sensational of the game. The local

Elks' New Year Dance

On the evening of January 1st, the New Year was started off in a merry mood, with a grand dance by the Elks, who make this an annual affair. Last year, their own hall was found to be too small to accomodate the large throng attending, so this year, the more spacious Recreation Hall was engaged for the occasion.

The "Brother Bills" introduced a new departure for these parts in the way of decorations. Christmas Trees covered with snow, were placed on the stage, and at intervals around the hall. Snowflakes, as large as goose feathers were suspended from the ceiling, in a dense cloud, illuminated with blue stars. The whole having the effect of a snowstorm by moonlight.

The orchestra, which occupied the stage behind a snow shower, played better than we have heard for some time. The musicians were: Messrs. Liddel, violin: Haesler, piano; Varnes, euphonium; Prevost, banjo mandolin; Tynemouth, drums. Max Morrow added occasional extra charm with a few vocal numbers from the Bashful Blighters.

Supper was served at midnight, and there was no lack of eatables.

The committee responsible for the success of the dance, were: Messrs. Thorley, Leggett, Jones, Whittaker, Draudson and Ryan.

Alice Arm Hold New Year Dance

The New Year's Dance held at the Alice Arm Hotel, on Monday evening, was a very successful affair. A large number of people were present, and dancing continued until 3. a. m. The orchestra, composed of Miss Virginia Riel and R. F. McGinnis, piano; E. Ness mandolin; J. Fiva guitar, gave a decided kick to the evenings jovility, and the music was greatly appreciated.

During the supper T. Black, sang, "Bonnie Mary of Argyle." The musical three, Messrs. Fiva, Oatman and Graham also sang several choruses. A dainty supper was served by Mrs. E. M. McCoy, and it was the general verdict that the dance was a decided success, and everyone had cause to congratulate themselves for being present.

A Big Night at the Anyox Mine Club

On Saturday evening, December 30th, the Mine Club held a party for mere men only, and a most convivial affair it was. In the new A. C. L. Hall, which is just about the right size for such an occasion.

The hall, which looks well with its white pannelled walls and ceiling, was in gala attire for the festive occasion, having been opened on Wednesday, with a dance, which was followed on Friday, with a Christmas Tree, for the youngsters at the Mine.

On Saturday night, the body of the hall was occupied with some twenty or more card tables, all going full blast. There being solo games, cribbage, and we noticed some close games being played on the checker board. For the entertainment of those not indulging in any of the games, a troup of vocal and musical artists made merry on an elevated stage. The leading musician, who answers to the name of Napier, was a wizard at the piano. The vocalists, who each had to respond with encores, kept up a pot pouri of songs and choruses, at a lively pace until the wee sma' hours.

An outstanding feature of the evening, was the way the programme ran along, without a hitch or let-up. There was always something doing, and no time to ask what was coming next. The next was on before the applause had died down.

The inner man was well supplied with good nourishment, by Messrs. Murphy and Herbert with a live committee, who must have practiced team work, so smoothly and quietly did they administer the hospitality. It was a grand nicht, and well worth repeating.

Christ Church Xmas Entertainment

The Annual Christmas Entertainment, in connection with Christ Church Sunday School, was held on Wednesday, December 27th. The children assembled at 4 p.m., and games were enjoyed, until tea was served about 6 p.m. After tea, a short programme was rendered, in which Olive Selfe. Kathleen Eve, and Maxwell Patrick took part.

When Santa Claus suddenly made his appearance, all interest was centered on him, and everyone was delighted to gaze upon his weatherworn countenance once more. He held the floor for the remainder of the evening, distributing presents to all and sundry, and when his pack was empty, gracefully retired, wishing everyone a happy New Year.

The success of the entertainment was largely due to the untiring efforts of Mesdames Macknight, Kelley, Selfe, Manzer, Rowley, Rashleigh, Miss M. Macknight, and Mr. W. J. E. Pamplin.

Elks' Christmas Tree

Recent events in the theatrical and mnsical world of the Smelter town, and also those that afford enjoyment to the various residents, who excel in the pastime of "handlin' the foot," otherwise called, "tripping the light fantastic," have proved that anything with a little flavor of Elk about it is assured of success.

The Christmas Entertainment held on Friday last, was no exception to the rule. From the time the first juvenile guests assembled, until it was long past the hour that all good children should be in bed, there was not a dull minute.

The first part of the evening was occupied with various games, and Misses Kathleen and Irene Bruggy, of Alice Arm, delighted the company with an excellent exhibition of Highland dancing.

When the call to adjourn to the spacious dining room was sounded, everyone responded with a will, and did full justice to the things provided, by chefs Jessop and Foxley. After the needs of the inner man had been supplied, games were resumed, until a radiogram was received from Santa, stating that he would arrive in a few minutes. The lights were immediately dimmed in consideration of his advancing years, that he might not be blinded by the glare, and so miss some of the little tots

Then something unusual occurred. Instead of leaving his reindeer outside, he drove right into the hall with his sleigh, pulling up before the gaily decorated Christmas Tree, and handing his team over to the care of Jack Sherman, proceeded to distribute the presents.

The singing of Auld Lang Syne brought the evening to a close.

The committee wish to thank Mesdames B. Buck, W. Robertson, and R. Armour, for their invaluable assistance, so willingly given to make the evening's enjoyment a succees.

Logging Supplies Unloaded

The tng boat Esdud, left on Tuesday for Vancouver, in charge of the scow which brought in supplies for the Trethewey logging camp last week. The scow was unloaded on flats, on the east side of the Kitsault river, and construction work can now be carried on more rapidly, now that the necessary supplies and power are available. A donkey engine has pulled the old camp up into the woods from the flats. The Alice Arm Transfer Co. are working a team at the scene of operations, hauling timbers for railway trestle work, etc. Owing to the light snow-fall this winter construction work has been greatly expediated.

Weekly Meeting of Anyox Community League Council

The regular weekly meeting of the Community League Council was held in the Recreation Hall, on January 3rd. Present: Secy-Treas. Lowry, Councillors Rowley, Noel and Sherman.

On motion of Mr. Rowley the minutes of the previous were approved. Motion was seconded by Mr. Noel.

The Secretary reported that the watch fobs which were forwarded by Spalding Bros. were not good enough to pass out to senior ball players, and that sweaters had been substituted at the Xmas dance, together with watch fobs and tennis trophys.

It had been decided to build a gallery in the new gymnasium and this has been finished.

A crib tournament would be started in the Rest Room. on Monday January 8th. and if sufficient entries were forthcoming a whist tournament would also be started at the same time.

A report on the Xmas Dance and Childrens' Xmas Entertainment should be available by next Wednesday evening's meeting of the Council. In connection with the suggested alterations to the old bar in the Recreation Hall, Mr. Selfe, the manager, had pointed out the inadvisability of this, and I would ask the council to hear what Mr. Selfe has to say regarding the matter.

Several replies have been received in answer to our request for applications for the position of care-taker at the new gymnasium. It was decided at a Special Meeting of the Council held in the Rest Room last Friday evening, that the new gymnasium would be opened as soon after the 23rd. of January as possible.

In connection with our open air rink, the hoist is now in place, and if we are favored with some real cold weather it will not be long before there is skating on the flats. The gymnasium is now being washed and as soon as this is completed the painters will lay out the floor. It is proposed to mark courts for tennis, badminton and basket-ball.

Two letters were read, one from Tisdalls in regard to the purchase of certain gymnasium equipment which had been forwarded through the Granby Stores. In this connection the Secretary explaned how a considerable amount had been saved on this particular order, and on motion of Mr. Noel, which was seconded by Mr. Sherman, the action of the Secretary was endorsed. The other letter was from Restmore Manufacturing Co. in a reply to a request for a quotation on the making of a mat for wrest-

Canada's Pulp and Paper Industry.

The world is now turning to Canada for its increasing supply of pulp and paper. This country is only exceeded by the United States in the production of these two commodities, and in a few years it will be the leading country in the world. The question now arises, is Canada to profit by the experience of other countries, and conserve her timber wealth for all time, or is she going to devastate her forests, with no thought of the future? Minerals when taken from the ground can never be replaced, but the timber wealth can be made perpetual. There are millions of acres of land in British Columbia, suitable only for the growing of timber, and it is the duty of the government to see that no young growing timber is wantonly destroyed during logging operations, or at any other time. It is for the present generation to take steps to conserve the timber wealth of the country before it is too late.

Provide Work for Immigrants.

A section of the press of the country are advocating a strong immigration policy, in spite of the fact that the emigrants which arrived here during the past ten years have left the country. Instead of the government flooding Canada with immigrants unused to the conditions of the country, it would be far better to try and hold the people we already have. Native born Canadians or persons who have been in the country for a few years are worth twice as much as new arrivals. It is well known that we import millions of dollars worth of manufactured goods that could just as well be manufactured at home. We also ship large quantities of raw material to other countries that are reshipped to us in the manufactured state after providing work for foreign workers. A heavy tax should be placed on all raw material exported, also a high tariff on all manufactured goods entering the country, infant industries should be subsidized and encouraged by the government, good roads built throughout the country, especially in the west, thus providing more work and opening up new country. We have a crushing burden of taxation to bear, and the more people that make their permanent homes here, the lighter will be the taxation per capita.

Alice Arm Citizens' Association Meet

The regular monthly meeting of the Alice Arm Citizens' Association was held at the Anglican Church Building, on Saturday evening, December 30th, when a fair number were present.

In the absence of President C. P. Riel and Vice-President A. Falconner, the meeting was presided over by M. D. Ross.

Regarding the Kitsault River bridge, a letter was read from H. F. Kergin M. L. A, saying, that he was taking the matter up with the Minister of Public Works, and he would do his utmost to have the bridge built.

Letters were also read from the Anyox Service Association and Rev. J. Herdman thanking the people of Alice Arm for their contribution to the "Poppy Day" Fund, and especially thanking H. Fowler for his work as supervisor.

It was the opinion of M. Peterson that the Government Fisheries Department be approached regarding stocking Clearwater Lake with fish, and also the head of Falls Creek. After some discussion, a motion was made by O. Flint seconded by M. Peterson that the secretary write a letter to the fisheries Department regarding the matter.

Discussion ensured regarding the forwarding of ore samples collected for exhibition at the British Columbia House, London, and a motion was made by J. Fiva, seconded by G. Anderson, that the Department of Mines be requested to forward further information regarding shipping of samples.

The matter of placing the Indian Reserve on the market, so that residents of the town could have a piece of land they could call their own, was raised by T. W. Falconer who pointed out that in his opinion it was time something was done along these lines, if we were to have a proper town here. It was also the general opinion of the meeting that the present unsatisfactory condition should be ended and after some discussion, a motion was made by G. Matheson, seconded by G. Bruggy, that the secretary communicate with Hon. T. D. Pattullo, Minister of Lands, H. F. Kergin M. L. A., and F. Stork. M. P., regarding the matter.

Premier Mining Company Declares Big Dividend

Declaration of a $750,000 dividend by the Premier Gold Mining Co. has been announced. The dividend amounts to 15c. per dollar share of the $5,000,000 capital, and was paid on January 3.

This latest declaration will bring the total paid to stockholders to $3,150,000.

Government Gifts to Municipalities

During the past twelve months the government of British Columbia has contributed to the municipal treasuries a sum equal to approximately $10 per capita of the total population within municipal boundaries, according to a statement made by Hon. John Hart, minister of the finance.

The department of finance is sending out cheques for a distribution of liquor profits amounting to $511,537.89 and of pari-mutuel tax amounting to $191,647.26. Municipalities have received $201,654.86 as their proportion of the revenue from motor licence fees. With the distribution of liquor profits now being made, the municipalities have received from that source $1,311,537.89.

Grants for schools have amounted to $1,056,275.95, and hospital grants $356,074. A number of other payments under various heads bring the aggregate amount handed over from the provincial treasury to municipalities within twelve months to $3,815,000.

Anyox Wins First Hockey Game of Season

Continued from page 1.

puck chasers were intent on scoring, and exerted all their energies to that purpose. Al. Falconer, Oatman and Anderson, set a dizzy pace, with their fast rushes, and kept Stubbs continually on the jump. The fans went wild with excitement and yelled themselves hoarse, but all to no avail, and the brilliant team work of the home came to nought.

The smelter town stick handlers also gave a good exhibition of scintillating plays but failed to add to their tally and the game closed in a whirlwind of excitement, with the score: Anyox 3, Alice Arm 0.

This was the first friendly game to be played between the two teams this year, and a good clean game was the result. The Anyox Mine Club possess a good bunch of players. Anderson was the star man for his team, and the manner in which he carried the puck down the ice was a pretty sight. Ployart, who played for Anyox two years ago, was as good as ever, full of pep from start to finish. Dooley Deane, the youthful forward has all the appearances of developing into a brilliant player. Wilson played a steady reliable game, and Stubbs in goal always had a knack of getting in the way of the puck.

For the Alice Arm team, Al. Falconer, Oatman and Anderson, played a dashing, spectacular game, and gave their opponents no rest. They experienced the hardest kind of luck in not being able to score. T. W. Falconer played a good sound game on defence, and Ross in goal left nothing to be desired. Gray gave a good account of himself while on the ice, and should develop into a real useful player.

Regarding Liquor Permits

In accordance with the provisions of the Government Liquor Act Amendment Act, 1922, the following individual permits only will be obtainable after January 1st., 1923.

An Individual Liquor Permit permits the holder to purchase liquor and malt liquor, for a fee of $2.00, and is valid only for the year 1923.

An Individual Malt Liquor Permit, permits the owner to purchase malt liquor only, for a fee of $1.00, and is valid only for the year 1923.

Special Permits can be obtained for the sum of $2.00, by Druggists, physicians, dentists, veterinaries, or persons engaged in mechanical or manufacturing business, or scientific pursuits, or in charge of Hospitals and Sanatoria.

The terms and conditions upon which liquor and beer may be purchased under these permits, have not changed, the only alteration being the amount of fee charged.

"Now, children," said the Sunday school teacher, "I have told you the story of Jonah and the whale. Willie, you may tell me what this story teaches?"

"Yes'm said Willie, the bright boy of the class; "it teaches that you can't keep a good man down."

It would be a great world if the people could put as much faith in a man as a woman puts in a safety pin.

SYNOPSIS OF LAND ACT AMENDMENTS

Minimum price of first-class land reduced to $5 an acre: second-class to $2.50 an acre.

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of $10 per acre, including clearing and cultivation of at least 5 acres before receiving Crown Grant.

Where pre-emptor in occupation not less than 3 years, and has made proportionate improvements, he may, because of ill-health, or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued, provided applicant makes improvements to extent of $360 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvements of $10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years are required.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes areas exceeding 640 acres may be leased by one person or company.

Mill, factory or industrial sites on timber land not exceeding 40 acres may be purchased; conditions include payment of stumpage.

Natural hay meadows inaccessible by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of cost of road, not exceeding half of purchase price, is made.

PRE-EMPTORS' FREE GRANTS ACT.

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under the Act is extended from for one year from the death of such person, as formerly, until one year after the conclusion of the great war. This privilege is also made retrocative.

No fees relating to pre-emptions are due or payable by soldiers on pre-emptions recorded after June 26, 1918. Taxes are remitted for five years.

Provision for return of moneys accrued, due and been paid since August 4, 1914, on account of payments, fees or taxes on soldiers' pre-emptions.

Interest on agreements to purchase town or city lots held by members of Allied Forces, or dependents, acquired direct or indirect, remitted from enlistment to March 31, 1920.

SUB-PURCHASERS OF CROWN LANDS

Provision made for issuance of Crown grants to sub-purchasers of Crown Lands, acquiring rights from purchasers who failed to complete purchase, involving forfeiture, on fulfillment of conditions of purchase, interest and taxes. Where sub-purchasers do not claim whole of original parcel, purchase price due and taxes may be distributed proportionately over whole area. Applications must be made by May 1, 1920.

GRAZING

Grazing Act, 1919, for systematic development of livestock industry provides for grazing districts and range administration under Commissioner. Annual grazing permits issued based on numbers ranged; priority for established owners. Stock-owners may form Associations for range management. Free, or partially free, permits for settlers, campers or travellers, up to ten head.

ling purposes. There was some discussion over the matter, Mr. Noel thinking that the price quoted for 16 x 16 foot mat, $112.85, was not out of place. This business was laid over for the next meeting of the Council.

In the matter of alterations to the old bar, the Chairman asked Mr. Selfe to state his reasons why social card games would not be desirable in Recreation Hall. Mr. Selfe pointed out that the proper supervision could not be had unless extra help was obtained and that the loss from cards, etc. would hardly offset the revenue. Mr. Noel agreed with Mr. Selfe, and could not see where any revenue worth while could be obtained. The matter was laid over for future action by the Council.

For the position of caretaker at the new gymnasium, there were six applications: Messrs Morgan, Muir, Sherman, Cheshire, Lace, and Oleson. After these applications had been read, it was moved by Mr. Rowley and seconded by Mr. Noel, that a special meeting of the Council should be called for Friday night. January 5th, to which the applicants should be invited, when they could explain their qualifications for the position.

It was decided to open the gymnasium formally on the evening of February 8th. The entertainment to take the form of a Klondyke night's entertainment.

Mr. Manzer, the High School Principal, will conduct the Evening Service, at the Union Church, on Sunday night. Rev. J. Herdman will hold the monthly Service, in the Mine Hall.

Your friends come in without knocking; your enemies knock without coming in.

ALICE ARM NOTES

Messrs. Geo. Matheson and Leighton have taken a contract cutting ties for the logging railway.

See Al. Falconer for Freight and Pack Horses.

Mrs. C. P. Riel who had the misfortune to break her wrist, through a fall, the day before Christmas, is progressing favorably.

It is the intention of Hon. T. D. Patullo, minister of lands. to send a party to this district to ascertain what damage has been done to the timber by the smelter smoke of the Anyox smelter.

Mrs. J. Lulich arrived home on Monday, from an extended visit to her sister on Vancouver Island.

W. M. Cummings has been appointed post-master, in succession to H. H. Carney, who resigned some time ago.

Season tickets for the Skating Rink can be obtained from Messrs Ross and Oatman, at the Royal Bank. No canvas for members will be made this season.

Miss Nettie Hogberg is spending holidays with Miss Myrtle Swanson of Anyox Mine.

All being well, the local hockey team will journey to Anyox, on Sunday, to play the Mine Club team. Boat leaves 9 a.m. Fare, $3.00 return. Let's go!!

New Year's Day was ushered in with the roar of guns, dynamite, and fire crackers, amid the cheers of those citizens who were around to give the New Year a welcome.

See Al Falconer for Wood or Coal

Geo. Wingfield Obtains Control of Dolly Varden

The Dolly Varden and Wolf mines, railway etc. are to be taken over by George Wingfield, well known throughout Nevada, Colorado and California, as a successful mining operator, following nonpayment of $206,886 by the Taylor Engineering Co., Ltd. and co-defendents, on December 14th.

The district registrar of the Supreme Court, Vancouver, appointed December 14, as the last day for redeeming the property, following the order of Mr. Justice Morrison, June 13 last, directing a six-month redemption period.

Progress of Mining in B. C.

Lode mining in British Columbia has been carried on for a little more than a quarter of a century, and during that time the province has produced the three largest copper mines in the British Empire, in Britannia, Granby and Copper Mountain; the largest silver-lead mine in the Sullivan; one of the world's richest and largest dividend-paying mines in the Premier, and the only metallurgical works outside of the United States refining five metals by hydro-electric power, this being the Trail Smelter.

LAND ACT

PRINCE RUPERT LAND DISTRICT—DISTRICT OF CASSIAR.

TAKE notice that Miles Donald, Donald W. Cameron, and John M. Morrison, of Alice Arm, B. C., occupations, prospectors, intend to apply for permission to lease the following described lands:—

Commencing at a post planted at the south-west corner of the Kitzault Indian Reserve; thence southerly along the east boundary of Lot 1079, Cassiar District, to the south-east corner of Lot 1079; thence westerly along south boundary of 1079 to south-west corner; thence southerly to low water mark; thence easterly along low water mark to mouth of Kitzault River; thence northerly along west bank of Kitzault River to the south boundary of Kitzault Indian Reserve: thence westerly along south boundary of Kitzault Indian Reserve to point of commencement and containing 20 acres more or less.

MILES DONALD,
DONALD W. CAMERON,
JOHN M. MORRISON.

Dated November 6th., 1922.

MINERAL ACT. FORM F.

CERTIFICATE OF IMPROVEMENTS

NOTICE

"Bonanza Fraction" Mineral Claim, situate in the Naas River Mining Division of Cassiar District. Where located: East side, Kitsault River, Alice Arm.

TAKE NOTICE, that I, W. E. Williams, Free Miner's Certificate No. 56728-C acting as agent for J. D. Meenach, F. M. C. No. 47380-C, R. D. Brown, F. M. C. No. 47381-C, John Holmgren F. M. C. No. 47382-C, and Chas. Z. Frey Free Miner's Certificate No. 47383-C intend, sixty days from the date hereof, to apply to the Mining Recorder for a Certificate of Improvements, for the purpose of obtaining a Crown Grant of the above claim.

And further take notice that action, under section 85, must be commenced before the issuance of such Certificate of Improvements.

Dated this 19th. day of December A.D. 1922.

W. E. WILLIAMS

MINERAL ACT

NOTICE

Whereas I, Walter Jones, co-owner and agent, with power of attorney for the co-owners of the Alice group of mineral claims, situated in the Portland Canal District of Alice Arm, B. C.

And whereas the said J. McIsaac has failed to contribute his proportion of expenditure required by Sections 48 and 51 of the Mineral Act, and his co-owners have made the expenditure:

NOW THIS IS TO GIVE NOTICE to said J. McIsaac, that if, at the expiration of ninety days from the first publication of this notice in the "Herald" a newspaper published and circulating in the Mining Division in which said claim is situated, the said J. McIsaac shall fail or refuse to contribute the sum of $80.00, his proportion of the expenditure required by said sections 48 and 51, together with all costs of advertising, his interest in the claim shall become vested in his said co-owners pro-rata, on complying with and in accordance with the provisions of Section 28 of the Mineral Act.

Dated this 2nd. day of December, 1922.

BRITISH COLUMBIA

The Mineral Province of Western Canada

Has produced minerals valued as follows: Placer Gold, $76,177,403; Lode Gold, $105,557,977; Silver, $55,259,485; Lead, $48,330,575; Copper, $166,393,488; Zinc, $21,884,531; Coal and Coke, $225,409,505; Building Stone, Brick, Cement, $34,072,016; Miscellaneous Minerals, $1,210,639; making its mineral production to the end of 1921 show

An Aggregate Value of $734,259,619

The substantial progress of the Mining Industry in this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive, $94,547,241; for five years, 1896-1900, $57,607,967; for five years, 1901-1905, $96,507,968; for five years, 1906-1910, $125,534,474; for five years, 1911-1915, $142,072,603; for five years, 1916-1920, $189,922,725; for the year 1921, $28,066,641.

Production During last ten years, $336,562,897

Lode-mining has only been in progress for about 33 years, and not 20 per cent of the Province has been even prospected; 300,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.
