List of Awards For The Dominion Day Parade

So many excellent floats and original ideas were forthcoming at the parade in Anyox on Dominion Day that an almost baffling task was set for the judges. Equally as puzzled were the harassed officials of the Community League when the job of classifying the winners and allotting the prizes came up. However all winners received a prize as well as a pat on the back for their efforts in making the parade a memorable one. Prizes were awarded as follows:

Best decorated Float, "Canada," the Mine.
Best Band Wagon, Anyox Lodge B. P. O. E.
Twins in costume, Lucille and Ramona Levoir.
Nurse, Kathleen Montgomery.
Patriotic Miss, Jean Carrick, Eileen Whitehouse.
"What a Life," Shirley Hague, Hettie Wynne, Mary Campanella.
"Barber Shop," Rhyllis Cutler.
Spanish Couple, The Sorrenti boys.
"Klim," Anne Gibb.
Tennis Girl, Betty Moore.
Old Fashioned Baby, Maisie Hilliard.
Dominion Day, Margaret Gibb.
Dinky Engine, N. Havirco.
Cunard Liner, Dick Peters.
C. N. Boat, Sonny Youngs.
Circus, Harold Black.
Canada's Crop that never Fails, Mary Kent.
Jockey, George Scott, Robin Hood, Moyra Manning.
Flower Girl, Patty Stewart.
Clown, Bob Mahood.
Dutch Boy, Gordon Hunter.
Dainty Girl, M. McLean.
Boy in Red, Jack Carrick.
Memorial Special Float, Lenore Wilkinson.

Anyox Young People In Boating Adventure

But for the pluckiness of the male member of the party, a pleasure cruise round the harbour in the gasboat Rover, on Tuesday evening the 3rd, might have ended somewhat differently. The boat, in charge of Bruce Loudon with two lady passengers, ran on to a sandbank in front of the concentrator. The tide was ebbing, so a dismal wait of some hours faced the stranded trio. However, Bruce, who is a strong swimmer, promptly swam to the boat float, which was a considerable distance away. He secured a boat and soon had his lady friends safe on terra firma once more.

Mrs. P. Curti and children left on Monday for a holiday to Vancouver.

Bob Pickton Drowned In Rivers Inlet

Was Local Amateur Boxer

Robert William (Bob) Pickton, of Anyox, met his death by drowning in Rivers Inlet on June 27th. while on a fishing trip with his brother-in-law, Wm. Emerton, of Sapperton.

They were sitting in the cabin of their boat when Bob said he would go and look at the nets. A few minutes later Mr. Emerton heard a cry for help, but when he reached the deck of the boat his brother-in-law had disappeared. Bob was well known here as an amateur boxer, having taken part in the last two fight cards held at Anyox. He was of a quiet unassuming nature and numbered many friends at the Hidden Creek Mine, where he was employed.

United Empire Mine Is Rushing Work

The Stewart News.

The top towers for the United Empire aerial tram have been completed, and all supplies and building material are now being taken up on the pioneer drive, according to a statement made to the News this week by William Dann, manager. Constructional materials are also going up the hill now for the erection of a 40 by 20 mess house, a mine office building with upstairs accommodation for the staff. In addition about one and a half acres of land have been cleared at the portal of the tunnel for mine purposes, and about 80 tons of high grade ore is now being transported from the place of its extraction to the tram head. Speaking of the progress being made with the tunnel Mr. Dann stated that this is now in 1100 feet, and satisfactory headway is being made. The objective, he stated is about 1550 feet from the portal.

Funeral of Late Martin Kralj Held on Tuesday

The Funeral service for Mr. Martin Kralj, who was fatally injured at Hidden Creek Mine, was held at the Roman Catholic Church on Tuesday afternoon, July 10th. under the auspices of the Loyal Order of Moose, of which deceased was a member. Interment was made in the local cemetery.

Mr. John Webster, formerly of Anyox, is now in charge of Egg Island Lighthouse which is situated in the Queen Charlotte Sound.

Alice Arm Notes

Geo. Casey arrived on Monday from Prince Rupert and plans to spend the next two months here developing his mining claims on McGrath mountain.

Fred Catey arrived on Monday from Morbridge, South Dakota, and is spending holidays with his aunt, Mrs. W. M. Cummings. On leaving here he will visit Fairbanks, Alaska before returning home.

B. Turbitt, who has spent several weeks in Vancouver and vicinity arrived home on Monday. During his stay in the south he visited the Bridge River mining district.

M. Santel arrived on Friday from Anyox on holidays and is leaving today for a trip south and northern interior points.

Mr. and Mrs. A. H. Hilliard, and daughter and son arrived on Tuesday from Anyox and are spending a week's holiday at the Alice Arm Hotel.

Mrs. J. Ion, Mrs. H. Ion and Mrs. H. Cook arrived on Sunday from Anyox and are spending holidays here.

Stan. Thomas arrived from Anyox on Tuesday and is spending holidays here.

George Adams arrived on Tuesday from Anyox and is spending a few day's holiday here.

Mrs. C. Reid and family arrived on Sunday from Anyox for the summer holidays.

Mrs. A. J. Kent and family arrived from Anyox on Saturday and will spend summer holidays here.

Miss Priscilla Rogers arrived from Anyox on Saturday and is spending holidays with Mrs. H. F. Kergin.

Peggy and Angus McDougall arrived on Saturday from Anyox and are spending holidays with Mr. and Mrs. E. Moss.

Rudolph Vider arrived on Saturday from Anyox and is leaving today after a visit to Mrs. H. Nuovich.

Cliff. Cameron arrived on Tuesday from Anyox for a few days' holiday here.

The Annual Meeting of the Alice Arm School District will be held at the School House tomorrow evening, Saturday July 14th. commencing at 7.30 p.m. All ratepayers whether they have paid their taxes for the previous year or not are eligible to vote this year.

The annual picnic of St. Michael's Church Sunday School will be held at Campers Point on Saturday July 21st. The mission launch Northern Cross will convey everyone wishing to attend from the wharf at 2 and 3 o'clock p.m. An open invitation is extended to everyone, including all Anyox visitors. Bring along refreshment baskets. Contributions for ice cream and prizes can be left at T. W. Falconer's store.

Rovers Will Improve Elks' Beach

Will Provide Life Guard

The 1st. Anyox Rover Sea Scouts have made arrangements whereby a Life Guard will be on duty at Elks' Beach every favorable afternoon. A flag flown from the Beach Pool Room will inform those interested that the Life Guard is on duty. It will be his duty to watch all swimmers especially children. The Rovers are also going to build a footwalk from low water mark to each of the bath houses. Sand boxes are also going to be prepared for the children and a box for all waste materials set up in a prominent place. It is the intention of the Rovers to provide a safe and clean beach for the people of Anyox and in this work they ask for the hearty co-operation of all.

Many Anyox Visitors At Alice Arm

Many Anyox visitors are enjoying summer holidays at Alice Arm and many more are making plans to come over. Fishing is the most popular pastime of the visitors, while hiking, berry picking and short walks near town are also indulged in. The fishermen are catching just enough these days to make it interesting. No big catches have been made, but from now on trout should become more plentiful.

Anyox Trio Hike To Clear- Water Lake

V. S. McRae, T. N. Youngs and Harold Dresser arrived from Anyox on Sunday and left the same day for Clearwater Lake in the Upper Kitsault Country on a fishing expedition. They found the country in the vicinity of the lake under snow and the high water in the lake made the fishing somewhat poor. They all, however, reported an enjoyable time. They arrived at Alice Arm from their 52-mile hike on Thursday afternoon and are leaving today for Anyox.

The Government Lighthouse Tender Visits District

The Government Lighthouse Tender, the S. S. Newington, visited Anyox during the week-end. Under the command of Capt. H. Ormiston she is making her annual tour of supplying gasoline to the lighthouses between Queen Charlotte Sound and Stewart. This neat little boat is thirty-five years old and carries a crew of twenty men.

Mr. F. S. McNicholas Was Married In Victoria

A pretty wedding took place in Victoria on June 30th. when Annie Agnes MacLean, daughter of Mr. and Mrs. D. J. MacLean of Toronto, and Mr. Frederick Storres McNicholas of Anyox, son of Mrs. Nettie McNicholas of Pratt, Kansas, were united in marriage by Rev. Dr. W. G. Wilson. The wedding took place at the home of the bride's uncle, Mr. C. P. Hill.

The bride given in marriage by her uncle, wore a gown of white satin modeled on simple lines, a train of rose point lace—which is an heirloom in the bride's family—was draped from the shoulders. The veil, also of rose point, was of cap shape with a wreath of orange blossoms. She carried a shower bouquet of Ophelia roses and lily of the valley.

The bride was attended by Miss Alma Stewart of Vancouver, who wore a smart frock of pale blue taffeta and carried a sheaf of delphinium and roses. The groom was supported by Mr. A. S. Baillie of Vancouver.

Following the ceremony a reception was held by Mr. Hill, who was assisted in receiving the guests by the bride and groom, and by Mrs. G. H. Stewart of Anyox, aunt of the bride.

After a honeymoon spent at Banff and Lake Louise, the bride and groom will leave for Anyox where they will reside.

Fatal Accident Hidden Creek Mine

A fatal accident occurred at the Hidden Creek Mine on July 6th. when Mr. Martin Kralj met his death through injuries sustained when buried under a fall of muck in a chute. An inquest was held by Coroner G. S. Macdonald on Monday, July 9th. when a verdict of accidental death was returned. The deceased, who was 38 years old, is survived by his widow in Jugo Slavia. Prior to coming to Anyox the deceased worked on a farm near Doodle Fork, Sask.

Tennis Court Receives New Coat of Paint

Have you seen the "little bit of Ireland" near the concentrator? Last Friday several members of the Hidden Creek Tennis Club repainted their tennis court with a green stain and it has added greatly to the improvement of the court.

Dr. J. T. Mandy Favors Transportation Facilities For Kitsault Valley

Dr. J. T. Mandy, in his introductory remarks regarding the Alice Arm section in his report to the Minister of Mines published recently, stresses the vital necessity of repairing the Dolly Varden Railway. His report is as follows:

"Although the Alice Arm section has been dormant from an operating standpoint, some very useful work has been done by prospectors on several claims, particularly on the Tyee, Highland, and Summit groups. The gold possibilities of the west side of the upper Kitsault valley have become more definitely apparent, especially on the Homestake group, where sampling is reported to show good gold values across appreciable widths. Plans are being made for further development in the spring. With a stable and reasonable price for silver, the many promising properties in the Alice Arm area are certain to attract attention.

"During the period of recent inactivity in this area the Dolly Varden Railway has been unfortunately neglected in the matter of required maintenance and repair. This railway is the main artery of transportation into and along the Kitsault River valley and from its trails radiate to many promising prospects. From its upper terminus a good road leads to the upper Kitsault valley and lateral trails serve several promising prospects. The railway artery is the only present means of transportation for the Kitsault River valley and its upkeep and availability is vital to activities in this area. It is consequently urged that this railway be kept in an efficient condition of repair and the right of way cleared of ingrowing brush and other periodical obstructions."

Record Profit For Pioneer Gold Mines

Pioneer Gold Mines of B. C. Ltd. reports gross production for June at \$259,200. Expenses were \$69,100, leaving net before taxes, depreciation and depletion at \$190,100. This compares with \$187,100 net profit in May and with \$183,000 in April. Pioneer continues to establish new high records month by month. Sinking of No. 2 shaft to open up six new levels is proceeding steadily.

The Dionne Quintuplets Create Good Telegraph Business

The five little Dionne sisters, although only a month old on June 28, have had more press material written about them than the most sensational "story" to break in Canada. When the quintuplets arrived to grace the humble farm home of Mr. and Mrs. Oliva Dionne of Corbeil, Ontario, on May 28, special press and news syndicate writers were rushed to North Bay. In the first two weeks, the Canadian National Telegraphs handled more than 100,000 words written about the babies, or over 100 columns of solid type.

While other events have had bigger single press coverage, records show that in no case has the sustained interest been protracted over such a period, and many of the correspondents and special writers are still "covering" the story. Apart from this voluminous newspaper file, more than 300 telegrams were also sent by the Canadian National Telegraphs and a far greater number received.

C. N. Railways Revenue Show Increase

The gross revenues of the all-inclusive Canadian National Railways System for the week ending June 14th, 1934, were \$3,144,007, as compared with \$2,889,439 for the corresponding period of 1933, an increase of \$354,568.

The Department of Agriculture, Victoria, at the end of June estimated the Okanagan apple crop as 4,364,875 boxes, slightly larger than that harvested last year.

Precious Metals Occur In Big Nickel Mines

With continued prosperity in the nickel industry Canada is capable of supplying the major part of the world demand for platinum and its allied metals, according to a report "Platinum and Allied Metal Deposits in Canada," issued by the Bureau of Economic Geology, Department of Mines, Ottawa. Cost of production in Canada of platinum and related metals is at present well below that of most producing countries.

The timber license moratorium given by the Provincial Government for the payment of licenses on standing timber expired on July 1st. It is anticipated that about 2,000 licenses held by private interests will revert to the Crown.

Rocky Mountains Are Ideal Holiday Land

Beauty unrivalled, health-giving altitudes, all the comforts that modern ingenuity can devise and "something to do" all the time await the army of travellers from all over the world, which annually invades the glorious Canadian Rockies through the Banff Springs Hotel and the Chateau Lake Louise. These stately up-to-date hostleries, which open on May 15 and June 1, respectively, are not only key-points to the most beautiful mountain territories in the world, but are, themselves, located in settings of a beauty which has to be seen to be truly appreciated. On the main line of the Canadian Pacific Railway, which owns and operates them, they are equipped not only to be "homes from home" to the travelling public and holiday-seekers in the generally accepted sense, but to furnish entertainment for their guests in many and varied ways. Auto drives, trail-rides, boating, fishing, swimming, golf, tennis, hiking and mountaineering, to say nothing of the famous Indian Days and the Highland Gathering, are all part of programs which years of experience have brought to perfection. Experts in all lines are in attendance to be of service to the hotels' guests and real cowboys, red-coated "Mounties" and true Stoney Indians lend color to a hundred variations of uniquely picturesque scenes. There is never a dull moment at Banff or Lake Louise. There is something for every taste and the rounding off of full days by dancing in cool and spacious ball-rooms, to smart orchestras, is not the least of the attractions offered.

The pictures show: (1) the Banff Springs Hotel; (2) a typical Stoney Indian; (3) the Chateau Lake Louise.

Governor-General Visits Boys' Farm

The annual closing exercises of the Boys' Farm and Training School at Shawbridge, Que., were made memorable for the 150 boys of the institution recently when they were honored by the presence of the Earl of Bessborough, Governor-General of Canada, who addressed the school and gave out the prizes. Accompanied by E. W. Beatty, K.C., chairman and president of the Canadian Pacific Railway, who is also president of the Boys' School, and a number of directors and wellwishers of the institution, His Excellency was the object of a great ovation by the boys on the arrival of the special train at the Farm. This is shown in top photograph of the lay-out. Lower left, the Governor-General is shown shaking hands with Major Ralph Willcock, D.S.O., superintendent of the School, and at the right His Excellency is acknowledging the plaudits of the boys from the steps of the special train. It was the first time in the 25 years' existence of the School that a Governor-General of Canada had taken part in the closing exercises of the institution. His Excellency, addressing the School, stressed character as being of vital importance to success in life.

Scouts Leave For Port Simpson Camp

Ideal Place For Camping

Twenty members of the Anyox Scout troop, in charge of Scoutmaster Gale, left on Monday for Port Simpson, where the annual encampment will be held. Given anything like a break by the weather man, the scouts should enjoy the best camp outing they have had so far. The facilities include a fine ball park, a splendid bathing beach and a country that is ideal for hiking and other scout activities.

There will be baseball, football, swimming and boating. The Port Simpson people are among the most hospitable in the north and will no doubt give the boys a warm welcome. Scoutmaster Gale intends to make the most of this outing for teaching swimming and boating etc. The boys will be away for three weeks, returning on Monday the 30th.

Here and There

One graduate of the Anglican Theological College of British Columbia and four undergraduates are out for a summer of adventure and color since embarking recently aboard Canadian Pacific coastal liner, "Princess Norah" for the Yukon. Her 100-odd passengers also included miners, prospectors and northern railway and steamship men going in for the season.

Portland, Oregon's 26th annual Rose Festival, world-famous for colorful pomp and pageantry, will be held June 11-14 next. The western zone of the Canadian Legion will hold its convention there as also the American Rose Society.

The Princess Elaine, popular Vancouver-Nanaimo ferry of the Canadian Pacific B.C. Coast steamship service, is back from overhaul with the very latest in lunch rooms installed aboard. It is 40 feet long and 15 feet wide, and is provided with lunch counter and tables.

General improvement in business is apparent throughout Canada although many problems still remain to be solved is the opinion of Jackson Dodds, general manager of the Bank of Montreal, who sailed for Europe aboard the Empress of Australia recently.

The Canadian Pacific 42,500-ton Atlantic flagship Empress of Britain completed her world cruise of 30,916 miles last month on arrival at New York and sailed again for Cherbourg and Southampton to be fitted for her normal season sailings between Southampton and Quebec.

An English bulldog, scotch terrier, two boxes of swan's eggs and four homing pigeons were among the Canadian Pacific Express shipments arriving at Quebec recently aboard the Duchess of York from Liverpool, Belfast and Glasgow.

"With a soundly administered unified system, Canada would be able to anticipate within a reasonable period of time, a balanced railway budget and would be able to finance any justifiable extensions which expanding settlement and development might in future demand," E. W. Beatty, K.C., chairman and president of the Canadian Pacific Railway, declared in a recent speech advocating unification, for administrative purposes of the two major railways.

Worries of Ministers

(Winnipeg Tribune)

It is doubtful whether individuals in other countries would dare to intrude private requests on cabinet ministers to any such extent as is done in Canada. It is more than twenty years since Sir George Murray in his report to the Borden government on governmental machinery commented upon the unreasonable burden placed on cabinet ministers by being thus distracted by politics from the serious duties of administration. Instead of lessening this burden has increased, more particularly in recent years, with more people than ever looking for aid in some form from members of the government.

Teacher—Why was Solomon the wisest man in the world?

Boy—He had so many wives to advise him.

Teacher—(a strong minded woman)—Well that is not the answer in the book, but you may go up to the head of the class.
