Liberals Lead Over Conservatives in Final Count

Counting of Absentee Vote Awaited with Interest

The latest election returns give the Liberals 20 seats, Independent Liberals 2, Conservatives 17, Provincials 4, Labor 3, Independents 1.

Fort George is still doubtful, Burden, conservative has a majority of three over Perry, Liberal, with one more poll to hear from.

The Liberals are still in power as they have a majority over any other single party, and with the inclusion of the 2 Liberal Independents and 3 Labor members, they would have a total of 25 supporters, or 26 if Fort George goes Liberal, and 27 if Hanes of North Vancouver supports them.

The Conservatives would have a total of 21 supporters if the Provincials throw in their lot with them, which is not unlikely, and 22 if Fort George elects a Conservative.

The Legislature does not meet until October 27th, so that there is ample time for both parties to consolidate their position. If the government then find they cannot obtain a working majority, another election seems inevitable.

The counting of the absentee vote does not take place until July 12th, and this may considerably change the present standing of the parties.

Following is a complete list of the newly elected members of the Legislature:

Bert Kergin is Assured of Election

Bert Kergin, Liberal member for Atlin is now practically assured of election, unless the absentee vote goes heavily against him, which is very unlikely.

The vote now stands: Kergin Liberal, 385; Armour Provincial, 338; Conway Conservative, 304.

Dease Lake is now the only place to be heard from, and the vote there is a small one.

Polling stations heard from during the week were:

Engineer Mine, Armour 3, Kergin 1, Conway 0.

Naas Harbor, Conway 7, Kergin 0, Armour 0.

Mill Bay, Kergin 1, Coway 0, Armour 0.

Kencolith, Kergin 2, Conway 2, Armour 0.

Arrandale, Kergin 1, Conway 1, Armour 0.

Maple Bay: Conway 2, Kergin 0, Armour 0.

Atlin: Armour 58, Kergin 47, Conway 8.

Kergin has a lead of 47 over Armour and 81 over Conway.

Anyox Elks' Dance Well Attended

Despite the fact that the weather was somewhat warm for indoor pastime it had but little effect on those who were anxious to indulge in their favorite pastime on Wednesday evening, June 25.

The hall was comfortably filled and with good music the party soon had forgotton that the thermometer was anything above normal.

Refreshments were served in the dugout and dancing was continued until 1.40 a.m.

Baseball Games at Anyox During Week

Manager Chapman's aggregation of gilded athlets from the General Store suffered defeat at the hands of the Office Staff on Sunday evening by the score of six runs to three. The batteries were; for the store, St Clair and Menzies, for the office, Swanson and Fitzpatrick.

Many stellar plays were pulled off by the players on both sides, George Lace, of cricket fame turned in a wonderful exhibition at first base for the Store, while the Office infield was par excellence.

St Clair was forced to retire in the sixth inning, having injured his ankle sliding into third base. Harold Ballion took up the burden on the mound in the last inning, and with a little training he would no doubt develop into a hurler of no mean ability.

The teams lined up as follows: Office staff, Fitzpatrick, Swanson, Plommer, Moore, Mahon, Roy, Townshend, Watson, Cutler.

Store: Menzies, St Clair, Lace, H. Ballion, B. Nickerson, Dowling, N. Ballion, Dunn, Spike, Thomson.

Umpire W. Olsen.

The Mine scored a three to two victory over the Smelter on Friday evening. St Clair started on the mound for the losers but was wild and unsteady and was forced to retire in favor of Fitzpatrick, C. Ferguson was in fine form for the winners and had the Smelter eating out of his hand all the way, retiring many via the strike out route.

The teams were: Mine, Kirk, Ferguson, Lane, Kirk, Brown, Allen, Anderson, Valpy. Clarke.

Smelter: McKeown, St Clair, Fitzpatrick, McDougall, Wells, Dow, Cheonski, Cole, Stewart, Brentzen.

Umpires W. Olson and H. Thorsen.

The Antlered Herd went on a batting spree in Tuesday evening's encounter with the Smelter, gathering sixteen hits off Fitzpatrick for a total of nine runs. The best the Smelter could do with Cody's offerings were four scattered hits which netted them one lone tally. Cody was never in serious danger throughout the entire seven innings. The Elks seem to have found their batting eye and by virtue of their win on Tuesday all three teams are now even.

They lined up as follows:

Elks: Down, Campbell, Greenwell, Cody, Hall, Sheen, McIntyre Smith, Thorley.

Smelter: Stewart, Dow, Brentzen, Wells, Cole, McDougall, Chenoski, Fitzpatrick, McKeown, St Clair.

Umpires W. Olsen and F. Brown

What party will form a government at Victoria is causing some discussion. According to latest reports the Liberals and Conservatives are about equal, and both parties are without leaders. At the present time, viewing the situation from all angles, neither the Liberals or Conservatives are strong enough to form a government unless one of the parties can rely on the combined support of the Provincials, Independents, and Labor. This, however, is very unlikely, as the Provincial Party are open enemies of the Liberals, while the Independent Liberals and Labor will never guarantee to support the Conservatives in any legislation they wish to pass.

At the present time, it seems that the only way out of the difficulty is to again go before the people, so that one party can have a working majority over the other.

The late election campaign fought in the Atlin constituency between the three candidates was one of the cleanest fights that anyone could wish for. There was very little mud slinging and each candidate kept to parliamentary business during their speeches. While there was some difference of opinion in the remarks of the speakers, as is usual during election campaigns, no bitter animosity was shown. The election is over each candidate did his level best to win. There was only one prize, and the losers are showing good sportsmanship in taking their defeat so lightly.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

Fatal Accident at Anyox

On Monday morning, June 16, a fatal accident occurred in the Hidden Creek Mine, when Donald McDiarmid was instantly killed while working at his occupation as chute man.

An inquest was held on Thursday afternoon and the verdict rendered was accidental death. The jury consisted of H. B. Chapman, foreman, H. Harris, W. Pierce, W. J. Pierce and F. Noel.

The funeral services were conducted in the Union Church by Rev. J. Herdman, and a large number of people were present.

Mr. J. A. McDiarmid, brother of the deceased, arrived on the G. T. P. boat and returned with the remains to Vancouver.

The pallbearers were, Messrs. Angus McLean, Duncan Ferguson, Donald Mc Donald, Donald McVicar, Kenneth McDonald, and Archie McDonald.

The deceased served in the navy during the war and leaves a mother, two sisters, and one brother, who reside in Vancouver.

Have the Seagulls Formed an Alliance with the Crows

Only a few evenings ago a number of Anyox people witnessed a very unique battle, in the air, when a squadron of seagulls aided by a number of crows attacked an eagle which was preying on a seagull on the waterfront.

It appears that the eagle was carrying away the seagull in one of its claws, when the shrieks of the victim attracted the attention of its mates which lost no time in coming to the rescue.

The combined attack of seagulls and crows on their antagonist soon caused the latter to release its hold on the already injured bird which sought refuge on the land.
