Novelties Galore Anyox Big Armistice Dance

The ex-service men of Anyox promised the dancing public something new in the way of novelties at the Armistice Dance. They certainly fulfilled their promise and the surprises far exceeded the expectations of every one of the vast concourse who gathered at the Gymnasium on Wednesday evening.

Right from the start, before the dancers entered the hall, it was apparent that everybody was out for fun and frolic. Private G. Clark was on guard between two rows of sand bags, leading to the approach to the dressing stations, which was within the gas area.

The hall was crowded with dancers and the floor was taxed to the limit. In the centre of the floor was a housing which represented Moquet Farm of 1916, of Somme fame. In this structure the Mine Melodians were stationed who produced bewitching music, that made one rearin' to go all the time.

The hall was elaborately decorated with flags and red, white and blue streamers draped from ceiling. At the ends of the hall were emblematic shields upon which were the names of the battles which the Canadian Expeditionary forces took a prominent part, such as: Vimy Ridge, Passchendale, Somme, Ypres, Hill 70, Givenchy, St. Mihiel Salient, and our neighbors across the border were honored with Chateau Thierry.

One of the outstanding features of the dance was the French Estaminet which was stationed on the gallery, a la Cafeteria style, where an abundance of good things was provided. The gallery was beautifully decorated and provided with individual chairs and tables. Those captivating demoiselles who served as waitresses, put things over in fine style. Those who waited on the guests were: Misses Winnie Bruce, Bernice Salter, Betty Selwood, Sylvia Armstrong, Susie Hamilton, Dolly Wilson, Edith Johnson and Nancy Fraser.

Pt. A. Sinclair was detailed off to serve as Military Policeman, also as Director of Ceremonies. A searchlight dance was put on at 10.30 p.m.

The Bluebird Cafe were caterers in providing the salads, and Baker Robertson provided the cakes and rolls.

The Dance Committee wish to thank Mrs. W. F. Eve and her daughter Bubbles, for their kind assistance with the supper; also P. Ryan for the help he gave in decorating the Hall.

The happy event came to a close at 2.30 p.m. at which time everybody was dead tired but happy.

The dance committee of the Anyox Service Association, have been, since the dance, the recipients of a host of congratulations, which they heartily deserve. They provided something original, something attractive, which had a snap to it. The Anyox Service members as fighters and entertainers are unexcelled.

Death Claims 2 Anyox Residents During Week

The hand of death reached out and took two Anyox residents during the week. Mr. Ed. Anderson of the Mine, one of the most popular members of the community passed away at the Anyox Hospital on Tuesday. He leaves to mourn his loss, a wife, two sons and a daughter.

Deceased was 54 years of age, and has been in the employ of the Granby Co. at the mine since 1915. Previous to coming to Anyox he was employed at the Rocher De Boule mine at Hazelton. He was also engaged in the construction of the Grand Trunk Pacific east of Prince Rupert.

The news of his death comes as a shock to his many friends and the sympathy of the community is extended to Mrs. Anderson and family in their sad bereavement.

The funeral of Mr. Anderson will be held at the cemetery today.

Augusto Di Paola, passed away at the Anyox Hospital on Monday. He was employed as a bricklayer, and has a number of friends in camp.

Deceased was only 28 years of age. He was born at Formia, Italy, and is survived by his brother Frank who resides in that town.

Tuberculosis was the cause of his death.

ALICE ARM NOTES

Dr. D. R. Learoyd of Anyox spent last week-end at Alice Arm. He made a medical examination of the school children and also visited numerous adults who were in need of medical advice.

Mending garden fences is among the chief occupations of Alice Arm householders these days.

You will be given an opportunity next week of helping to make the children of Alice Arm happy this coming Christmas by a donation to the Christmas Tree Fund. Enough said.

Christine Nucich spent the week-end visiting her mother returning to Anyox on Tuesday.

J. M. Morrison, one of the camp's early residents, arrived on Monday from Prince Rupert, and plans to spend some time here.

Mrs. H. F. Kergin left on Monday for Vernon where she will visit her sister, Mrs. Brown, who has been ill for some time.

Jim Calvin was a passenger to Prince Rupert on Thursday.

J. A. Wheatley was a passenger to Prince Rupert on Monday and returned on Thursday.

The foundation for the new store building of T. W. Falconer has been completed. Construction of the building will commence early next spring.

Armistice Memorial Service Held in Anyox

The Armistice Day Service held in the Recreation Hall on Sunday evening was attended by a large congregation. The service was very impressive and thrilling. It was conducted jointly by the Anglican and United Churches.

The Rev. J. S. Brayfield of the Anglican Church conducted the opening of the service. Rev. C. D. Clarke of the United Church preached the Sermon, the text of which was "This do ye in remembrance of me." It was a very eloquent address and was listened to with rapt attention.

A solo was rendered by W. R. Murdoch. "The Lord is my strength." F. Dresser accompanied him on the piano.

The music for the service was also played by Mr. Dresser. J. Thompson sounded the "Last Post" in memory of those who lost their lives in the great war.

Alice Arm Children Will Greet Santa Claus

The children of Alice Arm will, as in previous years, again be given an opportunity of greeting old Santa Claus. A Christmas Tree and entertainment will be held in the Coliseum, shortly before Christmas, at which everyone will be invited. The town will be canvassed early next week for funds. Those who have been overlooked please leave their donation at either G. W. Brugg's or T. W. Falconer's stores. Refreshments will be provided by the ladies of the town.

It will be a night for the kiddies who will first entertain the adults and then in turn be entertained by Santa Claus.

A programme of evening's entertainment will be made public at a later date.

Donations must be in not later than Tuesday evening next.

Alice Arm War Veterans Join Anyox Celebrants

Nine veterans of the great war, including Mrs. M. Smith, journeyed to Anyox on Thursday evening to participate in the Armistice celebration. They all enjoyed a wonderful time, which was increased by the unlimited hospitality of the Anyox comrades, who took pains to see that their presence was appreciated. They arrived home about 4 a.m.

Anyox P. T. A. Will Meet On Monday

On Monday November 15th, the Parent Teacher Association will meet in the Public School at 8 p.m. At this meeting the senior teachers will discuss, "The Project Method of teaching school." A cordial invitation is extended to everybody interested in this subject.

Silver Rose Vein Gives Good Values

The Silver Rose property situated on the North-East Fork of the Kitsault River, and which has been developed recently by the owners has the earmarks of being developed into a real good property.

It is owned by Messrs. Jack Collins, Neil Forbes, Jimmy Flynn and Fred Martinson, who this year drove a number of open cuts across a promising ore vein. A sample taken from one of these cuts and sent out for assaying has given values of 14.4 per cent zinc, 6 per cent copper, 1.8 ozs. silver and 20 cents in gold per ton. A total value of \$24.54 per ton.

The vein varies in width from 3 1/2 to 5 1/2 feet and has been traced on the surface a distance of 400 feet. It is the intention of the owners to drive a tunnel on the vein early next summer. The ground at this point is steep and a tunnel fifty feet in length, will give a vertical depth on the ore of one hundred feet.

ANYOX NOTES

Unbounded Enthusiasm Marks Anyox Service Banquet

Over 200 veterans of the great war gathered together at the Beach Mess on Thursday evening to celebrate the Armistice which ended the great struggle.

The signing of the Armistice is the outstanding day in the lives of all soldiers, and wherever a number of veterans are resident they fittingly celebrate the auspicious occasion.

Men who had served in every allied army or navy were there, and who had seen service in every part of the world.

It was the fifth annual banquet of the Service Association, and in the passing of the years, the celebrants have not lost any enthusiasm.

The spacious hall of the Beach Mess presented an animated scene, with the long rows of tables tastefully decorated, in which scarlet poppies predominated. The tables were loaded with an abundance of eatables to which was done full justice.

The chair was occupied by Dr. D. R. Learoyd, president of the association, who conducted affairs in his usual admirable manner.

The toast list was lengthy and was as follows:

"The King," by comrade F. Townshend. Response, National Anthem.

"Canada," by comrade Dr. Trefry. Response, "O'Canada."

"Fallen Comrades," by Rev. C. D. Clarke. Response, "Period of Silence."

"Nursing Sisters," by comrade F. Graham. Response by Mrs. W. E. Yard and Miss Stewart.

The musical programme included some great hits, and was as follows:

1. Choruses "The Reason Why." "Allouette"

2. Dialogue, "Back to Work" Comrades Bruce and Sinclair.

3. Song, "The Rose of No Man's Land." Comrade Ed. Blundel.

4. Reading, Selected. Comrade H. Gobel.

5. Selection on Bagpipes. Piper Shields.

6. Choruses, selected by the ranks.

7. Reading, "Devil-May-Care." Comrade Murdoch Fraser.

8. Band Selections.

9. Song, "The Midship Mite." Comrade J. Kirkwood.

10. Choruses, Selected by the ranks.

11. Selection on Bagpipes, Piper Shields.

12. Chairman's Remarks. National Anthem

In addition to the printed programmes, several other items were included.

The dialogue by Bruce and Sinclair captivated the gathering and they received rounds of applause.

Jimmy Varnes was also a favorite and was encored twice before

Christmas is coming. Already the stores are commencing somewhat timidly to display their Christmas wares. The weeks will soon roll by and old Santa Claus will again be paying us a visit. What delight this robust old gentleman with the red coat and white flowing whiskers brings to the excited children as he bursts into room when the children's parties are in progress. We wonder what the old fellow has in store for our juveniles this year. Will he be bountiful or will he have to apologize for a somewhat hurried visit. A lot depends of course on the support he receives from the adults. Already plans have been made for the raising of funds for some of the children's Christmas Trees in Anyox, and Alice Arm will also have a Christmas Tree ready for Santa to hang his toys on. No one is expected to give more than they can easily afford. But if you are approached for a donation remember that Christmas only comes once a year, and in the general celebration we can not afford to forget the children. Don't follow old Scrooge's policy and be sorry when it's almost too late.

Trail Smelter Increases Lead and Zinc Output

The Consolidated Mining & Smelting Co. of Canada has started work on the construction of a new 80 ton per day unit to the zinc department at the Trail smelter. When completed this will bring the rated capacity of the zinc department up to 280 tons of fine zinc per day. It is expected that the new 50-ton per day addition to the lead department, which was started early in the summer, will be put into operation before the end of October. The company also is doubling the capacity of its custom concentrator at Trail. The milling service, which was started more than a year ago, has met with such general approval from mine owners in the Kootenays and beyond that for some time past more ore has been received than the mill was able to handle.

Genial Milkman: "Looks like rain, Mrs. Crabb,"
 Lady of the house: "Yes, it usually does, but it has a faint flavor of milk."

Alberta Wheat Pouring Into Prince Rupert

Up to last Thursday 925 cars of wheat had arrived at the Prince Rupert elevator since the grain movement to this port started last month. This amount to about 1,400,000 bushels which would more than fill the elevator or, taking the 500,000 or so bushels that had been loaded on two ships, would leave about 900,000 bushels now in the plant.

B.C. Cider will Adorn Liquor Store Shelves

"If you will produce the cider, I will see it is placed on sale in the government liquor stores or else there will be a new liquor control board," said Premier Oliver in an address to the Pentiction Board of Trade in which he advocated the manufacture of cider from culled apples grown in the Okanagan, for which at present there was no market.

C. N. R. Income Will Pay All Interest Charges

A net operating income of \$45,000,000 this year for the Canadian National Railways was predicted by Sir Henry Thornton in an address. This sum he pointed out, would be sufficient to pay all interest charges on securities held by the public and leave something over for application to loans made by the government.

Canadian Resident of London Leaves Huge Fortune

According to the Sunday Express it is believed Baroness Strathcona left between five and six million pounds but the estate is not as yet valued for probate. It is believed to be the largest estate ever left by a woman.

Aggregate Value of \$920,919,628

The substantial progress of the Mining industry of this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive \$94,547,241; for five years, 1896-1900, \$57,607,967; for five years, 1901-1905, \$96,507,968; for five years, 1906-1910, \$125,534,474; for five years, 1911-1915, \$142,072,603; for five years, 1916-1920, \$189,922,725; 1921, \$28,066,641; for the year 1922, \$35,158,843; for 1923, \$41,304,320; for 1924, \$48,704,604, and for 1925, \$61,492,242.

Production Last Ten Years, \$404,649,375

Lode mining has only been in progress for about 25 years, and only about one-half of the Province has been even prospected; 200,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Practically all British Columbia Mineral Properties upon which development work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B. C. Reports covering each of the six mineral Survey Districts are published separately, and are available on application. Reports of the Geological Survey of Canada, Winch Building, Vancouver, are recommended as valuable sources of information. SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emption must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free or partially free permits are available for settlers, campers and travelers, up to ten head.

How and Who Discovered South Africa's Big Gold Fields

The fortieth birthday of the Rand gold field was celebrated in Johannesburg, S. A. September 22. The functions arranged began on Tuesday afternoon, when the Mayor entertained the pioneers at a garden party in Joubert Park and in the evening, gave a dinner to the pioneers at the Carlton Hotel.

Giant arches were constructed in front of the Johannesburg Town Hall by the Chamber of Commerce, symbolizing industry as supporting the world.

Under the auspices of the Johannesburg Publicity Association, William H. Auret Pritchard gave an account of the early days of the Rand and Johannesburg. At Wilgespruit, five miles north of Roodpoort, Reef in 1884, and in December, 1885, he and his brother Henry erected a five-stamp battery, driven by a water wheel. George Walker an old Barberton digger, had worked with the Struben brothers on the Confidence Reef. In February 1886, Walker was helping a mason to build a house, when one Sunday morning, crossing the veld near Langlaagte, he stumbled on a stone, jutting out of the ground. Walker examined this stone, which seemed peculiar, and on "panning" it, he found it carried gold. This was the discov-

Republicans Win in Alaskan Elections

With 90 per cent. of the Alaskan vote reported, Republicans are victorious. Dan Sutherland was reelected to Congress, and two Republican territorial senators and twelve representatives were chosen. The Independents elected one senator and four House members while one Democratic senator won.

Next session the Senate will have four Republicans, two Independents and two Democrats from Alaska.

Prince Rupert Talks With Samoan Islands

A record for long distance communication was set up by the Prince Rupert wireless station a few days ago when the station spoke to Apea, a British station in the Samoan Islands, 14 degrees south of the equator and some 5,000 miles distant. Greetings were exchanged between the stations in a very distinct manner.

ery of the Main Reef. Mr. Struber then located the main reef on the farm Vogelstruisfontein, and it was there that the first shaft was sunk to a depth of 40 ft. The late J. G. Bantjes in 1886 also discovered, first the Bird Reef and, later, the Main Reef on the farm Roodpoort. Such is the story of the early discovery of what has, so far, proved the world's greatest gold field.

Mining Copper in Butte at Over 3000 Feet Depth

The Butte & Superior Mining Co., Butte, Mont., has opened in a crosscut on the 3,400 level, the deepest in the mine, a body of copper ore 17 feet wide. This ore is in the Rainbow lode and is the first copper ore cut in Butte & Superior ground in the Rainbow lode proper that has been of commercial promise. The find was not unexpected, as the ore body was indicated by developments on levels above, but on the upper levels the ore carried zinc instead of copper. The silver remains unchanged. Its grade in copper is about the same as in the copper ore at the west end of the property, which occurs in an entirely different system of veins.

The Friendly Beverage

Pure beer adds to your well being and your enjoyment of life. Order it by the case from any Government Store—have it always on hand for your table and for the entertainment of your guests. *British Columbia beers are healthful and invigorating*

BEERS, such as are made by the Amalgamated Breweries of British Columbia and distributed to the people by the bottle at the Government stores and by the glass in Licensed Premises, contain only enough alcohol—4½ per cent.—to stimulate the digestion, while their content of vitamins and valuable vegetable extracts and mineral salts are of the highest worth in fortifying against the dangers of low vitality and illness. Drink pure beer in the Winter months, when heavy foods and too much "indoors" lower vitality.

The Anyox band enlivened the proceedings, leading in the choruses and giving selections.

J. Webster the pianist was almost worked to death but he stuck to his post, with the last of them.

It was a night of unbounded merriment for the men of the allied armies, and they all threw themselves wholeheartedly into the evening's celebration. Old time war songs and choruses, that were sung on the tired marches and around the camp fires on a dozen fronts were thrown on the air in gleeful abandon.

Among the choruses sang were: "The Reason Why," "Alouette," "Long Long Trail," "Pack up your Troubles," "Take me back to dear old Blighty," "All the nice girls love a sailor," "I want to be in Blighty," "I want to go home," "Sing me to sleep," (trench version) "Keep your Head Down," and many others.
