Successful Tennis Tournament Held at Anyox

Home Players Carry Off Honors

On Sunday, July 27, Anyox was the scene of a most enjoyable three-cornered tennis tournament when the visiting teams from Alice Arm and Stewart were the guests of the local club.

The Alice Arm players arrived on the "Awake" about 4 p.m. on Saturday, and after being welcomed by the ladies of the committee, Mrs. Eve and Mrs. Conway, and the President, Mr. Stroud, were invited to use the courts for the afternoon. The representatives of the club were also on hand to greet the Stewart visitors on their arrival on board the "Azurite". Unfortunately the boat did not arrive until about 9 p.m. and kept them a little late for the dance given in honor of the visiting players. The Gymnasium was wonderfully cool after the hot afternoon, and the dance, which was well attended, was an enjoyable one. After the dance the visitors were served with light refreshments at the Blue Bird Cafe.

Sunday morning dawned cool and cloudy and more than one expression of fear of rain was heard, but fortunately for all concerned it turned out to be an ideal day for tennis as at no time during the day was the sun a handicap for the players. The tournament started about 10 a.m. with two sets of mixed doubles; Mrs. McLeod and Mr. Wilson of Stewart vs Mrs. Kergin and Mr. McInnes of Alice Arm on No. 1 Court; Mrs. Gibson and Mr. Wake of Stewart vs. Mrs. Young and Mr. Falconer of Alice Arm on No. 2 court. The first game resulted in a win for Alice Arm, while Stewart took the second. Thanks to the splendid co-operation of all players, the games followed each other in rapid succession until noon when play was called until 1 p.m. for lunch.

Play was resumed directly after lunch and all games completed shortly after 5 p.m. Anyox was successful in taking first place in the tournament, winning all her events, thus securing 14 points; while Alice Arm won four and Stewart three.

During the afternoon tea was served to 97 people by Mrs. Eve and Mrs. Conway, assisted by other ladies of the club and proved wonderfully refreshing to both players and spectators. The day's entertainment was closed with a social evening at the Gymnasium where bridge and five hundred were played until about 11:30. The winners of ladies prizes were, Mrs. McLeod of Stewart (bridge) and Mrs. O. K. Dwyer (five hundred); and the gentlemen's prizes were won by Mr. H. Speight (bridge), and Mr. O. K. Dwyer (five hundred). After light refreshments, Mr. Stroud, President of the Anyox Tennis Club, made a short speech in which he welcomed the visitors on behalf of the club and expressed hope that the event that had just ended so pleasantly would be but a fore-runner of many more such events in the future. Miss Fraser of Stewart accompanied on the piano by Mrs. G. M. Lee, then delighted the audience with two songs which were beautifully rendered.

Tables and chairs were then cleared away, and with Mr. Webster officiating at the piano, an hour of dancing concluded a pleasant evening.

Great credit is due to Mrs. Eve, Mrs. Conway and their assistants, for their untiring energy and very able manner in which they looked after the numerous details which insured the successful entertainment of the visitors; while to Mr. H. J. Baillon goes the credit of having arranged the details of the tournament.

The Tennis Club wishes to take this opportunity of thanking the management of the Granby Company for their co-operation in bringing the Stewart players from the Naas on the "Azurite", the Elks Club for the loan of chairs and tables, and Mr. F. M. Kelly, secretary of the Community League for the use of the Gymnasium and his helpful co-operation with the club.

Scores of players will be published next week.

Alice Arm Sunday School Picnic

The annual Anglican Church Sunday School Picnic was held on Tuesday last. It was a perfect day for the children of Alice Arm and also for a great many of the grown-ups.

Rev. Rushbrook was kept busy with the Mission boat Northern Cross, transporting everyone from the wharf and Silver City to Campers' Point, which is an ideal spot for a picnic.

The tables were set in a shady bower and loaded with such an abundance of good things to eat that the children scarce knew what they wanted. The whole banquet was finished off with ice cream.

After lunch, Rev. Rushbrook brought over Rev. Gibson and the Boy Scouts, who are camping at Silver City, and during the afternoon, races, tug-of-war, bathing and boating were indulged in by both juveniles and adults. The day's happiness ended another sumptous repast.

Every adult did all in their power to make the day a success. Those deserving special mention, being Mrs. T. W. Falconer, Rev. Rushbrook, and Mr. J. A. Anderson. Also the ladies who waited on the tables.

Large Log Shipments Leave Alice Arm

Mr. Eric Carlson, contractor for the Abbotsford Logging Co. Ltd., continues to get out large quantities of logs.

Last week the powerful tug boat "Cape Scott" called twice and took two large booms, which scaled four million eight hundred thousand feet. The tug boat Progressive also called and took away one million two hundred thousand feet. On August 6, the Cape Scott will return for another boom of two million three hundred and forty thousand feet. All these logs are going to Ocean Falls for pulp manufacture.

Captures Bear With Rope

Mr. Carl Johnson, high rigger for Eric Carlson climbed a tall tree on Monday and captured a large cub bear. There were two cubs in the tree but Mr. Johnson decided that one of the bears was enough for him to handle with the rope that he carried. The bear is now a pet at Carlson's camp.

Miners Defeat Gas Eaters

The Miners turned in another win on Monday evening, this time at the expense of the Smelter. The score was three to two and the game went two extra innings. Costly errors in the last frame and Benny's wildness cost the Gas Eaters the game. With the score tied in the ninth, Benny walked Lane, the first man to face him. Brown hit to Dow, who, over anxious to make a double play, overstepped the bag and threw too late to get his man at 1st. Kirk then hit to Chenoski, who thinking Lane was going right on to home, threw to the plate thus filling the bases. Fitz succeeded in getting three balls and two strikes on Cecil, but finally walked in the winning run.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

Miners on Thursday, last week by the score of one run to nothing. The game was a pitcher's battle between C. Ferguson for the Mine, and F. Fitzpatrick of the Antlered Herd. Frances won his own game in the fourth inning, when he scored Jerry McIntyre from first base on a long single to right field. Both pitchers were given air-tight support, as the box score indicates. Anderson, Fred Brown and Archie Campbell all pulled off circus catches, especially Anderson who made a long run to catch a ball which was practically an infield fly.

Mine Team Win from Elks in Postponed Game

The Mine and Elks met again on Saturday night in a postponed League fixture. The former winning 2 to 1. This game was another pitching duel between the two same pitchers as in Thursday's game. Two extra innings were played before a decision could be reached. The Elks scored first in the fourth inning, when Sheen singled, went to third on Cody's 2-base hit and scored on Hall's long sacrifice fly. The Mine evened up the count in the seventh frame, when Brown singled, went to third on C. Ferguson's hit and scored on Earl Anderson's sacrifice fly. Brown also crossed the platter in the ninth, with the winning counter, when he reached first on McIntyre's error, went to third on Kirk's single and scored on Cecil Ferguson's slow roller to first base.

Anyox Notes

Continued from page 1.

A party of five of our local deciples of Isaac Walton, made a flying trip to Bowman Lake last week. They left Anyox on Thursday and returned on Monday morning. The trout were biting and a nice catch was made. The mosquitos and flies were also in excellent form, samples of which were brought back in the form of lumps and bumps which would prove a puzzle to a phrenoligist. Included in the party were, Dr. Learoyd, R. Lamborne, H. M. Selfe, J. Bagwell and E. Nordstrom.

Ted Mahon, W. Olsen and Stan Stewart journeyed up to Trout Lake on the good ship "Chance" over last week-end. While the fish were not biting up to the usual standard at this lake, several of the speckled beauties were landed. Ole was successful in catching a few, which he proceeded to devour right off the hook. This does not shock us, however; as it is a well known fact that Ole lives on a constant diet of raw herring.
