## Armistice Anniversary Will Be Fittingly Celebrated

Poppy Day, Thursday, November 10th.

Remembrance Day, November 11th. Parade to cemetery at 10.30 a.m. Annual Armistice Dance in Gymnasium.

Saturday, November 12th. Canadian Legion Annual Smoker in Elks' Dug-out.

Sunday, November 13th. Annual Memorial Service in Recreation Hall.

Buy a poppy! Spontaneously and with a thought in their hearts for the maimed veterans who made them, everyone buys a poppy. Many buy two or more. Some purchase the larger ones and decorate their homes. No other town have shown better sales in proportion to population than our own little Anyox. Watch for the ladies of the I. O. D. E. on Thursday the 10th.

Remembrance Day, the 11th. The graves of all ex-service men, whether affiliated with the Legion or not, will be re-decorated. In the parade to the cemetery there will be the ladies of the I. O. D. E., the Rangers, the Boy Scouts, Cubs and Rovers, the Canadian Legion, Ex-Service men, and the general public. Service will be held and the last post sounded.

In the evening the annual armistice dance will be held in the Gymnasium. The music will be furnished by the Canadian Legion Orchestra. All the familiar stirring tunes will cause the blood to tingle and the heart to swell.

On Saturday the 12th., the Legion will hold their Annual Smoker in the Dug-out of the Elks' Club. All ex-service men are invited to attend.

On Sunday the 13th. the annual Memorial Service will be held in the Recreation Hall. Addresses will be given by Rev. J. S. Brayfield and Rev. Evan Baker. Everyone is cordially invited to attend.

## Alice Arm Athletic Assoc. Hold Card Party

The second of the winter series of card parties was held by the Alice Arm Athletic Association at the Club House, on Saturday evening. Bridge was played at every table. J. Graham was at the head of the list for the men, and Mrs. O. Evindsen led the ladies' score. Refreshments terminated a very pleasant evening.

The first fall of snow this season occurred on Thursday evening at Alice Arm. It disappeared the next day.

## Local I. O. D. E. Are Very Active

The regular monthly meeting of the I. O. D. E. was held in the Legion Club Room on November 1st. Regent Mrs. C. O. Fricker presiding.

Two local families were given assistance during the month, and socks and clothing donated to men on local relief. The sum of five dollars per month is being donated for the benefit of the sick daughter of a returned soldier at Salmon Arm.

Anti-tuberculosis Seals will be on sale again this year. Mrs. D. C. Roy is acting as convener. A doll's house donated by Mr. C. J. Harman is to be raffled, and the funds thus raised will be used to purchase toys and Christmas hampers for people in the immediate district. Mrs. M. A. Wynne is convener, and tickets may be secured from any of the members.

On Armistice Day the members will meet at 10.30 a.m. at the Legion Rooms in readiness for the parade to the cemetery. They will also meet at the same place at 7.30 p.m. on Sunday the 13th. to parade to the Recreation Hall for the Memorial service, which will be held at 7.45 p.m.

Mrs. J. W. Lang, on behalf of the Kincolith Chapter, made a farewell presentation to Mrs. J. S. Brayfield in appreciation of her splendid work. Rev. and Mrs. Brayfield, who are leaving Anyox shortly, were the originators of the local Chapter of the Order.

Miss May Barclay gave a recitation. The hostess for the afternoon was Mrs. C. O. Fricker, assisted by Mesdames D. T. Evans, J. Wynne, W. F. Eve, D. C. Roy and J. Smith.

## Dr. J. T. Mandy Inspects Mining Properties

Dr. J. T. Mandy, resident mining engineer paid a visit to Alice Arm during the past week. He arrived on Saturday from Anyox and left again on Wednesday. During his visit here he examined the Wildcat property owned by A. Davidson, and also inspected the new ore discovery on the Moose, which has been developed by J. Strombeck during the summer. A previous fall of snow made it impossible to examine other properties in the Upper Kitsault Country.

## Standing of Basketball League Teams

	Won	Lost	Pts.
Concentrator	3	0	6
Mechanics	2	1	4
Vandals	1	2	2
High School	0	3	0

## Rev. W. B. Jennings Will Take Charge of Anglican Church, Anyox

The Rev. W. B. Jennings who is in charge of the Anglican Church Mission Launch Northern Cross, and who visits Alice Arm each month during the summer, will succeed Rev. J. S. Brayfield of Anyox who retires from the ministry at the end of this month. Rev. Jennings' appointment is not permanent, and he will again take charge of the northern mission work next spring.

## Snooker Tournament Has Commenced

Thirty-two aspiring Snooker players started off with high hopes in the Snooker tourney now being held at the Community League Pool Room at the Beach. Elimination rules prevail, so that the number was quickly cut down to sixteen, and part of the second round has already been played. The event has caused a great deal of interest.

## Basketball Personnels

Jimmy Stewart  
Way back in 1916, Jimmy started his basketball career by playing for King Edward High School in Vancouver. According to Jimmy this was the smallest team of their time—and the smartest. They just walked over all opposition. This year Jimmy has tackled the job of coaching the smallest team in the league; viz, the High School. So far he hasn't had any trouble keeping track of the wins, but that doesn't worry him. All that counts is team work and true fighting spirit. And if pep and ginger count for anything the High School won't be left behind. That's one thing they have got.

## ALICE ARM NOTES

A meeting of the ladies of Alice Arm will be held at the Club House on Tuesday November 8, at 3 p.m.

The purpose of the meeting is to decide whether a Christmas Tree and entertainment will be given to the children this year.

High tides during the week-end transformed Alice Arm into a miniature Venice. Even the gondolas were present, in the form of row boats with the owners pulling logs up to their buildings.

Divine Service was held at St. Michael's Church on Sunday evening by Rev. W. B. Jennings. At the close of the service lantern slides were shown of Cathedrals, Churches and Towns in the Ypres district of France before and after the war, which vividly portrayed the unnecessary havoc wrought by the German armies. The service and pictures were very much appreciated.

## Large Attendance At Hallowe'en Dance

Generous in their response to the appeal of the Hospital Auxiliary on the occasion of their Hallowe'en Dance, the Gymnasium was comfortably filled on Monday the 31st. The hall was tastefully decorated, the ladies of the Auxiliary sparing no pains in order to achieve a real Hallowe'en effect.

The crowd, which grew bigger as the evening advanced, was in a happy mood, and the committee in charge are to be congratulated on their endeavors to make the evening an enjoyable one. A delightful supper was provided, this being a feature for which the Auxiliary is always noted.

Splendid music for the evening was supplied by Harry Ward's Orchestra, while the supper intermission was capably looked after by Mrs. J. McMillan and volunteer musicians.

## Alice Arm Miners Return From Placer Fields

Ed. Petersen, who has spent the past summer placer gold mining on O'Donnell River, 27 miles from Atlin, returned home on Monday. Pete Peterson, who accompanied him north last spring has decided to winter at Atlin. Ed. says that Neil Forbes will also spend the winter there. No big money was made by the Alice Arm miners at Atlin during the summer.

Wm. McFarlane, who spent the past summer placer mining on Dog Creek north of Vanderhoof with Geo. Bruggy returned home on Monday via Vancouver. He states that no big finds were made on Dog Creek during the past season.

## Local Boy Has Narrow Escape From Drowning

Bobby Kent, of Anyox, had a narrow escape from drowning on Tuesday afternoon last, when he fell off the float while viewing the new seaplane. With several other school children, Bobby had gone down about 4 p.m. to see the plane, when he fell into the deep water. He was saved by Ronnie Parsons, who promptly knelt down on the float and hauled him out, little the worse for the cold plunge.

On November 1st., before Stipendary Magistrate W. F. Eve, at Anyox, Lew Buck was charged with keeping liquor for sale. He was fined three hundred dollars, or in default, three months' imprisonment. Constable Brunton escorted the prisoner to Oakalla, leaving on Wednesday's boat.

## Scout Charter Presented At Interesting Function

A very interesting function took place in the Gymnasium on Thursday October 27th., when the Anyox Scout Group was presented with the Canadian General Council Charter. A large number of parents and relatives of the Scouts, and people interested in the Scout movement, were present, and the whole proceedings, including an entertainment given by the Scouts, proved very enjoyable.

The Anyox Concert Orchestra under the leadership of Mr. J. Peel, was heard to advantage in a number of selections and was much appreciated.

The proceedings opened with an entertainment by the Cub Pack, after which the Charter was presented by the Chairman of the Scout Association Committee, Mr. W. R. Lindsay, and received on behalf of the Scout Group by Scoutmaster R. Gale, Rover Leader Cutler, and Cubmaster J. Cloke. Following this the annual Memorial cheque, given by the Canadian Legion to the Scouts, was presented by the president of the Legion, Mr. J. Varnes, being received by Scout Warden, who called for cheers from his mates in acknowledgement.

An interesting feature was the investiture of eight scouts, these being Stanley Kirkland, Trevlyn Cody, Hugh McDonald, Hubert Warden, Roy Pynn, Donald McLean, Leslie Murdoch and John Campbell. The Scout Troop gave an enjoyable entertainment, the piece-de-resistance was a sketch by the Rovers entitled "The School Boat." This was a take-off on the latest venture of the Governments of Ontario and Quebec in providing educational facilities for the smaller towns in the northern parts of those provinces by way of a railway car  
Continued on Page 4

## Seaplane Is Now Stationed At Anyox

On Saturday last a new seaplane arrived at Anyox. It is understood that this is one of two planes which have been acquired by a local flyer, along with a few interested friends, and that an aerodrome will be built in the vicinity of the slagpile for their accomodation. The plane already here has been greatly admired, and has made several trips round the district. It is one of the five Eastman flying boats which were taken into the Atlin district last June by a Detroit prospecting syndicate.

**Well Known Local Men  
 In Bridge River  
 District**

P. E. Peterson, mining engineer of Vancouver, who is well known in this district in connection with the Tiger and Saddle properties, recently examined the Royal Group of claims in the Bridge River district for Cadwallader Gold Mines Ltd. The Royal was staked by Jack Pedersen, who is also well known at Alice Arm, and who is in charge of operations at the Royal.

P. E. Peterson reported very favorably on the Royal, and no doubt development work will be pushed as rapidly as possible.

The location of Royal Group is seven and one-half miles south of Pioneer mine. The group embraces 700 acres. Mr. Peterson says that geological conditions of Royal group are similar to Pioneer mine. The vein opened recently by J. Pedersen is in augite diorite.

A. McGuire, who left Alice Arm for the Bridge River country, has staked claims adjoining the Royal, which he named the I. X. L. Group. This group was also examined by Mr. Peterson. He states that a well defined vein six feet wide is exposed and which lines up with the Royal No. 5 vein. Mr. Peterson says it may be the same fissure.

**What It Means When  
 You Buy A Poppy**

In Vetcraft Workshops throughout Canada, disabled veterans are creating Vetcraft Poppies—the Flower of Remembrance. Every effort is a reminder of those days when, in the vigor of their physical well-being, they went forward to do their bit. Their handiwork arouses memories of the good comrades who fell at their side in action, or have since succumbed as a result of war disabilities.

Citizens can give visible expression to the deep sentiment stirred by the anniversary of Armistice Day by wearing a Poppy. The funds thus raised are used to assist comrades and their dependents who are in distress, regardless of their affiliations. Make sure that you secure a poppy and thus help the splendid work, which their sale makes possible. Poppies will be sold in Anyox by the ladies of the I. O. D. E. on Thursday, November 10th.—the day before Remembrance Day.

**Britannia Co. Mining In  
 Small Area At Howe  
 Sound**

Britannia Mining and Smelting Co. Ltd., operating subsidiary of Howe Sound Company, has reduced operations at the big copper property at the head of Howe Sound to the minimum required to hold its organization together pending an improvement in the world copper situation. Work in the mine is confined to one small section, being carried on continuously with four shifts of men doing the normal work of three. This is accomplished by each man working three weeks and lying off one week.

The limited mine operation permits running the concentrator at fair capacity for 12 or 13 days monthly. It is the aim of the management to give sufficient employment to provide the necessities of life for crew and staff as the operation is on the present scale not on a paying basis.

Britannia is shipping its copper concentrates in bond to the United States and, owing to the prohibitive U. S. tariff, will probably seek a market elsewhere than in that country. The four cent preference accorded under the Ottawa agreement is not regarded as of immediate benefit to Canadian producers as production capacity within the Empire greatly exceeds consumption capacity. Accordingly, British fabricators, will always be assured of ample supply at world prices.

**Hon. J. W. Jones Preparing  
 For Big Cut In  
 Expenditures**

Quiet preparation of estimates by all Departments proceeded during the week. Hon. J. W. Jones let it be known he expects to make a \$2,000,000 cut in even the attenuated budget of this year, for 1933-34, but the desire was more apparent than the concrete means of carrying it out. The estimates will be months in preparation yet, before they are ready for the January Session.

**Local Photographer Is  
 Honored In East**

At the 41st. Annual Toronto International Salon of Photography, at which selected prints are shown at the Canadian National Exhibition at Toronto, the name of Mr. Ivor Bassett appeared this year.

In the foreword to the catalogue it was stated that many magnificent prints, produced by leading photographers throughout the world, had been selected.

Mr. Bassett's picture was No. 926, "Pouring Copper". The photograph was taken at Anyox this spring. It was a difficult subject, the result obtained being made

possible, only by the use of special ultra-rapid plates, and after many efforts to get the right effect.

Among the exhibitors at the Toronto Salon are famous photographers, professional and amateur, from all parts of the world, so that Mr. Bassett is to be congratulated on the success he has achieved.

Father: "Can you give my daughter the luxuries to which she has been accustomed?"

Suitor: "Not much longer. That's why I want to get married."

**MINING IN  
 BRITISH COLUMBIA**

Among the Canadian Provinces, British Columbia is the leading producer of Silver, Lead and Zinc. In this Province, about 45 per cent. of Canada's Silver, 97 per cent. of the Lead and 93 per cent. of the Zinc are produced.

British Columbia has produced approximately \$1,300,000,000 worth of minerals.

About 200,000 square miles of unexplored mineral-bearing lands are open for prospecting.

Practically every mineral known to be found on the Continent occurs to some extent in British Columbia

## Here and There

A total of 120 sailings to and from Halifax will be made during the coming season to the Old Country, the majority of which will be by Canadian Pacific steamships.

A rise in wholesale prices in Canada during September is considered to be one of the outstanding favorable events in the Canadian economic situation, according to a statement recently issued by the Department of Trade and Commerce.

Popularity of Canadian tobacco in the United Kingdom is increasing. For the eight months to August last, 8,950,568 lbs. of Canadian tobacco valued at \$2,545,380 was exported to Great Britain as compared with 4,917,128 lbs. valued at \$1,429,892 exported in the same period of 1931.

The Canadian silver production in 1931 was approximately 20 1/2 million ounces, or 10.5 per cent. of the world's computed production of 196 million ounces. Canada has for many years ranked third amongst the silver-producing countries of the world, being exceeded by Mexico and the United States.

New Brunswick is to stage the North American Cover Dog International Trials as an annual sporting event. Success of two days' trial concluded at Peterborough recently, has brought about formation of a permanent dog fanciers and owners association which has fixed dates for 1933.

Photographs of Bangkok's shrines, temples, statues, and other places of interest in Siam taken during world cruises by Canadian Pacific liners, are being taken to Bangkok for King Prajadhipok by the Siamese Consul-General in Canada, who sailed for the Far East on the Empress of Asia recently.

Hon. Herbert M. Marler, Canadian Minister to Japan, left for Tokio recently aboard the Empress of Asia after a two-month vacation in Canada, strong in the belief that the Dominion is on the threshold of great trade developments in the East. With 500 million people in Japan and China, the possibilities, said the Minister, are incalculable.

China is on the eve of an era of tremendous development in railway expansion, engineering works and general trade, in the opinion of Major W. S. Nathan, chairman of the Pekin syndicate, who recently sailed on the Empress of Japan from Shanghai to Victoria en route for England. Rationalization and expansion of China's railways would be the first step in this expansion, he stated.

Three months in the unexplored regions of the Fairweather Range in Alaska, with mountain climbing, airplane explorations, and skiing, was the unusual summer holiday of a party of Harvard undergraduates, headed by H. Bradford Washburn, Jr., president of the Harvard Mountaineering Club, who returned on Canadian Pacific "Imperial" train to his Alma Mater recently. "We had had luck with weather and snow," said Mr. Washburn, but otherwise the party is bringing back some very interesting moving pictures of their experiences. (873)

## Output Of Pioneer Mine Will Be \$2,500,000 Per Year

Tripling of the mill capacity at Pioneer Mine in the Bridge River District, now completed, may be depended upon to add considerably to the lode-gold production of British Columbia. The former 100-ton mill was turning out gold at the rate of approximately \$75,000 monthly so that an annual production of, in the neighbourhood of say, \$2,500,000 is looked for from the 300-ton mill. In any case

## Short Time In Idaho Mines

Federal Mining and Smelting company has resumed operations at the Morning and Page mines, Wallace, Idaho, on a 12-day a month basis to provide employment for the winter months.

Pioneer will be the leading gold producer in B. C. The milling operation is being gradually tuned up to the 300-ton rate, but it will not be running to full capacity until all the cross cutting from the new three-compartment shaft to the main vein on all the levels down to 1,625 feet is completed.

Eastern Visitor: "I've just been admiring your sunset."

Cowboy: "Somebody's bin string-in' ya, stranger, it aint mine."

Gold production in British Columbia in June was 18,686 ounces, compared with 17,534 ounces in May.

An insurance agent secured admission to the office of a Big Business Man at the close of the day.

You ought to feel highly honored, young man. Do you know that today I have refused to see seven insurance men?" "Yes sir I know" said the agent, "I'm them."

## Canadian Exports To Britain Shows Increase

Canada's exports to Great Britain in September totalled in value \$19,492,417, which is the highest during the present calendar year. It compares with \$15,226,258 in September 1931. The August export to Great Britain was \$17,505,214.

Canada's exports to the United States in September totalled in value \$11,437,151. This is the lowest purchase the United States has made from Canada in any month since April, 1915.

# GOVERNMENT OF THE DOMINION OF CANADA

## Four Per Cent. Loan---1932

The Minister of Finance offers for public subscription

### \$80,000,000

## Dominion of Canada 4 Per Cent. Bonds

Bearing interest from 15th. October, 1932 and offered in two maturities, as follows:

\$25,000,000— 3 YEAR 4% BONDS; DUE 15th. OCTOBER, 1935

\$55,000,000--20 YEAR 4% BONDS, DUE 15th. OCTOBER, 1952

Subject to redemption at par and interest on or after 15th. October, 1947

Principal payable without charge, in lawful money of Canada, at the office of the Minister of Finance and Receiver General of Canada at Ottawa or at the office of the Assistant Receiver General at Halifax, Saint John, Charlottetown, Montreal, Toronto, Winnipeg, Regina, Calgary and Victoria.

Interest payable half-yearly, 15th. April and 15th. October, in lawful money of Canada, without charge, at any branch in Canada of any Chartered Bank.

### Denominations:

3 YEAR BONDS, \$1,000

20 YEAR BONDS, \$500 and \$1,000

The proceeds of this Loan will be used to retire \$34,449,950 of bonds maturing 1st. November, 1932, and to provide for the general purposes of the government and the Canadian National Railways.

The Loan is authorized under Act of the Parliament of Canada, and both principal and interest are a charge on the Consolidated Revenue Fund of Canada.

The amount of this issue is \$80,000,000. The Minister of Finance, however, reserves the right to allot or reject the whole or any part of subscriptions received, provided such allotments do not increase the principal amount of the issue by more than \$25,000,000.

Applications will not be valid on forms other than those printed by the King's Printer.

ISSUE PRICE **3 Year Bonds, 99.20** and interest, yielding **4.28 Per Cent.**  
to maturity  
**20 Year Bonds, 93.45** and interest, yielding **4.50 Per Cent.**  
to maturity

Payment to be made in full at time of application or in the case of the 3-year bonds, on allotment.

Subscription lists will open on 31st. October, 1932, and will close on or before 16th. November, 1932, with or without notice, at the discretion of the Minister of Finance. Subscriptions will be received by any branch in Canada of any chartered bank and by recognized dealers from whom official application forms may be obtained.

## Lively Basketball Bouts Delight Anyox Crowds

In the first game played on Friday the 28th. Mechanics vs. High School, the machine men started slowly, but finally got together and pulled a ragged basketball game out of the fire, when they downed the students 18-9. The High School squad out-scrambled their heftier opponents in the first half and ended on top 6-4. The second half opened with Mikeli leading the Mechanic drive that smothered all the efforts of Freddie Gordon and Co. Failure of the dribble attack was the downfall of the High School. Gillies and Patrick shared the scoring honors for their respective teams.

High School: Patrick-4, Dresser, Gordon-2, Shields-3, Deeth, Dodsworth—Total 9. Mechanics: Mikeli-2, Gillies, J.-6, Gillies-4, Buntain-2, Dresser. C.-2, Sanderson, Dodsworth-2—Total 18.

In the Senior Girls' game the Spooks won in a walk over the Pals, turning in a score of 18-3. At half time the Spooks were on top 5-1. The Pals started after the breather, with some nice passing work, but could not keep up with the scoring ability of their opponents. K. Eve and J. Roberts were landing them in an uncanny fashion. Amy McDonald saved a whitewash when she scored the only field goal for the Pals late in the last half.

The Concentrator team put themselves at the top of the percentage column by winning 40-27 against the Vandals. McDougall got away for six points right at the start, but the Miners came right back with counters by Davies and Calderoni. The millmen still had a slight edge, and it took two timeouts by the Vandals to keep them in the running. At the start of the second frame the weakness of the Vandals' guard became apparent, when Dodd and Steele ran in five quick baskets. Walmsley played a grand game, but could not get his boys working well enough in the defence to stop the Concentrator sharpshooters. McDougall, Dodd and Steele led the scoring for the winners.

## Scout Charter Presented At Interesting Function

Continued from Page 1 equipped as a classroom. The Rovers showed what would probably happen if our own Government adopted a similar measure on the score of economy. The school-boat has visited the northern metropolis of Hastings Arm. Schoolmaster Cutler is in charge and calls the roll. An intelligence test proved an utter failure, many laughable answers resulting. Dainty refreshments were served thus ending an enjoyable evening.

Poppies will be on sale on Thursday.

## THE PICTURES

### "SOOKY"

SATURDAY, NOV. 5th.

"Sooky", adapted from the book "Dear Sooky" by Percy Crosby is a Paramount Picture par excellence. America's grandest screen family again raises the roof in Shantytown. Jackie Cooper and Robert Coogan, with Enid Bennett and Williard Robertson (Skippy's very own mother and dad) give you all the talent you could wish. Filmland's greatest little stars, their playmates and pals, their heartaches and joys, will give your heart the grand and glorious thrill that comes once in a lifetime.

Shorts for Saturday are: "Old Songs for New", Hollywood Beauty Hints, Paramount News.

### "LADIES OF THE BIG HOUSE"

TUESDAY, NOV. 8th.

With Sylvia Sidney, Gene Raymond, Wynne Gibson, Rockcliffe Fellowes, Earle Foxe.

Paramount presents an exceptional vehicle for intense dramatic action in this picture. It has for its leading featured artists two talented personages who recently sprang into public favor because of their dramatic ability, their personality, and their good looks: Sylvia Sidney and Gene Raymond. On the eve of their wedding day they are cruelly separated by the law.

Tuesday's shorts: Spot on the rug—a Mack Sennett 2-reel. Bubble Blowers—a beautiful one-reel.

### ANYOX NOTES

Dr. Mandy left on Wednesday for Prince Rupert.

J. McColl left on Monday for Port Simpson, where he will visit his parents who recently arrived from Cassidy.

J. A. Anderson left on Monday for a short business trip to Stewart.

Mrs. M. J. Sheen and her two children returned on Monday from a visit to Vancouver and other southern points.

S. H. Bartman returned on Monday from a holiday visit to Ontario.

## CANADIAN NATIONAL

A man's own good breeding is the best security against other people's ill manners.

He who would receive co-operation must give it; co-operation was born a twin.
