Anyox Moose Install Officers for Coming Year

The installation of the newly elected officers of Anyox Lodge No. 1412 Loyal Order of Moose was held on Wednesday evening, at the Lodge Room, when a large number of members were present. The newely elected officers are composed of substantial well known men, and under their guidance the local Lodge should increase and prosper throughout the coming year.

Following are the newly elected officers:

Dictator—H. Ward.
Vice-Dictator—J. J. Varnes.
Prelate—D. McAulay.
Treasurer—W. Rowlandson.
Sergt.-at-Arms—O. J. Hutchings
Inner Guard—S. Pynn.
Outer Guard—S. Peters.
Orator—J. A. Hume.
Secretary—J. W. Webster.
Trustees—Capt. A. Cameron.
J. Foxley.
H. Goebel.

Simmond's Cup Given to Gophers at Dance

The ladies of the local basketball teams wound up their successful season by putting on a basketball dance in the Recreation Hall on Friday April 23rd. The Hall gave one the impression that this was an impromptu affair, as far a decorations were concerned, but considerable pains and forethought was soon noticeable by the tasty supper provided, which the ladies provided themselves, and the music given by Pynns' Orchestra was enjoyed by all.

At this dance the Simmond's Cup was presented to the captain of the winning team by Mr. Fricker with a few well chosen remarks, and was received by Mr. S. Stewart captain of the Gophers Team, who replyed in a most creditable manner. Dancing was enjoyed from 9 p.m. until 2 a.m.

Recreation Hall Monday May 10.

Wm. Hart Again Re-elected Librarian of Mine Club

For the ninth consecutive year Bill Hart becomes the secretary of the Mine Library, as a result of an election by ballot this week; when he beat his opponent at the polls, by a majority of 69 votes. It is so many years that an election has taken place, that the event created the keenest interest—members coming up from underground during the noon hour and hurrying to vote, although dressed in "diggers." The Library upon the hill is popularly known as a "Godsend," and old timers are so used to Bill Hart as being a part of the institution, that speculation as to his re-election easily savored the result. "Nobody could do better" was the opinion of his supporters.

Alice Arm Bean Supper Proves Attractive

The good old fashioned bean supper, given by the Willing Workers of the Anglican Church Sunday School last Saturday was an unquestionable success, viewed from any angle.

Those rich dark brown tasty little beans were there in profusion, supplemented by salads, Boston bread, white bread, cakes etc. while vases of flowers decorated the tables and artistically arranged greenery adorned the walls. A bean supper with all the frills, and the cuisine of a city restaurant.

The steady stream of customers kept the waitresses busy from 5 p.m. until 7.30, when by that time everyone's needs of the inner man had been amply provided for.

The sum of $28.35 was realized, after all expenses had been paid, which was very satisfactory.

Mrs. N. Fraser, superintendent of the Sunday School, was the organizer, and she was assisted in the cooking by Mrs. G. Bruggy and Mrs. Al. Falconer. The waitresses were: Mrs. E. Ness and Mrs. O. Evindson; Mrs. Wm. Cummings was cashier, and Mrs. J. Graham assisted in the kitchen. Numerous ladies also provided cakes and assisted in various ways toward the success of the supper.

Alice Arm Tennis Club Hold Annual Meeting

The annual meeting of the Alice Arm Tennis Club was held in the Anglican Church on Monday evening and the meeting was well attended.

Mr. Al. Falconer, president, and A. D. Yorke, secretary were re-elected, and Mrs. H. F. Kergin was elected vice-president. T. Tavener and H. Fowler were elected as an executive committee to act in conjunction with the officers.

The secretary was glad to state that the finances of the Club were satisfactory, they were now out of debt, and had a small sum to their credit.

It was decided to reduce the membership fee to $8.00 instead of $10.00 which was the fee last year. Family tickets will be $10.00.

It was also decided to repaint the court.

A communication from the B. C. Lawn Tennis Association was read, extending an invitation to the local club to join the association. No decision, however, was reached, but will be decided later by the executive committee.

A. Davidson and Wm. McLean will leave tomorrow morning for the upper Kitsault country. A Davidson will thoroughly prospect the Silver Hoard group. and Wm. McLean will commence development work on the David Copperfield.

Recreation Hall, Monday May 10

B. P. O. Elks Entertain Lady Friends at Social Event

The Anyox Lodge No. 47, B. P. O. Elks, held a very successful At Home on Monday evening, after the regular meeting which was convened at 7.30 p.m.

The Brother Bills entertained their wives, lady friends and guests, the occasion being their Annual Roll Call and At Home.

Bridge and whist were played, the lady winners for bridge were:

Mrs. Geo. M. Lee, 1st. prize; Mrs. A. Morton, Consolation prize.

Gents' Bridge: Mr. H. Chapman, 1st. prize; Mr. B. M. Buck, Consolation prize.

The winners for Ladies' whist were:

Mrs. O. K. Dwyer, 1st. prize; Mrs. S. Grimason, Consolation prize.

Gents' whist: Mr. T. J. Kirkwood, 1st. prize; Mr. J. Richie, Consolation.

After the card prizes were presented a dainty supper was served in the Dugout, during which the guests were entertained with selections on the piano by Dr. Davis, and Mr. S. Armstrong on the violin. Messrs. B. Sheen and J. Buntain also added to the evening's entertainment.

After supper, dancing was enjoyed until 1 p.m. The orchestra for the dance music consisted of Dr. Davis, S. Armstrong and Ed. Waterman, who rendered excellent music.

This event was very successful, and has added more laurels to the Brother Elks, who long ago made a name for themselves, for hospitality and good fellowship.

ALICE ARM NOTES

J. McDonald left on Monday for Atlin, where he will again spend the summer months.

W. A. Talbot was an outgoing passenger on Monday.

J. Strombeck, arrived home on Monday from Vancouver, after spending three weeks in the southern metropolis.

ATTENTION. The Carlton Cafe will be opened for business today with a full line of eatables, to suit the most fastidious tasts. It adjoins the Pioneer Hotel, and is operated by J. Trinder.

The Dolly Varden railway repair work will be completed through to Camp 8 today, and the road is now open to traffic. Mining companies and prospectors can now ship their supplies through to the end of the steel. This early opening of the railway constitutes a record, and it is being taken advantage of by mining property owners, who desire an early start.

The Willing Workers of the Sunday School wish to extend their thanks to all the ladies who assisted in making the bean supper such a brilliant success.

C. H. Homer, provincial assessor arrived in town yesterday from Prince Rupert.

Dr. and Mrs. D. R. Learoyd and daughter arrived yesterday from Anyox, and are the guests of Mr. J. A. Anderson over the week-end.

Mr. and Mrs. Ed. Pickett arrived from California yesterday, and will spend the summer months here. Ed. will develop the Tiger property again, which joins the Toric. They travelled from California to Vancouver in their own car, a distance of 1500 miles.

Norman McLeod, who spent the past winter at Anyox mine, arrived home yesterday and will spend the summer developing his various mining properties.

D. Greenwell was an arrival from the south yesterday.

Constable W. Smith was an arrival in town yesterday from Anyox.

Mrs. E. Volkonch of Anyox spent a few days this week with Mrs. N. Sutilovich, returning home today.

P. Lekich, brother-in-law of N. Sutilovich, arrived from Europe yesterday.

T. Hicks, auditor of the Liquor Control Board, was an arrival in town yestesday.

Recreation Hall Monday May 10.

The many friends of Dr. and Mrs. P. Whelan, were shocked to hear last Saturday of the untimely death of their only son Paul, who was suddenly killed by an automobile in Seattle. The heartfelt sympathy of their many friends in Anyox and Alice Arm is extended to them in their sad bereavement.

Anyox Mosquito Fleet and Shipping Notes

The M. B. Bernice is in fine running order after a general overhaul and is installed with a 20 H. P. engine. Charlie Clay is going around with a big smile these days which is a sure sign of satisfaction.

Bill Eve is quite pleased with the alterations he has made on the good ship "Effee". The only thing that is worrying him at present is if he opens up the engine too much the stern is likely to submerge.

The M. B. "Wildcat" looks a slick little craft with her new spring coat of paint.

Sam Herrin has again taken to the "Edrona", for spending his time in the "Land of Nod."

J. A. Stewart is just dreaming of all the pleasure the family and himself are going to get out of that clinker built boat he has just acquired from Capt. Nedden.

M. B. "Pride of the West" was in port on Monday. She is owned and operated by the Universal Knitting Co. of Vancouver and is a neat craft.

S. S. Marmion left on Saturday, towing scow Pioneer for Stewart She returned on Tuesday at 3 p.m. with 250 tons Premier ore, towing scow Griff loaded 1000 tons Premier ore.

S. S. Mogul left for Stewart on Tuesday, at 9 p.m.

Recreation Hall Monday May 10.

Swimming Pool For Silver City Visitors

An added attraction for Anyox tourists at Silver City is being provided by the forming of a swimming pool. The pool adjoins the float and the work of cleaning it out is almost completed, Mr. Chas Hutchinson is responsible for the installation of this necessary adjunct, and states that a dressing room for men has been provided on the float.

Flow of Visitors From Anyox Commence

A party of young people of Anyox were visitors to Alice Arm last Sunday. The trip was made on the launch Bernice, owned by Mr. Clay, and an enjoyable time was spent amid the greenery and flowers. A visit was made to Canyon Creek where the magnificent falls were greatly admired.

Those comprising the party were Mrs. Clay, Janet Morley, Bonnie Chapman, Helen Wall, Ted Swanson, George Johnson, Homer Clay, Eddie Clay, Theodore Asimus, Stanley Jones.

The Ladies of the Local Order of Mooseheart put on a very successful sale of work in the Catholic Hall last Saturday afternoon.

E. MOSS, Editor and Publisher.

The Daily Province in their issue of April 22nd. published an eight page mining edition. The whole was composed of well written articles, dealing with mining operations throughout the province and was profusely illustrated.

Included in the articles, was a very instructive one written by H. F. Kergin M. L. A. in which he portrayed the mining industry of the Atlin constituency, including the Alice Arm district.

A half page article, written by J. S. Williamson, relative to mining operations at Anyox since the Hidden Creek mine was first staked was a feature of the edition. Mr. Williamson showed himself conversant with conditions at Anyox, and the history of the camp was very interesting. He also showed how the people of the province benefitted as a whole from the operation of the Hidden Creek mine.

The publishing of a supplementary mining edition is a new departure for the Vancouver Province. It clearly shows that the people as a whole are commencing to realize the importance of a prosperous mining industry. Newspapers publish news that the public desire, and the Province is alive to the situation. We are pleased to see the Province stepping out, and hope that similiar mining editions will be more frequent in the future than in the past.

Owners of zinc properties in this district can find a ready market for their concentrates, if they can obtain finances to equip their property with a mill. Belgian and Welsh smelting companies are eager to accept supplies of zinc or lead concentrates. California is taking advantage of this opportunity. The San Francisco Examiner of April 11th, states that the Bully Hill camp, Shasta County is shipping its entire output of 50 tons daily to Antwerp.

"Far away fields look green" is an old and true adge. Sometimes the farther they are away the brighter the emerald hue. Thousands of people living in Canada really believe that if they were living in the United States, all their troubles would be over, and peace and happiness would be theirs. They have visions of hundreds of thousands of people clamoring to gain admittance to this land of promise. They believe that tens of thousands are denied admittance each year, since the quota law was passed. An analysis of immigration figures for the first seven months of the present quota year, by the U. S. A. National Industrial Conference board shows a net loss in common laborers of 8,797, compared with a net loss of 21,245 for the same period last year.

The bulk of immigration is from Canada and Mexico, the figures reveal, with Great Britain, Ireland, and Scandinavian countries supplying less than their quota allowances. While 2,714 Italians, a great deal less than the quota allowed, entered the seven-month period, 21,758 left America for Italy.

The above figures prove that the stories circulated of the tremendous rush of the rest of the world to get into the United States are false. and that the people of Canada have been misinformed. For those you have the willingness to work and progress, Canada is better than any country in the world. We have the space, the resources. and the people,(the best on earth) and boundless opportunities exist for those who take advantage of them. Instead of yearning for the light green of other fields, we should scrutinize the dark green vendure of our own fields, and bend our energies in building up a country equal or superior in population to our southern neighbours.

Canadians and Americans Equal on Income Tax

The reduction in income taxes announced in the Canadian budget will bring the taxpayer of moderate means in the Dominion to about the same position as his fellow across the border. Heads of families in Canada, however, still have to pay on $500 more than will the heads of families in the United States.

Exemptions for single persons in Canada, $1,500; in United States, $1,500

For married persons in Canada, $3,000; in United States, $3,500.

The exemption for children and dependents in the United States is $400; that in Canada is $500.

The rate on income up to $10,000 is 2 per cent, minus 25 per cent. for "earned income," this to be considered as the first $5000 net income.

Marmot Metals Mining Co. Commence Operations

The Marmot Metals Mining Co. who own the Montana property on the Marmot river at Stewart will re-commence operations on May 1st. Mr. Angus McLeod, who was in charge of operations last year, will again fill the same position.

In the Montana, the Marmot Metals have one of the most promising properties in the whole Stewart district, development work carried out last year, added new ore ledges in addition to those already known to exist, and this year's development work will considerably enhance the value of the property.

The management of the company is one of the soundest in the province, and included in directorate are some of the outstanding men of the province, noted for their integrity and sound business principles. The directors are: Dr. R. E. McKechnie, Vancouver; B. S. Heisterman, Victoria; C. W. Warren, Victoria; Angus McLeod, Stewart; H. W. M. Rolston, Stewart.

Mr. Geo. Clothier in his Summary of mining operations, commenting on the Marmot Metals Co. said: "The management of the company is sound and the prospects of developing a small property are good."

It has been decided by the vendors of the property that they escrow their shares for an additional one and two years. This, what can be termed re-escrow of the vendors' stock, is conclusive proof of the faith of the original owners in the future of the property, and the determination to make a mine. Particularly is this the case when it is realized that they took stock in total payment for the property, and are thus banking entirely on its future, denying themselves the privileges accorded the ordinary shareholders who are at will, able to sell their holdings. On these grounds it can be truly said that the vendors of Marmot Metals are taking, if any exists, a greater risk than they ask of the shareholders.

Guggenheims Negotiate for Stewart Property

At a largely attended meeting of the shareholders of Victoria Mines Ltd., held in Victoria, the action of the directors in negotiating a deal with James L. Freeburn M. E., of Seattle, was ratified. Under the terms of the deal Mr. Freeburn will make an examination of the property with the object of putting it into production at an early date.

The Victoria adjoins the Dunwell on the north and is believed to carry the extension of the Dunwell vein system. Mr. Freeburn was general manager of the famous Chichagof gold mine in southwestern Alaska during the time that it paid $8,000,000 in dividends.

It is reported from Victoria that Mr. Freeburn represent the Tacoma Smelter, interests, otherwise the Guggenheims; that the mine is to be worked at once, the ore shipped to Tacoma and 40 per cent of the profits paid to the Victoria Mines Company.

Getting It

She: "I demand a little attention; am your wife."

He: "Don't worry; I am giving you a little as possible."

B. C. Population is on The Jump

British Columbia's population has shown a remarkable growth since the census of 1921, according to figures compiled by government officials on the basis of school population.

The total population of the province, set at 524,000 in the census, is on the edge of the 600,000 at the present rate of growth, it is estimated.

The present population is conservatively estimated at 587,000. This figure is reached by multiplying the school population by six, a calculation based on the average ratio of school attendance to total population in recent years. This would be a growth of approximately 15,000 a year since the last census, and another year's gain on this basis would make the total population over 600,000.

Radio Industry Consumes Large Amount Copper

The radio industry has more than doubled its consumption of copper during the last two years and is now approximating 10,000,000 lb. a year, according to the Copper and Brass Research Association.

From an average of 2 1-2 lb. per set in 1924 and 4 lb. in 1925, copper consumption has been increased to 6 ld. per set through a long series of refinements and installations, the association report shows. Among these improvements are the greater number of tubes, refinements in circuit design, use of brass for panels and the adoption of shielding or lining for the interior of cabinets, so that installations are completely enclosed in metal.

Brass panels represent increased copper consumption of from 1-2 to 2 lb. per set, and the shieldings add from 1. to 4 lb. of copper per set.

Tin Being Recovered From Sullivan

The Consolidated Mining and Smelting Co. of Canada is recovering from one-half to two tons of tin, in the form of cassiterite, per day, as a table by-product from its Sullivan mine ore, and is setting it aside for future treatment. A number of small ingots of tin have been made from the mineral in the company's labatory. The recovery is of much interest, as this is the first time tin has been recovered locally.

"GOVERNMENT LIQUOR ACT"

Notice Of Application For Beer Licence

Notice is hereby given that on the 29th. day of May next the undersigned intends to apply to the Liquor Control Board for a licence in respect of the premises, being part of the building known as "Sunset Hotel", in the Town of Alice Arm, Province of British Columbia, upon the lands described as Lot 10, Block 1, in Subdivision of Lot 1074, Cassiar District. Map 1222, Prince Rupert Land Registration District, in the Province of British Columbia, for the sale of beer by the glass or by the open bottle for consumption on the premises.

DATED this First day of May, A. D. 1926.

John Thomas
Applicant.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

Production for Year Ending December 1924, $48,704,604

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing

THE HON. THE MINISTER OF MINES,
VICTORIA, British Columbia

N.B.—Practically all British Columbia Mineral Properties upon which development work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B. C. Reports of the Geological Survey of Canada, Pacific Building, Vancouver, are recommended as valuable sources of information.

Anyox Football Association Elect Officers

A meeting was called in the Gymnasium Sunday evening, at 7.30 p.m. for the purpose of electing officers and to discuss arrangements for the coming season's football. This meeting was well represented. The officers elected were: President, Pete McDougal; Vice-President, R. Deeth; Secretary. David Wilson.

The same constitution will be used as last year. The Executive committee were instructed to arrange an opening date and to draw up the season's schedule of games.

Disappointed

"All right back there?" called the conductor from the front of the car.

"Hold on," said a feminine voice, "wait 'till I get my clothes on."

The entire carful turned and craned their necks expectantly. A colored girl got on with a basket of laundry.

J. L. Stewart was an arrival from Prince Rupert on Monday.

Mrs. T. Gilmour arrived home on Monday from a vacation spent in Vancouver and coast cities.

Mrs. M. Stevens, who has been visiting her daughter Mabel in Vancouver, returned home on Monday.

Mr. and Mrs. Clearick were out bound passengers for the south on Monday.

J. Erickson was a passenger to Vancouver on Monday.

G. H. Sykes was an outbound passenger on Thursday for Telegraph Creek, Atlin country.

J. Swanson, mine superintendent, was a passenger to Prince Rupert on Thursday.

Miss McGilivary was an arrival from the south on Thursday.

Among the arrivals on Thursday from the south, were: E. J. Butler, E. McGhee, V. Darenville, A. Knoch, P. Kidd, G. A. Castle, H. Smith, N. Stedhishim. T. Hicks, C. Rowbottom, B. Hurst, R. E. Moore, C. M. Bevan. N. Murchure, B. Bowine, Mr. Davis, Mr. Lewis, Mr. Robertson, Mr. Corrin.

Among the departures on Thursday, were: V. Roy, and C. M. Brown.

A clergyman gave out the hymn, "I Love to Steal Awhile Away," and the deacon who led the singing began "I love to steal—"but found he had pitched the note too high.

Again he began: "I love to steal—" but this time it was too low. Once more he tried: "I love to steal—" and again got the pitch wrong.

After the third failure the minister said, "Observing our brother's propensities, let us pray."

"PROVINCIAL ELECTIONS ACT"

ATLIN ELECTORAL DISTRICT

NOTICE is hereby given that I shall, on Monday, the 17th, day of May, 1926 at the hour of 10 o'clock in the forenoon, at the Court House, Anyox, hold a sitting of the Court of Revision for the purpose of revising the list of voters for the said electoral district, and of hearing and determining any and all objections to the retention of any name on the said list, or to the registration as a voter of any applicant for registration; and for the other purposes set forth in the "Provincial Elections Act."

Dated at Anyox, B. C., this 6th. day of April 1926.

R. M. McGUSTY
Registrar of Voters,
Atlin Electoral District.
