5 cents each.

To the residents of Northern and Central British Columbia, I extend my sincere wishes for a Happy Christmas and a Prosperous New Year.

Olof Hanson.

## Dr. Lang Receives Gift From Can. Legion

A pleasant surprise awaited Dr. J. W. Lang on Friday last, when he was invited to meet Members of the Anyox Branch Canadian Legion, at their quarters in the Elks' Building. There was a large turnout of members who had met to do honour to their comrade, Dr. Lang, who is leaving the district. Dr. Learoyd spoke of the good work that had been done by his colleague as a Legionaire, and wished him well in his new sphere. The departing member was made the recipient of a case of pipes, the presentation being made by the president of the branch, J. A. D. Stewart.

In expressing his regret on having to sever his connection with the branch, Dr. Lang stated that he had many happy associations with the Legion in Anyox. He had been a member of the Branch for many years, and had served as president for one year, but did not feel that he deserved any special credit for having thus done his duty. He looked upon the time of his residence in Anyox as the most pleasant part of his life. He brought greetings from Mrs. Lang to all the members, and along with her he expressed a sincere wish that the branch would continue and perform its function for the full life of the camp.

Community singing and other diversions, together with refreshments, made up a social evening which was very enjoyable.

The Prospectors Club of Stewart has been incorporated under the Societies Act, it is announced in the B. C. Gazette. The objects of the organization are enumerated as follows: "To form a club for amusement and social purposes, to provide rest and recreation rooms and, upon obtaining suitable quarters, to include badminton, basketball and gymnastics for its members."

Rev. W. A. Delap of the Anglican Mission launch Northern Cross, desires to express the wish that his friends in this district, will spend a very Happy Christmas.

May you all spend a very Happy Christmas is my sincere wish to

## Mrs. Lang Honored By I. O. D. E. Members

A special meeting of the members of the Collison of Kincolith Chapter I. O. D. E., was held in the Legion Hall on Friday afternoon, December 14th, for the purpose of doing honor to their Regent, Mrs. J. W. Lang, who was leaving the district. There was a good attendance of members.

Mrs. Lang has been a loyal and untiring worker as a member of the Chapter, to which she has belonged for eight years. She has held the office of Regent during five years of this time. During the afternoon she was made the recipient of a silver water jug, the presentation being made by Mrs. W. F. Eve, second Vice-president of the Chapter, who made reference to the splendid work that had been done by Mrs. Lang, and stated that she would be greatly missed by her associates. The departing member would take away with her the best wishes of the organization for her future welfare.

In replying, Mrs. Lang declared her intention of continuing in the work. She had spent many happy years in Anyox and would have pleasant memories of her associations here. Mrs. Lang is returning to the Chapter of the I. O. D. E. to which she originally belonged in West Vancouver.

On Tuesday next, the people of Anyox and Alice Arm will again celebrate the great Christmas festival, and there is no doubt that it will be joyously celebrated by everyone. Due to the uncertainty of continued operations at Anyox, the old-time carefree joyousness of former years may not be so much in evidence. But one thing is certain, everyone will enjoy a good Christmas dinner with all the added pleasure.

## Children's Badminton Keenly Contested

A Badminton tournament for junior players was held at the gymnasium on Saturday evening, December 15th, for which there were forty-two contestants. This tournament was promoted by the Senior Badminton Club, a committee of which is active in training and supervising the junior players.

Three courts were used for the tournament, the winners being as follows: A. Court, Robert Kent and Hugh MacDonald; B. Court, Janet Barclay and Walter Ulich; C. Court, Dorcas McInnes and Violet Vine. A supper was afterwards provided, during which the prizes were presented by the president of the Junior Club, Leslie Murdoch. Several grown-ups attended to watch the games. It is proposed to hold another tournament in January.

## Anyox Notes

Dr. and Mrs. J. W. Lang and daughter Patricia, left on Monday for Vancouver, where Dr. Lang has purchased a practice.

W. T. Tamkin left on Monday for Vancouver to join his family.

Master R. Wynne returned on Monday to spend the holidays with his parents here.

T. McCloskey and D. M. Cleal arrived on Monday from the south.

Mrs. D. T. Evans arrived on Wednesday from a visit to her home at Idaho.

Mr. and Mrs. A. G. Jackson left on Wednesday for the south.

Mr. and Mrs. W. O'Brien left on Wednesday for Prince Rupert.

Miss Grace McDonald left on Wednesday for a visit to Vancouver.

V. J. Southey left on Wednesday for southern points.

## New Year Dance Is An Annual Institution

A New Year in Anyox without the well-known Elks' New Year Dance would seem strange indeed, as this event is inseparable from that milestone in our lives. It is a time when all care and worry is forgotten, when everyone enters with zest into the hilarity and fun which the occasion brings. The various details which go to make up an enjoyable evening are being carefully attended to by the Brother Bills. The decorations, the floor, the music, the novelties, and the supper—These will leave nothing to be desired. Plan to go early and make it a long evening. You will enjoy it so much that it will be all too short!

## Anyox Junior Badminton Club Active Body

Last season a few enthusiastic members of the Anyox Badminton Club undertook the training and supervising of a number of junior players. A tournament was held which proved to be a great success.

This effort has resulted in the formation of a Junior Badminton Club, which numbers over forty members and has its own elective officers.

The president of the club is Leslie Murdoch, Vice-president, George Kent; Secretary, Nadine Wenerstrom; Committee, Alex. Wardrope Isabel MacDonald and Margaret Smith. The club has a regular evening for practise, and its members are most enthusiastic over the game. Many of them would give some of the senior members a real battle over the nets.

## Successful Party Held By H. S. Students

The Ex-High School students opened the Christmas season with a party in honor of those now attending the Anyox High School. The Party was held in the Oddfellows Hall on Friday, December 14th. The early part of the evening was spent playing games these being topped off with a "Jelly Eating Contest" between Tom Cloke and Frank Dodsworth. Both the contestants were out to win and so staged a very thrilling and amusing fight for supremacy, but alas they were too good for each other, so the contest ended in a tie. Another feature of the evening was the arrival of the first year students dressed in their initiation costumes.

After a delicious supper, dancing was indulged in for the rest of the evening, the music being supplied by Buntain's Orchestra. Miss Joan Bidelow, a pianist, also assisted in making the evening a success. A large number of the young people were present and had a very enjoyable time.

## "Fresh" Men and Women Initiated

The time honored custom of the Anyox High School in initiating the freshmen or first year students was enacted again on Friday evening, December 14th. The "victims" were thirteen boys and girls, who hold the distinction of being the youngest class, to ever have entered the local high school. After being solemnly installed as privileged members of the school by their seniors, they were marched through the streets dressed in their ridiculous attire, to the Oddfellows Hall, where a party in their honor was being held by the Ex-High School students.

**The Christmas Spirit**

Anyox and Alice Arm in company with all Christendom, will on Tuesday next celebrate the big festival of the year. On that day our Saviour was born and shortly after his, death nearly 2000 years ago, until today, his birthday has been joyously celebrated. It is honored by many people of different colors, in all climes, and after nearly 2000 years the enthusiasm is as great as it was then. There is a reason for this continued enthusiasm and the cause is not hard to find. When Christ was on earth he preached the doctrine of friendship and brotherly love one toward another. He assisted the suffering and championed the cause of the lowly. On Christmas Day, we follow his example to the best of our ability. We swing along the street with a pleasant smile and heartily wish everyone a "A Merry Christmas." We visit our neighbours and they visit us, all our cares are forgotten on that day. We exchange gifts, greeting cards and good wishes, we feel happy because we are doing good deeds. It is nice to feel at peace with all mankind on Christmas Day and if we carried it on as much as possible throughout the year, the world would be a happier place in which to spend our brief lives.

You're going to hear a great deal more in the immediate future about "symmetallism," which simply means the use of an alloy of gold and silver as a monetary base. Apparently the proposal has no other basis than a desire to "save the face" of the poor deluded nuts, who have been insisting that the nations of the world could remain on, or return to, a gold standard. It seems rather silly to melt gold and silver up into alloys and then use the alloys as money, when it is just as easy to use the two metals separately on a bimetallic basis.—Northwest Mining, Spokane.

**Canadian Copper Production Declines**

Copper production in Canada during September declined to 27,623,000 pounds from the preceding month's total of 32,703,000 pounds and the September 1933 output of 30,720,000. An increase of 23 per cent was recorded during the first nine months of 1934 as compared with the corresponding period of 1933; the totals were 266,953,000 and 217,046,000. The output of blister copper in September amounted to 25,815,000 pounds; in the preceding month 29,169,000 were produced.

**Coast Brewers Place New Malt Beverage On The Market**

Coast Breweries Limited, owners and operators of the Silver Spring Brewery and the Victoria-Phoenix Brewery, Victoria, B. C., and the Westminster Brewery, New Westminster, B. C., have just placed a new malt beverage on the market under the name of "Lucky Lager." This new Beer has many exceptional features which distinguishes it from other beers now produced and sold in British Columbia. It is the result of considerable research and experimentation on the part of Adolph Brachat, well-known brewmaster, who has brewed Silver Spring Lager in this province for many years!

Lucky Lager is a light, sparkling beer with an unusual smoothness of texture and distinction of flavor without any loss of satisfying strength. It is what is known as a "krausenized" beer which gives it an abundant, rich foam that flows creamily from every bottle and lingers in the glass until the last drop is finished.

Lucky Lager is offered to the public as a Bonded Beer because the maturing and aging period it undergoes is guaranteed by a \$10,000 Bond. This is the first time Canadians have had a similar assurance as to the quality of the beer sold. Lucky Lager is held in the most modern and up-to-date storage cellars for a minimum of three months before a single drop is pasteurized and bottled for consumption. Vast, glass-lined steel tanks, subject to perfect refrigeration and sanitary conditions are used for this purpose.

A radically new and artistic label design and attractive dark bottles to keep out harmful light rays go to complete a new product that promises to win wide favour with those who enjoy healthful malt beverages.

**Earnings of The Canadian National Increase**

A betterment of \$6,501,976 in net revenue for the first ten months of the current year, as compared with the similar period of last year is shown in the monthly statement of operating revenues, operating expenses and net revenue of the Canadian National Railways all-inclusive system issued at headquarters. The statement shows an increase of \$1,140,978 in gross operating revenues for the month of October, as compared with October 1933, and an increase of \$14,887,407 in gross operating revenues for the first ten months of the present year, as compared with the first ten months of 1933.

A motorist stopped at a wayside general store and enquired of the rustic proprietor, "What have you in the shape of automobile tires?" "In the shape of automobile tires I have wreaths, life preservers, and doughnuts," was the quick reply.

Building permits at Prince Rupert for the ten months period totolled \$64,640, as against \$28,842 for the ten months of 1933.

### Where Four Centuries Meet

Uniting the sixteenth and twentieth centuries as typified in the lower left hand and the upper right hand corners of this group, stands the lordly Manoir Richelieu, the fashionable holiday resort at Murray Bay on the north shore of the St. Lawrence and the site of the activities of the "One Hundred Associates" of New France. The Casino, shown at the upper left, designed after the famous Chateau de Ramezay built in Montreal in 1705, now houses one of the most complete sound and talking picture installations on this continent.

Acoustic engineers of the Northern Electric Company have been working for some time with engineers of the Canada Steamship Lines, to effect the necessary treatment for the perfect reproduction of the best products of the moving picture studios, thus affording visitors to the Manoir Richelieu still another addition to the many attractions of this famous pleasure paradise.

### Wild Animals Friendly on Banff-Windermere Highway

MAMMA BEAR AND KIDS, LAKE LOUISE

BIGHORN SHEEP STOP CARS NEAR BANFF

CINNAMON BEAR NEAR BANFF

BOZO BEAR TRAFFIC COP

"The Friendly Road," by David Grayson, which is well-known to many lovers of nature, depicts incidents and friendliness of people along country roads and in the rural districts. There is, however, a road in the Canadian Rockies the friendliness of which is not due to mortals as in Grayson's book, but to the friendliness of animals. Animals termed wild, but in this instance a word that cannot be applied to those on the Banff-Windermere Highway. There is possibly no more beautiful road than this which runs from Banff to Lake Windermere, in the Columbia River Valley. The distance of 104 miles is spectacular and the scenes are constantly changing. The views from the high passes looking down into valleys, thousands of feet below, tiny lakes surrounded by al-

pine meadows, rivers crossed and re-crossed, and glimpses of cascades tumbling down slopes from dizzy heights are intriguing and beautiful.

To this natural beauty is added that of seeing the animals in their natural haunts. Rocky Mountain sheep are seen on the road along Vermillion Lakes not far from Banff. They are so tame that often motorists have to slow down as they will persist, almost to the point of danger, in standing in the middle of the highway.

Bozo, a black bear, is a friend to many motorists on the Banff-Windermere road. He comes out on the highway as if he had sole right to it. He does not resent these invaders in the least and really wishes to

show his friendliness. Sometimes he has lunches handed to him and the remarks of "nice old chap, fine old fellow," please him tremendously, and he will try to come even nearer. Bozo no doubt had many dreams during the winter of summer tourists, and possibly has figured out in true bear fashion just how to get the most out of the tourist season.

Deer are seen, also, on this famous highway, though not as often as other animals. They are regular visitors to Banff, and are frequently seen on the streets of the village. There are hundreds of miles of smooth motor roads through the Canadian Rockies, and devotees of the open road are visiting this region in increasing numbers annually.

### Gymnasium Is Closed During Festive Season

Devotees of badminton and basketball will take time off from their favorite sports, as from December 18th. to January 1st., the Gymnasium will be closed except for social events. Meantime such functions as the A. C. L. Annual Children's Party, Christ Church Annual Sunday School Christmas Tree, and the Elks' New Year Dance will have the big hall to themselves. Sports will be forgotten and festivity will reign.

### Christmas Services At The Catholic Church

The Midnight service, Solemn High Mass, will begin exactly at 12 p.m. The Choir will render special items. Sermon and Benediction of the Blessed Sacrament.

It is hoped that all Catholics will sanctify Christmas night in a christian manner by attending this service. All non-Catholics are also cordially invited.

On the morning of Christmas Day at 9:30 a.m. second Mass.

At 10 a.m. third Mass.

### Christmas Services At United Church

On Sunday morning, December 23rd, the Sunday School of Anyox United Church, is holding a White Gift Service, during which the students of the Sunday School will present gifts to be sent to less fortunate people.

On Sunday evening, Christmas Services will be held in the Mine Hall at 6:15 and in the Beach United Church at 7:45.

The Choir will sing Christmas Carols at each service. After the second service at the Beach a social hour will be spent in the Hall belonging to the Church.

A service will be held on Christmas morning at 10:45.

It pays to be careful with your diet. It also pays to be careful with what goes into your ears.

### Anyox Contributes Liberally To Christmas Fund

Adding its quota to the Christmas Cheer Fund for the Needy of Northern B. C., Anyox has contributed the sum of \$111.00 by means of public subscription. This amount, as per resolution passed by the A. C. L. Council on Wednesday 12th., has been forwarded to Constable H. J. Jennings at Vanderhoof B. C. for distribution. A detailed report will later be received showing how the money was disbursed.

Festive One—Whash yer looking for?

Policeman—We're looking for a drowned man.

Festive one—Whash yer want one for?

Not being able to pull any funny stuff at home, radio comedians have to use the air.

### New Record For Gold Out-Put This Year

A new high gold record is the goal of British Columbia mines. This achievement will be a fitting climax to a year of vigorous development, when British Columbia will close her 1934 chapter in mineral activities by reporting a new high record in the value of her gold output. Canada's third largest gold-producing province removed the last barrier to the new goal by eclipsing her 1933 record in the first nine months of the current year, when gold to the value of \$7,750,000 was produced. This compares with the 1933 total of \$6,955,700.

Policeman—Lady, dont you know this is a safety zone?

Woman Driver—Of course—that is why I drove in here.

### Recipe For Duck Soup Is Wanted

Who can give us a reliable recipe for duck soup? The more we hear about this delicacy—and it sounds so good—the greater our desire to try it. During the past few weeks most of us in Anyox have enjoyed the delights of roast duck—can it be possible that the bones could be utilized for soup? Some people would deplore such a ghoulish idea, and prefer to allow the bones to rest in peace; but epicureans would not scruple to use them if the resulting dish were a delicacy. And why not utilize everything possible in these times of depression? Frankly we are wondering if "duck soup" is a mere figure of speech or an actual reality, and if anyone can send us a tried and tested recipe for it they will confer a favor upon the numberless readers of this journal of the north.

The first helium gas to be discovered in Europe is said to have been obtained in Germany at a depth of 2000 feet.

Jobyna—Would you marry a woman who is a great talker, or the other kind, Ezry?

Ezry—What other kind is they?

Him—I hope you'll dance with me tonight.

Her—Oh, certainly, I hope you don't think I came down here merely for pleasure?

## The Minerals of British Columbia

This Province offers excellent opportunities for useful and profitable investment. British Columbia has produced OVER \$1,352,000,000 WORTH OF MINERALS.

The gross value of mineral production for the six months ended June 30th, 1934, exclusive of gold premium, is estimated at \$18,667,691.00, an increase of 50.5 per cent. over the estimated value of the production in the corresponding six-month period of 1933.

**GOLD PRODUCTION:** Gold production showed a decided increase; a total return in Canadian funds to the gold producers of British Columbia during the first six months for 1934 being approximately \$5,028,124.00, an increase of 81.3 per cent. over the return in Canadian funds received during the first half of 1933.
