Anyox Tennis Open Championships Being Played

Weather conditions have retarded the progress of the games in the Anyox Open Tennis championships, but quicker progress is now being made. Results so far are as follows:

Ladies' Singles, second round. Mrs. Sheen defaulted to Mildred Dresser, Isobel Gillies won from Mrs. Carrick 6-8, 6-0, 6-3. Mrs. Smith beat Flora Cavers 6-0, 6-0. Tess Gordon beat Mrs. Stretton 7-5, 4-6, 6-7. V. Eve was defeated by M. Leighton 6-0, 6-0. Mrs. McConnachie beat B. Lee 6-0, 6-1. K. Eve beat L. Dresser 6-1, 6-0. In the third round K. Eve won from D. Grigg 6-3, 6-4.

Ladies' Doubles, first round. K. Eve and M. Leighton won from Mrs. Cundill and Mrs. Larson, 6-3, 6-0. M. Dresser and Lillian Dresser from Mrs. Carrick and I. Gillies 6-3, 6-4.

Mixed Doubles, second round. K. Eve and R. Oatman won from Mrs. Kirby and F. Dodsworth Jr, D. Grigg and A. McDougall won from I. Gillies and Bud Gillies, M. Leighton and G. James beat K. Blakey and H. P. Kent, Mr. and Mrs. Cutler defaulted to Mrs. Larson and C. P. Ashmore, Mrs. Smith and O. G. Macintyre beat Mrs. J. McConnachie and A. E. Field, Mrs. Stretton and J. Buntain won from L. Dresser and W. Cavers, V. Eve and F.F. Brown defaulted to T. Gordon and F. Gordon. In the third round D. Grigg and A. McDougall won from K. Eve and R. Oatman 7-5, 6-4, M. Leighton and G. James won from Mrs. Larson and C. P. Ashmore 6-2, 6-0. Mrs. Smith and O. G. Macintyre won from Mrs. Stretton and J. Buntain 6-4, 10-8. In the semi-final D. Grigg and A. McDougall beat M. Leighton and G. James 6-4, 10-8. In the semi-final D. Grigg and A. McDougall beat M. Leighton and G. James 6-4, 10-8. Continued on page 4

Winners of Ladies' Golf Competitions

The ladies' approaching and putting golf competition which was held on Friday the 12th. was won by Mrs. Fricker, after a play-off between Mrs. Lee, Mrs. Gorman and Mrs. Fricker. The driving contest was won by Mrs. Gorman.

For the benefit of the men at the Mine, a very fine latest model Rogers radio is to be installed by the Mine Branch of the A. C. L. in the Mine Pool Room. This is welcome news for the Mine men, as they can spend many enjoyable evenings at the Pool Room listening to the finest programs available.

Officers and Men Of Delhi Will Be Entertained

For the officers and men of the "Delhi" there will be a full program of sports and social functions. There will be one or more football games. They will be invited to play tennis, golf, and badminton. There will be conducted tours through the plant and the mine, which will no doubt prove of great interest to the visitors.

The plant will be shut down on Tuesday the 30th. so that this will be a gala day for everybody.

The various clubs of Anyox will co-operate by extending the courtesies of their organizations to the visitors. Sports teams from the boat will probably meet teams here in various sports.

It is very probable that a big dance will be held in the Gymnasium. This dance will be free to everyone. The committee in charge of the dance will be composed of representatives of the Community League and the Canadian Legion, as follows: League, Ed. Johnson, chairman; D. Cleal, F.B. Faulkner. Legion, F. Pearson, W. O. Boyce. The reception committee is composed of W. R. Lindsay (chairman), Mrs. C. O. Fricker, Mr. T. W. Cavers, Mr. C. O. Fricker and Mr. V. S. McRae as Secretary.

A special reception for the officers will be held at the residence of Mr. Bocking. Details of this appear elsewhere.

Father of M. Chenoski Passes Away at Prince Rupert

M. Chenoski of Anyox received the sad news this week that his father, Mr. William Chenoski had passed away on Wednesday the 17th. at the hour of 6 a.m. at Prince Rupert. The late Mr. Chenoski was 72 years of age, and had suffered a long illness prior to his death. The funeral was held yesterday afternoon, interment taking place at Fairview cemetery, Prince Rupert.

Rev. Father Wolfe Leaves For South Africa

After a stay in Anyox of about eighteen months, Rev. Father Charles Wolfe left on Friday last for Natal, South Africa, where he will be stationed. On his way to this distant point he will visit France. Father Wolfe, with his genial nature and sympathetic manner has made a host of friends in this district, and will be greatly missed. A large number were at the boat to bid him farewell.

Numerous Picnic Parties This Week

Anyox holiday visitors and Alice Arm people have taken full advantage of the fine weather of the past week, enjoying themselves in the brilliant sunshine out-of-doors. Picnic parties have been organized and the cool shady spots by the gurgling brooks where the trout lie in wait for the fishermen's bait have been a favorite rendezvous.

On Sunday, Canyon Creek at 4-mile on the Dolly Varden railway resembled a fair ground, and everyone from infants to grandads appeared to be having a good time.

The creeks at seven mile also had their quota of anglers and campers.

Others journeyed to the Illiance river, the north-east fork, or Copper Creek, and the last arrivals reached home as the hour of darkness was approaching. Some had fish and some didn't, but all enjoyed themselves.

Prompt Action Saved Residence From Destruction

A fire, which would quickly have become a serious conflagration was discovered in the nick of time on Sunday evening at the home of Mr. and Mrs. J. Trinder at Alice Arm.

The fire was first seen by Mrs. B. Turbitt and Miss Leah Kergin who noticed the flaming curtains in a bedroom window. The alarm was quickly raised and the fire extinguished. The window curtains were destroyed, also some bedding, clothing etc. Mrs. Trinder and daughter Joan were away from home at the time. The cause of the fire could not be ascertained.

Saturday Night Dance Held At Alice Arm

Although very short notice was given the dance held at T. W. Falconer's hall on Saturday evening, was well attended. A large number of Anyox visitors and Alice Arm people quickly assembled and the spacious floor was soon covered with a gay throng, dancing to the inspiring strains of the Alice Arm orchestra. The dance terminated at midnight, no refreshments were served.

Wharf Road Caves In

The wharf road from Alice Arm to the wharf was rendered useless for a day or two this week, when a part of it subsided leaving a hole. The cause of the trouble was the collapse of mining timbers covering an old prospecting tunnel over which the road is built.

Canadian Copper Gets Preference of 4c. A Pound

The British Government is ready to give a preference of 4c. a pound on Canadian copper. This is good news for British Columbia and especially for Anyox where everyone's living depends on the sales of copper at a fair price.

It is expected that this preference will completely offset the 4c. duty imposed on Canadian copper by the United States, and which has had the result of closing the U. S. market to Dominion copper.

Much of Britain's copper supplies are imported from the U. S. much of it being the supplies that have been shipped from Canada and refined there. Now the copper is likely to go direct from Canada to Britain after being refined in the Dominion, or it will be refined in the Old Country and afterwards sold there.

Mrs. M. A. McKenzie Passes Away

A death of unusual sadness occurred at Anyox on Wednesday when Mrs. M. A. McKenzie passed away at 8 p.m. at the age of 37 years. The cause of death was heart trouble. The late Mrs. McKenzie was married to M. A. McKenzie on June 22nd. of this year at West Vancouver, and arrived in Anyox on June 24th. She formerly lived here six years ago previous to her late residence.

Mr. McKenzie is an old time resident of Anyox and the heartfelt sympathy of his many friends is extended to him in his sad bereavement.

Specifications of The Cruiser Delhi

Following are the specifications of H. M. S. Delhi, which will visit Anyox August 29-31:

Length, 472 feet 6 inches; beam 46 feet; draft, 14 feet 3 inches; displacement, 4650 tons; horsepower, 40,000; speed 29 knots; main armament, six 6-inch guns, two 3-inch anti-aircraft guns. Complement, 464 officers and men.

The Delhi is a light cruiser, attached to the America and West Indies squadron of the Royal Navy. The new commander-in-chief of the station, Rear-Admiral R. P. E. E. Drax, C.B., D.S.O., is on board. The Delhi visited southern B. C. ports in 1924, as a unit of a special squadron which made an Empire tour.

Price Reduction Made In Picture Show Admission

A new low admission price of 25 cents has been made on Men's tickets for Picture Shows. The new price will go into effect on Saturday, August 20th. This special reduction will be allowed to Community League members only, applying to all shows, Tuesdays and Saturdays. It applies to all League members at Beach and Mine.

To obtain this new benefit it will be necessary for a member to display his membership card to the ticket seller. It is not necessary to have the membership card punched, as the reduction now applies to all shows instead of one show a month as formerly. The privilege will not be allowed unless the membership card is produced. Only one ticket for a show may be purchased at the new price per each membership card shown, and the card must be presented by the person named thereon. Membership privileges are not transferable. The above rules will be strictly adhered to.

The price to ladies will remain at 25 cents. To non-members of the Community League former prices will prevail; that is 50 cents on Saturday evenings and 35 cents on Tuesday and Saturday matinees.

The Council wish to make it possible for the members to afford the show more often, and thus reap a greater share of the benefits of membership. It is hoped that the additional patronage will offset the loss in revenue through the reduction. Non-members will readily realize the value of membership, and will be welcomed as members.

Reception For Officers Of Delhi Being Arranged

On Tuesday the 30th. a reception will be held at Mr. Bocking's house for the officers of the "Delhi". All the ladies of Anyox are particularly invited. All ladies interested will be asked to donate either a small sum of money or some refreshments. In each street or district a lady has been appointed for the purpose of receiving these donations. The function will be held from 3.30 to 5.30 p.m. and ladies are asked to come as early as possible during those hours. The girls of the Rangers will serve tea. The committee wish to emphasise that this invitation is issued to every lady in Anyox.

BIRTH AT ANYOX

Born to Mr. and Mrs. J. Boden at the Anyox General Hospital, on Tuesday, August 16th. a son.

During the past three years we have heard tales of woe, of distress and poverty, of worse things to come, and even complete anarchy and the ruin of our present form of civilization has been freely predicted. Such tales of woe, told and retold have left their impression on us. We are becoming despondent, and at such times a tonic is necessary. It is sometimes good to look on the brighter side, and when we do so we find that all is not lost, and that there is hope for the future. Following are a few of the ingredients for a tonic that ought to revive the despondent patient and pep him up:

Mineral production of B. C. for the first half of this year is valued at \$14,336,060. The saw log scale for the same period was 804,379,000 board feet, and exports to Great Britain and Australia showed a gain. Seventy-seven of the seventy-eight municipalities of the province recorded in the aggregate a net reduction of \$5,600,000 in their debt over the last 18 months. Workers in B. C. industries received \$131,841,008 in wages last year. Great Britain has given a preference of 4 cents a pound on Canadian copper, and lumber has also been given a substantial preference. This will give considerable aid to B. C. copper mines, logging camps and sawmills. The Provincial Government has been awarded \$2,000,000 from the Federal Government in payment of relief accounts outstanding for 1931. Substantial reductions have been made in prices of Canadian liquors sold at government liquor stores. The production of gold in the province this year is expected to surpass all records. New lode mines are being brought to the producing stage, and placer mining is being followed by hundreds of individual miners scattered throughout the province. The big wheat crop on the prairies this year will undoubtedly increase British Columbia's prosperity. Millions of dollars will be put into the hands of western farmers, and a big demand for B. C. lumber, fruits, canned goods, etc. will result. Prices of farm and other products have commenced to rise and producers are beginning to breathe a little easier and feel more hopeful.

While we still may have a hard pull yet before we reach our old time prosperity goal, indications during the past few weeks point in the direction of better times and still better times. As commodity prices rise money will become

First Cup Tie Game Is Won by Celts

A nice crowd turned out to see the first game of the cup-tie series, played on Thursday the 11th. between the Celts and the Mine. Both teams, by mutual agreement, incorporated some players from the Rangers, Donaldson, Williams and Buchanan playing for the Mine and Ion for the Celts. Morrison, the Mine captain was absent.

The Mine opened up the play and pressed hard, but the Celts' defence was sound. The fast forwards of the Celts gave the Mine a lot of trouble, Dyer playing a cool and steady game at back. Buntain broke the ice for the Celts with a grounder from close in. The next was by Horner from a pass by Buntain, from a header by McColl. After the interval the play was kept open, long passes being a feature. Gillies, from left wing got in a swift shot to the corner of the net, and Horner made it a quartet a little later.

Mine again carried the play upfield and Owen had tough luck with a nice shot which struck the upright and bounced out. The game was capably handled by J. Evans.

The teams: Mine, Moore, Dyer, Calderoni, Ferguson, Hamilton, Williams, Schaefer, Comadina, Donaldson, Owen, Buchanan. Celts: Bell, H. Johnston, Ion, Rigby, W. J. Johnston, Field, Gillies, Steve Peel, Horner, Buntain, McColl.

Ore Samples Wanted For Exhibition

With a view to keeping its ore exhibit at the Canada Pacific Exhibition, held at Vancouver, up to date, the B. C. Chamber of Mines is again extending to prospectors and mining men an invitation to send in samples of ore, weighing approximately 10 pounds, to be included in this display. These samples may be sent, freight charges collect, to the Chamber of Mines.

It is requested when specimens are sent in that the following information be attached: Name of mine or mineral claim; class of ore produced; name of owner; name of nearest shipping point, and distance therefrom; name of mining district where located.

Utah Copper Co. Commences Operations

Utah Copper Company reopened its great copper mine at Bingham Canyon, Utah, two weeks ago, also its smelter at Garfield. This puts some 1500 men at work after about four months' idleness for most of them.

more plentiful, and plenty of money in circulation means that everyone will eventually get some of it.

Canadian Gold Production Is Jumping

The reason why Canadian gold mines continue to prosper on an unprecedented scale and pay larger dividends and bonuses is graphically indicated in the following:

Canadian gold production has risen 50 per cent in two years.

In the first five months of 1930 gold output was 802,790 ounces; in the first five months of 1932 it was 1,230,294 ounces.

Output of gold in Canada in May was the largest on record, being 268,543 ounces, valued at \$5,550,784.

At this rate Canada would produce \$66,609,495 in a year, before exchange compensation. Such a rate would upset all calculations hitherto made as to probable Canadian output.

Canada's Trade With The World

Canada's total foreign trade during the fiscal year 1931-32, amounted to \$1,166,069,421, compared with \$1,723,640,743 in 1930-31, and \$2,393,211,652 in 1929-30, the decrease from 1930-31 being 32.4 per cent and from 1929-30, 51.3 per cent.

Imports as well as exports show a decrease. The decrease in imports amounted to \$328,109,791, or 36.2 per cent, compared with 1930-31, and in exports to \$229,462,531 or 28.1 per cent.

Great Britain took all of Canada's 1,379 ounce platinum export in June, with the exception of 61 ounces that went to Norway. The value of the export was \$110,381. The export was 34 ounces less than a year ago.

Anyox Community League

The Beach Council meets on the Second and Fourth Wednesday of each month, in the Recreation Hall, at 7 p.m.

The Mine Council meets on the First and Third Thursday of each month, in the Mine Hall, at 7.30 p.m.

French River, Home of Wiley "Muskie," Will Soon Echo Cries of Elated Anglers as They Battle Fresh Water Tiger

524

FRENCH RIVER GOLF COURSE

A BIG "MUSKIE", FRENCH RIVER

A 35 LB. MUSKIE AND HIS CAPTOR

BUNGALOWS AT FRENCH RIVER

"Now is the time for all good fishermen to prepare for that summer trip" is an appropriate slogan for disciples of Isaac Walton these balmy spring days. A successful fishing trip depends largely upon the careful selection of location, tackle and even associates, for many a party has been ruined by the last-minute introduction of a "wet blanket" to an otherwise congenial collection of sportsmen.

One of the most interesting fishing streams in North America is French River, Ontario, 215 miles north of Toronto on the Canadian Pacific Railway. This lordly river is celebrated as the habitat of the fighting muscalunge, one of the gamest fish known; huge Great Northern pike, pickerel, an abund-

ance of small-mouth and large-mouth black bass and other finny prizes. To accommodate sportsmen and their families, a fine bungalow camp—a collection of individual cabins centering around a main clubhouse—has been erected on a cliff overlooking the river. Here the fisherman and his family can "rough it in comfort," far from the cares and annoyances of a work-a-day world.

That big "muskie" are plentiful at French River is proven by the fact that one recent summer a monster muskie weighing 55 pounds was taken in the North Channel at the mouth of the Wolseley River. Also, not long ago a party of Ohio sportsmen caught, besides their daily limit of bass, pike and pickerel, no less

than seventeen "muskie" ranging from 10 to 38 1/4 lbs. In 1926 a "muskie" of 35 pounds weight, 50 inches long and 21 inches in girth was taken in the main channel of the French, one mile from the bungalow camp.

The French River Bungalow Camp will open June 15 and remain open until Sept. 15. Jack Strathdee, its genial manager, is an experienced outdoorsman whose chief delight is coaching the uninitiated in the art of luring the fish. French River also has a fine 9-hole golf course so that devotees of the royal and ancient game who are also fond of fishing need not entirely forego the former sport in favor of the latter.

Don't Rob Yourself

During these tight times by failing to take advantage of the advertising columns of the Herald

If you have anything to sell, whether it is a piano, a radio, phonograph, an admission ticket to a dance, concert or card party, Life or Fire Insurance, something to eat, wear or smoke, an auto ride, or whatever you have to sell: then

Advertise it in the Herald and Increase Your Sales

Managers of social affairs are reminded that an extra ticket or two sold pays for an advertisement, and the others sold through advertising are all clear profit

ISN'T IT WORTH CONSIDERING?

We will gladly write your advertisement for you, if necessary, and display it to the best possible advantage

Dr. Kiang Uses New Scientific Devices

Speaking to the weekly luncheon meeting of the Advertising Club of Montreal recently on "China Today" with special reference to advertising practices, old and new, Dr. Kiang Kang-Hu, Professor of Chinese Studies at McGill University, used a number of newly developed scientific devices, loaned by the Research Products Department of the Northern Electric Company, Limited.

The inside photographs shown here were taken by the new photographic flash lamp which leaves no smoke or odour and is therefore permitted for use in even the finest surroundings. And in order that the speaker's voice might be easily audible without undue strain, a special small lapel type microphone recently developed in the Bell Telephone Laboratories was provided for his use in conjunction with the Public Address System (voice amplifiers). This microphone has been specially developed for use by lecturers who from the nature of their address are obliged to turn away from their audience and point to a blackboard or map and would, therefore, not be facing the ordinary microphone.

Pictures 1, corner of luncheon room; 2, a street scene in old China; 3, Dr. Kiang wearing the new microphone; 4, amplifier truck outside the Mount Royal Hotel.

Anyox Tennis Open Championships Being Played

Continued from page 1

Leighton and G. James 4-6, 6-2, 9-7.

Men's Doubles, first round. A. McDougall and F. Gordon won from A. E. Field and W. Cavers Jr 6-4, 6-2. Cavers and Cavers beat Buntain and Moore 6-2, 6-2. Oatman and Macintyre beat Ashmore and Hill 6-0, 6-1. In the semi-final McDougall and Gordon won from Cavers and Cavers 4-6, 6-4, 9-7, 5-7, 6-4.

Men's Singles, first round. Oatman won from W. Cavers Jr, 6-2, 6-1, A. Cavers won from E. Moore 6-0, 6-4, A. McDougall beat R. Duffy 6-1, 6-3, Geo. Lee won from B. Gillies 6-3, 6-3, O. G. Macintyre won from F. Dodsworth Jr 6-2, 10-8, F. Gordon won from H. P. Kent 6-2, 6-2, G. James beat F. Hill 6-4, 6-1, F. Brown defaulted to J. Buntain in third set. In the second round G. Lee defeated A. McDougall 6-1, 6-3, G. James won from J. Buntain 6-1, 6-3.

The game between K. Eve and D. Grigg in the third round of the Ladies' Singles Championship was one of the best seen on local courts. Forceful driving and good judgement on the part of both these young players featured the game. Miss Eve won chiefly through careful placing and steady play. The score was 6-3, 6-4.

In the semi-final of the Men's Doubles, Cavers and Cavers against McDougall and Gordon, good net play was very noticeable. There were, however, more than the usual number of double faults. The game went the full five sets and took two and a half hours to complete.

Golf Club Handicap Almost Completed

In the third round of the Club Handicap Championship, Ion beat Geo. Stewart 2 up; Dixon beat Sheen 1 up, Moffatt won from Fricker 2 up and 1 to go, and Edwards succumbed to Peters 6 up and 4 to go.

In the semi-final Dixon beat Ion 2 up.

In the semi-final of the first flight McRitchie beat Johnston and J. A. D. Stewart won from Wenerstrom. In the final between McRitchie and Stewart the former proved the victor.

Hidden Creek Tennis Club Visit Mine

The postponed visit of the Hidden Creek Club to the Mine for a Mixed Doubles Tournament took place on Sunday, August 14th. In all, 26 sets were played, 19 of these being won by the lowlanders. The Mine Club treated their guests right royally, a sumptuous dinner being served in the mess house and afternoon tea on the court.

ANYOX NOTES

Alex. MacDonald and Billy Watson left on Friday for a holiday visit to Vancouver.

Mrs. Allan McDonald is progressing nicely after the operation she recently underwent at the General Hospital in Vancouver. Mrs. McDonald is staying at the home of her sister in Vancouver.

Elmer Perrin, late of the General Store staff, was a visitor to Anyox on Monday as the representative of W. H. Malkin Co., Prince Rupert.

J. Dergantz left on Monday for a holiday visit to Vancouver.

J. K. Russell left on Monday for a vacation in Vancouver and Seattle.

A. G. Card and daughter Ethel left on Monday for a visit to Prince Rupert.

T. J. Tierney left for Prince Rupert on Monday, where he will meet Mrs. Tierney and family enroute from the south.

Mrs. J. W. Lang and daughter Pat left on Monday for a holiday visit to Prince Rupert.

Mrs. Ed. Kitchen arrived on Friday from the south.

J. A. Chisholm left on Friday for a holiday visit to Smithers.

J. F. Dandy was a passenger to Victoria on Friday.

J. Buntain left on Friday for a holiday visit to Vancouver.

E. Maki was a passenger to Prince Rupert on Friday.

J. McKay, V. Mackie, N. Hokkarmi and Ed. Knutson arrived from the south on Friday.

Miss C. Philpott arrived on Friday to take up residence here.

Mr. and Mrs. Cash Cole and their two sons left on Friday morning last on their cruiser Jazz for Juneau, Alaska. Accompanying them were Mr. and Mrs. R. L. Healy, who will spend a holiday in Juneau, also N. E. Nelson, who is visiting at Ketchikan.

Mr. and Mrs. Geo. Warwick Enjoy Holiday Cruise

During the 18 days ending August 11th. the gas boat "Sheila", carrying Mr. and Mrs. G. Warwick, and daughter Daphne, also Jack Cane on a holiday cruise, covered considerable distance. Port Simpson was the chief objective, and from this point various trips were made. Prince Rupert was visited, as well as the Skeena River, Dundas Island, Goose Bay on Wales Island, and other points. At Green Island they saw the famous light house, from which the light, guiding the liners going north, is thrown fourteen miles. Anyox to Port Simpson took 10½ hrs, and Port Simpson to Rupert 3½ hrs. The total distance on the trip was 440 miles. The party reached home in the best of health and spirits after a thoroughly enjoyable trip.

Send your films direct to Wrathall's Photo Finishing, Prince Rupert. Low prices for good work. All orders returned following mail.

"The Man In Possession" Saturday, August 20th.

This Metro-Goldwyn-Mayer picture stars Robert Montgomery and Irene Purcell, also Charlotte Greenwood in comedy roles. The screen's newest star is here in a grand comedy, successor to his initial triumph: "Shipmates". It's a real delight! He is put in as the Sheriff's officer to take charge of the home of a pretty widow, and ends up by taking possession of the widow as well. A daring, riotous and romantic picture—by all means see it Saturday.

"Rich Man's Folly" Tuesday, August 23rd.

This Paramount picture features George Bancroft; Frances Dee, Robert Ames, and Juliette Compton. It is a mighty drama of a money-crazed man. Drunk with ambition, he thinks he can buy love and happiness with gold. But he learns how futile this is in the face of a great human crisis. See what happens when he tries to barter cash for happiness. A straight from the shoulder drama. See it on Tuesday at the new low price.

Prizes Given For Exhibits At Exhibition

In order to promote a greater interest among the exhibitors of the Alice Arm and Anyox Exhibition three prizes will be offered. They are as follows: For the best collection of vegetables, \$2.50; For the best collection of wild flowers by school children, \$1.50; for second best collection of wild flowers, \$1.00. The person donating the prizes wishes to remain anonymous.

ALICE ARM NOTES

Mr. and Mrs. N. Fraser left on Monday for Prince Rupert. Mr. Fraser has been doing development work at the Esperanza mine and Mrs. Fraser has spent a few weeks holiday here.

Mr. and Mrs. H. F. Kergin left on Monday for a visit to Atlin and northern B. C. points.

Mrs. Kostoff left on Monday for a visit to Prince Rupert.

Mrs. Blomfield returned on Monday from a visit to Vancouver. She was accompanied by her son Michael.

Harry Ward spent the week-end with Mrs. Ward and family, returning to Anyox on Tuesday.

J. Deeming arrived from Anyox on Saturday and is spending holidays at the Alice Arm Hotel.

Here is one of the many puddings you can make with **ST. CHARLES!**

Everybody loves corn starch pudding, especially the children. Here is a simple way of making the best corn starch pudding you have ever tasted.

1½ cups St. Charles Milk	¼ teaspoon salt
1½ cups water	2 eggs, beaten
6 tablespoons sugar	1 tablespoon butter
4 tablespoons corn starch	1 teaspoon vanilla

Dilute milk with water. Blend sugar, corn starch and salt and mix with one-half cup of milk. Scald remainder of the milk in top of a double boiler. Add the corn starch mixture to hot milk, stir until the mixture is smooth and thick. Cover and cook over hot water fifteen minutes. Add the eggs and cook just long enough to set them. Remove from the fire. Add the butter and flavoring. Turn into mold and chill.

School Opens Soon

How Time Flies! Holidays Are Nearly Over!

When school starts, bathing suits, suntan suits, and old overalls will no longer serve. New outfits must be provided.

The girls must have new dresses---and our stock of materials is complete. Stockings? Underwear? These also we can furnish.

The boys, who need something durable to stand the wear and tear, can be supplied with pants, shirts, stockings, sweaters and everything else they may need, including boots and shoes.

We have books, scribblers, pencils, and all other school needs. Let us help you in your selection of articles for school opening!
