Ice Carnival at Alice Arm

Races and Dancing Again Indulged In

The second Ice Carnival of the season was held at the Alice Arm Skating Rink, on Saturday evening, and on this occasion the ladies were the hosts.

The affair was even a greater success than the previous week, and the ladies certainly lived up to their enviable reputation of being energetic workers, organizers and fun providers. For the success of the evening, great credit is due to Mrs. H. F. Kergin, who was manager and organizer.

The programme was along similar lines of the previous week, except that comic, novelty and relay races predominated. A large crowd was in attendance, and great enthusiasm prevailed among the contestants of the races. Several of the races were real funny and brought roars of laughter from the spectators.

A special feature of the evening was an exhibition of fancy skating by Mr. B. Jones. The skating of Mr. Jones was a treat not very often obtainable in these parts, and everyone hopes that he will give similar exhibitions before the season is past.

At the conclusion of the programme, supper, consisting of doughnuts and hot coffee was served by the ladies.

Dancing was then indulged in to the tune of the excellent orchestra consisting of C. Hutchison, clarinet; J. Fiva, guitar; L. Johnson, mandolin.

Dancing concluded a few minutes before midnight, with everyone well pleased with the evening's amusement.

Everyone is now anxiously awaiting the next Carnival which will be given by the single men of the town.

Following is the programme of races.

1. Boy's race. 1st. Billy Ness.
2. Boy's race. 1st. Roy Johnson.
3. Boy's race, handicap. 1st. Kirk Falconer.
4. Girl's race. 1st. Helen Anderson.
5. Girl's race. 1st. Kathleen Bruggy.
6. Girls race. 1st. Juanita Falconer.
7. Men's race. Barrel rolling. 1st. G. Anderson.
8. Men's race. 1st. J. Hanna.
9. Men's race. Flying through barrel. 1st. C. Drennan.
10. Men's race, dressing in women's clothes. 1st. G. Bruggy.
11. Men's doughnut race. 1st. A. D. Yorke.
12. Men's relay race, carrying the puck. Winning team, Warner, Flynn, Moss, Black.
13. Goaltender's race, carrying the puck. 1st. G. Bruggy.
14. Men's race. 1st. G. Strombeck.
15. Men's potato relay race. Winning team, R. F. McGinnis, J. Fiva, J. Wilson, L. Johnson, G. Anderson.

Burns' Concert At Anyox

The anniversary of the birth of Robert Burns was fittingly recognized in Anyox, when the Union Church staged one of the most enjoyable concerts of the season at the Recreation Hall. Mr. T. Kirkwood was in charge of arrangements, and was ably assisted by Rev. J. Herdman.

A special feature of the evening was a treat in the form of a number of lantern slides showing views of Scotland. A large number of people were present and a most enjoyable evening was spent.

Following is the programme:

1. Pipe selection. Piper McLennan
2. Band Selection. Anyox Brass Band.
3. Solo. Rev. J. Herdman.
4. Solo. Mr. Hegerty.
5. Bagpipe Selection. Piper McLennan.
6. Strathspey Reel. The Misses K. Eve, E. Herrin, F. Kelley and I. Gillis, pupils of Mrs. F. M. Kelley.
7. Solo. Miss M. McGuire.
8. Solo. Mr. W. F. Eve.
9. Reading. Mr. L. McAlister.
10. Solo. Mrs. J. Conway.
11. Solo. Mr. T. Kirkwood,
12. Band Selection. Anyox Brass Band.
13. Solo. Mr. Hegerty.
14. Highland Fling. Miss Edna Herrin.
15. Solo. Miss McGuire
16. Solo. Mr. W. F. Eve.
17. Views of Scotland.
18. Band Selection. Anyox Brass Band.

New Government Buildings At Anyox

Through the courtesy of Mr. John Conway, stipendiary magistrate and government agent for Anyox, the Herald's reporter recently made an inspection of the new building. He was impressed with the roominess of the whole structure and the attention given by the contractors to details.

One great point about the Court House is its acoustic properties, which are perfect. The Government Agent's offices are large and well appointed, while the accommodation provided for Constable A. R. Dryden is excellent.

Anyox Minstrel Troupes Are Training

Both the Moose and Elks are busily engaged in perfecting this new form of entertainment which will be warmly welcomed in Anyox. At the time of writing we do not possess the data on the Elks' troupe. As far as the Moose are concerned they will put on a troupe of fourteen performers with orchestra. Rehearsals are under way and when letter perfect, the Moose Minstrels will make their bow to Anyox audiences.

Progress Made on Union Church Manse

During the past two weeks Messrs. Greer, Beatty & Douglas have been forging ahead with the Manse for the Union Church, and Rev. Herdman should soon be in possession of his new home if they keep up the same rate of progress.

ANYOX NOTES

Mr. G. Woodland, of the Imperial Oil Company is in town on business.

Mr. Arthur Walters returned from the south, on Thursday.

Messrs. W. Lang and Tom Garnett left on Monday for the south.

Mr. Jim Wilson, of the Smelter Boarding House staff left for the south on Monday on a short vacation.

The S. S. Griffco arrived in port on Tuesday with a load of powder.

Mr. H. B. Chapman arrived home on Monday from a trip to Prince Rupert.

WANTED—Second-hand Sewing Machine, immediately. P. O. Box 40, Alice Arm.

Mr. T. Newlands left on the Cardena on Monday, for Maple Bay.

Mr. J. Butcher left Anyox on Thursday last for an extended visit to Vancouver.

Mr. L. McQuarrie and Mrs. McQuarrie are staying at the Granby Bay Hotel prior to settling down in Anyox. Congratulations to both.

Mr. B. Fitzpatrick returned from the south on Thursday.

Doc. Simmons and Mrs. Simmons are also at the Granby Bay Hotel. We noticed "Doc" playing a vigorous game of basketball recently we are glad he still retains his old form and has not left his basketball ambitions behind.

Mr. George Brown of the Granby Store possesses a remarkable "Airdale terrier" the most peculiar point about it is viz. it's color. Our correspondent lost a bet on this during the week by staking on the "black." Will George tell us the colour of the dye?

Mr. Noel Ballion's strenuous training in the snow the past few weeks has evidently had effect. His showing at the "Gym." whilst playing for the Rovers was excellent, keep it up!

Mr. and Mrs. A. Grimaldi left on the Prince Rupert for Vancouver. Mr. Grimaldi having relinquished his job at the Mine, we understand he will return to Anyox after a vacation.

Who was it that said that Mr. George Lace is the best dancer in Anyox? He seems to have very nearly "hit the truth."

Mr. Frank Gigot is back again in harness, we wish him the best of luck and a complete recovery.

On Monday night, the B. P. O. Elks elected new officers for the coming year. Mr. Ed. Waterman was elected Exalted Ruler, in succession to Mr. H. B. Chapman.

Jimmy Foxley is making the Mine Cafe look the real thing, "Cleanliness is his motto" and from all appearances he is carrying this into effect. Good luck Jimmy boy, stick to it!

We noticed Freddy Brown on crutches the other day. They don't suit him a bit. Look out you basketball fans!

Why was the flag at half mast on Thursday last at the New School?

Apologies for lack of Anyox notes

Basketball At Anyox

Tuxis Boys vs. Coke Plant

Three games of basketball were on tap at the Gym. on Friday. All were close and exciting and full of action. The first game brought together the Tuxis and the Coke Plant which resulted in a win for the former by 30 to 20. The Tuxis boys were again in the lead in the first half as they were in their game with the Rovers but weakened in the final minutes of play. Too much bunching of players seemed to be the main fault of this team. The guards do not check their men close enough.

Coke Plant; G. Thompson, J. Thompson, Hogben, Smith Ballentyne and Gow.

Tuxis; Moore, Dupuis, G. Moffat Swanson and Clay.

High School vs. Bluebirds

The second game was between the Bluebirds and the High School, the Bluebirds winning by the score of 13 to 11. A rally in the last few minutes of play almost put the School on top. The High School girls seem to be coming along splendidly and are showing improvement on every new appearance on the floor.

High School: Miss J. Moffat, Miss Bowes, Miss Mary O'Neil, Miss M. Barr and Miss Calderone.

Bluebirds: Mrs. J. Smith Mrs. J. Cody, Mrs. Dwyer, Mrs. D. Roi, and Mrs. L. McQuarrie.

Smelter vs. Elks

The Senior game brought together the Smelter and the Elks, which proved to be a very close and exciting game, the former winning by the score of 26 to 20. Quite a number of fouls were made

Hockey Game at Alice Arm

Married Men Win in a Fast Game

Owing to the mild weather only one hockey game has been played on the local rink since our last issue. This game was played between the married and single men of the town, and was the first of a series of games to decide the championship.

While this was the only game there was perhaps, as much hard work and puck chasing condensed into it as would constitute three ordinary games.

It was a torrid, hectic game from the time the starting whistle blew until the final shriek ended a thrilling game in which the married men came off victors with a score of 4-2.

It was a ding-dong battle of brilliant rushes and energetic checking throughout. All rules went to the boards, as so did some of the players with a little assistance. Both teams strained every tissue to assert their superiority, but the married men were the first to score and they kept the lead, never being seriously in danger of defeat. The single team, however, were not out in full strength or a different story may have to be told.

For the winners, T. W. Falconer Gus. Anderson, and Geo. Bruggy were the shining lights, while for the single men, Charlie Drennan played a wonderful game. He never spared himself a minute of play, and scored both goals obtained by his team. S. Wickwire in goal gave a wonderful exhibition of stopping the rubber.

The teams were: Married, G. Bruggy, goal; R. F. McGinnis, G. Young, T. W. Falconer, G. Anderson, E. Moss.

Single: S. Wickwire, goal; C. Drennan, J. Wilson, M. Smith, H. Fowler, S. Winnerstrom. Referee, W. Cummings.

Esperanza Mine Ships Ore

Seven hundred sacks of ore recently brought down from the Esperanza mine were shipped to Anyox Smelter for treatment last Monday, on the S. S. Chelohsin. Three hundred sacks contained high grade argenteite silver ore, the balance being secondary ore. Eight men are now working at the mine taking out ore, and the property is looking as good as ever.

Work Commenced on Kitsault River Bridge

Preparations for the construction of the Kitsault river bridge commenced this week under the supervision of Mr. Paul McMaster.

Work at present consists of assembling material on the ground and the construction of a pile-driver which will be used for driving the piles of the piers. From eight to ten men are employed.

The ladies in charge of arrangements of last Saturday's Ice Carnival, wish to thank everyone who helped towards the evening's success.

Definite Policy of Immigration for Canadian National Railways

WHEN a little more than a year ago, Sir Henry W. Thornton, K.B.E., was chosen to head the Canadian National Railways, one of his first acts was to put into motion machinery for aiding in the colonization and development of Canada, particularly along the lines of the National System. He realized that one of the crying needs of Canada was for more population, and he has since been quoted, on several occasions as saying that if Canada had a population of twenty-five million people, Canada would have no railway problem.

The organization of a department to look after colonization and development was entrusted by Sir Henry to Mr. W. D. Robb, Vice-President, and Mr. Robb at once proceeded to build up the necessary organization to look after this most important national work. Investigations, conferences and careful planning gradually brought into being an effective department, the effort of the year culminating in the engagement of Dr. W. J. Black, Deputy Minister of Immigration and Colonization in the Federal Government, as Manager of the Colonization and Development Department of the Canadian National Railways, with headquarters in London, England. That was early in the Fall of 1923. Dr. Black proceeded at once to Great Britain, where he spent some weeks carrying out a series of investigations. These completed, he returned to Canada and a general conference of all officers of the department was called and a definite plan of colonization and development was drawn up and announced. This was the first definite announcement on immigration to be announced in Canada.

Dr. Black's Career

In engaging Dr. Black, the Canadian National Railways secured an officer who is probably better acquainted with the immigration needs of Canada, and the best methods of remedying those needs, than any other man in the country. All his life he has been connected with the agricultural industry and has run the gauntlet of all its intricate phases. He was born and brought up on a farm in Dufferin County, Ontario, and in 1902 graduated from the Ontario Agricultural College with a Toronto University degree. At his graduation he was appointed editor of the "Farmers' Advocate," Winnipeg, Manitoba, and he held this post for two years. In 1905 he joined the Government of Manitoba as Deputy Minister of Agriculture, a post which he left the following year to become President of the Manitoba Agricultural College. He remained in this important position until 1916, when he became Commissioner of Agriculture for Canada. At the conclusion of the Great War in 1918, Dr. Black was appointed Chairman of the Soldiers' Settlement Board of Canada, a position he held until his appointment, in 1921, as Deputy Minister of Immigration and Colonization for Canada.

Dr. W. J. Black

Dr. Black is a man who is thoroughly respected, both for his opinions and his achievements, throughout Canada. He carries a lasting and genuine enthusiasm into his work, and as a quiet but eloquent and convincing speaker he is well fitted to broadcast the message of his important mission.

The Policy.

There are seven points to the programme which has received the approval of Sir Henry W. Thornton, and the principles of policy will be placed into effect immediately. Dr. Black sailed for England again on January 5th, and on his arrival in London his department commenced to function actively. The thorough character of the policy can be judged from a recapitulation of the seven principles, which are as follows:

- 1—To influence the immigration and satisfactory settlement in Canada of the largest possible number of people of productive capacity that the country can absorb and assimilate.
- 2—To contribute to the dissemination of information concerning the vast and extensive natural resources of the Dominion and the widespread opportunities for industrial development, so that capital may be attracted from other countries and invested where enterprises will be legitimately rewarded.
- 3—To promote the land settlement of new Canadians under conditions that will ensure the maximum possibility of success in their farming operations, and enable them to enjoy such social and religious institutions as are necessary to individual happiness and contentment.
- 4—To encourage improvement in agriculture, that more diversified methods may be employed in farming, and that crop, livestock, and dairy production may be increased in accordance with market demands and prospects.
- 5—To assist by organized effort in the immigration of young people of desirable type and character, especially from Great Britain, and in their placement in respectable rural homes where they may become qualified to participate in constructive activities and acquire citizenship of distinct value to Canada.
- 6—To aid in the development of new opportunities for service and to facilitate every effective means of selecting immigrants physically fit and anxious for work.
- 7—To co-operate with the Federal and Provincial Governments and business organizations throughout the Dominion in promoting all measures calculated to contribute toward an increase in immigration of adaptable people, and in their settlement under the most favorable conditions possible.

Historical Association Will Hold Reunion of Pioneers

The British Columbia Historical Association is contemplating having a reunion of Pioneers of British Columbia, and would be glad if those persons who arrived on the Island or Mainland prior to 1871 would furnish their name and address to the Secretary, J. Forsyth Provincial Library, Victoria, who will issue invitations when arrangements are completed.

In order to have the list of Pioneers as complete as possible, all persons who know old-time residents will confer a favor by furnishing names.

Local organizations who are interested in the early history of the Province are also asked to cooperate with the Historical Association. This body is affiliated with the Canadian Historical Association and is also an auxiliary to the Provincial Archives Dept., wherein are preserved the records, journals diaries and photographs related to the Colonial days of Vancouver Island and British Columbia.

Prepared forms for the personal records of pioneer residents may be obtained upon application to the Provincial Library and Archives Dept., Victoria, B.C.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

Basketball Games at Anyox

Continued from page 1. in this game and it strikes us that the rules which apply to basketball should be more strictly enforced, mainly the rule that states when a player makes four personal fouls he must retire from the floor and be replaced by a substitute. This rule we understood is used in all games at Prince Rupert and with success and if they can use it successfully in Rupert there is no reason why it cannot be put into force here also. Mr. B. E. Crawford refereed the games in a very satisfactory manner, much credit is due him for the able manner he handled the whistle in the Senior contest, but in order to use the four personal foul rule successfully the score keeper has to co-operate with the referee and call his attention to the player who has made four such fouls.

Elks: Craggs, Williscroft, Robertson, Lee, Greenwell, and Cody.

Smelter: S. Stewart, Brown, Sheen, Simons and Benny Fitzpatrick.

B. E. Crawford refereed all games.

MONDAY NIGHT

Tuxis Boys vs. Pats

In what proved to be one of the best games in the Intermediate League this season was when the Tuxis boys defeated the fast Coke Plant quintette by 28 to 27 at the Gym. on Monday evening. The game was close throughout, the score being tie on several occasions. Gawn Moffatt scored the winning basket on a long shot from centre a few minutes before the whistle blew for the end of the game. Teddy Swanson was the individual star netting over 20 of his team's points.

Coke Plant: G. Thomson, J. Thomson, Hogben, Smith and Ballantyne. Tuxis: Moore Dupuis Moffatt, Swanson and Clay.

Bluebirds vs. Pats

The second game on Monday brought together the Pats and the Bluebirds and resulted in a win for the latter by 13 to 10. The Pats were having an off night while the Bluebirds were in great form. Miss Sundae Calderone was injured in the latter part of the second half and had to retire from the game.

Bluebirds: Mrs. J. Cody, Mrs. J. Smith, Mrs. O. K. Dwyer, Mrs. D. Roi, and Mrs. L. McQuarrie. Pats: Misses P. McMillan, Sis Deane, R. Champion, R. Moffett, H. Calderone, Flo. Eld and Mrs. Winners-trom.

Smelter vs. Mine

The senior fixture was played at the mine on Monday, where the Smelter five took the Mine Club into camp to the tune of 40 to 16. the gas eaters were in fine form Harry Down secured about 20 of the 40 points scored by his team. Fred Brown suffered a severe sprain of his ankle at the beginning of the second half and was forced to retire, he will no doubt be out of the game for some time. The Smelter have a new player in the person of York. He played last night and helped the team considerably.

Mine: Lipski, Pynn, Harris, C. Ferguson and Mealy. Smelter: Down, York, B. Stewart, Brown, Benny Fitzpatrick, S. Stewart. Referee: E. Swanson.

Gold Discovery in Northern Manitoba

Discovery of another rich gold deposit has been made in the Manitoba mineral belt north of the Pas. Mining engineers of the highest repute who have examined the property state that it is one of the best discoveries made in the Herb Lake district. Samples of the ore that have been brought to the Pas are of a very high character.

Yes, we have no old ladies,
We have no old ladies today
We have flappers and young things
And bachelor girlies
And all kinds of modern females;
We have youthful grandmothers
And numerous others—
But yes we have no old ladies,
We have no old ladies today.
