Elks' New Year Dance One Of The Best

Once again the Brother Bills displayed their ability to give folks a good time, the New Year's Dance last Wednesday evening being all that could be desired in the way of dancing and merriment.

From 9 o'clock until three, the Recreation Hall was crowded with merry makers and it was unanimously decided that the dance was a pronounced success. The decorations reflect credit upon the Elks' decorating committee, it being very evident that much time and hard work had accomplished something really different and attractive in decorations for a New Year's dance. Refreshments were served at eleven o'clock and dancing continued immediately after. The music was furnished by the Elks' orchestra, which was up to their usual good standard. Jack Austin, piano; Stuart Steele, trombone; Paul Stivenard, cornet; Sid. Armstrong, violin, and Ed Waterman, drums, gave the dancers the benefit of their very best efforts.

The decoration committee consisted of Harry Thorley, Jack Cody, A. Nickerson, Jack Goertsen, Pete Wishart, Jack Smith, Archie Morton, Niel Forbes, Harry St. Clair, and Sam Down.

The refreshment committee consisted of Chas. Gray, Mike Cranley, and Ed. Waterman, with Jimmie Thomson mixing the drinks.

Coming Year Holds Prosperity For Alice Arm

The year 1925 opens exceptionally bright for Alice Arm. All indications point to an early revival of the mining industry and before this year draws to a close it is possible that considerable activity will prevail.

One of the best signs pointing to renewed mining activity is the spectacular strike of the large body of ore on the Toric property. A big body of ore has been proven with a very small amount of development work, and what was considered an indifferent ore showing on the surface bids fair to develop into an Eldorado underground. The Kitsault valley has scores of such properties as the Toric, which only awaits capital to develop them. Every property developed may not make a mine, but it is

Record Attendance At Christ Church Christmas Tree

The Christmas entertainment in connection with the Christ Church Sunday School was held in the Church on Tuesday last.

The largest number of children were in attendance since the inception of the Parish, and all were agreed that the evening's entertainment was up to the usual high standard set in these affairs by the congregation of Christ Church.

As might well be imagined there was not a dull minute from the start at 4 o'clock until the arrival of Santa Claus at 6.45.

Various games were engaged in until supper was served, or should we say until the supper relay race began, for although one side of the building was occupied by one long table, it was found necessary to have three sittings in order to give all the children an opportunity of taking part in this most important part of the programme.

At the conclusion of the meal Santa Claus appeared and distributed the presents which the artistically decorated and heavy tree contained.

The committees in charge of the programme were Mrs. A. Cameron, Misses Pearl Jago, Olive Selfe, Vera Eve and Mr. F. C. Graham.

The committee desires to tender their best thanks to the following ladies who so kindly assisted them by helping serve the refreshments. Mrs. W. B. Henderson, Mrs. H. Selfe, Mrs. R. C. Macknight, Mrs. J. Foxley, Mrs. J. T. Wilson, Mrs. Stevens, Mrs. L. H. Wenerstrom, Mrs. A. Clark, Miss Mary Macknight and Miss Mabel Stevens.

Alice Arm Hockey League Games Start

The Alice Arm Skating Rink has been the centre of attraction for those with sporting blood in their veins, during the past week. Despite the holiday festivities, the hockey players have found time to play several practice games, and now that the busy time of parties etc. is over it is expected that more people will avail themselves of the ice, and that the local Hockey League will settle down to a series of games, to decide the town championship.

Three teams have been lined up, viz. Bears, Wildcats and Tigers. The teams are very evenly matched, and some good games should result.

The first game between the Bears and Wildcats was played yesterday evening and resulted in a win for the Wildcats by the score of 5 to 2.

Naturalization Court To Sit At Anyox

His Honor Judge Young will hold a sitting on the Naturalization Court at the Court House, Anyox, on Thursday the 8th. of January.

ALICE ARM NOTES

See Al. Falconer for Freight and Pack Horses.

Mrs. C. P. Riel and daughter Virginia left on Monday, by the "Cardena", for Prince Rupert. Mr. Riel left the same day on board his launch "Vasa". They will spend the winter in Prince Rupert, and will probably make their future home there.

Mrs. N. Sutilovich and daughter Zorka, arrived home on Tuesday from Prince Rupert and Anyox.

The juvenile Moose of the town received a surprise during the week when a big box of Christmas goodies arrived from Anyox Moose Christmas Tree. The gift was much appreciated by the youngsters.

Hand Laundry Work. Moderate Prices—Miss B. Crawford, Alice Arm.

See Al. Falconer for Wood, Coal and Lumber.

Mr. F. D. Rice returned yesterday evening from Terrace, where he spent Christmas and New Year visiting his children.

Mr. J. O. Trethewey arrived in town yesterday evening from Abbotsford and Vancouver.

A notice appears in this week's issue of the Herald, announcing that the merchants of the town will close their stores every evening at 6 o,clock. This rule will be strictly enforced, and to avoid any irritation or disappointment people are requested to do their shopping before the hour of 6 p.m. The Post Office will remain open until 7 p.m. Fridays and Saturdays, in order that everyone can procure incoming mail.

Three Hockey League games will be played next week, on Monday, Wednesday and Friday. For a 45-minute thrill, come and watch the boys in action.

ANYOX NOTES

Miss Lila Anderson left for the south last Thursday evening,

Miss Mary Macknight returned to Vancouver on the "Prince Rupert" last Thursday evening.

Mr. Frank Larson returned from Vancouver last Thursday evening.

REGRETS

We regret, that owing to the late arrival of the Anyox news this week we are unable to publish everything we have received. Those items left over, however, will be carried in next weeks issue.

Killed by gas in 1923:
32 inhaled it;
140 lighted matches in it;
5,000 stepped on it.

Christmas Services Held At Union Church

Christmas Tree Held On Monday Evening

A large congregation was present at the Christmas Service held in the Union Church on Sunday, December 28th.

Two selections, "Holy Night," and "There's a Song in the Air," were rendered by the Junior choir. Mrs. J. Dunn presiding at the organ. An appropriate sermon was preached by the Pastor on, "The Watching Shepherd." The church was beautifully decorated with Christmas Trees and Evergreens, and the singing of the old favorite carols was thoroughly enjoyed by the congregation.

The following night (Monday 29th.) the church was the scene of fun and revelry, when the Sunday School children with their parents and friends gathered for the Annual Christmas Tree.

Supper was served to the little folks at 6 p.m., after which games were enjoyed while the older folks sat down at the table. A splendid programme commenced, and both old and young were well entertained with the songs, choruses, and recitations of the scholars. At the close of the entertainment Santa entered the church amid the shouts of joy from seventy little throats. Father Christmas was exceptionally good to the youngsters present, not even the tiniest baby being missed. At the close all voted the Christmas Tree "the best ever."

BIRTH AT ANYOX

Born to Mr. and Mrs. R. Clarke, at the Anyox hospital, on Saturday, December 20th a daughter.

Big Ore Body On Toric Not Yet Cut

Latest reports from the Toric property state that the big ore ledge encounterd some time ago, has not yet been crosscut. Over forty feet of ore has been drilled since the ledge was encountered, and as yet, there is no indications that the hanging wall is in the vicinity.

Ore samples brought down during the week show native silver in flakes. The balance of the ore, however, is galena, and argentite silver.

Alice Arm Dances The Old Year Out

The people of Alice Arm again showed that they are a long way from being dead and buried, when they gathered at the Alice Arm Hotel on Wednesday evening to dance the old year out, and the new year in.

Although the arrangements for the dance were made rather late, it proved to be one of the snappiest affairs ever held in the famous hostelery.

Everyone present was bubbling over with enthusiasm, and they danced merrily to the strains of the orchestra, composed of Mrs. J. Laidlaw, saxophone; Messrs. R. F. McGinnis, piano; and Chas. Hutchinson, clarinet.

A dainty supper was served by the hotel management, and dancing was continued until 2 a.m.

At 12 o'clock, everyone joined hands and sang "Auld Lang Syne", and everybody wished everybody else a happy New year, accompanied by a hearty handshake.

During the evening, Jean Falconer and Teddy Kergin delighted those present by dancing the "Sailor's Hornpipe."

Money for mining development is loosening up. This is the news that we get on all sides. The speculative class, owing to the unusually active stock market have been making money and are ready to invest it in such speculative investments as mining and oil.

One well known Alaskan returns from London with $160,000 raised with very little difficulty for the financing of a hydraulic project, Another sourdough known in every camp in Alaska spent six days in New York and is now on his way north with a mill and other equipment, amply financed for the development of a silver lead property. He says, "I have gone to New York many times and never saw conditions as they are now. Instead of hawking my proposition about I was faced with the unusual difficulty of refusing $25,000 which I did not need."

An old Nomeite informs us that he has raised $25,000 in Seattle in three days for the development of an oil property.

This is not "sucker" money. It is going to men who can sell themselves and have legitimate properties worthy of development. It is the day Alaska has been waiting for. If you have anything worth while, get it on the market ---but you must have done enough work to make some showing. This is not the kind of market that buys favorable locations or other forms of wild cat.---Alaska Weekly.

Beautiful Calendar Free

Subscribers to the Family Herald and Weekly Star of Montreal, have been advised that they will receive free of charge a beautiful calendar for 1925 with a most attractive picture in color entitled, "The Sale of Old Dobbin." When one considers that the subscription price of this big 72 page family and farm journal is only $2.00 per year, one is amazed by the value received, but with a beautiful picture calendar thrown in, the value is indeed superlative.

Lumber exports from Vancouver during the month of October totalled 33,960,690 feet, valued at $812.861, an increase in quantity and value over the same month in 1923.

BRITISH COLUMBIA

The Mineral Province of Western Canada

Has produced minerals valued as follows: Placer Gold, $76,962,203; Lode Gold, $113,352,655; Silver, $63,532,655; Lead, $58,132,661; Copper, $179,046,508; Zinc, $27,904,756; Coal and Coke, $250,968,113; Building Stone, Brick, Cement, $39,415,234; Miscellaneous Minerals, $1,408,257; making its mineral production to the end of 1923 show

An Aggregate Value of $810,722,782

The substantial progress of the Mining Industry in this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive, $94,547,241; for five years, 1896-1900, $57,607,967; for five years, 1901-1905, $96,507,968; for five years, 1906 1910, $125,534,474; for five years, 1911-1915, $142,072,603; for five years, 1916-1920, $189,922,725; for the year 1921, $28,066,641, and for the year 1923, $41,304,320.

Production During last ten years, $350,288,892

Lode-mining has only been in progress for about 33 years, and not 20 per cent of the Province has been even prospected; 300,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing

THE HON. THE MINISTER OF MINES,
VICTORIA, British Columbia

Explosion Injures Two At Stewart

Portland Canal News

J. S. Stickney, cook at the Silver Grill, and Jack Graham, the dishwasher, are in the hospital as a result of a steam-pipe explosion which wrecked the big steel range, broke innumerable dishes and a number of windows and made the kitchen and dining room look like a cyclone and an earthquake had been battling there with a Missouri mule. How either man escaped with his life is a mystery.

The explosion occurred Monday morning about 8 o'clock and was caused by the water pipe that leads from the range to the tank becoming plugged with ice, holding back the steam until the pressure became too great for the water coil in the fire-box to withstand. Stickney was struck on the face, probably by one of the stove lids, and a cheek bone was badly shattered. Graham was blinded by ashes, and blown through the door into the dining room and up against a front window which was shattered by the impact, Both men are reported as progressing favorably.

The damage is estimated at $60 to windows, $800 to range and fixtures, and $250 to stock.

James McAleenan, one of the earliest pioneers of Prince Rupert where, until recently, he operated the Royal Hotel, arrived yesterday and took over the Hotel Stewart, which business, together with the lease, he has purchased from Wm. Dann. Mr. McAleenan is well known on the north coast, for aside from the Hotel business he is heavily interested in mining in the Alice Arm district.

John Grauson, who until recently operated the Club Cafe in Alice Arm, has taken over the Good Eats Cafe in the Northern Rooms building.

Of the 300 million acres in Canada fit for farming, one-third is in farm holdings; only one-sixth is cultivated; and 250 million acres await the plow.

SANDY MACDONALD

SCOTCH WHISKY

Try a Bottle & Make a New Friend

"SANDY MACDONALD" is one of Scotland's *rare* old Whiskies. Once you taste it you 'll know how "Soft," mellow and stimulating Scotland's *best* really is.

For many generations "Sandy Mac," as it is usually called, has been known all over Scotland—pretty well all over the world too - as a whisky that never varies in its high quality and reaches a degree of purity and "delicacy" of flavour that is as unusual as it is satisfying

Drink "Sandy Mac" yourself and put it before your friends who know what is good.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland for agricultural purposes; minimum price of first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

WATER NOTICE

DIVERSION AND USE

TAKE NOTICE, that the Alice Arm Hydro-Electric, Ltd., whose head office address is Alice Arm, B. C., will apply for a license to take and use five (5) cubic feet of water per second, out of Falls Creek, which flows easterly and drains into the Kitsault River about one quarter of a mile from tide water.

The water will be diverted from the stream at a point fifteen hundred feet from foot of mountain, and will be used for power purposes upon the mine described as the Wolf Mineral Claim (Power House Site.)

It is desired to sell power within a radius of five miles from the Power House site.

This notice was posted on the ground on the 4th. day of December, 1924.

A copy of this notice and an application pursuant thereto and to the Water Act of 1914, will be filed in the office of the Water Recorder at Prince Rupert, B. C.

The petition for approval of the undertaking of the company, as per section 72 of the Act will be heard in the office of the Board of Investigation at a date to be fixed by the Comptroller, and any person may file objection thereto in the office of the Comptroller or of the said Water Recorder.

Objections to the application may be filed with the said Water Recorder, or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C. within thirty days after the first appearance of this notice in a local newspaper.

Coming Year Holds Prosperity For Alice Arm

Continued from Page 1

safe to say that very few camps can offer the promoter or mining companies, such a large number of potential mines. Some big mines will be developed in the district at some future date, and the prize will go to those who are not afraid to back their opinion with good hard cash. It is a comparatively new country and a little courage is needed by mining companies, who desire to enter the field.

All indications also point to a development of mineral properties close to the town of Alice Arm. The Granby Co., who have taken a bond on the Standard property will undoubtedly develop it early next summer.

The Esperanza company are making plans to conduct operations on a much larger scale, and the next few months should witness extensive mining operations being carried out.

Plans are also being made for the development of other properties, and the outlook for the mining indnstry during the coming year is the brightest seen in years.

In addition to the increased mining activity considerable logging remains to be done. To the people of Alice Arm this year is full of hope and promise.

DRUG DEPARTMENT

Forceful Laxatives Are No Longer Necessary

IF you are accustomed to using forceful laxatives as cathartics, you can break away from this habit and bring back the bowel action to a normal condition, or nearly so, by the use of

Wampole's MAGNOLAX

In appearance and taste Magnolax is pleasant and palatable. It is a stable combination of Mineral Oil with Milk of Magnesia—embodying the virtues of both. It softens and lubricates the contents of the bowels, causing natural evacuation without discomfort or griping.

Wampole's Magnolax mixes readily with milk, and may be given in this way to infants and very young children.
