Mining Active at Alice Arm

Considerable interest is being manifested by mining men in the country in the immediate vicinity of Alice Arm. The fact, that the Esperanza has recently been sold to local men for a substantial sum and a new strike of high grade ore on the Alice group, has given an impetus to mining in this section.

That consistent shipper of high grade ore, the Esperanza, is now working nine men, and shipping of ore commenced again this week.

In our last issue we mentioned that the Alice joined the Esperanza on the north-west side, but such is not the case. The Lone Maid property lying between the Esperanza and Alice.

The new strike of high grade ore on the Alice was made within 250 feet of the Lone Maid line, and from examinations of the country made by local men, it is claimed that the ore ledge on the Alice can be traced clear across the Lone Maid on to the Esperanza. If such is the case it will be only a matter of a very short time before more high grade ore in uncovered in this section.

The owners of the Alice are making arrangements for the commencement of operations on that property. High grade ore, composed of ruby silver and silver sulphides is in sight on the surface, and the mining of ore can be undertaken as soon as operations are commenced.

There is every prospect of considerable mining activity being undertakem in this section in the near future. The Esperanza mine is looking better all the time, and is rapidly developing into a steady shipper, and with the Alice shipping ore and the Lone Maid in operation, the prospects will be exceedingly bright. All the above named properties are within easy distance of the Dolly Varden Railway and within two miles of the town of Alice Arm.

Jack Hughes Dies in Prince Rupert

Jack Hughes, who was well known both in Alice Arm and Anyox, died at the General Hospital, at Prince Rupert on Sunday, August 13th, following an operation. He had been suffering from an old internal trouble.

Deceased was about 44 years of age and came from Montreal, in which town his relatives reside. He was a member of the B. P. O. Elks, Anyox Lodge No. 47. He was buried at Prince Rupert, on Wednesday, under the auspices of the Prince Rupert Elks Lodge.

Elk's Flag Day Dance Is Great Success

The postponed Flag Day Dance held in the Elk's Hall, on Friday, August 11th, proved to be without a doubt the most successful dance of the season. From 9 to 2.30 the 220 people present, which filled the hall to overflowing, danced to the strains of the Anyox orchestra, assisted by the Elk's Jazz Band.

The orchestra consisted of Messrs. Haesler, piano; Overand and O'Connor, violin, and Tinmouth, drums. They gave a splendid exhibition of music.

The Elk's Jazz Band was a feature not readily to be forgotton, and under the leadership of Mike Cranley, it was a howling success. The other members of the band are Sam Downs, Jack Sherman, Ed. Waterman, Harry Downs, Jack Smith, Max Morrow, Cy. Greenwell and Harry Chapman.

The prize for the three best words represented by letters, E L K was won by Mrs. E. Waterman. The drawing for the the beautifully dressed doll was also made, Bob McMillan being the lucky holder.

Many were the expressions of and delight heard from all sides on the decorations and arrangements of the dance. Much credit is due the committee in charge, headed by the hard working Chairman, F. E. Leggett, he proved what can be done by someone with the pep.

Death of Mr. W. H. Bromley, at Anyox

The death occurred at the Anyox Hospital, on Thursday morning, August 17th, of Mr. W. H. Bromley, an old resident of the mining camps of Anyox and Alice Arm.

Deceased received a paralytic stroke on July 20th, while up the Illiance River, at Alice Arm, and from which he never recovered. Mrs. Bromley, who was in Victoria arrived in Anyox last Thursday morning, a few hours before the death of her husband.

Mr. Bromley was well known both in Alice Arm and Anyox having resided in the former town previous to going to Anyox. He was a member of the Benevolent and Protective Order of Elks, Anyox Lodge No. 47. It is expected that the body will be shipped south on Monday's boat.

BIRTH AT ANYOX

Born to Mr. and Mrs. J. D. Jones at the Anyox Hospital, on Friday, August 11th, a daughter.

Sensational Strike of High Grade Ore at Esperanza

A sensational strike of high silver ore, was made at the Esperanza mine yesterday afternoon. The strike was made in the Baldy tunnel, and is a continuation of the vein on which the tunnel was started by the Salinas Bros., some years ago. The vein is 18 inches wide, and the ore is composed of ruby and brittle silver and silver sulphides, and samples of ore brought down the hill yesterday evening prove conclusively that the strike is the richest that has been made in the district for a long time.

The strike places the Esperanza in the category of the richest mines in the district and probably in the province.

The new owners are to be congratulated on their good luck, and the old saying still holds good "that a man who is afraid to take chances has no business in the mining game."

Alice Arm Mining Notes

Walter McDonald arrived in town on Thursday, from Stewart and Prince Rupert, where he has been negotiating a bond on the Toric property. He reports that there is every possibility of the Toric property being bonded in the near future. Pat Daly, of Stewart has interested himself in the property. He is at present in Vancouver, and word is expected from him at any time that everything has been satisfactorily arranged, and that the property will be bonded. Mr. McDonald expects Mr. Daly to be in Alice Arm within two weeks, accompanied by New York mining men.

E. Elge, late manager of the Esperanza has started work on the Shramrock and Arruga claims, in which he holds an interest. The claims form part of the Horseshoe group, owned by E. Ness, and is situated on the Copper Creek slope of McGrath mountain. Mr. Ness arrived in town this week with some fine samples of grey copper ore. Mr. Elge intends to drive a 25-ft. tunnel on the property.

A new strike of ore has been made on the Crackerjack property on Roundy Creek, by G. W. Morley The strike was made in the tunnel at a distance of thirty-eight feet from the portal. The ledge struck by the tunnel has a surface width of 24 feet. A new tunnel is being started to strike the foot-wall, on which wall the high grade ore is located.

Silver Bar Co. to Operate

Mr. A. McGuire arrived back in Alice Arm, on Thursday, from a trip to Vancouver. While in the southern city he was successful in organizing an company known as The Silver Bar Mining and Development Co., who will develop mining properties in this district.

Development work will be undertaken by this company on the Silver Bar property, which is situated on the north-east fork of the Kitsault river, and also on other selected properties in the immediate vicinity. The camps will be built on the Silver Bar and work on these will commence immediately, as it is the intention of the company to employ a crew of men doing development work throughout the winter.

Mr. McGuire, who is a practical miner and an old resident of the camp, will be in charge of all mining operations, and he expects to shortly commence work on the construction of the camps.

Esperanza Mine Shipping Ore

The new owners of the Esperanza commenced shipping ore this week, and twenty-five tons of high grade is now on the wharf. This shipment will comprise approximately 750 sacks of high grade, and there is about 40 tons of lower grade ore at the mine awaiting shipment.

Nine men are at present employed at the mine, with J. Peacock in charge of operations. Work of mining ore is being carried on in the Baldy tunnel, and work has also commenced in the lower tunnel, which was started by the late owners. This tunnel is being driven to strike a big quartz ledge higher up the hill.

Several of the owners of the property were in town during the week, and expressed themselves as extremely satisfied with the amount of ore in sight and the general outlook at the mine.

CARD OF THANKS

I wish to thank the entire staff of the Anyox Hospital for the sympathetic treatment I received and the many friends that made kind enquiries during my stay in the Hospital, and also the ladies of Alice Arm who sent flowers.

Mrs. W. A. Cooper

By advertising in your local paper you are helping to keep alive the best medium this district has for advertising its possibilities to the outside world. You are also showing the public that you are in business and that you are anxious to do business with them.

Well Known Anyox Couple are Wed

A quiet wedding was celebrated at the Anglican Church, Anyox, on Friday, August 18th, when Mr. Albert B. Wing and Mrs. M. T. Ranson, both of Anyox, were united in marriage by the Rev. J. B. Gibson. Mr. Chas. Wing, brother of the groom, acted as groomsman, and Mrs. Chas. Wing supported the bride.

Both the bridegroom and bride are well known in Anyox, having resided here for a number of years, Mr. Wing being manager of the Granby Co's Swamp Point mine. After the ceremony, the happy couple left on the Azurite for Swamp Point, where they will reside.

Alice Arm as a Summer Resort.

A large number of Anyox visitors are spending their summer holidays at Alice Arm this year, and all are happy and contented. Those that were here last year are glad to be back again, and those who are visiting here for the first time vow to return again next summer. The number of visitors this year far exceeds the number of any previous year. Alice Arm is just beginning to be appreciated by the Anyox people as a holiday resort, and the people of the smelter town realize that they can spend as enjoyable a holiday 18 miles from home as though they travelled 600 miles. Holiday visitors from Anyox are always welcome to the mining camp at the head of Alice Arm, and everything is done to make their stay as pleasant as possible. Although this year has seen the largest number of visitors from Anyox, yet next year promises to be still better, already plans are under way to provide accomodation for more people next summer. It is to be hoped that the plans mature and that the people of Anyox will take advantage of the opportunity to spend a holiday amidst pleasant surroundings at a minimum cost.

Community League Summer Camp.

"Never give a knock when you can boost." The Anyox Community League are to be complimented on the manner in which they have handled their summer camp at Alice Arm this year. The spacious Alice Arm Hotel was acquired for the use of anyone who wanted to take advantage of spending a week's holiday in this up-to-date Hotel. Free Transportation was provided by the League and the only expense incurred by the visitors was their board. By this arrangement a large number of people have spent holidays in Alice Arm who would not otherwise have left home. All the guests have been perfectly satisfied with the arrangements made for their comfort. The Community League Council is satisfied and the same can be said of the Hotel management, and also residents of Alice Arm. Everyone concerned has derived benefit from the project.

Fire Danger.

FIRE! that dread cry that sets our hearts jumping and tingles the blood has not yet been heard this summer in Alice Arm. We have been extremely fortunate that no fire has broken out either in the woods or in the town, but the danger is not yet over and will not be until the present spell of exceptionally dry weather breaks. Be careful when you throw away your matches, etc. whether in town or in the woods, for a fire started now would without doubt sweep the country far and wide.

Prince Rupert Elks Win Ball Game

The Anyox Elk's Ball team who travelled to Prince Rupert last week, gave a first class exhibition of baseball to the 400 fans who witnessed the game, and although beaten by the score of 5-4 by their brothers of the terminal city, they were by no means disgraced. The game, which was the snappiest played on the Prince Rupert diamond this year, was started off by Anyox in fine style. They scored two runs in the first innings, Cy. Greenwell hitting a home run with Archie Campbell on 1st. base. Anyox scored two more runs in the second innings.

Prince Rupert scored their first run in the 3rd. Tied the score in the 5th, and amid great applause scored the winning run in the 7th.

Archie Campbell at centre made two sensational catches, for which he received great applause.

The teams were:

Prince Rupert		Anyox
Menzies	1st. b.	Whittaker
Easson	2nd. b.	Moran
Farquhar	3rd. b.	Mealy
Anderson	S. S.	Greenwell
Frizzell	l.f.	Downs
Douglas	c.f.	Campbell
Scott	r.f.	Macintyre

Score by innings;

	1	2	3	4	5	6	7	8	9	
Anyox	2	2	0	0	0	0	0	0	0	—4
P. R.	0	0	1	1	2	0	1	0	x	—5

Anyox Abbreviations

Despite the dry season, the skunk cabbage crop has proved a great success.

Vancouver imagine they have a smoke nuisance. A few week's visit to Anyox would soon convince them otherwise.

Hold your breath boys! It's coming. What.? 14-cent copper. When.? Damned if we know.

Those who have not visited Alice Arm this year, missed a whole lot of pleasure.

The continued spell of dry weather is worrying a lot of B. C. people, but we should worry so long as the beer holds out at the Liquor Store.

Did anyone ever stop to consider what a calamity it would be if the liquor store happened to close down.? Banish the thought.

Did you ever notice the rolling walk some of the Captains around town are developing, since the yatching season commenced.

Just think a minute! Have you paid your subscription to the Herald.?

Premier Co. Offers Million Dollars for Adjoining Property

About the first of June says the Portland Canal News, the Premier Gold Mining Company made an offer for an option to purchase, for $1,000,000 within a two year period, the 60 per cent. interest in the B. C. Silver Mines Limited, held by the Selukwe Gold Mining and Finance Company of London. The offer also provided that if the Selukwe people would extend the time the Premier would increase the bond price. In answer to this offer the Selukwe representative suggested a price of $5,000,000 to be paid over a period of four years. This suggestion, Mr. Guess, acting for the Premier, declined to consider.

It will be remembered that the Premier, some months ago, paid $100,000 cash for the 40 per cent. interest now held by them in the B. C. Silver, which property is believed to contain a continuation of the famous Premier lead.

Fish Creek Property Changes Hands

Grant Mahood, managing director of the American Mining Co, has succeeded in amalgamating the Fish Creek Mining Co's property on the Salmon River, at Stewart, with the former.

The Fish Creek property is considered one of the most promising in the camp. The property consists of some nineteen claims, situated on the Alaskan side of the line, on the high ground between Skookum and Fish Creeks.

The workings at the lower camp consist of several hundred feet of tunnels driven on the veins, which are of a lenticular nature, and carry as high as two and a half feet of grey copper ore running from $400 to $600 per ton in all values.

Anyox Community League Summer Camp

The Alice Arm Hotel this week is full of guests; everyone is full of enthusiasm; the air is full of sunshine, and the town is full of kids. Eleven families are the guests of the Anyox Community League this week, and all are enjoying themselves to the limit. The ideal weather that has been prevalent throughout the summer, still continues, which adds greatly to the enjoyment. Mountain climbing, boating, fishing, etc. is being indulged in by the guests,

Those staying as Community League guests at the Hotel last week, with their families, were:

Mrs. Rowlandson, Mrs. Orchard, Mrs. Dryden, Mrs. A. E. Scott, Mrs. G. Warwick, Mrs. R. Cane, Mrs. E. Stevens, Mrs. Leslie. Mrs. W. F. Barclay, Mrs. J. F. Lee.

Those staying this week, are: Mrs. E. Rowlands, Mrs. M. Zucco, Mrs. N. Bloom, Mr. and Mrs. Wharton, Mr. & Mrs. D. Buzelle, Mr. and Mrs. R. Armour, Mrs. Cane, Mrs. Harkins, Mrs. Teabo.

SYNOPSIS OF LAND ACT AMENDMENTS

Minimum price of first-class land reduced to $5 an acre; second-class to $2.50 an acre

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of $10 per acre, including clearing and cultivation of at least 5 acres before receiving Crown Grant.

Where pre-emptor in occupation not less than 3 years, and has made proportionate improvements, he may, because of ill-health, or other cause, be granted intermediate certificate of improvement and transfer his claim

Records without permanent residence may be issued, provided applicant makes improvements to extent of $360 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvements of $10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years are required.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes areas exceeding 640 acres may be leased by one person or company.

Mill, factory or industrial sites on timber land not exceeding 40 acres may be purchased; conditions include payment of stumpage.

Natural hay meadows inaccessible by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of cost of road, not exceeding half of purchase price, is made.

PRE-EMPTORS' FREE GRANTS ACT.

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under the Act is extended from for one year from the death of such person, as formerly, until one year after the conclusion of the great war. This privilege is also made retrocative.

No fees relating to pre-emptions are due or payable by soldiers on pre-emptions recorded after June 26, 1918. Taxes are remitted for five years.

Provision for return of moneys accrued, due and been paid since August 4, 1914, on account of payments, fees or taxes on soldiers' pre-emptions.

Interest on agreements to purchase town or city lots held by members of Allied Forces, or dependents, acquired direct or indirect, remitted from enlistment to March 31, 1920.

SUB-PURCHASERS OF CROWN LANDS

Provision made for issuance of Crown grants to sub-purchasers of Crown Lands, acquiring rights from purchasers who failed to complete purchase, involving forfeiture, on fulfillment of conditions of purchase, interest and taxes. Where sub-purchasers do not claim whole of original parcel, purchase price due and taxes may be distributed proportionately over whole area. Applications must be made by May 1, 1920.

GRAZING

Grazing Act, 1919, for systematic development of livestock industry provides for grazing districts and range administration under Commissioner. Annual grazing permits issued based on numbers ranged; priority for established owners. Stock-owners may form Associations for range management. Free, or partially free, permits for settlers, campers or travellers, up to ten head.

ALICE ARM NOTES

We all obtain our living directly or indirectly from mining, and during the summer months mining news must have the preference in the columns of the Herald.

Mr. R. Farrelly, of Anoyx, spent a few days in town this week.

Mr. and Mrs. Ed. Waterman and daughter, of Anyox, are spending holidays at Silver City.

Mr. C. L. Manroe, Dominion Income Tax Collector, was in town for a few days this week.

See Al. Falconer for Freight and Pack Horses.

C. P. Riel arrived home on Monday from a trip to Prince Rupert.

Mrs. J. Dunn and family, of Anyox, are spending holidays in town.

Mr. and Mrs. A. McGuire and family arrived home on Thursday, from Vancouver.

Mrs. P. Clark, of Anyox, is visiting Mrs. Whalen.

Miss Stewart, of the Anyox Hospital staff was visiting Mrs. Whalen at the beginning of the week.

Steve Dumas is doing his part in giving our visitors a good impression of the town. He has already painted three buildings on Main Street, including Bruggy's Department Store, and the Herald Building. He is now busily engaged putting a new coat of paint on the historic Kitsault House.

The Herald carries the mining news of this camp all over the world. Subscribe and help the good work along.

Publicity is what the camp needs and lots of it. We have the goods and need'nt be ashamed to advertise them.

H. Butler, government telegraph operator left on Thursday, for holidays, at his old home at North Battleford, Sask. He is being relieved by H. J. Hicks, of Prince Rupert.

LEWIS W. PATMORE.

BRITISH COLUMBIA

The Mineral Province of Western Canada

Has produced minerals valued as follows: Placer Gold, $76,177,403; Lode Gold, $105,557,977; Silver, $55,259,485; Lead, $48,330,575; Copper, $166,393,488; Zinc, $21,884,531; Coal and Coke, $225,409,505; Building Stone, Brick, Cement, $34,072,016; Miscellaneous Minerals, $1,210,639; making its mineral production to the end of 1921 show

An Aggregate Value of $734,259,619

The substantial progress of the Mining Industry in this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive, $94,547,241; for five years, 1896-1900, $57,607,967; for five years, 1901-1905, $96,507,968; for five years, 1906-1910, $125,534,474; for five years, 1911-1915, $142,072,603; for five years, 1916-1920, $189,922,725; for the year 1921, $28,066,641.

Production During last ten years, $336,562,897

Lode-mining has only been in progress for about 33 years, and not 20 per cent of the Province has been even prospected; 300,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.
