## Alice Arm Wins Hockey Game At Anyox

### Winning Goal Scored in Overtime Play

Anyox Hockey fans had the pleasure last Sunday afternoon of witnessing the best exhibition of hockey ever staged in northern British Columbia. The game was the third match played between Anyox and Alice Arm this season and both teams were in the finest form. Anyox mastered the Alice Arm team for two periods, but were unable to keep the pace up and Alice Arm won the fastest game of the season by a 4-3 score after 10 minutes of overtime play. Whipped to a finish at the beginning of the third period, Alice Arm allied and tied the score by sheer aggression and nerve. Playing his best game of the season, Oatman drove the tying score past Waterman a few minutes before the final whistle. Anyox had lost their pep and the Arm team played rings around them.

The game started with the usual dash that has characterized every game this season and both teams were trying to score as quick as possible. Anyox were the first to score when Down drove the puck into the net from a pass from McGammon on the left wing.

In the second period the tide of battle swayed up and down the ice and brilliant tending by the rival goalkeepers saved the game on many occasions. Oatman experienced a lot of hard luck in not scoring, hitting the goal posts and goal-keeper on numerous occasions. Anyox again scored, McGammon doing the trick from a pass from Down in the centre.

It looked like an easy win for Anyox when McGammon in the third period after considerable hockeying got away on an individual play and shot the puck past Bruggy, placing his team three goals in the lead.

It was at this stage of the game that Alice Arm came to life and showed the fans some real hockey, they outclassed their opponents at all stages of the game and piled on three goals in less than ten minutes. Ross scored the first goal from a pass from Al Falconer on the left, and he repeated the act in a few minutes from a pass from Oatman. Oatman tied the score with a drive from centre and the trick was done. Anyox failed to add to their tally and the score was 3-3 when the whistle sounded.

Ten minutes overtime was played which was fast and furious. Al Falconer drove the puck into the net from the left wing and Alice

## Anyox Community League Meeting, Wednesday, Jan. 18

At the A. C. L. Council meeting held on Wednesday, January 18th, in the Recreation Hall, it was decided that the Annual General Meeting be held in the Recreation Hall, on Wednesday, February 15th, when nominations for the next councillors will take place.

The election of councillors to be held on Monday, February 20th, at the Mess House and Library at the Beach and at the Surface Office at the Mine. At the next weekly meeting, January 25th, the Council will take up the question whether non-members will be allowed to vote at the election of Councillors or not.

In reply to a letter from the League regarding regulations governing the construction of picture theatres, a letter from the censor of picture shows in B. C. was read stating that there was no objection to having a swimming pool in the basement of a moving picture theatre, providing the floor between and the exits were in compliance with the fire regulations.

President Armour intimated that in reply to the advertisement for a secretary welfare agent for the League, he had received forty applications. The closing date to receive applications is February 1st. According to the custom of retiring Councils not to put an incoming Council under any obligations, the present Council will leave the appointing of the new secretary to the next council.

Mr. J. Sherman, Director of Recreation, put up a strong argument for equipment for the gymnasium. An advertisement will be published in Vancouver and the secretary of the Vancouver Y. M. C. A. will be requested by letter to assist if possible in procuring the necessary equipment. The Gym. is a popular institution, being well patronized every evening by men, women and children, and some arrangement will have to be made so that all can have equal use of the building.

On Monday evening, John Sanderson and James Mahoney were initiated into the mysteries of Elkdom by the officers and members of Anyox Lodge No. 47.

Alice Arm won the best game of the season by a score of 4-3.

The line-up of the teams were:

Anyox	Position	Alice Arm
Waterman	goal	Bruggy
B. Wilson	l. defence	Cameron
T. Wilson	r. defence	W. Falconer
H. Down	centre	Oatman
C. Carlson	r. wing	Ross
McGammon	l. wing	Falconer
Referee—F. Hatt, Anyox		

## Basket Social & Dance Held an Alice Arm

A very successful basket social and dance was held last Saturday, January 14th, at the Alice Arm Hotel, in aid of the School Fund. The dance was given as a farewell to the men who have been here several months building the government wharf. A very enjoyable evening was spent by everyone present and at the sale of baskets, over \$100 was realized for the School Fund.

Two orchestras supplied the music, the musicians being: Mrs. T. W. Falconer, Messrs. E. R. Oatman, Rogers, A. D. Hallett, O. M. Walker and J. Fiva. Mr. Geo. Bruggy acted as M. C.

Dancing commenced at 8.30 p.m. and was continued until 11 p.m. when the baskets donated by the ladies were sold. Mr. H. F. Kergin was the auctioneer and to prove his ability to handle the job he netted the school fund over \$100, some of the baskets selling for \$6.50 each. After supper was over dancing was resumed and at the close Bert Kergin spoke a few words on behalf of the citizens of Alice Arm in which he thanked Mr. Rogers for his kindness in helping the local orchestra during his stay here and the interest all the men on the wharf construction had taken in all social events of the town.

Mr. Rogers in reply, said that it really ought to be the people of Alice Arm who should be thanked and speaking for himself and the men on the pile-driver, he wished to say that they had spent a very enjoyable time during their stay here and that nowhere had they been entertained so much as at Alice Arm.

The dance was brought to a conclusion by singing "God Save the King" and "Auld Lang Syne."

## Successful Card Party and Dance Held by Elks in Anyox

On Wednesday, January 18th, the ladies of the Elks held what was probably the most successful card party and dance that Anyox has seen for many a day. Everyone and his brother were there.

Whist, five hundred and bridge were the order of the evening from 8 to 10 p.m. The prize winners were: Archie Morton and Mrs. F. Miller for whist; Ibek Munro and Miss Gladys Rashleigh for five hundred; Mr. Leggett and Miss Margaret McColl for bridge.

Everyone then repaired downstairs where dainty refreshments were served by the ladies. From the comments heard on all sides we should say that the finest cooks in B. C. have migrated to this northern district.

After supper was over, dancing was indulged in until 1.30 a.m. The orchestra was in splendid form and they very kindly donated their services for the evening. The Elks Lodge wish to thank all the ladies for their kind services in undertaking such a party. The success of the evening speaks for itself of the manner in which their efforts were appreciated.

## Pupils Dance Given by A. C. L. at Anyox

On Friday, January 13th, a very enjoyable Dance was given in the Library. The dance was under the auspices of the A. C. L. in connection with the dancing class, for the purpose of giving the pupils who are all well advanced towards being finished dancers, the experience gained by mixing with the crowd at a regular dance. The floor was just comfortably crowded by the many dancers, who enjoyed every minute of the programme. The music by the Anyox Orchestra was, as usual, all that could be desired.

Mr. Duke Hilbert and his sister Shirley were the recipients of many expressions of congratulations upon the success attained by their dancing pupils in the short time the class has been in session.

On Thursday, January 12th, before Stipendary Magistrate John Conway, John Kuzik was fined \$10 and costs for creating a disturbance on January 2nd.

**Alice Arm Skating Rink**

The promoters of the Alice Arm Skating Rink are to be congratulated on the progressive spirit shown by them in the fall of 1920 when they decided to build the skating rink. Last season was a successful one and this season also promises well.

The rink has proved a great boom to the people of Alice Arm. It is the only place in the winter where outside sport can be obtained and the pleasure that has already been derived from it has more than paid for the money and labor expended in the erection. Skating can be indulged in every day (except for a few warm spells) throughout the winter, from early morning until late in the evening.

That the people of Alice Arm appreciate the rink is proven by the number of people that can be seen on the ice at any hour of the day, from 5-year old children up.

Hockey games between local teams are played every week, and the children also have regular hockey games. Anyox hockey team are frequent visitors and some fast and strenuous games have already been played this year.

It must afford great satisfaction to the promoters to see what a great interest has been taken in the rink since it was first opened, and if the financial standing of the rink was better, they undoubtedly would be still more satisfied.

The rink started this season with a debt of \$359.41 and a credit account of \$1.65. The sale of season tickets have been very satisfactory this year, considering the depressed condition of mining, but a considerably sum of money is still needed in order to clear off the debt. Necessary repairs were done to the building this season. The roof was strengthened, and the cost of material for this and other incidental expenses will be in the neighbourhood of \$100. All labor was supplied voluntary or it probably would have been impossible to operate the rink this season. Alice Arm have a skating rink of which any town in British Columbia might well be proud and it is a pleasure to see that the citizens are giving it their hearty support.

**Dr. Simmons of Anyox is Dead****Dies on the Venture on her Trip North. Death Due to Heart Failure**

The death occurred on Saturday, January, 14th, of Dr. H. S. Simmons, the well known Anyox dentist. His death occurred on board the Venture on her last trip north, just before she reached Ocean Falls and was due to heart failure.

Dr. Simmons left Anyox on December 19th, to spend the Christmas holidays with his wife and son Harry, who is a dentist in Vancouver. He left Vancouver on Friday night in the best of health, and retiring late he ordered breakfast to be brought to his state room in the morning, as he was going to stay in bed and have a good rest. He had breakfast in his room and got up during the afternoon, but feeling ill he returned to bed. The steward called to see if he required anything in the evening and found him dead. The body was left at Ocean Falls and will be picked up and taken to Vancouver on the return trip of the Venture.

Many were the expressions of regret when the news was received in Anyox. The Doctor was well liked by all who knew him and his presence will be greatly missed. He was well known to many in Anyox who came from the boundary country, as he was previous to coming to Anyox, located in Greenwood and made business trips to the surrounding towns and mining camps during the last decade.

He was 57 years of age and leaves to mourn his loss his wife and son Dr. Harry Simmons, who live at Burnaby, also two sisters, Mrs. A. Littlehills and Miss Edna Simmons, who both reside in Vancouver.

**Rich Ore Strike At the Premier Mine**

The Portland Canal News, of Stewart says: "Word has just been received that ore was struck in No. 4 tunnel, at the Premier mine, on December 28. With this strike the Premier ore bodies have been proved to a depth of 700 feet, and is therefore, possibly the most important strike ever made in the camp, for it proves beyond a doubt that the ore deposits in this district go down to great depth.

**Stork Fifty in Lead on Recount of Votes**

At the recount of votes in the Federal election, being held at Prince Rupert before Judge Young, Col. Peck gained fourteen votes on a recount of the Premier mine and Smithers. In the case of the Premier mine twenty-nine ballots were thrown out on account of the failure of the returning officer to provide sufficient ballots. Make-shift ballots were made by the deputy and these were the one's that were thrown out. All the Telegraph Creek ballots were thrown out as they were type-written. The result was that Fred Stork gained sixteen votes. With twenty small polls to be examined, Fred Stork's majority stands at fifty.

**PEEPS INTO THE FUTURE OF ALICE ARM**

Extracts from the Daily Herald, January 21st, 1922.

The Peace River Express was three hours late last night. Being held up by snow between Groundhog and Clearwater stations.

Two snow tractors arrived last evening from the Naas Valley, each carrying a load of ten tons of produce. The road is now in fine condition for sleighs.

The Naas Valley News reports a very mild winter, and only about twelve inches of snow has fallen.

The Peace River Oil Pipe Line Companies that repairs have been made to the pipe line and oil is again flowing to the big tanks.

The oil tanker, Canadian Crown, left port last night loaded for Australia. Two more tankers are expected in tomorrow, which will load for China.

Officials of the Kitsault Consolidated Lining Co. states that the new units recently installed in the big concentrating plant near the Wolf Mine, are working very satisfactory. The mill is now capable of handling 2500 tons of ore per day.

The Gouger Mining Company states that an additional 250 men will be employed early in the spring developing the new properties recently acquired by them at the Kitsault Glacier.

The hockey game last evening at the local Arena, between Alice Arm and Aiyansh, ended in a whirlwind of excitement. Alice Arm scoring the winning goal in the last minute of play. This places Alice Arm on top of the North Coast League, with Anyox close second.

The Four A Aerial Transportation Company have purchased two more machines in Toronto for Service between Alice Arm, Anyox & Aiyansh.

**B. C. Mineral Output Declines in 1921**

The value of the mineral production of British Columbia during the year 1921 is placed at \$23,934,848. This is \$6,008,236, or 18 per cent less than last year.

With the decline in value of other metals produced the gold production increased in value from \$2,102,992 in 1920 to \$3,155,140 in 1921.

The silver output fell from \$3,235,980 in 1920 to \$1,611,152 in 1921. Copper fell from \$7,832,890 to \$4,007,979; lead from \$2,316,115 to \$1,754,400 and zinc from \$2,176,460 to \$1,755,460.

Hon. T. D. Pattullo, member for Prince Rupert in the legislature and minister of lands, expects to leave about the end of the month for England to follow up the work he started last summer in regard to immigration from England to Canada. He will also go further into the conditions of business between this province and the United Kingdom.

**TOMMY'S QUESTIONS**

"Papa!" "Well?" "Is there a Christian flea?" "Why, whatever put that idea into your head?" "The preacher read it out today from the bible—"The wicked flee when no man pursueth." "Why Tommy that means that the wicked men flee?" "Then papa, is there a wicked woman flee?" "No, no. It means that the wicked flees, runs away." "Why do they run away?" "Who?" "The wicked fleas." "No, no! Don't you see? The wicked man runs away when no man is after him." "Is there a woman after him?" "Tommy, go to bed!"

**SYNOPSIS OF LAND ACT AMENDMENTS**

Minimum price of first-class land reduced to \$5 an acre; second-class to \$7.50 an acre.

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres before receiving Crown Grant.

Where pre-emptor in occupation not less than 3 years, and has made proportionate improvements, he may, because of ill-health, or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued, provided applicant makes improvements to extent of \$250 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvements of \$10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years are required.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes areas exceeding 640 acres may be leased by one person or company.

Mill, factory or industrial sites on timber land not exceeding 40 acres may be purchased; conditions include payment of stumpage.

Natural hay meadows inaccessible by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of cost of road, not exceeding half of purchase price, is made.

**PRE-EMPTORS' FREE GRANTS ACT.**

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under the Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the great war. This privilege is also made retroactive.

No fees relating to pre-emptions are due or payable by soldiers on pre-emptions recorded after June 28, 1918. Taxes are remitted for five years.

Provision for return of moneys accrued, due and been paid since August 4, 1914, on account of payments, fees or taxes on soldiers' pre-emptions.

Interest on agreements to purchase town or city lots held by members of Allied Forces, or dependents, acquired direct or indirect, remitted from enlistment to March 31, 1920.

**SUB-PURCHASERS OF CROWN LANDS**

Provision made for issuance of Crown grants to sub-purchasers of Crown Lands, acquiring rights from purchasers who failed to complete purchase, involving forfeiture, on fulfillment of conditions of purchase, interest and taxes. Where sub-purchasers do not claim whole of original parcel, purchase price due and taxes may be distributed proportionately over whole area. Applications must be made by May 1, 1920.

**GRAZING**

Grazing Act, 1919, for systematic development of livestock industry provides for grazing districts and range administration under Commissioner. Annual grazing permits issued based on numbers ranged; priority for established owners. Stock-owners may form Associations for range management. **ANYOX NOTES**

Kodak Finishing, Enlarging and Copying. Sydney Davis, P. O. Box 115, Anyox

With the return of the Rev. Gibson on Thursday, the usual services will be held at the Anglican Church on Sunday.

Now that Al. LaFortune is back at his desk, Miss A. McMillan has resumed her duties in the General Store.

Don't miss the male voice quartette at the Burn's Anniversary Concert on January 25th.

Captain Paul Armour arrived in port during the week with a valuable addition to the Anyox shipping in the shape of the halibut boat, Speculator. She is owned by a local syndicate composed of P. Crone, S. Herrin, H. Kirk and P. Armour. Paul will sail her with a crew of three experienced fishermen whom he engaged in Prince Rupert.

The Harold King light railway has done some excellent work this week clearing away the mountain of snow which piled up between the stores down town. One can now navigate on an even keel.

Mr. and Mrs. H. S. Munroe and family, arrived home on Thursday. Mr. Munroe has been to New York to consult with the Board of Directors.

The Rev. J. B. Gibson arrived home on Thursday, from Victoria.

Among those arriving on the boat on Thursday, were: Messrs. W. Ward, F. Levy, H. Wright, J. S. Connell, W. E. Buell, C. Wallen, W. Tubby.

Mr. John Swanson of the mine was a south bound passenger on Monday's boat.

The anniversary of Scotland's national bard, Robbie Burns, will be celebrated in Anyox, on January 25th. Take in the fun of a grand Scotch Concert in the Recreation Hall.

The players of the Mine Baseball team who won the Anyox League Championship last season, are now carrying round a happy smile. The reason is that they have been the recipients of a handsome new sweater each, presented by the supporters of the team.

The Rev. Father Fleck arrived in town on Thursday, January 12, from Minnesota, U. S. A., having been appointed Pastor of the Sacred Heart Parish, by his Lordship, Bishop Buno, O. M. I. Needless to say the Catholics of Anyox appreciate Father Fleck's arrival, as they have been without a resident Priest for some months.

Al. LaFortune came back to camp last Monday, after a visit to Vancouver. Al. is full of pep again now and ready to punch the typewriter at most any speed.

The substantial progress of the Mining Industry of this Province is strikingly exhibited in the following figures which show the value of production for successive five-year periods: For all years to 1895, inclusive, \$94,547,241 for five years, 1896-1900, \$57,605,967; for five years, 1901-1905, \$96,509,968; for five years, 1906-1910, \$125,534,474; for five years, 1911-1915, \$142,072,603; for the five years, 1916-1920, \$189,922,725.

**Production During last ten years, \$331,995,328**

Lode-mining has only been in progress for about 25 years, and not 20 per cent of the Province has been even prospected; 300,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, the security of which is guaranteed by Crown Grants.

**SPEND! SPEND!**

Those who will not profit by experience deserve to suffer. Experience has taught thousands of successful business men that a dollar hoarded when it should be expended on advertising is worse than a dollar thrown away. This is particularly true of the time when the inclination to conserve is strongest.
