VOL. 1, NO. 50

ALICE ARM, B. C., SATURDAY, JUNE 3, 1922

10 cents each.

Midway Group at Alice Arm is Bonded

The Midway group of claims, has been bonded by Mr. Ralph Ingraham, to a number of Anyox people, for the sum of \$25,000. Payments will run over three years and work on the property will commence immediately.

Four men will be employed at the commencement of operations and this force will be increased from time to time.

The property joins the Esperanza on the west side. It was staked by Mr. Geo. Pratt, in 1912, and was acquired by Mr. Ingraham last year, when Mr. Pratt left the country owing to ill health.

The Midway has all the prospects of developing into a good shipping mine in the near future. Two tunnels were driven on the property by Mr. Pratt, each one about 30 feet in length, and a large amount of surface stripping was also done, showing up high grade ruby and brittle silver.

Anyox Baseball

In the second meeting of the season the Elks and the Smelter fought to a draw, on Thursday evening, May 25th, giving the fans a good exhibition, the score being six all, at the end of the seventh, when darkness put a stop to the argument. Both batteries delivered the goods in fine shape.

Not content with letting it go as a drawn game until the end of the season, when, if it had any bearing on the season's result, it could be replayed, some of the players got together and announced a replay for Saturday night. This was done without any official decision. One wonders what an executive board is for, or why officials of any kind is necessary in an organization if the players can run things to suit themselves. However, it was played, and while the smoke of battle still lingered over the field great were the threats of protests to come of doing away with the umpire. Saturday's game was a wild one from every angle. There was a lot of hitting, some errors, and oodles of excitement. Umpire Waterman has so far, survived the gas attacks of the fans.

The game on Monday, between the Elks and Mine was a real nice quiet, gentlemanly game. The Elks winning with a tally of 5 to 2

We are very sorry we could not give more space to Anyox sports this week—Ed.

If you've anything to sell, advertise it in the Herald and turn it into money.

More Ore at Esperanza Mine

The high grade vein of ore in the Baldy tunnel at the Esperanza mine, has widened out to a width of three feet and the outlook for this property is exceedingly bright.

Work is again to be undertaken in the upper tunnel, now that it has dried out. Ore was encountered in this tunnel early in the spring, but owing to the large amount of water coming in, work had to be suspended. It is anticipated another body of ore will be opened up in this tunnel.

Five hundred sacks of high grade ore are at the mine ready to come down the hill, and thirty tons of low grade ore running about 45 ozs. silver per ton is in the bunkers. Work on bringing this ore down will commence next week.

The working staff at the mine has lately been increased, and it is the intention of the management to ship ore throughout the year.

Alice Arm Citizens' Association Meeting

The regular monthly meeting of the Alice Arm Citizens' Association was held in the Anglican Church, on Saturday evening, May 27th. Eighteen members were present, which shows that a keen interest is being taken by the people of the town in the work of the Association.

President D. S. Cameron was Chairman of the meeting.

After the reading and adoption of the minutes of the previous meeting, a letter was read by the secretary from Mr. A. L. Carruthers district engineer of public works, in reply to a letter sent by the secretary regarding the extension of the Illiance River trail to the Naas Valley. Mr. Carruthers stated that he would be shortly visiting the Superintendent of Public Works at Victoria, and would take the matter up with him.

A communication was read from the Anyox Community League in regard to a reduction of freight and passenger rates on Coastwise ships and after some discussion it was decided by the meeting, that the secretary write to the Anyox Community League and the Stewart Citizens' Association, with a view of ascertaining if those organizations were still prosecuting the fight for further reductions, and also what course they intended to pursue in this regard in the future.

On the suggestion of the secretary, Mr. T. W. Falconer, it was decided that arrangements should be made with the Rev. Rushbrook, for the use of the hall.

Mr. N. O. N. Member, the secretary is waiting to enroll you as a member. Be a booster for your town! Join up!!

Weekly Meeting of Anyox Community League Council

Large Amount of Business is Transacted

The regular weekly meeting of the Community League Council was held in the Recreation Hall, on Wednesday evening, May 31st. Those present were: President Willisroft, Secretary-Treasurer, Geo. Warwick, Councillors Mrs. McKay, and Messrs. Murdoch, Barr, Roberts, Armour and Buzelle.

The Secretary reported that additions had been made to the buildings at the ball grounds, and that the baseball and football schedules were well started, and that a Junior League had been organized and supplied with equipment. This League will play a schedule of games on Wednesday and Saturday evenings.

In connection with the request of the Council to have the Granby Co. management reduce the price of the sporting equipment purchased some time ago, the secretary reported waiting on Mr. H. S. Munroe, the General Manager, and was informed that the decision of the Store's manager was final.

The secretary read a letter from Mr. G. A. McNicholl, Assistant General Freight and Passenger Agent of the G. T. P. Railway, Prince Rupert, in reply to a request for a reduction in passenger fares between Vancouver and Anyox and Prince Rupert and Anyox. Mr. McNicholl stated that there was no possible chance at the present time to comply with the request of the Community League, as the boats on this particular run were not now operating on a profitable basis.

Mrs. McKay asked that the children's playground on the flats be attended to as there was a bad hole that needed filling.

Mr. Warwick asked that the sum of \$25 be set aside each month for the purpose of purchasing new books. It was decided by the meeting that \$15 a month would be sufficient for the time being.

As chairman of the summer camp project at Alice Arm, Mr. Warwick told of a visit he had made on Sunday last, and how he had been offered several buildings at Alice Arm for housing purposes, and it was decided to go ahead and make whatever arrangements were necessary to make the camp a success. Also in connection with the camp, Mr. Warwick asked for power to add to the Committee. The Chairman thought the idea a splendid one, and on Mr. Warwick's request being granted, he submitted the names of the following ladies: Mrs. W. F. Eve, Mrs. T. Oxley, Mrs. J. Pinder-Moss, and Mrs. Nelson. Mr. Armour thought that any other ladies who might wish to

Elk's Baseball Game

On Wednesday, May 24, the married Elks met the single Elks in a game of baseball. Although the youngsters entered strong favorites it took but a few short innings to convince the spectators that Father Time had dealt but lightly with the old "stiffs." Jack Cody dished up the slants for the benedicts and was given air tight support. Greenwell and Sherman shared the burden of pitching for the singles, but received poor support from the rear.

When the smoke cleared away and the married men had finished running around the bases, the score stood 13 to 7 against the singles. Manager Gray was well pleased with his hirelings and has already received tempting offers for outfielders Hoffman and Chapman.

Ed. Swanson played spare for Married and relieved Chapman after a strenuous home run. Great credit is due to Geo. Bailey the noted umpire, as he had some very close decisions to make, but George was wide awake and proved all that he maintained in regards to umpiring.

After the ball game, races were held for young and old and every runner received a prize. Harry Chapman looked as if he was in training for the 100 yards dash as he was in excellent form. "That a Boy," those early runs to the Mine are looming up fine.

The launch, Awake will leave Anyox for Alice Arm, at 9 a.m. on Sunday, June 4th. Returning, will leave Alice Arm at 7 p.m. Return Trip, \$3.

Geological Party arrives at Alice Arm

R. W. Goronson and E. P. Riley, of the Canadian Geological Survey, arrived in town on Monday, and are camped at the beach. Mr. George Hanson, who was in charge of the party last year is expected to arrive next week. They will survey the Esperanza hill, west of the town and across the bay on Roundy and Lime Creeks, first. They will then finish their work on the upper Kitsault River country, which was uncompleted last year.

A geological survey of the Illiance River mining section will be made, and it is also the intention to survey the mineral country between Terrace and the Naas Valley.

serve should be invited.

As the janitor of the Reading Room resigned the job last week, Mr. Warwick suggested that it be given to a deserving applicant, but

Continued on page 3.

ALICE ARM NOTES

Mrs. H. Carney is now agent for the Amateur Finishing Co., of Vancouver for Developing, Printing and Enlarging all kinds of Photographs. Prices on Application.

Rev. Father Fleck, of Anyox, will celebrate Mass in Alice Arm, at the residence of S. Dumas, on the 6th. and 7th. of June. This date being the end of the Lenten season.

Joe Wheatley will have a boom of logs ready for the Georgetown Mills next week. The boom will comprise nearly 400,000 feet of lumber.

See Al. Falconer for Freight and Pack Horses.

Alex McPhee left on Tuesday, for Anyox.

Stock-taking has been done at the warehouse of the Taylor Mining Co. at the wharf, during the week.

Geo. Young, government road superintendent, left on Thursday for Stewart.

Geo. Shelton and Jin Peacock, of the Hidden Creek mine arrived on Thursday, from Anyox, to inspect the Midway property.

Mrs. W. H. Bromley, of Anyox is spending a short vacation with Mrs. T. W. Falconer.

W. McNeish, auditor of the Workmen's Compensation Board, arrived on Thursday. He will also visit Anyox.

Fred Mattson arrived in town on Thursday, from Anyox.

Mr. McArthur, of Anyox has been spending the week at the Hotel, for the benefit of his health.

See Al Falconer for Wood or Coal

An ice cream social was given at the tennis courts on Thursday evening, in honor of the 18th. birthday of Miss Nettie Hogburg. About 40 people were present and a very enjoyable evening was spent

The pack train of the Alice Arm Freighting Co. left on Friday morning for Camp 8, in order to bring down the belongings of Mr. and Mrs. Rowley and family, who are leaving Camp 8. They will reside at Alice Arm.

The Herald's First Birthday.

With this week's issue, the Herald is just one year of age; being born on June 4th, 1921. We, however, missed three issues during the year, and are therefore carrying all those who subscribed at the commencement of publication, an extra three weeks, which will be to June 17th. We wish to extend our hearty thanks to everyone who have supported the paper during the past year. The past year has witnessed the greatest trade depression of modern times, but so far, we have weathered the storm; the outlook is getting brighter all the time, and we hope to continue the publication of the Herald for a good many years to come. It is our ambition to enlarge this paper as soon as conditions warrant, and our readers may rest assured that no efforts will be spared to give them as large and newsy a paper as it is possible to produce under the circumstances.

A big subscription campaign will be staged in Anyox this month for the Herald. Everyone will be canvassed for subscriptions. The subscription rate will be reduced to \$2.25 per year, and \$1.25 for six months, so that everyone will have a chance to subscribe. The amount of news and the make-up of this paper depends entirely upon the number of subscribers we are able to obtain. The more subscribers, the better the paper. Subscribe to your local paper and keep in touch with the affairs of the town in which you are living, and also the mining towns surrounding you.

Mining News of Naas Valley Notes Stewart

Preliminary work has been started on the property of the Dunwell Mines, Ltd. Harry Thomey, who was for several years foreman on the Stewart Mining and Development Company's ground, which is now included in the Dunwell property, is in charge of a crew of men, getting the old buildings in shape for the summer's work.

On May 17, a deal was consummated in Vancouver, whereby the Premier Gold Mining Co. have purchased under a three year bond, the Northern Light group, from Charles and William Bunting, of Hyder. The total amount of the bond is understood to be \$125,000 with \$5000 cash payment. It is not known how much work is called for under the agreement.

With the completion of this deal the Premier Gold Mining Company have acquired the ownership of, or an interest in, some fifty or sixty claims on the Salmon river, thus giving tangible proof of their confidence in the mining future of the district.

It is reported on good authority, that Grant Mahood has been successful during the past winter in Vancouver in raising ample capital for the carrying out of an extensive programme this year on what has been known heretofore as the Divide property.

Confirmation of the deal, whereby the Big Missouri is bonded, has been received in Stewart. According to an authoritative statement the purchasers are A. B. Trites of Fernie and big New York interests, all of whom are associated with the Premier Gold Mining Co.

Active development work will start immediately on the New Alaska property according to a statement given out by Patrick Daly and Eddie Hambleton, managing director and director respectively, of the Daly Alaska Mining Company.

C. B. Orchard, of the Provincial Forestry Branch, arrived last week and is now cruising timber in the Lava Lake district.

George Wohlschlegel and D. Jackson has arrived from Terrace with eight pack horses for Mr. Orchard's party.

Mr. Sharp, of the Terrace Oil Co. is visiting the valley.

Joe Wells, provincial road foreman, has moved up to the Cranberry River in order to start work on the new bridge.

The thermometer has reached 90 degrees in the shade, and owing to the warm weather the river is very high.

James Nick has taken the position of cook with the Forestry Survey Party for the summer.

Charlie Gordon, who has been busy ploughing and seeding, has now twenty acres in crop. He contemplates supplying Alice Arm and Anyox with produce in the fall.

Anyox Community League

Council meets every Wednesday Evening, at 7.30 p.m. Every second Wednesday of month at Mine Hall; every first, third and fourth Wednesday at Recreation Hall.

If you can suggest anything to better conditions, tell it to us at the meetings.

RE SPECIAL TIMBER LICENCES

The attention of Timber Licence holders who are taking advantage of the provisions of the 1921 Amendment to the Forest Act, whereby arrears of licence fees accrued prior to 31st. December, 1920 have been funded and made payable in annual instalments, is specially directed to the fact that any renewal fee which became due in 1921 is not included in the instalments above mentioned, and such 1921 and all subsequent renewal fees must be paid within one year after the date of expiry of the licence in order to maintain the right of the holder to obtain a renewal of the Licence.

Community League Meeting
Continued from page 1.

there was some discussion, Mr. Buzelle insisting that a Chinaman now working in the Recreation Hall be employed. It was decided, however, by the majority that none other than a white man be employed for the Reading Room work.

There was considerable discussion over the matter of paying umpires and referees for the season's schedule, but it was finally decided upon the strong recommendation of the Chair that as everything was going splendidly in connection with the different games, that the methods instituted should remain for the balance of the season. Mr. Buzelle wanted it to be done for nothing, which was very satisfactory last year. Mr. Barr thought that the practice was not in the best interest of sport, but if it was absolutely necessary to the success of the season's sport, it should be continued.

Mr. Buzelle opined that the Anyox Community League was an absolute failure; that nothing was right with it, and that as the first step it should change its name to the Anyox Athletic Association; that a new secretary be appointed, and that everything be furnished free, pool, pictures, baseball, tennis, dances, in fact, everything, the dues being made compulsory, and the amount to be \$1.50 for Beach residents and \$1 for residents at the Mine. The suggestions were laid over for future reference, although Mr. Buzelle wanted to put his proposition up to the management of the Granby Company immediately.

THE FIRE-BUG AND THE EAST WIND

"It's time to hit the trail again,"
The careless camper said,
And left his little fire ablaze
Within its leafy bed.
"I'll light another cigarette,"
The idle loafer said,
And chucked his old "snipe" in the brush,
One end still glowing red.
"Good time to start my slashing now,"
The careless rancher said,
And touched it off without a thought
Of how far it might spread.
"I think I'll blow an hour or two,"
The restless east wind said,
Then liked it so he changed his mind
And blew a week instead.
"Millions in lives and timber lost,"
The newspapers next said.
What made those fires start all at once
We wondered as we read.
"It wasn't us, it was that wind,"
The fools in chorus said.
So they're alive and loose this year—
We hope the wind is dead.

SYNOPSIS OF LAND ACT AMENDMENTS

Minimum price of first-class land reduced to \$5 an acre; second-class to \$7.50 an acre.
Pre-emption now confined to surveyed lands only.
Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.
Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions with joint residence, but each making necessary improvements on respective claims.
Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres before receiving Crown Grant.
Where pre-emptor in occupation not less than 3 years, and has made proportionate improvements, he may, because of ill-health, or other cause, be granted intermediate certificate of improvement and transfer his claim.
Records without permanent residence may be issued provided applicant makes improvements to extent of \$80 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvements of \$10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years are required.
Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.
Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.
For grazing and industrial purposes areas exceeding 640 acres may be leased by one person or company.
Mill, factory or industrial sites on timber land not exceeding 40 acres may be purchased; conditions include payment of stumpage.
Natural hay meadows inaccessible by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of cost of road, not exceeding half of purchase price, is made.

PRE-EMPTORS' FREE GRANTS ACT.
The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under the Act is extended from for one year from the death of such person, as formerly, until one year after the conclusion of the great war. This privilege is also made retroactive.
No fees relating to pre-emptions are due or payable by soldiers on pre-emptions recorded after June 26, 1918. Taxes are remitted for five years.
Provision for return of moneys accrued, due and been paid since August 4, 1914, on account of payments, fees or taxes on soldiers' pre-emptions.
Interest on agreements to purchase town or city lots held by members of Allied Forces, or dependents, acquired direct or indirect, remitted from enlistment to March 31, 1920.

SUB-PURCHASERS OF CROWN LANDS
Provision made for issuance of Crown grants to sub-purchasers of Crown Lands, acquiring rights from purchasers who failed to complete purchase, involving forfeiture, on fulfillment of conditions of purchase, interest and taxes. Where sub-purchasers do not claim whole of original parcel, purchase price due and taxes may be distributed proportionately over whole area. Applications must be made by May 1, 1920.

GRAZING
Grazing Act, 1919, for systematic development of livestock industry provides for grazing districts and range administration under Commissioner. Annual grazing permits issued based on numbers ranged; priority for established owners. Stock-owners may form Associations for range management. Free, or partially free, permits for settlers, campers or travellers, up to ten head.

TO ANYOX BOAT OWNERS

A board and chalk is provided at the wharf for the mutual benefit of all owners of boats, so that when going out for a run you are advised to write on the board your destination and time you expect to return. Should you fail to return within a reasonable time, some one will come to your assistance. Use the board, it is for your benefit.

Road and Trail Work at Alice Arm

The work of clearing the trail of the north-east fork of the Kitsault River from fallen trees, etc., has been done this week and the trail put in shape for the summer.

Repair work will be started on the Illiance River trail next week, on the portions washed out by the high water last fall. Two small bridges will also be rebuilt.

Work of clearing off the right-of-way of the Dolly Varden Railway has been suspended, but it is understood that should the railway not be repaired by any Mining Co. during the next two weeks that the government will do enough work to allow the operation of hand-cars.

Considerable trail work will be done in the upper Kitsault country this summer, and work will commence as soon as the snow is off the ground.

It is confidently expected that the Illiance River trail will be extended to the Naas Valley this summer.

ANYOX NOTES

First-class meals served at all hours. Home Cooking. Miss B. Crawford, Alice Arm. Three doors past Anglican Church.

Nice comfortable furnished room for rent, with or without board. Apply Miss B. Crawford, Box '33, Alice Arm.

Two tents for rent, 12ft. by 14ft. board walls and floor. Two stoves, two beds, table, etc. \$20 per month for the two or \$15 for single one—Apply the Herald.

Five-roomed house for rent at Alice Arm, to July 1st. Completely furnished. \$5 per week. Apply the Herald.

The Sale of Work, Home-cooking and Afternoon Tea, held by the "Busy Bees," on Saturday, proved a great success. The little "Bees" were quite in evidence as they attended to the selling of the goods and waited on the tea tables in a creditable manner.

Boys and girls of Anyox, would you like to make some real easy money to spend during the coming holidays? If so, here's the chance. We are putting on a big subscription campaign in Anyox this month, and will require 4 boys and 4 girls at the beach and 1 boy and 1 girl at the Mine to sell subscriptions. Good commission paid, and a prize given to the boy or girl who secures the largest number of subscribers. For particulars write the Herald AT ONCE. Don't delay. First applicants secures the job. When writing, state age.

Mr. and Mrs. R. Wilkinson, who recently left Anyox owing to the ill health of the former, wish to express their thanks to Dr. Learoyd, the Matron of the hospital and numerous friends for their kindness and attention on the occasion of the sudden illness of Mrs. Wilkinson, just previous to the departure of the boat.

The dance held by the Elk's Sports Committee, May 24, proved very successful. The dancers numbering 175, and everyone spent an enjoyable evening.

Howard McInnis left on Thursday for a month's holiday in Vancouver.

James Rogers, of the Smelter repair gang, left on Thursday, for holidays in the south.

It is reported that H. Corkell, the pioneer baseball fan, of the Mine, is sending to Pasadena, California for some of his players which he had farmed out for the summer.

Harry Downs sprained his ankle while playing ball, on Monday night, but is doing fine and hopes to be around soon.

The good ship "Regal E" will sail from the port of Anyox, on Sunday, June 4, at 10 a.m. Destination unknown, on a bear hunting expedition. The crew will consist of: Capt J. D. Lawrence, Chief Engineer George Bailey; Pilot, "Nap" Draudson; Deckhand, Chilliwack Robertson; Cook, Sid Armstrong; Flunkey, H. Chapman; Ballast, Chas. Gray.

Alex Roberts launched his new boat on Victoria Day, and she took the water like a duck.

Skipper Moeran has issued a

challenge to all yachtsmen in the harbor for a race under canvas. No limit to size of boat or spread of canvas.

Arrivals on Thursday's boat were: Rev. and Mrs. J. Herdman and son, from Vancouver.

Claude Davis. Mrs. Davis has gone to England.

Archie Berry returned from a visit to Puget Sound cities.

Stanley Moran returned from Vancouver.

Mrs. F. Patten, of the Mine.

Mr. and Mrs. R. Ferguson returned from their Honeymoon, and will reside at the Mine.

John Gagne, of the Mine returned from holidays in the south.

Departures on Thursday's boat, were:

Mr. F. H. Parsons, to Victoria.

Dick Buttery, left on a six month's holiday to England.

Mr. and Mrs. A. S. McLeod of the Mine.

Mr. E. F. Gigot returned to Nelson, after visiting his sons in Anyox for two weeks.

A. Knox, construction foreman at the Mine.

A. L. Champion, manager of the General Store, left on a short business trip to Vancouver.

Jimmy Rogers left to visit his mother in Minneapolis, after an absence of 14 years.

Mrs. Roye, Mrs. Bain, and Mr. and Mrs. N. Davidson, of the Mine.

Mr. Dan Stewart, of the Great West Life Assurance Company, arrived in Anyox, on Monday. He has been as far east as Winnipeg since his last visit here. He reports mining is receiving a lot of atten-

tion these days. Alice Arm will probably have considerable activity this summer, as the settlement of the Dolly Varden case is creating a lot of interest in the south.

Mrs. Barclay and family arrived in Anyox last week to reside with Mr. Barclay, who is head brick-layer at the Smelter.

Mr. James Griffiths arrived in Anyox last week, aboard his private yacht, Sueja, from Seattle. Mr. Griffiths is president of the Coastwise shipping line, which does a large business with Anyox. He is also Admiral of the Pacific Coast Yacht Club.

MINERAL ACT

CERTIFICATE OF IMPROVEMENTS

NOTICE

Athos, Portes, Armes, D'Artagnon and D'Artagnon No. 1 Mineral Claims, situate in the Naas River Mining Division of Cassiar District, about twenty miles up the Kitsault River on east side.

LAWFUL HOLDERS: J. D. Meenach, Free Miner's Certificate No. 40876-C; R. D. Brown, Free Miner's Certificate No. 40877-C; John Holmgren, Free Miner's Certificate No. 40878-C; Chas. E. Frey, Free Miner's Certificate No. 40879-C.

Take notice, that I, William E. Williams, Free Miner's Certificate No. 44376-C, agent for the above-named lawful holders, intend at the end of sixty days from the date thereof, to apply to the Mining Recorder for a Certificate of Improvements for the purpose of obtaining a Crown Grant of the above mineral claims.

And further take notice that action under section 85 of the Mineral Act must be commenced before the issuance of such Certificate of Improvements.

Dated this 20th. day of March, 1922.

W. E. WILLIAMS,
Barrister-at-law
Prince Rupert, B. C.

MINERAL ACT

CERTIFICATE OF IMPROVEMENTS

NOTICE

Red Bluff and Devil's Club Mineral Claims, situate in the Naas River Mining Division of Cassiar District. Where located: on Kitsault River, Alice Arm.

Take notice that I, Thomas McRostie, Free Miner's Certificate No. 40863-C, acting as agent for Joseph N. McPhee, Free Miner's Certificate No. 40853-C, intend, sixty days from the date thereof, to apply to the Mining Recorder for a Certificate of Improvements, for the purpose of obtaining a Crown Grant of the above claim.

And further take notice that action, under section 85, must be commenced before the issuance of such Certificate of Improvements.

Dated this 17th. day of March, 1922.

BRITISH COLUMBIA

The Mineral Province of Western Canada

Has produced minerals valued as follows: Placer Gold, \$76,177,403; Lode Gold, \$105,557,977; Silver, \$55,259,485; Lead, \$48,330,575; Copper, \$166,393,488; Zinc, \$21,884,531; Coal and Coke, \$225,409,505; Building Stone, Brick, Cement, \$34,072,016; Miscellaneous Minerals, \$1,210,639; making its mineral production to the end of 1921 show

An Aggregate Value of \$734,259,619

The substantial progress of the Mining Industry in this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive, \$94,547,241; for five years, 1896-1900, \$57,607,967; for five years, 1901-1905, \$96,507,968; for five years, 1906-1910, \$125,534,474; for five years, 1911-1915, \$142,072,603; for five years, 1916-1920, \$189,922,725; for the year 1921, \$28,066,641.

Production During last ten years, \$336,562,897

Lode-mining has only been in progress for about 33 years, and not 20 per cent of the Province has been even prospected; 300,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing
