## Alice Arm Christmas Tree & Entertainment Was Enjoyable

All the children of the town and a large number of adults attended the annual Christmas Tree and Entertainment, which was held at the Alice Arm Hotel on Saturday evening. It was very enjoyable for both old and young and every one spent a very happy evening.

The evening was opened by a lengthy entertainment programme by the children. At the conclusion Santa Claus in person with his white whiskers, red coat, genial smile and stately stride paused long enough on his way to Anyox from Aiyansh, to distribute presents, nuts, candy, etc. to the children.

Before the juvenile exclamations of delight had ceased, the supper table was ready to tempt their young appetites. Later the adults sat down and enjoyed the tasty vivands prepared and presented by the ladies of the town.

Following refreshments, the floor was cleared for dancing and with everyone glowing with the Christmas spirit, dancing was carried on until the hour of midnight.

Following is the programme of the entertainment and the children who took part, also their instructors the Misses Alice Kergin and Alma Evindsen deserve great praise for the creditable performance.

Song, "O Canada," by everyone.  
Recitation, "Christmas Greetings," Ronald Evindsen.

Song, "Hark the Herald Angels Sing," by Children.

Recitation, "I am a Little Gentleman," Jackie Graham.

Sketch, "Her Excuse," by Children.

Recitation, "The Christmas Tree," Billy Stephen.

Solos, "I'm called Little Buttercup" and "Loves old Sweet Song," Joan Trinder.

Recitation, "The Cattle Thief," Marguerite Moss.

Song, "Carol Sweetly Carol," by Children.

Recitation, "Vespers," Hilda Moss.

Sketch, "Too Greedy by Half," Joan Trinder, Marguerite Moss, Hilda Moss.

Recitation, "Grandma's Glasses," Betty Jean Ore.

Pianoforte Solo, "Merry Maiden Polka," Alice Kergin.

Recitation, "My Dolly" Margaret Stephen.

Selections by the Kitchen Band, by elder children.

Recitation, "Little Fishes" Margaret Stephen.

Physical Drill, Marguerite and Hilda Moss, Joan Trinder, Betty Jean Ore.

Song, "Holy Night," by children.

Harry Fowler, disguised as a trapper, gave a vivid portrayal of the wisdom of timber wolves by whom he was treed on a cold and wintry night.

To the Residents of Northern and Central British Columbia, I extend my  
: : : : sincere wishes for a Prosperous New Year : : :

## New Year Dance Will Be Special Event

Supper at 10.45 p.m. on Sunday and dancing from 12.01 a.m. on New Year's Day, continuing indefinitely—such is the programme of those energetic lodgemen, the Elks.

Planned to suit the unusual occurrence of New Year's Eve falling on a Sunday, this arrangement is a happy one. The supper will be a lavish one and will be attended by many groups of people, who have booked their places. It will be quite different from the rush and hurry of the ordinary dance supper. There will be plenty of time in which to enjoy the repast, no dances being missed through absence from the dance hall.

The Brother Bills are exerting themselves to make this a memorable function, and there is no doubt whatever that this will be accomplished. A good floor and the best music obtainable will await the dancers and a large gay crowd will be catered for, while unusual novelties will be distributed. Book your places at the supper tables today.

## Enjoyable Time Spent At Christmas Dance

The cold weather, the Christmas spirit and the general good nature of everyone at this time must have combined to make the A. C. L. Christmas Dance, held in the Gym. on Friday the 22nd. a happy event, for everyone voted it the best ever.

The floor, the supper, and the music by the "Revellers" were excellent, the latter turning out some toe-tingling tunes and tempos that kept everyone animated. The kindergarten set which was recently disposed of by the I. O. D. E. was secured by Mr. F. Graham. A substantial sum was raised for relief purposes by the disposal of this handsome set.

## Anglican Church Choir Visits Hospital

The choir of the Anglican Church led by the Rev. A. Abraham, visited the Hospital on Christmas morning and sang a number of carols, which were greatly enjoyed by the patients at that institution.

## Beach Children's A. C. L. Christmas Party Very Colorful

Everybody present at the Community League Christmas Party for the children at the Beach, held in the Gymnasium on Thursday the 21st. thoroughly enjoyed the affair. The gathering glistened and sparkled with life and color. Novel and beautiful costumes abounded, and the judges had much difficulty in making their decisions.

The prize for the best dressed girl went to Nanette Taylor as "Bo Peep" and John Scott was selected as the best dressed boy, he being a picturesque little jockey. In the comic section Winnie Vine topped the girls as a "Big Baby" and Albert Gigot headed the boys as a hobo. Terry O'Brien, as a "Christmas Parcel" lead in the character costumes, as also did Nancy Gigot as "Old Man." Special prizes were awarded to Shirley Hague as "Winter and Summer," Peggy McDougall as "Crinolin," to the Sorrenti boys as a "Spanish Team" and to G. Hunter and June Cleal as a "Dutch Team."

Gifts off the tree were distributed by Santa Claus himself in person, and it is safe to say that the children never enjoyed themselves more thoroughly than at this party.

## BIRTH AT ANYOX

Born, to Mr. and Mrs. A. Lookie at the Anyox General Hospital, on Friday, December 22nd. a son.

## Mr. Olof Hanson M.P.

Mr. Olof Hanson, Member of Parliament for Skeena, is leaving shortly for Ottawa to attend the forthcoming session of Parliament

## Prince George Reaches Rupert Safely

Leaving Anyox about 4 a.m. on Christmas morning, the "Prince George," recently damaged through running on the rocks at Askew Point during a snowstorm, proceeded to Prince Rupert under her own power. She was escorted by the "Salvage King." Everything possible had been done to lighten the maimed liner in readiness for her hazardous journey, even to leaving her boats behind at Anyox to be brought along later by the Salvage Princess.

Once on the drydock at Prince Rupert the work of repairing her shattered plates was immediately commenced but it is expected that she will be laid up for some considerable time. During the journey to Prince Rupert wireless communications were received or sent by the operator on the "Salvage King," these being transmitted by semaphore signalling from one vessel to the other.

## Alice Arm People Invited To Welcome New Year

Mr. and Mrs. O. Evindsen of the Alice Arm Hotel have issued an open invitation to everyone to be present at the Hotel on Sunday evening, in order that the New Year may be welcomed in with the usual ceremony. Refreshments will be served. Don't fail to be present and greet the coming of the new, and no doubt better year.

## Scouts Convey Thanks For Christmas Toys

Anyox, B. C.  
The Editor,  
Alice Arm & Anyox Herald.

Dear Sir:

Would you please convey through the medium of the Herald the thanks of the Boy Scout Group Toy Shop to all those who assisted to make it the success it was.

Owing to the holiday rush it is not possible to give all details this week, but this will be done as soon as matters are complete.

Thank you all.

Yours sincerely,

Roland Gale,  
For the Troop.

The Herald is \$2.00 a year.

## Many Unique Costumes At Mine A. C. L. Children's Party

Splendid co-operation by all concerned was responsible for the brilliant success of the Children's Party at the Mine on Thursday the 21st. This was a most colorful and gorgeous function, the hall being filled with children in beautiful and clever costumes. There were so many lovely children and so many original character costumes, that the judges' task of selecting the prize winners was extremely difficult. Patient and painstaking work on the part of the grown-ups in preparing the children for this splendid carnival was evident, and worthy of high praise.

Prizes were awarded as follows: best dressed girl, Roberta Ferguson "Turkish Girl;" Eleanor Carr, "Fairy;" best dressed boy: first, Robert Marsh as a Chinese Mandarin; 2nd, Bobby Carr as an old-time Colonial; Comic boy, Kenneth McLean as a hard rock miner; Comic girl, Marion McLean as "Old Dutch Cleanser;" Original boy, Mervyn Owen as a "Gypsy;" original girl, Margaret Gibb as a Ballet Dancer. The ubiquitous Santa Claus distributed gifts from the tree to all the children, and three clowns—Ed, Blundell, J. Coggins and S. Paproski—kept the youngsters in an uproar of merriment. It was rumoured that Mr. McNicholas had been observed in the vicinity of the hall, but he must have been masquerading himself as no one recognized him. Ample and tasty refreshments brought a most unique and enjoyable gathering to a close.

## Mrs. Stevens Died From Burns Wednesday

Mrs. Ed. Stevens, residing at the Mine, was severely burned on Wednesday last when her clothing caught fire from a heater which she was tending. The accident occurred about 10 a.m., Mrs. Stevens' little grand-daughter running into the street and informing the first person she met of the accident. George Dyer hurriedly entered the house and quickly subdued the flames, but by this time Mrs. Stevens had suffered terrible burns.

Dr. Lang was notified immediately, and Mrs. Stevens was conveyed to the hospital. She is an old-time resident of the district well known and highly respected. She could not survive the shock and passed away on Wednesday night at 11.30. The late Mrs. Stevens was 80 years of age.

**What Has the New Year In Store For Us?**

Tomorrow at midnight the present year will pass away and a new one ushered in. The passing of 1933 will not be regretted by anyone. For the big majority it, has been a year of disappointment, distress and depression; a year of blighted ambitions and twelve months of weary waiting for better conditions. True, it redeemed itself a little during the latter stages, but the recovery was painfully slow and we have a long way to travel back to normal times, when 90 per cent of our population was employed in gainful occupations at a good living wage. But what of 1934? What it has in store for us no one can foresee. Judging from present world reports it is apparent that business is on the increase. How fast it will gain during the coming year is something the cleverest economists can not foretell. At the close of the year the world's nations have not made any concerted effort to improve world conditions. Each is working for its own benefit, in spite of the fact that the experience of the past few years have shown that no one nation can be prosperous while the others are in poverty. The nations can not agree to stabilize their currencies. They will not lower their high tariff walls, nor will they pass legislation to curtail hours of labor and take advantage of the usefulness of the present day rapid motion automatic machinery, by which goods are produced. The coming year, however, may see a start made to build up a permanent world prosperity. It will be a radical change from anything hitherto undertaken, but since man lit his first fire, made his first wheel and fashioned his first spears, conditions in the world have ever changed, and we are still a long way from the final.

**The Local Outlook For The Coming Year**

What is the local outlook for 1934? Will prices of copper and silver rise during the next twelve months, so that mining companies can make a profit and employees increase their earnings? We sincerely hope so. Although the outlook for increased prices is much better than a year ago, how high they will rise is a question a good many would like to answer with assurance. The price of copper, of course, depends entirely upon the demand, and the demand depends upon the state of the manufactur-

**B. C. Silver Company Hold Annual Meeting**

Annual meeting of B. C. Silver Mines Ltd., London controlled company, holding 17 claims adjoining Premier Gold Mine, was recently held in Vancouver. The meeting was of a formal nature there having been no developments at the property during the year. It is understood that stabilization of silver at higher price levels might lead to resumption of negotiations in connection with development and operation of the property, which, owing to its location has interesting possibilities.

The balance sheet as at August 31, 1933, was presented, showing \$780 expended on maintenance during the year, bringing general development and prospecting account to \$723,643. The sum of \$12,774 was spent on insurance, salaries, general expenses and depreciation bringing general expenditure account to \$162,151.

ing industry. If manufacturing is at a high level copper prices go up, and when it lags, copper prices recede. Silver, however, is in a different category. It is not used extensively in the manufacturing industry. It is, and always has been, a more or less valuable metal.

As world conditions are at present, the future price of silver seems to depend entirely upon legislation passed by different nations, either favorably or otherwise. During the past two weeks, the President of the United States has wisely enacted laws that has remonetized silver in that country and raised the price from around 43 cents to 64½ per ounce. This legislation will be instrumental in re-opening many silver mines in the southern republic and will also cause many new mines to start producing. What Premier Bennett intends to do in Canada in regard to silver is not known. He should unhesitatingly follow the example of President Roosevelt and place silver in its rightful position in our currency. Such action on his part would result in placing thousands of men in employment in Canada, and would put into circulation money of real value. Silver at 64½ cents an ounce would undoubtedly be the cause of active mining in the Alice Arm district. Properties that have been idle for years would resound with the hum of activity, and the silver deposits of this district would be created into wealth for the benefit of the nation, instead of being buried in the ground where it is valueless to everyone. There is every reason to hope and expect that silver prices will rise to a level that will make mining profitable in this district during the coming year. It is also very probable that copper prices will rise considerably in 1934, and in anticipation of the success of that hope we wish our readers an

## Gives Name to Rockies Pass

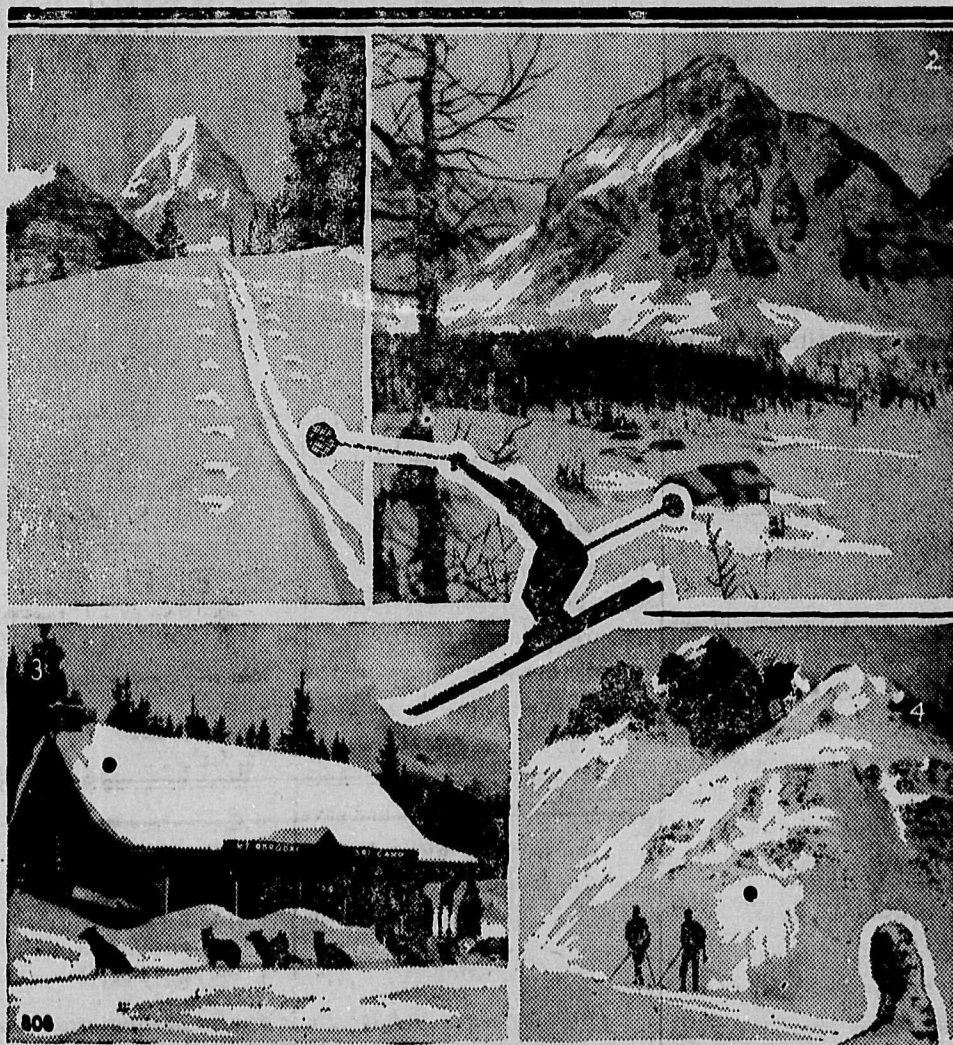

naming a pass in the mountains after him. Gibbon Pass has hitherto been anonymous and lies between Shadow Lake and the Twin Lakes, below Ball and Storm mountains in the valley of the Bow, midway between Banff and Lake Louise. Not far from travelled routes in the Rockies and located in one of their most picturesque sections, Gibbon Pass was actually discovered by Mr. Gibbon when he was planning the route to be taken by Trail Riders last summer and himself hiked over the trail between the two lakes.

The name was conferred recently by the Geographic Board of Canada in honor of Mr. Gibbon's work as poet, novelist, promoter of musical and folklore festivals and founder of the Order of Trail Riders of the Canadian Rockies which numbers members from all parts of this continent, Europe and Australia and which has done inestimable work in bringing the glories of Canada to the knowledge of the world. Lay-Out shows the Pass, with inset of Mr. Gibbon and, below, close-up of group of Trail Riders.

Recognition of the years of devoted labor by J. Murray Gibbon, general publicity agent of the Canadian Pacific Railway, in popularizing the Canadian Rockies throughout the world, has been given by

## Ski Runners of the Canadian Rockies

With a field of activity unequalled the world over the new winter sports association the Ski Runners of the Canadian Rockies, is rapidly coming into prominence among skiers and winter sports enthusiasts generally. The new organization is patterned largely after the famous Trail Riders and its locale, unequalled for scenery and facilities on this continent and probably without a rival even in Europe, is Banff, in the heart of the Rockies, with runs and trails varying from one to ten days in duration and covering such world-known objectives as Mount Assiniboine, Simpson Pass, Shadow Lake, Lake Louise, Ptarmigan Valley and Pass, Bow Lakes and Pipestone Pass. Skiing over some of these passes is in full swing as late as June when visitors are enjoying golf and tennis, fishing and hiking, in the valleys below. But the sport begins in November each year.

A thousand feet above Banff and about an hour out from the town is the ski lodge built on the pass between Mount Norquay and Stoney Squaw. From the club house runs radiate in all directions with cabins and shelters at strategic points for rest and refreshment. There is a 50-metre Jump at Buffalo Park and every year in February (this year February 7-14) a tournament is held where the pick of Canadian and outside jumpers compete.

Lay-out shows (1) Ski track across virgin snow with Mt. Assiniboine, 11,800 feet high, in background; (2) Canadian Pacific Bungalow Camp at Magog headquarters for skiing at Mt. Assiniboine; (3) Mount Norquay Ski Lodge, 1000 feet above Banff, overlooking the Bow River, with dog team in foreground and (4) The Towers, on Wonder Pass, near Mt. Assiniboine, one of the finest winter scenes in the Rockies

## Anglican Sunday School Scholars Entertained

Father Christmas, whose doings at this time are so instantaneous and rapid, visited the Parish Hall of the Anglican Church, on Wednesday afternoon last and presented gifts to the scholars of the Sunday School. In addition to a number of toys many handsome books were distributed, these being greatly appreciated. The gathering took the form of a Christmas Party, everyone present joining in games and a general frolic.

Refreshments were served, and this annual event was much enjoyed.

Mr. Fred Graham was present during the afternoon, though effectively disguised for the time being.

## United Church Sunday School Xmas Tree

Wednesday evening last, will not soon be forgotten by the scholars of the United Church Sunday School for it was the occasion of their annual Christmas Tree and Party. There was everything that is so dear to the hearts of the children at such times. Of course Santa Claus bounced in just in the nick of time and distributed gifts from the tree.

A feature of the occasion was a concert given by the children of the Sunday School, and the adults present were treated to a lengthy programme of songs, dances, recitations and other items which proved most enjoyable. Refreshments were afterwards served, and the sociable and gay atmosphere prevailing made the affair most enjoyable.

## Christmas Festivities Are Gay But Orderly

Anyox folk, who have so much to be thankful for at this season, spent Christmas in a gay but orderly fashion. There was a total absence of rowdiness or overbuoyancy. All homes reflected the true spirit of Christmas and warmth, plenty and good cheer prevailed everywhere. At a great many homes it was the pleasure of the inmates to entertain some of the single men of the camp and those men, who are without permanent homes here. Needless to say, this thoughtfulness was much appreciated.

Christmas at Alice Arm was enjoyed, we believe, by everyone. The same old spirit of goodwill prevailed and open house was kept by everyone for visitors throughout the day. Dinner invitations were extended to many single men by their married friends, and everybody appeared to have spent an enjoyable day.

Miss V. Waram returned on Wednesday from Vancouver.

## Banff Queen

Miss Violet Davis, of Edmonton, Alberta, who will reign as Queen of the Banff Winter Carnival, from January 31st to February 4th, inclusive. This internationally famous winter sports meet, which provides thrills ranging from outdoor swimming, to toboggan chutes built on mountain sides, and ski-joring over mountain trails, will this year again take its place among the outstanding Western Canadian winter carnivals.

## PERFECT MAPLE LEAF

The most beautiful maple leaf, prize winner in the nationwide competition conducted by the Canadian Pacific Railway, was submitted by Mrs. C. McConnell, Fredericton N. No. 3, York County, New Brunswick. It has a flare of autumn coloring ranging from light yellow to deep blood red, and its perfect symmetry and form won it distinction in competition with 10,000 other beautiful leaves, submitted by enthusiastic Canadians from Coast to Coast. The leaf, a thing of sheer beauty, was selected by such outstanding artists as C. W. Simpson, R.C.A., R. W. Pilot, R.C.A., and James Crockett.

In the largest leaf phase of the competition, six-year-old Bobby Hume, of Revelstoke, B.C., made an astonishing win with a leaf showing an area of 222 square inches.

The success which greeted the original competition this year has encouraged Canadian Pacific officials to plan for another competition on a larger and more comprehensive scale next fall.

## Here and There

The Canadian Pacific Railway supply farm, Strathmore, Alta., had the best Holstein cow in the four-year-old or over (not in milk) class at the Royal Winter Fair recently held at Toronto.

Banff Winter Sports Carnival will be held from January 31 to February 4, it is announced. The carnival will be followed by a series of sports week-ends, each being devoted to one particular type of sport.

The problem of truck-rail competition was declared a national one by S. Hayes, M.A., in a recent address before the Engineering Institute. He saw regulation and restriction in areas where the truck does not belong as the only solutions.

Christmas festivities this year will be enlivened by Japanese oranges of which 38,400 boxes arrived at Victoria recently aboard the Empress of Canada, for distribution to a number of Canadian cities. 5,000 boxes were left at Victoria and the fruit will doubtless feature in the Empress Hotel Yuletide celebrations.

Since October 1, 1930, a total of 101,765 people have been settled on Canadian farms or given farm employment under the auspices of the Dominion Department of Immigration and the two great transcontinental railway companies, according to a report issued by the Department of Immigration. 89,236 of these people were settled without financial assistance.

Expression of confidence in a brighter business outlook in Canada, coupled with definite improvement in conditions throughout the Dominion, was made recently by H. J. Humphrey, general manager, Canadian Pacific Railway, eastern lines, in an interview during his trip of inspection to the Maritimes prior to the opening of the winter navigation season.

Five ports hitherto not touched at by world cruises — Penang, Straits Settlements; Semarang, Java; Boeleleng and Padang Bay, Bali; and Zamboanga in the Zula Archipelago — have been added to the 1934 itinerary of the Canadian Pacific liner Empress of Britain, sailing from New York January 4. The cruise will cover 133 days and 30,916 miles and will return to New York May 14.

Special low fares with generous time limits for the return trip will be available on Canadian railroads for the Christmas and New Year holiday periods, it is announced by C. P. Riddell, chairman, Canadian Passengers' Association. These low rate tickets will be good between all stations in Canada and also between points in Canada and certain United States connections.

## ALICE ARM NOTES

Miss Leah Kergin, who is attending High School at Anyox arrived home on Friday to spend Christmas holidays with her parents.

Lorne and Kirk Falconer arrived home from Anyox on Saturday in order to spend Christmas holidays with their parents.

J. Wier arrived on Saturday from Anyox and spent the holidays with Mrs. Wier.

E. M. Ore arrived on Saturday from Anyox in order to spend the holidays with Mrs. Ore and daughter.

Mrs. A. M. Morton, after a brief visit here, left on Tuesday for Anyox.

Miss Lillian Moss arrived home on Monday from Prince Rupert, where she is attending High School, and is spending the holidays with her parents.

Mr. and Mrs. T. W. Falconer received a pleasant surprise while they were attending the Christmas Tree entertainment on Saturday evening. Quite unexpectedly their daughter Juanita, whom they thought was in Vancouver, was presented to them by their sons Lorne and Kirk. The latter had arranged the visit as a surprise gift, and everyone was happy as a result of the family re-union. Miss Falconer was a passenger on the Prince George when she went aground near Anyox last week.

The cold weather spell has been unbroken for the past three weeks. Coal and wood piles are decreasing at a rapid rate, and we have January and February yet to come.

J. Calderoni and his niece, arrived on Wednesday from Prince Rupert.

## For Coughs and Colds!!

Wampole's Extract of Cod Liver Oil is most effective for heavy colds. A real tonic. Per Bottle, \$1.00.

Buckley's Bronchitis Mixture, as advertised in this issue. Per Bottle 75c.

Buckley's Throat Lozenges - - - 10c.

Syrup of Cocillana Compound---a Parke Davis product---gives prompt relief for rasping coughs and sore and tickling throats. Per Bottle 60c. Sold on a money-back guarantee.

## GRANBY STORES

ANYOX, B. C.
