Tragic Death of Mr. Bert Shelton Shocks District

No death caused a more profound impression or excited more sympathy in this district than did the tragic death of Mr. Bert Shelton who met his death in the waters of Alice Arm inlet through falling off the float at Silver City on Saturday evening, August 23rd. The news came as a severe shock to his many friends and cast a gloom over the two towns.

The fatal accident occurred on Saturday evening. It is believed that he stumbled on the uneven float, which was being tossed by a high wind, and fell, stunning himself, and rolling into the water died of shock following the fall and submersion in the water.

He was alone at the time of the accident. He had accompanied T. Sullivan and J. McGregor to the launch Iris, who were taking the boat to the Alice Arm side of the inlet to escape the buffeting of the wind. He had cast off the lines for them and started for home and that was the last time he was seen alive. The body was discovered by Mrs. J. Wheatley in the early hours of Sunday morning lying on the Beach at low tide.

Deceased had left Anyox on Saturday evening on board the launch Iris, to spend the week-end with Mrs. Shelton and family, who were holidaying at Silver City.

The late Mr. Shelton had been a resident of Anyox for over fifteen years, and during the last few years held the position of superintendent of the Housing Department for the Granby Co. He was one of their most trusted officials, fulfilling his varied duties in a conscientious and capable manner, and his death will leave a void hard to fill. He was a model citizen, and was held in high esteem by practically the whole communities of both Anyox and Alice Arm. His duties brought him into contact with everyone and his presence will be greatly missed. He was a member of the Anyox Masonic Lodge, and had held the office of secretary since its institution.

Deceased was 40 years of age, and was born at Burton, Nottinghamshire, England, coming to Canada at an early age. He leaves to mourn his loss, a wife and four small children of Anyox, also a father and mother and two brothers who reside in England.

A funeral service is being held this evening at the Anglican Church, following which the body will be placed on board the Canadian National Steamship and taken to Vancouver. Interment will take place at the Masonic cemetery, Burnaby on Tuesday. Mrs. Shelton and family will accompany the body, and plan to make their future home in Vancouver.

The deepest sympathy of the entire district is extended to his sorrowing wife and family in their sad bereavement.

Celts Defeat Smelter 2 Goals to 1 In Close Game

Despite the rain, a fickle light, and a soggy ball, the Celts and Smelter put up a good game of football in a League fixture on Friday the 22nd. The Celts secured two scalps against one by the Smelter. It was a well-earned victory, as the winners battled against a strong wind in the first half and worked up-hill in the second, when the wind dropped away altogether. The spectators, caught unawares by the rain, were huddled under any shelter they could find, but their enthusiasm was not at all dampened. Although the Celts wiped out an old score against their rivals, and eliminated them from the League, the Smelter played a fast, clean game, and were most unlucky on one occasion not to equalize. The winning counter for the Celts came from a penalty kick by Williams, who found the net with a fast, low shot which gave the goalie—Sid Peters—no chance at all. As the nights are drawing in quickly it is hoped that some games will be arranged for the daytime, on days when the plant is down. There are still three or four games at least to be played before the League and Cup winners are decided, and the fans are as keen as mustard to see the splendid series properly culminated.

Industrial Picture Films Greatly Appreciated

A very interesting and varied program of industrial subjects was presented by courtesy of the Granby Co. on Saturday afternoon, August 23 at the Mine Show and on Monday, August 25 at the Beach. There were six reels shown, the titles of which were: The story of Dynamite; The story of the Heat Treatment of Steel; Carbon Monoxide the unseen danger, and a trip Thro' the Oil Lands of Europe and Africa. A total audience of over 300 witnessed the showings and were very pleased with what they saw. It is noted that the popularity of the industrial pictures is no doubt due to the recognition of our patrons of the interesting subject matter of these films. The Company will continue to procure and show these films from time to time.

The ladies of the Catholic Club will hold a card party and dance every second Friday in the month during the winter season. The first will be held on Friday, September 12th. Admission 50c. Catholic Hall.

Mine Suffers Defeat From Concentrator At Baseball

On Thursday evening, August 21st, the Concentrator won a fast baseball game from the Mine by the score of 3 to 1.

The game was close and fast all the way and three double plays were made during the proceedings, one by the Concentrator boys and two by the Mine team, the best one being when Calderoni at center took a long fly from Bartman's bat and returned the ball to second to catch Musser well off the bag.

Another pretty piece of work was put on by Archie McDougall, who stole second and third on a caught foul fly. This smart bit of base running got Archie a nice round of applause from the fans, and the Mine boys got considerable razzing for being asleep at the switch.

However, the thrills of the evening were not entirely confined to baseball. The fans got a big kick out of an impromptu one-round tussle that was put on by Johnny Lazorek and Umpire Manning. From the Press-box it looked as though both these gents lost the fight on a technical foul to the rest of the teams, all of whom very thoroughly sat on both the battlers until they had cooled down somewhat.

THE GOVERNMENT OF THE PROVINCE OF BRITISH COLUMBIA

TAX SALES

Sales of Land for Unpaid Delinquent Taxes in Prince Rupert Assessment District

I HEREBY GIVE NOTICE THAT, on Wednesday, the 10th day of September, 1930, at the hour of ten o'clock in the forenoon, at the Court House, Prince Rupert, I will sell at public auction the lands on the list hereinafter set out, of the persons in said list hereinafter set out, for delinquent taxes unpaid by said persons on the 30th day of June 1930, and for interest, costs, and expenses, including the cost of advertising said sale, if the total amount due for period ended December 31st, 1928, and interest thereon, together with costs of advertising said sale, are not sooner paid.

High Lady Officer of Moose Lodge Visits Anyox

Mrs. Deane, District Duputy Grand Recorder of the Ladies Lodge, Loyal Order of Moose for this district, and Senior Regent of the Vancouver Lodge was a visitor Anyox Lodge during the early part of the week. At a meeting of the Anyox Lodge she explained many things in connection with Moose Order. She was accompanied by Miss Margaret Hill, daughter of Frank Hill, secretary of Vancouver Lodge.

Mrs. J. J. H. Varnes, Recorder and Mrs. P. T. O'Brien, Senior Regent, were hosts to Mrs. Deane during her visit.

Mine Cricketers Are Again Victorious

The Mechanics retained their unbeaten record last Saturday night when they just managed to beat the Store and Office Team by four runs. The Mechanics batted first and scored 28, W. Pinkney bowled well in taking eight wickets. The Store and Office team were strengthened for this game and their fielding was smart. The opening batsmen for the Store and Office team scored 15 before being parted. The bowling then improved and it was not long before the team were out for 24 runs.

Anyox Rebecca Lodge Entertain High Official

Mrs. Marrathew, President of the Rebecca Assembly of Oddfellows Order, arrived on Thursday from Vancouver, in order to visit the Anyox Lodge. She attended a Lodge meeting ou Saturday, and gave a very instructive address. The meeting was followed by a supper and an enjoyable dance. She was conducted over the town by Mrs. J. D. Wilson, Past N. G. and Mrs. J. Kirkland, N. G.

ALICE ARM BIRTH

Born to Mr. and Mrs. C. M. Smith of Alice Arm at the Anyox General Hospital on Wednesday August 27th, a daughter.

CARD OF THANKS

Mrs. E. Bray wishes to extend her thanks and appreciation for the many acts of kindness shown to her during her sad bereavement.

Fire Adjustors Arrive Alice Arm

P. R. Perraton of Vancouver and C. R. Gilbert of Terrace arrived on Saturday in order to adjust insurance claims in connection with the recent fire. Mr. Gilbert left on Sunday evening and Mr. Perraton on Monday morning.

A. Buntain, who has been receiving medical treatment at Anyox Hospital returned home on Thurday.

Other local news will be found on pages four and six.

India Again Buying Silver

The downward trend in silver appears to have been arrested around current levels, and the end of July saw a price of 34 5/8c., compared with 33¾c. at the beginning. India has bought fair amounts, being chiefly responsible for the stability of the market. Producers have not been anxious sellers. Though the downward tendency no longer persists, little hope is seen in present conditions for any advance of importance.

Liverpool Plans a Big Copper Refinery

London—Construction of a 200,000 ton copper refinery at Liverpool, England, is being considered. The plant, which would be available late in 1931, would handle blister copper from Northern Rhodesia, where the Roan Antelope, N'Kana and Mufulira mines are being equipped with concentrators and smelters. At present Bwana M' Kubwa, the only copper producer in Rhodesia, does not refine its copper electrolytically. Production of 200,000 tons of copper annually in England would leave a surplus of about 40,000 to 50,000 tons for distribution in Europe.

Population of Alaskan Towns Juneau Heads List

Following are the census figures of the 14 leading cities in Alaska in order of their size:

Juneau	4,016
Ketchikan	3,780
Anchorage	2,268
Fairbanks	2,072
Cordova (including Eyak)	1,343
Petersburg	1,217
Nome	1,213
Sitka	1,063
Wrangell	916
Seward	832
Douglas	591
Skagway	507
Valdez	441
Haines	344

The total population of Alaska is 59,000.

Salmon Fishing Closed For Conservation Purposes

Salmon fishing in the Naas and Skeena River fishing districts and seining areas No. 5 and 6 was closed last Friday for conservation purposes, Major J. A. Motherwell-chief inspector of fisheries, stated recently.

Fishing will be reopened today for autumn varieties of salmon and as soon as possible, the Butedale and Klemtu areas will be opened for chums.

Big Cut In B. C. Tax Arrears

Tax arrears in British Columbia have been cut from $6,964,135 in 1921 to $4,771,981 last year, according to the annual report of Robert Baird, inspector of municipalites.

According to the report, taxes levied by British Columbia cities, districts and villages during 1929 amounted to $18,382,232 and, including revenue from all sources, receipts amounted to $28,228,779

Gumbo: "I'm the happiest man alive. I've got the finest wife in the country."

Mudd: "Yeah, that does make a man happy, having his wife in the country."

Canadian Production of Asbestos Increases

Ottawa—The Canadian production of asbestos set up a new high record in 1929, according to a report on the asbestos mining industry released by the Dominion Bureau at Statistics at Ottawa. The shipments of this mineral, which is second only to coal in importance among the Dominion's non-metallics, amounted to 306,055 tons last year valued at $13,172,-581. The Bureau points out that these figures represent an increase of 12.1 per cent. in quantity and of 17.2 per cent. iu value as compared with the production in the previous year of 273,033 tons worth $11,238-360. The average value of the 1929 shipments were also higher, the operators receiving $43,04 per ton against the 1928 average of $41.16.

The asbestos rock mined in Canada during the year amounted to 6,208,970 tons of which 4,384,-120 tons were milled. The industry located in Quebec province was carried on by 7 firms which reported a total in fixed and current assets of $33,248,927. These firms employed 3,391 persons whose combined earnings amounted to $4,-410,535. Fuel and electricity used during the year necessitated the expenditure of $1,335,610, of which $788,590 represented the cost of 71,387,897 kilowatt hours of electricity.

Woodbine Property To Be Developed

Stewart News

A crew of men have commenced work on the Woodbine property, getting the camp, pipe lines, etc. in shape for the recommencement of development work. The property will be in active operation by September 1st. with a crew of about twelve men under the personal supervision of Mr. Hugh McGuire.

The persistence of gold values in the ores of this property is one of the most encouraging features, and justifies further development. Extensive surface prospecting and underground exploration will be undertaken, and the results to be obtained from this projected work are looked forward to with considerable interest, particularly in view of the fact that persistent rumors are current to the effect that good gold values have been obtained at depth in the adjoining Premier property.

"How much are rooms here?"

"Two dollars and three dollars a day, sir."

"What's the difference?"

"The two dollar rooms are all taken."

Concentrator Win Base-Ball Championship In Close Game

On Sunday afternoon, the Concentrator won the Cup and Championship of the Anyox Baseball League by downing the Mine team by the score of 11 to 10 after thirteen innings of hard fought baseball.

At the start things looked very bad for the Mine who were six runs down at the end of the second inning, however they tightened up, and not another Concentrator player could reach the plate until the eleventh inning. It was a very fatal eleventh inning for the Mine too, for in their half they bagged three runs to break a seven all tie, and it looked as though the game was theirs, but when the Concentrator boys came to bat they made the most of a couple of fielding errors by the Mine boys which with a couple of hits, one a pretty two bagger by Johnnie Chenoskie, gave the Concentrator three runs to again tie the score at 10-all.

The Mine team theatened to score in both the twelfth and thirteenth innings, but they just could not get a runner across the plate for the winning run. The Concentrator also gave the Mine boys a scare in the twelfth, and in the thirteenth they had the game handed to them on what must have been a solid gold platter. Whitehouse scored the winning run, after one man had been put out. He got on the bases with a nice single, and stole second while Hill was striking out, and when Hopkinson rapped a grounder to short, Whitehouse decided to try and make third and Allan at shortstop for the Mine made a low throw to third to cut off Whitehouse, the ball hit the ground and took a bad bounce, and before Anderson could retrieve it, Whitehouse had crossed the plate to end the game.

In spite of the number of errors the game was fast and very interesting from the fans point of view, and three double-plays were injected into the proceedings at critical moments and after the Mine had got going it was anybody's game right up to the final play.

It was a good game to win and a mighty tough one to lose, for either side. On the run of the play the Mine should have won, but as has been their luck all season, just when they needed them most the breaks went against them.

ALICE ARM NOTES

J. B. Willlams arrived on Saturday from Truro, Nova Scotia in order to visit his cousin, Wm. M. Cummings whom he had not seen for 29 years. Mr. Williams spent a very enjoyable holiday and left on Friday to resume his duties as chief freight clerk of the C. N. Railways at Truro.

Frank D. Rice, B.C.L.S. arrived on Monday from Prince Rupert and left again on Thursday. While here he surveyed the Bunker Hill group of mineral claims.

Mrs. B. Wilson, who left here a short time ago returned on Thursday from Prince Rupert for a brief visit. She plans to reside in Prince Rupert during the coming winter.

Ross E. Oatman, accountant for the Public Works Department, Anyox spent a day in town on business during the week.

J. A. McDiarmid, who has spent nearly two weeks at Anyox Hospital returned home on Thursday, greatly improved in health.

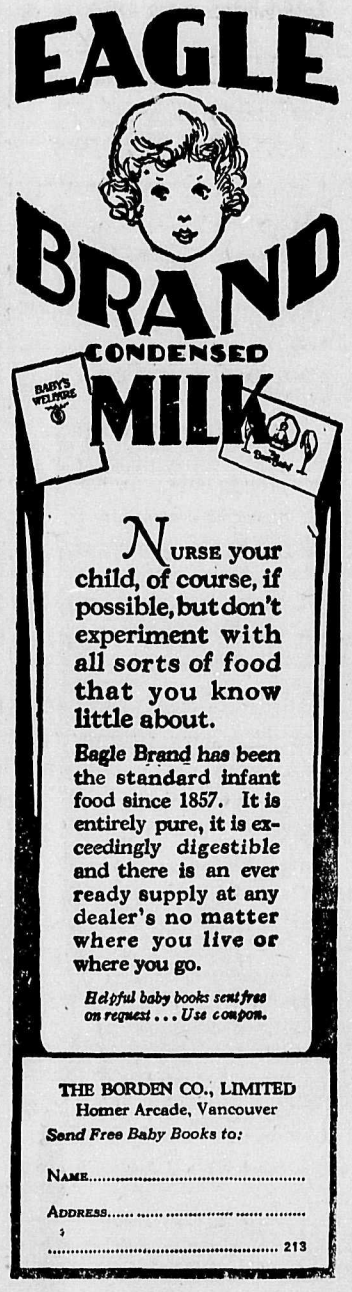
Mrs. T. W. Falconer and daughter Juanita, who have been spending summer holidays with Mr. Falconer, left on Thursday for Vancouver.

Joe Marriott left on Monday's boat for Stewart.

Wm. O'Neill of Anyox spent a few days at Silver City during the week, visiting Mrs. O'Neill and family.

Harry Ward, has spent the week here visiting Mrs. Ward and family. The later have spent the past month here and returned home today.

J. Kirkland has spent the week here visiting Mrs. Kirkland and family. They will return home to Anyox on Monday.



Anyox Community League

The Council of the League meets on the Second and Fourth Wednesday of each month, in Recreation Hall, at 7 p.m.

New Liquor Board Takes Charge

The formal resignation of Hugh Davidson as liquor commissioner was made public in the British Columbia Gazette last week. He is succeeded in charge of liquor affairs of the province of Britsh Columbia by a board consisting of H. B. Thomson, W. F. Kennedy and W. J. Baird.

Compulsory Health Insurance May Be Adopted

A report in favor of the enactment of a compulsory system of public health insurance will undoubtedly be brought in by the British Columbia Royal Commission on state health insurance and maternity benefits, it was stated by C. H. Gibbons, secretary of the commission, before the convention of the British Columbia Hospitals Association, the Western Hospital Association and the Northwest Association. All interests in the province favor a system of state health insurance, he declared.

"It's a matter of life and death," as the insurance agent said when he went to interview the big business man.

YOU CAN PREVENT FOREST FIRES

Check FOREST DESTRUCTION

Canadian forest industries add five hundred million dollars annually to the national wealth. Their very existence is threatened by forest fires, which directly or indirectly affect every citizen through their menace to the national prosperity.

Every Canadian should be careful with fire while in the woods.

Save the FORESTS
Millions depend on them!

British Columbia
Department of Mines

British Columbia. the Mineral Province of Western Canada, has produced over $182,455,854 worth of mineral products.

Mineral Production, year 1928—$65,372,583.00.
Mineral Production, year 1929—$68,245,443.00.

Reports and Bulletins available on application, and mailed free of charge to any given address, include:

"ANNUAL REPORTS"—These contain detailed accounts of mining conditions and developments in the Province during the year with which they deal.

"British Columbia, the Mineral Province of Canada"—A handy reference book summarizing the previous year's mining activity and giving an outline of British Columbia mining law.

"Placer Mining in British Columbia"—A Special Bulletin dealing with a branch of mining in respect of which the Province offers unusual opportunities.

"Report on Taku River Area, Atlin Mining Division"—This tells the story of the discovery and the pending development of a new lode mining field now attracting much attention.

ADDRESS:
THE HON. THE MINISTER OF MINES,
VICTORIA, B. C.

Among those leaving for the south on Friday, were: S. Mitchell, A. W. Pierce, R. Perkins, H. Billington.

Miss Mildred Dresser returned home on Friday from a holiday spent at Prince Rupert.

Mr. and Mrs. Windrem returned on Friday from holidays spent in southern cities.

NOTICE

NOTICE is hereby given that on and after August 1st. 1930, lands in the Railway Belt and Peace River Block recently transferred to the Province by the Dominion, come under the administration and laws of the Province.

It is the desire of the Government to foster settlement in conformity with these regulations and furnish all information to assist this end, but no consideration will be given persons squatting upon or entering into occupation of such lands without authority.

H. CATHCART,
Deputy Minister of Lands.

MINERAL ACT
(Form F)

CERTIFICATE OF IMPROVEMENTS

NOTICE

"Bing" Fractional Mineral Claim, situate in the Naas River Mining Division of Cassiar District.

Where located: On Trout Creek, Upper Kitsault River, adjoining the Moose Group.
