Engineer Pleased With Esperanza Mine

J. E. McCloskey, President of the McCloskey Mining and Milling Service Corporation Ltd. of Vancouver, and who made an examination of the holdings of the Esperanza Mining Co. last week, was very enthusiastic concerning the potentialities of the mining properties of the above company.

Mr. McCloskey took with him last Friday 200 pounds of samples for assay purposes. These samples were taken from underground workings, the Esperanza dump and surface showings. Future operations depend on the ore values in these samples. Mr. McCloskey stated there was enough milling ore in sight to operate a 20-ton mill for several years. If the ore averaged a value of \$12.00 per ton it could be profitably handled, and he expected the average to be considerably higher than this figure.

There are, he said, at present three potential mines on the Esperanza ground. One at the old Esperanza workings, one on the Alice, and one higher up the hill above the Esperanza workings. There is, no doubt he stated that a large body of ore exists in the Esperanza hill and a close geological study will undoubtedly be instrumental in locating it.

The McCloskey Company are experts in the mining and milling business and have several mills already operating profitably in various parts of the province.

Bonfire Picnic By The Clear Water

A bonfire picnic was held at Clearwater Creek, Alice Arm on Saturday evening last, when a large number of Alice Arm people and Anyox visitors attended. It proved to be a very jolly affair and the unanimous opinion was, that another should be held at an early date.

A big bonfire blazed and crackled merrily on the beach as the daylight commenced to fade away. Following the consumption of lots of hot coffee and doughnuts, community singing was indulged in, during which Rev. A. Abraham rendered several solos, and Mrs. Abraham gave a recitation. Darkness had descended before the party broke up for home and as the string of cars headed towards town flashes of lightning foretold that the homeward journey had been made none too soon. All car owners of the town supplied transportation gratis, which was appreciated.

Angus D. Cavers Passed Away On Friday

Body Taken South Monday

A gloom was cast over the town of Anyox on Friday the 27th, when Angus Douglas Cavers, second son of Mr. and Mrs. T. W. Cavers, passed away after a lingering illness. The deceased, who was twenty-five years of age, had resided in Anyox for five years, being employed by the Granby Company in various clerical capacities. He was born at Copperhill, Tennessee, although his parents are Canadians and prior to coming to Anyox he lived in Eastern Canada.

A tall upstanding figure, the deceased young man was prominent in tennis circles up to the time of his illness, and was most popular. Beside his parents he leaves two sisters, Flora and Marion, and a brother William. The body was conveyed to Vancouver on the Catala last Monday, for interment in the Mountain View Cemetery. The heartfelt sympathy of the whole community was extended to the bereaved family in their loss and a great number of floral tributes from friends at Anyox were laid on the grave.

All Alice Arm Entrance And H. S. Pupils Pass

Both pupils of the Alice Arm School, who wrote entrance class examinations at the end of the last school term were successful. They are: Marguerite Moss 434 marks; Joan Trinder 360 marks.

Alma Evindsen, who wrote four supplementals this year was also successful and was granted full standing in grade ten.

Alice Arm High School Students who received tuition at outside points, are: Leah Kergin who was promoted on recommendation from grade 9 to 10 at Anyox, and Lillian Moss, who wrote her Junior Matriculation examination at Prince Rupert and passed with full standing with a total of 590 marks.

A very creditable record for Alice Arm students.

Many Entries For Handicap Golf Championship

Thirty-four members of the Anyox Golf Club have entered their names for the Handicap Championship Tournament. The winner of this event wins the Charles Bocking Trophy. There is also a prize for the runner up.

The following were southbound passengers on Friday's boat: S. Thomas, Gus. Larson, R. Tinnion, J. Bond, M. Knezevich, Jack Doreen and M. McCloskey.

Wolf Cubs Will Go Into Camp Tomorrow

August 4th. has been decided as the date for the Cub camp.

The boys will go into camp at Larcom Island for 5 days and will return Thursday the 9th.

A dance will be held in the Gym, as was done last year. That's not the half of it, for believe it or not the self-same orchestra which made such a splendid success of last year's event will again be doing their stuff.

The "Strollers" traveling band has again agreed to play for the Cubs and the popularity of these up-to-date musicians assures a real success.

The dance will be held Friday August 3rd. The Cubs will sell tickets and hope for the same hearty co-operation and support that they have always enjoyed from Anyox people. The dance will finance the Cub camp. Remember the date and that tickets can be secured from the Cubs and Assistant Cubmaster L. H. McCarthy.

Mr. and Mrs. Geo. Warwick Home From Long Trip

With a coat of tan that even an Indian might envy, Mr. and Mrs. George Warwick are home again after a trip to Vancouver in their 18 feet 6 inch gasboat "Sheila." They experienced fine weather all the way and had a most enjoyable trip throughout. Their daughter Daphne was left at Port Simpson on the way down and picked up on the homeward voyage. They left Anyox July 2nd., arrived at Vancouver on the 11th., departing on the 19th. and reaching Prince Rupert on the 27th. After a stopover of two days they set out for Port Simpson and home.

Many Tourists Touring B. C. Northern Coast

Our neighbors to the south are visiting Canada in large numbers this year. Favored points in the west seem to be Jasper and the northern B. C. ports. The Jasper Park centre reports the largest number of American visitors for many years. Another favored run is the trip to Skagway, thence to Whitehorse or Ben-ma-Chree on Tagish Lake. On the Prince Rupert reaching Anyox Friday last was a party of 45 ladies and 4 gentlemen from Pennsylvania, enroute to Stewart and thence back to Vancouver.

Sid Peters Again Wins Golf Championship

The 36-Hole Open Golf Championship was recently played between H. R. Taylor and Sid. Peters, the latter winning the match by six holes up and five to go.

Elks Defeat Oddfellows To Clinch Penant

Chenoski Supreme on Mound

Allowing the Oddfellows only two scratch hits and these only in the last inning, Elks waltzed through to the 1934 Championship of the Anyox Baseball League. It was not so much a victory for the club, as it was for their star pitcher who has dominated this League ever since his debut. Facing the Oddfellows with a strong and complete team on the field, and supported by the weakest team the Antlered Herd have presented this season, he simply smothered his opponents. Lazorek was good but his mates simply could not find Chenoski at all. In fact it appeared that Nick bore down with almost unusual vehemence. That veteran of many campaigns, Jack Cody, came through with two timely hits.

R. H. E. B.P.O.E. 2 1 0 0 0 0 3 5 3 I.O.O.F. 0 0 0 0 0 1 1 2 4 Batteries—N. Chenoski, and Whitehouse; Lazorek and Vincinzi.

The Dynamiters Fail In Crucical Test

Elks Confident of Penant

The game of July 24th. was a mighty important one for the Hidden Creek Dynamiters, but it was just another ball game to that imperturbable Nick Chenoski. This loss eliminated the Miners as winners and reduced their chances to a remote mathematical possibility for a three way tie.

Windle pitched fine ball over the entire route but was supported by only two scattered hits. The Elks did not do much hitting but they bunched what they did get. Rowland delivered a beautiful three base hit, and Nick Chenoski poled out a lovely double.

R. H. E. B.P.O.E. 0 2 0 0 1 0 0 3 4 4 Dynamite. 0 0 0 0 0 1 1 2 2 2 Batteries—N. Chenoski and Whitehouse; Windle and Chappell.

Scouts Return From Camp At Port Simpson

The Anyox Boy Scouts under the charge of Scoutmaster and Mrs. R. Gale, returned on Monday from a glorious three weeks camping trip to Port Simpson. Most of the boys have a lovely tan and every one of them returned in the very best of health.

W. Porter returned on Friday from a visit to Vancouver.

Anyox Y. P. A. Hold Enjoyable Beach Social

On Tuesday, July 24th. the A. Y. P. A. held their first beach party. Between 25 and 30 young people left the floats for the sawmill at 7 o'clock. A kindly fate had decreed that the evening be perfect.

A treasure hunt in which everyone took part was a feature of the program. Mr. Jack Pinckney was the winner, but disqualified himself on constitutional grounds, handing the treasure, which was a 2 lb. box of chocolates, to Mr. Kirk Falconer who was second. The boys all having lady partners the chocolates, eventually became the property of Miss Dixie Taylor.

Everyone visited the sawmill lake during the course of the treasure hunt, which was a treat for those who were viewing it for the first time.

Swimming was indulged in spasmodically all evening by various members of the party, who declared the water warm in spots.

After the hunt a fire was built on the beach and refreshments were served. The appeased voices of the inner person were raised in song and a benign moon looked down upon the happy scene of young people grouped sitting and lying on the beach around the fire while the strains of "Love's Old Sweet Song" floated over the water.

The party broke up at 11:30 o'clock, the last boat leaving at 12 and the sound of many voices could still be heard singing as the boat chugged its way through water without a ripple, under a canopy of stars.

The committee and A. Y. P. A. wish to extend their gratitude to Messrs. Clarence Dresser, Bruce Loudon, Kirk Falconer, Bill Tracy and Stewart Steele who so kindly loaned their boats for the evening; also to all those ladies who donated refreshments and assisted with the serving.

W. R. Lindsay Will Take Charge at Reno Mine

W. R. Lindsay, who has held the position of General Superintendent of the Anyox plant for the Granby Co. for the past nine years has tendered his resignation, and has accepted the position of general manager at the Reno mine near Nelson. It is reported that Mr. Lindsay will leave for Nelson some time the latter part of this month.

Twenty Years Ago Today The World Stood Aghast

Twenty years ago today Great Britain was on the verge of declaring war on Germany. France, Russia, Germany and Austria had already commenced hostilities, and their armies were pouring towards their frontiers. The suddenness and rapidity of the declarations of war by the large European nations stunned the whole world, and well it might, for no one could fortell what changes would ensue and what suffering would be caused. The war was jubilantly hailed by the people of Germany and Austria as a war of conquest, but their hopes of enslaving all Europe and later the entire world were shattered and at the end of the war the "balance of power" in Europe remained undisturbed. This balance of European power is something that has never yet been violated. Several nations have tried to be supreme rulers of the continent but have failed. Germany was the last to try. She, however, has not evidently learnt a lesson from the bitter experiences of 1914-18, and her belligerent attitude of the past few weeks shows that under the leadership of the infamous Hitler she is ready to again strike when a favorable opportunity offers. Meanwhile the nations of the world are arming as never before, and history has shown that an international armament race ends in war when one nation or group considers it has an advantage over their opponents. We have not yet recovered from the last war, in fact the tangle is getting worse and another war waged on the magnitude of the 1914-18 slaughter may wreck our civilization as we know it at present.

Granby Co. Had Loss For Last Quarter

Granby Consolidated Mining, Smelting and Power Co. Ltd., reports for quarter ended June 30, 1934, loss of \$148,757 after taxes, depreciation, etc., but before depletion, and net loss after depletion of \$278,257. This compares with loss of \$179,883 before depletion and net loss of \$307,736 after depletion in preceding quarter and loss of \$184,563 before depletion and net loss of \$302,912 after depletion in June quarter of previous year.

For six months ended June 30 loss was \$328,640 before depletion while net loss after depletion amounted to \$585,993. This compares with loss of \$343,137 before depletion and net loss after depletion of \$527,710 in first half of 1933.

War For Copper Market In Europe Seems Likely

A copper war between American "Blue Eagle" producers and African interests is envisioned by European observers while June trade figures showed improvement in the statistical position of the industry.

Advices from London indicate the "coming copper war" between American code producers and Africans engrosses the gloomy attention of the market and that sentiment generally is bearish. This is attributed to the pressure of American surplus copper upon European markets which African low-cost producers feel they have marked out for themselves. Export of American copper during the first four months of 1934 soared to 73,584 short tons compared with 36,687 short tons during the corresponding 1933 period.

Much of these increased exports have gone to nations which formerly bought heavily from African interests. It has been estimated that imports of American copper to Germany and Holland were nine times as much as in 1933, to Belgium three times as much, while French imports increased 75 per cent. and United Kingdom takings 50 per cent.

The only movement from African producers thus far has been a scaling down in prices to European markets with the result that metal may be purchased c.i.f. London, Hamburg and Havre at slightly less than 7½ cents per pound, compared with the United States "Blue Eagle" price of 9 cents, the widest spread in many years.

The unsettled situation in Germany also has acted as a depressent. There have been reports that Germany has resold copper imports because of inability to pay.

World producers also have failed in efforts to control production through negotiations, and a recent report from the Katanga interests said its output would be stepped up substantially.

Trade figures show that world stocks of refined copper declined approximately 72,000,000 pounds in June, the largest reduction in any month since July, 1933, when they were reduced 76,000,000 pounds.

In June, 1933, the reduction was about 75,000,000 pounds, while the May 1934 stocks dipped 58,000,000 pounds.

Most reduction took place in North and South America, most foreign stocks holding about unchanged

Mollie Hughes silver mine, at New Denver, B. C., is to be developed by a Spokane syndicate. In the last 22 months leasers have taken out silver to the value of \$27,000.

Liberal Conventon Held In Prince Rupert Today

A nominating convention for Skeena Riding has been called to meet at 10 a.m. in the Metropole Hall in Prince Rupert today, August 3rd.

In addition to nominating a candidate it will be the duty of the convention to elect officers for the year and to carry out any other business that may come before it.

While anything is possible politically, it is generally understood that Olof Hanson will be renominated. He has already stated that he is willing to allow his name to go before the convention.

The British Columbia branch of the Silver association of Canada has presented a request to the provincial government for support of the movement towards obtaining a greater purchasing power for the people by the use of silver.

A Woman at Banff

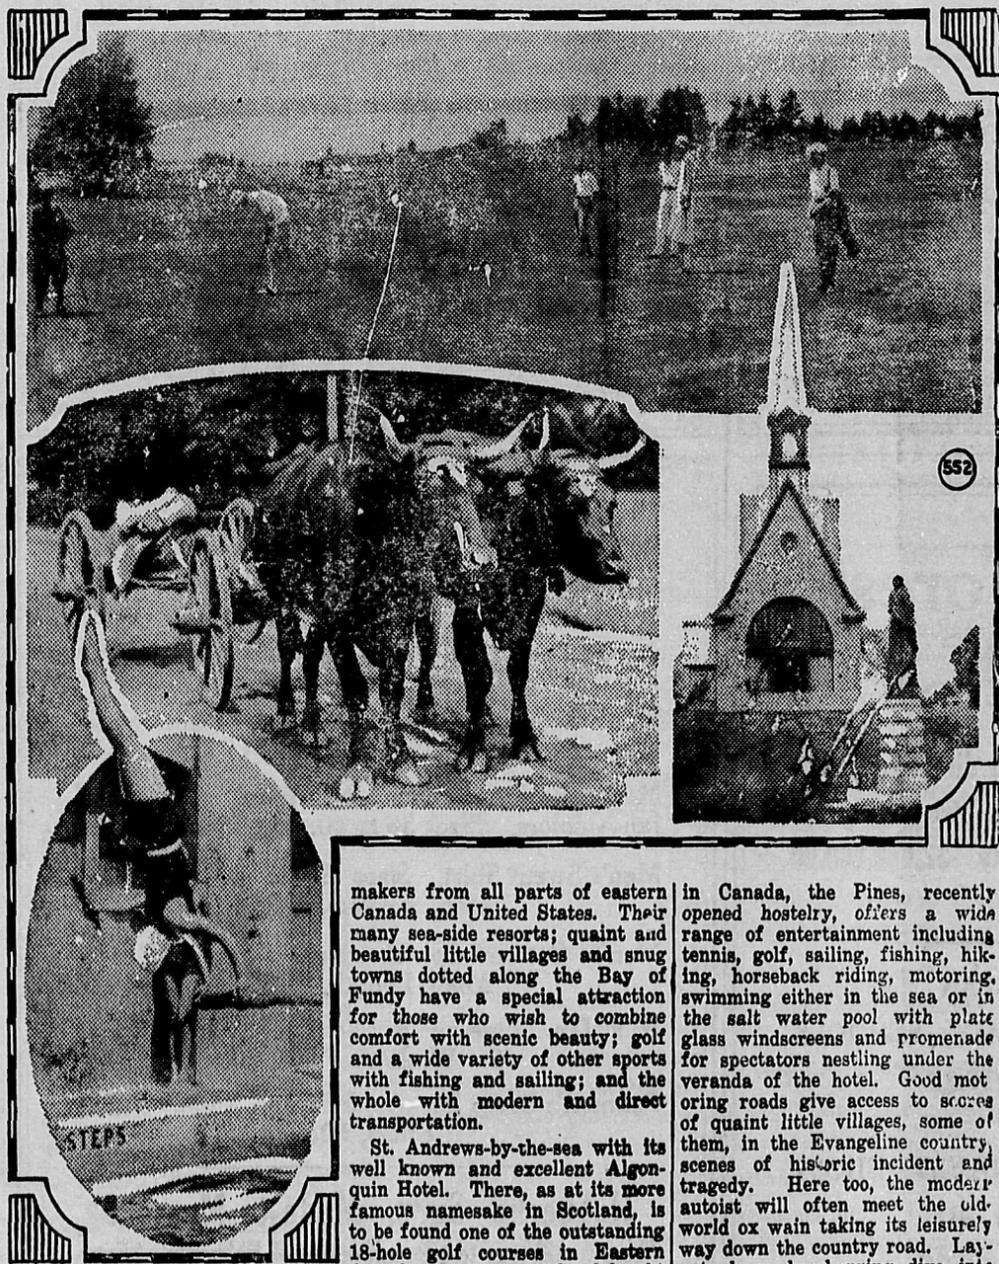

I know God fashioned little fields
So they would be
A comfort for old homely folk
Like you and me.
Small gardens with their fences
Snug and tight,
And tiny gates to shut us
From the night.
But THIS He made with
Glory in His veins,

This solitude, where Might
Forever reigns.
Molded the hills with glad
Exultant hands,
Shaping the valleys for
Wide pasture lands.
And so this towering peak
Forever bears,
Old finger-marks upon
Its rutted stairs.

And every shining height
Reflects the glow
Of some white virgin field
Of drifted snow.
And over it he laid
With loving care,
The mantle of His peace
Forever there.

—EDNA JAQUES.

The Lure of the Maritimes

makers from all parts of eastern Canada and United States. Their many sea-side resorts; quaint and beautiful little villages and snug towns dotted along the Bay of Fundy have a special attraction for those who wish to combine comfort with scenic beauty; golf and a wide variety of other sports with fishing and sailing; and the whole with modern and direct transportation.

St. Andrews-by-the-sea with its well known and excellent Algonquin Hotel. There, as at its more famous namesake in Scotland, is to be found one of the outstanding 18-hole golf courses in Eastern Canada where many a hard-fought championship has been decided.

Again, take Digby on the Bay of Fundy. Set in some of the most beautiful, old-world scenery

in Canada, the Pines, recently opened hostelry, offers a wide range of entertainment including tennis, golf, sailing, fishing, hiking, horseback riding, motoring, swimming either in the sea or in the salt water pool with plate glass windscreens and promenade for spectators nestling under the veranda of the hotel. Good motoring roads give access to scores of quaint little villages, some of them, in the Evangeline country, scenes of historic incident and tragedy. Here too, the modern autoist will often meet the old-world ox wain taking its leisurely way down the country road. Lay-out shows hand-spring dive into the Pines Hotel pool; Evangeline country showing church and statue at Grand Pre; and sections of course at St. Andrews.

The Maritimes hold a proud and well-merited place in tourist popularity as well as being a favorite territory for holiday-

Memorial Service For Late Angus Cavers

A beautiful Memorial service in memory of Angus Cavers, who passed away last Friday evening, was held in the United Church on Sunday evening, July 29th. The service was conducted by Rev. E. Baker. The altar was beautifully decorated with local grown flowers. Two of the hymns rendered were chosen by the bereaved parents, one of them being "Fight the good fight" and the other "Abide with me." A large number of friends attended the service.

Anyox Notes

B. G. Anderson and son left on Friday for a holiday in Vancouver.

Miss R. Dunwoodie and Miss G. Jones left on Friday for the south.

Miss M. Stone and Mr. W. Stone left on Friday for Vancouver.

Mrs. Caviglia left on Friday for a holiday in the south.

R. L. Healy left on Friday for a holiday in the south.

Mr. and Mrs. T. W. Cavers and family left on Monday for Vancouver

P. Powell arrived home on Friday from a holiday visit to Vancouver and Victoria.

Mr. and Mrs. R. B. Wallace and family returned on Monday from a holiday in the south.

Dennis Boyd returned on Monday from a holiday visit to Victoria.

Mrs. C. Clay arrived on Monday from Vancouver on a visit to Mrs. M. Rook.

L. T. Hyam, T. J. Carmody, F. Waddell, Ed. Stone, E. Rogers and F. Fuderic returned on Monday from a visit to the south.

G. Dennis arrived on Monday from Vancouver.

M. Peebles, L. Gould, D. Beaton, V. Beor, and Edwin Foy arrived on Monday from Vancouver.

Dr. A. S. Lamb left on Monday for Prince Rupert.

Mrs. J. W. Lang left on Monday for a visit in the south.

Miss Kitty Cameron left on Monday for Prince Rupert after spending holidays here.

H. Jack, E. Anderson and W. Parmeri were southbound passengers on Monday's boat.

W. R. Lindsay and Master Jack Lindsay returned on Friday from a visit to Vancouver.

Mr. and Mrs. J. L. Stewart and children returned on Friday from a visit to Vancouver and Savary Island

W. Barber arrived on Friday from Ocean Falls. He will take up relief duty at the Canadian Bank of Commerce, while Mr. F. C. Edwardes is on holidays.

Dr. and Mrs. Learoyd and children returned on Friday from a holiday at Lakelse.

J. Donaldson returned on Friday from a holiday in the south.

Dr. A. S. Lamb, Travelling Provincial Health Officer, arrived on Friday from Prince Rupert and left again on Monday.

Owing to the absence of Rev. A. Abraham, who is spending holidays at Alice Arm, the usual services at Christ Church will not be held on Sunday next, August 5th.

Alice Arm Notes

Mr. and Mrs. J. Evans arrived on Saturday from Anyox for summer holidays.

Ed. Kitchen arrived from Anyox on Saturday to join Mrs. Kitchen who is holidaying here.

Mrs. J. Wynne and Mrs. G. Hague and families arrived from Anyox on Saturday and are spending holidays here.

Mr. and Mrs. Roots recently arrived at Silver City from Anyox and are spending holidays with Mrs. W. F. Barclay.

Malcolm Campbell, accompanied by his son John who returned from the Port Simpson Scout Camp arrived on Monday from Anyox to join Mrs. Campbell who is spending holidays here.

E. R. Oatman, Government Agent, arrived from Anyox on Tuesday and left again yesterday. His visit here was in connection with registering all those wishing to get on the new list of relief applicants.

Geo. Kent and Bruce McMaster and Jack Tierney, arrived on Monday from the Scout Camp at Port Simpson to join their parents here during summer holidays.

Miss Alma Evindsen returned on Tuesday from a visit to Anyox.

Frank Allan, Scott Robinson and Don Simpson, arrived on Tuesday from Anyox and are spending holidays at the Alice Arm Hotel.

F. Mills arrived from Anyox on Saturday and left on Tuesday with Mrs. Mills and son who have been spending holidays at the Alice Arm Hotel.

S. Reid of Anyox left on Tuesday having spent holidays at the Alice Arm Hotel.

Misses Maisie and Jean Evans arrived from Anyox on Tuesday for holidays at the Alice Arm Hotel.

R. B. Adcock of Leicester, England and R. H. Adcock of Anyox are spending holidays at the Alice Arm Hotel. The former recently arrived at Anyox from England to visit his son R. H. Adcock.

Rev. A. Abraham of Anyox, who is spending holidays here, will hold Sunday School at St. Michael's Church on Sunday next, August 5th, at 11 a. m. Evening Service will be held at 7.30. A cordial invitation is extended to everyone.

F. C. O. Edwardes, arrived on Wednesday from Anyox and will spend a few days, fishing here. He plans to leave on Monday for further holidays.

Mrs. Evan Baker arrived on Wednesday from Anyox and is spending holidays with Mrs. W. F. Barclay at Silver City.

Mr. and Mrs. Pynn and son arrived on Wednesday from Anyox on their launch for a few days' holiday.

A copy of the Annual Report of the Minister of Mines for 1933, is at the Herald office. Anyone wishing to borrow it is welcome.

Visiting Geologist Says Higher Prices For Gold and Silver

Capt. N. Evans-Atkinson arrived at Alice Arm on Monday in order to make an examination of the holdings of the Esperanza Mining Co., which includes a geological survey. He is leaving today for the south. Capt. Atkinson is a native of Australia and his first mining experience was gained in the western gold fields of that country. Later he was connected with the Kolar gold mines in India and during the past fourteen years has spent his time in the mining fields of Northern Ontario, Manitoba and North West Territories. This summer he has spent considerable time in the Great Bear Lake district, also the Barker-ville and Bridge River districts.

Capt. Atkinson is optimistic regarding the future prices of silver and gold. It is his opinion that the price of gold and silver will steadily increase during the next few years, and there is not the slightest doubt but that silver will increase pro-rata. For every ounce of gold in the world there are 15 ounces of silver, and on this basis one can see the enormous quantity of silver which the ever-increasing population of the world will require.

Until very recently the production of gold was neglected, but at present every effort is being made to increase production to the detriment of silver. This neglect of silver, the metal-mate to gold, is a mistake which will shortly be realized, and silver will again be a favorite metal. It is very probable that silver will be eventually stabilized at around \$1.00 an ounce.

Just as the sun and moon, relatively speaking, are a part of our solar system, so are gold and silver a part of our monetary system.

Elks' Beach Safe For Children

A visit to Elks' Beach on any nice day is now well worth your time. The feeling of safety that now surrounds this beautiful place reminds one of the beaches to the south of us where every precaution is taken for the safety of those who visit the beaches for bathing purposes. Our own Life Guard was a long felt want and due credit must be given to the Sea Rovers and also to the Anyox Community League for their efforts in bringing same to pass. The several Sea Rovers that have already served as Life Guard, are to be complimented for the splendid way in which they have carried out this duty. The parents of Anyox may rest assured, that when their children visit Elks' Beach they will have the very best of care.
