5 cents each.

Granby Co. Made New Record Last Year

During the past year the Granby Co. established a record in metal production from their Anyox plant. The increase in production was due to the concentrating plant being in operation for a large part of the year. Another factor which aided the increase was that the smelter continued uninterrupted operations throughout the year. During 1923 the smelter was closed down on three different occasions due to fire, landslide on pipe line, and changing of water pipes.

The total output of copper for 1924 was 36,231,187 pounds. Silver, 404,979 ounces, Gold, 8003 ounces. The quantity of ore smelted from the company's Hidden Creek mine and Outsider mine was 810,583 tons. Customs ore smelted, 19,407, tons. In addition to these ores 9,788 tons of concentrates were also smelted.

The smelter operated four furnaces until August, when one was eliminated. The concentrator taking care of all extra ore.

The Coke Plant operated by the company produced 57,870 tons of coke. This was derived from 83,880 tons of coal which was charged in the furnaces.

Will Develop Standard

The above figures were given the Herald during the week by Mr. H. S. Munroe, Vice-president and General Manager of the company. In reply to a question regarding the development of the Standard property at Alice Arm. Mr. Munroe stated that development work on the property would be commenced in the spring. The first work that would be undertaken would be surface stripping of the ore bodies, and future development would depend a great deal on the result of this work.

In regard to the reopening of the Alice Arm logging camps. Mr. Munroe stated that as yet no plans had been made, and it was a question whether the camps would be operated this year or not.

Anyox Births Nearly Treble Deaths During Past Year

Despite the fact that Anyox is not considered as a very healthy place in which to live on account of smelter smoke, following figures show that it is on a par and even exceeds a number of other towns of equal size in the province. The number of births was nearly treble the number of deaths.

Following are the figures given out by Mr. J. Conway, Government Agent. Births 44. Deaths 15. Marriages 7.

When it is taken into consideration, the hazardous occupation of a large portion of the inhabitants the death rate is unusually low.

Dr. Hyde Dies Suddenly At Anyox

Dr. Edwy Hicks Tavener Hyde, passed away on Monday evening at Anyox. The cause of death was cerebral hemorrhage, and the end came quite suddenly.

Deceased was spending the evening at the home of Mr. & Mrs. H. S. Munroe, and about 9.30 p.m. while sitting in a chair, he suddenly collapsed. Both Drs. Whelan and Learoyd were summoned, but he was beyond all aid, and died without regaining consciousness.

Doctor Hyde was well known in Anyox and throughout the north. He was one of the early residents of the camp, coming here during construction days. He held the position of stipendary magistrate, but of late years he never acted in that capacity, although still retaining the office. He was also Dominion customs officer.

Dr. Hyde was 55 years of age, and was born in England. He spent the past 30 years in Canada, and during the early part of his life here, farmed in Manitoba. He was for a number of years in charge of the medical work for the Granby Co. at Greenwood and Phoenix.

Deceased made a special study of Indian lore, and was coast representative of the Smithsonian Institute of New York. He possessed a marvellous collection of Indian curios.

A large number of Anyox people will miss the Doctor's entertaining personality. He was an industrious student of various subjects, and it was a pleasure to be able to spend the evening in his company.

At the time of going to press, no information could be gathered, as to the place or date of burial.

Tigers Are Champions Of Alice Arm Hockey League

Defeat Wildcats 5-1

As was expected, the final game of the Alice Arm Hockey League which was played last Sunday afternoon, between the Tigers and Wildcats, was full of thrills, from start to finish. Both teams were out to win if possible, and every player on the ice threw his heart and soul into the game which was to decide the championship.

The following teams took the ice: Tigers: P. Williamson, goal; T. W. Falconer, G. Young, M. Smith, E. Moss.

Wildcats: C. Warner, goal; Gus Anderson, H. Fowler, J. M. Morrison, A. D. Yorke.

Referee: Al Falconer. The game started with a burst of speed, and after a few minutes of play it was evident that if the

Anyox Basketball Games For Week

The Smelter Seniors, Mine Intermediates and Mine Ladies were the winners on Friday evening's basketball games at the Beach Gymnasium.

The Coke Plant were the victims for the Smelters in the first contest on the programme. The Gas Eaters finished strong and won by 35 to 21. Elliot was the leading scorer for the winners with 14 points to his credit, he was closely followed by Brown with 13. The losers were minus the services of Yorke at centre. His absence from the line-up was keenly felt. Staines turned in a nice game for the Coke Plant, and was the centre of almost every play. Jimmie Mitchell handled the whistle.

The teams lined up as follows: Smelter: Fitzpatrick-2; Robertson-2; Moffat-4; Brown-13; Elliot-14; Craggs.

Coke Plant: Cody-2; Campbell, Staines-9; Smith-6; Hogben-4

The Mine girls had a walk-away in their match with the Pioneers, on the long end of a 25 to 2 count. Sis Dean and Helen Calderone turned in a whirlwind exhibition for the winners. The former scored six points and the latter 11. Margaret Dupuis and Annie Scott were best for the losers. Both girls getting one basket each for their team.

Archie Smith handled the whistle for this contest.

Teams: Mine: Mesdames Chapman, Wenstrom-4; Misses V. Dean-6; A. Calderone-11. P. McMillan-4

Pioneers: Misses R. O'Neil, A. Scott, M. O'Neil, M. Dupuis, and M. Stevens.

The boys from up the hill swamped the Hustlers in the Intermediate League fixture 29 to 7. The game was very ragged from start to finish, the players of sides keeping continually bunched, resulting mainly from individual rushes. Ted Swanson was the scoring ace with 11 points. Bealeau was good for the losers.

Teams: Mine: Peters-2; L. Moore-6; V. Moore-6; Brown-4; Swanson-11; Dearlove.

Hustlers: Dewar-1; Campbell; Bealeau-6; Wilson and Thompson.

The Smelter, High School, and Bluebirds turned in victories on Wednesday evening at the Beach Gymnasium.

The first game was between the Rovers and High School. The Students just managed to nose out by a 23 to 22 score.

The losers had tough luck in their shooting, the ball rolled around the rim of the hoop on several occasions only to fall on the outside. The winners played a nice steady game and deserved their win.

The Teams were: High School: Dupuis, E. Clay, McLachlan, McDonald, Lazoreck, and H. Clay.

Rovers: Ballion, Simmons, Buntain, Cloke, Miller, and Gordon.

The Bluebirds scored an easy win over the High School girls, to the tune of 21 to 8. The losers put up a game battle, but superior height and weight was too much for them.

Teams were: High School: Misses Morley, O'Neil, Deith, Moffat, Chapman, and McLachlan.

Anyox Elks Elect Their Officers For The Coming Year

On Monday evening the Anyox Lodge No. 47, B. P. O. Elks, held their annual installation of officers. The meeting was attended by a large number of the "Brother Bills."

The installation ceremony was carried out by Past Worthy Exalted Ruler H. B. Chapman, assisted by Past Worthy Exalted Ruler E. J. Waterman.

Following is a list of the new officers, who will guide the destinies of the Lodge for the coming year.

Worthy Exalted Ruler—B. M. Buck.

Esteemed Leading Knight—E. J. Wall.

Esteemed Loyal Knight—W. Robertson.

Esteemed Lecturing Knight—C. H. Parmiter.

Secretary—H. B. Southam.

Treasurer—C. D. McLachlan.

Chaplain—Rev. J. B. Gibson.

Esquire—W. B. Henderson.

Inner Guard—J. Wier.

Tyler—J. B. Thomson.

Historian—H. Thorley.

Trustees—C. Wing, M. Cranley, A. Morton.

At the conclusion of the meeting, following the ceremony, a supper was served in the Dugout, which was greatly appreciated by all. The boys soon made quick work of the eatables and drinkables. A number of anecdotes were given by those who possess the art of telling a funny story, and a pleasant evening was brought to a close shortly before the hour of midnight.

The above list of officers are numbered among the most progressive citizens of the town, and under their guidance Anyox Lodge No. 47, will undoubtedly increase in prosperity, and the dignity of the Order will be maintained to its full standard.

Entertainment de Luxe Up On The Hill

Basketball and Dance For a Dime

Away at the start of a new race for top scores, the social event at the Mine Club on Tuesday evening made famous the names of Mrs. R. J. A. Manning, Mr. Steve Jones, and Messrs. W. J. Coulter and Robert Strand; who headed the list in the first of the Club's second series of card parties. Bridge and Court Whist featured the evening, the result of all players being recorded towards the final totals to be compiled at the third evening's session, when prizes are to be awarded. Supper followed the card games, and a short dance filled the bill until midnight. For the balance of this series scheduled for March, 10 and 24, cards will

ALICE ARM NOTES

Mr. Gus Anderson, of the Kit-sault Cafe, left on Monday on a two week's trip to Vancouver.

See Al. Falconer for Freight and Pack Horses.

Mr. T. Surbich was a passenger south on Monday, to Vancouver, where he will spend the next few weeks.

Messrs J. Conway, Government Agent at Anyox, and Constable R. Beavan, spent a few days in town during the week on business.

Mr. Harry Fowler, who received a broken nose at the hockey game last Sunday, is able to be around as usual, and the injured part is rapidly mending.

See Al. Falconer for Wood, Coal and Lumber.

Mr. R. F. McGinnis, who recently had the misfortune to lose an eye arrived home on Tuesday from the Anyox Hospital. The operation necessary for the removal of the eye was very successful, and the sight of the remaining eye is not impaired.

Hand Laundry Work. Moderate Prices—Miss B. Crawford, Alice Arm.

Mr. Fraser, school inspector arrived in town yesterday, in order to see how the juveniles are advancing.

The big banquet of the Hockey League will be held as soon as Mr. Gus Anderson returns from the south. The turkeys are already on order. This promises to be a big event. Watch for the announcement of date.

be played until a later hour, the dance feature dropped, and instead, supper will wind up the affair. This is at the suggestion of card enthusiasts, who enjoy the contests so keenly. For dance lovers, many specialty events are being planned.

The Mine Club has seldom carried out their slogan—"Everyone Need a Playtime"—so effectively as did its executive on Monday, when following three league basketball games, an impromptu dance was held. Basketball fans filled the hall to overflowing. Enthusiasm was at fever heat, especially when the Mine Ladies met the famous "Bluebirds" and came out at the business end of a well-balanced score. For the dance, supporters of all six teams stayed, and enjoyed music from the Club's own orchestra, which, although still in training, is improving at every public performance. The boys are working hard to boost their Club, and three basketball games with a dance to follow, all for the admission of a male dime, is surely giving entertainment for the sheer love of those that "need a playtime."

Anyox Community League

The Annual Meeting of the Anyox Community League, when the nominating of officers for the ensuing year will take place, will be held on Wednesday, February 25th. Those who followed the activities of the League, must admit that the past year has been a successful one from every point of view. The present Council consists of a body of men who have given their services unsparingly, and the fruits of their labor is evidenced by the high esteem in which the League is held, especially to the older residents of the camp, who remember the old days and dreary hours spent between the 5 o'clock whistle and bedtime. The Council about to retire from office has been an excellent one in many respects. In addition to the hard work they have put in, the best of harmony has prevailed. Instead of indulging in a lot of time-wasting arguments, at the Council meetings, they adopted the golden rule of give-and-take, and a lot of valuable time, and also temper have been saved. While the members of the Council may have had, at times, a difference of opinion on some matters, they realized that there was not anything to be gained by refusing to see the other fellow's point of view, and that a protracted argument would probably split the members of the League into different factions. They therefore adopted the golden rule, and at the conclusion of the discussion everyone was satisfied, and all was in readiness for taking up of new business. If the future Council treads in the footsteps of their predecessors, they will avoid a number of pitfalls, and receive the well merited approval

of the members, whose interests they were elected to serve. From every point of view the past year has been one of the most successful. The picture shows pool-rooms etc., from which revenue is derived has been conducted at a high standard. The Reading Room and Library, which is the largest north of Vancouver, is a model of efficiency. The summer sports programme carried out last year, consisting of baseball and football leagues and also tennis tournaments, is on a par to a town of 10,000 people instead of slightly over 2,000.

Numerous other forms of entertainments are supported by the League, such as basketball, Empire Day sports, Dances etc. We would like to itemize every activity of the League, but unfortunately space does not permit. The League as everyone knows is on a solid foundation. It is interwoven into the lives of everyone in Anyox. It has a secretary who is both conscientious, and a firm believer in efficiency. It is the king-pin of all social activities, and its disappearance would leave a void that could not be filled. The laws of nature demand that in order to get anything out of anything, you have to put something in. The Granby Co. did not get any ore from the Hidden Creek mine until they spent a lot of money and energy. It is impossible for anyone to get any pleasure unless they first put in a certain amount of work. The same law holds true of the Community League, if you don't put anything in, either labor, goodwill or your money you can not expect to get anything in return. Give your support to the officers of the League, and you will not be disappointed with the dividends you receive throughout the year.

According to figures recently issued, 563 cars of British Columbia apples have been exported this year. Of this number 267 went to the United Kingdom, 20 to New Zealand, 27 to Scandinavia, 44 to Germany, 20 to South Africa and 3 to China.

Tigers Are Champions Of Alice Arm Hockey League

Defeat Wildcats 5-1

Continued from page 1
pace was to be maintained, that the players would have to draw heavily on their reserve vitality. The Tigers were playing a more dashing game, however, than the Wildcats, and their efforts were rewarded when Smith, their left wing sharpshooter, drove the puck past Warner, and scored the first goal, giving the Tigers the lead, which they maintained throughout the game.

Shortly after the face-off a regrettable accident occurred, when Harry Fowler, who was playing for the Wildcats, received a broken nose in a collision, which necessitated his withdrawal from the game. He left for Anyox Hospital accompanied by M. Smith of the Tiger's team. As it was desired to finish the game and thus bring the League to a close it was decided to continue. W. Wells took the place of H. Fowler, and J. Wilson relieving M. Smith. During the remaining five minutes of the first period neither team scored.

The second period witnessed both teams settled down to a ding-dong battle, with the Tigers having the edge on their opponents. T. W. Falconer opened the scoring for the Tigers, when he slipped a hot one into the net. Wells having no chance to save. Geo. Young, top scorer of the season for the in-sensibles, netted another within a few minutes, and at the close of the second period, the Tigers were three goals in the lead.

The third period was equally as fast and furious as the two previous. Warner, who was now playing centre for the Wildcats, was a force to be reckoned with. Gus Anderson on the right was playing his usual high speed sharp-shooting game. The Wildcats found the net when Warner took a long shot from centre ice. The Tigers, however, were not to be denied victory for Geo. Young quickly placed the disk, twice in succession past Wells, and the final score of the final game was 5-1 in favor of the Tigers, who are the champion team of the season.

A. B. Trites Bonds Interior Mining Property

Mr. A. B. Trites, who is heavily interested in the Premier mine has bonded the Emerald group of claims for \$150,000. The Emerald is situated in the northern interior, about 60 miles from Ootsa lake, along the C.N.R. Railway. The property has been bonded for a period of five years, and payments will be spread over that period. The Glacier group, which adjoins the Emerald, has also been bonded by Mr. Trites.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

BRITISH COLUMBIA

The Mineral Province of Western Canada

Has produced minerals valued as follows: Placer Gold, \$76,962,203; Lode Gold, \$113,352,655; Silver, \$63,532,655; Lead, \$58,132,661; Copper, \$179,046,508; Zinc, \$27,904,756; Coal and Coke, \$250,968,113; Building Stone, Brick, Cement, \$39,415,234; Miscellaneous Minerals, \$1,408,257; making its mineral production to the end of 1923 show

An Aggregate Value of \$810,722,782

The substantial progress of the Mining Industry in this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive, \$94,547,241; for five years, 1896-1900, \$57,607,967; for five years, 1901-1905, \$96,507,968; for five years, 1906-1910, \$125,534,474; for five years, 1911-1915, \$142,072,603; for five years, 1916-1920, \$189,922,725; for the year 1921, \$28,066,641, and for the year 1923, \$41,304,320.

Production During last ten years, \$350,288,892

Lode-mining has only been in progress for about 33 years, and not 20 per cent of the Province has been even prospected; 300,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees. Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Anyox Basketball Games
 Continued from page 1
 Bluebirds; McTaggart, McQuarrie, Dwyer, Crone, Smith. and Cody.

The Senior game was the best put forth for the evening. The Smelter leading all the way to win by 34 to 18. The Coke Planters seemed unable to get going and missed many opportunities of scoring through poor shooting. Barney Fitzpatrick led the scorers with 14 points. Staines was high for the Coke Plant with 9. Craggs and Robertson turned in a good game for the Smelter. Archie Smith was good for the losers.

The teams were:
 Coke Plant: Yorke-1, Cody, Staines-9, Hogben-4, Thomson-2, Smith-2.
 Smelter: Craggs-4, Elliot-2, Moffat, Buntaine-6, Brown-6, Robertson-2, Fitzpatrick-14.
 Referee: Mitchell.

ANYOX NOTES

Among the incoming passengers on Monday, on the Cardena were: Mr. Ruckaber, and Mr. H. M. Williams from Vancouver, and Mr. E. Johnson, and Mr. C. R. Ford from Prince Rupert.

Miss Sheila Conway, who was taken ill on Wednesday of last week, with an attack of appendicitis, underwent an operation at the Anyox Hospital on Saturday. The operation was very successful, and the patient is progressing favorably.

Mr. T. Garret arrived from the south, on the Prince Rupert, last Thursday evening.

Mr. Vic. Cruikshank left for the south, on a six week's holiday, last Thursday evening.

Mr. Fraser, inspector of schools, arrived from Prince Rupert, last Thursday evening.

Mrs. Williams and family, left for the south on the Prince Rupert, last Thursday evening.

Mr. J. H. McLeod, of Prince Rupert, arrived on the Prince Rupert, last Thursday evening.

Mr. J. Wynne, of Prince Rupert, arrived on the C.N.R. boat, last Thursday evening.

Mr. Walter Olsen, better known as "Ole" to his numerous friends, is back on the job again, after receiving treatment at the Anyox Hospital for six weeks.

 DATED at Alice Arm, B. C. this 14th. day of February, 1925.
NICHOLAS SUTILOVICH,
 Owner and Manager of Pioneer Hotel,
 Applicant.

Eureka Mine Again Ships To Swansea
 A test shipment of several tons of high grade silver ore from the Eureka, Victoria Mine near Hope, a property referred to as "a lost mine recovered," has been shipped to Swansea (Wales) smelters, an accident proving that mining history may repeat itself. The last shipment made from the mine in 1869 and 1870 were made to the same smelter in Swansea. The property lay dormant and forgotten for many years.

The best disinfectant for bad habits is good company.
 If you would know a girl's faults get chummy with her girl friends.

Your friends think that you are right and your enemies think that you are wrong, but you have to show the rest of the cold, unsympathetic crowd.

GRANBY STORES

Tonsillitis, Sore Throat, Coughs, Colds
 and similar affections of the mouth and throat can be relieved—yes and prevented, too—by the timely use of the highly antiseptic
Wampole's Paraformic Throat Lozenges
 By allowing one of these pleasant-tasting lozenges to dissolve slowly in the mouth—when in crowded cars, theatres and public gatherings—harmful germs will be destroyed, and contagious diseases such as Grippa and Influenza will be warded off.
