

## League Council Have A Busy Business Meeting

A considerable amount of business was transacted at the regular meeting of the Anyox Community League Council held on Wednesday, September 10th. Members present were: President Manning, Councilors Dresser, Youngs, Shields, McDougall, Johnson and Stewart.

A letter was read by the secretary from Scoutmaster Gale, in connection with the Scout camp at Terrace. The letter showed that a very successful and instructive time had been spent by the boys. Mr. Gale will be recompensed for the time lost from work while at the camp, and will be paid by the League.

The use of the Gym. was granted to the A. C. L. Tennis Club for October 24th. and the Recreation Hall to the P. T. A. and I. O. D. E. for September 11th.

It was also decided to purchase felt to the value of \$100.00 for the purpose of obtaining better sound results at the theatre.

A discussion arose regarding the use of the League's grounds by the Football League for a benefit game, of which the League had not been advised. Such action was disapproved by the Council as they were open to criticism on a question of this kind.

Owing to a shortage of cups and spoons at the Gym. it was decided to purchase a barrell of cups and 12 dozen spoons.

Mr. Dresser stated that at the last excursion to Larcom Island on September 7th., about 200 persons attended. Ideal weather prevailed and all spent an enjoyable day's outing.

Mr. Stewart read the minutes of a special committee meeting held in connection with the Arts and Crafts Display and Fair, to be held on October 9th. and 10th.

The presence of doubtful books on the shelves of the library was brought up by Mr. Cavers, and he suggested that they be placed in a separate place. Considerable discussion ensued regarding their disposal. It was finally decided that they be allowed to remain on the shelves in the Library, and that arrangements be made so that patrons will know the different kinds of books. It was pointed out that only those paying dues could procure books. School children were thus barred from reading them.

It was decided to purchase two sets of chessmen.

Mr. Youngs submitted his report of the Labor Day sports, showing that they were a great success. He also stated that the basketball season would shortly be here, and he hoped to hold an organization meeting in the near future.

On Monday evening, the P. T. A. held its annual meeting in the United Church Hall. Due to the stormy weather, the attendance was small. Nominations for new offices were made; but it was felt best to defer elections until next meeting, when a bigger turnout is expected.

## Esperanza Mine May Reopen This Fall

It is possible that the Esperanza mine, which has been closed for a short time, will again commence operations this fall. Negotiations are almost completed whereby Seattle capitalists will purchase large blocks of stock. Sufficient money will be available for development work on a much larger scale than has been the case in the past.

Mr. Bowyer is acting on behalf of Seattle interests, and a telegram received by the Herald yesterday stated that everything would shortly be arranged satisfactory. Mr. Bowyer will be in charge of operations at the Mine, and it is his intention to install a compressor plant this fall and commence work as soon as possible.

The first work undertaken will be a survey and mapping out of all underground workings, and also a survey of all surface showings, showing the strike of the ore bodies.

## Presentation of \$50 Made To Harold Eld

Harold Eld, the model pupil of Anyox Schools for the past nine years, was the recipient of a handsome gift from the Anyox Parent-Teacher Association on Tuesday, September 9th.

Mr. Eld obtained the highest number of marks in the matriculation examinations for History and Science thus obtaining the two scholarships of \$25.00 each donated each year by the P. T. A.

Mrs. Cutler, president of the association made the presentation at the intermission of the show at the Beach theatre. In a short address she revealed the interesting fact that Mr. Eld had never been late or absent from school during the nine years he had attended at Anyox.

Mr. Eld left last week for Vancouver where he will attend the university of B.C. He has consistently headed his class at the local schools and it will not surprise his friends if he repeats the same performance in the future.

## Catholic Ladies Hold Card Party and Dance

On Friday evening the Catholic Ladies gave a very successful card party and dance in the Catholic Hall. This is the first of a series of card parties and dances that will be held once each month during the winter season.

The dance was well attended, and very good music was provided by the Merrymakers Orchestra. The dance ended at 1.00 a.m.

Cards were played from 8.00 to 10.00 p.m. the prizes being won by: Ladies first, Mrs. Croxford, Gentlemen's first, Master Garvey. Ladies consolation, Miss Ivy Hardy, Gentlemen's consolation, Mr. B. Code.

A very pleasant time was enjoyed by all who attended the affair, and these monthly events will be looked forward to with much pleasure during the long winter evenings.

## Basketball Games Will Commence Next Week

A two night basketball tournament will be staged in the Gym on the nights of Wednesday and Thursday, September 24th and 25th. This tournament is being put on for the purpose of lining up material for this season's basketball league. All those wishing to play are invited to get together and enter a team. Some good games should result and managers will be able to get a line on the available material. Team entries should be handed in to Norton Youngs before Tuesday, September 23rd.

There is a lot of basketball talk in the air and there seems to be a large number of players waiting for the whistle to start them off. Basketball looks about due for its good year. An organization meeting will be held in the near future, so watch for the date and be there either as a player or fan.

Owing to the large number of people wishing to make use of the Gym, it has been decided to install a temporary attendant, and open the hall at once, for the use of members. Tentative nights for basketball are Monday, Wednesday and Friday. The Council are still busy trying to arrange for a real good gym instructor, basketball referee and attendant, but so far have nothing definite to announce.

## Anyox Scout Activities

The Wolf Cubs have now recommenced their meetings. They will be under the leadership of Mr. Reg. Keyes, assisted by Mr. Jack Ion.

At the campfire meeting on Friday evening, Scoutmaster Gale presented to Mr. Fred Graham, on behalf of the troop, an instructor's badge. In welcoming him as a Brother Scouter, Mr. Gale thanked him for the many services he had rendered.

Mr. Graham in replying stated that it was very gratifying to him to obtain a closer relationship to the troop. Refreshments served by Mrs. Gale were greatly enjoyed.

The Rovers are continually growing, and ways and means for providing a larger den are being discussed, as the present quarters are far too small. It is a credit to Anyox that it is the only coast town north of Vancouver that has a Rover crew.

## Notice To Hunters

The attention of hunters is called to section 14 of the Game Act of British Columbia:

"No person shall at any time hunt or kill any game from any sailboat or aeroplane, yacht, or boat propelled by steam, gasoline, electrical or other similar motive power, whether the boat is in motion or otherwise.

Miss H. Robinson was a passenger from the south on Wednesday.

## Keystone Mining Co. To Operate Next Year

The Keystone Mining Co. will undertake further development of the Keystone property next year, stated Mr. Harry Bowyer, who this week made an examination of the property in company with M. Terry of Seattle.

Mr. Bowyer also stated to the Herald that development work will be commenced as early as possible next spring and would be continued for 8 or 9 months. The main tunnel will be extended to the ore body and an upraise will then be driven on the ore to the surface. The Keystone is situated a short distance down the inlet from Alice Arm.

Mr. Terry, who has had considerable experience in mining development will be in charge of operations.

## Presentations Made To Miss Amy McDonald

Miss Amy McDonald, who obtained the highest number of marks of any Entrance Class pupil in the province at this year's examinations, was the guest at an "At Home" held in the Recreation Hall on Thursday. The hosts of the evening were the Anyox Parent-Teacher Association and Colliery of Kincolith Chapter I. O. D. E.

During the evening Miss McDonald was presented with a handsome set of literary works, bound in solid Morocco leather, by the Anyox Parent-Teacher Association. In making the presentation Mrs. Lee gave a short address.

Miss McDonald was also the recipient of a gift from the I. O. D. E. who guaranteed to supply her with all text books and school requirements during her high school studies in Anyox. Mrs. Lang, Regent of the Order read a very interesting address. Miss McDonald in replying thanked everyone for their kindness.

The Anyox Amateur Orchestra gave a number of selections during the evening. Solos were rendered by Mr. J. L. Anderson, and Miss May Barclay gave a recitation.

Choruses were also thrown on the screen and the community singing greatly enjoyed. Altogether it was a very pleasant evening.

## CARD OF THANKS

Mr. Harold Eld wishes to take this opportunity of thanking the Anyox Parent-Teacher Association for their generosity in presenting him with the sum of \$50.00 for the two scholarships of History and Science, before his recent departure to Vancouver.

J. P. Scarlett, government agent at Stewart, spent a few days at Alice Arm and Anyox during the week, leaving the latter town on Wednesday.

A. A. Shipp left for Vancouver on Monday.

## Annual Report Anyox Parent-Teacher Association

During the past year, Anyox Parent-Teacher Association has had a membership of 31, and some very good work has been accomplished.

For the purpose of raising funds, the Association sponsored a Harold Lloyd film, which realized a very satisfying sum, close to \$200.

The Association is pledged to two scholarships of \$25 each. Last year, no High School pupil made a record which complied with the terms set for winning these. This year, both were won by Harold Eld, who more than fulfilled the terms. The Association took extreme pleasure in presenting these to Harold, whose school record has been consistently good.

Anyox schools produced another honor pupil; namely Miss Amy McDonald, student in Grade VIII., who had the distinction of leading the entire province in entrance examinations, thereby winning the Governor-General's medal for this district. This achievement, the Association gladly recognized by a presentation of books—standard authors and reference books.

During the severe months of winter, cocoa was furnished to such pupils as remained for lunch. The Mine School was equipped with an electric plate, cups and saucers, cupboard, etc., to provide comfort for teacher and pupils taking lunches.

One of the most satisfactory activities of the Association has been that of the "study group." Certain educational magazines—"The New Era," "Progressive Education," "Hygeia," and "Parents"—were obtained; and the study group, composed of Mesdames Cutler, Eve and McMaster, has endeavored to glean from these magazines interesting features in regard to modern educational trends and accomplishments, and to present these to the meetings. These magazines have also been passed round amongst the members, for home perusal.

A copy of the King's message to the Empire was framed and presented to the school; and certain pictures by Canadian artists, presented by the Department of Education, were framed for classrooms.

Mr. Clark, our High School principal represented the Anyox Association at the provincial convention, bringing back an interesting report. During the session, Mr. Clark was elected a member of the provincial executive of the Federation.

Several interesting speakers have addressed the Association, during the year, the topics of each address having a distinct bearing on the school and home.

In June, the Association sponsored a tennis tournament for the school children, presenting prizes at the final meeting of the year.

M. A. McMaster  
Acting Secretary.

**London Interested In  
 Empire Trade  
 Plan**

Ottawa, September 13th; (Special to the Herald.) Advices from London indicate that the Labor Government is devoting itself to development of the Thomas plan for the bulk purchasing of Canadian grain, and wool, meat and dairy products from this and other sections of the Empire.

The British Government intends to have the proposal worked out for submission to the Economic Conference which meets in London next month.

British comment evidences a growing recognition of the fact that the Dominions insist upon mutuality of preferences within the Empire. The Macdonald Government, and particularly Chancellor Snowden, stand rather uncompromisingly against taxes on food in Britain and the Thomas plan is conceived as an alternative which may give the Dominions the advantage sought in return for preferences on all manufactured goods entering the Dominions.

Details, of course, will not be forthcoming until they are presented to the conference, though advance reports suggest that the proposal will be largely based upon the methods of purchase and distribution in operation in Britain during the war.

**Empire May Dominate  
 World's Copper  
 Market**

World domination within the next ten years of the markets for copper and other base metals by the British Empire is foreseen by Lord Melchett, prominent British industrialist and advocate of Empire economic unity.

"We already control the major part of world production of gold, nickel and tin and our advantages of enormous natural resources and well organized industrial enterprise, if properly pressed, would soon establish our supremacy in the other metals," he stated in an interview during his visit to Toronto.

"Canadian mines are well situated to produce cheap copper—International Nickel can produce it for 5 or 6 cents a pound—and the South African deposits, because of their richness and extent, are in a favorable position to meet any competition," he continued. "With the Australian and Canadian deposits to draw from, the empire is also independent in regard to lead and zinc. All that is necessary, there-

**General McRae To Receive  
 Senate Appointment**

The appointment of T. E. Simpson, member for Algoma West, as chief Conservative parliamentary whip has been announced. The position of chief Conservative whip held by General A. D. McRae, is likely to remain in its present state.

Rumor has it that General MacRae may be appointed to the first vacancy in the Senate for British Columbia and resume charge of the party's activities under Premier Bennett before next election. It is now considered unlikely that he will go to London as Canadian High Commissioner.

A revue without a bevy of pretty girls is never a success, says a producer. It takes a lot of misses to make a hit.

fore, to the development of a vast and active inter-empire metal trade is the appreciation of the need for co-operation."

**Anyox Community  
 League**

*The Council of the League meets on the Second and Fourth Wednesday of each month, in Recreation Hall, at 7 p.m.*

**Here and There**

(606)  
 "We are quite satisfied with the showing of the British teams at the Empire Games just concluded at Hamilton, Ont., for we picked up quite a lot of honors, and if I may say so, made a very creditable showing," was the statement of R. T. Britten, in charge of the swimmers who hung up several new marks at the meeting. He thought the Games would be of incalculable value to the Empire as a whole, since they brought all parts of it together at one time and one place.

The maiden voyage of the new Canadian Pacific flagship of the Pacific, the Empress of Japan, from Yokohama to Victoria, was completed in eight days, six hours and 23 minutes, beating the Empress of Canada record for the run, established in 1918, by four hours and thirty minutes. E. W. Beatty, chairman and president of the railway company wired congratulations to Captain E. Aikman, general superintendent of the Company's Pacific steamship fleet. Records also fell on the Atlantic when the company's liner Duchess of York travelled between Greenock, Scotland, and Quebec City in 5 days, 17 hours and 20 minutes, even bettering the time hung up by the Duchess of Richmond on her previous trip from Belfast to Quebec, which is a hundred miles shorter.

Speaking at a banquet given by the Saint John Board of Trade to inaugurate the service of the new Canadian Pacific steamer Princess Helene, on the Saint John-Digby route, E. W. Beatty, chairman and president of the railway, said he thought Canada would respond more quickly than other countries, even wealthier than herself, to measures taken by responsible governments and large industrial organizations to alleviate unemployment. He added that in his opinion the Maritime Provinces were particularly favorably placed in this respect.

Dressed in white and blue kirtles and the traditional Normand caps, fifty Louisiana girls, descendants of the Acadians expelled from Nova Scotia 175 years ago, assisted in the celebrations at Grand Pré recently, at which many Acadians living in the United States and Canada attended. The United States, France, Great Britain and Canada were represented at the celebrations which were held on the site of the old village and around the Memorial Church made ever famous by Longfellow's poem of Evangeline.

In the provision of telephone communications in cities of 60,000 and over and in conversations per capita, Canada leads the world, according to statistics recently published. In these cities Canada has 24.2 telephones per 100 inhabitants against the United States' 21.8. In 1929 Canadians made 241.1 conversations per head of population as compared with 230.7 in the United States, her nearest rival.

A total of 18,029,973 telegrams was transmitted and received in Canada in 1929, an increase of 1,172,753 over 1928. There are 360,883 miles of telegraph lines in Canada.

An increase of 58% in motor tourist traffic from the United States to New Brunswick is shown in statistics for the 1930 season up to July 31 as compared with the same period last year, according to figures issued by the provincial government Bureau of Information and Tourist Travel from returns from Canadian Customs collectors at the 24 ports of entry along the International Boundary.

It is not generally known that the Prairie Provinces — Manitoba, Saskatchewan and Alberta — contain important commercial fisheries. In 1929 the commercial value of fish caught in these provinces exceeded \$4,000,000.

Herman Trelle, of Wembley, Alberta, former wheat and oats king, won first prizes at the Regina Exhibition for his Marguis and Reward wheats. William Darnborough of Laura, Sask., was second in the Marguis class, and E. Thomson of Pethow, Sask., came just behind Trelle in the Reward class.

### No Wheat Surplus In U. S. A.

Washington—There will be no wheat surplus, according to statistics furnished President Hoover by Department of Agriculture. The entire wheat crop, together with carry-over will be necessary to maintain domestic animals and for human consumption.

With more than 100,000,000 bushels of wheat in storage and about 350,000,000 bushels in process of being harvested, Canada has about \$350,000,000 worth of wheat to sell.

Child of Nature.—Visitor: "And wot was you thinking of doing with your boy, Mrs. Smith?"

Mrs. Smith: "Well 'e's that fond of animals, 'is father was thinking of making a butcher of 'im."

### Britain Sends Much Money Here as Pensions

Few people in Canada realize the large amount of money which Great Britain spends each year in payment to Imperial war pensioners in this country, according to Sir George Chrystal, K. C. B., who was in Ottawa this week visiting the Canadian headquarters of the British Ministry of Pensions.

Sir George stated that a sum between five and six million dollars was paid out each year by the home government to Imperial pensioners and their dependents resident in the Dominion. Canada is the only part of the Empire which has a headquarters for payment and this was rendered necessary by the large number of pensioners.

Some idea of the colossal burden the Motherland is bearing in connection with the post-war care of its veterans can be gauged by the fact that the sum of more than \$400,500,000 has been spent in war pensions alone since the Armistice.

Pleasures of Hope—Chairman (finishing eulogistic speech.) "Our dear old friend here has lived amongst us for forty years, is living with us now, and he says, he hopes to live amongst us for many years to come. Gentlemen, I can only add that we are looking forward to burying him here."

Modest Suitor—"I have only \$5000 a year, Sir, but I think I can support your daughter on that."

Father (enthusiastically)—"Support her, my dear boy? Why, you can support her entire family on it."

### Empire Games at Hamilton

Hamilton, Ontario, will be the centre of the month of the British Empire Games to which athletes from all the Dominions and the Mother Country will flock. E. W. Beatty, chairman and president, Canadian Pacific Railway, is chairman of the national committee of the A. A. U. of Canada for the Games, and promises of support have been received by the committee from Australia, New Zealand, Africa, British Crown

Colonies, the Irish Free State, Northern Ireland, while a strong and representative British committee has been formed to ensure full British participation at this notable sports gathering of the British peoples. Canada will, of course, be very fully represented, practically every province sending its outstanding athletes. The Games are scheduled to be held August 16-23.

### Breaking New Trails in the Rockies

Every year the Order of the Trail Riders of the Canadian Rockies gathers together its devotees who set out into the unknown, or the almost unknown, on mountain ponies from the starting point at the Banff Springs Hotel or Chateau Lake Louise. For those new to the game there is a trail ride of a few days, covering, however, little travelled paths, while for the expert there is a ride of three weeks penetrating to the heart of the Rockies, and both end in a Grand Pow-wow or campfire meeting where songs are sung and the feeling of general jollity is perpetuated. These Trail rides are held in August when the weather is at its best and lovers of the outdoors gain an experience which, even if they never repeat it, will furnish them with memories and stories for a life-time. Every year new trails are broken, the one last year being over Gibbon Pass, named after the founder of the Order. The rides attract travellers from every part of the continent

and from Europe, and some 1,500 of them are now enrolled in the Order. Lay-out shows riders passing through Gibbon Pass, taking a rest at Shadow Lake with Mount Ball in the background, and fording an arm of the Lake of Hanging Glaciers.

### I. O. D. E. Hold Monthly Meeting

The regular monthly meeting of the Collison of Kincolith Chapter I. O. D. E. was held on Tuesday evening in the Union Church Basement. The Regent, Mrs. Lang, presided.

The sum of \$25.00 was voted to the Mary Croft Fund. Mesdames Fricker, McRae and Roy will be joint conveners for the Cabaret Dance to be held in November. A committee of three, comprising Mesdames Lang, M. A. Wynne, and Harman, was formed to assist the Girl Guides. Mrs. Don Cleal was sworn into the Order. Mrs. Fricker was elected Councillor.

A very interesting address on South Africa was given by Rev. Mr. Bushfield.

Tea was served by Mesdames Cavers and Cloke.

The meeting closed with the singing of the National Anthem.

### ANYOX NOTES

Miss F. Dresser arrived home on Monday from a visit to Vancouver.

Mr. and Mrs. S. Peters arrived home on Monday from holidays spent in Vancouver and coast cities.

R. E. Collis, who has taken the position of High School Principal here arrived on Monday from Victoria.

Passengers on Monday from Vancouver, included E. Mitchell, H. Hanson, P. Palomba, Mr. Johnstone, L. Rawka, D. Cessaretti, H. Jacobson.

Mrs. A. R. Kent, accompanied by her daughter, arrived home on Wednesday from Kamloops where she has spent holidays with her father.

Wm. Selwood left on Wednesday for the south. It is understood that he will return with a bride.

Mr. and Mrs. Kaneks arrived on Monday from Vancouver.

Mrs. R. L. Fox arrived on Monday's boat from Prince Rupert.

Miss Rita Brentzen, arrived on Monday from Prince Rupert to visit her sister, Mrs. Carr.

Miss Robinson arrived in town from Prince Rupert on Monday.

J. Humphries arrived home on Monday from a visit to Prince Rupert and northern interior points.

O. Landry, superintendent of Dominion Government Telegraphs at Prince Rupert was a visitor to Anyox on Monday.

Among the arrivals on Monday from Prince Rupert were: J. A. Courie, Fred Fisher, Alfred Lind, W. Watkins, G. Walker, R. J. Ford., D. H. Anderson, F. Willan, M. Nastich, H. C. DeWolfe, G. McLagan, Andrew Kidd.

Messrs. F. Dresser, A. Crerar, W. Barclay and W. Adams left on Monday, having been summoned for jury duty at Prince Rupert.

Mrs. Chas. McMillan and family were outgoing passengers on Monday, bound for Seattle.

Mrs. E. Boyd left on Monday for Vancouver.

Mr. McKenzie and Mr. Parsons left on Monday for Stewart.

F. F. Childers left on Monday's boat for Seattle.

R. Hodson was a passenger to Victoria on Monday.

D. McAulay, an old resident of the camp left on Monday for the Premier mine after a visit here.

Mr. and Mrs. F. Cameron left on Monday's boat for Stewart.

Mrs. G. Allen arrived from the south on Wednesday, to join her husband here.

Mrs. Mitchell was an arrival on Wednesday from the south.

Mrs. J. Munro returned home on Wednesday, from a visit to Vancouver.

Mrs. K. O. Peterson arrived from Prince Rupert on Wednesday.

Mrs. J. McMillan returned home on Wednesday from holidays in the south.

Among the departures on Wednesday were Dr. James and Constable Cameron.

Miss O'Neill left on Wednesday for holidays in the south.

Mrs. E. Moore of the Granby Bay teaching staff, left for the south on Wednesday.

Mr. and Mrs. McLeod were southbound passengers on Wednesday's boat.

### ALICE ARM NOTES

J. Roberts, who has been receiving treatment at Anyox hospital for a crushed foot returned on Saturday.

Constable S. Service of Anyox paid the town a short visit during the week, arriving on Tuesday and leaving on Wednesday.

Geo. Bruggy who was summoned for jury duty at Prince Rupert, left on Monday and returned home on Thursday.

Lorne Falconer, who has spent summer holidays here, left on Monday to resume his studies at the B. C. University.

L. O'Connor arrived from Anyox on Saturday and spent the weekend with Mrs. O'Connor and family.

Mrs. Nations left on Monday for Prince Rupert after a short visit here.

H. Bowyer and M. Terry, who arrived last week and made an examination of the Keystone property, left on Monday for Seattle.
