Anyox Hospital Shows Big Loss Past Year Operations

The eleventh Annual Meeting of the Anyox General Hospital Association was held in the Court Room of the Provincial Government Building, on Monday, February 19th, 1934 at 8.00 p.m.

The meeting was called to order promptly by the Chairman, Mr.

W. R. Lindsay, and the business proceeded without delay. Minutes of the previous Annual Meeting were read by the Secretary and adopted unanimously.

The Annual Report of the Hospital Board was then presented to the meeting the high lights of which were as follows:—

	1932	1933
Number of Patients treated in Hospital.....	331	382
Number of Days' Treatment.....	5,122	5,525
Average days' stay in Hospital.....	15.47	14.46
Number of Births.....	16	29
Number of Deaths.....	7	8
Visits Out Patient Department;		
Mine.....	8,728	7,020
Beach.....	7,244	8,560
Total.....	15,972	15,580
Total Income from all sources.....	\$24,352.17	\$24,297.64
Total Expense.....	33,968.94	35,477.62
Loss on Operation.....	\$9,616.77	\$11,179.98

In concluding their report the Board made special mention of the fine work carried on by the Ladies' Auxiliary in providing comforts for the patients and assisting the Hospital generally.

Mention was also made of the many comforts received for the patients from the local lodges and the people of Alice Arm.

The Chairman stated that the Board would like to take advantage of this opportunity to extend their thanks for all of this kindness.

The Annual Report was then adopted by the Meeting.

The Chairman then asked the Meeting for Nominations for two

employees' representatives for the Hospital Board, one to represent the Beach Area and one to represent the Mine Area.

Mr. T. J. Kirkwood was nominated for the Mine Area and Mr. J. McCallum for the Beach Area and there being no further nominations the Chairman then declared the above gentlemen elected to the Board by acclamation, for the ensuing year.

Both Mr. Kirkwood and Mr. McCallum have acted on the Board for a number of years and have given unstintingly of their time to this work.

All business having been transacted the meeting was adjourned.

Wedding Solemnized At Alice Arm Hotel Wednesday

A quiet wedding was solemnized on Wednesday February 21st. at 11 a.m. at the Alice Arm Hotel, when Mrs. Hannah Carlson of Winnipeg, became the bride of Mr. Jacob Sauer an old time resident of Alice Arm. The ceremony was performed by the Rev. E. Baker of Anyox.

The bride was attended by Mrs. O. Evindsen while Mr. O. Evindsen supported the groom.

During the signing of the register Miss A. Barker sang D'Hardelet's "Because."

The bride was attired in a navy blue and eggshell silk jersey cloth ensemble and hat to match.

After the ceremony the party sat down to a bountiful wedding breakfast, the table was decorated with

Carnival Dance Was Successful In Every Way

From a social as well as a financial standpoint, the Carnival Dance held recently by the local Chapter of the I. O. D. E. was most successful. Although the figures are not yet completed it is understood that a substantial amount will be realized as a result of the function. The committee in charge wish to extend their sincere thanks to everyone who so willingly assisted in any way at the Carnival, to those who gave so unstintingly of their time and energy, and also to the public whose generous patronage helped so much in making the affair a success.

flowering Begonias and a three tier cake beautifully decorated.

Mr. and Mrs. Sauer left in the afternoon for Clearwater Ranch, where they will reside.

Storms Of Applause Greet Mine Minstrel Coons

Gales of laughter and storms of applause rocked the Recreation Hall on Friday the 16th. and the Mine Hall on Monday the 19th. when the Mine Chrysanthemum Coons made their first appearances in public. Far from being small-town or amateurish, these boys put up a show which would have done credit to a large city. The singing was excellent, the jokes first-class, and the acting as it should be absurd and side-splitting. Anyox should be proud of its splendid company of minstrels.

The first part of the programme was devoted to musical numbers, songs, quartettes, choruses, and jokes. J. Smathers was good with his "Negro Miner" and J. Dale gave a pleasing song with a swinging chorus "When its Darkness on the Delta." The Preacher and the Bear" was well sung by W. Marsh, who used a huge razor as a hunting weapon. Ed. Blundell, who as End Man was the life and soul of the show at times, sang, "I Like Mountain Music," with fine chorus effects and W. Horne gave in good style, "Can't you hear me calling Caroline." A quartette composed of Ed. Blundell, Ed. Phillips, W. Horne and W. Howie, sang, "Sweet Genivieve." A duet by Ed. Blundell and W. Wright—mouth organ and guitar—brought down the house. "Old Black Joe" was nicely rendered by Tom Neilly and the quartette sang in fine style "Carry Me Back to Old Virginia."

Ed. Blundell was at his best with "Camptown Races" and Ed. Phillips received much applause for his "Carolina Moon." Bob Brown sang, "Puddin Head Jones" and for an encore "Dinah." A tap dance by Tim Waterland was greatly enjoyed. "Lazybones" suited W. Howie's baritone voice, while T. H. Bamforth excelled himself with "Alexander's Ragtime Band." A chorus, "Polly Wolly Doodle," into which many local characters were introduced, brought the first half of the programme to a close.

In the second half Dr. Sawbones in a clever shadow scene, removed from the inside of his victims such articles as alarm clocks, scissors, sausages, monkeys and mice. "Thorobred" was a laughable sketch concerning a stolen horse whose diet had consisted of Mexican jumping beans. The last item was

Continued on page 2

Mechanics and Trojans Win In Mon. Basketball Games

Holding their own until half-way through the second half, the Pirates finally gave way before a fast and determined attack by Mechanics B in the first game of a hoop card on Monday the 19th. It was a willing and rugged battle which was anybody's until the closing minutes. Pirates lost the services of Bennie Parsons, who hurt his knee early in the second half and had to retire. The teams: Pirates; Scott 5, D. Mc Donald, D. Ferguson 4, Parsons, K. Falconer 2 J. Dodsworth 1, A. Deeth 2; Total 14. Mechanics B: J. Carter 4, M. Patrick 2, H. Johnston 8; Yelland 2; O'Neill 1; total 17.

Rovers were disappointed in their expected clash with Vandals B, the latter being unable to field a team. To fill the gap a number of eager "up and coming" youngsters tackled the Rovers, in relays of five and gave the delighted fans quite an eyeful. Their knowledge of the game, methods of play and shooting ability were astonishing. Norton Youngs held the whistle and guided them through the game nicely. The teams: J. Cloke 5, L. McCarthy 2, T. Kergin 2, M. Flye 1, L. Kirby 4. Wildcats: Geo. Kent 6; B. McMaster; B. Kent 4; D. Johnston, L. Murdoch, R. Dresser 4; H. Dodsworth 6, A. Ward-roppe 4, J. Varnes 4, N. McDonald, Wesley Wenerstrom.

Bon Cons went down to defeat at the hands of the Trojans in the

Senior A game, after putting up a strenuous fight. At that they were unlucky, especially in the second spell, as the hoop eluded them continually. The Trojans played a masterly game, passing swiftly and effectively and having a star shooter whose eye and hand co-ordinated. Their fine checking also showed how much this team has improved during the season. The teams: Bon Cons: Arney 4, Steele 11, Dominato, Jack 1, Vance 2, Obuchina 4, Dwyer 3. Total 25. Trojans; B. Gillies 16, H. Dresser 8, W. Shields 8, F. Gordon, F. Dodsworth 5. Total 37.

ANYOX NOTES

Mrs. Porter, who left a short time ago to attend the funeral of her mother at Vancouver, arrived home on Monday.

Mrs. Cummings arrived on Monday from Vancouver.

Mrs. M. Rook and baby boy arrived on Monday from Cloverdale.

Mrs. Kavalier returned on Wednesday from a visit to Vancouver.

Mrs. Andrew Hardy left on Wednesday for a visit to Prince Rupert.

Rev. and Mrs. Alfred Abraham arrived on Wednesday from the east. They were recently married at Toronto. Mrs. Abraham arrived from Ireland a short time ago and the Rev. Abraham left Anyox a few weeks ago to meet her.

Quiet Wedding Anyox Monday Evening

A quiet wedding was solemnized at Anyox on Monday evening, February 19th, when Beryl Marie, daughter of Mr. and Mrs. George B. Casey, of Prince Rupert, was united in marriage to Andrew, only son of Mr. and Mrs. Fred Hardy, also of Prince Rupert. The wedding took place in the United Church Manse, Rev. E. Baker performing the ceremony. Mrs. D. C. Casey was the matron of honor and Mr. D. C. Casey brother of the bride was best man.

The bride wore a pretty gown of brown crepe with white lace sleeves and brown hat and shoes. Her bouquet was of pink and white carnations. The matron of honor chose a gown of peach crepe back satin, with hat to match and cream gloves, and a bouquet of colored carnations.

Daughter Born to Mr. and Mrs. B. Windle At Prince Rupert

On Tuesday, February 13th. a daughter was born to Mr. and Mrs. Bennie Windle, at the Prince Rupert General Hospital. The baby has been named Benita.

Owing to a typographical error, the name of Mr. W. Wright was omitted from the orchestra in connection with the report of the Mine Minstrel Show on page 2.

A wedding supper was held at the home of Mrs. D. C. Casey, the guests being principally friends from Prince Rupert.

The bride's table was prettily decorated and bore a three tier cake. The toast of the bride, was given by Mr. D. C. Casey, the groom responding. Mr. Hardy has resided in Anyox for the past eight months and has made many friends. The young couple will reside in Anyox.

The North has a New Champion

Northern British Columbia has found a new champion in Hon. A. Wells Gray, minister of lands. In a speech recently made at New Westminster he stated that the northern areas of British Columbia will pull this province out of the depression as soon as transportation facilities are provided. Hon. Mr. Gray is one of the few prominent men of the south who realize the immense riches of the north, and that their development will help everyone in British Columbia, both north and south, east and west. During the past few years every province in the Dominion from Quebec to the B. C. boundary have strained every effort to exploit the riches of their northern areas. But in British Columbia the opposite has been the rule. The north has been rebuffed, ignored and abandoned, and the north is suffering. The south is now beginning to feel the effect of this stagnation and better treatment may be in store for the northern pioneers.

Youths' Idleness Is Big Problem

During the past five years thousands upon thousands of young men in British Columbia have completed their studies, and, full of ambition, have eagerly sought to obtain a livelihood, either by brains or brawn. Neither has been needed. Their youthful ambition has received a chill reception, and today, thousands of these young men, formerly eager and anxious for employment, have, in many cases, become despondent. This despondency ultimately leads to shiftlessness, laziness or crime, and in a few years instead of the youth becoming a useful citizen he develops into a doubtful asset. What are we going to do in regard to our youth? Are we going to ignore the problem or are we going to try and solve it? Millions of dollars are expected to be appropriated shortly for public works in an effort to solve the unemployment difficulty. But public works are a temporary palliative for the unfortunate condition of youth. A. M. Manson, M. L. A. for Omineca has suggested that these lads be sent out into the hills in our mining districts as prospectors, under the guidance of competent men. And a good suggestion too. Far better would it be for our youths to gain an insight into prospecting and mining than loaf around the towns and cities in idleness, and oftentimes mischief. Another

Storms of Applause Greet Mine Minstrel Coons

Continued from page 1
 a cakewalk contest in which five "ladies" and gentlemen strutted their stuff, a pair at a time, for the edification of the house. When garters came down, some slim and shapely legs were shown, amid roars of laughter. Mr. Bamforth, with a "lady" as tall as he himself is short, won the cake in a walk. To attend this show—the best we have seen for a long time—was a real tonic.

The Mine Branch of the A. C. L. deserve the best thanks of all its patrons for this splendid effort, which had obviously taken a great deal of time and effort.

Due credit must be given to the orchestra—F. Rhead, S. Armstrong and E. Woodman for their excellent work.

suggestion has been made to build trunk roads into various mineralized parts of the province. The building of these roads would provide good food, lodging and some cash for the youth of the province, and an opportunity for healthful recreation, which is of vital necessity to strong, robust young men in their teens and early twenties. These roads when completed would afford transportation to our mineral sections, which would be a permanent asset. The mining industry is the premier one of the province. It has stood the stress of hard times far better than any other industry and its expansion should be encouraged whenever and wherever possible.

Friends of Silver Are Increasing

Two or three years ago if you happened to ask one of your acquaintances what he thought of the future of silver, the answer invariably was only a blank look. The man in the street didn't know a thing about it. Our parliamentarians did not know much more. The bankers closed up like a clam when silver was mentioned as a substitute for gold, and sagely shook their hoary heads. The friends of silver a few years ago were few, very few, but not so today. Every intelligent person has his views of the silver question. Newspapers today publish long articles in regard to future prices of silver and probable government legislation. Members of Parliament, cabinet ministers, bankers and brokers are all now educated in regard to silver, and its supporters are increasing. Yes, silver these days has many friends and that is the reason of steady rising prices. Silver is on the upgrade and we believe, in our humble opinion, that it will continue to rise to still higher levels. Silver has had a shabby deal in the past, but better days can be anticipated.

It seems to be a law of high heaven that we can't inflict a loss on others in any way, without loss to ourselves; nor help others without helping ourselves.

GOLD MINING IN BRITISH COLUMBIA

Lode and placer gold mining have made remarkable strides in the past three years. Historic Cariboo and Bridge River districts are now prominently in the public eye.

There are opportunities for profitable investment, and about 200,000 square miles of unexplored mineral bearing lands are open for prospecting.

British Columbia is the leading Canadian Province in production of silver, lead and zinc.

Inform yourself by consulting Official Publications of which these are the most recent:

Annual Report of the Honourable the Minister of Mines, for the calendar year 1932.

"Placer Mining in British Columbia."

Preliminary Report on the Mineral Industry of British Columbia for the calendar year 1933.

Non-Metallic Mineral Investigations: "Barite," "Asbestos," "Glassware," "Clay," "Magnesite and Hydro-Magnesite."

Wild Animals Friendly on Banff-Windermere Highway

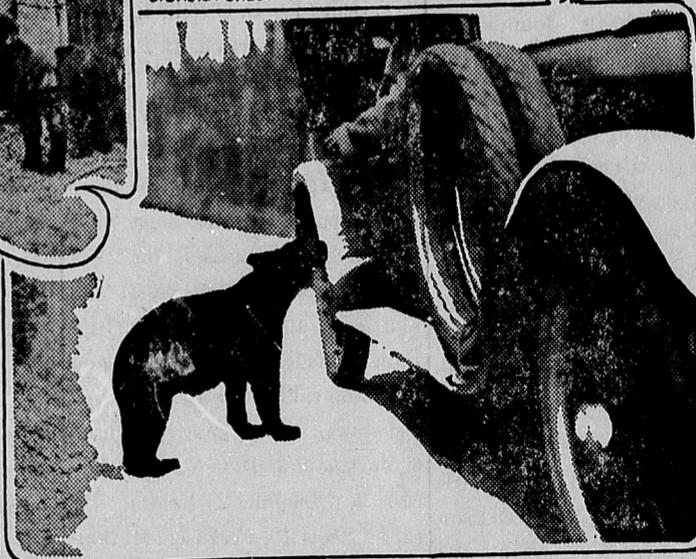

MAMMA BEAR AND KIDS, LAKE LOUISE

BIGHORN SHEEP STOP CARS NEAR BANFF

CINNAMON BEAR NEAR BANFF

BOZO BEAR TRAFFIC COP

"The Friendly Road," by David Grayson, which is well-known to many lovers of nature, depicts incidents and friendliness of people along country roads and in the rural districts. There is, however, a road in the Canadian Rockies the friendliness of which is not due to mortals as in Grayson's book, but to the friendliness of animals. Animals termed wild, but in this instance a word that cannot be applied to those on the Banff-Windermere Highway. There is possibly no more beautiful road than this which runs from Banff to Lake Windermere, in the Columbia River Valley. The distance of 104 miles is spectacular and the scenes are constantly changing. The views from the high passes looking down into valleys, thousands of feet below, tiny lakes surrounded by al-

pine meadows, rivers crossed and re-crossed, and glimpses of cascades tumbling down slopes from dizzy heights are intriguing and beautiful.

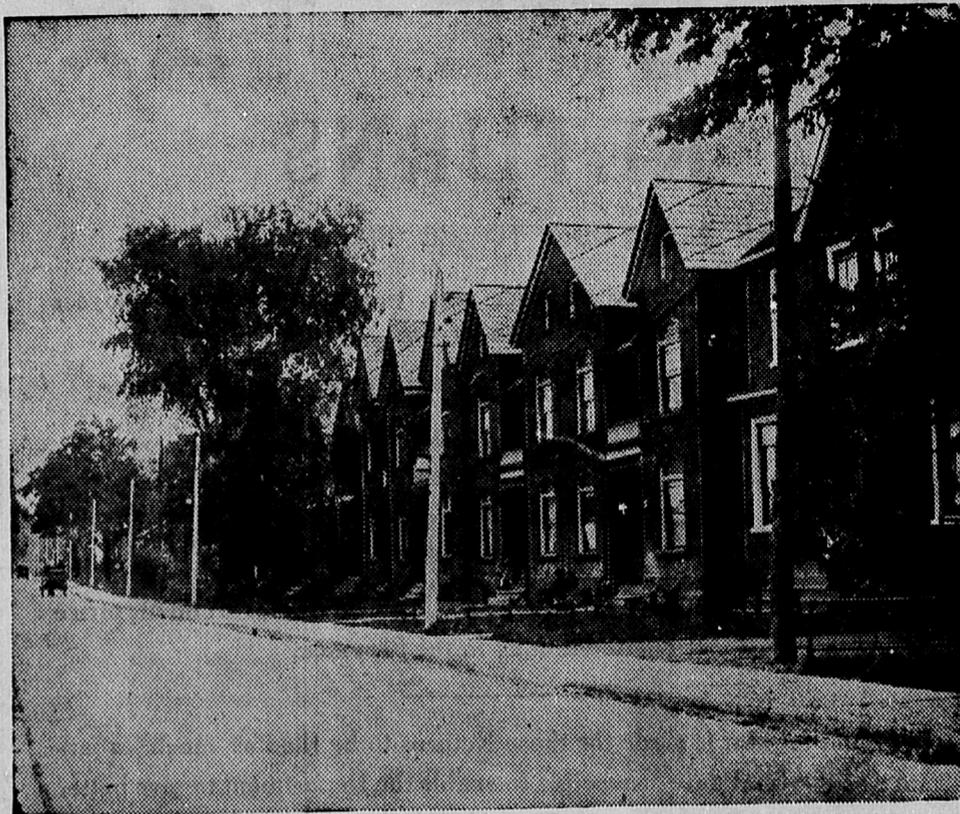

To this natural beauty is added that of seeing the animals in their natural haunts. Rocky Mountain sheep are seen on the road along Vermillion Lakes not far from Banff. They are so tame that often motors have to slow down as they will persist, almost to the point of danger, in standing in the middle of the highway.

Bozo, a black bear, is a friend to many motorists on the Banff-Windermere road. He comes out on the highway as if he had sole right to it. He does not resent these invaders in the least and really wishes to

show his friendliness. Sometimes he has lunches handed to him and the remarks of "nice old chap, fine old fellow," please him tremendously, and he will try to come even nearer. Bozo no doubt had many dreams during the winter of summer tourists, and possibly has figured out in true bear fashion just how to get the most out of the tourist season.

Deer are seen, also, on this famous highway, though not as often as other animals. They are regular visitors to Banff, and are frequently seen on the streets of the village. There are hundreds of miles of smooth motor roads through the Canadian Rockies, and devotees of the open road are visiting this region in increasing numbers annually.

Co-operation Eases Situation

How the Canadian Pacific Railway Company as a large property owner allowed its tenants to catch up on their arrears of rent and also earn some much needed cash is told by J. F. Hendry, Toronto, real estate agent there for the Company. "The Canadian Pacific," said Mr. Hendry, "is owner of eighty six dwelling houses on Mariborough Avenue paralleling the tracks near North Toronto station. Many of tenants were in arrears on their rents despite

every possible effort on their part to make ends meet. The majority, too, were tenants of long standing. We had a mutual get-together and decided that the unemployed tenants would paint all the eighty six houses under the supervision of one of their own number as foreman. The Company supplied all the material, insured the men under the Workmen's Compensation Act, and the work was started. The results are most gratifying for all con-

cerned. The unemployed tenants have seen their arrears of rent gradually erased from the ledger, and the property has been made spick and span at a reasonable cost because there was no idling on the job and everyone worked their hardest. In fact the scheme went along so smoothly that it was decided that all the labour would not be credited on the rent ledger but that each man would draw a percentage in cash to help keep his family and himself going

The "B" Teams Provide Good Basketball Friday

Though both hoop games on Friday 16th. were B League fixtures, due to the failure of the Vandals A to field a team, they were marked by aggressive and keen play. In the first game the Mechanics battled through determined and pounding attacks by the Rovers to win 25-19. Johnnie Gillies, a late recruit in the Mechanics ranks, proved the value of experience by piling up a 15 score. Rovers brought the crowd to its feet several times, though they finished with four men, Loudon and Kergin being chased to the showers in the second half. The teams: Mechanics, Patrick 4, Johnston 4, Carter, Gillies 15, O'Neill 2, Yelland. Rovers: Flye 4, Kirby 5, Pinckney 10, Loudon, McCarthy, Kergin.

In the second game the Girls All-stars forced a combined team of Pirates and Warriors all the way. The boys had all they could do to pull out on the long end of an 18-12 score. The girls are working out nicely and although we don't like to be caught boasting, if the Rupert girls beat our little quintette they should be using the Edmonton Grads as spares. The

Liberal Association To Meet

A general meeting of the Liberal Association of Anyox and district will be held on February 26th. (Monday) in the Recreation Hall, at 7.30 p.m. All members are urged to be present.

teams: Girls: P. Loudon 2, N. Salmon, K. Eve 6, J. Pinckney. M. Dresser, T. Gordon 2, J. Philip, L. Dresser 2. Boys: D. McDonald 2, T. Scott 10, D. O'Neill 4, Dominato, J. Dodsworth 2, B. Parsons, D. McDonald.

In the third act the Warriors and Pirates crossed cutlasses. Though the Warriors lived up to the name, the Pirates must have had longer cutlasses, for they boarded the Warriors' vessel and scuttled it to the tune of 23-17. Both teams lost a man, Nelson and Ferguson taking the air in the second stanza. Warriors: Dominato 6, McDonald 3, D. O'Neill 4, Harrison 2, Obuchina 2, Nelson. Pirates: Scott 10, Ferguson, McDonald, Falconer 10, Deeth, Dodsworth 1, Parsons 2.

As the season draws to a close and the play-offs loom, the games become faster and harder. They are well worth watching: Come down sometime!

The Herald is \$2.00 a year.

Vandals Win The Final Game In "A" League

In a fast and spectacular game on Wednesday last the 21st. Vandals defeated Mechanics 34-20, this tilt being the last of the A League fixtures. Vandals stand at the top of the League, with Trojans in second place, Bon Cons next and Mechanics in the cellar. The play-offs for the Cup final to decide the championship will be arranged at an early date.

The Vandals' place as League winners has been well earned. They have played good basketball all season, being defeated only once and have shown themselves to be good, clean sportsmen.

Despite their low score on Wednesday, Mechanics put up a hard fight and some brilliant play was witnessed. The teams: Mechanics A: Dresser 5, Davies 6, Buntain 1, Watson 3, L. Gillies 1, J. Gillies 4. Vandals A: T. Calderoni 17, Rhead 2, Falconer 9, Swanson 6, Woodman.

Miss A. Barker arrived at the Alice Arm Hotel on Monday from Smithers, and will spend a few weeks here.
