5 cents each.

Anyox Elks and Friends Enjoy Pleasant At Home Evening

The seventh annual At Home of the Local B. P. O. E. was declared a huge success by the large number of brothers and friends present. Cards were indulged in from 8 o'clock until 10:30. The prize winners were, Ladies first, Mrs. J. Hindmore of the Mine. Gentlemen Mr. Stan. Ballard. Immediately after the cards the guests adjourned to the Dugout, where a very tasty and well served supper was thoroughly enjoyed. To the delightful strains of the popular Moose orchestra dancing was indulged in until 1 a.m. During the course of the evening Mrs. F. R. Laws of Fernie, rendered two delightful vocal solos accompanied by F. Dresser on the piano. The Misses Kathleen and Irene Bruggy added greatly to the success of the evening, when the former danced the Highland Fling and the Sword Dance, very ably accompanied on the piano by the latter. Miss Irene Bruggy also delighted those present with two very well executed recitations.

Great credit is due the committee in charge for the splendid success of the entertainment. Those in charge were: E. R. Johnson, Chairman; H. Goebel and A. S. Nickerson. Jimmy Thompson was responsible for the arrangement of the supper.

Large Number Spending May 24th. at Alice Arm

The Anyox Moose Orchestra will make a trip to Alice Arm on the 23rd. of this month and will hold a dance there that evening. This promises to be a big event and a large body of local dance artists are expected to make the trip. The Awake will start their summer excursion rates at that time so avail yourselves of the opportunity of getting some good Alice Arm fresh air as well as having a good time dancing to the seductive strains of the Moose Jazz Artistes.

The Store Baseball warriors will engage Alice Arm's best in a game on the afternoon of May 24th. This will be the opening ball game for the inter-city series and promises to be good, so do not miss it. Chris Cane celebrated twirler of the local nine has rounded into good shape and says the boys never felt better.

Don't Forget to Renew Your Miner's Licence

Prospectors and owners of mineral claims, don't forget that Tuesday May 31st. is the last day for renewing Free Miner's Licences.

J. J. Barnes appeared before Stipendary Magistrate R. M. McGusty charged with being drunk on May 2nd. He was fined \$50.00 and costs. This was his second offence.

Government Will Soon Commence Trail Work

The extension of the sidewalks on First Street, will be undertaken immediately states Mr. W. A. Talbot, district engineer, who arrived at Alice Arm on Thursday.

As soon as the snow is off the ground, the pack trail on the North-East Fork of the Kitsault River will be extended a distance of three miles. Repairing the trail on Roundy Creek to the Keystone will also be undertaken as soon as possible. The money for the two latter projects has been appropriated by the Mines Department.

In reply to a question regarding other work, Mr. Talbot stated that undoubtedly several trails would be considerably improved in the Upper Kitsault Country and he anticipated an extension of the wing dam protecting the town. The extension would, however, be done toward the latter end of the summer.

Assessment Work on Claims Shows Increase

Last week in our front page illustrated article we showed to what extent the mining industry of Alice Arm was expanding by the advent of new capital. Not only is a greater interest taken in the district by mining companies, but records show that prospectors were also more active during last year than the previous year.

During 1925 assessment work was recorded on 377 claims, while in 1926 the amount jumped to 443. This increase shows the healthy state the mining industry enjoys, and is a sure sign of the further expansion of the industry in the district.

Balance of Machinery Arrives For Toric Mine

A quantity of machinery for the new concentrator at the Toric mine arrived on Monday, and will be transported to its destination as soon as the railway track is clear of snow. This shipment completes the mill machinery with the exception of the generator, which is due to arrive in June, after which it is expected the mill will shortly be operating, thus putting another mine on the Alice Arm shipping list.

Government Will Assist Trail To Saddle Property

Half a ton of powder was taken to the Saddle property on Hastings Arm, on Saturday by the launch Awake in readiness for the development work outlined in last week's issue. In order to provide transportation from tide water, the government has signified its willingness to appropriate \$1000.00 provided an equal amount is contributed by the company.

Annual Report United Church Shows Much Progress

The annual congregational meeting of the United Church was held in the Church Hall on Wednesday April 27th. at 8 p.m.

The meeting took the form of a banquet. After all had partaken of the good eats supplied by the ladies. Rev C. D. Clarke, the chairman, opened the programme by welcoming all to the annual meeting. The toast to the Ladies' Aid was proposed in well chosen words by Mr. Thos. Kirkwood. Mrs. Patrick responded telling of the activities of the Aid during the year and reported that an amount of \$834 had been raised and expended. The greater part of this sum was used in making payment on the Church debt, and in finishing and furnishing the Church Hall.

Mr. Wilby proposed the toast to the Sunday School and Miss Marjory Cloke, the Secretary, responded by giving the statement of finances for the year. The Sunday Schools (Beach and Mine) raised and expended \$299 during the year. This is one of the most encouraging departments of the church. Mrs. Wm. Barclay, in proposing the toast to the excelsior group of C. G. I. T. expressed the appreciation of the workers for the splendid work being done among the girls. Miss Jean McDonald responded for the group, and gave a sketch of activities since organizing. Deep regret was expressed at the illness of the leader, Miss Andrews, to whom the girls have been so devoted.

The toast to the Board of managers was proposed by Mr. Duncan Campbell and responded to by Mr. Wm. Barclay, the secretary of the Board, Mr. Barclay reviewed the work of the Board, intimating what had been done and that the finances were in good condition. After meeting all obligations there remained a balance on hand of \$100.

In an address by the minister, appreciation of the congregation was expressed to all those who had helped to make the year's work successful. Special mention was made of the service of the pianist, Mr. F. Dresser. The attendance at the Sunday evening service continues to be encouraging. In spite of the long winter with its snow and bad weather, the average attendance for the year was 53. Mr. Clarke asked for the continued support of the congregation in all the work of the church.

The Board of Managers elected for the ensuing year are Messrs. Duncan Campbell, Wm. F. Barclay J. Wilby, H. Patriok, Ballentyne and W. J. Smith,

The meeting closed with the singing of the Doxology.

Mr. R. Goulet, Secretary of the Pioneer Savings and loan Association and Mr. Wainer of the same company arrived in town on Monday.

Logging Equipment Is Taken South

Part of the logging equipment of the Abbotsford Logging and Timber Co. who have been logging at Alice Arm during the past four years, left yesterday. It has been purchased by Morris Dumont and Emerson and consists of yarder engine, bunk house and cook house. Dumont and Emerson have spent the past few weeks here building a float and moving the equipment on to it. They will operate near Port Simpson, and have a contract with the Big Bay Lumber Co. of Georgetown for the sale of logs.

Producing Mine Failed To Receive Mention

In our front page article last week dealing with the mining industry of Alice Arm for the coming season, we failed to mention the Wolf mine as one of the properties that will be operating this year. The omission was due entirely to an oversight. The Wolf has been operated for over two years by J. Fiva and P. Peterson, and is moreover, a producing mine. It is less than five minute's walk from town, and a nice vein of ore is being mined and stored ready for shipment.

The mine is financed by the operators, who have accomplished a large amount of work, and it is this kind of spirit and perseverance that has built up many mining camps, paving the way for the big operators.

ALICE ARM NOTES

Hand Laundry Work done at reasonable prices.—Miss B. Crawford, near Meat Market.

Mr. and Mrs. F. M. Cowan arrived on Monday from Prince Rupert.

N. Sutlovich left on Monday on a trip to Prince Rupert.

F. F. Brown was a week-end visitor from Anyox on business. He returned on Monday morning.

E. Aubusson, who has held the position of clerk at T. W. Falconer's general store for the past two years left on Monday for Vancouver. He will probably later return to the Okanagan country.

J. Forsburg, an old resident of the camp and who left here about four years ago, returned to town on Monday. Mrs. Forsburg and family are at present in Prince Rupert.

W. A. Wilson returned on Monday from a business trip to Prince Rupert. He was accompanied on his return by Mr. Saunders, who will act as book-keeper for the Alice Arm Meat Co.

Wm. Burke spent a few days in Prince Rupert during the week. He returned on Thursday accompanied by a first-class hunting dog.

Continued on Page 4

Arrangements Made For Summer Baseball Sport

The Annual Baseball Meeting was held on Wednesday evening, when business for the coming season was discussed and officers elected. Mr. R. Manning took the chair for the meeting and F. F. Brown acted as secretary. Nominations were immediately called for the office of President. The nominees were: Dr. H. S. Trefry and Mr. W. B. Maxwell and the latter was elected. Nominations were then called for Vice-President Tom McIntosh and F. E. Patton being nominated, the former being elected to the office. Doug. Roy was the unanimous choice of the meeting for Secretary-Treas. An Arbitration Board was also elected the following being chosen: H. B. Chapman, H. Kirk, Chas. McLachlan, H. Goebel, J. Wilson, Dr. Lang.

Team entries for the season were then called for and the following were entered: Elks entered by A. S. Nickerson; Concentrator by E. J. Waterman; Canadian Legion by Charles Harman.

In connection with the Legion, it was stated that their entry was made more or less depending upon the help of the mine, which are unable to enter a team this season through lack of a sufficient number of players.

Brother Bills Out to Capture Silverware

The Elks' baseball team held a meeting at the club rooms on Sunday evening to make arrangements and elect a manager and captain for the coming season. There was a good number of players present, which augers well for the success of the Antlered Herd this summer. Art Nickerson was elected manager and Jack Cody captain. Many things were talked over and prospects for a very successful season, in which the Brother Bills will recover the silverware loaned to the Mine Club last year.

Tunnel on the Silver Hoard Property Extended

The development tunnel on the Silver Hoard has been extended a distance of 22 feet, states A. Davidson who arrived in Alice Arm during the week, accompanied by Jens Larson.

The tunnel has not yet been driven far enough to encounter the ore body. Excellent time was made in driving, which was done by hand.

Supplies are Shipped to The Silver Cord

A pack train loaded with needed supplies left Alice Arm during the week, and was successful in reaching the Silver Cord. Now that ample supplies are on the ground the tunnel work will be carried along with with all possible rapidity.

"The well trained nurse is the backbone of public health," said Dr. F. W. Routley, Director of the Ontario Division of the Canadian Red Cross Society, recently when addressing the Woman's Canadian Club in London. "She is the link between the scientific processes of public health measures and the public that has to use them." He then told of the public health nursing courses which are now established in six Canadian Universities through the efforts of the Canadian Red Cross; of the institution of travelling tuberculosis clinics; of the nation-wide instruction in Home Nursing Classes through which, in the past four years, over 11,000 women have received this valuable training and he expressed the opinion that in a few years' time this study would be added to the ordinary school curriculum for girls. In speaking of the outpost Hospitals, so many of which are now being operated by the Red Cross throughout the frontier portions of the dominion, Dr. Routley paid tribute to the magnificent services of the nurses in those institutions and referred to the need for healthy education of school children through the Junior Red Cross or other agency because "the production of a health conscience in every child in Canada would go a long way toward wiping out the worst of our preventable diseases."

"The nursing service should never be confined to hospitals" said Dr. Routley in conclusion. "It ought to penetrate the whole community and if it be at all possible such small emergency hospitals or health centres ought to exist in every settlement so that the necessary health education might be within reach of all our people."

should be destroyed or removed at this time.

A swat at the fly now means a whole lot toward his control at the height of his season. Stopping the fly before he gets started is a good method to pursue in handling him. A sharp offensive against him is the best defense against him.

Destroy his potential breeding places now and insure against his flourish a little later. Look about your premises and see what you can do to stop him before he gets the jump on you.

The diaphragm beats a tattoo on the stomach when you laugh. Every time you let go a hearty laugh this diaphragm pops up and down on your liver, and helps to drive away the very thing that gives you the blues--biliousness.

Laughter is the best brand of pills on earth. Laughter strikes in when it comes from without, and instantly comes to the surface when it starts from within.

Laughter penetrates. You may laugh because you are happy, and you may be happy because you laugh. It is the one thing where the cause is the effect and the effect is the cause. Any man can be a millionaire of good cheer.

Sulphides From Britannia Tailings Find Market

An interesting development has been worked out by the Britannia Mining & Smelting Co., a subsidiary of the Howe sound company. The Britannia ore contains considerable pyrite and pyrrhotite, which until lately has been allowed to flow away with the tailings. Recently an addition was made to the mill to allow a separation, or partial separation, to be made of the iron sulphides from the earthy minerals in the tailings. The company now is selling about 4,000 tons of iron sulphides per month to pulp and paper manufacturers, who are using it in place of native sulphur, and who are said to be making a considerable saving thereby.

Trying to avoid trouble will keep any man busy.

BRITISH COLUMBIA

The Mineral Province of Western Canada

Has produced Minerals as follows: Placer Gold, \$77,663,045; Lode Gold, \$122,808,459; Silver, \$74,111,397; Lead, \$89,218,907; Copper, \$197,642,647; Zinc, \$39,925,947; Miscellaneous Minerals, \$1,594,387; Coal and Coke, \$273,048,953; Building Stone, Brick, Cement, etc., \$44,905,886; making its mineral production to the end of 1925, show an

Aggregate Value of \$920,919,628

The substantial progress of the Mining industry of this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive \$94,547,241; for five years, 1896-1900, \$57,607,987; for five years, 1901-1905, \$96,507,968; for five years, 1906-1910, \$125,534,474; for five years, 1911-1915, \$142,072,603; for five years, 1916-1920, \$189,922,725; 1921, \$28,066,641; for the year 1922, \$35,158,843; for 1923, \$41,304,320; for 1924, \$48,704,604, and for 1925, \$61,492,242.

Production Last Ten Years, \$404,649,375

Lode mining has only been in progress for about 25 years, and only about one-half of the Province has been even prospected; 200,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Practically all British Columbia Mineral Properties upon which development work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B. C. Reports covering each of the six mineral Survey Districts are published separately, and are available on application. Reports of the Geological Survey of Canada, Winch Building, Vancouver, are recommended as valuable sources of information.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing

**THE HON. THE MINISTER OF MINES,
 VICTORIA, British Columbia**

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes: minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

Concentrating Mills Are Springing Up Everywhere

Several new mills in connection with mining properties will be in operation this year. The Dunwell mill started a few weeks ago, while another mill for Portland Canal district is that planned for the Independence. There has been talk of a mill for the big Missouri, but this has been spoken of for a long time, with nothing happening.

On the Coronation gold mine, Bridge River, a new Denver mill has been working for about two months. Near by is the Lorne mine, for which a Denver mill has been ordered. The Pioneer is also to have a 100-ton mill which will be in operation this year.

A mill well under way is that of the Toric Mines, Alice Arm district which will be in operation about the middle of the season. An ample supply of ore is ready.

At the Duthie Mines near Smithers, a mill of 50 tons capacity will be built. This property is showing up remarkably well, each succeeding discovery of ore being better than any previous.

The Whitewater, Slovan district which has been making good progress since reorganization a year or two ago, will have a mill of 150 tons.

The Galena Syndicate, operating the Ruth mine, near Golden, is getting ore ready for a mill of 50 tons.

The Monarch, near Field operated by A. B. Trites, Vancouver, may have a mill this year.

In addition to these, there are the extensive augmentations of the Granby Company to 3,000 tons a day; Premier, to 400 tons a day; Consolidated at Kimberly to 4,000 tons a day, besides increase of the capacity of its customs concentrator and building the new mill at Moyie, at the St. Eugene mine.

MINERAL ACT (Form F) CERTIFICATE OF IMPROVEMENTS NOTICE

"Silver Cord" and "Silver Cord No. 2" Mineral Claims, situate in the Naas River Mining Division of Cassiar District.

Where located:—on the North-east Fork of Kitsault River, about seven miles from Alice Arm.

TAKE NOTICE that I, A. McGuire, agent for Kitsault-Eagle Silver Mines Ltd. (N.P.L.), Free Miner's Certificate No. 1546-D, intend sixty days from the date hereof, to apply to the Mining Recorder for a Certificate of Improvements for the purpose of obtaining a Crown Grant of the above claims.

And further take notice that action, under section 85, must be commenced before the issuance of such Certificate of Improvements.

Dated this 29th. day of April, A.D. 1927.

A. McGUIRE, Agent.

MINERAL ACT (Form F.) CERTIFICATE OF IMPROVEMENTS NOTICE

"Eagle," "Eagle No. 2," "Eagle No. 3," "Eagle No. 4" "Eagle Fractional" and "Eagle No. 1 Fractional" Mineral Claims, situate in the Naas River Mining Division of Cassiar District.

Where Located:—on the Kitsault River about 7 miles from Alice Arm.

TAKE NOTICE that I, A. McGuire, agent for Kitsault-Eagle Silver Mines Ltd. (N.P.L.)

Free Miner's Certificate No. 1546-D, intend, sixty days from the date hereof, to apply to the Mining Recorder for a Certificate of Improvements for the purpose of obtaining a Crown Grant of the above claims.

And further take notice that action, under section 85, must be commenced before the issuance of such Certificate of Improvements.

Dated this 29th. day of April A.D. 1927.

A. McGUIRE, Agent.

Ladysmith Smelter Securing Contracts

Ore contracts are being made with mining companies on the coast by the British Metals Corporation which has undertaken the financing of the smelter at Ladysmith project under Herbert Carmichael and H. B. Thomson. Dunwell has already been signed up and negotiations are pending with Malaspina and other properties. Processes to treat these ores are expected to be placed in six months.

Premier Oliver Denies All Election Rumors

Premier Oliver emphatically denied the report that the dissolution of the legislature was set for between July 1 and 15. He declared "there is no foundation for the rumor." The Premier said that the members of the government were too busy with royal commissions to have time to consider any election.

Canada Outstrips U.S.A. In Wheat Shipments

Canada is exporting four times as much wheat to other countries annually as the United States, according to a report compiled by the department of trade and commerce. "Wheat shipments from the Dominion amounted to 275,464,100 bushels in the 12 months ending August 1, 1926," says the report, "while those of the United States reached only 74,249,000 bushels."

Canadian National European Tours

A maximum of travel through particularly interesting countries at a minimum of expense is provided in the Canadian National Educational Tours this summer through Scotland, England, France, Belgium, Switzerland and Italy.

Two tours have been arranged and sailing will be made from Montreal, July 8th, on the S. S. "Andania", direct to Glasgow. Very careful attention has been given to itineraries involved.

Tour No. 1 is a 37-day trip on sea and land, visiting important cities in Scotland, England, France, Belgium, Switzerland. All expenses, \$372.50, Montreal to Great Britain and the Continent and return to Montreal.

Tour No. 2 is a 51-day trip on sea and land, visiting in Scotland, England, France, Belgium, Switzerland and Italy. All expenses, \$501.00, Montreal to Great Britain and the Continent and return to Montreal.

There will be low excursion fares to the seaboard from points in British Columbia.

These tours will be personally conducted from Western Canada, and while overseas will be under the direct care and supervision of thoroughly responsible and reliable organization, fully qualified in every particular to successfully look after the interests of our patrons.

The sight-seeing programme is very complete and generous. Motor coaches and automobiles are freely used. All sight-seeing is well planned to save unnecessary fatigue and to see the worth while places within the time at our disposal. Competent lectures will reveal to our patrons the outstanding features, literary, historic, artistic, or scenic of the Old World centres visited.

Father (lecturing son)—Don't you want to grow up a good man? Freddie—I don't mind being a good man after I'm grown up, but I want some fun while I'm growing up.

LAND ACT

NOTICE OF INTENTION TO APPLY TO LEASE LAND

In Prince Rupert Land District, Recording District, District of Cassiar and situate and being part of the foreshore in front of Kshwan Indian Reserve No. 27 on the West Bank of Kshwan River, Hastings Arm.

Take notice that William P. Armour, of Prince Rupert, B. C., occupation, contractor, intends to apply for permission to lease the following described lands:—

Commencing at a post planted about 20 chains easterly from the S.W. corner of Kshwan Indian Reserve No. 27 and being on High Water Mark; thence South to Low Water Mark; thence easterly along Low Water Mark to the West Bank of the main Branch of Kshwan River; thence Northerly along the West Bank of Kshwan River to High Water Mark; thence Westerly along High Water Mark to point of commencement; and containing 160 acres more or less.

WILLIAM P. ARMOUR,
Applicant.

Dated March 6th. 1927.

PROVINCIAL ELECTIONS ACT

ATLIN ELECTORAL DISTRICT

NOTICE is hereby given that I shall, on Monday, the 16th. day of May, 1927, at the hour of 10 o'clock in the forenoon, at the Court House, Anyox, hold a sitting of the Court of Revision for the purpose of revising the list of voters for the said electoral district, and of hearing and determining any and all objections to the retention of any name on the said list, or to the registration as a voter of any applicant for registration; and for other purposes set forth in the "Provincial Elections Act."

AND further take notice that on Tuesday, the 17th. day of May, 1927, at the hour of ten o'clock in the forenoon, at the Court House, Atlin, an adjourned sitting of the said Court of Revision for the like purpose will be held.

Dated at Anyox, B. C. this 7th. day of April, 1927.

R. M. MCGUSTY,
Registrar of Voters,
Atlin Electoral District.

W. A. Talbot, district mining engineer, arrived from Anyox on Thursday.

Chas. Lindquist, a former resident of the camp, arrived on Monday from Stewart and is on the staff of the Welcome Hotel.

ANYOX NOTES

Mrs. R. C. Macknight was a south-bound passenger on Monday. She came north in order to remove her furniture to Vancouver.

A Cigar that is made out of No. 1 Tobacco. The El Doro.

W. Graham arrived on Thursday from Vancouver.

E. J. Lewig was an arrival from Vancouver on Thursday.

W. A. English arrived on Thursday from Vancouver.

Messrs. Hooper and Coates were passengers from Vancouver on Thursday.

W. Fulton, who acted as council in a bootlegging charge at the local Police Court on Thursday, arrived on Thursday and left the same day for Prince Rupert.

T. G. Garrett and J. Hockin, commercial travellers, were arrivals in town on Thursday.

Mrs. M. J. Sheen will be home on Tuesday May 10th. 3 to 6 p.m.

Mrs. Burke was a passenger to Prince Rupert on Thursday.

Mr. and Mrs. W. H. K. Russell of the Mine left on Thursday for Vancouver.

Miss D. Ward daughter of Mr. and Mrs. H. Ward, was a passenger on Thursday to Victoria.

Chief Constable W. Spiller of the Provincial Police at Prince Rupert, spent Thursday in town.

L. Castino was a passenger to Powell River on Thursday.

W. M. H. Rolston of Stewart the well known insurance agent arrived in Anyox on Thursday and plans to spend some time here, and also visit Alice Arm.

Mr. Art Sinclair was a passenger on Monday's boat. Since is leaving Anyox for good this time and is going back to the Yukon once more. He will no doubt be greatly missed by a host of friends. Hogan's Alley will also miss him greatly.

Fred Sutherland, who has for several years been janitor at the schools left on Thursday for Victoria. He has been a resident of Anyox for the past ten years, and his many friends were sorry to see him depart. He plans to reside permanently in Victoria.

Mr. and Mrs. C. McKenna and child were southbound passengers on Thursday, Mrs. McKenna will visit her mother in Scotland, who is seriously ill, and Mr. McKenna will return at an early date. Mrs. McKenna planned a trip home this summer, but a telegram announcing the illness of her mother hastened her departure.

Anyox Elks and Friends Enjoy Pleasant At Home Evening

The seventh annual At Home of the Local B. P. O. E. was declared a huge success by the large number of brothers and friends present. Cards were indulged in from 8 o'clock until 10:30. The prize winners were, Ladies first, Mrs. J. Hindmore of the Mine. Gentlemen, Mr. Stan. Ballard. Immediately after the cards the guests adjourned to the Dugout, where a very tasty and well served supper was thoroughly enjoyed. To the delightful strains of the popular Moose orchestra dancing was indulged in until 1 a.m. During the course of the evening Mrs. F. R. Laws of Fernie, rendered two delightful vocal solos accompanied by F. Dresser on the piano. The Misses Kathleen and Irene Bruggy added greatly to the success of the evening, when the former danced the Highland Fling and the Sword Dance, very ably accompanied on the piano by the latter. Miss Irene Bruggy also delighted those present with two very well executed recitations.

Great credit is due the committee in charge for the splendid success of the entertainment. Those in charge were: E. R. Johnson, Chairman; H. Goebel and A. S. Nickerson. Jimmy Thompson was responsible for the arrangement of the supper.

Large Number Spending May 24th. at Alice Arm

The Anyox Moose Orchestra will make a trip to Alice Arm on the 23rd. of this month and will hold a dance there that evening. This promises to be a big event and a large body of local dance artists are expected to make the trip. The Awake will start their summer excursion rates at that time so avail yourselves of the opportunity of getting some good Alice Arm fresh air as well as having a good time dancing to the seductive strains of the Moose Jazz Artistes.

The Store Baseball warriors will engage Alice Arm's best in a game on the afternoon of May 24th. This will be the opening ball game for the inter-city series and promises to be good, so do not miss it. Chris Cane celebrated twirler of the local nine has rounded into good shape and says the boys never felt better.

Don't Forget to Renew Your Miner's Licence

Prospectors and owners of mineral claims, don't forget that Tuesday May 31st. is the last day for renewing Free Miner's Licences.

J. J. Barnes appeared before Stipendary Magistrate R. M. McGusty charged with being drunk on May 2nd. He was fined \$50.00 and costs. This was his second offence.

Government Will Soon Commence Trail Work

The extension of the sidewalks on First Street, will be undertaken immediately states Mr. W. A. Talbot, district engineer, who arrived at Alice Arm on Thursday.

As soon as the snow is off the ground, the pack trail on the North East Fork of the Kitsault River will be extended a distance of three miles. Repairing the trail on Roundy Creek to the Keystone will also be undertaken as soon as possible. The money for the two latter projects has been appropriated by the Mines Department.

In reply to a question regarding other work, Mr. Talbot stated that undoubtedly several trails would be considerably improved in the Upper Kitsault Country and he anticipated an extension of the wing dam protecting the town. The extension would, however, be done toward the latter end of the summer.

Assessment Work on Claims Shows Increase

Last week in our front page illustrated article we showed to what extent the mining industry of Alice Arm was expanding by the advent of new capital. Not only is a greater interest taken in the district by mining companies, but records show that prospectors were also more active during last year than the previous year.

During 1925 assessment work was recorded on 377 claims, while in 1926 the amount jumped to 443. This increase shows the healthy state the mining industry enjoys, and is a sure sign of the further expansion of the industry in the district.

Balance of Machinery Arrives For Toric Mine

A quantity of machinery for the new concentrator at the Toric mine arrived on Monday, and will be transported to its destination as soon as the railway track is clear of snow. This shipment completes the mill machinery with the exception of the generator, which is due to arrive in June, after which it is expected the mill will shortly be operating, thus putting another mine on the Alice Arm shipping list.

Government Will Assist Trail To Saddle Property

Half a ton of powder was taken to the Saddle property on Hastings Arm, on Saturday by the launch Awake in readiness for the development work outlined in last week's issue. In order to provide transportation from tide water, the government has signified its willingness to appropriate \$1000.00 provided an equal amount is contributed by the company.

Annual Report United Church Shows Much Progress

The annual congregational meeting of the United Church was held in the Church Hall on Wednesday April 27th. at 8 p.m.

The meeting took the form of a banquet. After all had partaken of the good eats supplied by the ladies. Rev C. D. Clarke, the chairman, opened the programme by welcoming all to the annual meeting. The toast to the Ladies' Aid was proposed in well chosen words by Mr. Thos. Kirkwood. Mrs. Patrick responded, telling of the activities of the Aid during the year and reported that an amount of \$834 had been raised and expended. The greater part of this sum was used in making payment on the Church debt, and in finishing and furnishing the Church Hall.

Mr. Wilby proposed the toast to the Sunday School and Miss Marjory Cloke, the Secretary, responded by giving the statement of finances for the year. The Sunday Schools (Beach and Mine) raised and expended \$299 during the year. This is one of the most encouraging departments of the church. Mrs. Wm. Barclay, in proposing the toast to the excelsior group of C. G. I. T. expressed the appreciation of the workers for the splendid work being done among the girls. Miss Jean McDonald responded for the group, and gave a sketch of activities since organizing. Deep regret was expressed at the illness of the leader, Miss Andrews, to whom the girls have been so devoted.

The toast to the Board of managers was proposed by Mr. Duncan Campbell and responded to by Mr. Wm. Barclay, the secretary of the Board, Mr. Barclay reviewed the work of the Board, intimating what had been done and that the finances were in good condition. After meeting all obligations there remained a balance on hand of \$100.

In an address by the minister, appreciation of the congregation was expressed to all those who had helped to make the year's work successful. Special mention was made of the service of the pianist, Mr. F. Dresser. The attendance at the Sunday evening service continues to be encouraging. In spite of the long winter with its snow and bad weather, the average attendance for the year was 53. Mr. Clarke asked for the continued support of the congregation in all the work of the church.

The Board of Managers elected for the ensuing year are Messrs. Duncan Campbell, Wm. F. Barclay, J. Wilby, H. Patrick, Ballentyne and W. J. Smith.

The meeting closed with the singing of the Doxology.

Mr. R. Goulet, Secretary of the Pioneer Savings and loan Association and Mr. Wainer of the same company arrived in town on Monday.

Logging Equipment Is Taken South

Part of the logging equipment of the Abbotsford Logging and Timber Co. who have been logging at Alice Arm during the past four years, left yesterday. It has been purchased by Morris Dumont and Emerson and consists of yarder engine, bunk house and cook house. Dumont and Emerson have spent the past few weeks here building a float and moving the equipment on to it. They will operate near Port Simpson, and have a contract with the Big Bay Lumber Co. of Georgetown for the sale of logs.

Producing Mine Failed To Receive Mention

In our front page article last week dealing with the mining industry of Alice Arm for the coming season, we failed to mention the Wolf mine as one of the properties that will be operating this year. The omission was due entirely to an oversight. The Wolf has been operated for over two years by J. Fiva and P. Peterson, and is moreover, a producing mine. It is less than five minute's walk from town, and a nice vein of ore is being mined and stored ready for shipment.

The mine is financed by the operators, who have accomplished a large amount of work, and it is this kind of spirit and perseverance that has built up many mining camps, paving the way for the big operators.

ALICE ARM NOTES

Hand Laundry Work done at reasonable prices.—Miss B. Crawford, near Meat Market.

Mr. and Mrs. F. M. Cowan arrived on Monday from Prince Rupert.

N. Sutlovich left on Monday on a trip to Prince Rupert.

F. F. Brown was a week-end visitor from Anyox on business. He returned on Monday morning.

E. Aubusson, who has held the position of clerk at T. W. Falconer's general store for the past two years left on Monday for Vancouver. He will probably later return to the Okanagan country.

J. Forsburg, an old resident of the camp and who left here about four years ago, returned to town on Monday. Mrs. Forsburg and family are at present in Prince Rupert.

W. A. Wilson returned on Monday from a business trip to Prince Rupert. He was accompanied on his return by Mr. Saunders, who will act as book-keeper for the Alice Arm Meat Co.

Wm. Burke spent a few days in Prince Rupert during the week. He returned on Thursday accompanied by a first-class hunting dog.

Continued on Page 4

Arrangements Made For Summer Baseball Sport

The Annual Baseball Meeting was held on Wednesday evening, when business for the coming season was discussed and officers elected. Mr. R. Manning took the chair for the meeting and F. F. Brown acted as secretary. Nominations were immediately called for the office of President. The nominees were: Dr. H. S. Trefry and Mr. W. B. Maxwell and the latter was elected. Nominations were then called for Vice-President Tom McIntosh and F. E. Patton being nominated, the former being elected to the office. Doug. Roy was the unanimous choice of the meeting for Secretary-Treas. An Arbitration Board was also elected the following being chosen: H. B. Chapman, H. Kirk, Chas. McLachlan, H. Goebel, J. Wilson, Dr. Lang.

Team entries for the season were then called for and the following were entered: Elks entered by A. S. Nickerson; Concentrator by E. J. Waterman; Canadian Legion by Charles Harman.

In connection with the Legion, it was stated that their entry was made more or less depending upon the help of the mine, which are unable to enter a team this season through lack of a sufficient number of players.

Brother Bills Out to Capture Silverware

The Elks' baseball team held a meeting at the club rooms on Sunday evening to make arrangements and elect a manager and captain for the coming season. There was a good number of players present, which augers well for the success of the Antlered Herd this summer. Art Nickerson was elected manager and Jack Cody captain. Many things were talked over and prospects for a very successful season, in which the Brother Bills will recover the silverware loaned to the Mine Club last year.

Tunnel on the Silver Hoard Property Extended

The development tunnel on the Silver Hoard has been extended a distance of 22 feet, states A. Davidson who arrived in Alice Arm during the week, accompanied by Jens Larson.

The tunnel has not yet been driven far enough to encounter the ore body. Excellent time was made in driving, which was done by hand.

Supplies are Shipped to The Silver Cord

A pack train loaded with needed supplies left Alice Arm during the week, and was successful in reaching the Silver Cord. Now that ample supplies are on the ground the tunnel work will be carried along with with all possible rapidity.

"The well trained nurse is the backbone of public health," said Dr. F. W. Routley, Director of the Ontario Division of the Canadian Red Cross Society, recently when addressing the Woman's Canadian Club in London. "She is the link between the scientific processes of public health measures and the public that has to use them." He then told of the public health nursing courses which are now established in six Canadian Universities through the efforts of the Canadian Red Cross; of the institution of travelling tuberculosis clinics; of the nation-wide instruction in Home Nursing Classes through which, in the past four years, over 11,000 women have received this valuable training and he expressed the opinion that in a few years' time this study would be added to the ordinary school curriculum for girls. In speaking of the outpost Hospitals, so many of which are now being operated by the Red Cross throughout the frontier portions of the dominion, Dr. Routley paid tribute to the magnificent services of the nurses in those institutions and referred to the need for healthy education of school children through the Junior Red Cross or other agency because "the production of a health conscience in every child in Canada would go a long way toward wiping out the worst of our preventable diseases."

"The nursing service should never be confined to hospitals" said Dr. Routley in conclusion. "It ought to penetrate the whole community and if it be at all possible such small emergency hospitals or health centres ought to exist in every settlement so that the necessary health education might be within reach of all our people."

The time of the year to swat the fly is now. A little cleaning at this season will do much to prevent a plentiful supply of flies a little later.

Eradication of possible breeding places for flies now will be much easier than to kill the crop when it appears a few weeks hence. To that end all rubbish piles or other attractive spots for fly culture

should be destroyed or removed at this time.

A swat at the fly now means a whole lot toward his control at the height of his season. Stopping the fly before he gets started is a good method to pursue in handling him. A sharp offensive against him is the best defense against him.

Destroy his potential breeding places now and insure against his flourish a little later. Look about your premises and see what you can do to stop him before he gets the jump on you.

The diaphragm beats a tattoo on the stomach when you laugh. Every time you let go a hearty laugh this diaphragm pops up and down on your liver, and helps to drive away the very thing that gives you the blues--bilibiousness.

Laughter is the best brand of pills on earth. Laughter strikes in when it comes from without, and instantly comes to the surface when it starts from within.

Laughter penetrates. You may laugh because you are happy, and you may be happy because you laugh. It is the one thing where the cause is the effect and the effect is the cause. Any man can be a millionaire of good cheer.

Sulphides From Britannia Tailings Find Market

An interesting development has been worked out by the Britannia Mining & Smelting Co., a subsidiary of the Howe sound company. The Britannia ore contains considerable pyrite and pyrrhotite, which until lately has been allowed to flow away with the tailings. Recently an addition was made to the mill to allow a separation, or partial separation, to be made of the iron sulphides from the earthy minerals in the tailings. The company now is selling about 4,000 tons of iron sulphides per month to pulp and paper manufacturers, who are using it in place of native sulphur, and who are said to be making a considerable saving thereby.

Trying to avoid trouble will keep any man busy.

BRITISH COLUMBIA

The Mineral Province of Western Canada

Has produced Minerals as follows: Placer Gold, \$77,663,045; Lode Gold, \$122,808,459; Silver, \$74,111,397; Lead, \$89,218,907; Copper, \$197,642,647; Zinc, \$39,925,947; Miscellaneous Minerals, \$1,594,387 Coal and Coke, \$273,048,953; Building Stone, Brick, Cement, etc., \$44,905,886; making its mineral production to the end of 1925, show an

Aggregate Value of \$920,919,628

The substantial progress of the Mining industry of this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive \$94,547,241; for five years, 1896-1900, \$57,607,967; for five years, 1901-1905, \$96,507,968; for five years, 1906-1910, \$125,534,474; for five years, 1911-1915, \$142,072,603; for five years, 1916-1920, \$189,922,725; 1921, \$28,066,641; for the year 1922, \$35,158,843; for 1923, \$41,304,320; for 1924, \$48,704,604, and for 1925, \$61,492,242.

Production Last Ten Years, \$404,649,375

Lode mining has only been in progress for about 25 years, and only about one-half of the Province has been even prospected; 200,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Practically all British Columbia Mineral Properties upon which development work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B. C. Reports covering each of the six mineral Survey Districts are published separately, and are available on application. Reports of the Geological Survey of Canada, Winch Building, Vancouver, are recommended as valuable sources of information.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing

THE HON. THE MINISTER OF MINES, VICTORIA, British Columbia

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

Anyox & Alice Arm

Concentrating Mills Are Springing Up Everywhere

Several new mills in connection with mining properties will be in operation this year. The Dunwell mill started a few weeks ago, while another mill for Portland Canal district is that planned for the Independence. There has been talk of a mill for the big Missouri, but this has been spoken of for a long time, with nothing happening.

On the Coronation gold mine, Bridge River, a new Denver mill has been working for about two months. Near by is the Lorne mine, for which a Denver mill has been ordered. The Pioneer is also to have a 100-ton mill which will be in operation this year.

A mill well under way is that of the Torio Mines, Alice Arm district which will be in operation about the middle of the season. An ample supply of ore is ready.

At the Duthie Mines near Smithers, a mill of 50 tons capacity will be built. This property is showing up remarkably well, each succeeding discovery of ore being better than any previous.

The Whitewater, Slocan district which has been making good progress since reorganization a year or two ago, will have a mill of 150 tons.

The Galena Syndicate, operating the Ruth mine, near Golden, is getting ore ready for a mill of 50 tons.

The Monarch, near Field operated by A. B. Trites, Vancouver, may have a mill this year.

In addition to these, there are the extensive augmentations of the Granby Company to 3,000 tons a day; Premier, to 400 tons a day; Consolidated at Kimberly to 4,000 tons a day, besides increase of the capacity of its customs concentrator and building the new mill at Moyie, at the St. Eugene mine.

MINERAL ACT (Form F)

CERTIFICATE OF IMPROVEMENTS

NOTICE

"Silver Cord" and "Silver Cord No. 2" Mineral Claims, situate in the Naas River Mining Division of Cassiar District.

Where located:—on the North-east Fork of Kitsault River, about seven miles from Alice Arm.

TAKE NOTICE that I, A. McGuire, agent for Kitsault-Eagle Silver Mines Ltd. (N.P.L.), Free Miner's Certificate No. 1546-D, intend sixty days from the date hereof, to apply to the Mining Recorder for a Certificate of Improvements for the purpose of obtaining a Crown Grant of the above claims.

And further take notice that action, under section 85, must be commenced before the issuance of such Certificate of Improvements.

Dated this 29th. day of April, A.D. 1927.

A. McGUIRE, Agent.

Ladysmith Smelter Securing Contracts

Ore contracts are being made with mining companies on the coast by the British Metals Corporation which has undertaken the financing of the smelter at Ladysmith project under Herbert Carmichael and H. B. Thomson. Dunwell has already been signed up and negotiations are pending with Malaspina and other properties. Processes to treat these ores are expected to be placed in six months.

Premier Oliver Denies All Election Rumors

Premier Oliver emphatically denied the report that the dissolution of the legislature was set for between July 1 and 15. He declared "there is no foundation for the rumor." The Premier said that the members of the government were too busy with royal commissions to have time to consider any election.

Canada Outstrips U.S.A. In Wheat Shipments

Canada is exporting four times as much wheat to other countries annually as the United States, according to a report compiled by the department of trade and commerce. "Wheat shipments from the Dominion amounted to 275,464,100 bushels in the 12 months ending August 1, 1926," says the report, "while those of the United States reached only 74,249,000 bushels."

Canadian National European Tours

A maximum of travel through particularly interesting countries at a minimum of expense is provided in the Canadian National Educational Tours this summer through Scotland, England, France, Belgium, Switzerland and Italy.

Two tours have been arranged and sailing will be made from Montreal, July 8th, on the S. S. "Andania", direct to Glasgow. Very careful attention has been given to itineraries involved.

Tour No. 1 is a 37 day trip on sea and land, visiting important cities in Scotland, England, France, Belgium, Switzerland. All expenses, \$372.50, Montreal to Great Britain and the Continent and return to Montreal.

Tour No. 2 is a 51-day trip on sea and land, visiting in Scotland, England, France, Belgium, Switzerland and Italy. All expenses, \$501.00, Montreal to Great Britain and the Continent and return to Montreal.

There will be low excursion fares to the seaboard from points in British Columbia.

These tours will be personally conducted from Western Canada, and while overseas will be under the direct care and supervision of thoroughly responsible and reliable organization, fully qualified in every particular to successfully look after the interests of our patrons.

The sight-seeing programme is very complete and generous. Motor coaches and automobiles are freely used. All sight-seeing is well planned to save unnecessary fatigue and to see the worth while places within the time at our disposal. Competent lectures will reveal to our patrons the outstanding features, literary, historic, artistic, or scenic of the Old World centres visited.

Father (lecturing son)—Don't you want to grow up a good man? Freddie—I don't mind being a good man after I'm grown up, but I want some fun while I'm growing up.

LAND ACT

NOTICE OF INTENTION TO APPLY TO LEASE LAND

In Prince Rupert Land District, Recording District, District of Cassiar and situate and being part of the foreshore in front of Kshwan Indian Reserve No. 27 on the West Bank of Kshwan River, Hastings Arm.

Take notice that William P. Armour, of Prince Rupert, B. C., occupation, contractor, intends to apply for permission to lease the following described lands:—

Commencing at a post planted about 20 chains easterly from the S.W. corner of Kshwan Indian Reserve No. 27 and being on High Water Mark; thence South to Low Water Mark; thence easterly along Low Water Mark to the West Bank of the main Branch of Kshwan River; thence Northerly along the West Bank of Kshwan River to High Water Mark; thence Westerly along High Water Mark to point of commencement; and containing 160 acres more or less.

WILLIAM P. ARMOUR,
Applicant.

Dated March 6th. 1927.

PROVINCIAL ELECTIONS ACT

ATLIN ELECTORAL DISTRICT

NOTICE is hereby given that I shall, on Monday, the 16th. day of May, 1927, at the hour of 10 o'clock in the forenoon, at the Court House, Anyox, hold a sitting of the Court of Revision for the purpose of revising the list of voters for the said electoral district, and of hearing and determining any and all objections to the retention of any name on the said list, or to the registration as a voter of any applicant for registration; and for other purposes set forth in the "Provincial Elections Act."

AND further take notice that on Tuesday, the 17th. day of May, 1927, at the hour of ten o'clock in the forenoon, at the Court House, Atlin, an adjourned sitting of the said Court of Revision for the like purpose will be held.

Dated at Anyox, B. C. this 7th. day of April, 1927.

R. M. McGUSTY,
Registrar of Voters,
Atlin Electoral District.

Alice Arm Notes

Continued from Page 1

W. A. Talbot, district mining engineer, arrived from Anyox on Thursday.

Chas. Lindquist, a former resident of the camp, arrived on Monday from Stewart and is on the staff of the Welcome Hotel.

T. G. Garrett and J. Hockin, commercial travellers, were arrivals in town on Thursday.

Mrs. M. J. Sheen will be home on Tuesday May 10th. 3 to 6 p.m.

Mrs. Burke was a passenger to Prince Rupert on Thursday.

Mr. and Mrs. W. H. K. Russell of the Mine left on Thursday for Vancouver.

Miss D. Ward daughter of Mr. and Mrs. H. Ward, was a passenger on Thursday to Victoria.

Chief Constable W. Spiller of the Provincial Police at Prince Rupert, spent Thursday in town.

L. Castino was a passenger to Powell River on Thursday.

W. M. H. Rolston of Stewart the well known insurance agent arrived in Anyox on Thursday and plans to spend some time here, and also visit Alice Arm.

Mr. Art Sinclair was a passenger on Monday's boat. Since is leaving Anyox for good this time and is going back to the Yukon once more. He will no doubt be greatly missed by a host of friends. Hogan's Alley will also miss him greatly.

Fred Sutherland, who has for several years been janitor at the schools left on Thursday for Victoria. He has been a resident of Anyox for the past ten years, and his many friends were sorry to see him depart. He plans to reside permanently in Victoria.

Mr. and Mrs. C. McKenna and child were southbound passengers on Thursday, Mrs. McKenna will visit her mother in Scotland, who is seriously ill, and Mr. McKenna will return at an early date. Mrs. McKenna planned a trip home this summer, but a telegram announcing the illness of her mother hastened her departure.

Alice Arm Lots

Now is the Time to Buy

Alice Arm will very soon become a mining town of considerable importance. The mining industry is undoubtedly on the eve of big developments, which means a big payroll and a much larger town. Increased activity will result in placing good residential and business lots at a premium. At the present lots can be secured at attractive prices and on easy terms

BUSINESS LOTS FROM \$200 TO \$500

RESIDENTIAL LOTS FROM \$200 TO \$300

Terms made to suit buyers. See Stephen Dumas, our agent, and build where you don't have to move.
