## Anyox Rovers Hold Christmas Banquet And Party

On Wednesday evening December 20th. the Rovers had their annual Christmas Dinner. At seven o'clock all the Rovers met in the Den and when all were present, the ration party was detailed to visit the homes of Rovers Loudon, Teabo, Kirby, Watson, Pinckney, where the necessary cooking had been done. Shortly after the return of the rations, the tables were groaning with deliciously cooked turkey and all the necessary good things that go to make an excellent dinner.

Many thanks are due to the Mothers of the above named Rovers for their kind assistance with the cooking. After all had partaken of as much as possible, Rover MacCarthy in a few well chosen words presented "Chief" R. O. Cutler and assistant "Chief" J. Taylor with silk scarves as a small token of appreciation. Rover Mate Kirby presented Senior Rover Mate Teabo and Mr. D. Evans, the coach of the Rover Basketball team, a beautiful tie in appreciation of the work they had done for the Rovers. Guests of the evening were Mr. H. Bamforth, Cubmaster, and an old Rover, Rover D. Miller, Mr. D. Evans.

It was a good thing that the Gym. was well built, for when the Rovers joined in a sing-song the hall reverberated to the sound of lusty voices.

A very pleasant surprise was produced when Scoutmaster R. Gale announced that he would like to say a few words and had a Victrola rolled in as a gift from Mrs. Gale, himself and the Scouts. Needless to say it was royally received. Chief Cutler received the gift on behalf of the Rovers with suitable words of thanks.

The Rovers had assisted the Scouts in preparing and re-conditioning the toys for the Scout Toy Shop and information was received that some seventy-five children in Vanderhoof were in need. As all the toys had been sent out, it was voted to send \$25.00 to Vanderhoof to help in some small way to give Christmas cheer for those children. Everybody voted the evening a huge success and are already looking forward to a bigger and better one next year.

In our recent report of the election of officers for the Anyox Branch of the Canadian Legion, we failed to mention that Mr. Frank Henderson was elected secretary for the coming year. The secretary deserves special mention, instead of omission, for on him devolves 90 per cent. of the work of the organization.

## Olof Hanson and Party Visits District

A party of business and professional men from Prince Rupert paid a visit to Alice Arm and Anyox on Sunday. They arrived at Alice Arm shortly after noon from Stewart and left after a few hours visit, for Anyox.

Included in the party was Mr. Olof Hanson, M. P. for Skeena. Mr. Hanson was paying his yearly visit to his constituents, in order to acquaint himself with their problems, so that he could deal with them intelligently, when it is necessary for him to bring any matter to the attention of the government at Ottawa. Mr. Hanson stated that he would be leaving shortly for Ottawa to attend the coming parliamentary session and would probably be away 8 or 9 months. He expressed his willingness to serve the interest of his constituents whenever the necessity arose, and any matter brought to his notice would receive his immediate attention.

Others in the party were: Capt. J. S. Wilson, zone representative of the Canadian Legion and geographical representative for Northern B. C. and a member of the Canadian Teachers' Association; H. F. Pullen, managing editor of Prince Rupert Daily News; W. O. Fulton, lawyer; Bert Glassey, manufacturer's agent; A. Brooksbank, secretary-treasurer of the Prince Rupert Chamber of Commerce. Capt. Wilson's visit was chiefly in connection with Canadian Legion matters.

They made the trip on the launch Margaret I. They had intended to stay longer at Alice Arm and Anyox but the boat ran aground shortly after leaving Stewart and several hours were lost, until the high tide floated them off.

W. Mitchell and Miss Evelyn Mitchell left on Wednesday for a visit to Vancouver.

## Carnival Dance At Mine Was Gay Affair

Costumes that would have done credit to a large city gave beauty and color to the Carnival Dance which was held at the Mine on Monday the 18th. under the auspices of the Mine Branch of the A. C. L. Many surprisingly clever and original ideas were evident among the numerous character costumes, and the whole presented a picture which will not soon be forgotten.

The prize for the best dressed lady went to Mrs. A. Jackson, who was dressed as a Spanish lady, and that for the best dressed gentleman went to Mr. C. Black, who appeared as a Spaniard. Miss C. Desjardines, as a Hawaiian, secured first prize for the most original lady, and Mr. R. Kelly, as McDonald's "Nightcap," secured the gentlemen's prize.

Splendid music was supplied for the dancing by the Revellers Orchestra, who were continually called upon for encores. During the supper intermission an orchestra composed of Mr. Rhead, Mr. Woodman and Mr. J. Pinckney kindly furnished the music. A most enjoyable buffet supper was served and the evening was in every way a great success. Credit is due the energetic committee of the Mine Branch A. C. L. for their enterprise.

## Local Air Pilot Fails To Locate Raft of Lumber

Jack McConnachie, in his Eastman seaplane along with Paul Armour, of the Pacific Salvage Company, Prince Rupert, made an adventurous search for a Davis raft containing over a million feet of lumber, which had broken apart in a ninety-mile gale along this coast, but without result. The raft was being towed to Powell River from Moresby Island.

McConnachie started off from Prince Rupert on Wednesday the 13th. Not knowing the whereabouts of the raft they cruised along the coast and round about several islands, then over to Queen Charlotte Islands to Rose Spit and down the east coast as far as Tlell, back from there to Stevens' Island, down Banks Island and round Bunilla Island to Princess Royal and back to Prince Rupert.

McConnachie then arranged to go out on Friday with Dr. J. T. Mandy to the west coast of the Queen Charlotte Islands, but was stopped by fog and snow after about an hour's flying.

## Steamer Prince George Runs On Rocks Near Anyox

The Canadian National steamship Prince George struck a rock near Askew Point when coming into the harbor at Anyox on Wednesday night at 10.30 p.m. Plates were stove in by the impact and although the fore part of the ship was flooded and down in the water she managed to arrive at Anyox at 5.30 on Thursday morning under her own steam.

The ship struck at low tide, and the 18 passengers on board were transferred to lifeboats and taken to Anyox. The wireless apparatus was wrecked so that no word could be sent from the ship. She hung on the rock for 5 hours before floating off. Capt. McLean was in command of the Prince George.

In reply to wireless messages the Prince John arrived at Anyox on Thursday. She carried a salvage crew from Prince Rupert, and left at 4 p.m. with the outgoing mail from Anyox. Divers are busy patching the plates on the Prince George and when finished she will proceed to Prince Rupert for full repairs.

The Granby Company's launch Granby, took the Stewart passengers to that town. She left at 5 a. m. on Friday morning. Among the Stewart passengers were. Wm. Crawford and James Asselstine, who were both going home for the holidays.

The Anyox mail and freight was not damaged by water.

Among the Anyox passengers on the wrecked vessel were Miss Barbara Lee and Miss Emily Nelson, both of whom are studying in Vancouver and were coming home for Christmas holidays.

James Anderson was also a passenger from Vancouver.

**Christmas Is Here Again**

One more day and Christmas will be here again. Christmas with all its feasting and merry making; its handshakes and exchanges of goodwill; the opening of presents and the reading of Christmas cards and letters. What a lot is crowded into this one great festive day. Despite depressed trade conditions throughout the world, Anyox and Alice Arm will celebrate Christmas in the usual traditional manner, for the hand of adversity has dealt lightly with us during the past four years in comparison with some other districts, and while some of us may not be as prosperous as a few years ago, there is no abject poverty in our midst. We therefore have a lot to be thankful for and everyone will celebrate Christmas to the utmost of their ability, and we feel sure that all will spend an enjoyable day on Monday next.

**Christmas Is Ancient Festival**

Although Christmas Day is the anniversary of the birth of Jesus Christ, a Yuletide festival was observed by the Scandinavian people long before the Christian era. Yule was the name of two months, December and January. The meaning of the word was noise and clamor and the celebration took place when the days began to lengthen. The ancient Britons also held a big festival near December 25th. long before Introduction of Christianity, and the early Christian Church incorporated the festival into the new religion to commemorate the birth of Christ. How many thousands of years a festival has been held by our ancestors at this time of the year is hard to tell, but time has not dimmed the enthusiasm and today it is celebrated as joyfully as it was during the days of Christianity and by our hearty forebears in the dark and distant ages, and we hope our readers will enjoy a Merry Christmas in this year of 1933.

**Premier Co. Options Mine Down The Coast**

Alexandria mine at Phillips Arm, 120 miles up the coast from Vancouver, has been optioned by the Premier Gold Mining Co. and men are at present at work on the property getting it in shape for further development.

The Alexandria has been held for years by a group of British Columbians, principal of which is C. H. Dickie of Duncan. An eastern company worked it for a time four or five years ago, under the superintendency of Thomas Davey and Graham Mines took a look at it a couple of years ago. During recent months Grant Mahood's Toronto companies were interested and secured an option but no work was done.

The success of the Enid-Julie mine is said to be the reason for Premier entering the Phillips Arm area. Enid-Julie is just above the Alexandria.

**Canadian Copper Output Higher This Year**

**Consolidated Co. Resumes Dividend Payments**

The statement issued said: "A preliminary estimate indicated profits for the current year will provide a surplus of about \$1,000,000, after providing for depletion and depreciation, compared with a deficit last year of \$265,371 before depletion and depreciation."

Hon. John Hart, Minister of Finance, has also been appointed Minister of Industries. He will undertake the dual portfolio immediately.

Recent shipment was made of 3,500 tons of copper concentrates by Britannia Mining & Smelting Company to Port du Bouc, near Marseilles.

# The Letter to Santa Claus

**M**y mamma said for me to write To dear old Santa Claus tonight; So I have told him, best I could, That I have been so very good— And as he's sure to come our way, A call on me I know he'll pay; I'd like a doll a cart and horn, And all the joys of Christmas morn.

## Warriors Spooks And Bon Cons Win On Friday

Three hoop games were played on Friday the 15th, this being probably the last of the basketball games for this year owing to the number of functions taking place in the Gymnasium during the festive season. Pirates gave a good exhibition against the Warriors, the latter scoring 27 points against 19. Scott shone brightly for the losers, playing a clever and resourceful game. The Warriors have a fine combination, their short quick passing being most effective. Good checking featured the game on both sides. The teams: Pirates: B. Parsons, A. Deeth 1, D. McDonald, Scott 12, K. Falconer 2, Geo. Kent 4. Warriors: Hill 4, Dan McDonald 3, Dominado 8, Harrison 10, O'Neill 2.

Although the game between the Spooks and the Aces was a little one sided, the younger quintette gave the Spooks plenty to do, checking very effectively. The Spooks won 27-13, with K. Eve as top scorer. Nelly Salmon played a stellar game for the Aces, being right in the thick of it all the time and notching 11 points. The teams: Aces, D. Taylor, N. Wenerstrom, D. Rogers 2, J. Pinckney, N. Salmon 11. Spooks: Mrs. Phillip 4, M. Dresser 4, L. Dresser 3, K. Eve 13, M. Cloke 3.

A fast game was witnessed between the Bon Cons and Trojans, the former winning 32-19. Trojans were minus F. Dodsworth and F. Gordon was absent until after the breather. Close checking at both ends kept the scoring down, and it was not until well into the second half that the Bon Cons piled up their majority. S. Steele played a great game for the millmen, coming to light with his old time net finding ability and notching 15 points. Currie and Horton Jack were good for the winners. McDonald and H. Dresser did fine work for the losers, who were unlucky in points scored in proportion to shots. The team Trojans: McDonald 3, Dresser 7, Shields, Gillies 5, Cloke 4, F. Gordon. Bon Cons: Hill 2, McLeod 1, Currie 7, Horton Jack 7, Steele 15.

During the past two weeks exceptionally cold weather has prevailed throughout this district. The thermometer has on several
