Much Business Transacted at I. O. D. E. Meeting

At the regular monthly meeting of the Collison of Kincolith Chapter, I. O. D. E., held on Thursday, June 2nd, several important matters were dealt with.

A special canvass is being made for shoes and clothes, to send to the unemployed at Stewart. This is in response to an urgent appeal from that town. The milk bottles which were put out in Anyox, some time ago for the collection of odd sums, have already yielded the sum of \$14.75. This will be made up to \$20.00 by the I. O. D. E. for relief purposes at Stewart.

As Mrs. Bushfield, the Publicity Secretary, is leaving the district, Miss K. Eve was appointed in her place. Mrs. Bushfield received the sincere thanks of the members for her capable services.

A committee was appointed to cooperate with the town's committee, for the reception and entertainment, of the officers and men of the Flagship "Delhi", which will visit Anyox August 29th.

Details were received regarding the competition held annually by the National Council of the I. O. D. E. for the best design for a Christmas Greeting Card for the Order. This competition is open to everyone. The prizes are: First, \$85.00, second, \$50.00, third, \$25.00. The competition closes November 1st, and the complete rules may be seen in the Anyox Library.

Mrs. W. F. Eve, the convener for the Sale of Work and Home Cooking which was held on Empire Day, reported that the sum of \$98.70 had been realized. This would be spent on relief and welfare work. The special thanks of the committee are extended to all those volunteer workers who gave their time and labor towards the cause. Those in charge of the various stalls at the Sale, were: Candy, Mrs. Learoyd; Novelty, Mrs. Cody and Mrs. Cloke; Home Cooking, Mrs. McRae, Mrs. S. D. Murray, Mrs. J. Wynne. The kitchen and Tea Room were taken care of by Mrs. Kirby, Mrs. J. Smith Mrs. Cundill, Mrs. Varnes and Mrs. Kydd.

The sale of Roses on "Rose Day" July 1st, will as usual be taken care of by the I. O. D. E.

CARD OF THANKS

Mr. George Fowler, who was injured some time ago at the Concentrating Mill, wishes to convey his thanks to the members of the I. O. D. E. and also other friends, for the kindnesses extended to him while he was an inmate of the hospital.

Funeral Of Late Patrick Clune Was Held On Sunday

The funeral of the late Patrick Clune, who died at Anyox General Hospital on Monday May 30th was held at Alice Arm on Sunday afternoon last.

Funeral arrangements were carried out by Anyox Lodge No 47, B. P. O. Elks, of whom the deceased was a member. The body was conveyed from Anyox on Sunday morning, accompanied by twenty six members of the Elks' Lodge, and other friends of the deceased.

The body was conveyed to the Anglican Church shortly before noon and at two o'clock was taken to the cemetery. The service at the grave was conducted by Brother C. Harman, chaplain of Anyox Lodge. A large number of friends of deceased attended the service in order to pay their last respects.

The coffin was covered with many beautiful floral tributes. Those contributing were: Anyox Lodge No. 47. B. P. O. Elks, Mr. and Mrs. O. Evindsen, Alma and Ronald, Mr. R. L. Healy, Mr. and Mrs. G. Anderson, Mr. and Mrs. J. Calfa, Mr. and Mrs. H. F. Kergin, Mr. and Mrs. E. Moss, Mr. and Mrs. E. Peterson, Mr. and Mrs. T. Kostoft, Mr. and Mrs. C. Ripley, Mr. and Mrs. B. Turbitt, Messrs. H. Fowler, M. Peterson, Harry Smith, C. M. Smith.

The Elks' Lodge wish to take this opportunity of extending thanks to all those who donated floral tributes.

Why Not Visit Alice Arm This Summer?

A recent Anyox visitor to Alice Arm thus gives his impressions: Rich green foliage and a rare fragrance. Calmness and peace. No wheels or whistles, dust or dirt, booms or blasts. No bare hillsides or barren land. So, he says, Why not Alice Arm for your holiday this year? It is only 17 miles distant, and its nearness is easy on the pocket book. You can rent a cottage or live at an hotel. Its people are the real human kind—friendly, helpful, sociable. There are many recreations. Resolve to visit Alice Arm this year.

Guard Against Fire! Be Careful!

A serious fire at Anyox at the present time would be a disaster we do not like to contemplate. Everyone should guard against the danger of fire. Be sure all matches are broken, and be especially careful with cigarettes. Everyone should use the utmost care through the coming dry weather.

Anyox Golf Club Notes Regarding Recent Tournaments

On Sunday, June 5th, the Anyox Golf Club held a tournament between teams representing the Captain and Vic-captain, the latter team proving the winner. On this team James Murdoch was the low medallist with a score of 69. The second prize was divided between Sid Peters and W. J. (Sparky) Johnston, each with a net of 73.

On the Captain's team, Jack Grigg was the winner with a net of 76, W. Henderson being second with 77.

Weather conditions were altogether unfavorable for match golf last Friday, so that the tournament arranged by the Ladies' Club had to be cancelled. This club is just commencing a series of two-ball four-some matches for prizes which will be presented by the president of the Club, Mrs. George Lee, and the Vice-president, Mrs. D. R. Learoyd.

In the play-off for the Lovested Cup for the month of May, for which Harry Cathro and D. McKenzie were tied, the latter proved the winner, thus holding the cup for the month.

The Sun Life Golf Cup was won by Mrs. Wenerstrom for the month of May, with Miss F. Dresser as runner-up.

Fatal Accident At Bonanza Mine

A fatal accident occurred at the Bonanza Mine about 2 o'clock on the afternoon of June 7th, when Iso Hajdukovieh was killed while following his regular occupation. Deceased was prying away some ore from a chute, when the heavy iron bar he was using was struck by a piece of rock, causing his death. He was a Serbian, 25 years of age, and has an uncle at the Hidden Creek Mine.

The inquest was held on Thursday, when a verdict of accidental death was returned.

A. H. Lewis Receives Minor Head Injuries

Mr. A. H. Lewis, the popular dam-tender at No 1 Dam, injured his head on Tuesday last while engaged in his regular duties. He fell on some rock, sustaining cuts on his head. The injuries, which were not serious, were attended to at the hospital, and Mr. Lewis was about shortly after.

Peter Zincovich accompanied by his mother, left on Wednesday for a round trip to Prince Rupert, Regina, Winnipeg and Vancouver. They will be absent about two months.

Mine Team Winners Of Ladies' Baseball Game

On Wednesday last a Ladies' Baseball game was played, between the Beach and Mine teams, the latter winning by a score of 24 to 13. The game was sponsored by the Ladies Aids of the United Church, and a good number of people turned out to view the proceedings.

The game was a lively one, full of incidents and surprises, and the scorekeeper, Dick Manning, was kept busy recording the happenings.

Excellent pitching was done by Miss G. McKenzie, for the Beach, and Miss E. Nelson for the Mine, yet in spite of this there was a considerable amount of gambolling round the bases. Home runs were scored by Mrs. Docherty for the Beach and Mrs Phillips for the Mine both these players starring for their respective sides. Pat Loudon and Mrs Phillips were the efficient catchers. In one innings the Mine made eight runs, indicating their batting ability.

The teams were: Beach, Pat Loudon, G. McKenzie, Mrs Wenerstrom Mrs. Carrick, P. Bushfield, M. Cloke, A. Krusick, Mrs. C. Docherty, F. Dodsworth, M. Shields, and Mrs. Musser. Mine: Mrs. Phillips, E. Nelson, J. Roberts, C. Desjardins, H. Calderoni, Dora Peterson Mrs. K. O. Peterson, A. Truax, Mrs. Jeffs, B. Watson.

League Council Hold Regular Meeting

The Council of the Community League met on June 25th. Messrs. Allan, Johnson, Kirby, Cleal and Field being present.

A telegram had been received from Ketchikan Baseball Club suggesting, an inter-town series of games. It was decided to invite the Ketchikan Club to visit Anyox and play games on June 30th. and July 1st.

As the I. O. D. E. do not now wish to reserve the date of July 1st. for an annual dance, the Community League will hold a dance, on that date, in the Gymnasium. Further particulars will be announced later.

Herald Will Be Published On Friday During Summer

Commencing next week the Herald will be published on Friday during the summer months. The change is necessary on account of the changing of the boat schedules. The Herald will reach Anyox on Friday afternoons, instead of Saturday morning.

Celts Defeat Rangers In Fast and Open Game

On Tuesday, June 7th, before a fair crowd of fans, the Celts defeated the Rangers by a score of 5-1. The evening was fine and the game was well worth watching.

There was some clever football and excellent passing by both sides. The Rangers, which numbers several junior players, played well, the youngsters standing up pluckily to their more experienced opponents. Their goalie, Frank Mikeli, though new to the game, is by no means a novice. Always cool and collected, he stopped several fast shots from close in, and at once became a favorite with the fans. All the goals scored were from rushes or mix-ups which gave him no chance to save.

Jack Buntain scored three for the winners, and Steve Peel and Horner one each, Four of these goals were scored in that number of minutes, towards the end of the second half.

Just before the close, Freddy Calderoni, the Rangers' youngest player, notched one from close in. The game was capably handled by Jack Evans.

Alice Arm Notes

Miss Nettie Thomson, Mrs. Alex. Rigby and Mrs. J. Turnbull arrived from Anyox last week and are spending two weeks' holiday here.

P. Petersen and Ed. Peterson left on Wednesday for Atlin where they will engage in placer mining. They will join Leo Paulcer and Charlie Lee who have secured a lease on Volcanic Creek.

S. Fraser returned home on Tuesday from a visit to his ranch in the Naas Valley. He hiked across the hills over the government telegraph trail.

Born to Mr. and Mrs. H. Butler of Aiyansh, at the Prince Rupert General Hospital on Tuesday, June 7th, a daughter.

Zeppelin Seen Over Anyox On Wednesday Morning

About 8:45 a.m. on Wednesday a Zeppelin airship passed over Anyox, travelling in a westerly direction. Constable Brunton and his family had a clear view of it, and it was also seen by others. Enquiries as to its possible identity brought no information, so that at present its appearance is shrouded in mystery. It is surmised that it was the "Akron" which was due to visit Alaska this summer.

BIRTH AT ANYOX

Born to Mr. and Mrs. M. Majerle at the Anyox General Hospital, on Thursday, June 2nd, a daughter.

Mrs. J. Ciccone and sons Vernon and Eddie, returned to Prince Rupert on Wednesday.

While many districts throughout the province are considering the abandonment of fall exhibitions this year, due to financial difficulties, Alice Arm, with true pioneer spirit has unhesitatingly decided to go ahead and hold their second annual exhibition. In fact, the exhibition will probably be larger this year. This will be due to the invitation extended to Anyox gardeners to enter their produce for competition. That it has been decided to hold an exhibition this year is good news for the people of Alice Arm and Anyox. It is an incentive for everyone to take a greater interest in their gardens, and to compare their efforts with their neighbors. Just what amount and varieties of vegetables and flowers will be contributed by Anyox is a problem at the present time. Anyox gardens produced some first-class vegetables and flowers last year, and their exhibits may surprise the Alice Arm gardeners next fall.

Already this year Anyox district has had one bush fire of considerable proportions. Luckily no serious injury to property resulted, but it should be a warning to everyone to be very careful with fire both in the woods and around town. In the past Anyox has experienced some serious conflagrations, one of which seriously threatened to destroy the whole town. Every fire that has started at Anyox or in the vicinity has been traced to carelessness. A lighted cigarette butt, a burning match, etc. carelessly thrown away is capable of starting a fire that may lead to serious consequences. Due to the dry nature of the ground around Anyox, extreme caution is necessary during the next few months if fires are to be avoided. Be careful at all times. If you are picnicing in the woods be sure your fire is out before you leave. If a fire is started during one of the hot dry summer spells it may extend for miles and cause untold property loss.

Our decision to reduce the subscription rate of the Herald to \$2.00 a year, is, as we anticipated proving very popular. Already new subscriptions are coming in and renewals are being paid. It is our ambition during the next few months to increase the circulation of the Herald to a point that it is read regularly each week by every one in both Anyox and Alice Arm. The efficiency of a newspaper depends entirely upon the number of subscribers. The

Mine Defeat Celts In Excellent Football Game

The third game of the Football League was played on June 2nd, between the Celts and the Mine, the latter winning by 1-0. There was only a handful of spectators, on account of the miserable weather prevailing. Lowering clouds and a strong wind which blew diagonally across the field made accurate kicking difficult. Despite all this, however, the teams put up an excellent game.

Open play, good passing, and some nice shooting, characterized the game. The Mine had a strong nicely-balanced team which combined well. Their defence was sound, and their forward line very aggressive. Tony Yglasias, left winger for the Mine, scored the only tally of the game, with a nice shot which was deflected off the head of a player and thus beat the waiting goalie. Tony played a fine game throughout. Morrison played well at centre, as also did Dyer and Joe Veriera. For the losers J. Elliott and H. Johnston were fully reliable at back. The forwards were untiring, but could not pass the stonewall defence of the Mine. Lockie Gillies sent in a nice one on his own which just topped the bar.

Such a game gives promise of some worth-while tussles later on. Bob McMillan was the reliable referee.

Facts About The A. C. L. Mine Tennis Club

The A. C. L. Mine Tennis Club has 30 members. Mr. A. Milne is the President, and E. Moore the Secretary-Treasurer. R. L. Shewan, Glen Owen, and Norman Roberts constitute the committee.

The season was opened with an "American" tournament, in which every member plays every other member. Over fifty per cent of these games have been played. Ladder games have also been commenced, and everything points to an interesting and successful season

larger the number the better the paper. Every subscription helps to increase the efficiency.

Mrs. J. Dunn Gives Report United Church Conference

At the evening service of the United church on Sunday, June 5th, the regular sermon was suspended in favor of Mrs. James Dunn, who gave a report on the Eighth Annual British Columbia Conference of the United Church of Canada.

Mrs. Dunn was the delegate from Anyox, being appointed as such at the Annual Meeting of the church held in January. Mrs. Dunn gave a full and comprehensive report of the various doings of the Conference and her account of the work being done, was a real inspiration.

Many stirring and intensely practical addresses were given at the Conference by prominent Council officials and attending ministers, and particularly by Rev. Hugh Dobson, D. D., and the Rev. D. N. MacLachlan, D. D. both of Toronto. The Rev. Peter Bryce gave an inspiring address on Missionary and Maintenance work, he being the secretary of that branch. Mrs. Dunn brought back to her fellow-members in the church a message of hope and encouragement for the future.

MINING IN BRITISH COLUMBIA

In 1930, among the Canadian Provinces, British Columbia was the leading producer of Silver, Lead and Zinc.

In this Province, 45 per cent. of Canada's silver, 97 per cent. of the lead, and 93 per cent of the zinc were produced.

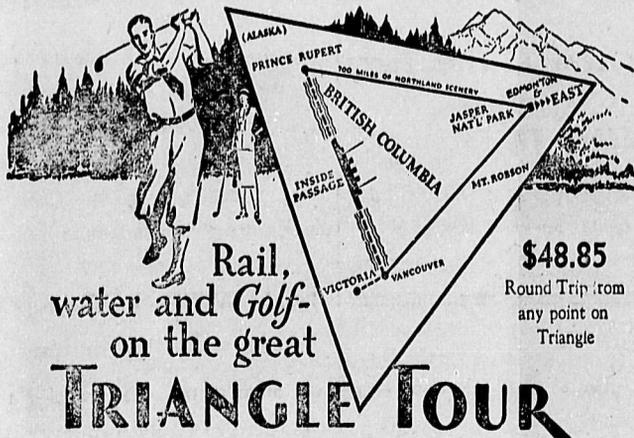

British Columbia has produced over \$1,260,000,000 worth of mineral products.

About 200,000 square miles of unexplored mineral bearing lands are open for prospecting.

Practically every mineral known to be found on the Continent occurs to some extent in British Columbia

A special report on placer mining in British Columbia is available, and may be obtained, together with copies of the Annual Reports and Bulletins (one of which contains a synopsis of the mining laws) upon application to

Copper Tariff In U. S. Likely To Prove Boomerang

Proposed tariff on copper of four cents per pound, approved by the U. S. congress will mean that U.S. consumers will have to pay more for their copper and at the same time U. S. producers may be faced with curtailed markets abroad, stated J. Y. Murdoch, president of Noranda Mines Ltd. in an eastern interview.

It is expected that the American action regarding copper will make this particular material an important subject for discussion at the forthcoming Imperial Conference at Ottawa. According to recent advice from Ottawa the prospect of a duty of four cents per pound on copper going into the United States, regarded as a prohibitive impost, has turned the attention of conference officials to the task of obtaining data which may make possible a more assured market for this metal.

Mr. Murdoch expressed the opinion that the only mines that would be affected by such a tariff would be the United States producers. "It is likely to mean," he stated, "that other countries will take some action to offset this high duty and will tend to shut American copper out from other large consuming countries." He went on to say that only about one third of the United States producers favored the tariff.

Regarding the reaction on Noranda, Mr. Murdoch said that he did not believe it would have any direct effect. "Since the first of the year Noranda has not been shipping copper to the United States.

What copper the company is selling is going to Europe," Mr. Murdoch stated.

Mr. Murdoch said that Noranda had been quite successful in introducing its new brand of copper, and that it had received a good reception in Britain, particularly in view of the fact that Noranda is a British Empire producer. He does not anticipate that his company will be unable to dispose of, at world market prices, all the copper it will produce.

Noranda has been building up a strong market for its red metal across the Atlantic, and, Mr. Murdoch stated, it will continue to find an outlet on the continent for its products. Noranda copper has been shipped to a considerable number of countries and, although a new brand, has received a truly gratifying reception, Mr. Murdoch stated.

As to the effect on the United States, Mr. Murdoch believes that the proposed tariff will mean that American consumers will have to pay more for their copper and at the same time may be faced with curtailed markets abroad.

Hidden Creek and Mine Tennis Clubs Play Tournament

A very interesting inter-club tournament was held between the Hidden Creek and the Mine Tennis Clubs on Sunday the 5th. at the Hidden Creek Court. Close play featured the Mixed Doubles event between the two clubs, nine sets being won by the Hidden Creek players and seven by those from the Mine. The outstanding players for the Mine were Mrs. N. Roberts and R. Shewan, and for the H. C. Club Mrs. Stretton and J. Gillies, deserved the honors. The home court took 76 games, as against 75 by the Mine.

In the Men's Doubles the Mine were outclassed, Steve Peel and Bud Gillies, winning all three sets 6-1, 6-2 6-5, against Norman Roberts and Glen Owen. The Hidden Creek members entertained their guests at a chicken dinner, held in the Beach Mess, and during the afternoon refreshments were served.

A return tournament will take place at the Mine in the second week of July.

The weather man has spoiled the ladder games somewhat at the A. C. L. Courts, though these are progressing, whenever opportunity presents itself.

Mr. and Mrs. Shields Go East To Attend Golden Wedding

On June 17th there will be celebrated in the town of Cobalt, Ontario, the golden wedding of Mr. and Mrs. J. Shields, the parents of Mr. Joseph Shields, of Anyox.

Mr. and Mrs. Shields Sr. who reside in Scotland, left their home on May 27th. in order to celebrate their golden wedding, among their sons and daughters in Canada. Three brothers and two sisters of Mr. Shields will be at the celebration. Two of these brothers reside in Detroit, one in Cobalt, and two sisters in that town. There are remaining in Scotland two brothers and three sisters, making a family of eleven.

Mr. and Mrs. Joe Shields left Anyox on Wednesday, amid the good wishes of many friends.

Mr. O. Evindsen Extends Thanks

Shortly before his death, the late Mr. Patrick Clune requested Mr. O. Evindsen of Alice Arm to make all arrangements necessary for his burial, and specially requested that he be buried at Alice Arm, under the auspices of the Elks' Lodge. His wishes were carried out and Mr. Evindsen desires to express his thanks and appreciation to the Elks' Lodge for the valuable assistance given him and also to many other friends who so willingly assisted.

Tennis Open Championship Tournaments In July

The second week in July will see the commencement of the Annual Open Championship Tournaments in Anyox. This date has been fixed early so that those contemplating holidays, may make their arrangements accordingly. There will be Ladies Singles, Men's Singles, Ladies Doubles, Men's Doubles, Mixed Doubles. There will also be Consolation Singles for both ladies and men for those who are eliminated in the first rounds. This latter series proved very popular with both sexes in last year's championship games.

Canadian Copper Exports for April

Copper in various forms in April was exported to the amount of 14,250,500 pounds, valued at \$842,811. In April, 1931, the amount was 3,957,500 pounds, valued at \$389,810, an illustration of the increase in quantity exports that is taking place in a number of lines and the decrease in values. The largest purchaser last month was United States, with \$518,907. Great Britain came second, with \$251,887. Some of the others were: Sweden, \$37,412; Italy, \$25,181; Norway, \$3,066; Germany, \$2,265; Japan, \$1,147; Holland, \$1,096; Belgium, \$648, according to the Dominion Bureau of Statistics.

"Children Of Dreams" Tonight, June 11th.

A Warner Bros. Picture by Oscar Hammerstein II and Sigmund Romberg

A supreme creation of America's favorite masters of melody and romance! Among the Romberg achievements are "Desert Song", "Blossom Time", "The Student Prince", and "Nina Rosa". Books and lyrics were done by Mr. Hammerstein for many hits, among them being "Rose Marie", "Show Boat", and "Sunny". These two collaborated on "Children of Dreams", it being their second offering, written exactly for the screen. It is the beautiful love story of a girl who has lived the life of a gypsy, wandering with her parents from orchard to orchard in California. Idyllic settings of orchards in bloom and at apple-picking time in New York and Italy wonderful songs and a musical setting of glamorous and haunting beauty. The lovers are Margaret Schilling and Paul Gregory, Broadway stage favorites. This picture is said to be more beautiful than "Viennese Nights". See it Saturday.

"The Modern Age" Tuesday, June 14th.

Joan Crawford, Monroe Owsley, Marjorie Rambeau, Neil Hamilton

In this Metro Goldwyn Mayer picture Joan Crawford returns to the "whoopie" type of role which made her famous, and which she temporarily deserted for the straight parts in "Paid", and "Dance, Fools Dance". The plot concerns an American girl who lives in Paris with a mother who is so ultra modern that she even has a secret love affair with a wealthy man about town. This affair brings disaster to the daughter, whose fiance refuses to marry a girl with so disreputable a mother. The means by which the complications are solved make for an extremely lively and up-to-date story. The picture is full of thrilling episodes of youthful exuberance, and a wide variety of luxurious settings and costumes. What should a girl do when she learns of her mother's mistakes? See the answer on Tuesday.
