Eminent Vocalists and Pianist To Visit Alberni.

Two concerts of the greatest interest to music lovers will be given in Whyte's Hall, Alberni, on the evenings of December 14th and 15th by Mr. and Mrs. Alfred A. Codd. assisted by Miss Irene Long, L.R.C.M.

The programme prepared by these eminent artistes for the first concert is one that is seldom heard outside of the largest cities, and of their ability to do justice to it there is no doubt.

The programme for the second evening is of a more popular nature, and many old favorites will be recognised. On the programme are some of the finest of the many splendid scotch songs.

Of Mrs. Codd, who combines with a soprano voice of the finest quality a most charming stage presence, the Winnipeg Telegram says: "Mrs. Alfred A. Codd has a voice of the finest quality, clear, true and in perfect control, volume sufficient for the heaviest solo work, an attractive stage presence and above all an intelligent comprehension of music that enables her to make the proper use of all her abilities." The Tribune of the same city pays the following tribute to her: "Mrs. Codd possesses a voice of great power and richness, beauty of the statuesque type and the rare power of throwing her whole heart into her song."

Mr. Codd's voice, which has been unstintingly praised by the musical critic wherever he has sung, is a big round resonent baritone, which is thoroughly under his control. His personality is so pleasing, his singing so imbued with temperament and artistic instinct that it must give great pleasure to everyone. Town Topics, of Winnipeg, says "Alfred A. Codd is our best basso—certainly he has the richest bass voice. There is a richness in it that melts in your ear—as it were."

Mr. and Mrs. Codd's voices blend beautifully in duets, of which a generous number are on the programme.

During the concert Mr. Codd will sing Sir Edward Elgar's great patriotic song "Land of Hope and Glory." Of Mr. Codd's singing of this song the Colonist has the following to say: "Of the soloists Mr. Codd achieved the conspicuous success, winning a spontaneous and double encore from the assemblage of many thousands."

Great things are expected of Miss Long, pianist. This young lady has been a student for some years at the Royal College of Music of London, of which King George is the patron, from which institution she lately graduated with the degree of L.R.C.M. Of her playing before the Ladies Musical Club of Victoria three weeks ago, the Colonist says: "In Miss Irene Long, L.R.C.M., Victoria heard a pianist of rare calibre. As an interpreter of Chopin, she would have rejoiced the ear of the great master himself. Her phrasing is faultless, her execution brilliant, and with an admirable technique she combines a poetry of treatment and a refinement of tone that is worthy of unstinted praise. Criticism would be captious of so unmistakably brilliant a pianist."

Messrs. Hicks & Lovick of Victoria, through their local agent Mr. Pineo, are arranging to supply a special piano for Miss Long.

As there will doubtless be a large audience at both concerts, it would be wise for those intending to go to procure seats early. Plan at Pineo's Drug Store

First Train Expected To Arrive Wednesday

H. E. Beasley, superintendent of the E. & N. railway, came over the road to the termir us during the early part of this week and was accompanied by the inspector for the Board of Railway commissioners. It is understood that the road has been reported upon as satisfactory, and that the first passenger train will arrive from Victoria on Wednesday of next week. A tri-weekly service is being arranged for the winter months, the trains to arrive every Monday, Wednesday and Friday, and leave every Tuesday, Thursday and Saturday.

Alarm About Tees.

While navigating through thick fog in Kyuquot Sound on Monday last, the steamer Tees lost her propeller and remained stranded there till to-day, when assistance arrived. Some time after the accident happened a wireless distress message from the Tees was received. Four or five ships and the West Coast life saving crews started to the rescue. The fog at the entrance and in Kyuquot sound was so heavy, however, that the helpless vessel could not be reached till today. Considerable alarm was felt but the ship and its passengers were quite safe all the time and are now being towed to Victoria.

Telephone Subscribers Abandon Service

The determination of the subscribers in Alberni and Port Alberni not to continue the service unless the B. C. Telephone company came to a satisfactory settlement with the creditors of the contracting company that installed the system materialized this morning when there was practically a unanimous refusal to answer calls. A deadlock has been reached. It is understood that the company does not intend to meet the will of its subscribers in the matter under dispute.

Speeches and Songs

A public meeting under the auspices of the Port Alberni branch of the Canadian Navy league will be held in the Port Alberni theater on Monday night, Dec. 4, when the principle speaker will be Capt. Clive Phillips-Woolley who arrived today from Victoria. In connection with the meeting a patriotic concert programme has been prepared. Everybody is invited and there is no charge for admittance.

The Ladies Guild of All Saints church will hold its annual Christmas sale in the parish hall next Tuesday evening, Dec. 5. A number of beautiful articles for both young and old will be offered.

Local News In Brief

Wednesday, Dec. 20 is the date set for the Port Alberni public school concert this year.

The Princess Ena is in port discharging machinery for the Canadian Pacific Lumber company's mill.

The steamer Queen City has taken the place of the Tees while the latter is disabled.

A. I. Bind, the furniture dealer of Alberni, returned on Tuesday from Vancouver where he arranged for a large shipment of goods for the holiday trade.

The amateur musical and dramatic artists of Alberni are rehearsing for a production of Cinderella, A. L. Withers will be in the leading role.

While on their way through Hellsgate Alberni canal, in a canoe, last Monday morning Dick Clarke and George Paterson were upset in a strong current and heavy sea. The canoe turned turtle and all its freight, including about two hundred dollars worth of trapping apparatus, was lost. The unfortunate navigators found their way to shore and were picked up shortly after the accident by Frank Tyler who happened along with a gasoline launch.

A dance and supper will be given in the Port Alberni theater next Friday night, December 8, under the auspices of the Port Alberni Lawn Tennis club. Elaborate preparations have been made for the reception of guests and a thoroughly enjoyable time is promised all who may attend. The price of admittance will be $1.00.

The Ladies Aid society of the Port Alberni Methodist church will hold a Christmas sale and entertainment on Tuesday, Dec. 12, in the Port Alberni theater. The ladies have a large variety of seasonable articles to offer and many suitable holiday presents will be found on the tables. The sale will be commenced at 2:30 in the afternoon, and the brass band will be in attendance in the evening. There will be a table of home cooking and refreshments will be served during the afternoon and evening.

Football.

The Alberni football team showed an improvement in strength and form on Saturday of last week when it met the Port Alberni team, the leaders of the league series. After its succession of easy victories it was thought that the Port Alberni combination would have an easy time, but such was not the case. Of course the Port Albernis won but the score was only two goals to one and it was a hard struggle all the way through.

The postponed match which was billed for Wednesday between the Somass and Albernis was not played owing to the Alberni team failing to appear on the field. The game was awarded to the Somass by the referee. There seems to have been some difference of opinion as to whether the match was arranged for Wednesday. The Somass team and the referee were on the field at 2:30 but there were no Alberni players in evidence. The Alberni captain was sent for but as he brought no team with him the Somass team lined up and scored one goal without opposition. The Alberni team will enter a protest.

Successful Opening of Theater By Band

The formal opening of the Port Alberni theater by the Alberni District Brass band, with a grand concert, on Monday night, was most successful and satisfactory from every point of view. The people of both towns and district turned out in almost full force and unreservedly expressed their pleesure and appreciation.

The band, under the conductorship of H. A. Grey, proved a most pleasant surprise and its selections were loudly encored, while special requests were made for the repition, in the second part, of pieces that had been played in the first part. The members were in uniform and, being surrounded by pretty stage settings, presented a picture for the eye to feast upon.

In addition to the contributions of such popular entertainers as S. Bennett, Mrs. Roy Aanna, George Ward, Mrs. Ward, G. H. Bevan-Pritchard and C. S. Bannell, the vocal part of the entertainment was contributed to by new voices, J. W. Petch, the well known baritone of Victoria, T. Collinge, baritone, and Mrs. J. W. Miller, soprano, taking parts. With this variety of splendid talent the audience was kept in the encore humor throughout.

Mrs. C. M. Wise, Mrs. Ward and A. L. Withers performed as accompanists.

Real Estate Geuius.

Calgary, the city where Port Alberni recently received some lurid publicity through the agency of the L. W. Bick concern, would seem to be the home of imaginative genius in the real estate "boosting" line. In a recent issue the editor of the Eye-Opener offered the following suggestion in the advertising line :

Wanted—By Calgary real estate firm, explorers to conduct parties out to their parks and additions, must have natural topographical instinct, Indian trackers preferred. Good opening for Arabs used to the desert, camels provided that can go for a month without water, must be able to put up good line of guff. Compasses and chart of the heavens provided in case of accidents, lies told on trip warmly backed up by firm if not too raw. Pay on commission basis. Address, The William Miner Realty Co., Calgary.

Not So Much Timber.

An interview with an engineer given recently in a western paper to the effect that there is abundant timber on the line of the Hudson Bay railway is an illustration of the misapprehension in regard to this matter that exists in the public mind. Because there are large areas of land in the north on which there is timber of some kind, the conclusion is reached that it is all of present value and that the country has an unlimited supply. As a matter of fact a careful inspection of the timber along the line of the Hudson Bay railway made in the years 1910 and 1911, by the Forestry Branch of the Department of the Interior, shows that there is not enough mature timber along the line of that railway to build the road. There are no prairie districts of any extent along the route, there are trees everywhere, but owing to repeated fires the forest is, except on the merest fraction of the area, too small for commercial purposes and unless it can be protected from fire until it reaches maturity, will never be of any use to the country. Explorations in other parts of the northern forested districts tell the same tale. Everywhere fire has worked havoc, and the forest is a mere wreck of what it might have been if fires could be prevented. And unless adequate measures are taken now to protect the young and immature forests which form the major part of the stand, the outlook for the future is none too good.

If the northern forests are to continue to be a permanent source of wealth to the country, it is absolutely necessary that the fire ranging system should be extended and that proper methods of management of the forest should be applied, and public education to the value of the forest is even more necessary.

In Sweden, which has large extents of northern forest, practically uninhabited, similar to those in northern Canada, has about eliminated the fire danger in such districts mainly by educating her people to the value of the forests.

NOTICE TO CONTRACTORS.

FRENCH CREEK SCHOOL.

SEALED TENDERS, superscribed "Tender for School-house, French Creek," will be received by the Hon. the Minister of Public Works up to 12 o'clock noon of Wednesday, the 6th day of December, 1911, for the erection and completion of a large one-room frame school-house at French Creek, in the Alberni Electoral District, B.C.

Plans, specifications, contract, and forms of tender may be seen on and after the 15th day of November, 1911, at the offices of J. West, Esq., Secretary of the School Board, Coombs, B.C.; the Government Agent at Alberni, B.C.; the Government Agent at Nanaimo, B.C.; and the Department of Public Works, Parliament Buildings, Victoria.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Hon. the Minister of Public Works, for the sum of $350, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

Another Contract on Island Section

A contract for the construction of forty additional miles of the Vancouver Island section of the Canadian Northern railway was let on Tuesday of this week to Moore & Pethick of Victoria. The new work starts at a point sixty miles out from Victoria and continues for forty miles in this direction, and it is estimated that the construction will cost $600,000.

The contractors expect to start grading operations within a month as they have nearly finished their grading contract on the Cowichan Lake branch of the E. & N. railway in the same locality.

The work will prove rather heavy. Maximum grades of four-tenths of one per cent. have been secured by the engineers, under Mr. T. H. White, chief engineer, a rather creditable achievement considering the rough character of the country along the route. The awarding of this contract places a total of one hundred miles under contract on the Vancouver Island system of the Canadian Northern. Messrs. Moore and Pethick also carried out the contract for the clearing of Port Mann townsite.
