Highway 13 May Be Reconstructed In '61

Early improvement or reconstruction of Bellingham Highway from the border to Trans Canada Highway is expected according to a letter written to Aldergrove Chamber of Commerce by F. H. Catterell B. C. Highways committee chairman of the Associated Boards of Trade of the Fraser Valley and Lower Mainland.

A resolution from Aldergrove Chamber calling for immediate improvement on Highway 13 was the only resolution passed at a recent meeting of the Associated Boards.

Cotterell stated that the project had been on the list of highways work for 1960 but was cut off when the list went to Victoria. He said he hoped it would be higher on the list for 1961.

George Rainnhell, secretary of Aldergrove Chamber, has received a letter from P. A. Gagiardi, Minister of Highways, stating that although not really within their jurisdiction, something may soon be done, regarding cleaning and re-varnishing the "Welcome to British Columbia" sign at the border. This sign has been the subject of numerous complaints recently.

New Courses For Night School In Langley

Four new Night School courses are being planned to begin after the New Year in Langley. On Thursdays beginning on January 5, Mrs. Helen Irwin will conduct a cooking class "Adventures in Cooking." A course in Bible Literature will also be organized in co-operation with the Langley Ministerial Association. These two courses are planned to last for 10 weeks.

It is also planned to organise a short course of 4 weeks in methods of teaching for the Sunday School teachers of the district. Expert teachers for various age levels will explain methods of teaching most suitable to the various age groups. Methods of using audio-visual aids will be explained and methods of co-operation use of such aids be worked out.

Of special interest to farmers will be a short course in how to cut meat for freezer storage. This course is being organised through co-operation between the Langley Night School and Canada Safeway Ltd. The course will be conducted by practical exercises using carcasses brought by members of the class. These practical exercises will be done using the simple tools such are possessed by any farmer who does his own butchering.

LUCKY PEOPLE

Winners of the Elks' Christmas Draw were J. P. Craig of Hatzic and Audrey Hays of Aldergrove.

FOUND—ONE ENGINE BLOCK WITHOUT CAR ATTACHED

There are a lot of motor engines on the road but invariably they are surrounded by car bodies.

Last week, someone was amazed to find a V8 engine block all on it's own on Johnson Turnpike and Trans Canada. Also amazed were the police and rather chagrined to find they had to lift the thing and take it back to the Livingstone Road Police Station.

No one seems to want it and it's still at the police station. Probably the person who lost it can't think of any reason to give why it should be in the road. After all, it sounds silly to say "I've misssed an engine block somewhere—have you seen it?"

IN ALDERGROVE 1885

Pioneer Aldergrove Man Dies Aged 86

A member of one of the very first families in Aldergrove passed away on December 20 in Vancouver. He was Arthur Kessen Goldsmith and was nearly 86 years of age.

At the time the "Legend of Langley" was compiled for the Centennial year Mr. Goldsmith told the story of his family and their arrival in Aldergrove.

In the story he says that his father, A. F. Goldsmith, in the early part of 1884, pre-empted on land which later became the district of Aldergrove. The senior Goldsmith came to prepare some sort of a home for his wife and four children of whom A. K. was one. At that time this part of the country was unorganized and both Provincial and Dominion Governments were disputing over ownership of the land.

There were no side roads leading from the Old Yale and a trail had to be slashed out, avoiding the swamp places but wide enough for a mule to get through and pack in supplies. When Mr. Goldsmith's mother and the family arrived from England in 1885, it had to be packed into "Aldergrove" on the backs of men. He himself was a boy of ten at the time. There was only one small house here besides their partially built one, when they got here.

In relating his story A. K. Goldsmith mentions that "Very few of the original settlers were able to stand the hard going, and moved to pastures new."

Mr. Goldsmith married the first teacher at the old Douglas School which was built on North Jackman, close to Watson Road.

Besides his wife, Alice, the late Mr. Goldsmith leaves a daughter, Miss Alice I. K., of Vancouver; two grandchildren and one brother, Edward H., of Chilliwack; one sister, Mrs. A. N. MacIntosh of New Westminster. His son, Arthur (Kay), was killed in a logging accident a little more than two years ago.

The funeral was held at St. Dunstan's Anglican Church, Aldergrove, on Friday, December 23, with Rev. Norman Calland officiating. Interment followed in the Aberdeen Cemetery.

SANTA AT ALDERGROVE—An eager mob of kiddies awaited the arrival of Santa at Aldergrove 5c to $1 Store on Friday afternoon. He set the ball rolling by singing "Jingle Bells" but the children were not a bit shy as is evidenced here by their shining faces. Santa spent two afternoons at the store. (NEWS Photo)

Flood Damage On Howes Road

Following a complaint to Council of bad flooding on the Bellingham Highway resulting from overflow from the Bertrand Creek, the Works Superintendent has recently made a survey of properties concerned.

After examining the Creek from Jackman Road to Coghlan Road, he found that no one was suffering ill effects for the first half mile where the creek flowed over unoccupied land. The next mile crossed the property of J. Wytenbroek, who stated that he did not wish to take part in any water drainage scheme but water from here was overflowing onto land of one of the complainants, A. J. Van Diepen.

On this land flooding was bad as it was entering his barns and damaging his fields over quarter of a mile before crossing Bellingham Highway by a 6 ft. culvert. On the other side of this road serious flooding occurred on Klassen's farm, the J. Enns property and the Danby farms owned by Mr. Lambert.

W. G. Merrell told Council that Messrs Van Diepen, Enns and Klassen were agreeable to have work done under the same conditions as on the ditch south of Aldergrove.

He suggested that there would be approximately 2½ miles of ditch to clear and dig, which would cost approximately $11,000.

Part of the flooding was pictured in the Aldergrove News two weeks ago and showed an extensive area under water to the north of the Klassen farm.

FOOD HANDLERS' CLASSES

Classes for Food Handlers were held in October in Langley, Ladner, White Rock and North Surrey. These were sponsored by the Boundary Union Board of Health and invitations have been received from catering groups for food handling talks.

AROUND TOWN

By Don Anson

Instead of a Christmas tree, this year, the navy gave away hampers of goodies which must have delighted many families in the area.

Les Williams received a Christmas card from John Wilson, who is at the moment attending a missionary undertaking in Nigeria, Africa. John will be coming back to work in Aldergrove in early spring.

The beaver, recently run over and killed in Aldergrove, must have other friends determined to dam the Bertrand Creek behind Elks' Hall, because they are at work again.

Sometime in the New Year we will be printing a map of the proposed Aldergrove Community Plan in this paper. Many people have asked us to do this so we are getting Ken Major to draw up a suitable map.

A very effective lighted display was put on this Christmas on the lawn outside the new houses at the Naval Station.

Winner of the Kris Kringle giant reindeer at Gardiner's Pharmacy was Mrs. Tom Spearing from Patricia.

When asked by Santa Claus what he wanted for Christmas last week, one two-year-old in Aldergrove was most adamant that all he wanted was a hammer and screwdriver. Poor Mum!

Multi-scholarship winner John Redekop, popular teacher at Aldergrove High recently, is home for a week from his studies in California.

British Columbia owes a lot to Jesse Throssell of Aldergrove. In 1926 he imported the first broad-breasted Bronze turkeys from Yorkshire and laid the foundation of today's turkey industry.

A fine looking Golden Collie is apparently lost in Endacott subdivision. It has been wandering around for several days and is being fed by Mrs. Craig. Anyone interested?

Only 362 more days till Christmas but what is more important it's only 83 days away from Spring.

I'm wondering whether the person who fixes the illuminated star at the Aldergrove Naval Station gets danger money or steeplejack's pay.

Between 9 and 9:30 Tuesday morning skiers were passing through Aldergrove at the rate of twelve carloads every five minutes.

Starting from January 1, don't forget to let the Aldergrove News have the dates of any functions or meetings. We will be listing them all and hope to avoid clashing.

United Church Plans Party

For the fifth year in succession United Church, Aldergrove, is sponsoring a New Year's Eve party combined with a Watch Night service at midnight.

The party is for complete families and will include games, singing, music and lunch. Each family is asked to bring enough food for its own party.

Last year around 75 persons attended this function.

SUNDAY BUS LEAVES EARLIER

Pacific Stage Line bus now leaving Langley for Chilliwack at 4:40 p. m. on Sundays, will leave 10 minutes earlier, at 4:30 p. m., starting Jan. 15. This bus will leave Aldergrove at 4:46 p. m. instead of 4:56 p. m.

Aid For Festive Lights Sought

Once again Aldergrove Chamber has sought financial support from Council towards the cost of stringing Christmas lights across the main street.

Similar requests have been rejected in previous years on the grounds that this is not a municipal project.

A contribution of $50 is asked for and it was pointed out at last Chamber meeting that Aldergrove would not be alone in getting municipal assistance for this type of project as other municipalities shared in the costs.

PRE NATAL CLASSES

Pre-natal classes have been sponsored by Boundary Union Board of Health in four centres but will continue in Langley, White Rock and North Surrey.

Chamber Seeks Advice From PUC On Changes In Phone Numbers

Aldergrove Chamber of Commerce is concerned over the announced intention by B. C. Telephone Co. of changing around 200 telephone numbers in the Aldergrove exchange.

In a letter written by the Chamber to the Public Utilities Commission it is pointed out that these changes include some 25 business firms who will be put to considerable expense notifying customers and clients of the changes. One firm in particular is noted as having recently spent $1,400 on printed stationery, all of which will now have an incorrect telephone number thereon.

Exception is taken to the short notification of change, given by the Company, which the Aldergrove Chamber states was "quite unnecessary," dictatorial and harmful to the business community."

The Commission was asked whether it had any control over such matters and was also informed that some two years ago when voters approved a change from Aldergrove to Baldwin 6, a representative of the company attended a Chamber meeting and gave an assurance that that would be the final change for the area.

This assurance was an important factor in obtaining the Chamber's backing of the proposal.

Furthermore, the Chamber has heard unofficially that another change is to be made next year and feels strongly that the Company should be instructed by someone in authority that they cannot cause a heavy expense to the public again and must give the greatest possible advance notice.

The letter to the Commission concludes by saying that while the Chamber realises that the continental system of dialling necessitates these changes, it feels strongly that they should not be made on the spur of the moment without adequate prior notification.

Fog Causes Car To Overturn

Fog Thursday evening caused a spectacular accident near Coghlan Road on Trans Canada.

Driving a 1958 Pontiac west, Wayne Louie of Vancouver attempted to pass another vehicle when he saw a Greyhound bus bearing down on him. He swerved, went across the road, turned upside down in the ditch, facing the direction he came from.

Although extensive damage was done to the car the driver was not injured.

Two Hundred Phone Numbers To Be Altered

Approximately two hundred telephone numbers on the Baldwin exchange will be altered effective from February 13.

Explanation given by the B. C. Telephone Service is that continuing demand for telephone service in the Aldergrove exchange, necessitating substantial additions of equipment to the central office, makes it necessary to re-arrange or re-group certain of the existing services.

Consequently, all subscribers in the two thousand range have been notified that their numbers will be altered.

The new numbers will appear in the next issue of the Lower Fraser Valley directory in May and an interior supplemental card directory containing the telephone numbers of those involved in the change will be distributed to Aldergrove, Langley and Abbotsford subscribers in January.

TURKEY WINNERS

Mabel Larsen, RR 2, Langley, and David Nelson, Jackman Rd., Aldergrove, were the winners of turkeys in the Aldergrove CCF draw made on December 21.

CHILD HEALTH CONFERENCE

Some 60 clinics at 45 centres are held every month by the Boundary Union Board of Health with an average attendance of 1,400 infant and pre-school child-

LAST DAY—Happy pupils at Aldergrove Elementary School, numbering 280, are seen marching towards United Church Hall on December 21. There is no room at the school where such a large assembly can meet and so on the last day of school all activities were carried out in the Church Hall. (NEWS Photo)

DATE PAD

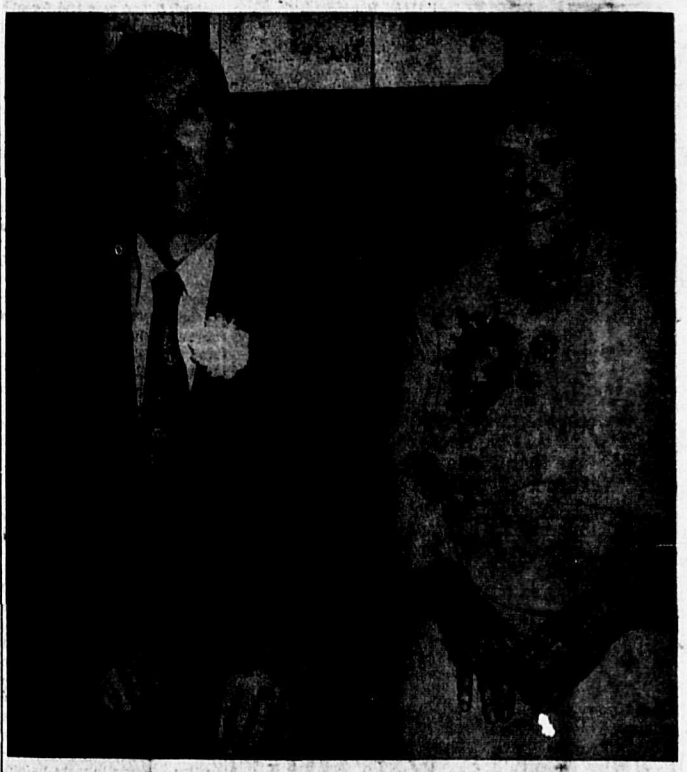
Dec. 31—New Year's Eve party and Watch Night Service at United Church Hall, 9 p. m.

Dec. 31—New Year's Eve Frolic, Patricia Hall. Sponsored by Aldergrove Elks, 8:30 p. m.

Dec. 31—New Year's Ball sponsored by Chiefs' and P. O's Mess, H. M. C. S. Aldergrove, commencing 10 p. m.

Dec. 31—Cabaret Dance in Bradner Community Hall.

Dec. 31—New Year's Eve dance, Murrayville Hall, sponsored by Murrayville Old-Time Dance Club, 9:00 p. m.



GOLDEN WEDDING—Mr. and Mrs. Hans Olsen of Le Feuvre Road celebrated their Golden Wedding anniversary December 19. Kathleen Olsen came to Winnipeg from Glasgow, Scotland, in 1906 and settled with her brother in Estevan, Saskatchewan, where she went through the hardest winter known for 50 years. She then went to Swift Current where she met Hans and got married on December 19, 1910, living on a ranch until the war when Hans enlisted in the 209 Battalion and went overseas. Mrs. Olsen with a three-year-old son followed on the next boat and spent some time in her native Scotland. After the war, during which Hans was wounded, the Olsens came back to Swift Current until after the second world war when Hans worked at an airport. They came to B. C. in 1945 and settled two miles from Aldergrove on Le Feuvre Road North. Hans Olsen is a member of the Royal Canadian Legion at Abbotsford and also of Aldergrove Elks. Legion members came out to visit him last Monday and a party to celebrate the occasion was put on in the evening by Mr. and Mrs. Andy Jackman at Mrs. Denny's home. Many old friends were present including brother Elks and members of the newly formed Aldergrove Old Age Pensioners' Association. (NEWS Photo)

A LETTER THEY'D LIKE!

Has anyone from the Old Country ever asked you to describe Aldergrove? What have you told them? Maybe it went something like this or did you miss any of it?

"Dear Folks:

There's nothing to touch British Columbia, we just love it and Aldergrove is quite the nicest place to live in. We are just out of the fog zone they get further west and away from the snow they get further east. Aldergrove is right in the centre of the beautiful Fraser Valley about 9 miles from the river and 5 miles from the border with the U. S. A. Looking north we see the continuous range of mountains, usually snow clad. This is the Coast Range and the two big peaks we see in various different colors are known as the "Twin Peaks," or the "Golden Ears." We can also from all parts see the magnificent Mt. Baker which lies 75 miles south east of us across the border.

Aldergrove now has pretty well everything we want. It has a fine high school for 600 pupils and an elementary school with 200 pupils. Also a big fire hall which was largely built by volunteer labour. Besides a good shopping centre we have a library and a park and about ½ mile from the town there's a large naval radio station, and a Sea Cadet corps.

We have recently got a new water system and a new community planning scheme which means we will undoubtedly be quite a big town before long but this won't matter because the planners have been very careful not to spoil the looks of the place. In fact, our Chamber of Commerce is going all out to beautify the area. Local roads are being planted with flowering trees and they now talk of putting permanent plant and tree containers at intervals through the town. I forgot to tell you we also have an Old Age Pensioners' Club and other clubs and groups.

There's very little we don't have. Night School classes for adults, a Rock Club, a drama group in nearby Langley, Bowling alleys in both Abbotsford and Langley and very probably in Aldergrove soon.

As you can read in the Aldergrove News, something new is opening all the time. The people are very friendly, there are numerous churches, four motels, good paved roads everywhere, excellent street lighting, buses into Vancouver and the Interior, a hotel and in fact, pretty well everything you want including all services.

Now that I've written all this don't you feel you want to come and live here yourself? Why don't you?

Yours ever,
John Doe

P. S. Forgot to tell you—we get lots of sunshine!"

LET THIS BE YOUR CREED

The "Mary Stewart Collect" is supposed to be memorized by all members of the Women's Institutes and we feel that everyone can benefit from reading it and pondering it's contents at the beginning of a new year.

"Keep us, O Lord, from pettiness; let us be large in thought, in word and deed.

"Let us be done with fault-finding and leave off self-seeking.

"May we put away all pretences and meet each other face to face,

"Without self-pity and without prejudice.

"May we never be hasty in judgment and always generous;

"Teach us to put into action our better impulses, straight-forward and unafraid.

"Let us take time for all things; make us grow calm, serene and gentle.

"Grant that we may realize that it is the little things that create differences;

"That in the big things of life we are one

"And may we strive to touch and know the great human heart common to us all.

"And, O Lord God, let us not forget to be kind." Mary Stewart

CHRISTMAS IN THE NORTH

By Margaret Green

Christmas in the north, among the native population, is closely connected with the true meaning of the festival. Preparations are made well ahead of time, the churches being beautifully decorated by the villagers and the choirs practise for long hours the carols and full Christmas anthems.

Early on Christmas Eve the choir gathers and travels the length of the village singing anthems and carols. No house is left out, especially if there is a sick or shut-in person living there. A small hand organ is carried around to supply the musical accompaniment.

The last house is usually the mission house and in one particular village known to the writer this has been the custom for sixty years. The missionary and his wife provide sandwiches, Christmas cake and coffee for the whole choir who, in their turn, put on the best program of the evening. The choir consists of upwards of forty members and one can imagine the clearing up after its departure, sometime after 1 a. m. on Christmas Day.

The respite is only brief at any time throughout Christmas Day for around 7 a. m.,, heralded by bugle and drum, the first of the village organizations starts to call on all houses starting (in this particular case) with the mission house. The first to come is always the village Council, led by the Chief Councillor who knocks at the door and enters with his companions. Each shakes hands with every member of the family and takes an orange or a few candies from a bowl as he leaves. Other organizations follow, mostly in order of importance, and this continues until late afternoon. In between, there is a morning service at the church which lasts around 1½ to 2 hours. A huge village dinner in the community hall usually follows and when people from another village are visiting a banquet for 4 to 5 hundred people is the general thing. While the women clear up the dinner, the men usually hold another service in one of the halls. Sometimes, there is an evening service in the church, with more of the beautiful singing at which the natives are so proficient. Anyone who has heard one of these native choirs sing the "Hallelujah Chorus" from Handel's Messiah will carry the memory of it with him for life.

The missionary's Christmas usually follows on Boxing Day but it seems doubly happy because of the happenings on the previous day.

The next two weeks after Christmas are always a gay time in these villages since every organization in the village puts on a Christmas entertainment which everyone except the very sick attends. The school children have their concert, as well as the band and the choir who provide the major entertainments.

Not just one or two members of a family attend but everyone from the tiniest baby to the oldest great-granny. Presents and gift-giving take a very secondary place in the Festival of Christmas as celebrated in the northern villages.

VOICE of the Church

THIS BABY WAS DIFFERENT

Rev. A. Hippe
Immanuel Lutheran Church

Once there was a Baby born who was different! His parents didn't even choose His name. God did. Through an angel His name was announced to be JESUS. That means He would save people from their sins. He was God's own Son . . . His birth was announced centuries before He was born. That's different from the usual birth announcements. Many people thought He would be born amid wealth and persons of high social standing, No, His birth was different; He was born in a stable because His parents were very poor and "there was no place for them in the inn" (Luke 2:7). Other babies were normally born in the better surroundings of a home.

His birth was different. He was born without a human father. His Father was God Himself, *the Holy Spirit. His mother* was a human being. Jesus was born as GOD and man, the God-man. He was conceived and born without sin, not for Himself, but for *the salvation of mankind.*

His life was different. This Baby grew to manhood. Other people fought, hated, cheated, and deceived because they were born in sin. He obeyed, loved, helped, taught gave and forgave. He performed many miracles, not in another's but His own power. Most oustandings of all, He lived to keep the Ten Commandments for us sinners. His life was radically different.

His death was different. Because He did good, men hated Him, "Because their deeds were evil." Because He was Light, and "men loved darkness rather than light" (John 3:19). Men put Him to death on a cross. They hated His goodness because they were evil. They hated Him because they hated the truth He spoke (John 8:37ff). They hated Him so much that they killed Him. And yet He did not die because He had to but because He wanted to . . . . for man's salvation (John 10:8). Frequently other men die cringing, cursing, begging, and fearful. Jesus died as He had lived, teaching, loving, giving, and forgiving. He died for the sins of the whole world . . . for your sins and mine. Through His death we are reconciled to God. That's why His death was different.

He was different—He arose! His death was not the end. He rose again from the dead. He was God. The Bible teaches that it was "not possible for Him to be held by it" (death, Acts 2:24). He had power to take up His life again. The whole reason for His coming . . . His birth . . . His life . . . His death . . . His resurrection . . . was to make us different, that is, righteous in the sight of God, forgiven, heirs of eternal life.

Jesus can make you different! He has something to give you—His salvation He brings it to you in and with His Gospel, through which He gives you the Holy Spirit and faith in Himself. This Christmas let this Savior Jesus make you different. He can. He lived and kept every law that God holds you responsible for keeping. You couldn't—but He did—and for you. This Baby is your Substitute and Savior. Do you believe? Do you accept Him as Substitute for your sins? Only then will you be able to profit by celebrating the birthday of our Lord and Savior. May the blessings of the Birth of this Baby which was different, fill your *hearts with true joy this Christmastide!*

Letters TO THE EDITOR

Editor, The Aldergrove News:

The following is a copy of a letter sent to the Municipal Council which I feel will interest your readers:

"It is now one month until the Legislative Assembly of British Columbia meets. As one of your elected representatives I wish to give the best possible service to the people of Delta Riding. This can only be accomplished if I am kept informed of the problems facing the various areas.

"With this in mind, I am proposing the following to the Municipality of Langley in regard to problems of Municipal-Provincial nature.

1. That I be supplied with a detailed list of problems affecting the municipality. These problems to be of a nature that you feel provincial assistance is required. This list to contain:
   (a) A complete history of the problems.
   (b) What has been done to date to solve them.
   (c) The present effects of the problems.
2. That the Municipal Council of Langley supply me with recommendations that, in its opinion will help solve the problems. These recommendations to be based on legislation or assistance required from the provincial government.

"Please feel assured that from this information I will do all in my power to press for legislation that would be beneficial to the residents of Langley."

Yours truly,
James H. Rhodes,
M.L.A. for Delta.

LUTHERAN HOUR

Are you lonely? As we enter 1961, it's reassuring to know that God knows, God cares, God loves you. Hear Dr. Oswald Hoffmann's Lutheran Hour topic, "Who Knows?" today (next Sunday) on CJOR at 9:30 a. m. Tell others.

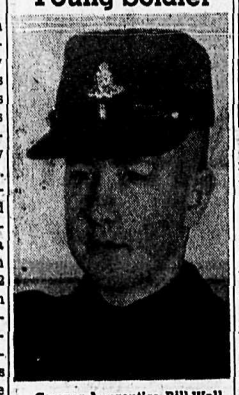
Young Soldier



Gunner Apprentice Bill Wall of Aldergrove, is among sixty three young soldiers undergoing first year training at the Royal Canadian School of Artillery, Camp Shilo, Man., under the Canadian Army's Apprentice Training Plan.

LANGLEY HOSPITAL NEWS

As the Fall and Winter months continue we find the Medical and Surgical Ward of the hospital still working to full or over capacity with an increased number of chest conditions among children and older people. There are heart conditions too in the older age groups. Tonsil operations, which we are still over one year behind, had to be cancelled again since last report, due to lack of beds, and on several occasions patients have had to spend the night, or longer, on stretchers in lieu of beds. Patients admitted and treated for the month of November were 230, with a drop in the average length of stay to 7.5 days. Of these 230 there were 33 newborn babes. Owing to the bed shortage and the subsequent cancellation, the Operating Room reported a drop in it's work to 164—the lowest month in the year; of these 82 were in-patients and 82 were out-patients.

The Women's Auxiliary Council under the convenorship of Mrs. Rowlie Coppeland, decorated the hospital on December 21. The Boy Scouts brought in all of the trees necessary for the decoration of the wards, and Christmas dinner was served on the 25th. On each tray was a favor made up by the Otter W. A. which has had this work in hand for a number of years. Each patient received a small Christmas gift on the noon-day tray. Carol singing arrangements were made by many groups, some of them doing their singing over the weekend—one on December 26.

It was thought advisable to give a projected program of events that would lead to the construction and occupancy of the New Hospital. The last of the final readings of the By-law is to take place on December 28 in the Municipal Council Chamber. After this there is a 30-day period before the notification is sent by the Municipal and City Councils to the Department of Municipal Affairs for final approval. All these arrangements should be completed by the end of January, 1961. It is understood that both councils have been approached by bond houses already who are anxious to handle the sale of the bonds covering the By-laws. However, nothing definite has taken place as fas as we know. The Municipal Affairs Department in turn notifies the Minister of Health Services and Hospital Insurance. He then will, after making necessary financial arrangements, give an okay for the architects to go into working drawings. This probably would take place by the end of Febraury, 1961. In the meantime, of course, there is a lot of revision of the preliminary sketches and the architects, consulting engineers and the department in Victoria will be closely associated with our hospital committee to discuss all the salient features of the structure. The question of heating, electrical, ventilation, plumbing, sewage and other related services will be thoroughly gone into. They will naturally have to check on the laundry equipment, kitchen equipment, sterilising equipment and all of the other major equipment that would go into the structure before it is ready for occupation.

The architects tell us that it will probably be the end of August before the complete working drawings and specifications covering all of the sub-trades as well as the general contract are completed. When these have been approved by Victoria, then tenders would be called for and this would probably be sometime in October or November. The different departments have to be fully satisfied that all is correct before we go into construction. Therefore, construction might not be before the middle or end of December, 1961. It is estimated that it will take 18 months to do all the construction which would bring us to June, 1963. If this were so, the building should be ready for occupancy by August 1, 1963.

It must be fully understood of course, that this is only a projected program and will probably not entirely fit into the picture. However, it should be at least somewhere near it and will serve as a guide for anybody wishing to follow it's progress.

The Board of Trustees intends to keep the public fully informed as to the progress made and when to expect the New Hospital to be open for service.

Bowling Scores

The Pot Luck Bowling Tournament run last week at Hub Lanes was won by Herman Augustine, who received $100.

Qualifiers had to roll 5 strikes in any one frame and on Friday evening, fifteen finalists bowled till 11 p. m. in an effort to obtain most strikes.

Herman obtained nine strikes in one game to receive the major award. Runners up with seven strikes were Steve Szabo, George McIntee, Don Anson, Norm Miller and George Vennard. In a play-off for second prize George Vennard was the winner.

Aldergrove Bowling League will renew competition on Wednesday, January 4.

LANGLEY MERCHANTS
(Langley Lanes)

Team scores: Charters, 375 (21); Bell and Thorp, 367 (28); McDougall's, 359 (24); Overwaitea, 336½ (25); Aldergrove News, 324 (20); Langley Lanes, 314½ (30); B. A. Oil, 295 (15½); Langley Advance, 271 (10); Standard Oil, 266½ (24½); Linwood Shoes, 248½ (11); Langley Air-Cooled 220 (22).

Ladies' high single and triple, Nellie Clark (McDougall's), 274 and 688; men's high single and triple, Pete Goerzen (Bell and Thorpe), 251 and 675; team high single and triple, Langley Lanes, 1179 and 3318.

MT. LEHMAN

Mr. and Mrs. David Thomson of Penticton and Miss Florence Edge of Vancouver, with Mr and Mrs. Jack Ferris of Crescent were Christmas guests at the P. Edge home.

Mr. and Mrs. J. C. Cherry, Daryl and Diane attended a family gathering on Sunday at the home of Dr. and Mrs. Duncan McKenzie in Glen Valley.

Jim Owen from North Vancouver is visiting his sisters, the Misses Ruth and Lucy Owen.

Mr. J. P. Carr of Burnaby visited friends in the district last week.

HAPPY NEW YEAR IN 1961
CLIFF G. MOORE
President,
Boys' Town—B. C.

THE GREEKS HAD A WORD FOR THIS TOO

It was Archimedes who said "give me a lever long enough and a fulcrum strong enough and single handed I can move the world." It is a good thing to know in case things ever get that bad!

With devices like the lever, primitive man multiplied the power of his own muscles. Today he puts other energy sources to work.

Only a small fraction of work in Canada is done by man's muscles—the rest is done by machines. Oil to power these machines and to fill other energy needs has been made available by companies like Imperial at reasonable prices wherever it is needed. Because of this, Canadians have turned to oil for more than half their energy requirements—they use it at the rate of more than 1,000,000 gallons an hour.

Esso IMPERIAL OIL LIMITED
...for 80 years Canada's leading supplier of energy

Merry Christmas At Mt. Lehman

The Mt. Lehman Presbyterian Church was full to overflowing for the annual Sunday School Christmas Concert, tree and social evening, held on Thursday evening, December 22.

Three choruses were sung by ol singing and recitations by Billy Howe, Lillian Tarbaj, Carrie Parker and Judy Pierce.

The primary class gave an exercise title "So Many Ways."

Three choruses were sung by Josephine Roamncia, Diane Cherry, Joan Threlfall, Barbara McDonald, Sandra Inglis, Judy Rinas, Lillian Tarbaj and Adrianna Beukers.

Two dialogues were given by the students. The first, "Wanted—a Housekeeper" had as its cast Jimmie Rinas, Terry Inglis, Kelly Inglis, Sandra Inglis, Diane Cherry, Joan Threlfall, Ardianna Beukers and Barbara McDonald. The second, "The Second Christmas," was given by Jimmie Rinas, Theo Demkes, David Tarbaj, Arthur Pierce, Terry Inglis, Gary Parker, Diane Cherry, Judy Rinas and Joan Threlfall.

The annual Christmas concert of the Mt. Lehman United Church took the form of a pageant this year. The event was held on Wednesday with a good sized crowd enjoying the program. The "Story of the Natiyity" was told in song and verse with all members of the Sunday School taking part. The Congregation assisted with some of the carols, and Santa presented gifts to all the youngsters. Rev. G. Collins was in charge of the program and refreshments were served at the conclusion of the entertainment.

The teachers and pupils of Mt. Lehman North Elementary School presented their annual Christmas entertainment at the school Tuesday afternoon. A large turn-out of parents and friends enjoyed the various carols, skits and pageant. Following the program the PTA served refreshments. On Wednesday, the pupils exchanged gifts and received treats from the PTA.

Mt. Lehman Man Marries Quebec Girl In City

A quiet wedding was held in Vancouver on Friday evening, December 9, between Elizabeth (Betty) Helen Douval of Quebec, and Sidney Eric Hendry, younger son of Mr. and Mrs. Tom Hendry of Mt. Lehman. The ceremony was performed by Rev. Douglas Telford at St. James United Church.

The bride wore a dress of white nylon interwoven with gold and silver threads. Complementing it was a tiny white lace hat and chapel veil. Her corsage was of red and white roses. She was attended by her sister, Mrs. J. Bermister, while Mr. Bermister, her brother-in-law, gave her in marriage.

After the ceremony, a reception was given for them by friends in Abbotsford. They will make their home in Vancouver.

Recreation For Mt. Lehman

Members of the Matsqui Unit 315 of the Army, Navy and Airforce veterans have started preparing for a recreation centre in Mt. Lehman.

The group purchased a building from the Airport and have poured a cement foundation in preparation to moving the building. The 30 by 68 foot building will be used mainly for recreational purposes for the older veterans and will also be used for fund raising projects of the organization.

The association raised and dispersed $350 for welfare purposes in 1960.

The 1961 executive for the organization is headed by L. Philps with Jim Taylor acting as secretary and Douglas Taylor treasurer.

Prison Sentence For Store Entry

A Vancouver man was sentenced to 6 months in prison after appearing in Abbotsford police court on a charge of breaking and entering.

John Logan was apprehended by Herman Hartman after Logan had entered Ashdowns Mens Wear Store. Mr. Hartman lives at the rear of the store and had investigated on hearing suspicious noises.

MT. LEHMAN

Christmas dinner at the home of Mrs. P. Harvey and the boys saw ten members of the family around the table, including A. Husdon and Jim of Vancouver; Ross Husdon of Calgary; Mrs. A. Harvey and Rosemary; also Mrs. K. Tebbutt.

A family Christmas day get-together was held at the Gillis home. Visitors included Mr. and Mrs. George Alexander, Miss Florence Alexander, Mr. and Mrs. Sandy Alexander, Mr. and Mrs. Dean Hubbard, Ricky and the baby from Port Mann, and Flight Cadet Robbie Hanna from the R.C.A.F. Base at Winnipeg who flew out by jet to spend Christmas at home.

Miss Edith Threlfall from Prince Rupert and Miss Phyllis Threlfall from New Westminster are spending the holiday season at home with their parents, Mr. and Mrs. F. Threlfall.

Ray and Miss Carol Bosselein of Vancouver are home for the holidays.

Mr. and Mrs. Jim C. Ryder, Michael and Bruce of Vernon, and Allan Ryder of Vancouver spent Christmas with Mr. and Mrs. A. G. Ryder.

A family gathering was held at the home of Mr. and Mrs S. Sorenson, Matsqui, last Monday for members of Mrs. K. Tebbutt's family, with 22 members attending. Miss Doreen Davidson of New Westminster and Mrs. Chute Sr. of Vancouver also attended.

Fire Guts Abbotsford Garage Early Morning

An Abbotsford garage was gutted in an early morning fire last week. Trucks from Abbotsford and Sumas fire brigades were called to fight the blaze at 1:30 in the morning at McCastle Motors on Railway street (the former Bakerview Motors).

Residents in the H. D. Edwards home less than 40 feet from the garage were evacuated while the blaze was at its height.

A constable from the Abbotsford detachment RCMP was first at the scene after the alarm was sounded, he reported the blaze as small at that time and it appeared to have its origin near a soft drink vending machine. Within minutes the building was a mass of flames threatening both the Edwards home and Abbotsford Lumber Co.

Firemen worked more than two hours to quell the blaze.

Three new cars were in the building, two in the showroom were totally destroyed while the third in another part of the building was only partially damaged.

Dies After Car Accident Nearly Three Years Ago

Funeral services were held last Wednesday for an Abbotsford woman who passed away in the MSA General Hospital. Mrs. Denaige Higginson has been in the Vancouver General Hospital under treatment for injuries sustained in a motor vehicle accident April 1958 and returned home three weeks ago.

Mrs. Higginson was 53 years of age and is survived by her husband, Sam; two sons; two daughters; 7 grandchildren and her father.

She was born in Quebec and had resided in the province 50 years, in Abbotsford 21 years.

Services were held from the Gospel Chapel, Alex Wilson officiating. Hendersons Funeral Home was in charge of arrangements.

Auxiliary Gives Christmas Touch

Members of the Abbotsford Junior Hospital Auxiliary met at the MSA General Hospital for the annual decoration work bee.

The group put up and decorated two Christmas trees in addition to decorating each ward.

Following the work bee a short business meeting was held. President Mrs. Edna Carne reported that the drapes for the two pediatric wards had been purchased and installed, also that the painting of these wards was now complete.

Mrs. Alex Fast reported on the complete success of the Christmas Coffee party held in November. Funds from this project will go towards projects in the pediatrics wards.

Landscaping For Fair Grounds

Work has been started in Matsqui of landscaping, including the Matsqui police station grounds, the western boundary of the gravel pit on Municipal grounds and the Central Fraser Valley Fair Grounds.

Grading has been started by work crews which will create a gentle slope from the Fair Grounds eastern boundary to the municipal grounds. Landscaping will commence in early spring.

The Water Safety Manual of the Canadian Red Cross has been re-written by Mrs. Clair Dingle and appeared early in 1960.

Colorful New Postage Stamps Announced By Post Office

The subjects of four new postage stamps to be issued during the first six month of 1961 have been announced by the Postmaster General, the Hon. William Hamilton. All will be of the five-cent denomination.

The first issue, a large-size stamp in red and green, to be released on February 8, will be a tribute to the development of Canada's Northland and the increasing activity there in recent years.

On March 10, a special five-cent stamp will be issued to commemorate the centennial of the birth of Emily Pauline Johnson, Indian poetess. According to most authorities, Miss Johnson, a Mohawk, was born on March 10, 1861, at "Chiefswood" on the Six Nations Indian Reservation in Ontario. She died on March 7, 1913, at Vancouver after having made a unique contribution to Canadian letters.

In keeping with tradition, the late Rt. Hon. Arthur Meighen, a former Prime Minister of Canada, will be remembered in a special issue which will be released on April 19. Meighen served two terms as Prime Minister from July 10, 1820 to December 29, 1921, and from June 19, 1926 to September 25, 1926. He died at Toronto on August 6, 1960.

The 10th Anniversary of the Colombo Plan will be marked by a special stamp to be issued on June 28, in time for the official Colombo Plan Anniversary to be celebrated on July 1. Canada has participated actively and substantially in the fields of both capital and technical assistance to fellow Commonwealth Countries and more recently to other countries, under the terms of the Colombo Plan.

The Post Office Department has plans for other postage stamp issues which will appear in the latter part of the year, and these will be announced as soon as the subjects have been confirmed.

Langley Police Court News

Charged with being in care or control of a car while impaired, a Vancouver man, Earl Ovid Allard, was fined $150 and costs at Langley Police Court last week.

Robert Williams of Langley met the wrong man while walking down North Bluff with a shot gun. The man was a game warden who demanded to see a hunting licence. None was forthcoming and Williams had to pay a fine of $25 and costs.

Onni Victor Hacharay, Murrayville, was fined $35 and costs for driving without due care and attention at Courtenay, while on a similar charge at 100 Mile House, Robert Manning McCardney of Langley was fined $75 and costs.

Speeding cost Nicholas Zilkowsky, Surrey, a fine of $20 and for having no driver's licence Ivan Matthew Wilson, Fort Langley, was fined $10 and costs.

ALDERGROVE WEATHER STATION

Reported by Norman Green, Weather Observer

	Max	Min	Rain
Dec. 19	49.5	36	.02
Dec. 20	45	32	
Dec. 21	46	29	
Dec. 22	38	27	
Dec. 23	37	28	.30
Dec. 24	41	34	.38
Dec. 25	46	36	.01
Dec. 26	43	35	

Means fro the Period:
Maximum—40-41 degrees
Minimum—30-31 degrees
Precipitation—1.94 inches

While most of the continent has been having frigid weather, and many areas have received an ample supply of snow, we have been neither cold nor wet. Arctic air has not succeeded in crossing the Coast Range, and a helpful ridge of high pressure has caused Pacific storms to by-pass us.

Christmas Day was six degrees above normal. Last Christmas was sunny but cooler, with a temperature range from 28 degrees to 42 degrees.

The long-term forecast for January for most of Canada is "much colder than last January". No mention, however, is made of what is in store for British Columbia.

Natural Gas Line Opens Up

First section of the BCE's second major natural gas line through the Lower Fraser Valley —from Huntingdon to Livingstone Road station, one mile east of Langley City—has just been placed in service.

The 19-mile 30-inch line is served by the company's control station at Huntingdon, where BCE takes delivery of gas from West Coast Transmission Co., Ltd., system.

B. C. Electric plans to build the second section in 1962. It will run from Livingstone Road station north to Fort Langley then west to Whalley to tie to the existing gas transmission system by way of the 25-inch line now serving Port Mann electric generating plant. In the same year, the line is scheduled to cross the Fraser River to Coquitlam gate station on Lake Como Road to increase the gas supply to Metropolitan Vancouver.

United Church News

Aldergrove United Church Federation met in the church hall on December 19, with 27 members and friends present. The Jara Smith Circle members were invited to attend this Christmas meeting and quite a few of them were present.

After the business session an interesting program followed, including the showing of a film and a reading given by Mrs. B. Gilbert. Carol singing concluded the program.

The election of officers followed and Mrs. William Snowdon was chosen to head the organization for the coming year. Vice-president is Mrs. Trevor Beggs; Mrs. B. Gilbert is secretary; Mrs. H. Suddaby, treasurer; program is in charge of Mrs. W. H. Brown and Mrs. M. McIntosh; kitchen convenor is Mrs. C. Jeffrey; community friendship, Mrs. R. Crosby; supply secretary, Mrs. A. Moen; and literature secretary, Mrs. A. Conn.

Mrs. C. Jeffrey, Mrs. A. Angrignon and Mrs. T. Beggs were the hostesses.

NORTH COGHLAN

The Group Committee of the 1st County Line Guides and Brownies held their meeting recently. Guide Captain Mrs. White tendered her resignation and Mrs. Alice Godman was appointed in her place. Mrs. Betty Griffiths resigned as president of the group committee in order to assist Mrs. Godman with her duties.

Mrs. Margaret Jackson of County Line Road will take over as president of the group committee.

Mrs. Nancy Armstrong was appointed Social Convenor enabling Mrs. Vicki Griffiths to act as Badge Secretary only, two of the Brownie leaders to be presently relieved of their leadership duties. It is the desire of the Guides and Brownies to have some interested mother or friend who will come and volunteer to help them train the youngsters. In this worthwhile organization.

We wish the girls and their leaders a very special Christmas, with courage and good luck in all they do, to all concerned.

Mrs. Frank Anderson and son, George, of Hjorth Road district, with Mr. and Mrs. Johnson, were callers at the home of their parents, Mr. and Mrs. O. Griffiths.

The final meeting of the Scouts for this year was held in the Hall on Wednesday evening.

Miss Valeria Butchart, presently teaching school at Kemano, arrived via Northern airplane and will be spending the Christmas holidays with friends, Mr. and Mrs. Tom Cochrane. Following the holidays she will return north.

Aldergrove High School News

By Tiny Trass

It's hard to believe—but exams are finally finished! They seem to have put a strain upon teachers as well as students (especially on some of the sleepy-looking seniors). But now—two weeks to relax in, and forget all about school until January 5.

On Wednesday, we saw a full-length movie called "Francis in the Navy," to end this year's school session with a laugh.

During the past week, the A. H. S. gym has been the place for sports and for one of the "big dances" of the year.

Sports:

Another exhibition game was played at Aldergrove last Thursday. Port Coquitlam played the home team with the following results: Senior boys lost their game by a score of 48 to 45; Intermediate boys tied with 34-34; and the Senior girls lost 18 to 16.

Dance:

On Friday, December 16, the school Christmas dance was held. It featured the Sextettes, favourites at last year's graduation dance. The gymnasium was beautifully decorated for this semi-formal affair.

As was suggested by a boy in the school—"It's the perfect place to dance your worries about exams away."

OTTER

The Otter Brownies held their last meeting before Christmas on Monday, December 12, when they made final arrangements for their Christmas visit to Langholm. This took place on Friday, December 16, when the Brownies presented the inmates with candy and oranges and sang carols for them.

After the visit to Langholm the pack gathered at Mrs. Poppy's home for a combined Christmas and birthday party, since it was Brownie Carol Anderlini's birthday.

The South Otter Gospel Chapel held it's Christmas program on Sunday evening, December 17. The theme of the hour long program was "The Message of the Bells."

Bags of Christmas treats and gifts were handed out to the children, and a good number of parents were also present.

Returned missionaries Mr. and Mrs. Elmer Warkentin, visited the church on December 11, speaking at the morning service and showing slides of their work in the afternoon.

Mr. Warkentin, along with his sister, Verna, started the Sunday School here 16 years ago, in 1944, at the South Otter School. Since then the enrollment has risen to 109, with nearly 20 assisting in the teaching. Morning and evening services are also held in the recently completed new church. Other activities and meetings are held during the week. Mr. Warkentin expressed his pleasure at the growth of the work and enjoyed meeting old friends.

He and his family have spent nine years as missionaries in Borneo. Backward conditions in the part of Bornie where he works make travelling difficult especially during the rainy season when they have 200 inches of rain. Mr. Warkentin reports that conditions are definitely improving.

After the morning service a banquet was served to approximately forty people by the Ladies' Aid of the church, in the church basement.

WANT ADS
