Overpass Controversy Continues; Delegation Flying To Gagliardi

A special plane has been chartered by Langley Municipal Council to take a delegation of 33 persons to present a brief to Highway Minister P. A. Gagliardi on Thursday, March 10. The revised brief, requesting grade separations each mile over the new Trans-Canada Highway was published in this paper recently.

Together with Reeve D. W. Poppy, all members of the Council and D. J. Doubleday, Municipal Clerk, the following representatives of local organizations will travel to Victoria, leaving Vancouver at 8:45 a. m. and returning at 2:00 p. m.:

D. Weggesen, Willoughby, Community Association; J. Breler, Langley School Board; H. W. Brown, Aldergrove Chamber of Commerce; J. E. Scott, Aldergrove Fire Department; L. Stade, Aldergrove Agricultural Association; O. Ollinger, Aldergrove Elementary PTA; L. Davis, F.V.M.P.A.; D. Shantz, B.C.A.I.C.; C. M. Jeffrey, Aldergrove United Church; G. W. Brooks, Coghlan Community Association; M. Twenlow, Beaver Womens' Institute; Roy Tapp, East

Operetta By LHS Students

The students of Langley Junior-Senior High School are presenting the operetta "The Girl of the Bandler" on two successive nights, March 11 and 12, at the Langley High School gymnasium. The time for each performance is 8:00 o'clock.

Tickets may be secured in advance early in March. A booth will be in operation March 3 and 10 at Gibson's Auction Market. Tickets will cost 75c for adults and 50c for students.

The music and lyrics of "The Girl of the Bandler" were composed by Mr. John F. Leonard of Langley. The setting of the operetta is Mexican, the music is gay, and the dialogue amusing. Special costumes and scenery are being prepared.

The cast includes Rudy Meszaros (Carlo), Lila Haney and Myrna Spence (Theresa), Roy Aspinall (Don Amona), Richard Selser (Hasings), Maureen Snay and Lois Schiller (Maria), Grant Wilson (Slugg), Tony Jonsson (Slyme) Roberta Armitstead (Angelina Buzz), Irene Olejnik (Toots), Jim Asenton (Baggs), Roddy Brooks (Gonzola), Ken Schiller (Shorty), Mary Braun (Mrs. Temaldchyde), and John Manly (Scarlet Hand).

Everyone admires a non-conformist, some one who is not afraid to defend what he believes in. R. M. Shurle's TV (Continued on page 4)

AROUND TOWN

By Ted Horne

Why can't everyone keep his mailbox as attractive as Mr. H. E. Penzer on the Trans-Canada Highway does? Since most are so badly worn and battered, it is a pleasure to see that some one still cares enough about the appearance of his mailbox to keep it well painted.

The spirit of Christmas lingers on and on. The CBC has finally finished all its Christmas broadcasts, most of the hill collectors have triumphed, but only a few days ago Mr. F. Dams received another Christmas card.

Weena, Mr. J. R. Ingersol's race horse, is in the dog house. Mr. Ingersol suffered a nasty collision with Weena's foot, and was taken to Langley Memorial Hospital with bad bruises and sore chin and eyes. No word is available on Weena's condition, but we suspect she'll be turning up in a hamburger before long.

The man walking down the street looked the model of a perfect gentleman. He was fortified against the cold by a heavy coat, cap and rubber boots. His countenance reflected philosophical appreciation of the beauty of the newly-fallen snow. He was in dress and manner a perfect gentleman. Wonder why everyone was staring at him. Maybe it was because he was carrying a gorgeous red purse.

A couple of student reporters were driving on Boundy Road, when their ever-alert eyes were caught by a body partially buried in a snow drift. A quick check revealed a small boy sucking on an apple.

Everyone admires a non-conformist, some one who is not afraid to defend what he believes in. R. M. Shurle's TV (Continued on page 4)

TEACHERS' BASKETBRAWL — The annual Students' Council vs. Teachers Basketball Game was held on Friday March 4. The victorious "Staff Room Seal Warmers" are shown below. Left to right: Hurling Mickey, Bob Forrest, Whirlwind Gow, Kareless Kinnis. Top row: Flat Fire Thompson, Everready Redkop, Knockout Neumann, Misting Rough House Rice.

Pardonnez L'absence D'accents

MAIS

Nous, les élèves de la classe de français de quatrième année de l'école secondaire Aldergrove, sommes contents d'avoir l'opportunité de démontrer notre connaissance de la langue française.

Cependant, a notre avis, on devrait commencer l'étude de cette langue a environ la troisième année de l'école élémentaire. Car, apres tout, le français est la langue d'une grande partie du peuple de ce pays immense. Une meilleure connaissance de la langue française est a desirer. De cette facon, les Canadiens de l'ouest seraient bien a l'aise en voyageant dans la province de Quebec.

Le français, la langue la plus précise du monde, n'est pas difficile a apprendre. Nous voudrions bien voir plus de jeunes gens, ainsi que les parents s'intéresser dans l'étude de cette langue.

Reeve Poppy Will Present Bravery Awards

A letter was received from the Deputy Provincial Secretary at the Council meeting on Feb. 29, stating that the Royal Canadian Humane Association awards to Bruce McLean and Edward Cook have been made to them. Reeve D. W. Poppy is to make the presentation to the boys at a future meeting of Council.

Farmer Loses Chicks In Blaze

The quick action of the Aberdeen Volunteer Fire Department prevented the complete loss of a large chicken house on Friday evening, March 4, about 10 o'clock. Jack Nichol, Aberdeen poultry farmer, lost about 1250 chicks when the brooder caught fire. A mechanical defect in the thermostat started the blaze.

Farmers using propane heaters in brooders are asked to check the thermostats. Full extent of damage to the chicks will not be known until the end of this week since many are still suffering from smoke damage.

Accident Sends Man To Hospital

A South Coghlan man is in the hospital after a spectacular tractor accident on Wednesday, March 2. Martin Grabarek was backing up when the tractor skidded into a gravel pit. It flipped over twice. Grabarek tried to jump free, but his leg was pinned by the hydraulic arm.

There was only minor damage to the tractor. Although he has no hospital insurance, Grabarek is very pleased with the meals and service at Langley Memorial Hospital.

DATE PAD

Mar. 11—There will be a Junior Forest Warden meeting in Bradner Community Hall at 7:30 p. m. Guest Speaker will be Staff Sergeant Robert Smith.

Mar. 11—Whist Drive, Orange Hall, Otter, at 8 p. m. Sponsored by Otter W. A. to Langley Memorial Hospital.

Mar. 12—Bradner Community Club, dance at Bradner Hall. Proceeds for new hall.

Mar. 14—A group of students from A.H.S. will attend the Chamber of Commerce meeting. They will hear Bruno Giacomani speak on 4-H work. Ted Horne will present his winning speech on School Textbooks.

Mar. 16—The Aberdeen-Bradner Hospital Auxiliary will meet at the home of Mrs. George Main at 2 p. m.

Mar. 16—Chapter Meeting in Otter Credit Union Hall, Otter Road at 8 p. m. for Credit Unions.

Mar. 16—Regular Whist Drive, Aberdeen School, 8 p. m.

Mar. 19—Variety Supper, United Church Hall, sponsored by Women's Federation. 5 p. m. to 7 p. m.

Mar. 19—Otter Cubs and Scouts will sponsor a Bottle Drive, all day long. If you have bottles contact any of the Otter Cubs or Scouts.

Mar. 19—A Fund-raising Dance will be held in the Bradner Hall, sponsored by the Bradner Community Club. A Vancouver orchestra has donated its services for the evening. Everyone especially welcome.

Mar. 19—Coghlan Scouts and Cubs will sponsor a bottle drive, starting from County Line School at 10 a. m.

Mar. 19—The Otter PTA will be holding a Spring Carnival in the Otter School at 8 p. m.

Mar. 19—The County Line Juvenile Boys' Softball Clubs will sponsor a Box Social and Dance at 8:00 p. m. in the County Line Hall.

What nobler employment, or more valuable to the state, than that of the man who instructs the rising generation. —Cicero, 78 B. C.

This Issue Written By A.H.S. Students

In complete charge of this week's issue of The Aldergrove News are six selected students from Aldergrove High School.

This Education Week project has been undertaken with cooperation from the school board and school staff, and during the week all branches of newspaper work, with the exception of advertising, have been the responsibility of the following six students: Ted Horne, Tiny Trass, Gwen Braun, Howard Rice-Jones, Janina Olejnik and Arthur Jackson.

Any articles not printed this week will be seen in next week's issue.

Students have had their own choice of subjects and have been given a free hand with reporting. As a climax to their week's work, five of the temporary student staff attended and reported a school board meeting.

Farmer Loses Tractor, Car In Fire

An Aldergrove farmer, E. A. Dick, of 5818 Otter Road North, suffered severe loss from fire on Tuesday evening, March 1, when a shed containing a tractor and a car went up in flames, about 10 p. m.

The owner stated that he thinks the fire was started by a spark from a nearby stump pile. He carried no insurance, and lives two miles outside the Aldergrove fire zone.

The same evening, about 7 p. m., another fire struck outside the fire zone. The fire occurred on the Roberts Road a half mile east of the Jackson.

CHIMNEY FIRE

Yet another chimney fire occurred Thursday morning, March 3, at the home of Ben Norda in Aldergrove. The volunteer fire department rushed to the scene and quickly quelled the blaze. On the roof, from left to right, are John Smalberg, Len Baird, Dave Dams. Being across from the Aldergrove Elementary School, it afforded a good opportunity for a class of primary students to see firemen at work. (Aldergrove High Photo)

ATTEND CONFERENCE

Susan Loucks and Don Staff attended the High School at U.B.C. on Friday, March 4. They were sent as representatives from Aldergrove High School. (Student Photo)

GOD SAVE THE QUEEN

By Ted Horne

Recently another son was born to Queen Elizabeth II. Rejoicing spread immediately from the crowds in front of Buckingham Palace throughout the United Kingdom, the British Commonwealth, and the "Republic" of the United States. Our own Prime Minister sent a congratulatory telegram to the child's parents.

At the same time, relatively few people were concerned about the fate of the new prince. He must certainly live like his family—with less privacy than a goldfish has, every move and action commented on, attending dreary banquets and tea parties, opening buildings, making arduous tours. He will be sheltered from the people of his country, completely isolated, and brainwashed with the idea of his own superiority.

Is all this necessary? We have laws to prevent cruelty to dogs and horses. Do we think human beings are not entitled to the same rights as dumb animals? The inevitable conclusion is that we do.

Support for constitutional monarchy as a system of government seems to be waning. No amount of warped logic and rationalizing can justify the multi-billion dollar burden it places on British taxpayers. It is impossible to defend the condemnation of a helpless infant to a lifetime of misery.

God save the Monarchy. Let them abdicate.

YES! WE STILL NEED A MONARCHY

By Janina Olejnik

Much has been said against the unfairness and uselessness of a hereditary monarchy in the British Empire. The long list of Dukes, Lords, Earls, Knights, as well as the higher positions of King and Queen, have been condemned mostly by those not in line to receive a title.

The recent statements say the expense of maintaining the Queen and her consort, both at home and abroad, has been enormous. They have mentioned the enormous cost of the Royal Yacht Britannia, Buckingham Palace, and other family castles. They have deplored the expense on the colonies or countries which royalty tours. What it does not mention, is that the millions of dollars spent by tourists who flock to the country hosting the monarchy and the revenue from the royal estates, pay her expenses. British subjects do not pay one cent in taxes to support their Queen!

The Royal Family has been criticized as raising their family in a protected manner. Nothing could be further from the truth. Our present monarch has done more than any previously to give her children a normal childhood, even though the news follows their every move.

The Queen is considered by many as a martyr, condemned, criticized by her people as an unnecessary burden on the taxpayers. Others call her a puppet leader, a would-be ruler. This charge is ridiculous. The Queen is not a ruling power. She is a figurehead. She gives the Empire a feeling of unity, by being the head, if not actually, then in theory.

The Empire needs the monarchy, to look to in war, as well as in peace. Long live the Monarchy!

Letter TO THE EDITOR

To Mr. Ted Horne, Student Editor, and the Students of the Aldergrove Junior-Senior High School.

Hello, there:
I think everyone, before they reach the age of 21, aspires to be the editor and publisher of a newspaper, but to very few comes the opportunity that you have in publishing the March 9 issue of the Aldergrove News.

R. M. STRACHAN, M.L.A.

The many student class and school journals which are now put out indicate the urge which so many of us have to put our thoughts on paper, and I know that your experience in this endeavour will be a highlight of your school year.

As the leader of her Majesty's Loyal Opposition, I appreciate the work done by the daily and weekly newspapers of our province and I know that after this you will have a good understanding of the importance of our newspapers and a free press in our society.

But just a word of warning. As a person in public life I want you to know that nothing is more irksome than having my name spelt wrongly, so if you wish to avoid the wrath of the citizens of your district be sure and spell all the names correctly.

I wish to congratulate the publisher of the Aldergrove News in making this possible for the students of the Aldergrove Junior-Senior High School.

Scouting activities

By "Skip" Huston

SPECIAL NOTICE

Skip has been writing the Scout news column for almost two years now and feels that it is about time for someone else to have a go at it. The number of troops and boys in the district has increased over the last two years and subsequently Skip is pretty busy with organization, planning and assisting Mr. Greer, so, Queen Scout Chris Johnson has been appointed to report your activities and news. Skip will continue writing part of the column under the heading 'Skip Says' and will cover district events, training and special items. Future reports from troop scribes are to be directed to Chris Johnson, District Scribe. SKIP SAYS

Congratulations to Chris, he has been doing an excellent reporting on 1st Langley's activities and I am sure he will do even a better job of covering all the troops' doings. I would like to thank all the scribes for their support and reports that they have sent me and to express the hope that they will give Chris even more help.

Patrol Leaders, remember that we have a District Court of Honor meeting planned for Saturday, March 19, 10:00 a. m. in the basement of the Municipal Hall, on the highway opposite the hospital, let's see all the P. L.s there.

The outing to Lost Lake is going ahead as planned and I would like to say 'sorry' to the boys that can't make it. We will be taking only one patrol this time, Chris Johnson's crew, but the rest of you will get out on something else very soon. Maybe we will make a return trip to Lost Lake, if we can find our way!

The weather is surely getting nice, and it's about time some of you started moving out of the halls and into the fresh air, let's hear about some outdoor activities.

1st LANGLEY 'FALCON'

The March 2 meeting of the troop saw the Investiture of three boys. They were: Robbie McMullan, who was made a member of the Owl Patrol and Ron and Reg Acton who became Hawks. (Good Show boys).

The troop also welcomed a new member. He is Brian Kingman who will also become a Hawk. (Glad to have you in Scouting, Brian).

The Falcons built a draw-bridge last Sunday in preparation for the coming district competition, which they hope to win. Although it could not be termed a smashing success, it is felt that the troop did learn something.

The boys spent the remainder of the evening preparing for the competition. The Falcons will not lose the shield without a struggle. This preparation took the form of studying a model constructed by S. M. Parkinson and building chariots for practice in lashing.

Despite the grueling, quarter-mile race around a shopping center parking lot, only one chariot disintegrated, dramatically demonstrating the quality of the lashings.

Some relays provided the anticlimax for the evening.

1st MURRAYVILLE TROOP

1st Murrayville troop has been very busy during the month of February, earning a total of six badges in addition to proceeding with First and Second Class requirements.

On the evening of Feb. 6, the 1st Murrayville troop was the guest of the 1st Brookwood troop on an outing to the YMCA in New Westminster. Mr. Carl Hessey passed Alex Bishop, Daryl Hanson and Eldy Johnston in their Swimmer's badge. (Congratulations boys). Several other boys passed their First Class swimming requirements.

Marvin Foss and George Alder were presented with their Horsemen's badge on the meeting of Feb. 8. (Nicely done).

Ricky Barichello has passed the requirements for his Dairyman's badge which was presented to him on Feb. 22. (Nice going, Ricky).

The Murrayville boys played host to the 1st White Rock Girl Guide company for a Valentine's party on Feb. 13. Games and a dance were followed by box lunches prepared by the girls.

It's going to be very difficult for Murrayville to top February in all round activity.

'Grove Library Grows Rapidly

Our local library is growing with astounding rapidity. Membership has increased to 252. During February, 1153 books were borrowed. These included 335 adult fiction, 177 adult non-fiction, 480 juvenile fiction, 164 juvenile non-fiction. On Feb. 27 alone, 184 books were taken out. This was at the rate of one per minute. On an average day our library loans 65 to 70 books.

To be a schoolmaster is next to being a King—Erasmus, 1436-1536.

Report from Parliament Hill

By W. A. McLennan, M. P.

A resolution to set up a Medical, Dental and Optical Insurance scheme was talked out this week. It was contended that such a plan would have the same effect as it had in Great Britain—much lower medical standards. It was proposed by two prominent doctors that some type of Disaster Insurance be established, either partly or wholly under Government control to prevent the family's savings being entirely wiped out by costly long enduring illnesses.

The debate on the Supplementary Estimate to provide 15 million for the Winters Work Program still drags on. The Federal Government pays half the labour costs for approved municipal works project, and this is their estimated share of the cost. It is designed to create employment in the winter months and although not a cure all by any means, it is helpful and a step in the right direction. I am afraid more consideration is being given to playing politics in the debate than is being given to making suggestions to find ways and means of creating employment.

Already two days have been taken up on the bill to Abolish Capital Punishment without a decision being reached. It is indicated another day is to be set aside for its debate and there are seventy odd members who have indicated their desire to participate. If they are all allowed to, it will take three or four more days. It is the consensus of opinion that if the bill was voted on as now presented, it would be defeated by three or four to one.

I think it is generally felt the Government should take the responsibility to amend the act by setting up degrees of murder, with appropriate sentences for each degree with a Judge and Jury to decide each case on its merit.

The second United Nations Conference on the Law of the Sea to be held in Geneva in March or April 1960 will provide a challenge to the Nations of the world to achieve a complete and valid code of International Maritime Law. The second Conference could quite likely be the last opportunity for many years to reach agreement on the questions of the breadth of the territorial sea and of a coastal state's fishing rights. It will thus be presented with a choice between the orderly development of International Law and the chaos which could result from a failure to meet this challenge to create new principles for the Law of the Sea. Canada at the last conference took a leading role in advocating a 12 mile exclusive fishing zone. If the Canadian proposal was accepted all coastal states would acquire a six mile territorial sea, plus a further six mile exclusive fishing zone. Under Article 24 of the Convention, coastal states would also obtain in the outer six mile zone control for customs, fiscal, immigration and sanitary purposes.

Census Of U. S. Residents In Canada Starts

The United States Census Bureau is endeavouring to include in the 1960 general census a count of all United States citizens residing outside the United States with the exception of bona fide tourists.

Every United States citizen resident of British Columbia is urged to cooperate and participate in the 1960 census and pass the word to United States citizens who may not have heard of the project.

Census forms may be obtained by writing to the United States Consulate General, Burrard Building, Vancouver, enclosing an addressed envelope. The forms should be completed on April 1 or as soon after that date as possible, sealed and returned immediately to the Consulate General in Vancouver.

So You Want To Take Photos
By Howard Rice-Jones
Many years ago a man would open a shutter, count off a few seconds, and close it again. He then would proceed to fumble around in his under-equipped darkroom until he came up with his masterpiece—a dull, grainy, picture that was often too dark or too light for a person to decide what it was. That was photography.
Today photography is, if you wish it, a fully automatic hobby. Polaroid cameras should receive most of the congratulations. With one, you have a complete photographic unit. One minute after you have clicked the shutter, the completed picture is pulled out from the camera. There are many other devices which help the amateur photographer. Light meters are one of the best investments for him. After a year of picture taking, the meter will probably pay for itself through the film saved by correct exposure.
Fast films are one of the most recent developments. Film speeds range up to A.S.A. of 2000. With these a person can take a picture of a lighted candle in a dark room without the aid of auxiliary lighting.
Most of the expensive cameras and some of the cheap ones have automatic devices. Some have coupled rangefinders. This simply focuses the camera. A better method to focus the camera and eliminate parallax is to use a reflex camera. Some also have automatic diaphragm setting.
Photography, though having a high initial cost, is enjoyed by many. It is a lifetime of enjoyment for every one.

Young People Hear Student Preacher

Guest preacher at an Anglican Young People's service in St. Dunstan's Church on Sunday was Barrie Jenks of the Anglican Theological College, Vancouver.

Don Malins, another Theological student, took the second part of the prayers.

Members of the local group were joined by St. Matthew's AYPA from Abbotsford and some of them also took part. Tom Pope, president of St. Matthew's AY read the first lesson and the local president, Phillip Green, read the second. Victor Endacott and Richard Green were sidesmen for the service. Light refreshments were served to those present following the service.

USE THE WANT-ADS

Driver Training Cuts Accidents

School-trained drivers are involved in only half as many accidents as untrained drivers, says the B. C. Automobile Association, which has joined a nation-wide campaign to have driver tuition placed on the curriculum of high schools across Canada.

The BCAA points out that figures show that 88 per cent of teenagers drive cars as soon as they can get licences. Furthermore, 31 per cent of accidents are caused by 18 per cent of drivers—those between the ages of 16 and 25.

The effective way of teaching the young to live on the road is to give them scientifically conducted driver training in school, the BCAA maintains.

"Most teenagers still learn to drive by archaic methods. Dad's knowledge of driving techniques is now probably outdated. Teenage friends are hardly more competent to give driving lessons."

Insurance companies charge an additional premium for male drivers under 25 but a number of companies offer a reduction of 15 per cent on the premium to those who have completed a course in driver training in high school.

Teenagers themselves are eager for formal instruction.

On the other hand, Departments of Education say that high school curricula are overcrowded. Nobody would contend that educators are not harassed. They do, however, manage to give other courses to students that could fairly be considered of less importance than driver education.

In support of this view, the BCAA says "driver training may do more constructive good in the development of good social attitudes than all the films on mental health strung together."

Message From Premier Bennett

In the maintenance and continued vitality of our democratic process there is undoubtedly no greater factor than a free, vigorous and duty-conscious press.

Theirs is the responsibility of informing the public on issues of local, provincial and national importance, of acting as a "watch dog" in the conduct of public affairs, and of presenting impartially the various points of view which mold public opinion and stimulate political action.

Clearly this is a responsibility which implies a high degree of technical skill and integrity. I know of no better method through which these qualities can be fostered than projects such as the one being undertaken in this issue of the Aldergrove News by students of the Aldergrove Junior-Senior High School. To the newspaper for turning over its facilities for this project and to the student editors go my heartiest congratulations.

W. A. C. BENNETT,
Premier of B. C.

Langley Teachers' Association Sends Congratulations

John H. Redekop
President Langley Teachers Association

"The Langley Teachers' Association would like to extend hearty congratulations to the student staff responsible for this issue of the News."

"The teachers of District No. 35 are proud of the students in our schools. Generally speaking, our students are able and eager. This initial publishing venture is another expression of their resourcefulness, ingenuity, and maturity. We are convinced that by far the majority of our students are the best that can be

found anywhere.

As teachers, we like to think that we are partly responsible for the high-quality product our school system is capable of producing. We may be pleased with what we see, but we are never satisfied. We are determined to do all we can for those who have been put in our charge.

We would also like to compliment the publishers and regular editorial staff for initiating this educational venture. We trust that this will be an annual affair. We feel that this is an excellent bridge between the classroom situation and practical re-

This is the task of a liberal education: to give a sense of the value of things other than domination, to help to create wise citizens of a free community, and through the combination of citizenship with liberty in individual creativeness to enable men to give to human life that splendor which some few have shown that it can achieve.
—Bertrand Russell.

Our community can take real pride in its educational system in general, and in its outstanding students in particular. Conversely, our students, no doubt, appreciate the fact that it is a special privilege to live in a community which is determined to give its students the greatest of educational opportunities.

Young People Honored Guests Of F.V.M.P.A.

Several young people will be honored guests of the Fraser Valley Milk Producers' Association at its 43rd Annual Meeting in Mission City.

Winners of FVMPA awards during the past year will be introduced to the membership at the Friday morning session on March 11 in the Canadian Legion Hall.

Coming from Vancouver Island will be the 1959 4-H Project Demonstration winners at the PNE, (the Saanich 4-H Goat Club) consisting of Rose Cauling, John and Paul Howe, and club leader Mrs. C. Maule.

The two 1959 recipients of Association bursaries at the University of B. C., Loretta Reynolds of Langley and Peter Cheeke of Saanichton will be on hand to meet the membership.

Juanita Friskey of Abbotsford, top folk dancer in the Fraser Valley Musical Festival, has taken home the FVMPA Trophy three years running. She will display her dancing ability at the Friday session.

Last year's champion junior plowman at the Chilliwack Plowing Match, Wayne Loreen is another of the dairy cooperatives' award winners who will be at Mission.

A highlight of the FVMPA Annual Meeting has been the repeat of the winning talk by the Upper Fraser Valley Junior High School Public Speaking Champion.

This year three newly-crowned orators will be at the meeting. Just the first-mentioned winner will address the gathering of dairymen.

The Value Of A Junior-Senior High School In Your Community

By H. W. Brown, Pres. Aldergrove Chamber of Commerce

Whatever is good for our community is good for us. As business men, we want our community to be attractive as a place in which to live and bring up our family, but also must be attractive so that it will draw new people and new industries, so that we will have an expand-

ing and prosperous community. In our interests, we have sponsored local improvement by-laws, so that now we have our hard-surface roads, permanent sidewalks in the business section and our tree-planting project finds favor.

Without a literate group of buyers for our merchandises, the demand for our goods would be limited to the bare necessities of life.

Without a literate population, our community life would soon drop back to the level of serfs under the domination of a leader of chief.

Without a literate population, we would be unable to offer prospective employers the kind of personnel they need to do the job or direct its management at

H. W. Brown

various levels. The building of the Aldergrove Junior-Senior High School was not simply having another school in our community but it, marked one further step in our development as Canadian business men. We are now able to offer anyone who wishes to come to our community, educational facilities to the end of Grade 12, which are equal to those found in any other place in Canada.

But, as business men, we know that having created a demand we cannot stop an aggressive promotion programme and hope that the product will continue to attract buyers. So it is with schools. We have the school plant available for all who will accept it for their formal school years, but there remains a greater number of us who would like to continue our schooling if we are to meet the demands placed upon us by our free enterprise system.

This school in Aldergrove gives each of us an opportunity to up-grade our standard; to improve our efficiency; to make us more competitive; to make us better informed citizens than ever before.

The Junior-Senior High School in Aldergrove is an opportunity for our children, but it is also an opportunity for all of us adult members of the community.

AHS Photo Club Active

The Photography Club of the Aldergrove High has been very active this year. The main objective of the club is to provide the school annual with pictures of clubs, games, assemblies and other activities.

The club members learn to set up, process and count pictures. Displays have been made and picture sales at the school have been held.

Pete Swenson is offering three of his prize-winning photos to club members for best pictures taken, processed and mounted by them.

Youth thinks intelligence a good substitute for experience, and his elders think experience a substitute for intelligence. — Lyman Bryson.

Sticker room supplies are loaned free by the Canadian Red Cross loan cupboards in 546 communities of Canada.

Ply us poor students on the Aldergrove News who work with Mr. Don Anson and Mr. Don Hanson!

PINE GROVE

House guests all last week at the home of their parents were Mr. and Mrs. Bill Davis Jr. of Pemberton; Mrs. Kay Faucett of Kellogg, Idaho; Mrs. Fernie Watson and sons, Lief and Perry, of Carlisle, Sask.; Mr. and Mrs. Glenn Davis of Alameda, Sask.; and Mr. and Mrs. Jim Davis and baby of Calmar, Alberta.

They all arrived to help celebrate the 50th wedding anniversary of their parents, Mr. and Mrs. William Davis Sr., which was on March 3. The celebration was held in Pine Grove Community Hall Thursday evening with the Pine Grove W. I. helping with arrangements.

The head table, at which all the Davis family were seated, was centered with a beautifully decorated three-tiered wedding cake, the work of a neighbor of Mrs. Davis, Mrs. Rosella Schmidt. On either side were lovely floral pieces donated by Mrs. Davidson, as was the floral centre on the buffet table. With vases of daffodils and forsythia, arranged about the hall by Mrs. Ethel Taylor, and with decorations of gold and white streamers and bells, they made a nice setting for the occasion.

Mrs. Helen Jackson was in charge of the refreshments while Mrs. Una Peardon prepared the evening's program. Misses Frances and Jeanne Schmidt played a cello and piano selection and also sang "When You and I Were Young, Maggie" with their mother accompanying them on the electric guitar. This was followed by the 50 years of marriage of Mr. and Mrs. Davis being acted on the stage in a series of fourteen scenes, while Mrs. Peardon read their story from facts of their life given her by the family, from which she prepared the scenes. The young folks who did the acting were Bud Holden, Judy Lesyk, Linda, Connie and Bobbie Lipsey, Sharon, Patsy and Michael Fleet, Allen Jackson, Fred Stewart, Doug Peardon, Peter Voight, Brian Jansen, Wayne Smith and little 1 year-old Randy Bartsch.

Many friends from Abbotsford and Mission also attended. The toast to the honoured couple was given by Mr. Federspiel, who recently celebrated his own 50th anniversary.

Abbotsford Socreds Meet

The Abbotsford Social Credit group held its monthly meeting in the Parish Hall. During the business session a film on the development of British Columbia was shown. The group is grateful to the B. C. Electric for the use of their films and to the Clearbrook News for carrying the news reports.

Rev. A. B. Patterson, former M. P. for the Fraser Valley, and new national organizer for the Social Credit movement, spoke at the meeting. He finds a favourable atmosphere for Social Credit across Canada. He also announced that the National Social Credit Leadership Convention will be held on July 19-21, in the Landsdowne Park Stadium, Ottawa, Ontario.

Next group meeting will be held on the second Tuesday of April, at 8 p. m., in the Abbotsford Parish Hall.

NORTH COGHLAN

Members of the Cubs and Scouts will be calling on everyone on Saturday, March 19, during their bottle drive. Funds are needed for general expenses and uniforms. The boys are looking for a successful drive. They will be on the road early, so kindly be prepared for them in order to facilitate matters. The Committee thanks you in advance for your co-operation.

Members of the leathercraft class at Langley Night School joined with the group and instructor, Mrs. McClary, at a turkey dinner in the "Chestnuts" Supper Club, Langley on Monday evening. A happy time was spent. This terminates the classes for the 1959-60 winter session.

Possibly due to the scarcity of feeding supplies the robins and other birds cleared the holly berries of the holly trees in this district. We had never seen the trees so beautiful with berries as they were this year, before the invasion by the birds following the recent heavy fall of snow.

Mr. and Mrs. Dick Davis, were also present. Dick lives next door to his parents. This was the first time in twenty-three years that all the Davis family have managed to get together at the same time.

ELKTIVITIES

By
By Elkart

A lively and progressive meeting was held in the Lodge Rooms at Aldergrove Tuesday, March 1st, with Exalted Ruler Bro. Schmahl presiding. There were 26 members and 4 visitors from Cloverdale Lodge present. They were Exalted Ruler Bro. Wood; Past Exalted Ruler Bro. Neufeldt, and Bros. Paloveski and Moran. Their mission was to see if it would be possible to form an Elks' Patrol Team among Cloverdale, Langley and Aldergrove Lodges, to carry on drill team work in connection with installations and other various ceremonies. I believe this is a splendid idea as it adds a lot of color and dignity, witness the Westminster Patrol Team who have been out to our installations on numerous occasions. They certainly added a great deal of sparkle and color in their full dress uniforms. Also, their precision drill was a treat for anyone to see. Keep this idea in mind, brothers, and let's have further discussion on it as our next meeting, March 15.

A nice contingent of Brothers attended the District Meeting, Sunday Feb. 28 at South Burnaby Lodge. All reported a fine meeting and a good social get-together afterwards.

District Deputy R. Gagnon presided and the Exalted Ruler from Burnaby Lodge gave a brief address of welcome. Visiting dignitaries included Past Grand Exalted Ruler Bro. W. Alton of Powell River Lodge; Grand Loyal Knight Bro. J. Idler of Cloverdale; Past District Deputy Bro. E. Storey and District Deputy Bro. A. Eden of our home Lodge, also all the Exalted Rulers from the various lodges. Each gave a resume of their activities to the present time. Bro. Jack Idler took over the duties of Judge Advocate, of which he is a past master. I understand he passed out a number of fines among the brothers for their various misdemeanours. It all added to a more enjoyable meeting. Twelve members went along with District Deputy A. Eden to Mission Lodge recently on the occasion of his official visit. Also in attendance were Bro. Sam Dare, Grand Lodge Trustee of Westminster Lodge, and Grand Loyal Knight Bro. Jack Idler.

Octogenarian Passes Away

Nellie Kerken of Mt. Lehman Rd., Matsqui passed away in her 80th year at Cottage Hospital, Abbotsford on March 1, 1960.

She was born in England May 1, 1880 and has lived in this district for 37 years. She is survived by her sister, Mrs. Bessie Cox.

The funeral service was held on Friday, March 4 at 1:30 p. m. at Henderson's Funeral Chapel, with Rev. N. Calland officiating. The interment was at Mt. Lehman Cemetery.

ABERDEEN

Gordon Newell, Trans-Canada Highway, lost his barn in a fire over a week ago. The fire started from a pile of rubbish which was being burned. Either a spark or an unobserved fire along the dry grass must have set it off.

Only livestock lost was one pet rabbit. Also lost was a brand-new electric pump and a bath tub, which had been too large to be stored in the attic with the other fixtures. Furthermore, a bicycle and 3 tons of hay were lost.

There was no insurance. Ironically, the pile of rubbish, too wet to burn, is still standing!

Aberdeen Fire Department was also called out last Wednesday to a chimney fire which burned a hole in the roof of the home of A. Boseman, Ross Road. Aberdeen Birthday Club met for the first time in 1960 at the home of Mrs. Alfred Gledhill, in honor of Mrs. P. Jones. Mrs. H. Fowles won first prize at whist. M. Moran received a consolation prize. Refreshments were served.

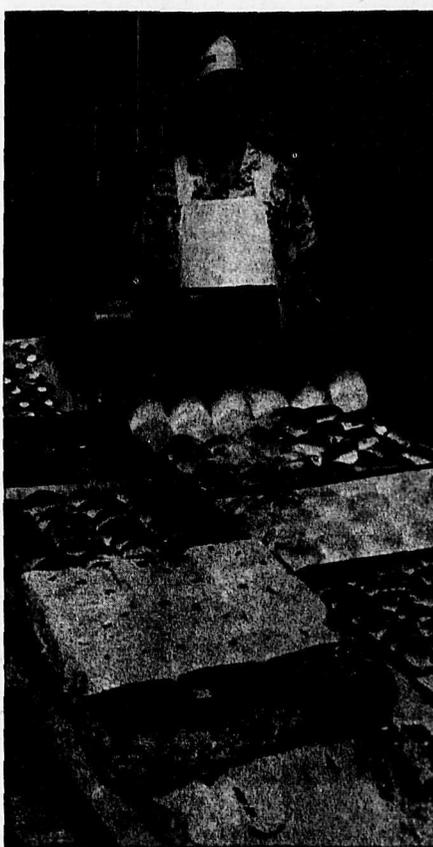

Due to unforeseen circumstances, I have to resign my position. Does anyone care to apply for the job?

BRADNER

Weekend guests of the Fred Sloggett home were two of their daughters and their husbands. They were Mr. and Mrs. Olive Lowes with son, Phillip, from Vancouver, and Mr. and Mrs. Chet Simpson and son from Barriere.

The Ladies' Auxiliary to the Community Club met at the home of Mr. and Mrs. Dick Ehrenholz to make final plans for the dance to be held on March 12. All proceeds will go towards building the new hall. Mrs. Orth assisted the hostess.

Mr. and Mrs. A. V. Lehman went to the "Open House" held at the home of Mr. and Mrs. Sutherland in Vancouver, for the Fraser Valley Rock and Gem Club.

NEW OVEN — Art's Pastry Shop has recently installed a 96 loaf revolving tray baking oven which many local people have already seen. Art Dingley is seen here standing in front of a table of fresh baked goods which he is now able to turn out in great variety. (NEWS Photo)

EDUCATORS ENCOURAGING

By Don Hanson
Principal Aldergrove High
Contrary to the beliefs of the much-quoted Dr. Julius Sumner Miller, I do not think that young people of today are going to the dogs. As I deal with these boys and girls, both in the field of formal education and extra-curricular activities, I find them to be more mature, outspoken and self confident at an earlier age than any past generation.

Despite what we hear to the contrary, modern youth is conformist and security conscious. Everybody wants to be like everybody else. They hold a realistic conservatism and purposeful view of life that probably would have seemed strange and a bit drab to adolescents of bygone decades. This is a worry to a great many people because the future of democracy is in jeopardy if entire generations grow up unaware of the importance of basic freedoms and are unwilling to struggle for them.

I do not go along with another widespread belief that young people are rebellious against authority. I believe they need and want restrictions placed on their activities by parents, teachers and others.

On the whole, I think their instincts are generally healthy and wholesome. I believe the prime influences on young people are still the home, the school and the church.

All this poses a challenge to adults, parents, teachers, clergy and youth workers. Our responsibility is to help develop all of these positive characteristics and help correct those that are not good and worthwhile.

By Trevor Beggs

Chairman Langley School Board
In my hardware business it is essential that I take stock once a year. In checking over the inventory, it is important that I know my stock and how it is moving. My stock of goods must include the regular hardware, but I must also have the newly-developed specialties on the shelves in my store. Unless I have several lines of goods and a good stock, it will not be long before the store will attract fewer customers and I will be out of business.

Education Week is a time for taking stock of our local educational system, and as I have been thinking over the matter, I drifted into thinking in terms of athletics. You know how much I enjoy almost any kind of competitive sport. After all, I grew up playing in organized games of hockey and baseball. While I still enjoy these old games, I am now an ardent football booster. In education, as in football, we want a first-rate professional team so as to have the best kind of performance.

To meet this demand, we organized, confident the fans would give us support if we delivered a good brand of ball. Among the fans are those who will join the club. They are the ratpayers. From among the club members are elected the directors or trustees. It is they who determine the pattern for the team and really decide whether the park, equipment, local players and imports will be the kind required to enable us to get to the top of the league.

Our general manager is the district superintendent, while the quarterbacks are the principals, and the teachers are the

Staff Room Seat Warmers Fluke Win Over Cafeteria Commandos

By Bob's Jackson and Mad Dog Horne
The date was March 4, 1960. The scene was Aldergrove High School Gym. The event was the annual basketball game between the students and teachers for the coveted Horse Collar Trophy.

The Cafeteria Commandos (consisting of Students' Council Members) represented the students. Their players included such world-famous athletes as Coach Barnyard Martens, Dennis the Menace Schmahl, Doble Jackson, Mad Dog Horne, Oh Susanna Loucks, Gorgeous George Hildebrandt, Loveable Lola Fast, Flying Phil Green, Sizzling Don Staff, and Beefy Bill Johnstone.

Aldergrove CCF Event A Success

Aldergrove CCF Club met at the home of Mr. and Mrs. Craig last Tuesday evening for their monthly meeting when new members were welcomed. During the business session the report of the Valentine Dance was very gratifying and a hearty vote of thanks was given those in charge. The vice-president then took the meeting. Mr. and Mrs. Caplette will have the club at their home for the April meeting. Members thanked Mr. and Mrs. Craig for the use of their home, after which lunch was served and the meeting adjourned.

Coghlan Man Bereaved

Jake Wall, of Coghlan Road, was called away by his father's home in Hague, Saskatchewan. His father, P. A. Wall, was taken ill and suffered a relapse following surgery. He passed away on February 27. Last fall he visited here with Jake and his family, and was in good health.

HOSTS SKATING PARTY

Paul Johnson was host at a skating party in Lynden in honor of his 13th birthday. Guests were Pat Rooney and John Webb.

its sacrifices, its traditions and its loyalties, the better. Then there is a greater likelihood, as a result of rational thought in solving problems, more effective action will take place. In acting, or failing to act, the past was formed. It is what is cherished, believed, and acted upon now that is of consequence. The future is imaginary and quickly glides into the past. Only the present exists.

Whether it be in education, as in anything else, it is by peoples actions in the present that events are determined. Today's actions shape education in Langley. Is the shaping that is taking place the kind in which all can take pride? "Education Shapes Canada's Future"; Canada is vast, perhaps nebulous—Langley is small, meaningful and close to hand. How are people acting in matters on which they can act?

The word education has been given many different meanings. Attention needs to be given to the emphasis placed upon the word in the eye-catching phrase "Education Shapes Canada's Future."

More, far more than the few hours spent in formal schooling is implied. Broadly, education is measured by total behaviour patterns which characterize the actions of individuals and groups. It involves ideals, attitudes, sense of moral and spiritual values, courage, also technical skills. These are but the result of some of the responses to the forces that play upon us from birth until death. Fortunate are those where the favourable influences have been dominant.

The future can be thought of as the synthesis of the past and the present. The more known about the past with its errors,

Observer Corps Asks For Help

Vancouver - North American Air Defense (NORAD), is responsible for the overall air defence of the North American continent, the integrated air defences of both Canada and the USA, are placed under NORAD for the purpose of mutual air defence.

Although relying mainly upon long-distance radar to effect a dependable early warning, NORAD still places important stress upon the work done by the Ground Observers Corps in Canada in passing information on threat type aircraft to the Air Defence Filter Centre at Vancouver.

When the observer in the field first spots a "threat type aircraft, he immediately makes phone contact with the Filter Centre, by use of the code—"Aircraft Flash," he then passes his information to trained plotters, who analyze the information and forward it to the relevant radar station for action. The report is there checked against information on hand and classified accordingly. If the classification is unfriendly, the aircraft is intercepted, identified or destroyed.

This civilian arm of Air Defence is still in need of help, more volunteers are required in this area to bring the posts up to strength. Mr. W. Steffen of Clearbrook, chief observer for the RCMP's Ground Observer Corps can be contacted by telephoning UL 4-9663.

Grass Firers To Pay Fire Calls
Matsqui municipal council has come up with a solution to help stamp out the indiscriminate lighting of grass fires.
Following three grass fires in two days, the council decided to pass a by-law which calls for the residents concerned to pay for attendance of the fire department when grass fires get out of control.

Jacob Janzen Passes Away
Funeral services were held on Sat. March 5 at 2 p. m. for Jacob Klaas Janzen with the Yarrow M. B. Church with Rev. Peter Nuefeld officiating assisted by Rev. P. Loewen.
Mr. Janzen was born in South Russia on Nov. 1, 1874 and passed away at Chilliwack General Hospital on March 1. He was a retired farmer and had lived in this district for 28 years.
Surviving are his wife Helen; 2 sons, Jacob at Sardis and Henry at Yarrow; 4 daughters, Helen in Vancouver, (Elizabeth) Mrs. George Epp, Yarrow, (Kathrine) Mrs. John Isaac Yarrow, (Cornelia) Mrs. Peter Siemens, Mt. Lehman; 6 step children; 27 grandchildren; 6 great grandchildren and one sister in Kansas.
Fall bearers were Jake Block, Henry Janzen, Peter Giesbrecht, Irvin Janzen, Walter Janzen, Jake Epp.
Interment in the Yarrow cemetery. Garden Chapel Funeral Home was in charge of arrangements.

PEARDONVILLE SCHOOL—Peardonville Elementary School is situated on the Huntington Road about half way between Mt. Lehman and Aberdeen Roads. It is a two-room school with six grades.

Car Accident Results In Two Charges
Damages were estimated at \$300 to the motor vehicle of Earl Robert Carlson of New Westminster in an accident at the corner of Ross Rd. and the Trans-Canada Highway.
Carlson was charged on two counts and was fined \$50 and costs for driving without due care and attention and \$25 for driving without a licence.

WPF Will Meet At Clearbrook
The annual meeting of the Western Poultry Federation will be held in the Agricultural Hall, Fair Grounds, Clearbrook, Thursday, March 10.
The Poultry Plebiscite Committee will report progress to date on the registration of producers. 110 petitions have been circulated throughout the Fraser Valley and Lower Mainland petitioning the Provincial Government to take a plebiscity of producers for the establishing of a Marketing Board for Eggs, and possibly poultry meats.
Eric Flowerdew, Poultry Director on the B. C. Federation of Agriculture, and Chairman of the Poultry Plebiscite Committee goes to Victoria this week to consult with the Minister and other Department officials on matters pertaining to the setting up of a Board.

Shower Held For Future Bride
In spite of snow and inclement weather about 14 guests gathered at the home of Mrs. Ruben Siemens for a shower in honor of bride-to-be Nancy Siemens, daughter of Mr. and Mrs. Ed Siemens.
Mrs. June Swenson of Chilliwack was in charge of games which were enjoyed by all, after which the bride-to-be opened the many lovely gifts.
Refreshments were then served by the hostess and co-hostess Mrs. Kay Goosen.

JUBILEE
Mrs. Killian is a patient in the M.S.A. Hospital in Abbotsford. Dave Sheppard is well again after an accident with his car.
Weekend guests at the home of Mrs. M. Hill were Mr. and Mrs. Chas. Bennett and Mr. and Mrs. Ken Bennett and family all of Coquitlam, also Mr. and Mrs. C. Corfe and family of Langley, and Mr. and Mrs. D. Evanoff of Aldergrove. Mrs. D. Wolfe and son, Alvin, spent the weekend at Prince George.
A birthday party was held at the home of Mr. and Mrs. Laxton on Monday night in honour of Mr. Laxton. Games with prizes were followed by lunch served by Mrs. McConnell, Mrs. Ken Bennett and Mrs. Snowdon. The ladies then presented Mrs. Laxton with a china cup and saucer. Mrs. McConnell made and iced the birthday cake.
Mr. and Mrs. R. Evanoff attended the funeral of Mr. Evanoff's uncle, Mr. Beach, at Tacoma, Wash., on Wednesday.
Mr. and Mrs. W. Love and family were weekend guests at the home of Mr. and Mrs. L. de Gans to say good-bye to Mr. and Mrs. Beach and son, Roger, who are leaving for their home in Medicine Hat after spending a few days here among their

Matsqui Police Court News
J. A. B. Chace of Mission was fined \$40 for exceeding 50 mph speed.
John Haigh of Bradner was fined \$30 for intoxication in a public place.
Rudolph Fischer of Abbotsford and Ernest Wiebe of Abbotsford were fined \$25 for exceeding 30 mph speed limit.
Five other persons paid a total of \$70 for minor traffic violations.
Charged with impaired driving, Jacob Anton Braun of Abbotsford was fined \$150 and \$6.50 costs. Howard Abercrombie of Victoria was found guilty on the same count and paid \$125 and costs.
Kenneth Mayne was fined \$50 for consuming liquor in a public place.
Lorne Fuller was fined \$45 for exceeding the 50 mph speed limit while Brent Clifford of Vancouver paid \$40 on the same charge as were Donald Peter Gunn of North Surrey and Hardy Sullivan of Newton, B. C.
Fined \$30 for exceeding the speed limit were James Wm. Hyslop of Prince George and Charles Wm. Gillege of North Surrey.
Two Matsqui juveniles were remanded for probation on charges of theft of less than \$50 and aiding and abetting in committing an offence.

Installed Gas Without Permit
Charges were laid by the provincial gas inspector's department against Clark Yull of Mission for installing gas equipment without a gas contractors permit.
Yull was fined \$25 and costs in Matsqui Court last week.

Missionaries Talk At Alliance Tabernacle
Special services with a missionary emphasis are being held in the Alliance Tabernacle each evening beginning at 7:30 thru this week ending Sunday evening.
Guest speakers are Mrs. R. G. Burnette from Ecuador, who with her husband worked among the jungle Indians in that country and Rev. Floyd Bowman a missionary to the Republic of Sudan, West Africa. Pictures are being shown each evening.

Community Club Holds Meeting
The regular meeting of the Clearbrook Community Club was held at the home of Mrs. Nick Braun.
Guest speaker for the evening was Mrs. Carney of Abbotsford who gave her impressions of the recent convention of the B. C. Council of Women.
Under discussion was the buying of playground equipment for the fair grounds.
Refreshments were served by co-hostesses, Mrs. Betty Supeene and Mrs. Henry Penner.

MT. LEHMAN
John Haak and his sister, Betty, had a miraculous escape last Friday evening during the snow storm. As they were about to cross the B.C.E. railway tracks at Mt. Lehman, they ran into a train. It badly damaged their late model car and knocked it in the ditch. John and Betty escaped with only a few bruises, scratches and shock.
Mrs. Bert James is a patient in the Vancouver General Hospital.
The W. A. of the Mt. Lehman United Church met Wednesday evening. Plans were made for a home cooking sale to be held during the Easter holidays. Mrs. Edwin Olund was appointed Superintendent and Treasurer of the Sunday School.
The Presbyterian ladies were entertained at the home of Mrs. B. J. Smith last Tuesday afternoon plans were made to gather good used clothing for charitable purposes; to buy a few more hymn books for the church; and to hold a tea of the home of Mrs. F. Edge on Mar. 15. The hostess was assisted by Mrs. M. Hanna and Miss P. Bibbings.
Mrs. Nellie Kerkin passed away in MSA Hospital last week. She was well known in the district, since she resided here for many years. She was a cousin of Misses Ruth and Lucy Owen. The funeral was last Friday from Henderson's Funeral Parlor with Rev. Coland officiating. Pallbearers were Clarke Cherry, Bill Moxon, John Buhler and Angus Ryder.

THE CLEARBROOK CHATTERBOX
In order to serve you better I have now moved to Clearbrook. My new telephone number is UL 9-2763. I would appreciate so much if you would call me when you have news that would be of interest to others.

MENNONITE CHURCH NEWS
CLEARBROOK M. B. CHURCH
Guest speaker for "Spiritual Emphasis" week at the M.E.I. this week is Rev. Frank C. Peters of Winnipeg, Man. Services in the auditorium each evening at 7:30. Tonight's service especially for parents.
WEST ABBOTSFORD
Teacher training course will be taught in the Sunday School building March 14-18-21-25-28, commencing at 7:30 p. m. each evening.
Closing exercises for the Saturday German classes will be held on March 12 at 7:30.

Last Rites For A. Steingart
In his 31st year Andrew Steingart passed away suddenly at his home on Olund Rd. He was born in Sprague, Man., on Jan. 12, 1930 and had lived in the district for 8 years.
Surviving are his parents Mr. and Mrs. A. Steingart of Olund Rd., one brother Frank, Fort Langley; two sisters, Mrs. E. Hanson, Ont.; Mrs. W. Dyck, Regina, Sask.
Requiem Mass was celebrated on March 5 at 10 a. m., from St. Ann's Catholic church, Abbotsford, with Father B. Csaki celebrant.
Interment was in the Aberdeen cemetery.
Pallbearers were S. Blaschek, W. Blaschek, J. Blaschek, S. Whitman, E. Bittner, E. Folk. Henderson's Funeral Home was in charge of arrangements.
Education means drawing forth from the mind latent powers and developing them so that in mature years one may apply these powers not merely to success in one's occupation, but to success in the greatest of all arts—the art of living.—William Lyon Phelps.

AHS TRIES HARD—A packed gymnasium at Aldergrove High School last Monday, Feb. 29, saw a game between AHS Senior boys and the Harlem Stars resulting in a score of 82 to 47, in favour of the Stars. Their novel way of acting comically and still playing a good game combined to give every one a hilarious evening. (Student Photo)

United Church News

The Jara Smith Circle met in Memorial Hall Feb. 18 with 8 ladies present. Mrs. R. Crosby gave a report of the Annual Meeting held at White Rock on Feb. 17. General business was transacted. Lunch was served at the close of the meeting by Mrs. Cronkhite and Mrs. Black.

Regular monthly meeting of the United Church Session was held at the home of A. B. Rose, Friday, Mar. 4. General business was transacted. At the February meeting Mr. A. B. Rose was appointed Clerk of the Session.

The Aldergrove United Church Men's Club met at a supper meeting in the Memorial Hall Feb. 22. Wives of three members served as hostesses. The officers elected are as follows: Neville Hall, president; C. Currell, vice president; A. E. Angrignon, secretary; D. E. Forrest, treasurer; Rev. John R. Colclough, Honourary Past President.

General business followed. They have set the 4th Monday evening aside for their monthly meetings.

The ladies of the United Church Federation are working and planning for a Variety Supper to be held in the Memorial Hall on Saturday evening, Mar. 19.

Student Reports On High School Conference At University B. C.

By Susan Loucks

I have been asked to give a resume of our trip to UBC for the High School Conference. Don Staff and I agree that this covers a lot of material. In the two days we were on the Campus we saw and heard so much (over thirty speeches) that I decided to leave out much of what we learned and as simply as possible tell you what we did.

On Friday, Feb. 26, we registered at Brock Hall, a centre of student activities. We heard welcome speeches from Bob Dickie, past chairman of the Conference; Dean G. Andrew; Ann Martin, chairman of the Conference; and Peter Meekison, President of the Alma Mater Society.

We were told that the two real prerequisites for university entrance are above average marks and curiosity to learn more about oneself and the world. A University is a place for self-discovery and can be the most important part of one's life.

We proceeded to sample lectures. Don and I chose History 201. While travelling to and seating ourselves in the history room we heard the following comments: "What are those?" "Why, they even look like high school students!" "What pip-squeaks!"

To add fuel to the fire, during history class the professor would start a joke and not finish it "because of the high school students!" We were told several times during the lecture that we were "too young."

The professor spoke very fast and most of the class took notes just as quickly. I found it very difficult to decide what they made notes on, for every once in a while the professor said, "But that's beside the point," and it was hard to see just what the point was.

Our next lecture was in the afternoon. English 200 was quite a change from our last lecture. Here we saw more heads buried in arms than in texts. It was obvious that the students didn't find this an interesting lecture.

After dinner we went back to Memorial Gymnasium to see a basketball game between the UBC Thunderbirds and the University of Saskatchewan. Although UBC won, 80 to 40, we were surprised by their lack of school spirit.

Saturday morning began with tours which took us in a circular route around the campus. We paid visits to the Chemistry Building, Physics Building, Home Management House, Library, Cafeteria, campus residences, Agricultural Buildings and Memorial Gym. The highlight of the tour was a ride on the "Aggie Jitney," even though it was cold.

Dean Walter Gage spoke to us on Scholarships and Bursaries, and we attended eight discussion groups with speakers from the eight faculties working in rotation to cover the academic life of the campus.

Dean Neville Scarfe was speaker for the evening. His address was entitled "What Are Universities For?" He suggested that the years spent in university are the "gift of an interval," time to read, think and operate in freedom.

The most thought-provoking part of the Dean's address came at the close when he said, "Our society has faith in its youth; it has faith in freedom as the greatest means of developing high quality citizens."

A few students left for home and missed one of the most en-

Aldergrove High School News

By Phillip Green

HARLEM STARS

On Monday, Feb. 29, Aldergrove had the privilege of hosting the Harlem Stars, a team which tours the United States, Canada and Mexico and is famous for its basketball showmen. They produced many laughs with their clownlike actions to the enjoyment of a capacity house of 330 in the A.H.S. gymnasium.

The showmen had little difficulty defeating the Aldergrove Senior boys team. The final score was 65-47. High scorer for the Stars was Taylor Billingsley, a six-footer who is famous for his jump shot, with 17 points. Andy Shepard, 6'4" hook shot artist followed with 13 points. Next came the Clown Prince of basketball, Showboat Buckner, a 5'2" player who enjoyed himself by playing jokes on some fans and the referees. He also thought himself very good as he snatched a picture of none other than himself. Dale Williams, 6'1", netted 10 points as well. The owner and playing manager, Boyd Bure, known as the one-armed wonder, counted 8 points. Six-foot-five Ed Wallace collected 7 points. Missing from the line-up was scoring sensation John Barber who is 6 feet 6 inches in height.

The Aldergrove scorers were led by Pete Mattis with 12 points, two of these collected when Showboat scored on his own team's basket. Benny Moore collected 8 points, mostly on long shots. Playing his first game this season with his players, coach Don Neumann managed 6 points. Also with 6 were Alan Moore, George Hildebrandt and Reg Jung. Ben Penner scored 3 points.

When they next tour this area the Harlem Stars will very likely be stopping at Aldergrove once more. If you missed the game on Monday, make sure you don't miss the next one.

PUBLIC SPEAKING CONTEST

Two Public Speaking Contests were held on Monday, Feb. 29, to represent Langley School District in the West Fraser Valley finals to be held on Thursday, Mar. 10.

The seniors' contest was held at Aldergrove High School with two representatives from the two high schools in the district. Representing Aldergrove were Ted Horne, who spoke on "Text-books" and Elsie Wiebe, whose topic was "Beauty." The Langley representatives were Alison Black, whose topic was "Thank Heaven for Laughter." Jean Sewell was the other speaker.

Alison Black was chosen to represent the seniors of this district in the finals on March 10.

The Juniors' contest was held at Langley High School. Representing Aldergrove were Ann Kinnie who spoke on "Aristotle," and Susan Daignault whose topic was "Jazz." The Langley speakers were Darryl Hanson who spoke on "The World Refugee Year" and Ann Alder whose topic was "Worries in Life." The winner was Darrell Hanson. He will also be speaking in the finals on Thursday, Mar. 10.

Now you Know!

The Answers To Everyday Insurance Problems*
By TONY PAULS

Question: My parents moved part of their possessions into a new home and when they came back next day, lots of things had been stolen. Would our Residence and Outside Theft Insurance cover us, if the same thing had happened to us?

Answer: In general, yes, the coverage would apply at the new location but as to coverage on specific items stolen we would have to know the terms of your policy.

*If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.

ABBOTSFORD

**Lillian Rose Klaus Becomes
Bride Of David Renpenning**

Peace Lutheran Church in Abbotsford was the setting for the recent marriage of Lillian Rose, daughter of Mr. and Mrs. William Klaus, R.R.1, Mt. Lehman, and David Renpenning, son of Mr. and Mrs. John Renpenning of Clearbrook. Pastor A. Miller officiated at the evening ceremony.

The bride's gown was of rayon and nylon lace, featuring bouffant short skirt and bolero. Chief attendants were Miss Violet Klaus, sister of the bride, and Miss Ann Wolfe. Both wore semi-formal lace and nylon net gowns in pink and blue, respectively. The bride's bouquet comprised red roses and carnations while the attendants carried white tulips.

Victor Funk attended the groom and Martin Smith was usher.

For her daughter's wedding, Mrs. Klaus chose a gown of light blue with pink accessories. The groom's mother, Mrs. Renpenning, was attired in black with white hat and accessories.

A reception for 150 guests was held in the Jubilee Hall, where the bride's table was centered with a three tier wedding cake in traditional manner, and flanked with bowls of flowers.

The newlyweds will take up residence in Vancouver.

**Blood Clinic
Below Quota**

The Blood Donors Clinic which was held in Langley on February 29 failed to reach the minimum quota of 360 pints. Langley municipality uses this amount for a 6 month term, but the Clinic donations only totalled 307 pints. This means that Langley is not even self-sufficient. The record amount was 408 pints, given about 3 years ago. However, Mr. Brantford, chairman of the Blood Clinic, wants to thank the public for their generous donations.

The aim of education should be to convert the mind into a living fountain, and not a reservoir.—John M. Mason.

By Tiny Traas
Back in 1914, Fenwick Fatkin came to Bradner, bringing with him bulbs for a hobby. This developed into the first bulb farm of Bradner, started in 1918, and still carried on by one of Mr. Fatkin's five sons, Les.
The farm started with only two or three varieties of narcissi, and by 1947 had developed into a prosperous business. But then, in the fall of that same year, a disastrous fire destroyed six greenhouses, as well as the home. The greenhouses were all full of flowers, ready to be taken out for Christmas sales, and all these were completely lost.
Discouraged but undaunted, they rebuilt the business, but it has never become as large as the original one. Les Fatkin stated that at present it is not easy to make a living from flowers unless one is well established in this business.
The Bradner district itself has about thirty families engaged in the bulb industry. Mainly, they specialize in daffodils, since mice and moles are obstacles in the propagation of irises and tulips. Most of these bulbs were originally imported from Holland, but they are now generally home-grown. It is difficult to develop new varieties because of the great length of time required for this. From seed to bloom it takes seven years, plus seven additional years to determine the permanence of a new bloom.
Not greatly affected by this fluctuating situation is the Bradner Annual Bulb Show, usually held around the middle of April. The Fatkins have entered this ever since the time it originated in 1928. This next Fair will be the 31st year of exhibition. The first show displayed only a few different bulb varieties, but these have increased to over 400 kinds of bulbous flowers.
This local Bulb show is the only one of its kind on the North American continent. It is a great tourist attraction for people from all over. Last year, over 3000 visitors attended, some coming by special busloads from Vancouver for this feature attraction.
This show, however, is non-competitive, and is sponsored for the interest of industry and the public. Through this, sales of narcissi—better known to the public as daffodils—are given a boost and general interest is increased. A great deal of these flowers shown are brought in by farmers from the surrounding area, but most are a result of hobbies. Some of these rare bulbs even may cost from \$5 to \$12.50 each.
In addition to daffodils, many new varieties of hyacinths are shown each year. In 1957, Mr. D. L. Sheppard, who recently had a bad car accident, had 41 varieties displayed.
At present, the new Bradner Community Hall is progressing quickly. Many interested community members are helping in the attempt to complete it before this year's show. It is expected that it will provide more space and better lighting, which should be especially favourable for the flower displays. This year's Fair promises to be outstanding, and should not be missed by anyone fond of flowers. (Student Photo)

The Coghlan Boy Scouts and Cubs will sponsor a joint bottle drive on Saturday, March 19. The boys will meet at the County Line School at 10 a. m. in full uniform. Fathers who are free and have cars, are urged to turn out to help the boys with the transportation.
The County Line PTA which was to sponsor a whist drive on Saturday evening cancelled the event due to the inclement weather over the weekend.
Mr. Nels Lysmo of Port Arthur, Ont., visited his cousins, Mrs. O. Gutzkie and Mr. Nels Oss and families last week. Mrs. Gutzkie and Mr. Lysmo had not seen each other since they went to school together in Norway, more than 35 years ago.

NEW from PARK & TILFORD

4 YEAR OLD WHISKY WITH 8 YEAR OLD ADDED

THE OLDER THE BETTER

Park & Tilford "Three Feathers" is a MASTER BLEND whisky... a blend of perfectly aged whiskies matured in oak casks... 4 year whiskies which have been "age perfected" by the addition of costly 8 year whiskies. Park & Tilford is the only distiller to offer added quality by adding older whiskies to every brand. Ask for these MASTER BLEND whiskies...

THREE FEATHERS
4 year old — with 8 year old added
ROYAL COMMAND
8 year old — with 15 year old added

Request Sent To BC P-T Fed'n
The last meeting of the North Otter PTA was held February 15, with the president, Mrs. D. Martens, presiding.
A special award was received from the Parent Teachers Federation for having fees remitted by Dec. 31, 1959. The motion was made and carried to purchase a coffee urn for \$37.00.
Mr. Martens made a motion, seconded by Mr. Rempel, that a letter be sent to the Parent Teachers Federation, requesting that all future nominees for regional representative be required to address each association so that each PTA could vote on their personal merits instead of voting blind.
It was announced that in recognition of Education Week, North Otter School will hold Open House Tuesday afternoon, March 8.
A further display will be shown at Warkentin's Store and at Otter Co-op during the week.
Guest speakers for the evening were Mr. and Mrs. F. Goertz, missionaries from Nigeria. He spoke on education and development of Nigeria, accompanied by colour slides.
Public education is a great instrument of social change. Through it, if we so desire, we can make our country more nearly a democracy without classes. —James B. Conant.

Why Girls Wear Make Up
By Gwen Braun
One aspect of the society and culture of our day is an acceptance of the validity of deceitfulness. Apparently afraid others will find out what they are really like, people do their best to hide their real selves. A look into almost any popular magazine will reveal how these ideas are propagated on a superficial level. Every page contains advertisements which strike you with "Change your hair colour!", "Improve your figure with new foundation controls!", "Try false nails!", "Look glamorous with Johnson's eye lashes!", etc. Deceit is so much a part of us that we are hardly aware of it and accept it without question.
There is a reason for the desire to be something one is not. The world of today has given people a feeling of insecurity. So they go about trying to regain security. They want to feel accepted, to be part of a group. They feel that if they do not conform to every idea of "the crowd," they will be outcasts. No matter what it is, if every one else does it, that is the thing to do. No one wants to be thought of as "a square." Fear of being different is the major reason for wearing make-up.
There are also other reasons. It builds up the ego to appear to be more beautiful than one is. Grim satisfaction is derived from knowing that others do not know what you really are, or how you look after you wash your face. People of society, people one admires, practice sham to the fullest extent. "If women who are beautiful if I do" seems to be a common deduction. Quite obviously, in most cases the conclusion is not justified.

OTTER

Otter Credit Union held its monthly meeting last Wednesday night in their hall on Otter Road. Mrs. MacFarlane reported on the Chapter meeting, held at Mt. Lehman recently, which she had attended. The next Chapter meeting will be in Otter Credit Union hall on March 16 at 8 p. m. and the Annual meeting will be held on March 23 in the same hall. There will be a speaker, prizes and lunch and it is hoped all members will attend. Members of Otter Women's Institute met in the Credit Union hall on March 1. Meeting minutes were read, out of correspondence, members were chosen for the Convention and Conference, one to be held in April, the other in May. Yearly donations will be sent to Queen Alexander Solarium, Children's Hospital and to Langholm.

Discussions of pins took place, and it was voted to order a number at once; also meeting date was discussed and in April the meeting will be held the first Monday in the month, instead of usual date. Hostesses for the afternoon were Mrs. Simpson and Mrs. Larson.
