AROUND TOWN

By Don Anson

Much amusement was caused at last week's Chamber meeting when Larry Stude, chairman of Education Committee, was asked if there were anything to report on education. "Yes," said Larry, "the children have all gone back to school."

Renovations are going on at Aldergrove Hotel on a big scale. A remarkably fine new partition screen has been installed between the two bars, complete new furniture is going in and new paint will give a different look to the place. Painting has to be done overnight which makes things very awkward for the management.

Travelling at 50 m.p.h. last week, Larry Macintosh, or rather his car, was struck by a cock pheasant on the windshield. Larry was very frightened — the pheasant was very dead.

Have you heard about the boy who bought a wooden whistle? It was wooden whistle so he bought a steel whistle — it steel wooden whistle so he bought a tin whistle and now the tin can whistles.

Congratulations to Doris Dams who completed her senior matriculation and entered the Vancouver General Hospital School of Nursing on Monday, September 12.

Popular pastime in Aldergrove Monday was watching the R. C. M. P. radar speed trap. Such is the innate cruelty in man, that much mirth would be caused each time some "poor guy" was seen to be going too fast.

R.C.M.P. certainly had a "hey-day" as most people seemed to be in a hurry and certainly "unob-servant." Nearly sixty persons received tickets.

A bunch of three heavy West-lock keys has been turned in to our office. They were found on Trans-Canada Highway between Station Road and Aldergrove.

A very interesting and descriptive book entitled "Wagon Road North" has been published by Northwest Digest, Box 1238, Quesnel, B. C. It contains many historic photos of the Cariboo Gold Rush and detailed descriptions by Art Downs.

School Speed Zones Altered

To conform with new regulations all signs marking school zones in the district are being changed to read "20 m.p.h." This does not apply to schools on the Trans-Canada Highway.

Signs warning motorists of the playground by the Naval Station on Jackman Road have now been painted on the road.

Shop Aldergrove This Fair Week And Save Money

Aldergrove merchants have co-operated with Aldergrove Fair by giving many special prices on goods and services next Thursday, Friday and Saturday.

Aldergrove will be an interesting place to shop in during those days as many specials are being advertised at cost price. Included is a very attractive meal at Aldergrove Hotel Cafe at only 50c. Special inducements include cheese, do-nuts, chocolates, coffee, meat and other food stuffs, discounts on winter tires, lube jobs, wheel packs, items of clothing and footwear, plants, china, jewelry, etc., etc.

Look at the special page announcements and you won't fail to find something you want.

For the benefit of those unable to get to the Fair on Friday, prices will maintain for three full days.

Resident Here Thirty Years Passes Away

One of the old ladies of the district passed away at her residence, 202 Jackman Road South, on September 10. Mrs. Lucy Ann Pepin had lived in Langley Municipality for 73 years and was in her 84th year. She was born in Nova Scotia and came to B. C. 78 years ago with her parents, who homesteaded on the Campbell River Road.

Mrs. Pepin had lived on South Jackman for the past thirty years.

She is survived by her husband, Thomas; one son, Alec of Aldergrove; two grandchildren, Alfred of Aldergrove and Marie in Vancouver; also one sister, Mrs. A. Trouball of Seattle, Wash.

Funeral services were held Thursday, Sept. 15, from the chapel of the Langley Funeral Home with Rev. Canon T. E. Harris officiating.

Langley Police Court News

In Langley Police Court last week, William Cartwright of North Bend was fined \$10 for being intoxicated, and a minor, also from North Bend, paid a similar fine for being in possession of liquor.

Following too closely meant a fine of \$25 for James Gow of Langley on a waiver case from Hope while William Pulkus and Raymond Koroluk, both from Vancouver, each paid \$10, one for passing on the right and the other for having no insurance.

Driving without due care and attention brought a fine of \$15 and costs for Clarence Monahan of Aldergrove and a North Vancouver man, Sven Skold, was fined \$25 for speeding.

COOL, CLEAR WATER

Pump testing of the Osterich well started Friday morning at 10 a. m. and six hours later the rate of flow was maintained at 50 gallons per minute.

The fuel test carried on till Monday. Standing in the background here are the G. & G. men who carried out the test. Clarence Tingley, driller. Dave Lumsden, assistant and Gus Freund, manager. (NEWS Photo)

Man Found In Swamp After Two-Day Search

A missing stockfarmer was the cause of a weekend search involving hundreds of people.

Missing was an 88-year-old man, Pete Savitsky of South Le Feuvre Road, Aldergrove, who lost one of his heifers and set off alone to look for it Friday evening. He was not found until Sunday afternoon after police from Matsqui, civilians, twenty men from the Aldergrove naval station, special constables and others had scoured the area.

A friend, George Chobzey, last saw the old man Friday evening, when he left to search for the heifer. Chobzey returned Saturday afternoon to inform him the heifer was in the hands of the pound-keeper and found his friend still absent from his home.

As Savitsky was a man of regular habits, neighbours informed the police and a search was started on Saturday afternoon and again Sunday morning. It was not until the afternoon that the missing man was found exhausted in a swamp some distance from his home. He had lost his walking stick and was quite overcome.

First to spot him was a member of the Road Baron's Car Club and the first words said by him were, "Oh boy, I must get that fence fixed."

He was taken to MSA Hospital by ambulance and released on Tuesday apparently none the worse for his two nights in the swamp, during which there was considerable rainfall.

Police Night Man Appointed

Appointment of a night duty man for police headquarters at the Livingstone Road station has been made.

Gerry Grimes of Church Road, Langley, has been recommended to start work on October 1. He will work on an eight-hour shift and will carry out duties of janitor and jailor besides answering emergency telephone calls. His salary will be \$250 monthly.

Testing Shows Water Flow Of 80 Gallons

After three days testing of the proposed main well for Aldergrove Water system on the Osterich site a very satisfactory rate of flow was obtained.

A test showing 50 gallons per minute of beautifully clear water was thought to be ample for the system but it was decided Monday to raise the pumping rate even higher. This resulted in an increased constant flow of 80 gallons per minute, which would mean 115,000 gallons per day, far in excess of Aldergrove needs for some time to come.

Both Reeve Bill Poppy and Cliff Watt, chairman of Aldergrove Water Committee, inspected the pump Monday and expressed themselves well satisfied with the results.

Parents To Meet Teachers At PTA

The Aldergrove High School PTA will meet again for the new season on Monday evening in the school cafeteria.

During the evening the teachers will be introduced to the parents and there are quite a number of new faces on the staff this year.

A film will be shown dealing with early adolescence and the oft times extreme behaviour that reflects the emotional turmoil of this age group. The film deals with six teenagers and their various activities and reactions at home, at school and in the group. Discussion groups will follow the showing of the film and there will be a leader and recorder in each group. At the conclusion the recorders will give the conclusions of their groups.

A cordial welcome is extended to all parents and newcomers to the district as well as any interested persons who wish to attend.

LOSES BROTHER

Veteran William John Dryborough, 64, brother of Mrs. Violet Robertson, Aldergrove, died from a heart attack in Vancouver last Thursday.

Funeral was held in Vancouver last Monday when Mrs. Robertson, with her other brother, Edward, attended.

The late Mr. Dryborough, who was 64 years of age, had served in the W.W.I. and with the 18th Forestry Corps in World War II, and was a member of the Army, Navy and Airforce Veterans, Branch 298.

He is survived by his wife; two sons; four daughters, 14 grandchildren and two other sisters in eastern Canada besides Mrs. Robertson.

Pulp and paper spends more for goods and services than any other manufacturing or producing industry.

Records Expected At Aldergrove Fair

All is set for a record Aldergrove Fall Fair this year. Again it is to be held in the auditorium of the Aldergrove High School, by permission of the School Board.

Doors will open at 2 p. m. This year there will be no official opening ceremony but the Chairman of the Agricultural Association, William Ferguson will welcome those attending in the afternoon and Mayor Alf Penzer of Langley, together with Reeve Bill Poppy of the Langley Municipality, will bring greetings after the parade in the evening.

More classes than ever have been allotted and eight more tables will be needed to hold the entries.

Of special interest will be the Standard Brands classes and the W. I. entries. Always strong in school displays, this year will be no exception with one corner to be devoted to the youngsters' efforts.

Fraser Valley Rock and Gem Club will have a special display as will Petersen's Floral and Garden Shop. It is expected the vegetable, flower, needlework and hobbies classes will all produce high standards.

New classes introduced include those for a cake made with a special brand of baking powder and white, brown bread, rolls and cinnamon buns made using a well

known make of yeast; and in the hobby section there is a class for needlework not listed under the needlework section.

The Fair Parade introduced for the first time in Centennial year has already attracted many more than the 34 entries of last year.

All competitors are reminded that entry forms must be in by 10 o'clock on Thursday evening, the 22nd. Entries may be brought in on Friday morning until 9:30 a. m., but the doors will be locked finally at that time. This rule must be enforced since the judging is taking longer to complete each year and time cannot be taken from the afternoon for this purpose.

UBC Art Course Starts Sept. 24 At High School

The University of British Columbia is offering 21 courses for credit through afternoon and evening lectures in 14 centers throughout the province, extension department officials announced today.

A course to be offered in Abbotsford is in Art Education under J. A. S. MacDonald. Course begins Saturday, Sept. 24, 9 a. m. at Abbotsford Jr. Sr. High School.

In addition to the lecture credit courses, UBC is offering seven courses for credit through correspondence. Courses are in the fields of education, English, French, history, philosophy and psychology.

Enquiries regarding courses should be sent to the UBC extension department, Vancouver 8, B. C.

Minimum—45-46 degrees
Precipitation .44 inches

Sunday's rain ended a thirteen day dry spell, the longest we have had in September since 1953, when there was one of fourteen days.

Our mean temperature for the eight days, Sept. 9-16, was 59 degrees, two degrees above normal. The mean for Sept. 1-8 was only 53.4 degrees, six degrees below normal.

We apparently are now in for another cool period.

Council Saves With Overtime

Grader operators in the Municipality will in future be put on overtime in order to complete a short stretch of road.

Councillor Eric Flowerdew suggested to Council that this would be preferable to the men returning to the workshop at night and going out the next day to do a small strip of road, or even leaving it until the graders were next in the area.

NEW PACIFIC STAGE BUSES COMING

Pacific Stage Lines is placing four new 63-passenger Courier Challenger diesel buses in service at the end of September on the Vancouver-Chilliwack and Vancouver-Hope routes. Two are already on the Vancouver-to-Victoria service via Tsawwassen ferry.

These diesel coaches, made by Motor Coach Industries Limited of Winnipeg, are air suspended, with four air bellows on each axle, to provide a softer ride. Bodies of the coaches are of fluted aluminum. Windows are larger for improved viewing, and the aluminum frames are hinged from the top so they may be swung out to provide emergency exits.

Each bus has three baggage compartments, providing a total of 360 square feet of load space—10 times larger than the accommodation in other coaches in the PSL fleet.

The coaches are equipped with V-8 General Motors diesel engines rated at 210 h.p. The bus suspension mechanism provides for the floor of each coach to be at the same height above the

roadway at all times, regardless of the bus load. Thus, the lower step of the coach is always at the same height for boarding convenience. The comfortable, adjustable seats are of foam rubber, and covered in white and red leather. Interior colors are off-white for the ceiling, green for the walls, and a brick shade for the floor. The outside of the coaches are unpainted, except for the flying horse insignias and the name of the Pacific Stage Lines. These are done in red.

HOW MANY VOTES COUNT?

This election business, run on democratic lines, is a fine thing because it allows all qualified persons to place a cross against the candidate of their own choice.

However, we would very much like to know what percentage of the total electorate knows anything about the person and the party it has voted for.

Ask the average person what the initials C. C. F. stand for, what Bill 43 is all about, what the Liberal Party thinks about this and the Conservatives about that and they probably won't know.

Why won't they know? Because the average person is not a bit interested about politics unless it personally affects him or herself. We will go further and say that the average Joe couldn't care less what party gets in as long as he can still keep his job and see or hear about improvements going on elsewhere.

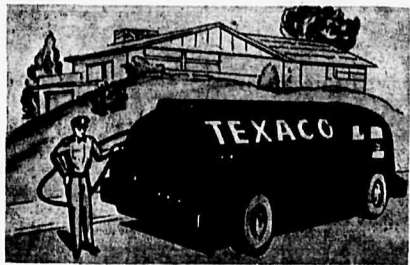

We, the public, will fight for our right to place that cross wherever we want, even though we don't really know what we are doing. Newspaper policies, tubthumpers, meetings, advertisements and other inducements can never guarantee what Mr. and Mrs. Joe is going to do. Far more likely will it be "Because he looks a nice guy," "Because she's a woman," or because the voter thinks the party voted for stands for something which it probably doesn't.

A wonderful gamble, and we think we know why candidates of old went around kissing all the babies. We suggest to all nominating committee that their best candidates would be popular ball players and beautiful women but then, of course, why on earth should these people want to go into politics.

Some are born savers

The squirrel does things by instinct. But humans are different. They have to be taught just about everything. If you're a farmer, that means teaching your child many things, such as, crop rotation, livestock judging, successful marketing—but, first and foremost, it should mean teaching your child, early in life, to save.

Encourage him to open his own Savings Account at the "Royal", and to practice putting aside something on a regular basis. Show him that having something laid away can often make the difference between success and failure. Then (like the squirrel) he'll be prepared for the future.

B. C. ELECTRIC HOLDS OPEN HOUSE

"Open House" was held Friday afternoon at the new Fraser Valley gas distribution headquarters on Trans-Canada Highway at Coast Meridian Road for a large number of B. C. Electric employees and their families.

Although the attractive building was opened last January, its offices were completed only recently. Valley Headquarters for the BCE gas distribution operations were previously located at Abbotsford for three and a half

years. Alan Macdonald, Valley gas distribution manager, and his staff of 75 men and women are more than a little proud of their new office building.

The new one-storey building, 90 x 100 feet, is well lighted by window walls at front and rear. The building faces south over nicely-landscaped grounds to the Trans-Canada Highway. On the west end is concrete-block wing containing rooms for heating, elec-

trical, radio and telephone equipment. This wing is painted coral-sand color, while the rest of the outside is finished in blue above the windows and yellow below.

On the inside, the end walls are beige in color, while the suspended hardboard ceiling is white. Large areas of the ceiling are given over to illuminated panels. The windows, with white trim, run to the ceiling, and the panels below them are finished in yellow.

YOU BE THE JUDGE!

By Don Anson

Chris Chatron, 26142 George Rd., Aldergrove, jailed two weeks ago for 30 days in lieu of paying a \$100 fine for failing to comply with a building by-law, has become a centre figure for conversation in this community.

I have had three requests to write scathing editorials, damning the building inspector and everyone connected with the case, and I have been called out of bed at night to answer phone calls about the case. The same, I understand, applies to Reeve Bill Poppy, and probably to Magistrate Maurice Mulligan, Building Inspector John Strain and members of the Council.

O. K. Folks, let's look at the facts and then you can decide. It's not an easy case because both sides have their points.

John Strain's Story

In January, 1959, John Strain, building inspector for the Municipality, when inspecting another house on George Road, which is a gravel road turning west off the Aldergrove-Bellingham Highway, noticed a shack dwelling he had not seen before. He called and saw Mrs. Enid Chatron, who told him she and her husband Chris, with a family of seven small children, had been living there for 11 months. The shack was on a 5-acre lot and intentions were to build a house as soon as possible. The temporary shack dwelling measured 16x24 and the range chimney had a stove pipe leading directly through the wooden wall, contravening both provincial and local building by-laws.

At that time the inspector asked for plans to be submitted for erection of a proper chimney to cover fire and safety angle and for a building permit to be taken out within 30 days. He said a temporary living permit to live in the shack would then be granted. A promise that this would be done was given. Repeated endeavours to get the chimney installed met with no co-operation from Chatron, said Strain, and even after he had set up his plumbing business in September 1959 after having been out of work for some time, nothing was done.

Consequently, in June 1960, Chatron was taken to court and realizing his problem with such a large family and little money, Magistrate Maurice Mulligan remanded him from June till August 31, in which time he had to vacate the building and find a place to live. At the same time, Social Welfare authorities were contacted and asked if they could assist the family. They found a place for them to live at \$25 per month, but since then it transpires that Chatron thought the rent was \$45 and he refused to move out.

He was brought back to court on August 31 and according to Strain, was antagonistic to the Magistrate and appeared to have made up his mind he was not going to build a chimney or vacate his premises. Consequently, Magistrate Mulligan fined him a maximum of \$100, failing which distress had to be found or he would have to serve 30 days in prison.

Chatron could not raise the money and Strain asked him if he would pay instalments although this was not legally allowed.

He refused and, said Strain, had apparently made up his mind he would go to prison, which he eventually did.

Strain says he likes both the man and his family and thinks he is a first class tradesman. "Our by-law was not made to punish people," he stated, but "I have done everything in my power to settle this matter amicably but at the same time my job enforces me to see that the building by-laws are carried out for the safety of all concerned."

Reeve Poppy Queries

"What would have been our position if a fire had occurred with fatalities in the family due to failure to enforce our by-law?"

queried the Reeve. "Obviously," he said, "we would rightly get the blame. The material for building the chimney would at most have cost \$40 and the case would never have come to court," he said.

Council's Attitude

Members of Council, while sympathizing very much with Chatron, also had to see that by-laws were enforced. They feel that Chatron is an excellent though very stubborn man. They indirectly arranged for his early release last Friday through funds forwarded through an Aldergrove Church. The Chatrons now have moved to Aldergrove with removal transport effected by Langley Legion through Councilor Flowerdew.

Mrs. Chatron Talks

"There are lots of things the Council doesn't know," she said. "Our little girl, Holly, has cerebral palsy and has to have treatment in Vancouver. This costs us money as we are out of free transportation area."

"Chris's main objection," she said, was "why should we build a chimney at added expense when we will shortly be moving into a new home?"

"Chris was out of work for a long time," she said, "and many people owe us money for completed jobs. Chris was trying his best to build up a practice and had no time or money for this chimney job." She summed up her thoughts by saying, "I think the Building Inspector was over zealous, the Magistrate too harsh and Chris too stubborn."

Summing Up

Maybe one slant on this business is the fact that Chris Chatron was owed around \$1,000 for completed jobs. If this is so, then these people may now do something to ease their consciences.

Local feeling is all, it seems on the side of Chris—may change slightly when people know the facts but there's no doubt that being a good plumber he will get more than his share of business now.

We make no other comments but leave you to decide what you would have done (a) if you had been Chatron; (b) if you were the building inspector and (c) if you were the magistrate.

Aldergrove High School News

September 6, 1960 saw the Aldergrove High School full of students once again. There were many new students dashing around to find friends, lockers, and new lockers while the senior students caught up on all the happenings since last June. The school day began with an assembly at which Mr. Hanson introduced the teachers of the staff and Mr. Stafford, Inspector of Schools, gave a few words of greeting and encouragement for the new school term. At this assembly Mr. Hanson briefed the students on some of the school rules.

Tuesday afternoon the texts were issued and Wednesday the students settled down to their books.

At the Friday, September 16 assembly, the entertainment was presented by Division 1 in which a Beatnik "Pad" was displayed and the "actors and actresses" read several "beat" stories.

At the students council meeting it was decided that the council would sponsor a clothing drive to help those in our district who are in need of clothing. The drive will be held from Monday, Sept. 26 to Friday, September 30.

The additions to the staff are: Mr. Miller, Dr. Szekely, Mr. Campbell, Mr. Sheffield and Mr. Medvezky. (Mrs. Rowe is back after spending a year in Scotland.)

PATRICIA

Patricia Community club held their first whist drive of the season in the hall on Wednesday evening. Ladies first prize was won by Mrs. Volgt; second prize by Mrs. Bellast; men's first prize by Mr. Richards; second by Mr. S. Mears.

Visitors at the home of Mr. and Mrs. Jim Brown, 750 Coghlan, were Mr. and Mrs. Bill Skinner of Sun Valley, Calif., Mr. John Skinner of Rosshire, Scotland, Mr. and Mrs. James Skinner and Mr. and Mrs. Bert Sproule of Vancouver.

Visiting at the home of Mr. and Mrs. Dave Loucks is Mr. T. Woolends from Flood, B. C.

WHAT MIGHT HAVE BEEN

This is an artists drawing of Langley Memorial Hospital as it was hoped to be when last presented to the electorate. The referendum was just defeated and since that time conditions have gradually worsened. Although outward appearances have considerably

improved with blacktopping of the driveway and new roofing, inside, the same conditions of lack of space exist and patients in all kinds of conditions are still placed in the corridors through necessity. Plans are now being prepared for a further referendum to go before the people.

HARD AT WORK

Cadets from R.C.S.C.C. Columbia were hard at work on Saturday morning, scraping and painting the small building donated to the Corps for their own

use by Grosvenor-Laing. The front of the building is being renovated by the following cadets: O/C Bob Sexton, A/C Doug Sidoni, A/C Mike Inman and L/C Dave Thomson, all of Abbotsford. (NEWS Photo)

CHAMPION PACER

Mr. Joe Parcher, Route 2, Lynden, gave her husband's 4-year-old Standard Bred pacer Karleen Woolley an affectionate pat Saturday morning as she readied the animal for competition at the Yakima Fair September 29-October 2, ending a successful racing season in Washington and British Columbia. From June 25 to August 13, both Mr. and Mrs. Parcher won numerous purses at Ladner, B.C., including three feature blankets, two of which were won by Karleen. Mrs. Parcher's horse is named Hilda Woolley. Unlike a trotter, whose front right and rear left legs stride together, a pacer's gait has both front and hind legs of either side pacing simultaneously. IDEAL FOR WARM WEATHER PLATE

Fresh tomatoes really star on warm weather luncheon plates. Allow one peeled, chilled tomato per serving. Make cuts almost through the tomato, fan-tan or quartered wedge style. Arrange the tomato on lettuce or other salad greens and fill with one of these fillings:

1. Tuna, chicken or shrimp salad, garnished with hard-cooked eggs.
2. Cottage cheese, chives, salt and pepper.
3. Cream cheese seasoned with deviled ham.
4. Hard-cooked eggs, dill pickles and crisp crumbled bacon and seasonings.
5. Bologna, cucumbers, stuffed olives and green onions, chopped

and seasoned.

TOMATO GRILL WITH CHEESE AND BACON

(4 servings)

Prepare 4 slices of thick toast. They may be buttered. Cut thick slices of tomato, season lightly on both sides with salt and paprika. Combine ¾ cup grated cheese, 1 tsp. Worcestershire Sauce, 1 tsp. prepared mustard, 2 Tbsp. soft butter.

Place the tomato slices on the toast. Cover them with the cheese mixture and strips of bacon. Place on a baking sheet in a hot oven, 475 degrees, until the bacon is browned and the cheese is melted. This makes a nice luncheon dish.

ZUCCHINI CREOLE

6 medium size Zucchini, sliced

and unpeeled. Place in a buttered baking dish. Melt 3 Tbsp. butter, brown lightly 1 small onion, chopped. Add and stir in 3 Tbsp. flour until blended. Peel, slice and chop 3 large tomatoes. Seed and chop one green pepper.

Add the vegetables to the butter and flour mixture with 1 tsp. salt, 1 Tbsp. brown sugar, ¼ bay leaf 2 cloves (optional). Cook for 5 minutes. Pour over the zucchini. Cover the top with bread crumbs. Dot with grated cheese. Bake in moderate oven (350 degrees) for 1 hour. Serves six.

PINE GROVE

Mr. and Mrs. K. McCormick left last Tuesday on a motor trip to the interior of B. C. They expect to be gone a week.

House guest for a week at the home of Mrs. Mary Kiss were her daughter, Mrs. Helen Lazar and daughters, Marjorie and Mary, from Kelsey Bay.

Mr. and Mrs. Frank Kish and children of White Rock spent the weekend at the home of his mother, Mrs. Mary Kiss.

Mrs. Ted Jackson of Abbotsford drove to Chilliwack last Sunday where they visited Mr. and Mrs. N. Wozencroft and family. They also visited Mr. and Mrs. Stan Herrling at Sardis.

Pine Grove W. I. held its first fall meeting last Tuesday afternoon in the community hall, with 13 members present. After a short business meeting, an article on "How to Store Dahlias Roots" was read by Mrs. Myrtle Weatherby. Flower arrangements were brought by the members and later a vote was taken by the members as to the ones they thought best. The winners were Mrs. Federspiel and Mrs. H. Jackson. Mrs. Jackson also won the nickel raffle, a beautiful bouquet of chrysanthemums brought by Mrs. E. Taylor.

MT. LEHMAN

The W. A. of the United Church had their first fall meeting in the church hall last week with Mrs. George Savitsky and Mrs. O. Wellman as hostesses. The president, Mrs. C. Israel, was in the chair. Plans were made to hold a Smorgasbord on October 14 and a bazaar on Nov. 19.

Mr. and Mrs. H. E. Taylor have returned from a holiday at Canim Lake.

Post Mortem Set For Fall Fair

Bouquets and brickbats will be included in a meeting set for September 22 in Clearbrook. The board of directors of the Central Fraser Valley Fair Association will receive reports on the recent Fall Fair. Advance reports indicate the Fair set records in many classifications including attendance records. The meeting is open to anyone interested in Fair work and will be held at 9 p. m. in the Fair Board Meeting Room.

Music Society Plans Campaign

A one week "blitz" campaign is being conducted by officials of the Valley Civic Musical Association in Abbotsford. The 400 member organization will endeavor to promote membership for an additional 100 members, thus making way for an additional concert. Seven concerts are offered to members of the Valley group, 3 in Abbotsford and 4 in Bellingham. Admission to these concerts is by membership only. Anyone missed in the blitz may contact Mrs. B. P. Loepky at UL 9-2487. Bellingham concerts planned are Theodore Upman on December 8, Eleanor Streber on January 3, Roland and Flossier, violinists, on January 31, and Nelson and Neal, pianists, on March 20.

BEST DECORATED CAR—This fine effort took first place in the Central Fraser Valley Fair, at Clearbrook, for signwriter Pete Kaszonyi. He was assisted by his family and friends and thousands of hand-made, colored rosettes were used to create this gaily colored, imposing entry for the parade. (NEWS Photo)

Clearbrook Still Needs Firemen

Several district merchants and residents have answered the call for volunteer firemen to man the Clearbrook truck. The Clearbrook Board of Trade was warned not to become complacent in the situation. Men are always moving and leaving vacancies in the department. The best situation is to have volunteers on a waiting list says the fire marshal and thus not end up with a shortage as was the case recently in the district.

Lions Plan Giant Auction

The date has been set for a well attended annual affair in the MSA district. The Abbotsford Lions Club Giant Auction is held annually at Frost's Auction market. Items donated by district residents and merchants are auctioned to raise funds for Lions community projects. September 30 has been set for the 1960 Auction. Chairman of arrangements is Wes Wolther with seven Lions club members as sub chairmen.

Army Cadets Register Now

More than 70 boys registered for Army Cadets at the Abbotsford Airport on Thursday. The Cadet corps of boys 14 to 18 years is sponsored by 156 Coy. Royal Canadian Army Service Corps. The youngsters receive military and civil defense training given by instructors from the militia and regulars from various points in B. C. Saturday was the first day of a new project known as Young Soldiers Training program. This program is for high school boys 16 to 19 years of age and includes basic military training and national survival training. Any interested boys can phone UL 3-6951 or BA 6-5234.

MONEY SPINNER—Attracting great attention at the opening of the B.C.E. gas distribution headquarters near the "Wander Inn" on Friday was this Thermofax Reproducing Machine operated by Margaret Penner who lives in Abbotsford. This machine turned out hundreds of reproductions of bank notes for the kiddies. Only one side, of course, was printed.

Building Steady In Sumas

Construction continues at a steady pace in Sumas municipality, however lower than the rate in 1959. Total permits issued from the Sumas municipal office is \$237,720 more than \$200,000 lower than the similar period in 1959. \$37,860 is the value of permits issued in August, the largest portion of that figure was \$27,710 for new residences. A \$7,000 commercial permit was taken out for a duplex to be built on C street just south of the Trans Canada Highway.

Matsqui Police Court News

A North Burnaby man appeared in Matsqui police court on two charges under the motor vehicle act. Harold W. Johannesen was assessed \$20 and costs for exceeding 50 mph speed limit and a similar fine for passing double solid white lines. Eleven persons appeared on charges of speeding and paid fines totalling \$215. Four persons appeared on minor violations of the motor vehicle act and paid fines totalling \$74.

Coin Collectors Plan Discussion

Numismatics will be a subject for discussion at a meeting in Abbotsford Thursday night. Coin collectors from B. C. and Washington attend the regular monthly meetings of the Abbotsford Coin Collectors Club. The next meeting will be held in the Canadian Legion Board Room at 8 p. m. Thursday.

OPEN NEW PREMISES
George Carter and Bob Hafez, who recently partnered in Carter's Office Equipment in Fraser Park, Abbotsford, are now re-opened in new premises under the name of Carter and Hafez Office Equipment (C. & H.). They are located next to Teddy Bear Cafe, on Essendene Avenue and plan to specialize in all office equipment, furniture and supplies. Old phone number will be retained.

CARS Campaign For \$3,500 Goal

The MSA unit of the Canadian Arthritis and Rheumatism Society is in the middle of a two week campaign for funds. The campaign with a goal of \$3,500 was started Thursday, September 15, and will continue to the end of the month. Funds raised through this campaign will go towards maintaining the treatment centers throughout the province to bring relief and normal living back to those persons crippled by this disease. The MSA campaign is under the leadership of H. S. Collins, president of the CARS in MSA and administrator of the MSA General Hospital, and Hilda Thompson, secretary of the CARS group.

PARADE BENEFITS
Clearbrook merchants donated \$100 towards the recent Central Fraser Valley Fall Fair parade. A report on the canvass conducted by Board of Trade members for the parade was received at the recent Board of Trade meeting.

COLORFUL NEW PHONES give your home new convenience and luxury

This attractive phone really saves steps — especially in kitchens. It's convenient to use, yet takes up so little work space. A wide range of glamorous colors, plus black, to harmonize with any decorating scheme. And extension phones in any room, (bedroom, workshop, playroom or den) save steps and time. Only a small monthly rental, plus installation. There is a moderate additional charge for a color phone, but you pay this only once.

THE "SPACE-SAVER" — This handy phone is wonderful in basement workshops, laundry rooms — wherever you want the convenience of a phone without giving up any working area. It can be installed in any small space.
DEAF SETS — Similar in appearance to regular desk phones, this phone provides "normal hearing" facilities for subscribers who are hard-of-hearing. An inconspicuous control knob allows the user to adjust the volume.
SPEAKERPHONE — You can do two things at once — talk on the phone, and carry on another job. When the phone rings, you just touch a button and talk. Caller's voice comes clearly through a conveniently placed loud-speaker box.
PORTABLE PHONE — This telephone goes where you go, plugs in where you want it. Take calls on the sun deck or patio; move the phone from playroom or living room to the peace and quiet of your bedroom or den.

Research in the industry is
continuous. It goes on in the
mills, in the universities, and in
the forests. Its purpose is always
the same, namely, to keep the
industry in the forefront of pro-
gress.

By Tom Gascoigne
According to the owner, the
little shop is located on the
wrong side of the tracks. There
are many things of interest here,
one in particular is a very old
portable sewing machine, over
a hundred years old. Perhaps it
is the kind that your great
grandmother used throughout
her life-time. There are few like
this one and well worthy of your
inspection. At Abbotsford.

There is a relatively ancient
set of tooth forceps, in excellent
condition, these too have seen a
century. After looking them well
over it is very easy to believe
that people in those days would
far rather allow their teeth to
decay in their gums than have
any part of this gruesome and
revolting instrument.

Neither of these tools are pre-
sently for sale but they do serve
to mark the progress scored by
human ingenuity within the past
one hundred years.

ST. GEORGES
When you are coming through
Fort Langley, stop for a few
minutes to see the Anglican
church of St. Georges. This
church was built upon the Hud-
son's Bay Co.'s fort cemetery

grounds in the year of 1900.
There were thirty or forty mem-
bers of the Fort staff buried
here and a cairn marks the spot
where two lie at rest. One of
them was a Mr. Newton who was
the chief clerk, the other was a
Mr. Allard who was a trader.
During this period of the fort's
James M. Yale was the officer
in charge and he held undisput-
ed authority over all things. He
was a great admirer of dogs,
many of which he kept close to
him in kennels at the fort. In
sharp contrast, Mr. Allard de-
tested all dogs and especially
those owned by Yale. Unfortu-
nately, Allard was subject to the
uncontrolled, neurotic practice
of shooting Yale's dogs on sight
and without warning, surpris-
ingly, he failed to offer the
slightest reasons or apologies for
his insufferable transgressions.
Naturally, Yale, though small of
stature, was inclined to take the
loss of his dogs seriously, but
being unable to offer combat,
due to his meagre physical pro-
portions, he immediately sought
and found a workable solution.
As a result, Mr. Allard was ban-
ished from the fort at Langley
to the position of trader up the
river at Fort Yale. There he re-
mained, in dogless security until
after the retirement of Mr. Yale
some years later, after which, he
was again returned to duty at
Fort Langley.

**Elgar Choir
Prepares Tour**
In past years some Langley
youngsters have been fortunate
enough to become members of
the famous Elgar Choir from
Vancouver, when it has made
trips to Europe. The last person
we know to have gone on one of
these tours was Heather Small-
man, eldest daughter of Mr. and
Mrs. A. K. Smallman, Carveth
Road, Langley.

The Elgar Choir of British Co-
lumbia is now preparing for yet
another Overseas Tour, it's ninth.
Visits are planned to London,
Paris, Berlin, Moscow, Vienna
and Rome, and the choir has va-
cancies in all parts for young
singers with musical training.
Girls, aged 12 to 18 years,
should apply now for further in-
formation to C. E. Findlater,
328 West Hastings Street, Van-
couver 3, B. C., and give details
of musical experience and ref-
erence.

Applicants should note that as
the 1961 Tour Choir has been
organized since the early sum-
mer, enrollment will be open
only until October 15, 1960.

OTTER
The Otter Elementary School
PTA will resume its monthly
meetings at 8 p. m. on September
26, in the school. A film will be
shown and a discussion period
will follow.

THE LITTLE CURIOSITY SHOP
By Tom Gascoigne
According to the owner, the
little shop is located on the
wrong side of the tracks. There
are many things of interest here,
one in particular is a very old
portable sewing machine, over
a hundred years old. Perhaps it
is the kind that your great
grandmother used throughout
her life-time. There are few like
this one and well worthy of your
inspection. At Abbotsford.

ST. GEORGES
When you are coming through
Fort Langley, stop for a few
minutes to see the Anglican
church of St. Georges. This
church was built upon the Hud-
son's Bay Co.'s fort cemetery

Miss Marolyne Diane Loucks,
elder daughter of a well-known
Aldergrove couple, Mr. and Mrs.
D. R. Loucks, Boundary Road,
was wed in a candlelight cere-
mony at St. Andrew's Anglican
Church, Langley, on Friday, Sep-
tember 16. Her groom was L.
Donald Schulberg, youngest son
of Mr. and Mrs. H. Schulberg,
Yorkton, Saskatchewan. Rev.
Canon T. E. Harris officiated at
the double ring ceremony before
a packed congregation of rela-
tives and friends.

Large candelabra at either
side of altar and chancel steps
shed a soft glow from the tapers
over the wedding party. Gladioli
and dahlias in shades of white
and yellow decorated the church.
Given in marriage by her
father, the stately, dark-haired
bride entered the church to the
strains of the traditional "Wed-
ding March." She chose a gown
of classic simplicity. It was of
nylon chiffon over taffeta in
Edwardian style, and featured a
scoop neckline, lilypoint sleeves
and an apron effect overskirt of
shirred nylon extending into long
wide ties which looped at the
back and formed a short train.
Contrasting with the severe sim-
plicity of the gown was the
bride's rich lace veil held by a
tiara of brilliants. It extended to
the elbows. A tiny Colonial bou-
quet completed her ensemble. Her
only jewelry was "something
borrowed" and "something old"
—her mother's gold cross.

Attending her sister as maid-
of-honor was Miss Susan Loucks
in a gown of champagne beige
organza over taffeta with tiny
taffeta bolero and accessories to
match. She carried a Colonial
bouquet of tiny chrysanthemums
tinted in a rust shade, and a tiny
cluster of the same flowers was
worn on a circlet in her hair.

Miss Elsie Siegrist of Penticton
was bridesmaid and her gown was
similar to that of the maid-of-
honor's but in cornflower blue,
with flowers tinted to match. The
bride's cousin, Lynn Smart, of

Vancouver, was flowergirl in a
dress of yellow organza and she
wore a coronet of flowers to
match.

Assisting his brother as best
man was Norman Schulberg of
Peachland and ushers were Gord-
on Canham and Barry Hodgins
of Vancouver.

At the reception held in the
Patricia Hall Mr. E. C. Milward
of Aldergrove was the toastmas-
ter. Assisting in receiving the
guests were Mr. and Mrs. H. Neil
of Victoria, brother-in-law and
sister of the bridegroom, who
were substituting for his parents.

For her daughter's marriage
Mrs. Loucks had chosen a pastel
pink brocade sheath with match-
ing bolero. Her corsage was of
pink roses and tiny white daisies.
For the wedding trip to Port-
land Oregon and the Okanagan
the new Mrs. Schulberg chose
a beige walking suit with dark
brown accessories. On their re-
turn the newlyweds will take up
residence at 8832 French Street,
Vancouver 14, B.C.

Special guests were Mr. and
Mrs. L. Lensen of Lynden,
Washington and Mr. P. Woodends
of Flood. Other guests came
from Vancouver, Victoria, Pen-
tiction, Peachland, Port Coquit-
lam, Cloverdale, Langley, Ab-
botsford, Richmond, Port Moody
and Whalley, besides the many
from the Aldergrove area. One
hundred guests, approximately,
attended the reception.

The previous weekend Mrs. L.
Ross accompanied her daughter
and son-in-law, Mr. and Mrs.
Harold Herbert, to Kereemos.
Lawrence Ross, now employed
at Harrison Lake, spent the week-
end at his home here.

Mrs. Edwards of Ross Road has
been a patient in the M.S.A. Hos-
pital for the past two weeks.

Mr. and Mrs. John Norberg of
Seattle spent the weekend at the
Ross home.

NORTH COGHLAN

The regular monthly meeting was held in the Community Hall on Monday. Our president, Mrs. Brooks, was welcomed back to the chair.

Following the general business section of the meeting, a discussion followed regarding the exhibit for the Fall Fair at Aldergrove and a working committee was planned.

The annual "Turkey" Dinner, with strawberry dessert (the strawberries are already in the deep-freeze for this) will be held on October 22. Mesdames Robideau, Brooks, Baird and Okla will be in charge of this.

The annual Fall Bazaar and Afternoon Tea will be held in the hall on November 26. Members are requested to hand in their work for same at the October meeting. A beautiful bedspread will be raffled at this time.

It was voted to send a \$2 donation to the Federated Women's Institutes in Canada for the memorial and picnic site to be designed in perpetuity on the farm of the W. I. founder, Adelaide Hoodless, at Stoney Creek, Ontario.

Following the meeting lunch was served by courtesy of Mrs. Shanks and Mrs. Oakley.

Present at this meeting was a maintenance man who gave an estimate for cleaning the piano and putting it in order.

The next meeting will be held on October 17.

Mrs. Gates of Vancouver was a guest at the home of her friend, Mrs. Longway, recently. On Sunday the Longways, Mrs. Gates and several friends enjoyed a picnic dinner at the Peace Arch and found the beautiful Autumn setting most enjoyable. On the way home they visited the Pleasant Dale Dahila Nurseries. The flowers were of every hue and size, from 1 1/4" to 9" in diameter and can possibly not be excelled for beauty anywhere in B. C.

Mr. and Mrs. James Skea and daughter, Rita, of Vancouver, are on a holiday motor trip touring the Arrow Lakes, Banff and Western Alberta.

Mr. and Mrs. W. Evans and Janice, who have been holidaying in Wales and the British Isles, left the Old Country airport at 2:15 p. m. Friday, arriving at the Vancouver airport Saturday a. m. and report an enjoyable holiday and passage both ways.

Mrs. Ed Ashman and Debbie left on Monday for a trip to Ontario where they will spend a few weeks visiting relatives and friends in St. Catharines, Toronto and points east.

Mrs. Kennedy is spending some time in Bridge River visiting her son-in-law and daughter, with their family, Mr. and Mrs. Herb Delmonica.

Night Schools Offer Sixteen New Courses

Langley Board of School Trustees will offer new Night School courses to meet many needs and interests. There are new courses in the fields of academic learning, fine arts, "hobbies," recreation, and the useful arts.

Five new courses have been introduced to stress academic adult education. On October 4, a Seminar in the Great Books will be introduced in Aldergrove (see editorial). A. L. Cartier, Director of Adult Education, will assist the members of this class to exercise and build their mental muscles by a study of selected world classics. (The same course will be started in Langley at a later date). In Langley a Discussion Group in Comparative Religions will be conducted by A. Buckley. Other new academic courses to be started are English 40, Social Studies 30 and Russian.

The fine arts will receive attention by the introduction of Painting for Pleasure, a music workshop and ceramics. Langley artist, Mrs. Inga Morris will teach painting. The music workshop will be conducted in Aldergrove by D. Bunt and Roy Atkinson for the purpose of developing talent to produce an opera. Mrs. W. Schmidt will teach ceramics and pottery in Langley.

In the hobby line, the very popular Lapidary courses will be continued with the addition of jewelry making to assist rock enthusiasts in making settings for their prize stones. Woodwork and cabinet making will be given in both Langley and Aldergrove.

In the field of recreation, Jim Kerr will conduct a class in Ad-

vanced Ballroom Dancing, primarily for adults who took his classes last year. Another new course will be Contract Bridge. This will be taught by Owen Sheffield, who has been teaching Bridge in the Vancouver Night Schools. Carl Hessay will also offer a course in gymnastics.

Finally three new courses are to be provided for the practical minded. Mrs. Helen Irwin, proprietress of Fosters' Fine Foods will teach cooking. In the first 10 weeks she will teach Smorgasbord Dinners and in the second half will instruct in Outdoor Cooking. W. Anderson returns with a course in Home Construction that was very popular when he gave it a few years ago. Also of interest to farmers and homebuilders will be a course in plumbing given by John Strain, plumbing inspector for Langley Municipality.

the home of Mrs. H. S. Robinson for Miss Marjorie Loucks, eldest daughter of Mr. and Mrs. Dave Loucks of 3331 Boundary, on Monday, Sept. 12. There were about 30 guests in attendance, bringing many useful and lovely gifts.

Visiting at the home of Mr. and Mrs. E. W. Spearing of Howes Rd. were Mr. and Mrs. S. Klynick of Ottawa, Ont., Mr. and Mrs. George Bartholomew and Mr. and Mrs. T. Wilson of New Westminster.

Mrs. F. Desmarais has returned home from Seattle where she spent a short holiday from Monday to Friday, visiting her son and daughter-in-law, Mr. and Mrs. Al Desmarais. Visiting with Mrs. Desmarais is her daughter and son-in-law, Mr. and Mrs. Mike Charney and children, Gary and Gail, of Vancouver, and a grandson, Lloyd Charney, also of Vancouver.

COUNTY LINE

Mrs. Norman Green heard over the weekend that her cousin, Rev. J. C. A. Barton of First Baptist Church, West Vancouver, has been appointed Director of Home Missions for the Baptist Union of Western Canada. He and his family will leave at the end of October to make their home in Edmonton.

Mr. and Mrs. Fred Searle and family of Victoria visited the Norman Greens over the weekend. Allen Peever is home again after visiting friends and relatives in Saskatchewan for the past month.

Mr. and Mrs. George Morden of Lethbridge stopped off to visit their niece, Mrs. Neils Oes and her family during the past week. They were on their way to visit their two daughters at Sechart and Nanaimo.

David and Richard Green with two friends, Kelvin Landstrom of Vancouver and Dennis Horgan of Langley, motored to Kelowna for the weekend. Richard and Dennis played cricket for Langley against the Kelowna Club.

Scottish Tenor Returns Again

A very popular entertainer will return once more to the West Coast in the person of the famous Scottish singer, Kenneth McKellar. Since his last appearance here he has been seen on the Ed Sullivan programme during the popular Sunday evening show. Known as Scotland's foremost tenor, he is also Britain's No. 1 TV personality.

With him McKellar will bring Duncan MacRae, Scotland's celebrated character comedian; Lucille Graham, well-known operatic soprano; Jimmy Neil, premier master of ceremonies. For those who like accordion music there will be Ronnie McCulloch and his accordion. Denis Woolford, wizard of the keys—piano entertainer direct from Edinburgh, completes the cast.

Concerts will be given in New Westminster on October 6 and Vancouver on the 7th and 8th.

Unseen Industry Benefits Canadians Everywhere

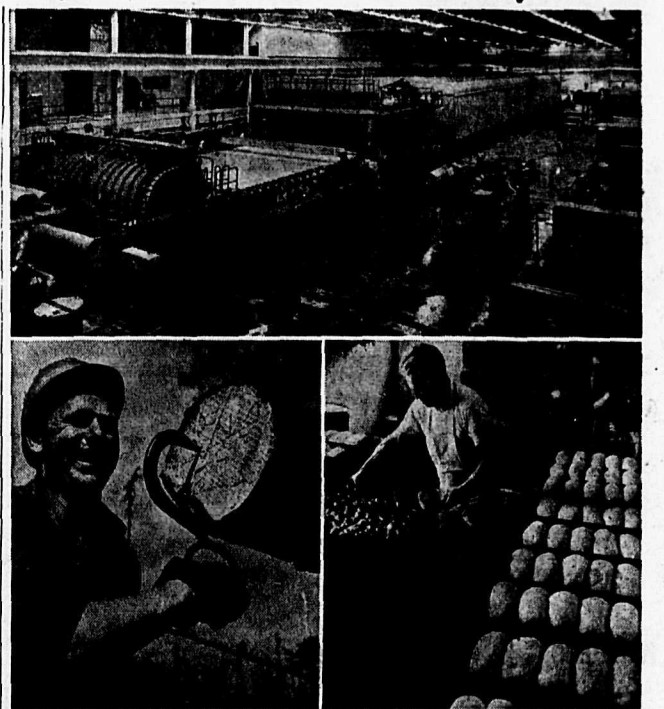

National Pulp and Paper Day Marks
150 Years of National Contributions

Canada's pulp and paper mills, generally located in the hinterlands, are unseen by most Canadians, yet the entire country benefits from the operations of this one great enterprise that is the nation's leading producer and exporter.

The pulp and paper mills convert the forest harvest into a variety of products, including the newspaper for this and all other Canadian newspapers. In addition to meeting Canada's paper, paperboard, and pulp requirements, the industry accounts for more than a fifth of the value of all Canada's exports. The industry is also the nation's leading manufacturing employer and wage-payer. Hence, its operations stimulate and quicken every facet of trade, commerce, agriculture, and business in the land. For example, pulp and paper is the chief user of the railways and by far the leading consumer of electric power in Canada. It is also a leading buyer of chemicals, mill supplies, and industrial equipment.

To feed their woodworkers alone, the mills buy each year, some 14 million pounds of meat, 20 million eggs, 10 million pounds of flour, 3 million cases of canned milk and more than 6 million pounds of powdered milk and other dry foods. Thus the industry is also a leading purchaser of agricultural commodities.

In a pulp and paper day statement, R. M. Fowler, president of the Canadian Pulp and Paper Association said, "This day will serve to remind us that we are in a period in which the world will make increasing demands on Canada for pulp and paper."

A giant newsprint machine (top), as long as a football field, may spin out a 20-foot ribbon of paper at speeds of more than twenty miles an hour. Canadian mills, with a newsprint output three times that of any other country, supply almost half the free world's newspaper pages. Each day they produce the equivalent of a five-foot ribbon of paper stretching from Toronto to Baghdad. Below, a pulp and paper logger gets ready to move a log, the industry's raw material, while a camp cook prepares a daily batch of pastries and bread.

Conservative estimates reveal further opportunities for the millions of Canadians whose livelihood depends, directly and indirectly, on the well-being of the pulp and paper mills. With a variety of events, the mills of the industry are setting aside a Day as a reminder of the importance of the industry to the nation's economy and the well-being of all within the industry of the country.

Langley Cricket Club 'B' Division League Champs

By a clearcut victory over Surrey, Saturday, Langley Cricket Club won the "B" division of the Mainland Cricket League for the second time in three years. Playing at Bear Creek Park, Surrey elected to bat first and once again some outstanding bowling by Colin Stewart, who took five wickets for 24 and Art Griffin, 4 for 13, enabled the victors to put out their opponents for 41 runs.

Fielding, at which Langley has greatly improved, again played an important part.

Langley started badly, losing Griffin through a senseless run-

out, but steady batting by Dave Lind and Colin Stewart, plus excellent running between the wickets soon saw a change and with 42 on the board, and four men out Langley won by six wickets.

As their nearest rivals, South Hill lost their game. Langley cannot now be overtaken whatever the result of next Saturday's home game with Vancouver Rangers.

A joint team from Langley and Surrey journeyed to Kelowna after the Saturday game and played the local side on Sunday. In a low scoring match Langley triumphed on first innings by a score of 78 to 45, but playing against time and light did not fare so well in the evening play, although Gerry Brown hit 32 in quick time. An annual meeting between these clubs is to be arranged.

Square Dancing Class

Sponsored by Buttons and Bows Square Dance Club will begin at Murrayville Hall 8 p. m. Wed., October 5, 1960

The first paper was made in 105 A.D. by Ts'ai Lun in China who invented the process. He soaked bark, reeds and hemp in water and heat them into pulp. The watery mixture was then poured on a cloth stretched on a bamboo frame. As the water drained from the pulp, the vegetable fibres felted into a sheet, which was lifted out and dried in the sun to become paper.

Family Reunion Held

Left to right, upper photo, are Mrs. Fred (May) Fleissner, Mrs. Frank (Isabelle) Williams, Mrs. John (Elizabeth) Miller, Mrs. Irving Kathie Lattimer and Mrs. M. C. (Evelyn) Wardrop. Left to right, lower photo, are Walter, Robert, Ivor, Victor and Sidney Latta, the five remaining daughters and five remaining sons of the late Mr. and Mrs. William Latta.

A very happy reunion was held in Assiniboine Park, Winnipeg, Manitoba, in June when the ten surviving sons and daughters of the late Mr. and Mrs. William Latta, who were residents of Whitemouth, sixty-five miles east of Winnipeg since 1883 until the time of their deaths. Mrs. Latta passed away in May, 1938, aged 81 years, and Mr. Latta in December, 1941, at the age of 85.

The eldest son, William, passed away in January, 1904, at the age of 20 years, and a daughter, Mrs. S. D. (Elinor) Benson, died in June, 1953 at Vancouver, B. C. She was 63 years of age.

This reunion was the first time that the sons and daughters had all met together in 28 years, the last occasion being when their parents celebrated their Golden Wedding at Whitemouth in June, 1932.

Three sons, Walter, Ivor and Sidney; also a daughter, Mrs. M. C. (Evelyn) Wardrop, (twin sister to Elinor) still reside at Whitemouth. Sons, Robert and Victor, reside in Winnipeg. One daughter, Mrs. Fred (May) Fleissner resides at Headingley, a suburb of Winnipeg. The other daughters are scattered, Mrs. John (Elizabeth) Miller being in Aldergrove, B. C.; Mrs. Frank (Isabelle) Williams, Victoria, B. C.; and Mrs. Irving (Katie) Lattimer in Yarmouth, Nova Scotia.

Fifty grandchildren and great-grandchildren, as well as many friends of the family, attended the celebration.

Vancouver. Mr. and Mrs. F. Ryans, Lois and Joan of Whalley visited Mrs. Ryan's mother, Mrs. K. Tebbutt, on Saturday.

Mr. and Mrs. O. Wellman visited Mr. and Mrs. Robert Sidle in Whalley last week.

Miss Kathy Wohlgenuth and Miss Eva Schroeder were joint hostesses for a surprise bridal shower at the Schroeder home on Sept. 10, in honor of Miss Anne Schroeder, whose marriage to Mr. Eugene Reimer was to take place on Sept. 17. There were 25 friends and relatives in attendance. Games were played which were followed by the opening of the many gifts by the bride-to-be seated under a decorated umbrella. Refreshments were then served and Miss Kathy Wohlgenuth proposed the toast to the bride-to-be.

The United Church Sunday School reopened with five Sunday School teachers, Mrs. Jim Taylor, Mrs. Bob Bellamy, Mrs. C. Israel, Miss Carol Skinner of Pine Grove and Mr. W. Gibson of Bradner. Mrs. E. Olund is again superintendent and "d" substitute teacher.

The Sunday School teachers met at the manse one evening last week and planned their Sunday School program. Rev. G. Collins has organized a boy's working club, and they are fixing up a club room in the basement. Eight boys attended last Friday evening.

Mrs. H. Haak had the misfortune to fall down some cement steps and break a leg last week. Miss Phyllis Threlfall was home for the weekend. She is training as a nurse at Royal Columbian Hospital. Miss Edith Threlfall has returned to her teaching job at Prince Rupert.

Deane Cherry and her cousin, Francis McKenzie of Glen Valley, spent last week at the home of their uncle and aunt, Dr. and Mrs. William Smitheringale in
