Langley Police Court News

Two infringments regarding truck loads came up before Magistrate Hunter Vogel at Langley Police Court last Wednesday.

Plijara Singh Mudhar of Richmond was charged with overloading a truck of asphalt mixture by 5,800 lbs and was fined $50 while an Aldergrove man, Barney Thiessen, was fined $10 for failing to have a flag marking a protruding load.

Henry Smith of Langley was fined $30 and costs for being intoxicated and a Langley juvenile paid $25 for being in possession of liquor.

Speeding charges resulted in fines for Peter Williams, Vancouver, $15 and George Keogh, Cloverdale, $20.

$10 fines for passing through stop signs were levied against Robert Wraight of Surrey and George Kuniss, Aldergrove.

Robert Sidwell, Langley was fined $25 for passing on the right while on a similar charge Abraham Peters of Abbotsford paid $15.

Family Court For Valley

Under study and consideration by the municipality is a proposal to establish a Family Court in the Valley.

Chilliwack municipal council asked if Langley would be interested in the formation of a family court with a proposed area of jurisdiction from Langley to Hope. It was pointed out that the normal machinery of the law was a crude and blunt instrument when applied to personal family problems and that a family court would be better for reconciliation and thorough investigation by trained personel.

The matter has been referred to Councillor Walter Jensen, chairman of the Health and Welfare committee.

BRADSHAW ROAD

Bradshaw Road, west of Sturmey Road is to be reconstructed to an estimated cost of $900 provided sufficient funds are available in the 1961 Board of Works budget.

Accident Outside Hospital Injures Member of Staff

A serious accident over the weekend at the entrance to Langley Memorial Hospital emphasizes the dangerous and difficult left turn that has to be made by eastbound traffic.

Seriously injured was Mrs. Anne Harding, a hospital X-Ray technician who was on the way to the hospital following admission of three other persons who were injured in a car accident on Latimer Road.

Mrs. Harding stated that after waiting about five minutes on the hill while westbound traffic came through she made her left turn but was struck by another eastbound car driven by Rudolf Semke of Aldergrove. The first car was forced approximately 120 feet across a gateway knocking down a Trans Canada and went through steel gate.

Mrs. Harding suffered severe lacerations to head, neck and left arm while her passenger, Norman Schulbert of Union College, U.B.C., received cuts and bruises. He was later released from hospital.

Mrs. Semke, passenger, in the second car, also went to the hospital with minor injuries but was released immediately.

Hospital Administrator, Harry Devine, told the Aldergrove News that the Highways Department has just recently been informed of the urgent necessity for a left turn lane on the hill. This, he said, must come soon and would necessitate widening of the hill.

Lynden Fair

The Free Grange Grandstand show for the Northwest Washington Fair at Lynden will be held on Wednesday, August 16th and not August 17th as stated in last week's notice in this paper.

Petition For Glen Valley Fire Protection

Glen Valley residents have petitioned Council for inclusion in the Fort Langley fire zone. At present Glen Valley is the only area in the municipality which is not covered for fire protection. Last area to be covered was north County Line, Coghlan area as far north as the hill. A favourable vote by mail resulted in the area being added to the zone of Aldergrove Volunteer Fire Department.

The Deputy Minister of Municipal affairs has been asked for permission to conduct a similar vote by mail in the proposed Glen Valley extension area and the existing Fort Langley fire zone.

Forty-six residents signed the request to council.

Bush Fire Rages by B.C.E. Tracks

Aberdeen Fire Department had a busy day on Monday when four bush fires were reported, three near the border and the fourth on the B.C. Electric tracks between Jackman Road and the Interprovincial Highway, just at the Langley-Matsqui border.

The latter fire was first reported at 3 p.m. by Boberta Maigret, head of the Bradner Junior Forest Wardens. She was said to be' first on the job and stayed right with it to the end, putting into practice all she had learned about fire fighting.

The fire trucks could not get anywhere near the fire so the B.C. Electric was notified and they sent out men and equipment. The only home which seemed at any time in danger was that of George Radford, when the wind blew the fire n that direction across the Vidman property for some distance. Mr. Vidman and his son ad quite a time controlling it.

Annual Gospel Camp At Otter

Pastor E. L. Saunders of New Westminster will again be in charge of the camp and a welcome is extended to all denominations whether affiliated with the church or not.

One object of these annual camps is for relations and friends from distances apart to gather together for worship and renewal of acquaintances. Services will be held each day from 7 a.m. morning service to 8 p.m. evening service.

Aldergrove to Get No Traffic Light This Year

Aldergrove will definitely not get a traffic light at the Jackman-Trans-Canada intersection this year.

Langley Council has received estimates from the Department of Highways showing the cost of installation would be $3,500. The annual operation cost would be approximately $230 of which the municipality would be responsible for 50%.

As the budget for 1961 will not allow expropriation of funds for this purpose, the matter has been referred to the 1962 council.

THEY CAN'T ANSWER BACK

If the four men, if they can be called men, who were seen last week to pull, punch, kick and choke a young calf on County Line Hill north, were to have done such a thing in England, they would undoubtedly have been near lynched

These charming people started to get the terrified animal up the hill by twisting its tail so tightly that it arched its back and bleated with pain. It was also heavily beaten with sticks and kicked. They then tied a rope around its neck and pulled the animal up the hill attached to a car. The calf collapsed for about 5 minutes and appeared dead but eventually recovered sufficiently to limp up the hill.

It might interest these men to know that independent witnesses duly took note of what went on and if further instances of unnecessary cruelty are seen a full report will be sent to the S.P.C.A. and to the police.

Instances of cruelty to all animals are far too numerous in this province. Maybe it is worse elsewhere, but we can make a start by seeing it doesn't occur here. Animals cannot reason like human beings but they still have feelings.

The Planning Committee for the new hospital is actively engaged in all phases of the highly complex groundwork. It is expected that actual work on the new site will commence some time in the late spring of 1962.

1917—women in Canada were given the right to vote in federal elections.

In 1878 for the first time voters in federal elections cast votes in private, or secretly; previously, qualified voters called out their choice at polls, leading to intimidation of voters.

Legislative Report

By: Jim Rhodes, M.L.A. for Delta

The second session of the 26th parliament of British Columbia opened at 3:00 p.m., August 1st with the loudest gun salute, and the shortest speech from the Throne on record. Five bills were introduced, the most significant of these being the special Act to place the B.C. Electric Company under public ownership.

This policy, which has been advocated by the C.C.F. for many years, and has been rejected up until now by the Social Credit government, was received differently by the various parties. The C.C.F. Opposition M.L.A.'s claim this has been their victory, while the Social Credit M.L.A.'s state that public ownership does not mean socialism. The Liberal M.L.A.'s, who had previously stated that only new power developments should be publicly owned, voted in support of the bill.

Perhaps the most significant note of this legislation is that none of the government back benchers knew that the legislation was coming, and only a few members of the Cabinet. The Social Credit members did not hold a caucus meeting prior to the opening to discuss the advisibility of this legislation. It was obviously the plan of the premier. Following on this, only one government back bencher spoke during the debate.

Of interest to farmers was an Act to amend the Milk Industry Act, which cleared up the technicality that last spring awarded two dairies several thousand dollars by court decision against the Milk Board.

Summing up, the sun tan session just completed resulted in a major reversal of government policy. I am pleased to support this legislation and sincerely hope that the next logical step will be an immediate reduction in electrical bills to the consumers of the B.C. Electric Company.

First Gladiolus Show Proves Successful

The Fraser Valley Gladiolus Society held its very first show in Abbotsford, at Trinity Memorial Youth Centre, on Saturday, August 5th. As far as entries were concerned it exceeded all expectations. Some 273 entries were received in a large number of classes and the officials were pleased with the support given their Society by the novices.

A second and larger show will be held at White Rock, in the United Church hall (Hilltop district) on Saturday, August 12th at 1 p.m.

Entries in the Abbotsford show came from Haney, Richmond, Vancouver, New Westminster, Langley, Aldergrove, White Rock and many from the Abbotsford and Matsqui districts. The show as a whole was deemed a success.

Champion spike in the whole show was entered in the open section by P. C. Perry of White Rock, a giant red called Royal Stewart. Best spike among the amateur was entered by E. M. Hughes of White Rock, a mauve called Violet Charm. Mrs. Mark's Memory was the name of the champion novice spike, owned by Patsy Hoon of Abbotsford.

Champion basket in the show was that of L. C. Hoon of Abbotsford. Best arrangement was Mrs. Rosella Schmidt, R.R.1., Abbotsford. Best three spikes were entered by P. Drysdale of Haney. They were of the Floral Dance variety. Best spike in the Junior and 4H section was Little Diamond, entered by Patsy Hoon.

Besides the champion blooms local prize winners included Mrs. E. Taylor, Mrs. R. Schmidt, Mrs. Norma Brown, Mrs. Mary Grant, Mrs. Buchanan, Mrs. F. W. Smith, Miss Patsy Hoon, Mrs. L. C. Hoon, Harry Friesen, Faye, Lorna and Wayne Grant, all of the Matsqui district, and Mrs. Norman Green of Aldergrove.

After the show closed at eight o'clock all the blooms were auctioned off and some colorful bouquets brightened the district around the hall as people went to their cars with their booty.
