Man Jailed For Local Land Fraud

A White Rock man has been sentenced to 18 months in Oakalla after pleading guilty to land fraud in Aldergrove.

William W. Cooper, 32, president of Cooper Fraser Securities Ltd. was accused of selling a mortgage twice on the same piece of property in Aldergrove.

Police said that on April 4 he had sold but not registered a first mortgage on 61.92 acres that he owned on LeFeuvre Road. He sold this first mortgage to Mrs. Helen Thompson of Sardis.

Two weeks later, on April 18, he sold the same first mortgage on the property for $9,800 to Robert Michels of Point Grey Road, Vancouver.

Fire Damages Otter House

A house fire last Wednesday caused severe damage to the home of a recently married Aldergrove couple.

The Rbt. Anderlini's shut the doors of their home on South Otter Road to go milking and the house was empty at the time fire was noticed and Aldergrove Volunteer Fire Department called.

Fire apparently started in the hallway and spread to the kitchen where great heat was generated. Fortunately as all doors and windows were closed the fire did not spread but the kitchen was badly charred and smoke damage to the rest of the house was considerable.

Firemen under Assistant Chief Elmer Quiring donned masks after quelling the flames and were at the scene for two hours before able to leave.

Damage was difficult to estimate but was probably between $1,500 and $2,000.

A fire Council meeting was in progress at the time in Langley.

Whirlev Birds For Langley

Application has been made to operate a helicopter base at Skyways Airport in Langley.

North West Whirleybirds have requested lease of a piece of property on the south-east corner of the airport for construction of a 40' by 50' hanger at a cost of $20,000.

Recreation Director Sought

Langley Recreational Commission has decided to hire a recreation director at a fee equal to the amount of the provincial government grant so that there will be no cost to the municipality.

During the summer months over 300 children have been given swimming instruction. Soccer is to be promoted during the next few months by the Commission.

Man Found Dead In Well

An eighty year-old Langley man was accidently drowned in a well on Friday afternoon.

Friends reported the old man's absence to police who searched the premises and found the body of James Fairclough floating on the surface of his well on Jericho Road. The chain of the well was found to be wound around one of the victim's arms. The man had apparently been dead for some time.

Langley Police Court News

Four years in prison was the sentence imposed on Robert David Bankz of Aldergrove for robbery with violence against another Aldergrove man William Gobl.

A Fort Langley man Wilfred Gabriel was sentenced to thirty days in prison for obstructing a Fisheries officer and he was also fined $150 for using small nets for fishing on the Fraser River.

A Langley juvenile was found delinquent on a breaking, entering and theft charge at a house in West Langley. He was placed on probation for an indefinite period and ordered to pay $4 restitution.

Speeding fines were levied against William Vermeer, Chilliwack-$20, William Petrie, Langley-$20 and Francis Goulding, White Rock-$15.

Gordon Miller, Vancouver was fined $15 for passing on the right and Richard T. Gleig, Langley $20 for passing through a stop sign.

As the result of an accident at Fort Langley, John Andrew Rennie, New Westminster was charged with driving without due care and attention and was fined $75 with costs.

A Willoughby man, Glen Vogler was given a six months suspended sentence when found guilty of common assault.

McGregor Smith, Langley was fined $10 for intoxication.

Two Langley juveniles were placed on six months probation for theft of a bicycle and tools

HUNTERS COME TO CANADA
More and more hunters are coming across the border to do their hunting in Canada. A large proportion of vehicles entering Canada at Aldergrove Customs are station wagons, trailers or campers. —News Photo.

Langley Night School Enrollment Increases By 60 Per Cent

The first week of the Langley Night School has brought a record enrollment of 887 adults in 53 courses. This represents a 60 percent increase over the enrollment at this time last year.

Most gratifying to the Director of Adult Education, Mr. A. L. Cartier is the increased interest in the more academic courses. Whereas last year there were only 22 enrolled in two academic courses, this year there are 180 students enrolled in 8 Grade 12, Grade 13, and Second Year subjects. Twenty adults are taking high school mathematics by teaching machines.

A new feature this year is a complete commercial course in which 57 students are enrolled.

The most popular of the vocational courses is welding.

The forty adults enrolled have had to be split into two classes, one on Wednesday and the other on Thursday.

The fine arts are well represented by 2 courses in Painting, one in Pottery, one in Photography, one in Choral Music and one in Drama.

Several new courses will be started later in the month and several others are scheduled to begin in January.

Langley Night School is attracting students, not only from the Langley area but also from Mission, Abbotsford, Surrey, Burnaby and Haney.

COURT OF REVISION

The Court of Revision for the Voter's List will sit on November 1 from 10 a.m. till noon.

COUNCILLOR JOHN WELLMAN
Member of Court

Members will consist of Reeve D. W. Poppy and Councillors John Wellman and Art Woolley.

AROUND TOWN

By DON ANSON

Most stores now seem to have some funny messages pinned up somewhere. My favorite in case you haven't heard it is this:

One day as I sat musing, sad and lonely and without a friend, a voice came to me from out of the gloom saying "Cheer up, things could get worse". So I cheered up and sure enough things got worse.

• • •

So popular are the Langley Night School academic classes that students come from as far afield as Burnaby, New Westminster, Haney, Mission and White Rock.

• • •

An Old Age Pensioner with a keen sense of humour, when writing to renew her subscription, asked us to remove the second "t" from her name, since she "couldn't afford two "t's" on the Old Age Pension.

• • •

Somehow I imagine a large number of people will be applying for the position of postmaster in Aldergrove.

George McDonald will be retiring at the end of the year.

• • •

These livestock prices amuse me. We print the prices as listed and sent in but some of the terms seem odd. What, for instance, would 'three doubtful cows' mean? Might they be crossed with elephants or something?

• • •

Don't forget that Aldergrove Chamber of Commerce meeting will be held next Monday, Oct. 16th. This is an important meeting as officers for 1962 will be elected.

• • •

Mt. Lehman Credit Union will be holding open house on Thursday, Oct. 19.

• • •

All Aldergrove business men received their new telephone numbers last week. Wouldn't it be pleasant if this really were the last change in our numbers?

• • •

I wonder whether the first couple to be wed in space will be given a shower of meteorites.

• • •

It might interest people to know that I have been writing this column for well over 3 years (over 3500 feet of it) and so far only two persons have issued official complaints. Once was when I said a girl was "spliced" and secondly was over a slightly indiscreet reference to an officer of the law. Every week people ask me to put things in this column. Sometimes I do but very often I can't.

Africa Featured During Evangelistic Meetings

H. W. Beavon Displays Souvenirs.

Attractive Curios from Africa are the prized possession of Evangelist H. W. Beavon, who has laboured 12 years as a missionary in the heart of Africa In the picture above, he displays a native headdress. zebra hide drum, carved elephant tusk, woven basket, ceremonial mask and animal carvings. These attractions, to-gether with colourful pictures of the people and wild life of Africa, are to be presented free as a special feature in connection with a series of public lectures in the new Adventist Church. The church is four miles east of Aldergrove, on Mt. Lehman Road, South near theTrans-Canada Highway.

Mr. Beavon is to be the principle speaker during these meetings to be held every Saturday, Tuesday and Thursday for a month commencing October 14, at 7:15 each evening. The pictures of Kenya, Tanganyika, and of the Republic of the Congo he says, will be shown on the screen in connection with the "Community Sing" preceding the evangelistic lectures. Mr. E. L. Wilson of Chilliwack will be in charge of music.

Mr. Beavon was born in Kenya, and thus might rightly be considered a "native" of Africa! His parents were medical missionaries near the great lake "Victoria Nyanza".

However Mr. Beavon received most of his education in Vancouver, B.C. After completion of his college work, and two years of pastoral work in Ontario, he returned to the land of his birth as a second generation missionary.

ATTACK BY MAU MAU

In 1956, while engaged in a school inspection safari in Kenya. Mr. Beavon was savagely attacked at night by five Mau Mau assailants. He owes his life to native Christians who administered first-aid and then took him thirty miles in darkness to the nearest hospital.

Before his return to Canada last year, he served as principal of a teacher-training centre in Tanganyika. He is at present serving as pastor of the Aldergrove Seventh -day Adventist church. He extends to the public a cordial invitation to come and enjoy the special meetings soon to begin.

Winter Works Program Set For Langley

The Winter Works program will commence next week and provision has been made in this year's municipal budget for employing 30 men for the remainder of the year.

The provincial government has agreed to pay the full cost of any men who have been on Social Welfare continuously from June 15 to the date of project. Langley has 16 such men available.

Application has been made for brushing work to be done under the program with employment of 46 men in all from October 15 to December 15.

W.I. Founder's Home Now An Historic Site

The former home of Mrs. Adelaide Hunter Hoodless, Founder of the Women's Institute, at St. George, Ontario is now the property of the Federated Women's *Institutes of Canada. It has* been designated an historic site by the National Historic Sites and Monuments Board and will be marked with a plaque before the tourist season opens next year.

The homestead is being renovated with great care in the period of Mrs. Hoodless's lifetime.

Club Granted Tax Exemption

Langley. Rod and Gun Club is to be granted tax exemption for 1962 and the necessary by-law is to be presented to Council.

This decision did not go through Council unopposed as Councillor Walter Jensen stated that other forms of recreation were not subsidized by tax exemption and that this created a dangerous precedent.

Councillor Booth suggested that when local societies showed initiative in providing recreational facilities, they should be supported.

Four Persons Injured In Three Car Crash

A three car collision on Trans-Canada, west of Livingston, on Friday night resulted in injury to four persons.

Two stationary cars driven by Peter Player, Trail and Alfred Jarvis, Vancouver, were waiting for a car to make a left turn. They were hit in the rear by a car driven by George Smyrl, Vancouver.

Four persons were taken to *Langley Memorial Hospital but* only one was retained with injuries and cuts to face.

All three cars were extensively damaged and two charges have been laid by R.C.M.P. against Smyrl for reckless driving and driving while under suspension.

DISTRICT GROWS

Official census figures for the population of the Municipality of Langley is 14,459.

Prisoner Gives Himself Up After Escape

Police from Matsqui, Abbotsford and Langley were unsuccessful Friday in search for a prisoner who had escaped from custody *shortly after being* arrested.

Around midnight on October 5, R.C.M.P. office, Langley reported a car had been stolen from Langley and at 12:14 early Friday morning the car was picked up by Matsqui police and the driver, Robert Wirsche, Mt. Lehman Road, was arrested. After apprehension the accused man suddenly made a break away and disappeared towards gravel pits behind Matsqui Police station.

Police from Langley and Abbotsford were alerted and an immediate search was made, aided by a police dog from Cloverdale. No trace of the man was found at the time He was aided by wet ground and poor visibility.

Two days later, on Sunday morning, Wirsche gave himself up to the Matsqui Police and he is at present held in custody.

SHELTER PERMITS

To encourage the building of fall-out shelters Council will only charge a nominal fee of $1 for permits. Under the normal Building By-law schedule these permits would cost between $8 and $10.

I SAW

Each week this paper offers a prize for the best humourous or unusual happening or incident any of our readers experience. It is called the "I Saw" contest and the winner each week receives two tickets donated by Hillcrest Drive-In Theatre and each month, for the best of the month, two Chinese dinners donated by the Aldergrove Hotel Cafe.

This week's "I Saw" award goes to Ed Anderson of the Blue Bird Cafe who reports a very unusual occurence some time ago, way back on a Prairie farm. He went to an unused barn and found a hen supposedly sitting on eggs. He left it, meaning to go back but forgot until a month later when again he returned to the barn. This time he picked the chicken up and found it was mothering four kittens. Shortly after the mother cat came in dutifully fed the kittens and retired. The kittens promptly returned to the wings of their adopted co-parent.

SUNDAY MOVIES?

The war of the Sunday movies is waging strongly in Vancouver and present indications are that sooner or later, a plebiscite will be held to decide the people's wishes.

If this plebiscite goes through it is our contention that however strongly represented be the Lord's Day Alliance, the vote would be in the region of 80% majority in favour.

Freedom of expression, views and religious beliefs is part of our code. If a person wants to go to church on Sunday he is free to do so and equal freedom should be allowed the person who wants to see a movie, a football match or a regatta.

No one is forced to work on Sunday. Usually the inducement makes it worthwhile. Completely downing all tools on the Sabbath is impossible as everyone knows. Someone has to milk the cows, run the trains, produce electricity, guard buildings, serve in restaurants, etc.

Do the close followers of the Lord's Day Alliance run their cars on Sunday? Do they buy gas? Would they call the doctor if ill or an ambulance if someone is run over? Or do they just sit back and try to make life as miserable as possible for others?

NIGHT DRIVING

Older motorists require much more light to see an object, says the B.C. Automobile Association, in pin pointing a special problem of night driving.

After the age of 20, the amount of light required to see an object doubles for each 13 years of increase in age, a BCAA official said.

"A driver 33 years old needs about twice the amount of light to see a dimly-lit object as does a person aged 20. At age 46 the amount of light needed is about twice that at age 33. And so on".

These estimates are included in a report "Visibility for Night Driving", prepared by the AAA traffic engineering and safety department in Washington, D.C.

Because of these limitations, the report urges older citizens to drive more slowly at night. It also emphasizes that ability to recover from glare (approaching headlights at night) diminishes sharply with advancing age. It points out that few eye examinations, however, test this aspect of vision.

The AAA report says that lack of an adequate supply of oxygen in the lungs will also decrease the sensitivity of the eye.

"Though it is little realized, inadequate oxygen may be caused by smoking as well as by high altitudes", it says. "Smoking while driving can be avoided. Extra caution is suggested while driving at high altitudes".

Weds Australian

The daughter of local residents was married on September 29th, in New Westminster, to an Australian, Louis Skoda. The bride was Miss Donna Mae Mathers, daughter of Mr. and Mrs. James Mathers, Station Road, Aldergrove.

For her marriage Miss Mathers chose a two piece dress in ivory and gold brocade with which she wore a yellow and brown orchid.

Attendant for the bride was Mrs. Harley Jones while Barry Harley was the best man.

Miss Mathers has been secretary on the staff of Britannia High School, Vancouver, for the past five years. Also on the Britannia staff was Barry Harley who was toastmaster at the small family gathering held at the Mathers home in Aldergrove.

The newlyweds have taken up residence in Toronto.

Who Is The Fool Me Or A Jackass?

From the Mountaineer

People clip things and save them for many reasons. Some clippings have meaning only for the one who clips them, others have meaning for a wider circle Recently Mrs. Margaret Horrocks of Estevan, Sask., was going over papers of her father who died in 1947. She came upon a clipping he saved. She thinks it dates back to the 1920's and she thinks other farm folk would enjoy it as much as her father did.)

* * *

Over the hill trailed a man behind a mule drawing a plough. Said the man to the mule: "Bill, you are a mule, the son of a jackass and I am a man made in the image of God; yet here we work hitched up together, year in and year out. I often wonder if I work for you or you work for me; I think it is a partnership between a mule and a fool, for surely I work as hard as you, if not harder, plowing or cultivating, we cover the same distance, but you do it on four legs and I on two. I therefore, do twice as much work per leg as you do.

"Soon we will be preparing for a corn crop. When the crop is harvested I give one-third to the landlord for being so kind as to let me use this small speck of God's universe; one-third goes to you and the balance is mine. You consume all of your portion except the cobs while I divide mine amongst seven children, 50 hens, two ducks and a banker, and I ask you is it fair for a mule the son of a jackass to swindle a man, the lord of creation, out of his substance?

"I wonder why you only help to plow and cultivate while I alone must cut, stook and husk the corn while you look over the pasture fence and hee-haw at me all fall and most of the winter. The whole family from granny to the baby picks cotton to help raise money to pay taxes and buy new harness and pay the interest on the mortgage on you. What do you care about the mortgage? Not a thing you ornery cuss! I even have to do the worrying about the mortgage on your tough, ungrateful hide.

"About the only time I am your better is on election day for I can vote and you can't; and after election day I realize that I was fully as great a jackass as your papa. Verily I am prone to wondering if politics were made for man or Jackass or to make jackasses out of men.

"And that ain't all Bill, when you're dead that's supposed to be the end of you, but me — the parson tells me that when I die I gotta go to hell forever, that is Bill if I don't do just as he says and most of what he says keeps me from getting any kick out of life; tell me Bill considering these things how you can keep a straight face and look so dumb and solemn, beats me."

Aldergrove High School News

By Janina Olejnik

The fourth annual Aldergrove High Awards Day assembly was held Monday, October 2nd when 22 of our students received a total of $3,725 in the form of 28 scholarships, loans, citizenship and special awards. The first part of the assembly was chaired by Mr. Don Hanson, the principal and the second half by vice-principal, Mr. R. E. Winter.

Musical entertainment was provided by Mr. Bunt, A.H.S. music teacher, his wife and the choir who presented a new school song prepared by the Bunts during the summer.

The Beatnik Dance held on Friday, Sept. 29 was a definite success- both socially and financially. The High Hats, a new up-coming band, provided some very danceable music. Student Council Social Convener Ray Noble is gloating over his success- he should be- he was responsible for it almost entirely.

Our first club period was held in our extended noon hour on Friday. Approximately 20 clubs have been formed this year. They will be held every second Friday at noon.

* * *

After a defeat of 76-0 at the hands of Squamish, our football team suffered another defeat Friday night at Queen's Park Arena from Notre Dame, 28—0. Their next game is against Steveston on Friday 13. Lucky

Our weekly assembly was limited to the juniors on Thursday this week. The representative of the Look Publishing Co. explained all about the yearly magazine sales drive. It is sponsored by the Student Council this year as usual, but the Football Team and Girl's Volleyball Team will handle the advertising end. Prizes are offered for top salesmen. The money from this drive is to be used for team uniforms.

Letters TO THE EDITOR

Dear Mr. Editor:

As a guest in the Aldergrove community during the week of October 1st through the 6th. I feel that I would like to express myself with regard to the area and the people of the district. Being my first trip to the coast I was indeed impressed by the beauty and special character of this area in which you people are privileged to live.

Of great interest and satisfaction was the hospitality of the people for a guest missioner, as I was commissioned, for the "Lutheran Open House Week" at Immanuel Lutheran Church in Aldergrove. To the congregation I would commend a word of gratitude for their interest and faithful support. To the Community, again, commendation for concern and serious interest.

Especially to you, Mr. Anson and the staff of the Aldergrove News a word of commendation for the evident support of items of community interest. This is not merely a word of appreciation of the guest from Calgary in your community, but also of those in the entire Vancouver-Fraser Valley area who recognize in the Aldergrove News the excellence in community news.

I know I speak for the Congregation of Immanuel Lutheran Church and the pastor, Rev. Adolph Hippe, as well as myself.

With a desire for God's richest and most abundant blessing upon this community, I remain Yours,

Keep Your RED CROSS Ready

Aldergrove High Football Team Act As Ambassadors

Largely through the efforts of the boys themselves and their coaches the Aldergrove High School has a football team that is carrying the name of the school and the town into the city of Vancouver and other parts of the province.

This is the only high school in the Fraser Valley to have a team and they will meet with the big high school teams of Vancouver, as they did on Friday evening.

When one reads of the forthcoming game in the Sports Events column of the big dailies along with short write-ups, and hears the announcement on the radio stations, as well as the final scores on the late sports reports, one realizes how much the reputation of the school and the town rests on these young men.

After only two previous games it was a vastly improved team that tackled the well known Notre Dame High School team at the Queen's Park Stadium in New Westminster on Friday evening. Surprising was the number of fans who turned out from Aldergrove, adults as well as students. The adults were well pleased with the result of this last game, as were the boys.

Visiting supporters were welcomed by cheer leaders from the city school and the Aldergrove girls reciprocated the good wishes.

Aldergrove lost 26 to 0 and held the town team down to one touchdown in the second half. By the goodwill evidenced between the teams at the end of the game the Aldergrove boys will bring much credit to the town in the future We wish them luck.

NATURE'S SCRAPBOOK

Creatures of the Wild are—Wild

Man unconsciously humanizes animals. He attributes to them cruelty, vindictiveness, hate, meanness, fear, bravery and cowardice, not realizing these are but vague terms conveying different meanings to different persons and applicable to man only. For this reason he is inclined to lose sight of the fact that "killing" is an unsocial act only in human communities and that among the animal population it is vital to existence. The killing of the weak for the benefit of the strong, the survival of those best fitted to survive. The balance in numbers brought about by various complex forms of relationship is still the law of the animal world in which man is an intruder at all times Thus predation is an integral part of the machinery by which all animal populations are made to function.

Uses of wildlife species include recreation, insect and rodent control, provision of food for native populations and other frontier regions, fur productian, and the industries subsidiary to these uses.

Former Local Girl Wed In Edmonton

A wedding of local interest took place in Edmonton, October 3, between Flora C. Leman and Clarence Varnum.

Flora is the daughter of the late Mr. A. V. Lehman and Mrs. (Cathy) Lehman of Bradner, and received her education in Bradner-Mt. Lehman elementary school and graduated from Phillip Sheffield High School, Abbotsford. She j ined the R.C.A.F. and served both in Canada and overseas during the war and later re-joined to serve again in the R.C.A.F. in Eastern Canada and Cold Lake, Alberta.

She was active in sports playing softball and basketball. Some of the teams she was on while here were Mac & Mac, Aces and Little Mountain Dairy.

Mr. and Mrs. Varnum arrived at the home of Flora's mother on Saturday, October 7 after motoring from Alberta and are holidaying here and on Vancouver Island.

Saturday evening friends and relatives welcomed them.

BRADNER

For Thanksgiving at St. Margaret's Anglican Church the decorations featured sheaves of grain, vine maples, hops and autumn flowers. The donations of fruit and vegetables were sent to a city mission. The Girl's choir sang "Father, we Thank Thee."

St. Margaret's Guild meeting was held recently at the home of Mrs. M. Sparling when Miss Lucy Owen took the devotional portion. Plans were finalized for the Fall bazaar to be held October 21 in the community hall.

The Presbyterian church was filled to capacity for the Thanksgiving service. The Sunday School students sang several special hymns; Margaret Scott and Sharon Albertson sang a duet.

The Ladies' Auxiliary meeting was held recently at the home of Mrs. Hugo Sandstrom and plans were made for their bazaar to be held on Saturday, November 18, in the Church Hall.

Forty Sunday School children were entertained at a hot supper last week and slides were shown by Miss Ellen Douglas, superintendent of Presbyterian Sunday Schools in the Valley.

Attending the Rally held at Calvin Presbyterian Church, Abbotsford recently were Mrs. B. Dospital, Mrs. R. J. Nicholl, Mrs. Neilson, Mrs. T. J. McMath and Miss M. McMath.

Soccer games are under way again. In two juvenile games on Saturday Legion played Sumas at Abbotsford and won 5—0. Godson hosted Bradner and beat them 4—3. Junior Legion played Bradner and won 1—0 at Abbotsford.

Palfy-Harding Vows Exchanged At St. Ann's

Nuptial High Mass was celebrated at 11 a.m. Sept. 30, in St. Ann's Church, Aldergrove, when Miss Darlene Elicia Harding, only daughter of Mr. and Mrs. Ralph Harding of Castlegar, was united in marriage to Joseph William Palfy, Aldergrove, son of Mr. and Mrs. Steve Palfy of Wiseton, Sask.

Father K. Bohnenberger officiated at the double ring ceremony, with the choir in attendance. White mums graced the altar and tall baskets of bronze and yellow mums and glads stood on either side. Guest pews marked with white satin bows, and wedding bells.

The stately bride entered the church on the arm of her father attired in a white silk floor-length gown with fitted bodice featuring deep V portrait neckline, off the shoulder collar and lilypoint sleeves. Lace and crystal appliques embroidered the crinolined skirt and front of collar. Her illusion veil, edged with Brussels lace was held with a tiara of pearls and drop crystals. She carried a cascading bouquet of Talisman roses and Scotch heather, (brought back recently from Scotland by her mother) finished with satin bows and Rosary attached.

Matron of honour was Mrs. Dan (Gina) Alary with Miss Diane Stewardson of New Westminster and Miss Polly Nazaroff of Mission (formerly of Castlegar) as bridesmaids. Niece of the groom, Corrine Morrison was the flower girl. All wore identical dresses of bronze Peau de Soie, the fitted bodices featuring V necklines, short sleeves, and belled skirts. Their headdresses were rosettes of the same material centred in ruffled net, and their shoes were dyed to match. They carried crescent bouquets of tiny bronze mums with bronze ribbon streamers. The petite flower girl's floor length dress of bronze organza posed over white taffeta and she carried a nosegay of baby bronze mums. The senior attendants wore the bride's gifts of crystal necklace and ear-rings, the gift to the flower girl being a gold cross and chain.

Groomsman was Mr. Dan Alary and ushers were Mr. Bert Jones and Mr. Tom Morrison. Groom and attendants all wore tuxedo suits. The groom's boutonniere was a Talisman rose and those of the attendants bronze mums.

A reception followed in the church basement where tables were set for 100 guests. Low bowls of mums and glads in the bridal colour scheme were the decorations, with a basket of mums and glads in bronze and yellow centreing the head table. The wedding cake was centred on a lace covered table and flanked by tall white tapers. Talisman roses and bronze mums surrounded the cake. The bridal couple cut the cake with an heirloom cake knife used in the Couch family for this purpose for four generations.

Mr. George Santano of Trail was master of ceremonies and proposed the toast to the bride, to which the groom responded. Mr. Gordon Finch proposed the toast to the attendants and the best man responded. Parents of the bride and groom received the guests with the young couple. For her daughter's marriage Mrs. Harding chose a light blue taffeta dress with light beige accessories and white rose corsage. The groom's mother was attired in a darker blue crushed silk sheath dress with dusty rose accessories and white rose corsage.

For the honeymoon in Wiseton, Sask and other prairie points the bride changed to a sheath dress of brown silk with yellow and beige print, a light beige coat, flowered hat and beige accessories. Miss Diane Stewardson caught the bride's bouquet.

On their return the young people will reside in Aldergrove.

Telegrams were received from Scotland, Wiseton and many other points. Miss Verna Jeffers of New Westminster was in charge of the guest book. There were many guests from Castlegar Trail, and other interior points.

"Dear" Season

An Oneida Indian appeared before the court of Green Bay, Wis., for threatening his wife with a bow and arrow. When the judge sentenced him to 30 days, the Indian asked why. "Wives are out of season," said the judge.

Only a Rose

A British and European lightweight boxing champion was told recently that a variety of dahlia was named for him.

Prize Weed

At a flower show in Rougham, England, a prize went to the best weed. The weed was more than 5-feet high and weighed 42 pounds.

Cutting Reply

State Highway Department officials kept nagging a southern Oregon property owner about selling them his pine grove for use as a rest area. The owner finally replied by chopping down all the trees.

Ready To Freeze Popbars Are "Kool"

New, ready to freeze pops keep hot, tired youngsters happy on long summer afternoons. Cool and frosty, these new pop bars come in convenient see-through packets that serve as a mold for freezing the delicious fruit flavored liquid and as a no-drip wrapper for eating. These economical summer refreshers come eight to a package in lemon-lime, orange, grape and cherry—flavors popular with children.

Ready to freeze pop bars can be stored conveniently in the grocery cabinet until ready to freeze and eat. There's no mixing and no need to use precious ice cube trays . . . just slip them into the freezing compartment of the refrigerator, placing them on the bottom or against the wall.

When the pop bars are frozen, tear off an individual pop, open the top and slip the ice stick partially out of the wrapper.

less time to dry, fewer clothes to buy—
WITH AN AUTOMATIC CLOTHES DRYER

You save time, save money, save work, save steps—with an automatic clothes dryer. See the new models now at your appliance dealer's.

You'll save precious hours for family activities the year 'round with an automatic clothes dryer. Loaded in seconds, the wash is dry in minutes. Compare that with the time-wasting, weather-waiting clothesline routine! You'll save money, too. Many clothes (especially children's) can be worn, washed, dried and worn again, all in the same day. So you don't need to buy as many changes of clothing — and your dryer's gentle action saves costly wear and tear, as well.

FVGS Re-elects President Alex

The Fraser Valley Gladiolus Society held its annual meeting in the United Church Hall, White Rock on Saturday last, when election of officers also took place.

Re-elected was the president, T. F. Alex of White Rock. Vice-presidents are L. Hoon and Mrs. E. Hendry of Abbotsford. Membership secretary is Mrs. Bea Davidson, Aldergrove.

Directors elected for 2 year terms are: Miss E. Jack, Hatzic, Mr. T. Edge, Cloverdale. Mrs. Gilmore, White Rock, Mr. Harmon, Langley, Mrs. Drysdale. Haney and Mr. Thunder of Langley.

The meeting decided to hold another show at Abbotsford in August, 1962.

Anyone interested in joining this society is asked to contact Mrs. Bea Davidson at Baldwin 6-5776..

It is encouraging to note that the general public is becoming increasingly aware of and sympathetic to the role of research in our forest economy.

Toast Mistress Club Hosts Visiting Clubs

The Langley Toastmistress Club last Thursday played host to Toastmistress Clubs from Bellingham, Chilliwack, and New Westminster in their new meeting place at the Langley High School.

Taking as their theme 'One World' the meeting celebrated the foundation of the United Nations sixteen years ago this month by a Symposium, conducted by Mrs. John Jeffery of Langley. The first speaker, Mrs. Ellen Wharton of Bellingham, traced the first efforts of the nations of the world towards peaceful co-existence and co-operation from the Moscow Conference of the last century to the formation of the League of Nations between the First and Second World wars, its achievements and eventual failure. The second speaker, Mrs. Ada Keoughn of Chilliwack, described the founding of the United Nations in 1946, its structure and the work of the various agencies and commissions in connection with it, and its early years. Mrs. D. L. O'Brien of Langley, the third speaker brought the meeting up to the present day, touching on the Congo and Berlin situations, and the part played by the U.N. in both, and the death of Dag Hammarskjold. This was followed by a period of questions and comments from the floor, in which the club members and their guests took part.

Miss Hilda Smith of the Royal City Club, New Westminster, acted as Evaluator of the meeting, giving a humourous and helpful summation.

The next meeting of the Langley Club will be held on Thursday, October 1961, at the High School. It will be a guest night, and as special guests, the Club will welcome the members' husbands; the program will be devoted to tracing the growth of the Toastmistress Club, with especial attention to the Langley Club, and will be light-hearted in tone.

The Langley Club will be happy to welcome any woman who is interested in joining the club to this meeting. Would you call Mrs. Maurice Mulligan at Langley 926, or Mrs Lloyd Steele at Langley 929 R for more details?

PEARDONVILLE

The annual meeting of Peardonville P.T.A. was held in the school Tuesday evening, Oct. 3 with Pres. P. Friesen in charge. Miss Cooper conducted the election of officers and new president elected was Mr. Carlson. Returned to office were Vice president C. Hamm, treasurer Mrs. J. Janzen and secretary Mrs. C. Hamm. Mrs. Fulton is refreshment convener. Other conveners will be chosen at the next meeting. It was decided to offer an attendance prize for parents and a film, "Scouting in Malaya", was shown.

A pleasant evening was enjoyed at the Peardonville Hall Saturday when friends of Suzanne Daems and William Blaschek honored them with a miscellaneous shower. Pink, white and blue streamers and bouquets of flowers provided a bright setting for the gifts presented from prettily decorated table. On entering the hall they were greeted by Mrs. F. Blaschek and Mrs. L. Szabo who presented the bride-elect with a corsage while those present sang "For They are Jolly Good Fellows". Mrs. E. Folk and Miss V. Cape assisted in opening the gifts. Sincere thanks were expressed by the couple and an evening of dancing was enjoyed.

Miss Alice Olson has returned home after visiting her sister in Calgary.

D. Klassen enjoyed fresh strawberries from his garden last week- proof of our recent mild weather.

Mr. and Mrs. A. Penner spent the weekend at the Geo. Spenct home in Williams Lake.

D. Klassen is receiving treatment in the Royal Columbia Hospital.

Mr. Crawshaw and sons left this week to take up residence in Vernon.

Pete Peters has returned home to attend Bible School after spending several months in Winnipeg.

Albert Hamm of Fort St. John arrived home Monday evening to spend a few days with his family.

Mrs. C. Hamm has taken over the leadership of the Cubs, succeeding Mrs. Pope. Mrs. Ellwood will be her assistant. Mrs. Hamm attended a course on Cub leadership given recently in Chilliwack.

Mrs. Albert Hamm's sister, Mrs. Jorgenson of Camrose, Alta., has returned to her home after spending ten days at the Hamm and Evans homes.

Hank Blaak of Salmon Arm is home visiting his parents.

Dessert From The Freezer

The time to make use of your home freezer more than ever is when the weather turns hot. Summertime is also a good time to cut down on elaborate preparation for entertaining guests. For instance, a simple dessert luncheon before the afternoon of cards or chatter (or both) is a delightful and well accepted idea.

To use your freezer for such an occasion, prepare a dessert such as Fruit Pastry Squares on a cool morning. Freeze unwrapped, then wrap with transparent saran in amounts suitable to your use. When "party" day comes, you can be cool and unhurried and will be assured of a pleasant relaxed time with your guests.

Fruit Pastry Squares

- 1 cup butter or margarine, room temperature
- 1 package (8 ounce) cream cheese, room temperature
- ½ cup sugar
- 2 tbsps. grated lemon rind
- ¾ tsp. salt
- 4¼ cups sifted flour
- 1¼ cups thick apricot or prune filling or very thick orange marmalade
- Confectioner's sugar

Cream together the butter, cream cheese, sugar, lemon rind and salt. Add flour, a small amount at a time; mix well. Shape into a roll. Cut into thirds. Wrap each piece in saran; chill. Roll one portion of dough at a time on a lightly floured board, rolling dough into an oblong 6½ inches wide and 12½ inches long. Cut into eight 3-inch squares. Place 1 scant tablespoonful of filling in center of each square. Fold the 4 corners to center over filling and press crust together gently. Arrange 1 inch apart on baking sheet. Bake in slow oven (325°F.) until done, about 30 minutes. Remove from pan at once; cool on wire rack. Sprinkle tops with confectioner's sugar. Freeze. Wrap in saran, individually or in the amount desired for one meal. Store in freezer. Yield: 24 squares.

FIX-IT TIP

End Burnt Benches

When intent on the soldering job, the soldering iron is often set down in a hurry, soon scorching the bench top. Put an end to these burn marks by making a rest of a coffee can. Bend in the sides of the can and the result will be a rest that can be spotted easily, and one that will be almost im-

Unknown Egg Thrower Hits Cars In Clearbrook

Who is the mysterious egg thrower who seems to show a marked aversion to cars in Clearbrook?

Three complaints have recently been received at Matsqui police station from persons whose cars have been hit.

Two of these instances were reported at Gladwin Road and Trans Canada while the other was at Peardonville Road and Trans Canada.

In each instance cars have been liberally plastered with egg and the bombardment has taken place in the evening at times between 4:30 p.m. and 9:45 p.m. Aim has not been very good as different parts of the cars have been struck.

It is thought likely that numerous other instances have occurred unbeknown to the police and possibly to the drivers until they reached home.

Matsqui Police are investigating the incidents.

In the virgin forest the mature trees grow very slowly from year to year , this small increase being frequently offset by the death of individual trees due to attacks of insect and disease.

Building Permits For September

Twenty-three building permits were issued in September by Matsqui Council for a value of $144,637.

The bulk of this amount was made up from new dwelling houses. Other constructions included a $2000 packing house on Downes Road, $4,689 for a loafing and hay barn on Huntingdon Road. $2,000 for an addition to an egg laying station on Mt. Lehman Road, $2,100 for a chicken house on King Road and $6.000 for alterations to a service station at Old Yale and T.C. Highway.

Matsqui Police Court News

Another busy week saw thirty-four cases appear in Matsqui Police Court last weey.

Speeding fines were levied against Ralph Griffiths, Vancouver, $15; Nicholas Dyck, Clearbrook, $15; Lionel Dent, Vancouver, $15; John Welsbeck, Chilliwack, $15; Joseph La Marsh, Vancouver, $15; Raymond Palm, New Westminster, $25; James Wolfe, Clearbrook, $15; James Murray, Sardis, $20; Walter Braun, Bradner, $15; Lionel Graham, Chilliwack, $50; Jose Pimental, Vancouver, $15; Harvey Smith, N. Burnaby, $45; Peter Doerksen, Langley, $25; Cornelius Klassen, Abbotsford, $20 and Alfred Wiens, Ridgedale, $15.

For passing on the right, fines were imposed upon: James Cole, Vancouver, $15; Maxwel l McNab, New Westminster, $15; Allan Friesen. North Surrey, $15 and Paul Belliveau, Chilliwack, $20.

Two charges were brought against David McKay, Matsqui, who was fined $25 for fishing during closed season and $15 for speeding.

Ralph P. Davis, Langley was fined $10 for double parking in Clearbrook.

Jacon F. Janzen, Sardis, paid $15 for passing a school bus while it was signalling and Henry J. Rempel, Mt. Lehman was fined $25 for exceeding restrictions on his driver's licence.

A Kilgard man, Johnnie Williams, was fined $25 for bringing fish across the boundary while Malcolm Buchanan, Abbotsford, paid $10 for having no driver's licence.

Ken Tommy of Matsqui was sentenced to 14 days for being drunk in a public place and a Washington man from Sumner, Russel Collins, was fined $125 for impaired driving.

Henry Derkser Chilliwack paid $15 for failing to stop at a stop sign.

Four juveniles from Abbotsford, Matsqui, Clearbrook and Aldergrove were all found delinquent in minor vehicle offences and were fined a total of $21.

Correction

Last week a news item in this paper stated that four firms had been fined for illegal use of colored gas.

The name of one of these firms was later changed on police records but not before it had been published in the paper.

The charge against Totem Trucking was withdrawn and Abbotsford Gravel Sales substituted.

Man Taken To Hospital After Crash

A head-on collision Thursday in Clearbrook on the Old Yale Road resulted in injuries to the driver of one car.

Arnold Rode of Abbotsford was taken to M.S.A. Hospital suffering from head and leg injuries. Driver of the other car was Mrs. Ruth Klassen of Clearbrook who escaped unhurt.

Damage to the two vehicles was estimated to be $700.

Clearbrook Man Sent To Prison

Attempted breaking and entering at Clearbrook Sports Shop resulted in a Clearbrook man, Robert J. Martens, being sentenced to one year's imprisonment definite and one year less a day indeterminate.

A neighbour next to the store reported hearing unusual noises to the police who chased and captured the suspect.

Martens was sentenced to a similar term, to run concurrently, on another charge of breaking and entering Clearbrook Junior High School.

1st Langley Cub Pack

This pack held a regular meeting on Monday, Sept. 11. The evening was devoted to instructions by new C. M. Anderson and games lead by A. C. M. McIlwain and Ricky Pearce.

Donald Pearce, Charlie Gibbs, Bobbie Beales, Eddy Arnold and Jack Frank will be going up to Scouts this fall. The pack wishes them the best of luck in the troop.

1st Langley "Falcons"

At the regular meeting of the Falcons on September 13 Vern Johnson was invested. (Nice going Vern, second class next.)

The new patrol leaders of the re-organized patrols held their first court of honour and it is reported that it was very successful.

In the meantime a games period was held under the direction of games master (oh brother!) Lloyd Penzer.

On September 20th Claire Howard and Don Senay were awarded with their Athlete's Badge. (Congratulations guys keep up the good work.)

The meeting was concluded with a campfire (Don't worry, it wasn't real.) The troop was "honoured by the presence" (scribe, your choice of term is questionable) of Commissioner F. Greer, Assistant District Commissioner "Skip" Hutton and S. M. Hind from Aldergrove. S. M. Parkinson ended the fire, after getting in and out of canoes (That I would like to see.) with the S.M.s five minutes. T. S. Rick Pearce.)

2ndLangley "PANTHERS"

The first meeting of the season was held on Sept. 18th and another on the 25th. The New S. M. is "Rocky" Duncan with Dave Shkurhan as T. L. and P. L.s Les Howard and Wayne Jardine.

2nd class and tenderfoot instruction filled both evenings.

Any boys interested in joining 2nd Langley should phone Les Howard at Langley 1054-L.

Les Howard was elected Troop Scribe and Wayne Jardine the Treasurer (How big did you say our bank account was?) (T. S. Les Howard.)

1st Brookswood "Thunderbirds"

The Thunderbirds held a training camp at the Otter Road scout park on the weekend of September 15, 16 and 17. Combination Fox-Cougar patrol arrived Friday night with the Eagles showing up (late as usual) Saturday noon.

Ross Friberg and Mervyn Davies were invested while at camp (Good show you two, try for 2nd class now) Bruce Gleig was presented with his 1st class. (Congratulations Bruce, good work and welcome to the elite of Langley scouting. get your Q.S. and join the elite elites) Danny Loewens has been busy recently. He received his second class, ambulance man's and despatch rider's badges. (Very well done, Dan, keep at it.) (T. S. Danny Webb.)

1st MURRAYVILLE "OWLS"

The Owls' first meeting of the season was held on Monday, September 18th. The troop theme for the year was drawn up and it was decided that the troop window will be based on this theme. As twelve new cubs will be coming up this fall it was decided that the Owls will have to form a new patrol.

Last week's regular meeting was put off until Wednesday so that a combined meeting could be held with the Cubs. The Group Committee, parents and the new minister, Dr. Laite were invited to this special meeting.

The troop and pack received their new neckerchiefs, sky-blue with a white border, for the Owl.

The next item on the programme was the going up ceremony for 14 Cubs. They were: Glen Jacobson, Kay Brett, Barry Cockett, Doug Hughes. Doug Tappen, Gary Preister. Ted McLaren, Alex Lidster, Ken Borno, David Geary, Kevin Buell. Gary Morelli, John Butler and Glen Grey. (Congratulations fellows and welcome to Scouting.)

Another ceremony followed the first in which the much coveted Queen Scout Badge was presented to Daryl Hansen by D. C. Fred Greer. (Congratulations, Daryl, on going all the way.)

Two other honoured guests were Staff Inspector and Mrs. MacKay who came all the way from Vancouver to present the Troop with their new mascot; a stuffed owl.

Jamboree on the Air

If you've never attended a Jamboree, here's an opportunity available to nearly everyone, to participate in one.

On October 21 and 22 Scouts throughout the world will fill the ether with "Calling C Q Jamboree", the questing call of the 4th Jamboree on-the-Air. With the help of "Hams" across Canada, Canadian Scouts will strive to make radio contact with Scouts all over the world. If you haven't access to sending equipment, participate as an "SWL", (short wave listener) on your home radio set, if it has SW receiving facilities. Make a special effort to pick up the Boy Scouts International Bureau's radio station at Connaught Ranges, call letters VE3JAM on the following frequencies: 10 metre band-28,490 Kcs; 15 metre band -21,195 Kcs; 20 metre band- 14,196 Kcs; 40 metre band- 7,210 Kcs and 80 metre band- 3,750 Kcs.

Efforts Needed to Keep Trade Growing

Higher Exports To U.K., Europe Benefit Canada

Pulpwood harvested by farmers, other woodlot owners, and the pulp and paper companies, and afterwards converted into pulp, paper, and paperboard, is moving overseas in increasing amounts this year.

In the form of Canadian newsprint, it brings the news of the day to readers in London, Edinburgh, and many other cities and towns in the United Kingdom. As Canadian pulp, it serves as the raw material for hundreds of European products, from German magazines to Italian milk bottle caps, and from Belgian books to Dutch cardboard boxes.

The trade is already important — and growing. Last year, Canadian shipments of pulp and paper to Britain and Western Europe totalled some $125 millions. In terms of volume, this was the equivalent of about 1½ million cords of pulpwood.

The economies of Western Europe continue to grow rapidly, and economic growth always means increased demand for pulp and paper. Recent estimates of paper and paperboard consumption, made by the Food and Agriculture Organization of the United Nations, forecast that the U.K. and Western Europe will be using 30 million tons of these products by 1975, compared with only 20 million today.

Canada hopes to share in this increased demand. If she does the benefits, in the form of more jobs, larger payrolls, increased purchases of pulpwood, chemicals and other supplies, will spread out and multiply, ultimately benefiting every Canadian.

Through the years, Canada's trade in newsprint and pulp has been built upon the principle of duty-free entry to the markets of the world. Recently, the pulp and paper industry asked the Canadian government to seek to preserve this principle overseas, so that Canadians can continue to share in the expansion of demand in Britain and Western Europe.

Pulpwood harvested in Canadian forests, converted into paper and pulp, and shipped to the United Kingdom and Western Europe, represents an important part of the nation's trade. Canada hopes to share in the future growth of demand in these overseas areas, where paper and paperboard consumption is rising rapidly.

This is an artist's conception of a new electric streamliner of the Japanese National Railways for the Tokyo-Osaka run. Scheduled for completion in 1964, the new streamliner will cut the running time from the present seven hours to three. There will be no grade crossings throughout its 310 miles of tracks.

The streamliner will run on standard gauge tracks at a maximum speed of 155 m.p.h. and at an average speed of 106 m.p.h. It will operate on the Tokaido Line which passes through heavily populated and industrialized cities.

Board of Stewards Report

Plan "B" of Sector got underway on Sept. 28, with a dinner meeting held in the Anglican Church Hall in Abbotsford.

The Committee Chairmen will be calling on members of the congregation for their assistance very shortly.

Please feel it an honour to be asked to help your church and graciously accept any job you may be requested to do so that this year's Sector may be even a greater success than preceding ones.

The electric stove formerly used in the manse is to be installed in the kitchen (on motion of Mrs. Hilda Brown!)

The Christian Education Committee wishes to announce that a Cub Pack will have its first meeting on Tuesday, October 10 from 6:30—7:30 p.m. All boys between the ages of 8 and 10 are welcome. See you then in the Church Hall.

Has anyone a Cub uniform—or part of a uniform that they could contribute (or sell) to the church for use of some of the boys who might find it impossible to purchase their own uniforms? If so- please contact Mr. G. Kinnie at BA 6-6591.

the Great Books speak to Today...

"Spare the Rod"

I condemn all violence in the education of a tender soul that is designed for honor and liberty ... I am of opinion that what is not to be done by reason, prudence and address, is never to be affected by force. I myself was brought up after that manner; and they tell me that in all my first age I never felt the rod but twice, and then very slightly. I practiced the same method with my children ... I have never observed other effects of whipping than to render boys more cowardly or more willfully obstinate.

—MICHEL DE MONTAIGNE (1533-92)
French essayist

It is not easy for an education with which love has mingled to be entirely thrown away.

—J. J. ROUSSEAU (1712-78)
French philosopher

As a child, man must have lived with his parents encircled by their love and trust. In the early years it is education by the mother especially which is important, since ethical principles must be implanted in the child in the form of feeling.

—G. W. F. HEGEL (1770-1831)
German philosopher

HOW TO BOWL FIVEPINS

by Bert Garside and Jim Hoult
Chief Bowling Instructors
Double Diamond Advisory Council

The Art of Gripping the Ball

Your bowling game starts the moment you pick up the ball from the rack. And, if you don't pick it up correctly, your bowling game is liable to stop abruptly that same moment while you nurse a set of bruised fingers.

Note the hollow space between palm and ball

When picking up the ball, for safety reasons always make sure you keep your finger and thumb toward the sides of the rack. If you allow them to slip between two balls, another ball sailing back down the return rack can give them a nasty crack.

Regulation bowling balls are five inches in diameter, and weigh three pounds eight ounces. Many lanes, however, have some balls which may be a quarter of an inch smaller, and several ounces lighter. If a smaller ball seems more comfortable in your hand, use it. But, once you have chosen one size of ball, stick to it. Changing the weight of ball can throw your game right off.

To pick the ball up, lay your hand over the top of it. Then spread your four fingers down along one side of the ball, your thumb down the other side. Youngsters, and people with small hands often need to use both hands to lift the ball from the rack.

How ladies and youngsters with small hands should pick up the ball.

GETTING A GRIP ON THINGS

For a proper grip, you should hold the ball in your hand firmly, but not too tensely, in the same position in which you picked it up from the rack. Your fingers should be spread normally around the ball, with your thumb as high up on the side of it as comfortably possible.

Picking up the Ball

When you are holding the ball correctly, there should be a small hollow space between your palm and the ball, which is actually resting on your fingertips. The ball should always be delivered off the fingers, not off the palm. If you are "palming" the ball, you can't control the exact moment it leaves your hand.

A handy way to check if you are gripping properly is to turn your hand upside down, while still holding the ball. If the ball drops on your toe — you were palming it, not gripping with your fingers.

All lanes provide towels, and some device to moisten your hands.

For a proper grip, your hands should carry just a slight trace of moisture. If they're too moist, the ball will have a "greasy" feel; if they're too dry, your fingers won't grip tightly, and the ball will slip away before you are ready to deliver it.

If you moisten and then dry your hands each time before you pick up the ball, you can be sure that your fingers will have the same traction each time you roll.

Stand Right to Start Right

A proper stance at the beginning involves much more than just getting onto your two feet behind the foul line.

When you take up your position, hold the ball chest-high in front of you. If you are right-handed, you will be gripping it in that hand, with the other hand just touching it, to help support and steady it.

Take up a comfortable, relaxed position, with your shoulders squared parallel to your target. Your feet should be slightly "toed-in", with your toes pointing toward the target. Both knees should be just slightly bent.

If you are going to step off with your left foot, have it extended an inch or two forward, with the bulk of your weight on your right foot. If you stand with your weight evenly distributed (as most bowlers do), this means an extra movement to make, as you must shift your weight anyway, before you take your first step.

Now, you're ready to begin your approach.

Next: Politness Among the 5-Pins.

ALDERGROVE ACTIVITIES

Held Over

Mr. and Mrs. Matthew Higginson returned home after a four-month visit to Ireland where they visited many friends and relatives.

While there they went on a 10-day all-Ireland tour which took them around the whole coast of Ireland. They also spent a day on Valentia Island, a great deep sea fishing resort on the southwest coast in the Atlantic Ocean, crossing from the mainland by motor boat.

Valentia Island is also the end of the Atlantic cables of Western Union Telegraphs.

The Higginsons also toured Killarney Lakes in an Irish jaunting car. The country is very prosperous, they say, and they didn't see any young men standing around street corners out of work.

Thousands of new, modern homes are going up all over the country and there are very few families now that don't own a car. The Higginsons think things are really different in the Old Land now to what they used to be.

SERVING EVERY DAY EVERYWHERE

The first postage stamps issued in what is now Canada were introduced shortly after the colonial governments of British North America were authorized by Britain to establish independent postal systems.

An unused specimen of the twelve -penny black stamp, carrying a portrait of Queen Victoria and issued by the province of Canada in 1851, now has a value of $7,000, and has sold at auction at an even higher figure.

Traditionally, Canadian stamps have portrayed the reigning sovereign but since World War 11 postage stamps have portrayed many aspects of the Canadian scene.

ELKTIVITIES

By Elkart

The regular meeting of the Elks' Lodge took place in the Lodge Rooms Tuesday October 3rd with good attendance. District Deputy Bro. George Voth of Langley Lodge was present and installed Bros. George Taylor and Art Dingley in their respective offices of Historian and Publicity Director.

ART DINGLEY

Through the medium of the Elks' Purple Cross Fund which is Dominion wide, the Aldergrove Lodge is assisting the Boyntons who have been in extremely difficult circumstances for some time. The Lodge is also contributing to the Abbotsford Lions-sponsored Marlene Berry Heart Fund.

The next regular meeting will be the Annual Roll Call when all members' names will be called. We are looking for good attendance so do please try and come. It will be on Tuesday, October 17 at 8 p.m.

Bingo games are being well attended and the Lodge wishes to thank the public for its support.

The Jackpot now stands at $350.00. Next Bingo will be on Thursday, October 19 at the Elks Lodge. A cordial welcome to all, with refreshments provided.

One other date to remember is the Elks' Hard Time Dance at Bradner Hall Saturday. October 21st. Everybody welcome. There will be prizes for the best costumes. The ladies of the Royal Purple Lodge will be looking after the serving of supper so do come, one and all. Tickets are available from any member of the Elks' Lodge.

Newlands Golf Course Improved

A new lease of life seems to be under way at Newlands Golf Course in Langley where membership is growing fast and playing conditions are being greatly improved.

New owners Spencer Forshaw and Raul Anderson, have gone a long way since taking over the club. A new nine holes have been added and many existing holes will be altered. Land adjoining the 4th and 18th holes has been purchased and players will no longer suffer from losing their golf balls on this land.

Courses of instruction are now available and fees for the club membership have been considerably reduced.

The owners plan to institute many more competitions and social activities for members in 1962 and to gain more supporters for the game by providing free Friday golf from now until the end of December.

Briefly on Beauty

Smooth Tip

Smoothing hand cream on before donning rubber gloves to do the dishes keeps hands even more lovely.

Since 1945 only the Bank of Canada has been permitted to issue paper money.

Since the island of Newfoundland has little land suited to farming and since the growing season coincides with the fishing season, agriculture has never been an important industry.

CARD OF THANKS

The Vanetta Family wish to thank the Aldergrove Voluntary Fire Department for their prompt action in attending a chimney fire in our home Monday October 2, also Wm.. Epp for reporting the fire.

CARD OF THANKS

We would like to take this opportunity to thank our many friends for their kind expressions of sympathy in the loss of our son, Bruce, Quesnel, B.C.

Very sincerely,
Mr. and Mrs. Fred Ferguson and family.
