CHANGES OF SCHOOL FINANCING IMMINENT

B. C.'s Chief Inspector of Schools has predicted considerable changes may be imminent in the method of school financing in Canada.

W. D. Reid, addressing the Langley Teacher's Association convention at Aldergrove, says there are a number of new developments in the approach to education in British Columbia, and it will require a tremendous amount of work to translate the new ideas into action. Reid says there is a greater tendency in the past few years for federal funds to be made available for education financing. He says the danger in federal participation is that control of education could become a federal matter with increased financial participation.

However, he says the British North America still designates the provincial governments as the controlling agents for education. The Chief inspector says people are beginning to wonder, as education becomes more and more expensive, whether it should be paid for entirely from land taxes. He points out that the federal government has many more areas of tax revenues, which seems to be a good reason for more financial help from the senior government. 10 years ago, he says, this idea would be unthinkable. But today, federal aid is becoming acceptable, providing the vested interests do not end up in some dusty office at Ottawa.

B. C.'s chief inspector of schools W.D. Reid, has suggested that increased activity of sex education will take place in the near future in the area.

W.D. Reid, speaking to the Langley Teachers Ass. at Aldergrove said that regardless of past experience in this area, which has not been too favourable, our educators must keep an open mind in order to determine the most valuable methods of approaching this field of education. He says teachers must not fool themselves into thinking that sex education will automatically raise the standards of morality in the students.

Reid says there is no evidence available to support the theory that moral standards are necessarily raised following the provision of sex information to students.

Reid also forecast that school districts must take advantage of making better use of the professional trained teacher's time. He said that at the present price of a good teacher per hour.... the school boards must make sure that the teachers are available to the jobs for which they are trained. He says there is some indication in B.C. that school districts are aware of this problem and are now providing more clerical help at both the elementary and secondary levels. Reid says the school boards have accepted the additional expenses of providing this clerical help because they realize that a better product will be turned out from the schools. He says the tendency today among administrators is to recognize that elementary and secondary education requires the teacher to be a specialist. And points out that the day is past when a teacher can be all things to all people. Reid says the teacher must be given the time in the classroom to do the best possible job. And he says, if the teacher is not interested in doing his job the best way he can, he should get out of the teaching profession.

AROUND TOWN

by Mrs. S.C. Lehman

This is Boy Scout week and there are several excellent displays in windows around town which took a lot of time and skill showing their many activities. Circular letters were sent out to business people earlier this month in a fund drive.

Fraser Valley Rock and Gem Club members were hosted at the Surrey Rock Clubs' first anniversary social at Newton, Feb. 26th. They were presented with the Rolling Rock. This rock is enclosed in a glass case and was found at Scotty Creek. It has been rolling from club to club for the past nine years.

COUNTY LINE NEWS

BY MRS. NELS OSS

A very busy week-end for the 1st Coghlan Scouts and Cubs and 1st County Line Guides and Brownies. On Friday evening the 1st Coghlan Scouts went to Abbotsford for their target practise and then on Saturday morning with their leaders Mr. David Simpson and Mr. Bill Haaf motored to Harrison Hot Springs where the scouts went on a hike, fishing and swimming - sorry to say there were no fish. On Sunday morning the Scouts, Cubs, Guides and Brownies joined together and had their Church Parade at the little church at County Line. The 1st County Line Guides motored to the new Langley Hospital on Sunday afternoon, toured it and presented the Children's Ward with a number of toys including a doll and several clothes, cars, coloring books and crayons, and toy animals. This is the year's project for the Guide's - to work for things for the Children's Ward.

The 1st Coghlan Scouts and Cubs held their paper and bottle drive on Saturday, Feb. 27th, with a good turn out of parents and boys. The boys were all served hot dogs at noon.

B.C. FARM MACHINERY MUSEUM

Hon. Kenneth Kiernan, minister of recreation and conservation and a former minister of agriculture, will officiate at Fort Langley on Sunday afternon, February 28 when the B.C. Farm Machinery Museum Association kicks off its $60,000. building fund drive.

The proposed B.C. Farm Machinery Museum will be built at Fort Langley on a site adjacent to the Langley Centennial Museum.

Hundreds of people from the Lower Mainland and Vancouver Island are expected to gather at the Fort Langley museum complex for the opening ceremony on Sunday and to renew acquaintance with the museum facilities already established at this birthplace of agriculture in the Lower Mainland.

Alex C. Hope, well-known Fort Langley farmer and chairman of the Coast Vegetable Marketing Board, will open proceedings at 2:30 Sunday in his role as Farm Machinery Museum Association president.

After outlining the Farm Museum group's activities and aspirations Mr. Hope will call on Reeve D. W. Oppy of Langley and Hon. Mr. Kiernan.

Old-time farmers of the Lower Mainland area will be on hand to recount some of the great history of the area from before the turn of the century.

Token plowing demonstrations have been arranged to pinpoint the "old and the new," with Bill Dible, B.C. Plowing Association secretary, showing his abilities behind a team of horses and Tom Hickman, B.C. Plowing Champion for the last three years, on his trusty tractor.

Pieces of machinery common in past years but fast becoming historical pieces will be on display.

"If the weatherman will cooperate, this will be a wonderful opportunity for hundreds of people to bring their families to Fort Langley and see for themselves the many links with the past which have been preserved for posterity", says Mr. Hope.

Travellers on Highway 401 can turn off at the Fort Langley or Livingstone Road interchange - secondary roads will be plainly marked with signs to guide visitors.

LANGLEY MEMORIAL HOSPITAL

After Operations Recovery Room

M.S.A. BRANCH OF THE RED CROSS

Red Cross Blodd Donor Clinic chairman G. E. W. Clarks of Abbotsford told a meeting Tuesday that he felt the clinic could handle 150 additional donors. He reported that the clinic operating six hours per day handled a capacity of 410 to 420 donors. Mr. Clarke said that if the clinic stayed open from 4:30 to 6:30 that people going home from work would stop in and contribute blood. The suggestion will be referred to the provincial Red Cross authorities.

At the annual meeting last night of the M.S.A. branch of the Red Cross Mrs. C. P. Perry reported that volunteers in the workroom had completed nearly 7,000 articles of clothing and finished 34 quilts. The workroom also completed almost 3,000 swabs and 2,000 wipes for the Blood Donor clinic.

Mrs. M. V. Heywood chairman of the loan cupboard stated that of the 41 articles in the cupboard, the wheel chairs were most in demand. She asked that anyone having sickroom articles no longer in use contribute these to the loan cupboard.

New president of the M. S. A. chapter is Reverend R. Pollock with Mrs. M. V. Heywood, Mr. P. W. Martens, Mrs. H. Berg and Mr. D. Menzies as executive officers.

Mr. G. W. Burns will act as campaign chairman for 1965.

Foods containing eggs, meat, milk, gravy, salads with mayonnaise or poultry with dressing, should be served within two hours of preparation unless they can be refrigerated to prevent harmful bacteria from causing food poisoning.

Matsqui Police Budget for 1965

A provisional budget for 98,000 dollars for the Matsqui municipal police was accepted by Matsqui council Monday.

The major increase in salaries include wage increases but are mainly for the hiring of one man in January of this year and an additional man in the fall. The budget also includes the purchase of a third car for the force.

Reeve J.A. Murphy told the meeting that the additional car was necessary to utilize the additional men and to make proper use of the radar equipment.

Increases were also seen in the Law Enforcement, court expenses including a raise in the magistrates renumeration.

DISTRICT REFUSE SUPPORT OF CAPITAL FUND

Langley District has refused a request for support from the three universities capital fund.

Council decided to turn down an invitation sent out by Burnaby Reeve Allan Emmott and Mayor Stu Gifford of New Westminster to attend a banquet next month at Harrison Hot Springs. Reeve Emmott, in a letter to council, said the banquet was being held so that organizors for the fund could approach all municipal representatives at the same time to ask their support for the campaign.

Although the letter made no mention of a direct request for financial support, Councillor Noel Booth suggested that Langley would likely be approached for 2 to 3 thousand dollars. Booth said the Municipality is reaching its limit with grants to countless organizations. He suggested that no other district on the lower mainland is in the same position as Langley with relation to tax revenue and population.

Councillor Bill Blair suggested that Langley write Reeve Emmott explaining that Langley has all it can handle looking after its own municipality. And that it's beyond the district's financial means to contribute to the three Universities Capital Fund even though council is sympathetic toward the need.

SECRECY COMPLAINTS AIRED

The complaints about secrecy in Langley School District business have now been aired before municipal council.

George P. Rawluk of the Walnut Grove area, in a letter to council, charges that both the council and school board have been keeping school budget details under wraps and says that council should air the budget, in his words, "unwrap the package, so the taxpayer can see what he is buying." Referring to a prediction by finance chairman Councillor Noel Booth at a previous council meeting, calling for a 5 to 7 mill increase for school purposes in 1965, Rawluk quoted Booth as saying part of the reason for the estimated hike in the mill rate was that expansion in the district is not keeping pace with costs. Rawluk wanted to know how expansion can catch up to costs unless an attraction is provided for incoming taxpayers with families. He charged that all that is offered now are shifts in the high school, threats of shifts at the elementary school level and inadequate playgrounds at schools.

Councillor Bill Blair took exception to one point in the letter calling for more families in the district. Blair says it now costs the municipality nearly 400 dollars annually per family to educate students . . . and suggests that more families will only add to the increasing school costs. Council felt the letter writer may have a personal fued with the school board and decided to file the letter with no action taken.

HOPE FOR HELP

Statements in the Legislature Thursday bring hope of some assistance to farmers who had losses due to seepage.

Members of the committee for Fraser Valley Flood relief heard The Honourable Frank Richter tell an opposition member that the brief submitted is under active consideration. Mr. Richter was answering a question as to why the government had not answered the brief.

The brief reported that 210 farmers with acreage of 5000 acres lost an estimated five hundred thousand dollars due to seepage in the last year.

LANGHALM TO GET A FACE LIFTING

Langley's municipally operated rest home will soon get a face lifting. The district coucil has authorized extensive painting both inside and outside, and general repairs and renovations to spruce up the old building. Council will also prepare a list of other needs to improve the recreational facilities at Langholm, to be provided under the terms of a 500 dollar bequest, willed to the home by a former long time resident.

Council will approach local service clubs to help provide outside recreation facilities, such as croquet, checkers and shuffle board.

Clearbrook Shopping Hours By Law

Representatives of the Clearbrook of Trade asked for more rigid enforcement of the shop closing bylaw in Matsqui.

The delegation appeared before Matsqui council and complained that grocery stores were staying open all day Monday and this confused shoppers. Grocery stores are allowed to remain open one half day Mondays. A second request was for reclassification of a grocer store just outside of the centre of the shopping area from corner grocery.

A complaint of the delegation was that drug stores allowed to remain open longer hours had become variety stores.

Council stated that they would re-open the bylaw for further study and meet with the Board of Trade for discussion.

OPERATION DOORSTEP IN OUR COMMUNITY

By Linda Martens

It has been requested by the B.C. Tuberculosis Society that we urge the readers of this paper to take advantage of the services offered by Operation Doorstep and protect themselves from TB and other chest diseases. This program is at present being conducted in our community, and its success depends chiefly upon the number of people who participate. So may we solicit your co-operation in this effort? You will benefit yourself as well as your community by taking a free TB skin test and chest x-ray.

M. B. B. I. DISPATCH

By WALTER TOEWS

There was a despondent air about the school during this week. A former student, Vic Neufeld of East Chilliwack, died early Friday morning, Feb. 19, due to an accute case of cancer. His seemed unavoidable, but when he went to meet the Lord, we were taken aback. We will always remember Vic for his strong faith right to the end. The funeral service was held on Tuesday at his home church. Friends and relatives from all over western Canada were present. Some travelled as far as from Saskatchewan to take part in the bereavement.

Friday afternoon, Rev. J. Friesen of the B.C. Inland Mission gave a report on his trip to the Chicago Conference. He also presented a pictoral report of last summer's work in the Daily Vocational Bible Schools throughout B.C., challenging us to take up the work where others have left off - to fill the gap.

The School Choir presented a program with the theme Love at the South Abbotsford Church on Sunday evening. Besides the several songs of the choir, a children's feature and two short messages were given. The story, which actually was an object lesson, was ingenuously told by Carol Neuman using magnets as a point of interest. The two speakers were senior Homiletics students. Ron Penner and Walt Goerzen spoke of Christian Love as seen in I John chapter four. The evening was concluded with a delicious lunch provided by the Young People in the lower auditorium.

Monday afternoon we were privileged to have a two hour report on the work of the Wycliff Bible Translators. For the first hour, Mr. Turner Blunt and Mr. Peter Fast gave a mono-lingual demonstration as used in the first contact with an unwritten language. Mr. Fast spent the second hour showing us slides of his work in South America. The two hours were certainly fruitfully spent, for we all have a lot better concept of the hard work involved in the translation of the Bible into other languages.

The big feature on Tuesday was the film "Ben Hur" shown in the M.E.I. auditorium. With a packed house, the film began. Only a few brakes in the beginning and the occasional interruption of reel-change broke the intriguing suspense of the movie. It was a well appreciated evening with many a wide-eyed face.

A scrumptuous meal of Ham was served at the Thursday night Banquet for the Billy Graham Crusade Youth Program. Representatives of all Christian Youth Organizations of the Central Fraser Valley were present. The guest speaker of the banquet which was held in the M.E.I., was Cpt. Webster of the Salvation Army, Vancouver. He gave an inspirational challenge for the Youth to get involved in the Crusade this coming summer.

We had several guest speakers in the morning chapels this week. They were as follows: Prof. J. Redekop of California, Rev. Victor Stobbe of Otter Road, and Rev. George Penner of County Line. A special speaker for the Friday Missionary Hour was Rev. Earnest Dyck, missionary to St. Jerome, Quebec.

We would like to express our deepest sympathy for the family of Mrs. J. F. Redekop, the widow of the former M.B.B.I. Principal, in the bereavement of their Mother who passed away to be with the Lord on Thursday morning.

Coming soon! Annual Prophecy Conference sponsored by M.B. B.I.

Dr. Wilbur M. Smith, professor of English Bible at Trinity Evangelical Divinity School, Bannockburn, Ill., will speak at the Prophecy Conference sponsored by the Mennonite Brethern Bible Institute, Clearbrook, B.C. March 8-12.

An internationally known Bible teacher, Dr. Smith has pastored Presbyterian Churches in Maryland, Virginia, and Pennsylvania. He served on the faculty of Moody Bible Institute and in 1947 was appointed to the faculty of Fuller Theological Seminary when that school was founded. He joined the Trinity faculty in 1963.

An author of numerous books, Dr. Smith is best known for Therefore Stand and Profitable Bible Study. He is editor of Pleoubet's Select Notes, annually published commentary on the International Sunday School lesson, and produces for pastors the monthly feature "In The Study", published in Moody Monthly.

Through the week, Dr. Smith will address the school each day during the chapel. Seminars designed for pastors and Christian workers are planned for the afternoons. Public meetings are scheduled for the evenings to which everyone is cordially invited. As a school we are looking forward to these days with much anticipation.

LANGLEY HOSPITAL OPENING

Four thousand persons toured the new Langley Memorial Hospital when it opened yesterday.

The two and 3/4 million dollar four story building housing 81 beds was opened by the Honourable Eric Martin minister of health services for British Columbia.

The building allows for 59 bed expansion.

H.D. Stafford president of the Hospital Society reported that new patients would be accepted as of March 1st in the new wards.

The present Langley Hospital will be converted for use of chronic patients with long recovery periods.

The latest fad around the school seems to be crutches. How many students have managed to break, dislocate or otherwise injure themselves enough so that they can be helped along by these monstrosities?

Senior public speaking contest was held Tuesday, February 23.

The winner was Marion Rutz who spoke on Disneyland, Judges were Mr. Featherstonhaugh, Mrs. Herlihy, and Mr. Rose, the latter presented Marion with the Chamber of Commerce Trophy. The following day the Junior Public Speaking contest was won by Laura Borsato whose topic was Gum Chewers. Judges for this contest were Mrs. Buck, Mr. Greenwood, and Mr. Stewart who presented the Grosvener-Laing trophy to Laura. In both contests the contestants received book awards.

As of Thursday, February 25, there are 20 school days until Easter Exams.

Senior Girls Basketball Team played in a tournament Friday. Results are not yet available. This is for the Fraser Valley Championship.

The Swim Club went to C G Brown Thursday night. This club needs more participants to attend the sessions at the pool.

LETTERS TO THE EDITOR

Dear Sir:

Are there not a few public spirited ladies in Aldergrove who would be interested in forming an Auxiliary to the Langley Memorial Hospital?

So many outside of here have said to me "Why is it that Aldergrove does not have a Hospital Auxiliary?"

We have now just completed and shortly going into operation a very up to date new hospital, costing about 2 3/4 of million dollars, in which Aldergrove as part of the Municipality of Langley has quite a large stake. During the past few years whilst our older hospital has been doing a worth while job in relieving suffering in our midst; and in this time many organizations throughout the municipality have contributed in no small way, both in time and effort working toward the completion of our new hospital. Every small community in the municipality have had an auxiliary in aid of the hospital except Aldergrove. Does it not appear that we have somewhat lagged in this way. True the local ladies are tied up in other organizations, but the same can be said for ladies who are operating other auxiliaries.

Thanking you Mr. Editor for giving space to this letter I am,

Very turly yours,
Harold Endacott.

A large audience turned out on Tuesday evening to view the film "Ben Hur", filling the auditorium to capacity.

A music concert was presented by the Music Committee during the lunch hour on Thursday. Mary Ann Schmidt sang two solos: "The Cherry Tree" and "Lachen und Weinen". "Song Without Words" and "Fantasia" were the two piano solos played by Marilyn Peters. Addna Klassen played a violin solo entitled "Air", followed by Chris Braun singing "Where E'er You Walk". Bonnie Friesen and Anne Marie Unruh played a piano duet.

During the Friday lunch hour a Pep Rally was held for the senior girls' and the senior boys' basketball teams. They will be competing in the Fraser Valley Tournament at Queen Elizabeth in the coming weekend. The rally concluded with a game between the two teams.

CHAPEL

Rev. Ernest Dyck, now working in Quebec, was the guest speaker at the senior chapel on Wednesday. The theme of his message was: "The Towers of Man, and the Blessings of God."

GIRL'S BASKETBALL

The M.E.I. Senior girls had an easy victory over their North Surrey opponents on Friday night, defeating them by a score of 24 to 17.

The odds were against the M.E.I. girls when they played a strong Queen Elizabeth team on the following night. They were able to score only 2 points in the first quarter, 1 in the second and 1 in the third. Meanwhile Queen Elizabeth had collected 20 points, leaving us far behind. In the last quarter our team came back, but it was too late to bridge the gap, and the game ended with the score 27 to 20.

The team defeated Como Lake in a playoff on Tuesday afternoon. The final score was 27 to 19 for M.E.I.

On Wednesday afternoon the team had another victory, this time defeating Semiahmoo by a score of 52 to 23. High scorer was Susan Tilitzky with 20 points.

The M.E.I. Senior girls are now qualified to compete in the Fraser Valley championships in the coming weekend.

INTERMEDIATE BOYS

North Surrey Intermediates lost their game to our M.E.I. boys on Friday night by the score of 57 to 43. The three top scorers were Jack Falk, Dave Loewen, and Bill Warkentin with 10 points each.

The M.E.I. Intermediates easily defeated the Queen Elizabeth team on Saturday night. The final score was 66 to 30 in our favour. Rudy Teichroeb was the high scorer with 17 points. Other scorers were Dave Loewen with 10, Dan Doerksen 9, Menno Wiebe 8, Ed Balzer 5, Jack Falk, Ron Ratzlaff, Bill Warkentin and John Braun with 4, and Paul Loewen 1.

A close game determining the League Championship was played at Abbotsford on Wednesday afternoon. The teams were close throughout the entire game. Only 3 points seperated them when Abbotsford, with 1 second remaining, made a last effort and scored to lessen the gap by 2 points.

Congratulations are due to both the Intermediate and Junior boys' teams for placing first in their leagues. The Juniors took the title without a single defeat!

SENIOR BOYS

The senior team defeated the North Surrey Stars on Friday night by the score of 59 to 52. Don Wallace was the top scorer for the Eagles with 21 points. Jerry Falk scored 13, Harold Dersken 11, Dennis Neumann 8, Wes Giesbrecht 4, and Bill Warkentin 2.

The last league game of the season was lost on Saturday night by our senior team to Queen Elizabeth. M.E.I. held a sure lead throughout the third quarter. But the team fell apart in the last quarter, giving the Queen Elizabeth Royals 23 points to our 6. Don Wallace and Harold Dersken were the top scorers with 11 points each.

The M.E.I. Eagles got their revenge for Saturday's loss when they defeated Queen Elizabeth 54 to 47 on Monday night. By this win they retained third place in the league standings.

UNITED CHURCH NEWS

The Evening circle of the United Church Women held their regular monthly meeting at the home of Mrs. A. Jeffrey on Monday Feb. 15th., 14 members turned out for this meeting.

Mrs. T. Beggs conducted the devotional which had for meditation and prayer the theme "Blue for Depression".

The program was the second chapter of the study of Brazil and dealt on "Being a Christian in Brazil".

This told of the work carried on by missionaries in agriculture, teaching and in health programs. This information brought up the question "How can the church in Brazil become more involved with the needs and problems of the people?" and provided thought for a lively discussion. Program leaders were Mrs. Beggs, Mrs. Palumba and Mrs. Kristoff. Plans for a spring Thanks offering service were discussed. The date and program will be announced later.

We were reminded the World Day of Prayer has been set for March 5 and will be held in the Mennonite Church corner of Roberts and Otter Roads.

The afternoon circle of the U.C.W. held their meeting in the church hall Feb. 18th.

The devotion on "Blue for Depression" was taken by Mrs. Black and Mrs. Johnston. Mrs. Eddy assisted by Mrs. Miller, Mrs. Black and Mrs. Johnston presented the program which was a further study on Brazil and dealt with the economic conditions of that country and the work of the church in Brazil.

DRUG FACTS

"FIVE DOLLARS — for that little package"

We, too, are often disturbed because some of the newer specialties are necessarily high-priced. We don't like to "ask such prices.". And they certainly are not popular with the producers.

In 1930, the cost of routine pneumonia was $1000.00. Today, $25 worth of antibiotics will do the job. In 1943, 100,000 units of penicillin cost $20. In 1949, one gram cortisone cost $200 and 1 milligram of vitamin B-12 cost $20.

Today, 60% of prescriptions cost the public only $2.00

Your doctor may prescribe the newer drugs because of their powerful and positive action. In the long run this saves YOU time, money, and needless suffering.

ROYAL BANK

IMPORTANT NOTICE TO BORROWERS & SAVERS

The Royal Commission on Banking and Finance recommended the removal of the 6% ceiling on the rate of interest a chartered bank may charge for loans. We hope that the Bank Act, due for revision by Parliament soon, will in fact remove this ceiling and also enable the chartered banks to take mortgage security—now prohibited by law but recommended in the Royal Commission report.

To Our Borrowing Customers

To remove any uncertainty in the minds of our borrowing customers, the Royal Bank wishes to assure them that removal of the ceiling will not of itself affect our prevailing loan rates. The general level of these rates is determined by monetary policy as formulated by the Government and implemented through the Bank of Canada. However, the changes proposed by the Royal Commission will, if enacted in law, enable the chartered banks to enter lending fields hitherto closed to them. Thus the banks will be in a position to make, at reasonable rates, loans of a term and risk which, under present regulations are available only at higher rates outside the banking system.

We look forward to the removal of the ceiling as a means by which we can serve a wider public, *not* as a means by which we can charge higher interest rates on our present types of loans.

To Our Savings Customers

Removal of the ceiling, by permitting us to make new types of loans, will enable us to introduce a new type of savings account on which a higher rate of interest will be paid.

Thus, removal of the 6% ceiling—

1. **Will benefit the owners of 12,000,000 savings accounts with the chartered banks.**
2. **Will not hurt existing borrowers.**
3. **Will help those now forced to borrow outside the chartered banking system, by providing them with loans at more reasonable rates.**

Matsqui Council Accepts School Budget for 1965

Matsqui councillors estimated that the school budget presented for acceptance Monday night will add 7 miles to the taxes for school purposes for 1965.

The total provisional budget accepted by Matsqui council was two million two hundred and fourteen thousand dollars.

A two hundred thousand dollar increase in teachers salaries includes a 5% increase in wages and an additional eight teachers for the coming term.

The budget included 37,000 dollars for construction of the new vocational wing and 18,500 dollars for equipment for the wing. This is ten percent of the cost of the new wing, 90% of the cost will be paid by federal and provincial governments.

Costs for grounds include finishing the 440 track at the secondary school, and additional parking facilities for the new wing.

The budget shows a two hundred and fifty thousand dollars increase over last year.

NORTH COGHLAN NEWS

By Mrs. J. BUTLER
(856-2265)

The annual family supper at Coghlan W. S. and Community Club on Feb. 20 had a very enjoyable evening as it was a pot luck supper many types of casual dishes and pies were brought. After the supper the young talents of the community entertained.

Mr. Pollie Twenlow of Ottawa, a former lad of Coghlan was a guest at the supper. Mrs. Joe Paulson of Whalley with Shelly Carrey and Jeffery spend a few days with her folks Mr. & Mrs. Frank Butler of Hendall, also a guest at the pot luck supper held at Coghlan Hall Mrs. W. Kirkham had the missfortune of fracturing her wrist while at work.

Mrs. Betty Crosby of Vernon stayed with her sister-in-law, Mrs. Flo Hassen after the death of her brother Andy Harsen.

68 PUPILS HARBORING T.B. GERM

The first phase of the tuberculin testing program has turned up 68 Langley school children who are harboring the TB bacillus in their bodies.

These children showed positive reactions to the tuberculin skin tests given to school children in School Disirict No. 35 between Feb. 1st and Feb. 16th.

They constitute 1.6% of the 4,274 pupils of 30 schools in the Langley-Aldergrove district who were tested during the first two weeks of Operation Doorstep.

Operation Doorstep will cover all parts of the Lower Fraser Valley and will eventually test every man, woman and child in the area.

The 68 positive reactors found so far are not necessarily suffering from tuberculosis. A positive reaction to the tuberculin test merely means that an individual has become infected by contact with someone who has the disease. The TB germs may lie dormant in the body for years without causing disease.

All children whose reactions are positive will be given chest x-rays immediately and at periodic intervals in the future.

Medical authorities estimate that one out of 20 positive reactors will develop the disease at some time during his lifetime.

Dr. C.C. MacLean, Medical Director of Surveys for the provincial TB control division, said the percentage of infected children found so far is low.

1,638 people visited the Operation Doorstep mobile clinics in the Langley area between Tuesday and Friday of last week. Health officials say this is an excellent response.

Visitors to the mobile units are offered both TB skin test and chest x-ray. The x-rays are examined for evidence of tuberculosis and other chest diseases.

This week Operation Doorstep mobile clinics will be located in the following places:-

Monday, March 1st - Carvolth & Campbell River from 1 to 3:30 p.m. IGA Store, Wix & Carvolth from 5 to 8 p.m. Glenwood School from 1 to 4 and from 5 to 8 p.m.

Tuesday, March 2nd Carvolth & McInnes from 1 to 3:30 and Carvolth & Bradshaw from 5 to 8 p.m. Berry & Bradshaw from 1 to 3:30 p.m. Belmont School from 5 to 8 p.m.

FROST'S LIVESTOCK

Frost Auctions Ltd. held their largest livestock sale this year when 283 head of stock were sold. Veal sales were very heavy and prices strong to very good when 159 veal sold. A shipment of 58 veal were bought and shipped to Alberta, 78 veal were bought by farmers who specialize in raising calves, 22 veal bought by livestock dealers. Springers and Fresh cattle remained fair to good bidding was slow, while young stock and yearlings were in strong demand and brought high prices due to several retired dairy farms in the district buying young stock early this spring. Beef heifers and young steers suitable for locker meat were strong in demand and sold very high due to local demand, while canner beef was steady to good. Hog sales were heavy when 70 head sold prices held firm for this time of year.

PROVINCIAL GOVERNMENT ANNOUNCEMENT

Effective immediately, the Provincial Government will make available substantially increased grants to approved public hospitals and other non-profit agencies which wish to construct or develop nursing-home facilities for the care and treatment of the chronically ill. These grants will amount to

50 per cent of the approved cost of construction;
33⅓ per cent of the approved cost of renovation and improvement;
33⅓ per cent of the approved cost of moveable equipment.

In addition, the Provincial Government will extend, as early as possible in 1965, British Columbia Hospital Insurance Service benefits to those persons in approved nursing-home facilities operated by public hospitals or other non-profit agencies and for whom skilled nursing care and continuing medical supervision is shown to be required.
