Betty VanDiepen Rose Queen 1970

Out of nineteen pretty girls the judges chose Miss Small's Service for the 1970 Miss Aldergrove Rose Queen. A very difficult job for the judges, but after 35 minutes of consultation they came up with the answer.

Two judges were added to the trio already asked, they were Oscar Dayton of Abbotsford and Mayor Len Nicholas of Langley City. Also judging were Mary Burke Ray of Langley, David Schultz and Harry Doupe of Fort Langley.Second runner up was Miss Royal Bank Francis Penny and first runner up was Miss Aldergrove and district chamber of commerce, Sylvia Laier.

A capacity crowd turned out to watch the selection of the Rose Queen, the United Church Hall was filled, even the standing room was taken.

Tragic Train-Car Collision On Bradner Rd

A 12-year-old boy was killed early Tuesday morning when a car driven by Mrs. Madelaine Gibson, of 29075 Marsh Road, Mt. Lehman, collided with a train on the B.C.Hydro railroad crossing on Bradner Road in Matsqui.

Terry Gibson was instantly killed while his mother and five brothers, Michael, 4; Roger,10; Billy, 13; Bobby 11, and Darryl Jones, 13, all were taken to MSA Hospital with head injuries. The hospitalized were reported in fair condition.

The accident happened at 7:55 Tuesday morning, May 19th.

Beautiful Victoria Day At Bradner

Once more the Bradner May Day festivities came off as a grand success. The Victoria Day holiday was a beautiful sunny day in the Fraser Valley, and many were the people who turned out either to participate in or to watch the festivities.

Many colorful floats and costumed children and grown ups were in the parade which passed along the familiar route to end up in front of the school.

The judges chose the winners in the different categories who were as follows:

Vicky Wind, dressed as a Dutch girl won first place in the children's costume class. Second place was taken by a Hawaiian girl, Lisa Clark; and third was a two-headed monster (Debbie Rooney and Marilyn Warmerdam)

In the bicycle category David Stadnyk won first prize, while Vicki Clark and Bill Paquette were number two and three respectively.

A Robin Hood on a tricycle, Shawn Brozer won first place in this category, while Hohn Hildebrandt took second place.

In the wagon category the 'Flint stones' won first place. Pulling the unique wagon were John and Lynn Wicke, Linda Philps, Doug Philps, and Wayne and Blake Philps. The May Queen of the Day (Debbie Hildebrandt and Cathy Couturier) placed second.

There were two horse classes, for 15 years and under and 16 and over. In the first class Heather Clark, of Mt.Lehman took the honors of placing first. Second and third were Dale Letke, of Jubilee and Tammy Millsap, of Mt.Lehman. In the second class Mrs.Davies placed first, followed by Susan Ronning and Billy Vanshiver.

Of commercial floats the Aldergrove Rose Queen won the ribbon for first place, while the Aldergrove chamber of commerce won second.

PTA floats placed as follows, Jubilee, first; Aberdeen ,second; Bradner, third; Bradner PTA fourth; and Mt.Lehman, fifth. In general floats, Bradner Recreation Club won first place, followed by Mt.Lehman.

After the judging had taken place and the winners had been announced and presented with their ribbons by master of ceremonies Richie Fatkin, the May pole dance took place. Two schools had entered teams.

And finally, after the speeches and the presentations had taken place, the youngsters enjoyed themselves at pony rides and other games. The ice cream and hot dog concessions did a thriving business.

Everybody present seemed to have an extremely good time.

40th Wedding Anniversary For MacFarlane May 31

Mr. and Mrs. James Mac Farlane, of Otter Road, Aldergrove, will be celebrating their 40th wedding anniversary on Sunday, May 31st.

The MacFarlanes will hold an 'open house' at their home on 268 Otter Road, starting at 2 p.m. and going on throughout the afternoon and evening.

The celebrating couple were wed in New Westminster in June 1930.

James MacFarlane came to the Fraser Valley in 1922 and started farming on Otter Road. He was born in Bonniebridge, Scotland.

A few years later Mary Mitchell left the same town of Bonniebridge which was also her home town and travelled to the Fraser Valley in British Columbia, where she married James MacFarlane. The young couple took up residence on the homestead on Otter Road where they have lived ever since.

James MacFarlane has been president of the Otter District Credit Union since 1940. He is also secretary of the Otter NDP club. They have no family.

United Church Congregation To Hear Report On Conference

On May 20th at 8 p.m. the congregation of Aldergrove United Church will meet to receive a recommendation with regards to the proposal for re-structuring of the session and committee of stewards into one unified board with six standing committees.

At this meeting there will also be given a report on the meeting of the B.C. conference of the United Church. Dr.R.R.Cunningham of St. Andrews Wesley church, Vancouver, presided over the sessions. The visitor from the general council of the church was Dr.E.E.Long, secretary. The conference which was held at Naramata school for further education was well attended by 491 actively participating delegates. Discussions were free and plenty of microphones were provided for those in the audience taking active part.

The theme of the conference was "What word from the Lord?" and the film 'That All May Be One" was shown. This was one of the highlights of the conference.

In another space in this paper you will find particulars regarding the United Church Women's tea to be held on May 23rd from 2 to 4 p.m. in the United Church hall.

The Mad Monk Meets The Paranoic Priest

Special to The Star

T.P. — Mt.Gargle, B.C. — Here is your nutty newsmonger back with another report from this lonely monastery on top of lofty Mt.Gargle. I tried to get away several times during the last few weeks, but every time I get below the timber line I seem to run into an invisible wall. Apparently I am doomed; never more to be a raving retorter, but instead a motionless member of the press.

Something extraordinary and expectant happened last week, though. I had noticed for a few days that smoke had started rising from the top of the neighboring mountain — Mt.Garble. Of course, with the publicity given the Mad Monk of late it was bound to happen. Nobody can do his own bag today — not even on top of a loony peak.

Today we, the Mad Monk and I had a formal visit of the new resident of Mt. Garble, the Paranoic Priest, and I discovered that these religious fellows are very ordinary humans indeed. Used as I am to watch people I saw how my host turned slightly green in the face when our new neighbor told us that he regularly sees visions of life on this planet 21 years into the future. (You will recall how the Mad Monk for the last six weeks have been prophesying on life in 1990).

"Yes, Mr. Raving Retard," said the Paranoic Priest while the Mad Monk's countenance turned a livid verdure, "it is true, through this fantastic talent of mine I can see what will happen throughout the world in 1991. Right now I'm tuned in to May 20, Anno Domine 1991."

"That so?" I said, "Tell me then P.P., what will happen to the fourth estate by 1991. — In short, will I still have a job by then?"

"Oh, yes, very much so," answered the Paranoic Priest, "Of course a great number of your confreres will be on the breadline but you will keep your job.

"You see, long before 1991 the maxim that quantity and quality were synonymous words had been drilled into the minds of the public, and by the spring of 1991 there were only three newspapers left in the world, The Universal Times, The Canadian Straight and The Star. The two latter were, with their distribution of only a few hundred thousand each, not really counted. The Universal Times, owned by Lord Frumpsson of Sheet were putting out regular 'bonus issues' of 1,248 pages with an extra 3,739-page weekend supplement. And of course they had an ABCD and E-approved circulation of 23½-billion. The thrice-daily newspapers were shipped in by dumptrucks and delivered through chutes in the living room walls. Many families only subscribed for one month as this gave them an ample supply of building bricks to construct a 23-room cottage at the lake.

"But let's take a look inside this great publishing house of the future. Through a maze of computers we eventually make our way to the office of Lord Frumpsson. We approach the gigantic marble desk, fall to our knees on the carpeted floor and address the great man: 'Most noble and illustrious Sir, how do you manage such a great business empire, and where is your staff?' 'Staff?' says the untouchable. 'You just passed through my editorial offices, newsroom, advertising, artistic and bookkeeping departments. Years ago, back in 1972 we decided like other great business empires, that we could very well get along without mortal employees. The computers, you see, don't go on strike for improved working conditions, they don't ask for salary increases, and we don't have to contribute to retirement funds.'

" 'I see, most prolific and covetous Prince, but what exactly goes into one of your editions?'

" 'I'll tell you, because you amuse me, and because with a snap of my fingers I can return you to your own miserable era. Look here, on the front page of this evening edition I have a notice about this being the greatest 'bonus edition' ever published by The Times. I'll run the same article for the next two months. Then I have a few articles of infinitesimal limited interest which I have fed through one of my reporter computers 27 times until I came up with the end product: a news story completely without significance and unbearable for anyone to read. Anticipating that someone would still make an attempt I have ordered my headline writer computer to further discourage interest.'

" 'Now let's turn the page; here we have a 38-page advertising spread for Ultra Value followed by 64 pages of manifesto for Bull Moose Motors. You will realize that these companies wouldn't have to advertise because they don't have any competition either, but for my excellent salesmanship and the fact that the president of Ultra Value is married to the sister of my wife and my nephew is on the board of directors of B.M. Motors.'

" 'This is followed by a few press releases written by my political reporter computers at the provincial legislature. They do an even better job than the old P.R. men hired by Madison Ave. and Legislative Bouleward.

" 'And here, now we are at page 213. You will notice that from here on and up till our 537 pages of unclassified classifieds we have only blank pages. This serves the purpose as nobody, even if he tried has ever been able to proceed this far into the paper before the next edition was dumped upon his living room floor.' "

What's This

I Too Have My Altars

by Eric Flowerdew

I have always liked to read history; it tells us how different people went wrong. Especially the rise and fall of empires have always interested me. The last big one of course was the British empire. The Soviet Union having passed through a revolution was on the verge of collapse but was saved because the western nations, including Germany, all backed by the USA decided to oppose them.

And the latest empire, the USA, will eventually collapse, because they have built their economy upon the war machine. Just like Hitler's Germany. And they do their utmost to make the people of Asia hate the white race. It is good to see that the church has finally made a stand against this politico-economical nonsense.

On top of my back door there is a one dollar bill. That's my altar. Today most people worship money more than anything else. So if you come to my house you can always leave any amount of money offering you want (I believe in democracy), and as I'm almost in the money class I can always change a ten dollar bill — including sales tax.

Real Pollution

Do you know that the Japanese ministry of foreign trade refuses to have anything to do with a fight against pollution. Why? Because it would cost more to produce the goods they export. In some parts of Japan it has become so bad that they're even selling a whiff of oxygen at a good price. Their police have a room where they can charge up on oxygen twice a day.

The lack of a fight against pollution could very well defeat the country of the rising sun.

How Times Change

Now Canada is getting into the business of not producing. Thousands of farmers are being told that they'll be paid for not producing — at so much per acre. I think the country should go modern: why not tell the dairy farmers that they can only milk one teat on each cow and leave the other three alone. Perhaps we should also instigate birth control for cows. God help the bulls.

The Quebec Election

One thing did happen. The new government of Quebec has a large majority — perhaps too big. But I don't blame the French Canadians. When securities were removed before the election — that was the worst insult the people had to face. Elections are usually won, but the peace can be lost. To find thousands of jobs for Quebec's unemployed will become a real task.

Another Election

I see that the British Labor Party had a comeback in the latest municipal elections. They are winning many of the seats back they lost last year. I think Wilson has done many good things for the British who like many other nations are under the thumb of the U.S. financial world.

Maybe Wilson can lead his country on to a smoother path. They are one of the few nations in this world which I don't think any dictator can take over.

How's the Weather?

Daytime temperatures in April averaged three degrees below normal. That trend continued into May where May 1 - 15 had daytime temperatures 1.9 deg. below normal. However, rainfall so far this month is light, totalling only 0.85" compared to the normal 1.65" for 16 days.

Maximum temperatures in the ten-day cool period, May 5 - 14, ranged from 51 deg. to 62 deg. and averaged 56.9 deg., 6.4 deg. below the normal 63.3 deg. Friday's 77 deg. is our highest temperature so far.

April was very cool on the Prairies. Winnipeg averaged 34.6 deg., 3.4 deg. below normal, and 5.7 deg. below normal in the daytime. Regina averaged 35.4 deg., 2.8 deg. below normal, and they were six degrees below normal in the daytime. Regina had 18.4 inches of snow, the snowiest April in 81 years of records. The old record was 16.4" in 1966. Normal is 3.5", six inches covered the ground April 30th.

Regina's total winter snowfall, 64.7 inches to April 30th, will be one of the highest on record. 1965-66 had 67.5" and 1955-56 had 76.5". Normal is 43 inches.

From Parliament Hill

Vets Not Out Of The Woods

by Mark Rose, M.P.

On the evening of Friday, May 8th we had a moving and impressing ceremony on Parliament Hill and an attendance of some 16,000 people to mark the 25th anniversary of Victory in Europe Day. The Governor General was there, the Prime Minister was there, the MP's too, along with the bands, assorted members of the diplomatic colony, the Canadian Forces and appropriately, a huge delegation from the veterans organizations. Following a rather damp two hour program, a cloudy sky reflected the light from a generous and spectacular fireworks display that silhouetted the towers of the Parliament Buildings beautifully.

Earlier in the day suitable words of gratitude and respect were tendered by all political parties to those who lost their lives in the World War II struggle. And during the oral question period that same day the following question was asked by —

"Mr. Harold E. Winch — Mr. Speaker, may I address a question to the Prime Minister. In view of the eulogies, and rightfully so, uttered today by spokesmen for all parties and supported, I am sure, by all members of the House, in memory of those who died on behalf of Canada in the second world war, and in view of the fact that there will be a memorial service on Parliament Hill this evening, may I ask the Prime Minister if he feels he is in a position to give the House some indication of when Parliament can pay its greatest homage and provide its greatest memorial through the passage of legislation beneficial to the dependents of those who died and those who returned disabled."

"Right Hon. P.E. Trudeau — Well, Mr. Speaker, I agree that that type of legislation would be the greatest homage we could pay to these people, but on the substance of the question I cannot make any announcement to that effect today."

And that question and reply, ladies and gentlemen, describes precisely where we are today.

Some four years ago the government initiated a comprehensive review of veterans' pensions problems and published its 148 findings and recommendations in a document which became known as the Woods Report.

This report was greeted with great hope and enthusiasm by veterans and their organizations throughout the land. At last, they said, Canada is going to right some of the past wrongs which condemned many who had served in our armed services to live in poverty, indignity and embarrassment.

During the intervening period, of course, the problems for hundreds of veterans were solved — they simply died. And the longer we await improvements to the Canadian Pension Act more problems will be solved in the same way.

In spite of a year's work by the House Standing Committee, no action is contemplated by the government, at least until the White Paper on Social Security is tabled next fall. And the lethargic legislative process could easily drag this whole matter out for another year.

Contrast this if you will, the speed with which the MP's raised their own pensions to criminal proportions — the job was done in about two weeks.

I think the ex-military should become more militant once again and demand an interim raise immediately — the Canadian Legion meets for its national convention next month in Ottawa — I hope they take strong action.

ROTARY CLUB's ADVENTURE in Citizenship.

I had a very pleasant time at the Rotary Adventure in Citizenship banquet at the Chateau Laurier last Wednesday. Rotary Clubs all across Canada support this worthy project to enable young Canadians to get to know one another and their country better.

Langley Rotary's fine representative was Miss Alice Koat a capable musician and a charming young woman.

Public Speaking A Big Success

At Aldergrove elementary school there was a public speaking contest on May 8th. There were two categories, grades five and six, and grade seven. The winner in the first category was Barbara Fraser, with Lynn Kirkoff the runner-up. And the winner in the second category was Liz Watson, with the runner-up Don Fraser. The three judges were Mr.Hyde, Mrs. Cuthbert and Mr.Stafford. The chairman was Aldergrove supervising principal Mr.Bryenton.

There were fifteen participating students, ten in grades five and six, and five from grade seven. The students were allowed to choose any sensible topic they wished. And every subject of course was different. The winning topics were Barbara Fraser's 'Wreckless Driving', Lynn Kirkoff's 'The Year 2000', Liz Watson's 'Noise Pollution', and Don Fraser's 'Smoking'.

The speeches were listened to by students from grades five to seven, and by the parents.

The competition in grade seven was between Elizabeth Watson, County Line, Richelle Metcalfe, Don Fraser, Ann Chaple and Murray Beggs all of Aldergrove Elementary School. The winners were Elizabeth Watson, her topic was Noise Pollution, runner up was Don Fraser and his topic 'The Danger og Smoking.

The winners of the Public speaking contest held last week at the Aldergrove Elementary School were Barbara Fraser. Her subject was Wreckless Driving. Second was Lynn Kirkoff who spoke on 'The Year 2000'. The contestants were Lynn Kirkoff, Barbara Fraser, Brian Head Sandra Chaple, Ricky Kirchmeyer all of grade 6, Aldergrove Elementary School. Brian Thompson Gr. 5, Patricia, Doug Tait Gr. 6, Coghlan, Bonnie Ashton Gr. 6, Patricia, Ralph Anderlini, Gr. 5, S. Otter and Cindy Evans, Gr. 5, S. Otter.

"Wreckless Driving"

by Barbara Fraser

I've chosen a subject of interest to me, I hope you will also be interested in it. The subject I've chosen to speak on is 'The Danger of Wreckless Driving.'

Screech, Crash! Well there goes another one. That's what you might say some day when one of these powerful cars come ramming down your street and smash into one of the telephone poles. Or you might be the one in the car, then you'll say nothing; you'll just lie there in a dead or near-death heap feeling nothing, hearing nothing, seeing nothing, and I'm sure no one wants to be like that.

What do you feel like when you get behind the wheel of your car? You have your licence in your pocket and your keys in your hand. You put the keys in the ignition and hear the motor humming. You feel power, power you never realized could be yours with but that turn of the key — but there it is; your's to do with whatever you want — even to kill yourself or maybe others. You hesitate a moment, then off you go. Come on now, go a little faster, just a little faster. There, everything is going smooth, just a bit faster yet — not too fast, but a little faster. Out of control, smash, nothingness.

Well, maybe the next one will have a bit more common sense — or be a bit more lucky!

Other causes of accidents are not thinking of what you're doing, not watching the road, not enough experience, and after taking drugs you shouldn't drive either.

So when you're sixteen and anxious to get your licence be aware of all the things which can happen — and even if you're very precautious and obey all the traffic rules, watch out for the other guy.

Vicky Griffith Chosen Delegate

by Mary Butler

Coghlan W.I. held their May meeting at the community hall for the first time this year with 11 members present.

The president opened the meeting and after the discussion Mrs. Vicky Griffiths was chosen delegate to go to the convention to be held at the UBC next month. The convention will be held June 8th to 10th.

Three members were delegated to find a candidate for the 1970 Miss Aldergrove Rose Queen. The lucky girl from Coghlan was Miss Karen Rennie.

Mrs.M.Kirkham gave a report from the Langley Walk concession.

A visitor at the meeting was Mrs.Lucille Banta from County Line Road who spoke on pollution an soap detergents. A lovely lunch was served by Mrs.Vicky Griffiths and Mrs.M.Christensen

The County Line PTA held their May Mothers Tea at the County Line school with quite a number of mothers attending. Young teenage girls served the tables and entertainment was provided by the young pupils of the school. This was a very enjoyable afternoon. Prizes were given to a newcomer and to an oldtimer of the district. Also a door prize was presented.

Graduation Ceremonies at AHS May 29

The graduation ceremonies at the Aldergrove senior secondary school will be held this year on Friday, May 29th.

The banquet will start at 6 p.m. and the graduation ceremonies commence at 8 p.m.

Many Families Leaving

by Shirley Brown

Mr. and Mrs. J. McHardy and family left Friday for Victoria where Mr.McHardy will join a ship of the Pacific fleet.

Mr. and Mrs. S.Exley and family also left Friday, for Halifax. Mr.Exley is going to fleet school for an extended course.

Thursday night the Navy men's team played Chilliwack Supply team and won the game. The next game is Tuesday in Chilliwack.

Friday evening a group of friends gathered at the C. &P.O. mess to help Morris Thomas celebrate his birthday. A good time was had by all.

Monday, May 11th, Admiral of the Pacific Fleet visited C.F.B. Aldergrove. After inspecting the station and personnel an informal talk was held with the admiral.

Mrs. D.Zbitnew and children spent the holiday weekend in Victoria visiting relatives and friends.

Jubilee

Junior Executive Elected For Second Term

by Mrs.R.Evanoff

Music, lilacs and good-natured men in the kitchen, made Jubilee hall a pleasant place to be on Mother's Day in the morning. As families grouped around the tables, fathers and sons bustled about the hall serving a tasty breakfast of pancakes and sausages. Milk for the children was donated by Romeo Pelon and L. Wolfe donated a beautiful floral arrangement for a door prize.

The new wiring now operates efficiently and there will be lots of juice for all appliances. The past year has seen installation of plumbing, heating, stage curtains, the building of tables and purchasing of chairs, and this year promises more improvements. The work committee was not fooling around.

On Thursday, April 30th the Jubilee Recreation Club voted to retain the present executive for another term. Barry Smorenburg is president, L.Wolfe vice-pres., B.McCormick treasurer and E.Burt secretary.

The Junior Girls Activity club met Tuesday night for the first time in the hall to choose a name for the club. Two leaders of the new group are Elsie Evanoff and myself.

Miss Karen Penner was chosen as a candidate at the Junior Rec. Club's meeting and entered the Aldergrove Rose Queen contest.

Miss Ellen Saenger represented Jubilee as May Princess at the Bradner May Day Monday and Miss June Scott, a resident of this area and pupil at Bradner was elected May Queen.

Winner of the door prize at the pancake breakfast was Mrs. R. Robertson of Bradner.

Service Clubs Join In Giant Radio Bingo On CJJC

The Langley Memorial hospital needs an intensive care unit. This is the conclusion reached by the four service clubs of Langley after hearing the purpose – mainly for heart cases, post-operative cases, and severe trauma cases from accidents – and the need. At the present time many of these patients are being taken to the Royal Columbian Hospital in New Westminster where there is a four-bed unit, woefully inadequate to handle all referrals. The present troubles at the Royal Columbian make this need all the greater.

The Langley Lions initiated the project, but in the interest of procuring the necessary equipment as soon as possible they invited the Rotary, Kiwanis and Kinsmen clubs to work on it as a joint project. All four have agreed to do so. A joint committee has been formed, and following the kick-off banquet and dance last Saturday, is now planning a giant Radio Bingo on June 3rd at 9 to 10 p.m. over CJJC radio, Langley. Tickets for this bingo will be on sale by the end of the week in many stores in Langley, Aldergrove and Fort Langley. The top prize will be $1,000 for a blackout. The help of everybody in the area served by the Langley Memorial Hospital is going to be needed to put this project over. Of the total estimated cost of $10,400, one third is covered by a provincial government grant, and other donations already in or promised leave a balance of about $5,000 to be raised.

All donations for this purpose will be very welcome. Be sure to send them to the hospital directly at Box 10, Murrayville, marked "For Intensive Care Unit", so that your receipt may be used for income tax purposes.

Will you help save a life this year?

United Church WA Sponsor Tea

A women's tea, sponsored by the United Church Women will be held Saturday, May 23rd between the hours of 2 and 4 p.m. in the Aldergrove United Church

A display table of articles made at the Wildwood Training Centre will be set up in the hall. Proceeds from the sale of these articles go to further the work of the training centre. Donations for the bazaar, plant or bake sale is welcomed.

In Cloverdale

Some Weakness In Fat Cattle

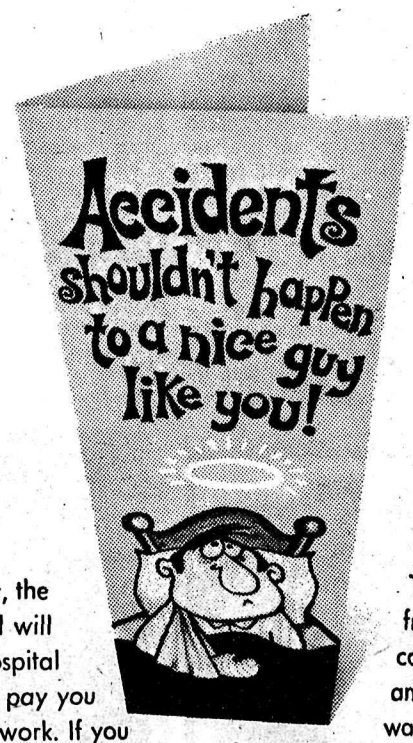
On receipts of 641 cattle, 24 hogs, and 28 sheep, the market at West Coast Auctions showed some weakness on fat cattle and feeders last week, with cows, bulls and veal holding steady. Nearly all the steers sold were either Holsteins or crossbreds. The following prices were noted:

Good steers $31-32.50, plain and medium steers $25.50-30.60, good heifers $29-31, medium heifers $25.50-29, good young beef cows $24.10-26.60, heavy beef cows $20-24.50, best Holstein cows $21-24, canners and cutters $15-20, bulls $19.25-29.60, and fed Holstein bulls $32.50-34.

Butcher hogs sold for $24-27.75 and old sows for $18.50-21. Old ewes were $10.50 each.

Good and choice veal sold for $43-46.50, medium veal $40-43, started calves $24-38, feeder heifers $33-37, light steer calves $43-47, light heifer calves $38-46, and Holsteins and crossbreds $27-34.50.

Don't worry.
Just get well soon.



If you have a work-caused injury, the Workmen's Compensation Board will take care of all your medical, hospital and rehabilitation expenses and pay you compensation while you are off work. If you suffer a serious permanent disability you'll receive a pension for life.
Whatever it costs to get you back on your feet, the Workmen's Compensation Board covers all expenses.

The money doesn't come from you or public taxes. It comes from B.C. employers, and last year over $36 million was paid out in benefits to injured workmen and their families.
So if you get hurt, don't worry about money. Worry about getting well. Because nothing compensates for the pain, or for the time you lose away from your family.

WORKMEN'S COMPENSATION BOARD OF BRITISH COLUMBIA

Rock Hounds Gather In Princeton

Fraser Valley Rock and Gem Club has set September 26-27 for its fall show.

Delegates attended a rendezvous over the long weekend, May 16-18 at Princeton. Rock hounds from all over the province gathered there for their annual meeting. More about this meeting will be in the June report.

Mr. Jim Greenwood reported on the final plans for the Rock & Mineral Society summer camp from Saturday, August 3rd to Saturday, August 10th. The camp will be held at Barrier, B.C.

Material funds at Barrier could be jasper, red hemolite, rhodonite agate nodules, artifacts, petrified wood and panned gold.

Mrs. Muriel Meretz gave the Rock Talk. Her subject, interesting tektites, believed to have originated in space.

Tektites is a word from the Greek language meaning 'molten' — some are round, glassy, button shaped objects. Others are formed like spheres, pear- or bar shaped, and formed by meteorite impact. Chemically they are similar to volcanic glass although not identified with this. The controversial part is, where did the impact take place? Some say on earth, while others say on the moon.

A special Mother's Day prize was won by Mrs. Marion Pfister. Mr. and Mrs. Paul Hogen presented slides on their trip to New Zealand. Everybody appreciated the pictures along with the humorous narration.

An excellent variety of rocks, finished jewelry on the display table was under the able direction of Norman Young.

On kitchen duty were Mr. John Buehler, Mr. Abe Mantler, ably assisted by Mrs. A. Rose, Mrs. M. Meritz, Mrs. M. Elgood and Mrs. Kuckenmuller.

The June meeting will be held the second Saturday, June 13th. It will be in the OAP hall in Aldergrove, and visitors are welcome.

Win Free Tickets... Identify The Initials

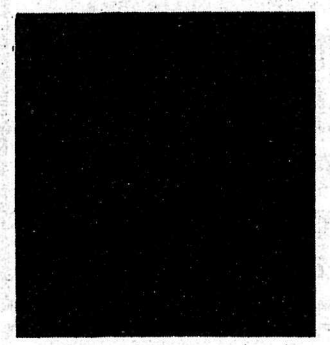
Three free tickets will be given away to the first Star readers who can identify the meaning of the initials in the advertisement on page 3 before Monday, May 25th at 4 p.m.

Mail your answers to Box 40, The Star. Tickets will be drawn on Tuesday at 10:45 on the Club 15 program on CJJC.

The tickets will admit you to the ceremony on Saturday, May 30th when the 1st Capitol Chorus will receive their charter at the Trinity Jr. College auditorium.

This new Langley Barber Shop Quartet has been practising vigorously every Thursday night at the Aldergrove highschool and has members coming from all over the district.

Helping with the evening's entertainment are four visiting barbershop quartets from Seattle, Vancouver, Howe Sound and Victoria. North Vancouver's 'Sweet Adelaides' and Victoria's 'The Poets'. The concert starts at 8 p.m. Admission is $1 for students and pensioners and $2 for adults.



...but what is it? What does it mean?

Barbershop quartets will be promoting the ticket sale by singing on the various parking lots in Langley Friday, May 29th.

Speedway Throbs Into Action

A sure sign of spring could be detected at Berry Road's south end Sunday p.m., namely the bellowing thunder of eighty-odd machines, yodelling of tortured rubber, and over-all the dulcet tones of Dick (Silent Richard) Brooks, the ultimate in genial mike-men.

Things look bright this year. An estimated seven thousand faith ful witnessed things and the cars seemed hotter than ever. In trophy dashes, Early Late, Lee Thomas; Modified Stock, Dave Angus (after Lloyd Bellamy erased a sure win on the first turn); Super Stock B, Rick Achison; Super Stock A, John Rothwell — less than a car's length ahead of ever-challenging Gord Hemrich. (Hemrich — always a crowd pleaser after winning his heat was ousted from further competition by fouled timing.)

In finals Bill Hamon (Fort Langley) showed that his Early Late B heat victory was no accident, winning handily. His no.51, '55 Chev 261 looks like a strong one. Second was copped by Haney's Grev Jewell and third went to veteran Ken Marwood (Surrey).

Early Late A had Lee Thomas (Coquitlam) winner. Second and third went respectively to Lou Ferguson and Bill Dunn (Haney).

Modified Stocker main trophy was collected by Bob Brodoway Chev no 44. Dave Angus placed second and Bobo Baker third. (Langley) in his revamped '39

The Super Stock main was lively. George Cook of Richmond snatched an early lead and for many laps fended off bids from John Rothwell and Dennis Lester. Eventually audacity overcame prudence. Lester and Rothwell piled into each other leaving Cook to romp home unmolested.

The season's schedule will be as follows:

May 24, Sunday afternoon—Super Stocks, A & B, Early Lates
May 31, Sunday afternoon—Intercity, A Mod., Mod.Stocks and Early Lates.
June 6, Saturday night — Super Stocks, A & B, Early Lates.

August 30, Sunday afternoon — Bardahl Day, Early Late and Mod. Stock Jamboree & Foreign Stocks
September 5,Sat.night — Intercity A Mod., Mod.Stocks,Early Lates.
Sept.12, Saturday night — Super Stocks A & B, Early Lates. Class Championships.
Sept. 27, Sunday afternoon — 'Super Stock Open, Langley 2500' Foreign Stocks.

The Sunday afternoon time trials start at 12:30 p.m., with racing commencing at 2 p.m. The Saturday night time trials at 6:30 p.m., with racing at 8 p.m.

Powell River Soccer

Langley Preston management contacted The Star Sunday evening with a bulletin relative to progress of some four local clubs participating in Powell River's annual soccer tournament. Our informant was mildly shattered. "We played," he said, "like heroes for seventy-five minutes — and threw it all away." As the tale unfolds one can sympathize. West Point Grey (who ended third in the Van league) hit first and early. Preston's Wayne Ferguson equalized. Point Grey tied. Langley went ahead again — tied again — ahead again. "Some of the things we did," he went on, "were brilliant. Even this evening Don Kulai (top B.C. referee) who handled the game, was still raving about Burnell. But a couple of mistakes in the final minutes brought the card house down."

Final score — Point Grey 4, Prestons 3.

Div.3 Northwest Langley United were scrappy as ever but they too were sunk by one goal. Down 3 - 0 at the interval Bill Swint's proteges staged a bit of a comeback, but two was their limit. Score: NWLU 2, Powell River 3.

Div.9 played Saturday losing out 2 - 0 to Powell River and were short-ended again 3 - 2 Sunday.

Top Langley entry was the div.8 squad. They upset favored Powell River 2 - 0 Saturday and zipped past Langford 3-1Sunday. "Some kid from Aldergrove — named Metcalfe, I think," he said, " was fantastic in goal. A lot of people are talking about him."

Play progressed on Monday.

Summer Soccer Expansion

Many juvenile soccer managers have taken pleasure in the offer of Western Canada's newest entry — the Vancouver Cougars. Their aim is to promote the game and to gain a following in the process. They have most generously made free passes available to all juvenile clubs — to coaches, managers and players. Most local people have registered their teams.

Cricketeers Handed Loss

The Langley Cricket Club suffered its first defeat of the young season last Saturday. Winners were the Vancouver Juniors.

The home towners very confident against a much younger and less experienced club, ran into early difficulties and lost their first five batsman for only 11 run. Those remaining were able to increase the score to only 41, completing Langley's innings.

The Juniors struck quickly as dark clouds threatening rain and a possible draw outcome.

Unfortunately they were able to pass Langley's score with nine wickets to spare just as the rains came.

Scoring for Langley were W. Bickley, 10 runs; Brahm Sahadeo nine; J.Boyan, seven; C.Bickley, seven.

This Saturday Langley will host Kerrisdale C.C. at City Park at 2 p.m.

Langley Riders Ride Again

This community's foremost equestrian organization staged another successful fixture last week — namely a playday in the corral area off Berry Road. Twenty-two individual events were run off in three categories, all in good order and in appropriate tack.

To horse-lovers it was an all-round good show.

Individual standouts were senior Lynn Ulmer winning the Best Turned Out Horse and Rider first award, first in Western Pleasure class, Keyhole Race first, Barrel Race fourth, Stake Race third.

In Intermediate class, Best Turned Out award went to Lee Dixon. She also took third in Stock Saddle and first in Western Riding Horse.

Rhonda Ennis seems to have been the top junior. She won the Stock Saddle event, likewise the Western Riding Horse, the Potato Race and the Stake Race, Pattern A. She placed third in the Keyhole Race.

The riders will see a lot more action as the season progresses.

Merchants Hit The Jackpot In Softball

The best softball tournament ever seen in this district was the evaluation given by Trevor Beggs, as Mt.Baker Softball Tournament at Aldergrove drew to a close.

The playdown stretched over three days and one night, featured 12 evenly matched clubs in 23 games, were witnessed by at least 1,200 spectators and went off without a hitch.

Host club, Langley Merchants hampered by the organizational details and not able to quite reach their potential, were retired early but Aldergrove Hotel kept local fans in there battling their way through to the finals and ranking second overall.

Feature games will have to be the cliff hangers staged by Abby's Rempel Bros. Concrete and Grove Hotel. Hotel won the first clash, a real marathon from 10:45 p.m. to 1:10 a.m. Sunday. Monday, Don Schellenberg went the 15 inning route only to lose it. John Driediger, equally tough over the distance was credited with the 3 - 2 win.

Abby, with their backs to the wall dug in Monday for the showdown. They had to win twice — and win they did. 5 - 3 in the first meeting and 4 - 0 later. Despite Driediger's efforts, Don Wall spun the win.

Jack Morrison, tournament manager was justly proud of his group, modestly handing to them most of the credit for a very successful show. "An example of the dedication our people have," he said, "can be seen in Drew Copley. Drew became a father at 4:05 Sunday afternoon but did not miss any more of the tournament than was absolutely necessary."

Umpiring was done by Bob Kemp, George Seakin, Bob McFarlane and Dave Redekopp.

Little League Bulletin

A bulletin from Little League publicity director Mrs. Cross gives us the league performances to date. They are:

Connie Mack — Langley has won one — lost four.

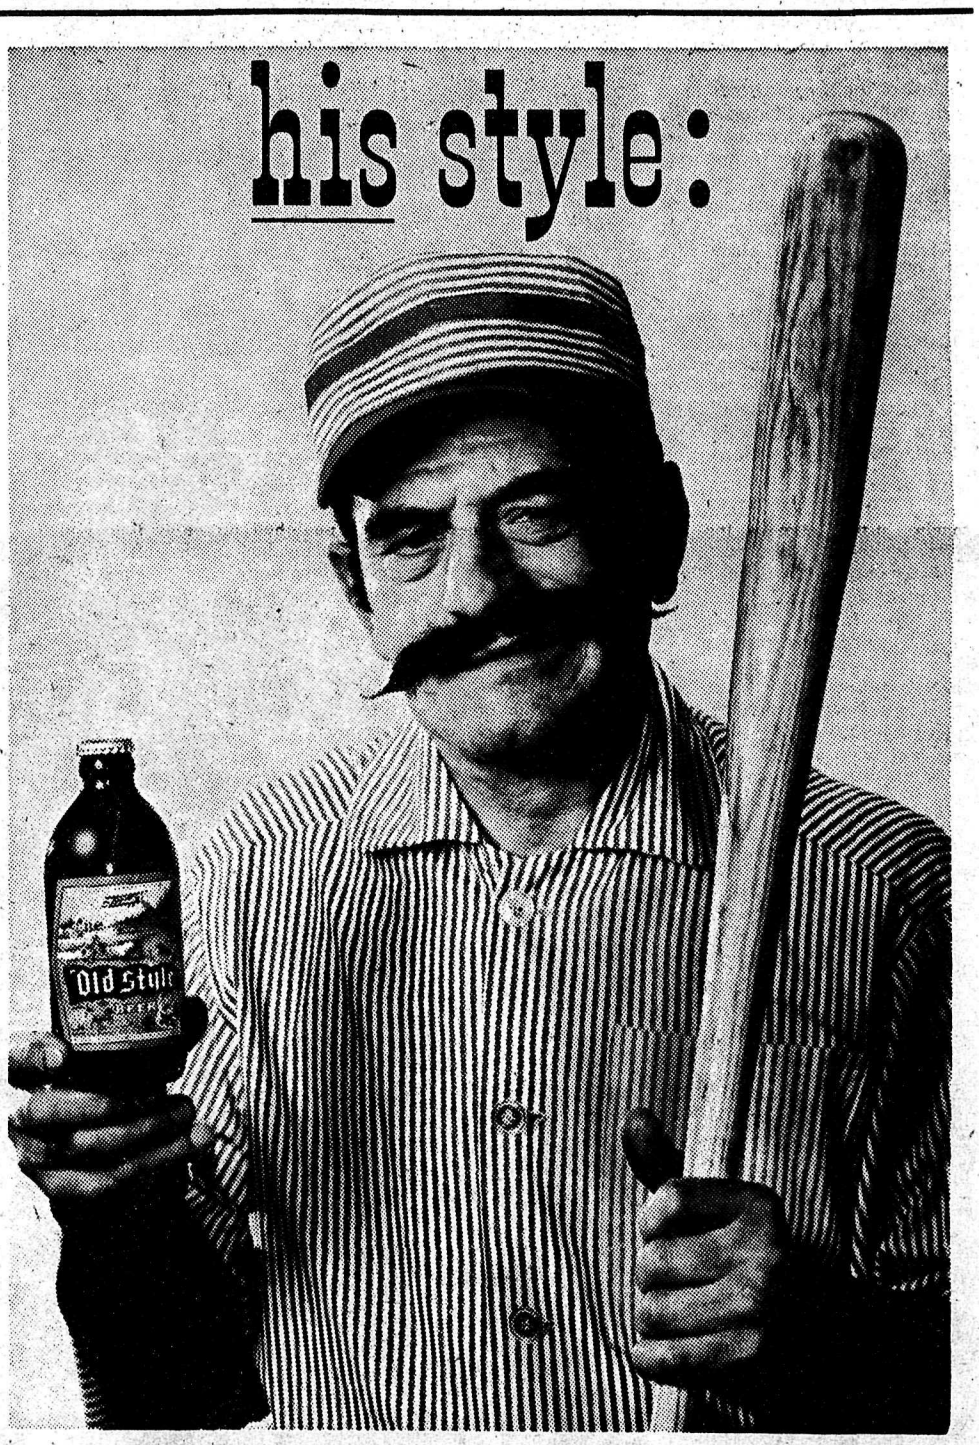
The miniminors (boys 8 - 10) begin this coming week.



With all these new-style rules and regulations, the early heroes of Cap Stadium wouldn't recognize the old ball game today. But, they'd still appreciate one style: Old Style. It's still brewed with natural ingredients and plenty of time. Still brewed in B.C. for Old Style flavour.

Chamber Hear RCMP Speaker

The Aldergrove and district chamber of commerce held their regular meeting in the Alder Inn Tuesday of last week.

Guest speaker was Corporal Stacey of the Langley detachment of the RCMP.

Stacey told the chamber of the various problems facing a police man today. A question and answer period followed on such subjects as drugs, rock festivals, petty crimes, etc. Stacey said that youth problems were not necessarily predominant.

Guests at the meeting were representatives from many service organizations, and Miss Sylvia Laier, the chamber of commerce entry in the Miss Aldergrove Rose Queen contest.

The question of a joint picnic for the chamber and various service clubs was discussed, but no decision on this matter was made since the visitors would have to report back to their members before any commitments were made.

Most of the organizations have their own picnics throughout the summer, but the chamber's idea was to consolidate it into one big community affair, perhaps with the planned Rose Festival as the centre attraction. This festival is to take place last Saturday and Sunday in June in the Elks Hall.

The last meeting of the chamber before the summer recess will take place on the second Tuesday in June. This will be the annual 'Ladies Night'. The entertainment committee is busy making plans for a wine-tasting party for that date.

Sports Day At Aldergrove Elementary

The annual Sports Day at Aldergrove elementary school will take place on Thursday, May 21.

The sports event will get under way at 9:15 with Supervising Principal Charles Bryenton officially opening the day.

Most of the races and other competitions will be finished by 1 p.m. and the final dashes and relays will be run between 1 and 2 p.m.

The PTA will have concessions open with hot dogs selling for 15 cents, pop and potato chips for 10 cents, and 5 and 10 cents chocolate bars.

Parents are asked to send a lunch along with their children as they will not on this day be permitted to leave the school grounds during lunch hour.
